-cwe-STORM REPORT As Reported By . . Stormie Meriwether Pre-Kindergarten

Everybody came to my house. We had a lot of food and fun. Uncle Gene brought some beef jerky just for me. It is the best ever! Jeff (Star Canyon Band) said it is road kill. I think he is just teasing me.

Levi (Triple L Band) didn't come to my house. He had to play all day. I went to see him play at the music show. I hope he can come to my house next time.

It was great with all the bands. They are good players and singers. I helped my Aunt Melba at her tent. The people that liked my band gave us money for CDs and things. You have to have a lot of money to buy the really good CDs that work. If it doesn't work you have to bring it back and get a good one. That's it.

Wind Energy And Wildlife Seminar Set For Aug. 8-9

The Panhandle Wind and Wildlife Conference on Aug. 8-9 in Amarillo is an effort to provide landowners with an impartial view of wind energy development, said a Texas AgriLife Extension Service specialist.

AgriLife Extension, the Texas Wildlife Association and Texas Parks and Wildlife Department are working together to offer the two-day conference at the Ambassador Hotel, 3100 W. Interstate 40, in Amarillo.

The program will begin with registration at 7:30 a.m. and run through 5 p.m. on Aug. 8. The second day will also begin at 7:30 a.m. with coffee and doughnuts, followed by an 8 a.m. departure for a tour of Wildorado Wind Ranch.

"Getting an impartial handle on all of the ins and outs, the pros and the cons, the advantages and disadvantages, is a daunting task," said Ken Cearley, AgriLife Extension wildlife specialist in Canyon.

The meeting is aimed at objectively educating landowners and the general public about the many issues associated with wind energy opportunities that should be considered before signing a contract, including the impacts on wildlife, Cearley said.

Some of the topics covered will be: the history and current state of wind energy; its future and viability; what is known about its impact on wildlife; power transmission issues: and land appraisals and the impact on real estate value by wind energy development. Discussion panels will include landowners, operators and stateelected officials. Panels also will include representatives from universities, agricultural organizations, conservation organizations, the wind energy industry and state and federal agencies. A visit to the Wildorado Wind Ranch will provide participants with an up-close introduction to the day-to-day operations of a wind-energy project, as well as what is involved in site determination and construction, Cearley

Summer is definitely here. I thought maybe it had forgotten us, but, no such luck.

Our deepest sympathy to Mabel Tabor and the family and friends of her son, Johnnie Barnes. John had lived here in Mobeetie some years back and helped Mrs. Tabor with the grandchildren. Even though he was disabled and couldn't go out and work, he enjoyed his gunsmithing. He moved to the Oklahoma City area to be closer to his children and grandchildren and enjoyed his time with them. Johnnie will be greatly missed. He is survived by his mother, Mabel Tabor of Mobeetie, TX.; his wife, Anona Barnes; one son, Bradley Barnes; two daughters, Samantha Tarlton and husband, Russ, and Brandy Penwell and husband, Danny; three grandchildren; his step-mother, Mary Barnes of Hardesty, OK .; five sisters, Cindy Bailey and husband, Tom, of Altus, OK.; Janita Taylor and husband, Charles of Ramona, CA.;Lou Ella Stephens and husband, Melvin of Plainview, TX.; Brenda Pope and husband, Jerry, of Dumas, TX., and Mona Saucedo and husband, Tony, of Hardesty, OK.; and one brother, Samuel Tabor of Mobeetie. He also had a pit bull dog that had been his constant companion for years. Johnnie was preceded in death by his father, John Barnes, and step-father, Earl Tabor.

Our condolences to Chlo Brdecko and family and friends of her father, J. W. Lindley, 75, of Memphis, TX. He passed away on Wed., July 16. Services were held Sat., July 19, 2008, at the First Baptisit Church with the Rev. Alberta Helton officiating and Scott Lindley assisting. Burial was in Farview Cemetery. Mr. Lindley grew up farming and raising and showing registered Hereford cattle. He was also a good horse trainer. He is survived by his wife of 41 years, Darlene (Hartley); two daughters, Jayne Sweat and husband, Greg, of Cochise, AZ., and Chlo Brdecko and husband, Kenny, of Wheeler, TX.; a son, Scott Lindley and wife, Summer,

mother, Jill Wilson, of Pampa; his he'll have off for a while. He is a father, Loney and step-mother, Melody, of Mobeetie; two sisters, Chandon Portillo and husband, Felipe, of Pampa and Lily Forbes, of Mobeetie; four brothers, Cade, Conor, and Ben Wilson, and Dillon Forbes, all of Mobeetie; maternal grandparents, Kaye Zachary and Dwayne Johnson, both of Elk City, OK.; paternal grandparents; Wayne and Zelda Wilson and Dwight and Kathy Dennis, all of Pampa; and paternal greatgrandparents, Ardelle Sirmans and Jean Orr, both of Pampa.

I think we are going to enter Fred Thrasher in the lawn mower races. He whipped their vacant lot out in about half the time it usually takes. He was zooming around trying to get it done before it got dark and he did it, too. He was on vacation last week so he could enjoy some time with Jackie and Kari before Kari got ready to go back home. Having their daughter home for 6 weeks spoiled everybody. Vincent is definitely ready for her to be home. Kari and Vincent are waiting on the bank to see if they get a contract on a nice place in Odessa. It will be so much easier on all of them since Vincent's new job keeps him there most of the time. Good luck, kids. Jackie and Fred enjoyed having their oldest son and family come from Amarillo for the weekend. Fred, Tony and Vincent had a BBQ that would put Bobby Flay in the background. Kari and Pat put the finishing touches on things and fixed salads. They had a very good time together and enjoyed the company. Tony is now working for Love's convenience stores, so this will be the last weekend

store manager and wants things ship-shape as soon as possible. They are all staying busy this summer. Joshua is playing baseball and Jordan is very involved in the Amarillo Little Theater and still has her voice lessons on top of that. So, Tony and Pat try to keep up with the kids. Vincent came up for the weekend and Kari went home with him on Sunday. It surely is quiet at the Thrasher house...really lonesome. Fred is doing a lot of 'mechanicing' for the Sooner trucks now, so he stays busy. He really enjoys mechanicing...more than loading trucks, anyway. Belated birthday wishes to Claudia Quarles of Pampa. The kids and grandkids, family and friends got together in Pampa for a nice celebration honoring Claudia for her 89th birth-

day and all had a great time. There was a very nice birthday party honoring Doodie Phillips on her 90th birthday in Colleyville, TX., at the Webb House. She is a treasured friend of many in the Wheeler area. We have really missed her since she moved to the Fort Worth area. Happy birthday, ladies, and many more treasured memories.

Kenneth and Doreen Mayfield of Arnett, OK., and daughter, Debbie Taylor, of Gage, OK., stopped by on their way home from New Mexico. They had gone to Amarillo last Wednesday to meet Clifton and Mary Mayfield of Tucumcari, New Mexico, after Mary's eye check-up. Everything is going quite well after cataract surgery and trying to clean up some scar tissue from some laser surgery a few years ago. They scheduled the next one to be done on the 28th. They all went back to Tucumcari to help Clifton celebrate his birthday and visit other family. The girls even got to shop in Clovis on Friday. They had a good visit, but were looking forward to getting home. It was all they could do to wait for supper

to finish cooking.

Leola Stuart got to go to Pampa and get her eyes rechecked and order her new glasses. It almost made her sick to try to see out of her old prescription after having cataracts removed from both eyes. It's amazing how well she sees without any glasses. Even Dr. Baker was amazed with the improvement it has made for her. So, everyone is happy.

It's so good to have Sue Seitz closer to home. Sorry she is still having some problems and working on her mobility. She is well enough to be moved from the rehabilation hospital in Amarillo to the Pampa hospital. Get well soon, Sue.

So sorry to hear that Leola Farris had to spend several days in the hospital. Sure hope they have you fixed up and feeling much better. There is just no place like home.

Have a great week. Please keep our friends and neighbors in your prayers: Don and Mary Edwards, Jack and Berniece Hefley, Clinton and Maurita Stribling, Mabel Tabor and the family and friends of Johnnie Barnes, the family and friends of J.W. Lindley, the family and friends of Bert Marriott, the family and friends of J.D. (John David) Welborn, Curtis Hendrix, Tim and Sallie Adcock, Michael and Megan McLaughlin as they begin their life together, Jennifer and Justin James as they begin their life together, Iona May, Elisabeth Newman, Jane Seitz, the family and friends of Chafen Wilson, Sue Seitz, Leola and Earl Farris, Dick and Ann Graham, John McGinty, Leola Stuart, John Paul Harris and family, Andrea Auldridge and family, Michael McLaughlin and family, Joe Tolle and family, Claudia Quarles, Doodie Phillips, Shelton May and family, Bill and Patsy Caswell, McKaylie Swift, Lou Dean Douthit, Peggy Frazier, John Theirstein, Bill and Shirley Dyson, Byron Simpson, Sheila Marti, Carol Orthman, Kenneth and Vera Walker, Shannon Pool, Bob Wilson, Tom Wilson, Orville Greenhouse, Lorene Rector, Dale and Melba Corcoran, Chuck Carl, Iva Richardson, Alvern Hutchison and Aaron Hartline and family.

Although Kourtney is small for her age, she is a go-getter. She has to see a specialist sometime soon. They hadn't scheduled her appointment yet as Jennifer has to have surgery next month. We couldn't stand it any longer...we had Jenn play the CD for us. You have to have good subjects to have good pictures, but Andria did a good job with what she had to work with. So sorry to hear that Tim Mom had to have her Mexican Adcock broke his leg while the fire food fix after being up north for 3 department was doing some practicing on a burning structure. They had condemned a trailer in the block east of us on Fourth Street. Everything was going well until that little incident. So, Tim is getting around on crutches. Sallie had her first shoulder surgery on Thursday. They have her all bound up and tied down. She is home and trying hard to mind. Jayton, Jarrett and Garrett are there to help Nannieland Paw as much as they can. Amanda tries to be there as much as possible. Nothing ever happens just one thing at a time for the Adcocks. Ever since the twins arrived, everything seems to happen in two's and three's for them. Hope you're both feeling better soon.

> Tuesday night, Leola got a very nice surprise call. Granddaughter, Amy Swick, was just outside of Oklahoma City. She, her step-sister, their five kids, her mother and step-father were on their way to Amarillo. Richard's mother had passed away while having a valve replaced in her heart. They were going on into Amarillo to see what the arrangements were and then Amy and the girls wanted to come and spend some time with Grandmother. They arrived to spend the day on Thursday and had a very nice visit. It was so good to see them. Amy and the girls had to be back in Amarillo for the family Thursday evening. Emily, 7, didn't want to go back to Amarillo. She wanted to stay "right here" with Grandma Stuart; so, that is what she did. She kept Leola company and they had such a good visit. Emily wanted to see where her mother was born, so after Leola was done at the beauty shop, they journeyed to Wheeler to see the hospital. That wasn't good enough...she wanted to see the inside, too. So, they got to tour the hospital and she was quite satisfied.

Friday night, Amy and the other two girls and Lindsey and her son and daughter spent the night with Leola and then were going to meet Jeanette and Richard in

of Madisonville; along with Madalyn and Morgan Brdecko, of Wheeler, and four other grandchildren, a sister and a brother.

Our sympathy to the family and friends of Robert A. "Bert" Marriott, 74, of Plainview. He passed away Tuesday, July 15, and graveside services were held Friday, July 18, 2008. He was a veteran and served in the U.S. Navy from 1951-1955. Mr. Marriott is survived by a son, Terry Marriott, of Shingle Springs, CA.; an adopted daughter, Jennifer Ward of Plainview, TX .; a stepdaughter, Glavin, of Levi, Utah; and his brother, Dan Marriott of Plainview, TX., along with several grandchildren.

Congratulations to Mr. and Mrs. Michael McLaughlin of Amarillo. Michael and Megan Keelin were married last week in a private ceremony. Michael is home for 10 days between special training in Louisiana and being deployed to Iraq with his fellow reservists. Megan and baby, Jesse, got settled into an apartment in Amarillo just before Dad got back from Louisiana. Megan is trying to get things set up for her to go to college while Michael is in Iraq. Michael is the son of Jerry and Bob Meller of Briscoe, and Jerry

Don Mc Laughlin of El Paso and is the big brother of Tisha, Andria, and Summer. Megan is the daughter of Glen and Tracy Keelin of Mobeetie and Angela Keelin of Amarillo and sister of Andria Keelin of Amarillo, and Marissa, Julie, Braydon and Nicole Keelin, all of Mobeetie. Congratulations and all best wishes Michael and Megan.

Congratulations to Jennifer Parman of Reydon, OK., and Justin James of Texhoma, OK., on their marriage May 24, 2008, in a garden wedding at the home of his parents. Jennifer is the daughter of Mr. and Mrs. Homer Parman of Reydon, OK. Justin is the son of Mr. and Mrs. Johnny James of Texhoma. They will be making their home in Canyon, TX,, after a honeymoon trip to Branson, MO. Jennifer will start graduate school this fall at WTAMU to complete her master's degree in communication disorders. Justin will finish his last semester of college and get a bachelor of science degree in agricultural education.

Our deepest sympathy to Loney and Melody Wilson and family and friends of Loney's son, Chafen Wilson, 21, of Pampa, who died July 19 in a tragic accident while swimming in Geenbelt Lake at Clarendon. serve much happiness. God bless you both.

You will have to forgive me one more time. I had last week's news all ready to go, but filed it just in case I had some more news. I thought I would send e-mail early Tuesday an morning. (As you could tell, that didn't happen, so I will just add this week's news to it.)

My brother, Joe Orthman, and mom, Carol Orthman, arrived about 6 Monday evening from Wisconsin. It was so good to see them. Bob had BBQ'd some ribs and veggies so supper was waiting. We had such a good visit. Joe ate supper and then headed on out to Dumas as he had to go to work on Tuesday. Mom stayed and visited a few days. Tuesday we all got up earlier than usual and headed to Oklahoma City for Ralph's pulmonary checkup. After being on the road for 2 days, I was surprised that Mom even wanted to look at another vehicle unless it was taking her to her own little apartment. But, the trooper she is, we headed east. (Obviously, without e-mailing the news to Mr. Stas. SORRY!) I'll just add this week's news on to what I had started. We stopped in El Reno to pick up Michael and Brianna. They were so excited to see Granny. We let the guys drop us off at Penn Square Mall and they went on over to Dr. Cook's office. All went well after they found the right building. Of course, Ralph came home with a new prescription, but it really seems to be helping. The kids had money that was just burning a hole in their pockets, so they did a little of their own shopping. They are anxious to come and spend a few days down here the first of August. It won't be long until we will be

fighting the school calendars again. Where has the summer gone?? It was 105 on the car thermometer when we left the mall. We were anxious to get back to Texas and a little cooler weather. We had promised the kids lunch, though, and they wanted Chinese. They found one place that was also a steak house (they were trying to take care of Grandpa), but, it was closed on Tuesdays. So, we ended up at Panda Express, which satisfied them. Michael was having his car worked on and his mother was waiting for us at the tire shop. We left them with their mother in Yukon as they were just finishing up on his car.

We came on to Elk City to have Ralph's prescription filled. That was an experience. It was written by the PA and was for twice the recommended dosage. Thank goodness that Suzanne at Walgreen's was alert and cautious. She finally got the answering service and was lucky enough that Dr. Cook was the doctor on call. He was very nice to her and appreciated her double checking with him. We really appreciate her. It was after 9 by the time we got home and got unloaded. Wednesday was a quiet day around here. We just ate, visited (and rested) most of the day. Thursday, Carol, Robert and I went to Amarillo to take care of some business and do some Medicare & Medicaid & Private Patients Welcome.

We cordially invite you to visit our facility and see for yourself the difference and have lunch with us, to see just how good our food is, for a tour and lunch or just a tour, call the administrator, Nita Assey, or Director of Nursing Kim Wheeler, R.N., and we will set up a time for your visit. One day last week Leola found a couple of wet spots on her carpet in the guest room. It had already soaked the closet floor. The drain line for the air conditioner was stopped up and really making a mess. Jerry and Cheryl came over and checked it out and made sure there wasn't anything leaking under the house. She is now waiting for the floors and carpets to get all dried out. She took Jerry and Cheryl out to lunch at the Cowboy Oasis. Good lunch and great company. One of Calvin's cousins lives in Marilosa, CA. That is where one of the wild fires is raging, so Leola tried to call to make sure they were okay. She got no answer, so was wondering if they had been evacuated. But, Cheryl called her back while she was at church. Leola tried again Sunday evening; they are all okay for the time being. If the wind doesn't change and the fire doesn't jump the roads, they will be okay. It's quite scary, though.

Sunday was not a good day for our poor fire department and the sheriff's department. They had (Continued Page 5)

Therefore as the church is subject unto Christ, so let the wives be to their own husbands in every thing. Husband, love your wives, even as Christ also loved the church, and gave himself for it; That He might sanctify and cleanse it with the washing of water by the word, that He might present it to himself a glorious church, not having spot, or wrinkle, but that it should be holy and without blemish"(Ephesians 5:23-27).

Sincere sympathy to family and friends of Chafen Wilson, 21, of Pampa in his death Saturday at Greenbelt Lake. Survivors include his father, Loney Wilson, and wife, Melody, of Mobeetie.

Cheryl Richardson and Sue Gaines prepared the delicious Wednesday night supper at Wheeler Baptist Church with hot biscuits, gravy, scrambled eggs, jelly, watermelon, cantaloupe and honeydew melon. Others brought desserts. Yummy! Thank you!

Quilting at Totty School, Thursday, were Augusta Brown, Sydney Lynch and Audrey Seitz. Some others were not able to come. They had a good time, anyway, and enjoyed watermelon for dessert.

"If my people who are called by my name will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will heal their land."

Sincere sympathy to family and friends of Albert Pearson, 86, in his death early Friday at Stamford. David Pearson is a son. Albert is also survived by wife, Mary Pearson, another son, Glenn Pearson, and daughter, Tina, of Stamford. Funeral was Sunday at the Lutheran Church at Stamford. May God comfort each of you.

Some going to Avoca (near Stamford) to Albert Pearson's funeral at the Lutheran Church were David and Rita Pearson, Lindsey Criswell and Blain and Dagen from Canyon and Dallas and Krystal Fillingim and Keaira, Kamry and Karissa from Windthorst and Vickey Nelson and son, Jimmy, and others. May God comfort you all.

Barrett family reunion was at Pampa, Texas, Saturday, July 26, on the Barrett family farm home

place. There were 85 there for music, pictures, surrey rides and lots of eating and visiting. Wes and Cindy Bradstreet attended. It was Cindy's dad's side of the family. There were nine brothers and sisters, four of whom are still living and able to be there, with many children, grandchildren, great-grands and great-great grands. The farm has been in the family for 100 years. Two of Cindy's dad's brothers live on the farm. They had a good day.

Marcus Hardcastle was sponsor to take his son, Justin, and Destrie Kinnaman to Baptist Panfork Boys Camp for a few days. They had a good time.

Edwin and Laurel Hershman picked up granddaughters, Micaela and Shelby Dawson, in Amarillo July 13, 2008, and traveled to Gallup, NM., where they spent the night at a very nice campground. The next day, they arrived at the Thousand Trail Campground near Camp Verde, AZ., and claimed this as home for the next several days. On the way there, they saw the Painted Desert and Petrified Forest. They also visited Montezuma's castle and Montzuma's Well...both very interesting as they have Indian ruins to see. They stopped and visited friends at Rainbow Acres. They went to the Grand Canyon one day and really enjoyed seeing the condors flying and the magnificent scenery, although it was very hot there. The reunion was in Prescott where it was several degrees cooler than Camp Verde. Not sure how many were there, but a nice number. They visited hard and got acquainted with several family members they did not know well. It rained on them going and coming at least once. Sure helped the heat. They arrived back in Wheeler, Tuesday, July 22; it was good to be home for a little while.

Nice to have a call from Peggy Thompson at Olathe, Kansas. She and husband, Dennis, seem real happy there and have good jobs. Peggy was always good at fixing hair. They lived in Wheeler for a time before moving to KN plant in the Gageby area off 277 and came to Gageby Church. We enjoyed their friendship very much. They have two boys. Kelley works with small animals with a vet. They go to a Nazarene Church there. military policeman for some time in Afghanistan, Germany and, now, Fort Sill. Pray for all our soldiers. Aaron got to come home to Chuck and Phoebe's for 2 weeks. They enjoyed some vacation traveling, including going to Hawaii. God bless you all. Good to have them all out to Wheeler Baptist Church with Grandma Martha Meek Sunday. They ate lunch at Martha's.

Doris Finsterwald enjoyed visiting long-time friend, Shirley Dyson, at Pam Apartments in Pampa and spent the day, Thursday, and helped her with things. Shirley is recuperating from more surgery on her leg that was broken some time ago.

Glad to hear that Lorene Rector is some better. Doris also visited Lorene and Orville Greenhouse and takes flowers, garden goodies or whatever is available to the sweet ladies.

Thank you, Lord, for Monday's wonderful shower of rain...every drop appreciated!

Sounded like there was a good crowd and a fun time at Mobeetie Music Festival. I didn't get to go, but used to enjoy it a lot. Thanks to all who get it together...lots of work! Lots of good food and usually cool under the big trees. Nice to have a chance to see many old friends and enjoy the music and food.

Nice to have Elizabeth Newman out to Wheeler Baptist Sunday. She was a German war bride (a lovely lady.) She married Delmar Newman, a Mobeetie boy when he was stationed in Germany and they lived in Mobeetie area many years before his death. Elizabeth now resides in Parkview Hospital Assisted Living. God bless you, Elizabeth! Go by and see her!

Pray for Patsy Smith. She had to spend a few days in Wheeler Hospital, but expected to be home in a few days.

Sunday night at Wheeler Baptist Church, several of the youth talked about their camp trip to Durango, Colorado, sharing pictures, music and activities. Sponsors going were Wes Bradstreet, Sindy Chapman and Jack Noles. We enjoyed hearing about their trip and how God was a help to them. Thanks! Some youth going on the trip to Durango were Darren Gaines, Aaron Gaines, Johnny Venzor, Peyton Austin, Dawson Clark, Pedro Hernandez, Jaten Moore, Kenton Petit, Kyle Eddens, Callie Eddens, Genet

VanNuys, Gabbi Menefield, Macie Miller, Kaylee Marion, Toni Maxwell, Breann Robinson, Bailey Noles, Hayley Sparks, Taylor Sparks, Alyssa Kinnaman, Tanzia Brown, Ilene Butler, Stacie Hanson, Paige Jones, Bailey Richardson and Nicole Moore.

Pray for Betty Gaines. She was back working at Thriftway Monday and looking pretty, but she had to go back on chemo and her blood report wasn't good. So sorry. Keep praying. We love you, Betty.

The View of a Southern Woman Southern California that is.

While at the lake house, I took great-granddaughter, Kendi, age 3, and daughter, SaRita, for a ride on our new golf cart. Just around the block...no big deal, but wait...there is more! First we saw an armadillo right on the side of the road, so we had to go further to get a good look at it. When we were just a few feet from it, it made a run toward us and, thank goodness, that we had that golf cart fixed to do a fast get-away for that is what we did! I did not know armadillos went for golf carts! Anyway,we outran it. Further down the road, SaRita saw a couple I know on their front porch with a small dog of a couple that lives nearer to us. It had followed us down there, but we didn't know it because of our excitement with the armadillo. After a visit, we took the dog back home and met Glenn Forrest Frosty, Robbie and Kelton on the way to the lake with our big boat for an evening of fishing. They did not know where we were and surely were not worried about our whereabouts for they were going fishing! Kind of like a one-track mind, for fishing is their greatest sport. Then, Crissy took her daughter, Kendi, for a few trips around our two streets on the golf cart while SaRita and I tried to solve the world crisis, but after an hour or so we gave that up and tried to figure out the future of the grandchildren. Did not solve that one, either. A week from Saturday, August 2, is Brother and Sister Johnson's 50th wedding anniversary and their children are coming from all over to give them a celebration party. It took a lot of doing to come up with an anniversary gift and along with Diane Duke's help, I think we figured out a good one. I just hope Brother Johnson likes Indians. My brother, Rick, and wife, Linda, came from California for a visit. It was their first visit since I moved here. I told them they need to go to our lake house for some boating and fishing and I do not take 'no' for an answer. We are also going to see the play, "Texas", and have dinner there. They will

Many thanks to Meals on Wheels volunteers for faithfully bringing the good meals from Wheeler Care Center with your friendly smiles to others of us. I may forget your name, but not your sweet smiles...like frosting on a cake. Thanks for taking time from your busy lives to bring food to us. God bless you!

"It only takes a spark to get a fire going and soon all those around, can warm up in its glowing. That's how it is with God's love, once you've experienced it, you spread his love to everyone, you want to pass it on."

Sorry to hear that a man and his wife, Wanda Davis, from Hooker, Oklahoma, had been to the Old Mobeetie Music Festival when he had a heart attack and died. Their RV was parked at Wheeler Baptist parking lot. So sorry. Think a son was coming to help get her back home and take care of things.

"God be with you till we meet again."

really enjoy that for they have not seen it before. Aunt Billy June made a wonderful dinner for us on Saturday with enough food to feed an army and oh so good! Uncle Roma grows almost everything in his garden, so we had fresh potatoes, green beans, black-eyed peas to go with the delicious roast, cornbread, cantaloupe and a made-from-scratch cake. Just writing about it makes me hungry. Needless to say, we were all stuffed. I asked Uncle Roma about his World War II experiences and, for the first time, I got to hear of some of the battles and places he went into. I guess I never realized that he was in the invasion of Normandy and that was just one battle in Europe. He received a few sharp words from General Patton about having the windshield down on his jeep. He never liked to talk of the war, so I had not known just how bad it was for him. I know it will be a dinner and a day that we will never forget. History from the persons that were there are so much better than reading about them. Hope you are all keeping cool and having a wonderful summer. Love, Betty Boydston

So sorry to hear Jayton Bell, 13, was struck by a car as he ran on the road near Mobeetie getting ready for football at Fort Elliott CISD. He was airlifted to an Amarillo hospital; some bones were broken. Remember Jayton and his family (Keith and Shari Bell) in your prayers. been here for lunch and had brought us a picture that we had been looking for. Their water pump had gone out on their well on Wednesday and they are still waiting for the company to honor the warranty. Hopefully, they will get things rolling and the new one in the first of the week. Camping out in your own home just isn't any fun.

Congratulations to Fred and Jackie Thrasher on the arrival of their newest great niece, Brianna, on July 28, 2008. She weighed in at 8# 6oz and has plenty of reddish blonde hair. She is a doll. Grandma Pat and Grandpa Joe were there to greet little Miss Brianna. Grandma Pat had been loving on her for about 2 hours. Mom, Debbie, and Dad, Eric, were so thrilled that she is here and are so proud of her. They have waited several years for Brianna. They all live in Wisconsin, so Aunt Jackie will have to settle for pictures. That just makes her more homesick than ever.

Joe Hathaway is certainly enjoying the new house. Doris was out last week and got to check it out. I think she gave her approval. They are gradually getting the insulation up so they can get the skirting up before it turns cold.

Monday morning was cloudy and it even gave us a few nice little showers. 'Little' is the working word, but, at least, it settled the dust and we didn't have to water that morning. Sure not; charity vaunteth not itself, is not puffed up, Doth not behave itself unseemly, seeketh not her own, is not easily provoked, thinketh no evil; Rejoiceth not in iniquity, but rejoiceth in the truth; Beareth all things, believeth all things, hopeth all things, endureth all things. Charity never faileth: but whether there is prophecies, they shall fail; whether there be tongues, they shall cease; whether there be knowledge, it shall vanish away. For we know in part, and we prophesy in part. But when that which is perfect is come, then that which is in part shall be done away. When I was a child, I spake as a child, I understood as a child, I thought as a child: but when I became a man, I put away childish things. For now we see through a glass, darkly; but then face to face: now I know in part; but then shall I know even as also I am known. And now

The weather here in Allison since I've returned from vacation has been very very HOT!! We are thankful for the showers and rain that we have received tho. It is good that we are getting rain in July. Its a cloudy day here in Allison on this Tuesday morning, but I'm sure the sun will shine before long and make it hotter. But praise the Lord for his goodness and the rain that keeps everything looking beautiful.

to visit in the home of Curtis and Lillian during camp. They all attended church at Southern Oaks in Oklahoma City on Sunday morning and then camp started on Sunday night and ran thru Friday night.

Saturday at one p.m. the son of the pastor of Southern Oaks was married so Tom and Juanita and Curtis and Lillian and Vance and Carol all attended the wedding. It was a beautiful wedding!! Then the reception was in their fellowship hall there at the church. Beautiful cakes were made, the grooms cake was in shape of a guitar. And the brides cake was in shape of hat boxes. It was all very beautiful and the food was really good.

Saturday evening, Tom and Juanita enjoyed a meal before Juanita had to leave to come back to Texas.

Saturday afternoon, Opal and Juanita Boydston started back to Allison, Texas but stopped by Robbie and SaRita's home to visit them awhile and stayed the night with them. Had a nice visit with them, but seemed really short.
