CONGRATULATIONS, Elementary Students! Wheeler Elementary, grades 2 thru 8, went to Clarendon March 18 and brought home second place in the District U.I.L. competition, earning 458 points. This is as high as Elementary U.I.L. competition goes. We are proud of all of you.

CONGRATULATIONS! also to the track teams. They have been making some excellent showings at the area track meets.

Ginger Nelson and Rochelle Rives broke school records at the meet at Canadian. A related story is on page one.

We did it again, left something out Danny Hardcastle brought us in the birth announcement for the twins, **Joshua Case and Nicholas Cade Hardcastle** a couple weeks ago. Ravonda called Monday and ask why we hadn't published the announcement. I could have sworn it was in the *Times* and looked, but no luck. Sorry for the delay.

The girls and I went to the One-Act play competition Monday evening and were thoroughly entertained. The Wheeler cast did especially good and deserved the recognition they received. Of course, **they were the best!**

Leslie Brinkley was named **Best Actress**. And we should have had the Best Actor award. Damon Remy (for example) may be seen one of these days as a TV Evangelist. Leslie played two parts and Phillip played three parts, doing an excellent job of each.

And **Kris Bradley** deserves recognition for his portrayal of a Coach.

You are all winners and we expect to be following you **All the Way to State!**

Do we have any fruit left. My trees seem to have waited until just this week to really get started blooming, but I am sure we are not through with the freezes.

Once again I was getting around a little slow Sunday and Monday—worked too hard Saturday in the garden. Have part planted, but still have some to go. Need to raise some food this year.

The high school goes to U.I.L. competition Thursday. **GOOD LUCK!**

Ronal Jr. had to visit the dentist last week during his stay with us. He decided he liked Dr. Smith better than his regular dentist.

Emergency Loans Are Available To Farmers

Emergency loans for farmers, ranchers and aquaculture operators are available through county offices of the Farmers Home Administration (FmHA). Mr. Wolf, FmHA County Supervisor, said today.

Mr. Wolf asked that those who need farm credit as a result of losses caused by freeze & heavy rains, which occurred between Sept. 1, 1991 and Dec. 31, 1991 make their needs known at the Farmers Home Administration Office at 112 W. Oklahoma in Wheeler, TX.

Applications for assistance in the disaster stricken counties will be accepted by Farmers Home until 11-28-92 for physical and production losses.

FmHA loans covering actual physical and production losses may be used to replace installations, equipment or buildings (including homes) lost through this disaster. Funds may be used to buy fee, seed, fertilizer, livestock or to meet interest and depreciation payments on current real estate and chattel debts.

"Funds can be used for essential operating and living costs," John D. Wolf, III said.

Applicants that certify that other credit is not available may receive loans covering actual losses at an interest rate of 4.5 percent and are scheduled for repayment as rapidly as feasibly consistent with the applicant's ability to pay.

To be eligible for an emergency loan, an applicant must have suffered losses from the disaster.

Designated counties for disaster S582 are: Hemphill & Wheeler.

APPLY HERBICIDES EARLY

If you have winter weeds, such as mustard and Hegbit, Herbicides should be applied as early as possible.

Herbicides & Fertilizer can be applied in one application.

Fertilizer should be in place early to get all advantage to young wheat. Herbicides such as Glean and Ally should be in place so that rainfall will activate chemical.

DuPont Co. recommends you mix small amounts of 2-4D or Banvel with Glean to help kill resistant weeds.

IS IT GOD'S WILL FOR YOU TO BE SICK?

People are frequently told that whatever happens should be accepted as God's will. Many folks believe that cancer, heart disease, diabetes, etc. are part of God's plan for some people and that because He is a Sovereign God, He chooses to bring these things upon people. Of course, people who believe this usually don't consider the inconsistency of their behavior. While proclaiming that God's will is for them to be sick, they are making visits to the doctor and taking medication which would be an act of rebellion against God if it is His will for them to be sick. People go to doctors and pharmacists and hospitals, try to get relief and release from disease. But if disease is God's will, to try to get relief from it by any method would be resistance to His will, wouldn't it?

The Word of God says, "He sent his word, and healed them, and delivered them from their destructions." (Psalm 107:20) The Lord "healed all things that thou mayest prosper and be in health, even as thy soul prospereth." (3 John 2) God said that if His people would listen to Him and live right and keep His commandments, "I will put none of these diseases upon thee, which I have brought upon the Egyptians: for I am the Lord that healeth thee." (Exodus 15:26) He declared that if we would serve Him, "I will take sickness away from the midst of thee." (Exodus 23:25) He emphasized that if people would keep and do His word, "the Lord will take away from thee all thy sickness..." (Deuteronomy 7:15) Concerning them that believe, "they shall lay hands on the sick, and they shall recover." (Mark 16:18) If any Christian is sick, the Bible says, "let him call for the elders of the church; and let them anoint him with oil in the name of the Lord: and the prayer of faith shall save the sick, and the Lord shall raise him up..." (James 5:14-15)

If you are sick or if you don't know that you are born again and ready to meet God face to face, do not hesitate to call us for prayer. We also have a type-written, 5 page list of healing Scriptures free for the asking.

BRISCOE NEWS

By Vetola Parker

Jessie Brown came by this Tuesday morning on his way to, Calif to the navy, 1400 miles. He looked good. Darren is in Germany he said.

Looks like a bad cloud down toward Kelton at sundown. We could hear thunder.

Weldon got to Canadian yesterday coming down before he knew his Uncle George had passed away. He left his

suit in Liberal cleaners, he had to go home this afternoon and back down. Wish he had called before he left home, he got home at 4 p.m. it had dropped 20 degrees up there since he got home when I called up to see if he got home. I believe it was 40 degrees when I called at 6 p.m.

Sure looks bad outside this Wednesday morning.

I was sure wanting a pretty day, 18th it was fair.

Ted and Pauline and Garry came by going to George Parkers funeral, this morning.

N. F. and Daphne went to Hoyle and J.O.'s this morning ate dinner. They said it was misting rain up there at the cemetery. I was sure afraid it would rain.

Some cousins from Canyon and Tula came. Funeral being in week time some could not get off.

Friday, afternoon Nelda Dukes, Shawn Zybach, Truman and Stella Fell came for a visit. Since they left I read in Wheeler paper brother Truman is holding a Gospel Meeting over there in Allison.

They also visited J.O. and Hoyle Helton.

Cousins were George Smith, Jessie Parker, George Smith's son, Donny. Doc Wilhelm came over.

Talked to Eunice Edwards she is looking for a sister to Cecils Edwards wife, she got a sick brother they have him in Pampa now.

Mickey at home wanting to put out a garden doing very well. Eunice has no help on Saturday. No news today.

Pauline and Betti got back home from Wheeler shopping they look hot and tired. Pauline out hunting Ted and taking him water.

Sunday a pretty day, pretty cool outside.

Betti came home from town sick, sick all day Sunday and last night. Some better this morning.

Rosalie talked to Joey in Houston Saturday.

Addie ate dinner Sunday with Fat and Wanda.

She did not go to Shamrock Saturday. Fat and Wanda and grandkids went. Addie had Susie, Katy, Jackie, Shannon visited.

Think they had a pretty nice St. Patrick's Day at Shamrock, way all are telling about it. Addie always goes till this year.

Doc and Iolene are going to the ear doctor this morning in Amarillo. Iolene is having ear trouble. She is staying up there, Doc coming back home.

Ruby Zybach said they had a revival, Gospel meeting over weekend that was their news over weekend, attending that. Brother Truman Tell did the preaching from Oklahoma at Allison Church of Christ.

Hope all the sick is better this morning.

Sure quite around here Betti is sick in bed. Me trying to get some news. Was pretty cold over the weekend, sun out getting warmer. Everyone about blank.

Monday real sunny and pretty today.

Plant your potatoes last week 17, set your cabbage plants out and cauliflower plants out last week, onions, etc.

I say we will have more ice. Don't know when.

Ted said Swift Packing was killing 4200 cattle since they started back up a day. Now that's a lot of cattle a day.

Dana Trimble went with Richard and Bonnie Meadows to the Movie Texas at Zathia. Her Dad went to Shamrock St. Patrick's rodeo roping.

Wind blowing or it would be a very nice day.

Talked to Mattie Jackson she seemed to be doing ok skinned her arm. She had talked to Bernice Zollars last night.

March usually comes in like a lion or lamb. I think it came in like a lamb in middle it turned like a windy cold lion.

Never heard of that, well go out like a lamb, guess.

Roy McCoy was at George Parkers funeral. My kids was following Roy McCoy was over there. I said he was born and raised over there.

Talked to Charles this morning Tuesday, They put Essie in hospital yesterday around noon. Lavern came last Friday. She called out this morning said she was better. Essie got a good nap last night.

Francis picks my news up this morning. Not so much.

That wind is blowing still.

Hope Betti is better this morning. She sure has been sick over weekend, a tore up stomach deal. Hope I don't get it.

Glad Lavern is with Essie also. Spring break nearly every where most kids have to work. We didn't have this. But we had to work, miss school also.

Betti is up guess she is better. Hate to see anyone work sick especially handle my food. W.O.W.

A lot of sickness yet around the country.

was our worst snow storm ever in panhandle. Mine was 7th of April in 1938. I don't know how wide spread 1938 was. Just don't need another one like it. I think I remember 1957. Happy Birthday Barbara

Here & There

At this time I'm a little off-routine and a little off-schedule. But if I follow up plans and instructions my time will be fully taken up tomorrow.

The removal of a chunk of calcium which was deposited on the knee.

So, tomorrow, (Monday) we will be checking in at High Plains Hospital in Amarillo for some minor surgery.

Dr. James Rogers is the surgeon. He is another person whose roots are in Wheeler and Briscoe. He is the son of Willis Rogers and Lola Faye Woods Rogers.

Irene Rogers came to visit me for a while today. She told me about a lovely surprise she had last weekend. She was away from home Saturday morning and when she returned she found a cousin, Maurine Lear of Sapulpa, Ok., and a friend Mary Beth Guy, of Ponca City, Ok. at her home enjoying a visit with her husband, Lewis.

Ed and Patricia Forrester drove to Dallas this weekend to visit their grandson who is about 3 months old. Of course he is very sweet and dear and about the smartest baby ever born.

In the Plain Spoken, by David Stephens, in the Sunday Amarillo News, I found a quote from a friend, (and Patricia Forrester's sister Janette Cathey) She was just speaking of spring and what she enjoys.

Word came that Willie Dee Lawrence Whitener passed away Sunday, March 22. Her funeral is to be held Wednesday, March 25. Husband of Willie Dee is Herbert Whitener and he is the brother of Gordon Whitener of Lubbock and Novella Vanpool and Hiram both of Wheeler.

Wheeler Jr. High Track

The Wheeler seventh and eighth grade boys competed in the Rocket Relays in Wellington this past weekend with both squads turning in solid performances.

Porton placed 2nd in the 200 meter hurdles, 3rd in the high hurdles and 4th in the high jump. The gummy Meraz captured gold in the 800 m run and also finished third in the 1200 meters and fifth in the triple jump.

Other seventh grade ribbon winners included Dean Hutchinson, 5th in the shot and discus, Daniel Keelin 5th in the 200 m and 6th in the 100 meters and Wade Brickey who placed third in the shot put and was also promoted to the position of "Ammo Man" by the Wellington coaching staff.

The 8th grade Colts scored 80 points to finish fourth in the highly competitive field. Leading the way for the Colts was Andy Francis, Jason Bradley, and Jeremy Kenney. Francis won the 400 meter dash placed 3rd in the shot, and garnered fourth place finishes in the high jump and the 200 meter dash.

Next action for the Colts will be March 27 & 28 in Miami.

CARD OF THANKS

My family and I wish to thank all of those who called, visited, or expressed kindness in another way during my recent illness. Each act of thoughtfulness and caring was appreciated very much.

Sincerely, Mark Gill
