

Over three weeks of damp cloudy weather sure put a quietus on the harvest. Hasn't helped the cotton either. Looks like this may be the Friday that the sun doesn't shine. It's the exception that proves the rule. We bought 200 lbs. of grain for the birds and now have some 100 free loaders of all denominations. Where were these birds when the grasshoppers were taking us over? Could be they were just out numbered.

We had a busy weekend and a lot of fun. Played an hour at the Honey Festival. Enjoyed the other acts, arts, crafts, flea market, parade and seeing friends. There were folks from every where. Saw a bus from Amarillo. Heard cousins John and Wanda Haag from Midwest City, Bill and Ginger Morgan, Sue Smith from OKC were there but didn't see them. Did visit with Mae Walsh of Briscoe, Grace Roberts, Willie Lord, Sayre, Wanelle Waldo, Wheeler, Mr. and Mrs. Orval Bogges, Hammon, Mr. and Mrs. Coy Lacey, Durham, Oscar B. Luman, Shamrock, Mayor D.R. Gordon, Dixie Helms, and Jerald Martin were among those who came around to say good words.

I liked the antique cars. We are old enough to remember rumble seats. My dad's first car about 1925 was called a touring car. Had side curtains to snap on the sides to keep out rain and snow. A new girl came to school one day and told about a car that had glass windows. We hurried that poor girl till she was in tears. The very idea of a car with glass windows!

Sherman and Wanda Wilson of OKC are staying with his mother Dovie and holding down the fort at Mayfield while Eileen Logan has hip surgery at McBrides.

J.R. and Ellen Coffey of Burkeburnett were up to spend a few days with his folks Beulah and Elec Atchley.

Before I forget, I want to mention the spook that was caught in Sweetwater. Seems the poor fellow dived head first into a big bale of hay in front of the Laquense McArthur home. Stayed several days with just his legs waving in the breeze.

Had a call from niece Samye Steward in AZ. Seems a long ago classmate Charles Etherley had looked her up on her birthday. His mother in Lubbock reads the SW News and had written to tell him Samye was there. The two families had a nice get together. Samye and Larry are planning a reunion of their family at Christmas. She's hoping her only sister Jean and family can come of the joyous occasion. Too many reunions are held at funerals.

Rickey and Glenda Walden came out and took their grandmother Inez Coffey to a District Council Meeting at OKC. A service was held in memory of the ministers and their mates who had

passed on this past year. Alfus was one of those honored. Inez was pastor of the Assembly of God Church here for years. She rode back to Erick with the Snows. The Waldens are missionaries and plan to return to the Phillipines in the spring.

The Mayfield EHC had their Thanksgiving dinner in the home of Anna Laura and C.R. Wells. Present were Mary and Harold Bollen, Lena and Oscar B. Luman, Birdie Whipkey, Leona Miller, Annis Hinchey, Clella Dye, Blanche Kuykendall, Pauline Roberts, Clela Coffey.

safe sex, there is no completely safe sex. Getting our morality back may be the only answer to Aids. Keeping the Bible and prayer out of the schools and then giving condoms to the teenage students says something about our world.

unborn: against War and killing all our best young men that way. Against murder and all such. But war, plagues, incurable diseases, natural disasters, and manmade terrors may be necessary to save the world. It took 200 years for the world population to go from half billion to one billion, 80 years to go to 2 billion, 45 years to reach 4 billion. They forecast 8 billion by 2025. Despite continual war, and other tribulations, if Peace and Love become the way of life, the population would double about every 10 years. Soon there would be a person on each square foot of ground.

## Rules of Thumb For Buying: Do They Work?

Consumers are busy people. One strategy they use to get the "best buy" is to rely on shopping "rules of thumb", confident that they are making the best choices. But, they may be mistaken because the "rules of thumb" they have learned or used about product quality and/or price may no longer hold.

Research evidence suggests that the old "rules of thumb" may not work: "Buy a Known Brand. Once consumers have found a brand name they

## Information Needed For 911 Service

In preparing to establish 9-1-1 service in your area, the Panhandle Regional 9-1-1 Network, in conjunction with local emergency service providers, is asking all residents and business operators to complete and return this form.

The information you provide will aid emergency service personnel in locating your residence or business operation and cut precious seconds or minutes off their response time. The information will be very beneficial in finding rural locations since many homes are generally not numbered and many rural roads are unnamed. The information should be periodically updated by the resident and/or business operator when changes occur.

The information will remain strictly confidential. It will only be used when responding to a 9-1-1 emergency call.

The following should be considered before completing and returning the form:

1. If you have a telephone located elsewhere than just your business or residence, note this in the COMMENTS section. If it is a different number and within the vicinity of your residence, list that number also.

Include the children's number if different from your own.

2. When giving directions from the nearest city, rural residents should give the highway number and begin routing directions from the city limits marker on that highway. If bad weather frequently causes the normal route to be impassable, include an alternate route.

3. In the COMMENTS section, list any circumstances or situations that would be helpful in responding to an emergency, such as health problems, guard dogs, locked gate, flammable material, etc.

4. If you wish, include relative or friend to contact in an emergency situation, including name, address and telephone number in the COMMENTS section.

Mail the completed form(s) to:  
Panhandle Regional 9-1-1  
Network  
P.O. Box 9257  
Amarillo, Texas 79105

Additional information may be obtained by contacting your local law enforcement agency or by calling the Panhandle Regional Planning Commission at (806) 372-3381.

9-1-1 Service will be available in the Wheeler, Kelton, Allison, Briscoe and Mobeetie exchanges in January 1992.

Band members out here and at the Honey Festival were Billy and Basil Doss, Jack Criswell, Betty Brothers, Roy Swagger, Richard Crawford, Hazel Francis, Iona Miller, Rose and Shana Abila, Joyce Matlock, Donna Mercer, Bess Perkins, Leonard Taylor, Margaret Hiller, Lillian Foshee, we three and ole Five String.

believe works for them, they often continue to buy that brand without further comparisons. Research evidence suggests, however, that past performance of a brand is a poor predictor of future quality. Analysis of ratings from Consumer Reports suggests that brands rated as "tops" vary

widely from year to year.

"Look for Seals of Approval. Some consumers may equate certain product seals of approval with quality, but in actuality they represent a limited refund or replacement policy.

"Buy the Top of the Line. Consumers may erroneously assume that the top of the line product may be the "best" choice. Research has shown that even with large jumps along a product line, quality may not change dramatically. Consumers who buy "top of the line" may be buying features they do not want or need.

"Price Indicates Quality. Research findings show that consumers believe there is a positive relationship between price and quality. But several studies have demonstrated a poor relationship and some a negative correlation so that higher prices are sometimes associated with lower quality. Therefore, consumers should comparison shop for price once a product decision has been reached.

"Larger Sizes Are Better Buys. Consumers often think there is an economy of scale by buying the largest size. However, research shows that this may not always be the case. Consumers should use unit pricing to determine if the largest size is, in fact, the lowest cost per unit.

Making a purchase decision using "rules of thumb" is not a bad strategy, but when the rules change and shopping behavior does not, consumers may be paying more than they need to and may not be receiving the quality of product they expected. It pays to do a "reality check" occasionally to determine if the "old rules" still apply.

## Colts Cruise by Kiowas

In a game where the score looks like a close game, the Wheeler Colts dominated the Booker Kiowas to run their record to 6-1-1. The score was twenty-four to zero after the first quarter and thirty-six at half-time. The second half saw the younger Colts play and Booker was able to push across two more scores.

The first score came after a light play sixty yard drive. Dusty Case made the final one yard and Jeremy Kenney ran for the extra point to make it 8-0.

On the Colts second possession Andy Francis rambled thirty six yards to pay dirt to put the Colts up 22-0. Keith Rose passed to Jason Bradley for the extra point to move the score to 16-0.

The third possession saw the Colts drive 48 yards on three plays. The last twenty-one came on a pass from Rose to Frances. Rose hit Ty Ferguson for the extra point and with seconds left in the first quarter the Colts were up 24-0.

The final Colt touchdown came after Booker moved the ball in for their first score. On the ensuing kick-off Andy Francis took the ball and bullied his way eighty-five yards for the fourth Colt touchdown. The PAT failed and the Colts were up 30-6.

The second half saw Booker push across two touchdowns and the Colts seventh grade team got some playing time. T.A. Taylor moved to quarterback and Travis Stevens and Dusty Case to the back field.

The final stats showed Wheeler with 204 yards of total offense. Jason Bradley had fifty six yards, Andy Francis had sixty eight yards and three touchdowns. Keith Rose was three for four for sixty-two yards.

## Wheeler JV Crushes Booker, 52-6

The Wheeler JV pushed its record to 4-1 with a crushing win over the Kiowas. The Mustangs started slow but came on strong as they dominated the Kiowas in all phases of the game.

Jason Hink scored the first of his three touchdowns in the first quarter on a three yard run. Chad Rives passed to Marcus Hardcastle for the extra point. The score was 8-0.

Hink scored his second on another three yard run. After a forty yard drive. With under a minute to go in the half Rives hooked up with Ciriaco Meraz on a sixty-five yard screen pass and after another Rives to Hardcastle pass the Stangs led 24-0 at half time.

The second half saw the Stangs push up where they left off. Jarrod Ledbetter ran it in from ten yards out and Rives passed to Todd Baize for the extra point.

The next score came on a reverse play to Marcus Hardcastle who rambled seventeen yards for the score. Rives to Ryan McNeil for the extra point and the Stangs went up forty-zero at the end of the third quarter.

Hink scored his final touchdown on a four yard run and Marcus Hardcastle finished out the touchdown barrage with a nifty forty-six yard run to run the score to 52-0. The Kiowas scored once in the final quarter.

The Stangs JV may be short on numbers but not on effort as Cory Case, Phillip Wiggins, Brad Harrison, Cliff Fletcher, Russell Woolard, Chris Rarden, Robert Stiles led the way to victory.

*If The Shoe Fits ...*

Please don't curse that boy down there;  
 He is my son, you see.  
 He's only just a boy you know.  
 He means the world to me.

I did not raise my son, dear fan,  
 For you to call him names;  
 He may not be a superstar  
 And these are high school games.

So, please don't knock those boys down there,  
 They do the best they can;  
 They've never tried to lose a game  
 They're boys, and you're a man.

This game belongs to them, you see  
 You're really just a guest;  
 They do not need a fan that gripes.  
 They need the very best.

If you have nothing nice to say,  
 Please leave the boys alone  
 And, if you've forgotten your manners  
 Why don't you stay at home!

So, please don't curse those boys down there,  
 Each one his parent's son  
 And win or lose or tie, you see,  
 To us, they're Number One.

yard line ended the drive. Again the Mustang defense held Happy and forced the Cowboys to punt from deep in their own territory. This time 4 plays was all the Mustangs would need as QB Jason Beers hit split back Joe Dan Ledbetter for a 29 yard pass to the Happy 14 yard line. A facemask penalty by the Cowboys on the same play moved the ball to the Happy 9 yard line. Halfback Nathan Willeford got the call and ran for 7 yards to the 2 and then Willeford punched it in off right tackle for the 2 yard TD. Happy was offside on the P.A.T. attempt and the ball was moved half the distance to the goal at the 11/2 yard line. Coach Ronnie Karcher went for the two point conversion calling on Nathan Willeford again and the conversion was good. Wheeler led 8-0 early in the second quarter. The Mustang defensive front led by Mack Marshall, Chad Harrison and Jimmy Winter again shut down the Cowboys on 3 straight downs forcing another punt. The Mustang offensive line of Travis Cook, Isidro Salas, Beryl Brister, Jimmy Winter, Genero Meraz and Ike Finsterwald mowed down would be tacklers as the Mustangs started from their own 20 after the kick-off. A 15 play 55 yard drive was stopped at the Happy 25 yard line by a holding penalty on the Mustangs. Wheeler stopped the Cowboys again and had one more chance to score after a 28 yard pass from Beers to Chick moved the ball into Happy Territory, but the Mustangs were forced to go into halftime with only an 8-0 lead. The second half proved to be more of the same as Mustang defenders swarmed happy ball carries and shut down the Cowboy offense. Wheeler mounted another drive of 46 yards to the Happy 12 yard line but

After another 3 plays and out series by the Mustang defense the offense took over again from their own 47 yard line. This time the Mustangs were not going to be denied Mack Marshall, Mark Marshall and Nathan Willeford took turns ripping the Cowboy defense on 7 plays down to the Happy 1 yard line. On third down Mack Marshall plowed his way in for the T.D. Ike Finsterwald added the PAT and Wheeler led 15-0 in the 3rd quarter. Happy had one more opportunity to get back into the ball game late in the 4th quarter when a Cowboy defender picked off a Beers pass and returned it to the Wheeler 25. The Mustang defense came through again as soph. cornerback Chad Dunnam intercepted a Cowboy pass in the end zone to preserve the 15-0 Bi-District win.

**Ain't It The Truth**  
By Ab Gunter  
Shore glad I aint in front w/ that Senate Committee as waspy as they have been. I believe them birds could skin a Cycote and him a runnin. Wow do they dig up the dirt. Not new dirt but even back to the crib to see why you didnt cut your teeth at a certain time er why you wernt house broke by the age u one er why you poked your little brother in the mouth. They really get to the bottom of things but there is one thing they aint done yet and that is to figer out how to keep a feller fum lying. I dont mean little white lies either I mean lies you hear fishermen tell bout catchin them big ones an how a Used Car Dealer will tell you about a car your interested in. I've been watchin that doins on T.V. purty close and havent detected any sign of either of them folks twitchin er sweating er scootin around in the chairs like a bird like me does when he's tellin a whopper. Maybe its their Law School trainin that gives them a poker face. I knew a Lawyer one time that could have his hand on your pocketbook before you ever told him what you had been accused of. I think I still owe him for a chicken stealin deal I had against me back in Texas so I better not ride him too hard.

I knew an elderly red headed gent back home that wuz a cow and hog buyer and had been for many years and he knew my Father in the very early teens. This feller would brag on my Dad and tell me what a fine sheriff Dad was but he tole me he had never forgiven Dad for gambling. The gent said he had seen with his own eyes Dad matchin another feller for a five cent coke. He said he saw Dad flip the coin and the other fellow called it. Dont know who won the coke but this Red Headed Gent said he would never vote for Dad again. I seen this feller hold his cattle off water for some hours before he sold them and then fore he run them into the weighin pens he would make sure they had their thirst quenched. He never used his own water either. Did I hear some uv you oldtimers snicker? Seems like I heard sort of a guffaugh back there in the audience. What is that you Ladies say bout findin a cup of water in your bacon after fryin it? Well all I can say istimes aint changed much have they?

Gettin back to the Capitol, seems as if them senators have been burnin some midnight oil aint they? Wonder if they got the oil out uv their tank er ours, but I can answer that and I bet we furnished the bologna and cheese sandwiches and ice tea cause the way I hear it they have been cut off fum credit at the lunchroom.  
Years ago when we lived in Wheeler, I was trying to coach a high school girls softball team and the girls were good and I believed they could have beat some of the boys teams at baseball but since I didnt want the girls to hurt the boys feelings we never challenged them. Anyhow we were going to another town to play ball and I explained that all of them would return on the bus they went on and naturally I got a bit of flack but as I had them in a huddle and had their attention I got them to quit giggling and told them I wanted each of them to pay close attention to what I wuz goin to say, they agreed. I told them if pregnancy showed up on a boy like it did on a girl they would be heck of a lot less of it. Even to this day I have had some of those kids who are grandmothers tell me that they never forgot my words. Still sounds good to me.  
By the way I would appreciate it if you would send a card er letter to a young friend of mine: I used to run with his Granddad who wuz a red headed, freckled faced, one eyed Baptist Preacher. This young man never knew him but if you would write Christopher, Pettiet c/o Young Riders, ABC T.V. 4151 Prospect Ave, Hollywood, Calif 90027. He just joined Young Riders and he is the young Jessie James. I would appreciate it and know Taft Hollaway his grandad would thanks again.

# BRISCOE NEWS

By Vetola Parker

Frances has come and got my news 10:30 a.m. didn't have much. Hope to this next week.

T.V. just said ever 20 seconds a car is stolen in U.S.A.

I said the world is getting wickeder and wiser they say that is not in the Bible.

I know I have read only way we can tell the seasons will be by the leafing and budding of the trees. Have lost my good concordance, can't find these verses.

Didn't get around to all last week. At 6 p.m. Tuesday still cloudy.

To punish the parents for what the kids do is a law they are thinking about. I think that will be ok. I think it will cut down crime.

Like 100.00 if your kids play hookey etc. I would have been in trouble. I did not have that kind of money, not bragging my kids never played hookey as far as I knew. I never did.

I wanted to one April Fool, good thing I didn't Daddy would took some of my hide off. guess if you spare the rod you spoil your child. I do believe to talk first use the willow last.

Wednesday morning 7:30 sure looks like snow is it cold in this house. Betti

hot all time turned my fire out. She said she would not get cooled off in summer in Alaska. I think its what and how much she eats. Probably high blood pressure. Don't know. It's 8 a.m. now. Plenty cool, she is in bed.

Wednesday Marylu called around 9 a.m. said Olen Joshlin's wife passed away yesterday, Tuesday. Helen and Shorty have gone up there to Enid, OK. We knew this was going to happen. I sure hated to hear it. But cancer seems to get them. Our sympathy goes out to Olen. We thought a lot of him. He came out here a lot with Ted and all her relatives and friends have our sympathy.

Marylu and Bob had Ralph and Juanita Markham and Cecil and Doris Markham they went home yesterday they came Friday. Cecil and Doris came Sunday.

Could clear off to look out now at 9 a.m. sun is coming out.

Some where overseas a egg cost 4.50, flour \$15.00 and \$16.00 per pound, didn't get the town. I have a niece that washes clothes on rubboard and tub overseas in Khiri Egypt.

I think that is worst thing to have to do, and make your soap.

One of my brother-in-laws was up on a ladder fell off broke his glasses cut a gash on his head, damaged some ribs, Mac McGaughy, Unav's husband.

Edna nurse came today she said the nurse aid has not been found yet. She was to come here 4th 9 days ago. Can't see why she don't call in, if she can, there are a good batch of canyons in area, I mean the roads were slick Monday of last week.

The weather guy says November will be dry. Sure been cloudy, makes us think its going to rain or snow.

Wind is whistling around our house at 5 p.m. Wednesday.

Edna comes from Canadian, I think maybe Pampa, quite a little drive this kind of weather.

That wind whistled all night and still is this Thursday morning at 9 a.m., still cloudy.

Now we had a cloudy very little sunshine in November as yet.

We were suppose to have lightening and thunder today Thursday we did not. I don't care for lightening and thunder.

Friday still cloudy. Helen got back Friday. I was sure glad to see her. Didn't look for her till Monday.

Saturday at 7 a.m. it is raining not hard. The car hood is wet.

Happy birthday to Vetola Parker this morning Saturday. I sure intended to send Nona Elmore a card and Dewayne Mathis, Donna Jean husband, good thing they celebrated my

birthday last Saturday part of them did, its probably to sick to get on pavement this morning. Sat. wet, 13/4 inches Betti said.

Hoyle said Nona Elmore came home yesterday from the hospital, sure hope she is better.

My brother N.F. called last night wished me happy birthday, Garry and family, Ted and Pauline, Hoyle Helton sent cards got 2 angle food cakes last weekend. Guess that was a pretty good celebration.

Hoping all the sick are better, oh yes Madell and Daphne, 2 sisters sent cards getting to old, 80 W.O.W.

8:22 first time it to hot in here in long time, my bedroom.

Well Tolene called from Colo. Troice my baby sister called from Ark. she said Andy was about the same, she said he gained a little since they went back to Ark.

Tolene said they had 3 inches snow on ground it was snowing fine like.

Hoyle called me this morning that Elbert Zybach passed away in Wheeler hospital. Our sympathy goes out to Ruby and children, all his relatives and friends. The community will be saddened to hear this. I have known Elbert since 1930. Funeral Monday at Church of Christ in Wheeler, buried in Zybach cemetery east of Briscoe.

Zetha called, Nelson called, all has called wished me a happy birthday, Tolene called a cousin from Denton a brother-in-law in Amarillo Mac sang me Happy Birthday. Donna Jean a grand daughter. N.F. Jr. called sister Daphne, Hoyle, had a pretty good birthday after all. Me and Betti hear all day by ourselves. Rained till 12 noon.

Troice said it had rained, rained they had to much, Donna Jean said they had to much in Weatherford, OK.

Bob Markham called said did I know and Carter family in Briscoe their daughter was going to school in Canadian. She had saved a babies life, chocking, didn't get any details. I didn't know the Carters. Bob said a write up in Canadian paper. He gets Canadian paper.

Bob Markham said he got 2 inches of rain Sat. We registered 13/4 inches Betti said Pampa got 2 inches, Denver, Colo. got 10 inches snow. Am wanting to hear from Tolene they had 3 inches snow still snowing Friday up on their mountain.

I just found out it was Vernell Praters granddaughter that saved a babies life, age 15 in Canadian.

If I had read Verna Fillingims new I would have known about the Praters granddaughter.

My Garry asked me while back whose son was Mike Meadows, I said I don't know any Mike Meadows well I just read in Verna's news that Brady and Mary Meadows have a Michael, so kinda think that might be the Mike.

The wasp has hid out some. guess they have a nice warm home some where.

They hollow diabetics cut sweets, salt hurts me worse than sweets, really.

Hated to hear Gena's mother had to get a pacemaker. Hope she is doing ok now.

Monday, Weldon and Diana have the flu, Marianda still has her foot in a cast. Michelle only one up, going Weldon said.

Zetha sick going to doctor today. Leroy said Janice had a sore throat, pretty sick. Tolene had a sore throat up there in Colo. Don't see how it spreads so fast.

Zetha dropped her Chiropractor treatments and came to Elberts funeral, I am glad, I was feeling so sad, none of us going.

Doc and Iolene visitors over the weekend or part of weekend were Doc's oldest girl Carrol Jean and Husband, James Hardage and Mary Kay and Husband Vic Taylor. Carrol lives at Lawton and Mary Kay at Dallas.

Doc was so glad to see his girls he hadn't heard from his mother, Don't think Daphne had either, she was broke out pretty bad with shingles. I don't know what shingles is. I have heard it was a nerve disease. Guess I will never have it. I don't have any nerves. When we have a get-together and leave my mother was ready for hospital. I been hoping I never get like Mama. Can stand rackets I can not stand wrestling or scuffling in house.

Can remember Elbert died on my birthday. Will never forget.

Zetha saw people she knew but could not put a name to them.

Tuesday morning 8 a.m. still cloudy looks like snow.

Doc came to this corner south of my house, he could see the cemetery the cars has not come up there he just set there. In little bit here they came from south. He counted 52 cars as they went by. Some came from the east, some already up there. A lot did not come out to the cemetery. Zetha said it sprinkled some up there.

The chicken pox is going around. One of Zetha's neighbors kids has it. The mother took it. Adults are taking it that have already had it as a child. Not bragging as far as I know I never had chicken pox. It had to have been before I was 3. Doctor Nicholson said you can have them more than once.

To our friends: "I thank you for all the goodness, kindness, honesty and warmth of feeling that the continuance of our friendship brings" by Franz Liszt.

A true family is not always one's own flesh and blood. It is a climate of the heart. We are proud of our family and love them dearly. And we are also thankful for the many lovely people God has sent our way and are also family.

Sincere sympathy to the family and friends of Elbert Zybach in his death Sat. at Wheeler with funeral Monday at Church of Christ in Wheeler. Elbert was a good, kind man, beloved by all. We will look forward to seeing Elbert in heaven. "He'll have a new body, Praise the Lord, He'll have a new life".

We enjoyed helping David and Rita Pearson celebrate their birthdays with supper at Maxey's Saturday night. Also in the party, were Lindsey Fillingim, Randy Finsterwald, Jimmy and Tammy Maddox and Jennifer and Amber. Lots of people at Maxey's including Irene Keys and son Don and Bonnie Hall and grandchildren Lindsay and Jared Keys, Mike and Teresa Dyer and Amber, Lee and Sharon Hall, David and Phyllis Hefley, Darren Hefley, Richard and Bonnie Meadows and Reagan, James Vise and son, Winston and Janette Rainey and son Gary and Linda Hall, Bob and Vickie Greenwood and Brandy.

So nice to have Lee and Esther Brown and Jessica and Joanie come down Saturday from Skellytown for lunch. Lee hunted a little, sloshing around in the rain. About the only things he saw were coyotes and a few quail, hiding in the bushes. We got a wonderful rain, most all Friday night and Sat. morning.

The Briscoe High School Basketball Tournament starts Thursday, Nov. 21. Briscoe girls play Hedley at 7:00 p.m. Our boys play Allison at 8:30 p.m. Games start at 10:00 a.m. Thursday and Friday and 1:00 on Saturday. Schools with boys and girls teams entered were Follett, Samnorwood, Allison, Hedley and San Jacinto Christian. Schools with boys only are Kelson and Darrouzett. With girls only are Wheeler Christian Academy and Miami J.V.

Wheeler and Miami are not in our district and refuse to play with us this year. Sorry about that. Or at least we were told that.

Rita Pearson plans to relocate her Germania Insurance office from the Mobeetie Bank by December 1 to the Henderson Trucking Company Building north of Wheeler on the east side of the road; formerly H. and S. Trucking. It will be much handier for Rita, as she makes many trips and calls to Wheeler. Look for her Germania sign when she gets moved in.

It has been approved for First State Bank of Mobeetie to build a branch bank just north of Ware Chevrolet in Wheeler. Construction will start in a

few weeks.

Thank you to all who prayed and were concerned about our grandson Clint. He is doing great. The doctor said he was awfully lucky, that someone up there was looking after him. Clint said "I know God was taking care of me". He was burned some with gun powder recently.

"Wise are the ones who make the most of things that come their way and spend no time in weeping for the things that get away."

"Death is nothing at all. I have only slipped away into the next room. I am but waiting for you, for an interval, somewhere very near, just around the corner. All is well." By H.S. Holland

Phoebe Hartline is now working a few days a week at Dr. Galutia's office.

E.G. and Willa Fillingim are looking forward to having Ed and Laurel Hershman and Troy, Sarita and Alan from Kirkin, Indiana to spend a few days during Thanksgiving holidays. Getting together for a family gathering Friday, Nov. 29 will be the Charles Crownover family and Gayle Singleton family and maybe others.

Mrs. Beedie Laverty was out to church at Gageby Wed. night looking perky and pretty. But then she had a series of strokes and got where she couldn't walk or even sit alone and had to be put in Wheeler hospital. Remember her and her family in your prayers. She is very ill.

"There are many ways of showing someone you love them, but making them feel needed is one of the best."

Sincere sympathy to the family of Rosa (Thompson) Keeton in her death. Funeral was Monday at Canadian and burial at Washita. Rosa was the wife of Burlin Keeton.

Pray for Mrs. Audie Sivage. She had a reaction to medicine taken for an infection and spent several days in Wheeler hospital. Hopes to be home soon.

The Wheeler Christian Center kids went to Amarillo Saturday and Thursday and played basketball at San Jacinto Christian, Junior girls and boys each won first; Senior boys won second and senior girls consolation. Kaleb Meek, Kyle and Misty Zybach, Bridget and Jana Chandler and Hank and Crystal Gilmer were among those playing. week and Sunday 8 to 4. She is taking tests to be certified as a nurse aide. Jannet works at Abraham Home in Canadian.

Lois and Roy Meadows met Leta and Eddie Meadows and Laura and Amy for lunch in Canadian and a good visit Sunday.

Sunday we enjoyed meeting Marion and Ethel Grimes for lunch at the Dairy Queen in Wheeler to celebrate Marion's 74th birthday a little late. Lots of others there including Tony Griffin and Doretta Moore and 2 of Doretta's sisters, Odessa Mooney and Wanda Sailor, Bill Brickey, Loy Davidson, Lawrence Lancaster, A.D. Eads, Mark and Annette Meek and Kaleb and Jocelyn, Dee and Agnes Miller, Jennie Walker and Peggy Chandler, Claudy and Ina Mae Brotherton, Inez Moore.

Pray for Donald Hill of Canadian. Three weeks ago he fell off a roof he was helping with and broke some bones in his heel and tangled up the nerves. He has been in a lot of pain and still is in much pain.

David Pearson's mom and dad and sister and husband from Stamford came up to watch the volleyball game at Aspermont and visit with them.

Old is good; bald is beautiful; fat is pleasingly plump.

Bruce Mize was a weekend visitor to Randy Finsterwald. They visited Lindsey Fillingim Saturday night.

Psalm 92: 12, 14 The righteous.....will still yield fruit in old age.

Larry and Vickie Nelson and Keri went to Wheeler Sunday and visited Cathy Harrison a little while.

Terry and Becky Tipps and Zachary, Adam and Casey from Fritch were weekend visitors to Dean and Georgia Tipps and Dick and Ruth Irvine. Also visiting at Dean's were Jimmy and Tammy Maddox and Amber and Jennifer and Dwight Tipps.

Recently while Earline Hefley was here, she and Clifford and Pauline Hefley, Jim and Beth Alvey, Tina Alvey from Shawnee, OK, all went to Pampa to the courthouse. Kent Sims inducted Todd Alvey into the Bar Association for young lawyers in Texas. Todd is a fine young man. We are proud of you Todd. Sorry we didn't get there for the grand occasion.

Jim and Beth Alvey, Clifford Hefley, and Felipe are spending a few days vacation at Pharr, Texas.

At the Zybach funeral as we sat in the balcony and looked over the Zybach clan, we thought what a fine family they are "the salt of the earth". Integrity, compassion, hard working. As the preacher said, the best memorial to Elbert would be for us all to try to emulate his life. Good to see Lucy (Barnett) and husband there from Sudan. Lucy and Jane Ann Hall are still close friends after all the years from school.

Wednesday lunch guests at J.P. and Martha Meek's were Mack and Linda Sides and Dale and Jimmy Sides and Cory from Abilene. Spending

Saturday night at J.P.'s was Aaron Hartline.

Nice to have my sister, Pauline Hefley, go to lunch with me Monday to Hasty's in Shamrock. Nice to see Tina Ford Deger there working. Saw her at Maxey's Saturday night and couldn't think who she was and where I saw her. A sweet little lady.

Many thanks to the young ladies who prepared and served a delicious turkey dinner for Thanksgiving to the Wheeler Senior Citizens. Who says young women can't cook? Every bit as good as grandmas' and the grandmas enjoyed not having to cook it. Grandpa's, too. Turkey, ham, dressing, broccoli-rice-cheese, sweet potatoes, rolls, cranberry sauce, green beans, pumpkin pie were served to a big crowd of "golden oldies". Some helping to serve were Lori Baker, Brenda Hefley, Machille Henson, Mary Ford, Mary Britt, Marla Ford, Belinda Masters, Marci Wright, and others.

Our Briscoe boys looked real good in their scrimmage with Hedley Monday night.

We are so proud of our Lady Broncos for their fantastic volleyball season, winning district and Bi-District, in spite of being a very young team with only one senior, one junior, 3 sophomores and one freshman in their starting lineup. The rest are freshmen except for one senior who has never played much before. They lost to Plains at Aspermont Tuesday night. Plains was no better than our team, but must have been used to the low ceiling, which bothered us greatly. Good crowd to cheer them on included Bob Downs, Sally and Jackie May, Nancy Shelton, Cindy Newman, Addie Swift, Wanda Childress, Pat Childress and Amanda, Coach and Paula Brown, Larry and

Vickie Nelson and Danny, Rita and David Pearson and Dallas, Dusty Walker, Josh Purcell, Travis Goad, Kevin Shields, Randy Finsterwald, Melvin and Cathy Hunt, Aaron and Claudetta Laverty and Shelby, Cory Kinnaman, Emma Swigart and Jake, Inez Moore, Misty and Brandy Mumford, Olaf Sivage, Gaye Hale and Sarah and David, Tim Mayfield and Willis and Verna Fillingim.

Cheers were led by Brandy Luttrell, Stacie Dukes, and Cecilia Greene. Nice to see Richard and Karen Laverty and Trey and Shaleena there from Gail, Texas.

So now we are looking forward to a great basketball season. Bronte and Harold volleyball teams were to follow ours in a game.

I met Donna (Ford) Hamilton (daughter of Ocie Fords) and her son Patrick, who is music minister of the Baptist Church at Plains. Don't remember where Donna lives. They were at Aspermont at the game.

Sincere sympathy to the family of J.D. Beaty in his death. May God comfort each of you. We will miss him.

Congratulations to Dusty Yowell and Meghan Sites for being chosen Junior High Basketball King and Queen at Sweetwater Thursday night. We enjoyed going down and watching the games. Erick girls won over Sweetwaters Sweetwater boys won over Erick, but I didn't get the scores or the runners-up for King and Queen. It was good to see Eddie and Mary Mayfield and Jason 9th and Jessica 7th at the games. Jason and Jessica played some for Erick. They live about 12 miles from Erick. Jessica's long, dark hair had gotten short, curly and reddish so I didn't recognize her, but she is still beautiful. Jason is a nice looking young man, too. LaJuana Treadwell spent a few days with them over the weekend. Sorry to hear that Vendall Treadwell is not well. Remember him in your prayers. Game scores were pretty close.

Did you recognize Rita Pearson's picture in last weeks Wheeler Times? There were posters all over the concession stand about hers and David's birthdays and an announcement from the gym floor and black balloons. Sincere sympathy to Rev. and Mrs. B.A. Hyatt and other family members in the death of their grandson. It hurts to lose our loved ones, but God has more to offer than we do!

Ma Mary Hudson is moving Monday, Nov. 18 to the Elizabeth Jane Bivins Home on 3115 T. Anchor Blvd. Think it is south of the Fair Grounds. she invites everyone to come to see her, but not all at once. Oden and Lois Hudson hosted a going away 88 party at their home Friday night. Co-hosts were Ray and Pat Hudson. Many friends came to wish her well and play 88 and visit. Some there besides honoree and hosts were Bulldog and Dorothy Walker, Mable Parker, Mae Welch, Edna May, Doris Newsom, Edith Donaldson, J. P. and Martha Meek, Evelyn Meek, Roy and Lois Meadows, B.F. and Margie Meadows, Willis and Verna Fillingim. A delicious vegetable tray, dips and chips, cakes, homemade bread and cocoa and coffee, were served. Also sandwiches and crackers. We wish you much happiness, Ma Mary, but we will miss you.

Cheryl Hudson, 375-2566, is our

new Avon lady.

Sonya Paul visited Ray and Pat and Cheryl and Richie a few days and helped with things.

Interesting to watch our Briscoe-Mobeetie kids scrimmage Samnorwood Friday night. Looking good! Boys line up included seniors Danny Nelson, Dallas Fillingim, and Kevin Shields; Juniors, Dusty Walker, Travis Goad, and Donnie Bell; Sophomores David Hale and Jimmy Nelson; Freshmen, Josh Purcell, and John Moffett. There are several other

boys that we hope to see suited out soon.

Tammy Greene's F.H.A. served delicious pile on tortillas and burritos. Tammy Greene's sister and husband and boys were there from Samnorwood, Mr. and Mrs. Gilbert Lyles.

Briscoe Junior High will play at Follett Monday, Nov. 25 at 6:00 p.m. B.H.S. will play at Shamrock Tuesday, Nov. 26, at 6:30.

God be with you till we meet again.

**Here & There**

Do you recall the TV commercial where the lady says "Do you remember the four food groups?" Well, I think I do. It goes something like this: Fast, Fat, Fiber and Cholesterol. Does that sound like the grammar school physiology said? Maybe not, but that's all I've heard for a long time. Maybe the lady should refresh our minds on the subject. Fast, fat, fiber and cholesterol is getting pretty hum-drum.

The snow missed us. There was not a flake. But the earth keeps getting a little wetter. That's fine. The cold temperature isn't too bad.

I had a telephone visit with Pearl Jones today. It's been so long since I've seen her. She brought me up to date on some of her relatives.

Her sister Ruby Pendleton is not well, but tries to keep going. Pearl says she does too much. (That's what my sister tells me) A sister-in-law, Ruby Jones is not well either. There's a common ailment among us all—we are not so young as we used to be. Pearl also says that her three nieces that I mentioned a week or two ago, are really having a ball since they are all back home. The women are Beverly Lewis, Charlene Whitener and Butch Moore (They are the Bradshaw girls.)

The football game at Amarillo—Wheeler and Happy, drew a lot of Wheeler people, even though it was a rainy night. Steve and Patti Guthrie went, then spent the night in Amarillo with friends. Melinda and Tim Whorton started to the game, but when they got to Pampa the rain was so heavy they turned around and came home. I guess that's ok though—the Mustangs won anyway.

Tim Whorton spent a day in Liberal, Kansas, last week to attend an Enron Company workshop.

Patricia and Ed Forrester spent the weekend in Carrollton and Bedford. They made the trip to stage an 80th Birthday party for her dad, Mr. Robert Cosper. It really was a surprise for him. Patricia's sister, Janette and husband from White Deer were there to help. Several other relatives and friends attended and everybody had a good time.

Kellie, Bob and Ryan McNeil were dinner guests on Sunday with their mother, Patti and Steve Guthrie.

Hestell Killingsworth's daughter visited her on the weekend. She had been to Austin to be with her daughter and infant grandson. She was returning to her home in Denver, Colo. had

Pearl Jones took her friend, Estell Hubbard, to Shamrock one day last week so she could meet an appointment with her doctor.

I promised another verse for Thanksgiving.

Here it is:  
A soft white hand to ease my care,  
A child's small voice to rise in prayer,  
A special friend, both kind and true,  
To help me right the wrongs I do.
