

Hitler Hopes To Stop Invasion Before Rhine

By MEL MOST (Former AP Correspondent At Vichy, Recently Returned From Internment In Germany) NEW YORK, May 5 (AP)—Hitler's general staff may be staking everything on stopping the invasion short of the Rhine and probably has made no real preparations for a last-ditch fight with that river as the ditch.

group took the interned American children on a picnic to the Rhine, ten miles away. The Nazi authorities raised no objection. The party saw that the famous line of blockhouses and pill-boxes had been stripped of their guns, that the barbed wire was down, the paths overgrown with grass.

defense precautions at the spot that had been described in the German press as "impregnable fortified." When we left for Spain arrangements were made to move us in the darkest hours of night, but on the 50-minute run to the frontier, the engine gave out. When they finally got hold of another locomotive the first rays of daylight had come.

Commander Of Nipponese Navy Reported Dead

Koga Follows Fate Of Yamamoto, Planner Of White House Peace

By RICHARD C. BERGHOLZ Associated Press War Editor The commander-in-chief of Japan's battle-reluctant navy, Adm. Mineichi Koga, is dead. Tokyo radio says he was killed "while directing general operations from an airplane at the front."

Those are virtually the same words used a year ago to announce the death of Koga's predecessor, Adm. Isoroku Yamamoto, the man who boasted he would dictate the peace terms in Washington.

Invasion Coast Blasted For Twenty-First Straight Day

Unanimous Vote For Simple Tax Given In House

Measure Designed To Simplify Procedures In Tax Returns

WASHINGTON, May 5 (AP)—In the face of loud complaints against the perplexity of involved computations in paying taxes, the house unanimously passed today a "painless tax" measure intended to simplify procedures for 50,000,000 taxpayers.

The vote was 358 to 0, and the legislation moved over to the senate where Chairman George (D-Ga) of the finance committee predicted speedy approval.

The bill would relieve some 30,000,000 of the 50,000,000 taxpayers of the necessity of ever computing another income tax return, and simplify payment procedures for the 20,000,000 others.

Beginning next January 1 the present withholding system against wages and salaries would be revised—upward for most taxpayers—to take the full tax liability for persons earning up to \$5,000. Thus, the withholding levy would become in 1945 the actual tax for these millions of persons, and they would owe no more at the end of the tax year.

There would be no change in amounts held from pay envelopes and salary checks this year, but the government itself would compute the taxes on 1944 incomes for those with wages and salaries under \$5,000.

Solons Take Up Lend Lease Bill

WASHINGTON, May 5 (AP)—The senate took up the lend lease extension bill today with what amounted to an assurance from President Roosevelt that the administration intends to tighten its bookkeeping on the program.

Along with a report that lend lease and other forms of United States expenditures abroad, including army and navy spending, had reached \$30,362,687,362 as of April 1, the senate appropriations committee made public a letter in which the president ordered the establishment of a central clearing house to keep track of overseas outlays of various government agencies.

Mr. Roosevelt ordered the accounting agency set up in the foreign economic administration headed by Leo T. Crowley, and said it would develop "comprehensive and consistent reports on foreign transactions, so essential to the planning and operations of our government in the future."

The lend lease extension measure was expected to encounter comparatively little opposition in the senate.

One Bombardier School Building Is Damaged By Fire

The north and center wings of group one operations buildings at the Big Spring Bombardier School were almost completely destroyed by fire which broke out at 1:30 a. m. today, according to announcement by public relations office at the field.

Cause of the blaze was not known, but firemen from the post department extinguished flames which also damaged the south wing of the building.

Grimm To Pilot Cubs

CHICAGO, May 5 (AP)—Charlie Grimm, after a telephone conversation with Phil K. Wrigley, owner of the Chicago Cubs, today said that he had agreed to become Cubs manager and "all that remains to be done is to sign the contract."

New Rocket Gun In Great Demand

WASHINGTON, May 5 (AP)—The armed forces have developed a new rocket gun which is in such "great demand" that \$35,000,000 is to be spent on further refinements and production.

This was disclosed today in a house naval affairs committee report recommending a \$65,000,000 appropriation for ordnance manufacture.

Disposition Of Forces—Numbers indicate division of German troops in the indicated areas of Europe, according to military observers. Germany and her satellite nations are estimated to have 319 divisions. Arrows indicate directions of offensives of Allies. (AP Wirephoto).

Extension Of Price Control Is Voted

WASHINGTON, May 5 (AP)—The senate banking committee voted today to recommend an 18-month extension of the Price Control act which expires June 30.

Senator Taft (R-Ohio) proposed the longer continuance of the act and the proposed new termination date, Dec. 31, 1945, conform with calendar year accounting systems employed by most business and industry.

The vote came after it was learned the republican leadership in the house has decided to abandon its anti-subsidy fight and approve extension with only one change—court review of OPA regulations.

Two members high in the G. O. P. party councils disclosed this shift in strategy today and one of them, asking not to be quoted by name, put it this way:

"We are on record in this thing, not once but twice. Everyone knows how we feel about it. We have decided though that we'll not press the issue this time and we'll vote for renewal of the price control law with that one change which would provide for court reviews."

Prospects that the senate banking committee will recommend extension of Price Control for 18 months beyond June 30, instead of 12, were all but clinched meanwhile with word from Chairman Wagner (D-N. Y.) that he would formally propose the longer term.

The court review amendment that the republicans will support grants the right of recourse to the federal courts for persons and concerns claiming injury by operations of the price control program.

Bill Gives States Rights On Rivers

WASHINGTON, May 5 (AP)—Senator O'Mahoney (D-Wyo.) and 21 associates today introduced an amendment to the rivers and harbors bill designed to permit states to determine for themselves the most beneficial use of rivers within their borders.

Under the amendment, the following congressional policy would be established:

1—To recognize the interests of the states in determining the development of the watersheds within their borders.

2—To preserve and protect established and potential use, for all purposes, of the nation's river.

3—To limit the authorization and construction of navigation works to those in which a substantial benefit to navigation will be realized therefrom and which can be operated consistently with the appropriate and economic use of the waters of such rivers by other users.

Texas Flier Killed

SANTA ROSA, Calif., May 5 (AP)—A Texas flier was killed, the Army said today, in the crash of a two-engine fighter plane yesterday near Fulton, Sonoma county. The pilot was Second Lt. Donald S. Troup, 24, whose mother, Mrs. Lillian M. Clifton, lives at (2498 San Jacinto) Beaumont, Tex.

No Plane Loss Reported From Many Sorties

Allied Bombers Said To Be Over Romania, Crete Also Hit

NAPLES, May 5 (AP)—Allied Kittyhawks and Mustangs dived-bombed and broke the great Pescara dam, 12 miles southwest of Chieti, in northern Italy, the tactical airforce announced tonight. Twenty minutes after the first Mustang cracked the iron sluice gates, a wall of water was moving downstream toward Pescara, airman said.

LONDON, May 5 (AP)—American Liberator bombers pounded the "invasion coast" of France again today in a before-breakfast blow, and then medium and fighter bombers and fighters took over the 21st consecutive day of the relentless pre-invasion bombing of Europe with attacks on rail lines feeding Hitler's Atlantic wall.

Not a plane was lost in the several hundred sorties flown today, the third day American heavy bombers have battered France and Holland without loss. Of the few German planes that challenged the invaders, Spitfire fighters escorting Mitchell bombers shot down four.

The Berlin radio said that Allied Mediterranean bombers were over Romania this afternoon after last night's raid on Budapest in Hungary, but the report of the daylight attack had not been confirmed by Allied headquarters. The broadcast said the afternoon raiders were attacked by German fighters in sharp battles.

The Liberator assault was the fifth heavy bomber blow on rail, anti-invasion installations and airports in northern France in six days.

The four-engine sky giants foisted across the English Channel in a force officially described as small, indicating that fewer than 200 Liberators made the short hop to the area of France closest to Britain. They were under escort of probably an equal number of U. S. Eighth air force Mustangs.

Thunderbolt fighter-bombers of the Ninth U. S. air force attacked rail yards at Valenciennes and Somain in northern France under escort of Thunderbolt fighters. Once again, the Germans failed to put up even token resistance. Flak was only moderate. Returning pilots said not a single Nazi fighter was seen in the moderate overcast skies.

A Middle East communique reported recent attacks on German shipping and airfields in Crete, the Aegean Islands and the Greek harbor of Monemvasia. Two supply ships were set afire and planes on the Maleme airfield in Crete were damaged.

Other formations of daylight raiders headed for the continent later in the forenoon.

German Attacks Are Thrown Back

LONDON, May 5 (AP)—German probing attacks southeast of Stanislavov and south of Tiraspol were thrown back yesterday for the second successive day as the lull in ground fighting continued along other positions of the eastern front, Moscow announced today.

Near Stanislavov German attempts to reconnoiter Soviet positions were beaten off in the morning and a Nazi attack against one Russian unit was hurled back in the afternoon, a Soviet communique said. It asserted that about 800 Germans were killed and 12 Nazi tanks were destroyed.

The broadcast communique listed no essential changes on the land front but declared that long-range Soviet planes bombed and strafed German and Romanian troops pinned in the besieged Crimean city of Sevastopol Wednesday night.

Lamesa Girl Advances To Finals In Tennis

AUSTIN, May 5 (AP)—Virginia Bicycles of Lamesa high school and Margaret Varner of Austin high school (El Paso) will battle for the girls' singles tennis in interscholastic league play.

Miss Broyles today defeated Anne Deering of Lamar (Houston), 2-6, 7-5, 6-2, to win a final berth against Miss Varner who downed Lavella Boggs of Sherman, 6-0, 6-1.

Child-Stealing Complaint Filed To Break Vows

DENVER, May 5 (AP)—A story of courtship conducted "after school and on holidays" was told in Denver county jail by a 14-year-old groom and his 21-year-old wife where they awaited today the arrival of Los Angeles authorities.

The bride, Elaine Monfredi, asked "What difference does it make about our ages? We're in love." Her youthful bridegroom, Ellsworth Wisecarver, asserted his devotion, declaring "Elaine is my first and only sweetheart—I don't know how I could live without her."

The couple had only 40 cents when Denver authorities accosted the pair yesterday.

Detective Captain James E. Childers said the young woman explained that she had only lived as a common-law wife with James Monfredi in Compton, Calif., and that she had not married him.

Elaine and Ellsworth, both giving their ages as 21, were married April 29 in Yuma, Ariz. The bridegroom's mother, Mrs. Mildred Wisecarver, filed a child-stealing complaint in Los Angeles against her son's wife, declaring "I want him brought back home."

To which young Wisecarver commented: "I don't want to go back to Compton and I don't want our marriage annulled."

His wife told Childers she is the mother of two daughters, Elaine, 2, and Judith, six months. In Los Angeles, Monfredi said: "He can choose between me and this boy—she can stay away or come back."

Bill Faces Strong Senate Opposition

WASHINGTON, May 5 (AP)—A bill designed to force at least a million 4-F's into war jobs ran up against strong opposition in the senate military committee today despite warm endorsements from the committee's counterpart in the house.

Senator Kilgore (D-W. Va.) predicted the senate group would view the Bailey-Brewster "work or be drafted" proposal with the same lack of enthusiasm that has accompanied 18 months' consideration of the Austin-Wadsworth national service bill, applicable to both men and women.

Senate committee chairman Reynolds (D-N. C.), an opponent of national service, withheld commitment, but promised "a vote by the committee one way or another within 30 days."

The measure would subject any draft registrant between 18 and 45 to induction into military or labor service if he shifts from essential to non-essential work without draft board permission.

In addition it would reclassify and draft 4-F essential industry any of the 3,800,000 4-F's deemed capable of performing necessary work.

General Fund Deficit Declines To New Low

AUSTIN, May 5 (AP)—Continuing its downward trend, the deficit in the state's general fund dwindled today to \$2,786,610, the lowest since 1933.

The debt has been reduced \$21,137,644 in one year.

The new deficit was announced by State Treasurer Jesse James in connection with a call for payment of \$6,023,586 in general fund warrants, or those dated through March 23. The general fund is no wa little more than one month in arrears in paying warrants. The new call number was 644,332 (1943-44 series).

Weiner Neustadt Blasted—A formation of U.S. Army 15th Air Force Flying Fortresses drops its load of bombs on a German airplane plant at Weiner Neustadt, south of Vienna. Fortresses wing over smoke and dust rising from bombs dropped earlier in the raid. Upper left a group of bombs heads eastward. (AP Wirephoto from U.S. Army Air Forces).

House Votes Probe In Ward's Seizure

WASHINGTON, May 5 (AP)—The house, brushing aside only token opposition, today authorized an investigation of the government's right to seize Montgomery Ward and Company's Chicago properties. A seven-man committee was created to make the inquiry independently of the senate, which already has one underway.

The resolution carried by a vote of 300 to 106 after little more than an hour's sharp debate centering on exactly what wartime authority congress intended President Roosevelt to have.

Rep. Dewey (R-Ill), author of the resolution, said the investigation should be conducted on a "high plane" to determine if the lawmakers "unwittingly" have given the chief executive "unwarranted power."

Attorney General Biddle's ruling that Montgomery Ward is a war plant and thus subject to seizure was questioned critically in the debate.

Chairman Sabath (D-Ill) of the rules committee declared, however, that he was sure "the evidence will show" that the company received "many favors" from the government and made \$200,000,000 in 10 years under the new deal.

SPRINGFIELD, Ill., May 5 (AP)—About 450 employees of the Hummer Manufacturing company, a subsidiary of Montgomery Ward and company, stayed away from their jobs here today.

John A. Saxon, plant manager, said the men were members of the International Association of Machinists (IAM) and "gave us no information and haven't told us yet why they're out."

Joe Winoaki, shop committee chairman for the union, said the company had rejected as "illegal" a War Labor Board directive of April 14, 1944, ordering a four-cent general increase and other recognitions of union demands.

Union members at a mass meeting today adopted a resolution "to stay out until assurances are given that the company will sign a contract or until the federal government takes over the Hummer plant."

Both Sides Are Claiming Aces In Hole As Invasion Time In Axis Europe Nears

LONDON, May 5 (AP)—An American announcement of the development of battle equipment superior or equal to the enemy's and a German claim of "a hidden host of unknown preparations" behind Hitler's European west wall were thrown today into the invasion war of nerves.

"If you want to call those secret weapons, you can," declared Brig. Gen. Henry Saylor, chief ordnance officer of the U. S. Army in the European theater, in revealing something of American armaments.

The German claim came direct from the pen of Hitler's ace propagandist, Propaganda Minister Paul Joseph Goebbels. His article in this week's edition of the German magazine "Das Reich," broadcast by the Berlin radio, said "there exist innumerable defense meas-

Allies Attacking In India Battle

SOUTHEAST INDIA HEADQUARTERS, KANDY, Ceylon, May 5 (AP)—Allied forces have gone over to the offensive at all points in the area of the Indian frontier base of Kohima and their attacks are making "satisfactory progress," a headquarters communique said today.

Heavy casualties have been inflicted on the Japanese in minor clashes north of the Imphal plain, and patrol activity has disclosed increasing evidence of the enemy's heavy losses in the Imphal-Ukhrul area.

Inkangahtawng, Mogaung valley stronghold, has fallen to Chinese forces driving down the valley toward Mogaung.

The announcement said that other units of Lt. Gen. Joseph W. Stilwell's Chinese forces have established a road block two miles below the village in a wide flanking drive and have trapped enemy forces attempting to fall back to the south.

On the Arakan front in southwestern Burma, the announcement said Allied forces had followed up their major success of Wednesday and that numerous Japanese counterattacks had been thrown back in the foothills of the Mayu range east of Buthedaung.

Freight Moved Into Old Mexico Daily

MEXICO CITY, May 5 (AP)—From 6,000 to 7,000 carloads of freight are now being moved daily over the lines of the national railways, it was stated yesterday by the management, which added that from 150 to 200 cars of cereals and other provisions are coming into Mexico daily through Ciudad Juarez, Nuevo Laredo, Piedras Negras and Matamoros. Many of these cars from the north are being unloaded in Mexico City less than 48 hours after they have crossed the border.

Judy Seeks Divorce

HOLLYWOOD, May 5 (AP)—Judy Garland, singing actress of the screen, and Dave Rose, composer, were headed for the divorce court today. Harry Rabwin, her attorney, said the charges would be "the usual grounds" expectable from "a clash of careers."

Mrs. Hull Makes VFW Inspection

Mrs. Dorothy Hull, district seven president of the VFW Auxiliary, made an inspection of the Lubbock Veterans' of Foreign Wars Auxiliary Thursday evening.

Plans were made for attending the state encampment in San Antonio which will be held June 20-22, and accompanying Mrs. Hull to Lubbock from the local auxiliary were Mrs. Jessie Brown, Mrs. Margaret Barnett, Mrs. Iva McKinney, Mrs. Orbie Thurman.

Vesper Service To Precede Dinner

Vesper services will precede a farewell dinner which is being given in honor of the Rev. and Mrs. R. J. Snell at the St. Mary's Episcopal parish house this evening at 7 o'clock.

Dinner will be served at 7:30 o'clock and an invitation is extended to all members of the church to attend.

Early orders for out-of-town delivery of flowers on Mother's Day will save cost of telegram.

"Also The Hills" Reviewed By Mrs. Marie Frost At Tea

Annual Affairs Is Attended By Large Group

"Also the Hills" by Frances Keyes was reviewed by Mrs. Marie Frost Wednesday afternoon at the annual "Welcome Stranger" May Day tea which was held at the First Presbyterian church under sponsorship of the Big Spring United Council of Church Women.

Mrs. J. T. Allen served as general chairman of the affair and was assisted in arrangements by Mrs. Frank Powell, Mrs. J. M. Greene and Mrs. R. L. Carpenter.

The hospitality committee, which served at the register was composed of local minister's wives and mothers and the group included Mrs. Dick O'Brien, Mrs. Julian Julian, Mrs. J. E. McCoy, Mrs. Max Jacobs, Mrs. H. Clyde Smith, Mrs. James E. Moore, Mrs. W. L. Porterfield and Mrs. R. J. Snell.

The afternoon program opened with the singing of a hymn and organ accompaniment was played by Mrs. J. P. Kenney. The group repeated the Lord's Prayer and Mrs. Allen greeted guests and recognized new comers in Big Spring. She also introduced Mrs. Frost, who in May 1943, gave an outstanding review of "The Robe" by Lloyd C. Douglas.

Following the review, the tea was held in the church dining room and in the receiving line were Mrs. M. A. Cook, Mrs. Frank Smith, Mrs. F. H. Talbot, Mrs. W. J. Alexander, Mrs. C. M. Shaw, Mrs. B. Eckhaus, Mrs. Martin Dehlinger, Mrs. W. D. Lovelace and Mrs. Frost.

The tea table, laid with an ecru crocheted cloth over blue, was centered with a bouquet of blue delphinium and gold iris. Silver tea and coffee services were at either end and Mrs. V. Van Gieson and Mrs. Shilne Phillips poured.

Program
A musical program which was presented included two tenor solos, "Passing By" by Edward Purcell and "One Alone" from "The Desert Song," by Sgt. Joe Kling. He was accompanied by Mrs. Anne Houser. Miss Gypsy Cooper and Mildred Watson played a piano duet, "The Russian Dance" by Tschakovsky.

Committee in charge of decorations included Mrs. Cliff Wiley, Mrs. L. G. Talley, Mrs. J. M. Fisher, Mrs. O. Johnson and Mrs. H. G. Keaton. Serving on the refreshment committee were Mrs. J. T. Brooks, Mrs. Ira Thurman, Mrs. Albert Smith and Mrs. C. M. Shaw.

Guests
Those attending were Mrs. Willard Read, Mrs. E. H. Russell, Mrs. L. S. McDowell, Mrs. M. A.

Cook, Mrs. Tommie Lovelace, Mrs. E. Eckhaus, Mrs. E. L. Freeman, Mrs. Ray E. Shaw, Mrs. C. A. Horton, Mrs. C. E. Talbot, Mrs. W. A. Laswell, Mrs. J. E. McCoy, Mrs. W. L. Porterfield, Mrs. V. Van Gieson, Mrs. R. Busch, Mrs. P. L. Burgower, Mrs. Sol Krupp, Mrs. F. H. Talbot, Mrs. Julia Becham, Mrs. W. Clifton, Mrs. W. W. Edwards, Mrs. O. D. Turner, Mrs. W. J. Alexander, Mrs. George Melear, Mrs. Harry Lees, Mrs. Dick O'Brien, Mrs. J. C. Lane, Mrs. Burgess Dixon, Mrs. J. H. Greene, Mrs. Harry A. Clark, Mrs. E. B. Jewell, Mrs. A. McNary, Mrs. D. A. Koons, Mrs. T. S. Currie, Mrs. D. C. Sadler, Mrs. R. L. Wasson, Mrs. Clyde Thomas, Mrs. Albert M. Fisher, Mrs. J. R. Creath, Mildred Creath, Mrs. Bill Earley.

Members Reminded Of Carnival Syn.
Members of the Woman's club of AAFBS are reminded of the Monte Carlo carnival which will be held in the officer's club at the Big Spring Bombarrier School Sunday evening as entertainment for members and their husbands.

Committee in charge of the affair includes Mrs. Kenneth Laughlin, chairman, Mrs. W. W. Harris, Mrs. Harold C. Runyan, Mrs. J. H. Wheeler and Mrs. Jack P. MacNeille.

Hours will be from 7 to 11 o'clock.

Activities at the USO
FRIDAY
Games and dancing.
SATURDAY
4:00 - 10:00 - Canteen open, free cookies and coffee furnished by R-Bar home demonstration club to be served by volunteer hostesses.
9:00 - Recording hour in recording room.

CALENDAR
FRIDAY
TRAINMEN LADIES meet at 2:30 p. m. in the WOW hall.
SUSANNAH WESLEY class of the First Methodist church plans to have a luncheon at the church at 12 o'clock.
FRIENDSHIP CLUB will meet in the home of Mrs. Howard Lester, 1000 11th Place, at 8:30 p. m.
LADIES GOLF Association will meet at the country club at 1:30 o'clock for luncheon.
SATURDAY
HYPERION CLUB will meet with Mrs. Shine Phillips, 1304 Scurry, at 3 o'clock.

Formal Dance To Be Held Thursday

A formal dance will be held at the local USO club next Thursday evening from 8:30 to 11 o'clock, according to announcement by Mrs. Anne Houser, program chairman at the soldier center.

Also scheduled is a picnic on the following Monday, May 15th which will be held at the city park. Transportation will be furnished from the USO at 8:30 o'clock, and all members of the Girl's Service Organization are invited to attend.

Instead of bringing basket lunches as hostesses usually do, they are asked to bring 75 cents, and senior hostesses at the club will buy and prepare the food. Money for the affair should be brought in to the club next week, before the picnic.

Mrs. C. C. Worrell, Mrs. James Witcox, Mrs. W. E. McNallen, Mrs. Rogers Heffley, Mrs. H. N. Robinson, Mrs. O. N. Waters, Mrs. N. W. McClesky, Mrs. C. O. Nalley, Mrs. Marie Walker, Mrs. Nat Shick, Lillian Shick, Mrs. R. V. Hart, Mrs. E. L. Barrick, Mrs. P. Marion Simms, Mrs. G. S. True, Mrs. H. W. Leeper, Mrs. J. D. Jenkins, Mrs. Theo. Andrews, Mrs. U. S. Dalmont, Mrs. W. C. Hornaday, Mrs. D. Davis, Mrs. Della K. Agnell, Mrs. J. J. Hair, Mrs. R. C. Strain, Mrs. B. Wisoff, Mrs. Roy V. Jones, Mrs. Thomas J. Coffee, Mrs. Shine Phillips, Mrs. W. W. Inkman, Mrs. Nina Carier, Mrs. B. E. Freeman, Mrs. M. E. Harlan, Mrs. G. H. Hayward, Mrs. R. F. Hatfield, Fern Smith.

Members Reminded Today's Pattern

Take advantage of stay-at-home days to transform linens into decorative accessories. These small floral motifs have many uses.

Easy bits of embroidery do wonders! Pattern 7072 contains a transfer pattern of 12 motifs, from 4 1/4 x 4 1/4 to 4 1/4 x 12 inches; stitched.

This pattern, together with a needlework pattern of useful and decorative motifs for linens and garments, FIFTEEN CENTS.

Send FIFTEEN CENTS in coins for these patterns to Big Spring Herald, Household Arts Dept., 239 W. 14th St., New York 11, N. Y. Write plainly NAME, ADDRESS and PATTERN NUMBER.

Our new 32-page Needlework Book is yours for Fifteen Cents more. . . 130 illustrations of designs for embroidery, home decoration, toys, knitting, crochet, quilts.

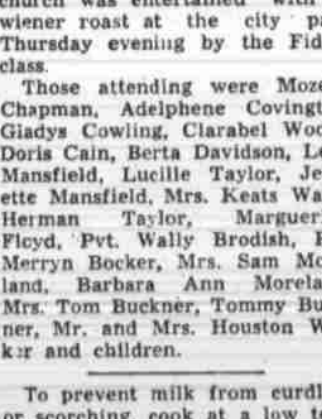

Young People's Dept. Has Wiener Roast
The Young People's department of the East Fourth Baptist church was entertained with a wiener roast at the city park Thursday evening by the Fiddlers class.

Those attending were Mozelle Chapman, Adeline Covington, Gladys Cowling, Clarabel Woods, Doris Cain, Berta Davidson, Lena Mansfield, Lucille Taylor, Jeanette Mansfield, Mrs. Keats Watts, Herman Taylor, Marguerite Floyd, Pvt. Wally Brodsh, Pvt. Merrya Booker, Mrs. Sam Moreland, Barbara Ann Moreland, Mrs. Tom Buckner, Tommy Buckner, Mr. and Mrs. Houston Walker and children.

To prevent milk from curdling or scorching, cook at a low temperature and set all baked milk dishes in a pan of water.

Mrs. Bob Wren Presides Over Class Meeting

Mrs. Bob Wren, president, presided over the meeting of the Homemaker's class which was held at the East Fourth Baptist church Thursday at noon.

The group met for a regular monthly business session and covered dish luncheon and the session opened with a secretary's report on activities for the month of April.

The pastor, the Rev. Bill Colson was guest speaker and spoke to the group on "Love."

A special prayer service was held for Mrs. A. S. Woods, class teacher, who is ill in a local hospital.

A talk was given by Mrs. Hershel Smith, assistant teacher, and guests attending were the Rev. and Mrs. W. H. Colson, William Henry Colson, Mrs. Dale Puckett, the Rev. and Mrs. Houston Walker and children, Mrs. Paul E. Floyd, Mrs. J. J. Willing, Mrs. A. Gregory and Lana Faye Wren.

Members present were Mrs. Ocie Chapman, Mrs. T. F. Hill, Mrs. L. Barlow, Mrs. Otto Couch, Mrs. W. W. Bennett, Mrs. Joe D. Williams, Mrs. Hershel Smith and Mrs. Bob Wren.

Snell To Deliver Final Sermon As St. Mary's Pastor

The Rev. Robert J. Snell, rounding out three years in Big Spring, will deliver his final message as pastor of the St. Mary's Episcopal church Sunday morning.

Schedule of services calls for Holy Communion at 8:30 a. m., church school at 9:45 a. m. and Holy Communion and sermon at 11 a. m. when the rector will speak on "Living in the Family of God."

The Rev. Snell came here May 15, 1941 from Pampa where he had been rector for five years. During his time here, he not only has been successful in the promotion of his parish's work, but active in civic affairs, including a term as president of the Kiwanis club.

At Midland he will have both the Midland and Odessa churches in his charge as he has while rector of St. Mary's, Colorado and Lamesa missions will be attached to Big Spring.

They Play Bingo Like Never Before

Soldiers and WACs visiting the Big Spring USO club on Wednesday evening of each week are now playing bingo like they never played before. Reason? Officials at the club are now offering free telephone calls anywhere in the United States to bingo winners.

Wednesday evening, Sgt. J. A. Buck, Jr., was winner and was given a free telephone call home. On Thursday he was still trying to get his three minute call home to the folks in Omaha, Neb., and even though he thinks the war might be over and he can go home and tell them what's on his mind instead of calling, he was still waiting patiently.

Frank Robinson to rock veneer house at 900 NW 5th street, cost \$100.

Way Opened For Key Men To Get Leave

WASHINGTON, May 5 (AP)—A plan by which Army men whose jobs are indispensable in war zones may come home on furloughs and then return to their overseas posts was announced by the war department today.

The new plan applies to all theaters except the European and central Pacific. Theater commanders have been authorized to grant such leaves and furloughs. Furloughs will be regarded "as a privilege to be accorded men whose work has been outstanding, who have been decorated or wounded, or for other reasons particularly deserving."

Midlanders Wounded

WASHINGTON, May 5 (AP)—The war department made public today the names of 658 United States soldiers wounded in action, including these Texans: Asiatic area: Norton, Pfc. L.—Mrs. Susan Norton, mother, Route 1, Midland; Mediterranean area: Lee, Staff Sgt. Robert E.—Mrs. Iva Lee, mother, 1105 South Colorado St., Midland.

M. P.—Military police trainees at Ft. Benning, Ga., voted they'd like to be pinched by actress Vivian Austin (above).

Young People Have Wiener Roast Here

The Young People's Sunday School class of the First Christian church was entertained with a wiener roast and party at the Empire Southern Gas warehouse Thursday evening.

Tennis, volleyball and other outdoor games were entertaining, and attending were Jerry Bagley, Kenneth Cannon, Homer Christy, Wanda Payne, W. D. Peters, Gypsy Smallwood.

Milton Knowles, Fannie Sue Hill, Betty Kinman, Billy Crunk, Alma Jean Cannon, Eve White, James Roy Horton, James Cass, Marjorie Lock, Mildred Creath and the Rev. and Mrs. J. E. McCoy.

Miss McDurmon Is Honored In Stanton

STANTON, May 5 (Sp1)—Mrs. Jim Tom honored Mamie McDurmon with a coffee in her home from 10 to 12 o'clock Wednesday morning, in honor of her joining the Women's Army Air Corps.

Miss McDurmon will leave May 23 for Fort Oglethorpe, Ga., for basic training.

The dining table was laid with a rice linen cloth and centered with spring flowers.

A large number of persons attended.

USO Hostesses Take Part In Visitation

A hostess committee from the USO club visited the hospital wards at the Big Spring Bombarrier School Wednesday evening and distributed flowers, candy and cookies to patients.

Taking part in the visitation were Marion Connell, Melva Chapman, Nita Chapman, Helen Duley, Beth Gibson, Maxine Moore, Dell Smith, Martha Ley-sath, Betty Ley-sath and Lillian Jordan.

Mrs. C. M. Cody and daughters, Judith and Carlene, and Mrs. H. A. Turner of Dunsmuir, Calif., spent Tuesday in Big Spring visiting in the home of their aunt and uncle, Mr. and Mrs. J. M. Simmons. The group was enroute to their home in California after spending three weeks in the home of their parents, Mr. and Mrs. J. E. Scott of Denton Valley. Mrs. Neta Whitley is going to California with her nieces to make her home.

BEAT THE HEAT
Heat rash irritated skin thrills to the touch of Mezzana, soothing, medicated powder. For cooling relief, get Mezzana.

Yesterday and Today

Every parent worthy of the name, every public school teacher, Sunday school teacher, pastor, court judge and law enforcement officer in our community would like to know the solution to the juvenile delinquency problem. The churches of Big Spring offer the DAILY VACATION BIBLE SCHOOL, with its varied program of character building activities, as an adequate answer.

WHAT IS A DAILY VACATION BIBLE SCHOOL?

A vacation school is different from any other kind of school. It is not like a Sunday school or a public school. It is vacation time! Vacation means change, not necessarily going away from home. Vacation means a good time. We expect boys and girls to have a good time. We do the things they like. The whole program is built to fit the life of boys and girls and bring them real joy. Instruction is given entirely through stories either told or dramatized. There are no text books for the children. Songs and Scriptures are memorized, the spirit of worship is quickened and the patriotic emotions are stirred. Every child likes to make things. In the school they are taught to make many things neatly and accurately. In all their work they are taught the simple art of working together as Christians. The vacation school uses the idle church building between public school sessions to give the boys and girls of the community, irrespective of creed, a happy and profitable time in Christian surroundings and under Christian leaders.

Practically every church in Big Spring will have a vacation school. Ask your pastor about the date, and offer him your cooperation in putting the program over.

Kiwanis Queens Attend Hotel Luncheon

Members of the Kiwanis-Queens, the newly organized auxiliary of the Kiwanis club, attended a luncheon Thursday in room one at the Settles hotel.

Hostesses were Mrs. M. N. Thorp, Mrs. Iva Huneycutt, Mrs. Clyde Waits, Jr. and Mrs. W. S. Palmer. Spring flowers decorated the table.

The group voted to close charter membership at its next luncheon, June 1. Hostesses will be Mrs. H. E. Clay, Mrs. Thomas J. Coffee, Mrs. Bernie Freeman and Lillian Shick.

Mrs. H. W. Smith, Kiwanis-Queens president, presided for

the business session. Minutes were read by Mrs. Sherman Smith, secretary.

Those attending were Mrs. W. D. Berry, Mrs. Coffee, Mrs. S. M. Winham, Mrs. John A. Coffey, Mrs. T. B. Atkins, Mrs. Clay, Mrs. Sherman Smith, Mrs. Freeman, Mrs. Palmer, Mrs. Waits, Mrs. Thorp, Mrs. Justin Holmes, Mrs. Huneycutt, Mrs. H. W. Smith, Mrs. Shirley Robbins, Mrs. Nat Swick, Lillian Shick, Mrs. Merle J. Stewart, Mrs. W. B. Hardy and Mrs. Burgess Dixon.

Tender Aching Burning Feet

In Just Five Minutes Those Sore, Tender, Aching Feet Get Amazing Relief

Go to Collins Bros. or any other good druggist today and get an original bottle of Moore's Emerald Oil.

The very first application will give you relief and a few short treatments will thoroughly convince you that by sticking faithfully to it for a short while your foot troubles may be a thing of the past.

Don't expect a single bottle to do it all at once but one bottle we know will show you beyond all question that you have at last found the way to solid foot comfort.

Remember that Moore's Emerald Oil is a clean, powerful, penetrating Antiseptic Oil that does not stain or leave a greasy residue and that it must give complete satisfaction or money cheerfully refunded. (adv.)

VETERANS' COUNSELOR SET UP TO AID RETURNING SERVICE MEN

Plans to help veterans of World War II get suitable jobs promptly were announced today by H. A. Clark, manager of the Big Spring area local office of the United States Employment Service.

The Big Spring office at 105 1/2 E. 2nd together with four other offices in the Abilene district is now ready to give all the placement service that a discharged member of the armed forces will need in returning to civil life and gainful employment, Clark said.

"There will be a veterans' counselor in our office, and in each USES branch throughout this area," he declared. "It will be the duty of this counselor, who will be a veteran himself in most cases, to do a thorough job of advising and placing the man or woman who is ready to return to civil life. Most cases of placement are likely to be simple. The veteran will be welcomed back to his old job, or if that job no longer exists the USES will use the many years of experience which it has had in placing men and women in positions for which they are fitted. The veterans will be handled by a special receptionist and will be given every possible consideration in their search for a new job.

"The clearance system which the USES has set up enables us to know just where workers are needed. We will have complete records regarding labor markets throughout the country. These records will show what jobs are open, what wages are being paid, what the housing situation is, etc. In this way we will be able to give the veteran seeking work all the information he needs to enable him to pick the job for which he is best fitted.

"If the veteran has some special problem or need he will be handled by the counselor. It may be that vocational rehabilitation is required. The counselor will have all the facts. If the veteran needs temporary financial aid the counselor will give information as to how this may be obtained.

In short, our veterans placement service will become a vital part of post-war planning in that it will help discharged men and women of the armed forces to

get into civil life with a very minimum of delay. If the veteran doesn't fit into the first job to which he is referred, then at any time within 60 days he will be entitled to a statement of availability, so that he may quickly get a second job.

The USES will use the facilities of its entire organization throughout the country in finding jobs for the veterans. It will cooperate with Selective Service and with all other agencies interested in placing members of the armed forces in good jobs when their military service ends. The aid of community committees and organizations will be welcomed in this effort. Personnel of the USES is now being trained for this job and will be ready to give the service not later than May 1," Clark added.

B And C Card Holders Are Eligible For Tires Which They May Not Get

All "B" and "C" gasoline rationholders became eligible for Grade I tires Monday, but that doesn't mean that they all will be able to get new tires—at least, not for the present.

Though eligible, many motorists will not get the tires simply because there aren't enough tires allocated to the boards to meet the applications that are coming in as a result of the increase in the number of eligibles.

Tire quotas allowed for each county are set at only a small increase for the month of May and the quotas will continue to be set month by month to distribute the available tires over the period before more tires can be expected on the market.

To prevent over-optimism the rationing division of the district Office of Price Administration has announced this clarification, in ad-

dition to definite figures to indicate the situation.

There are more than 89,000 motorists in the Lubbock district who hold "B" or "C" rations. The quota of new passenger tires for the district for May is slightly more than 9,000. Ration boards have been instructed to screen the applications and issue certificates only to the more essential eligibles. The applications are expected to exceed available quotas during May and June, at least.

We Need This Guy Out In West Texas

DECATUR, Ill. (AP)—Cal Waggoner is betting it will rain next Wednesday, May 10, but he believes he won't have many takers.

Waggoner, 63 year old retired bank employe, has bet it would rain May 10 for 38 years and says he has won 30 times. That record, he says, "has sure killed off the interest," and he doesn't expect more than five takers this year.

Useful, and a handsome furniture piece for any room! Hardwood construction. 20x42" top!

San Antonio Teams Favored In Meet

By HAROLD V. RATLIFF
AUSTIN, May 5 (AP)—They tagged Brackenridge as favorite today to win the Texas schoolboy track and field championship but not before a hefty scrap all along the line from its arch San Antonio inter-city rival, Thomas Jefferson.

Showing great strength on both ends and in the jumps and weights, Brackenridge appeared probably three to five points better than Jefferson despite the fact that Charley Parker, blond comet of the Mustangs, will be running his last races as a schoolboy and, weather permitting, be shooting at some of the greatest records on the books.

Rain and wind hampered the runners and throwers in preliminaries yesterday but prospects were that it would be warm and sunny this afternoon, the weather bureau said.

Brackenridge qualified for the most places in the preliminaries, showing nine, and has important entries coming up today in the high jump and pole vault, two of the events in which trials were not held yesterday.

It is figured in most circles that Brackenridge and Jefferson will get three first places each—Brackenridge winning the high and low hurdles and the pole vault and Jefferson the 100 and 200-yard dashes and the sprint relay—but Brackenridge appears to have more potential second, third

and fourth places than Jefferson. Goose Creek, which qualified eight for the finals is expected to wind up third with John Reagan (Houston), mostly through the efforts of weight star George Kadera who is expected to win both shot and discus, taking fourth place.

Several records appear in danger, particularly the discus mark of 154 feet 11 inches and the mile relay standard of 3:25.2. Kadera may smash the discus mark and Goose Creek appears capable of trimming the relay record.

Failure of Thomas Jefferson to enter its fine sprinter, Perry Samuels in the 220-yard dash may be a deciding factor in favor of Brackenridge. Samuels was left off the list through error. He would have been figured to get two or three points in that event.

Preliminaries in the pole vault were to be held at 1 p. m. today with finals in all events starting at 2:15. There will be no preliminaries in the mile run. If there are not more than 20 entries there will be only one heat; if there are more there will be two, with the winners being picked on fastest individual times.

Mexico May Clinch Polo Title Today

MEXICO CITY, May 5 (AP)—Guillermo Cisneros, star back of the Mexican polo team, has recovered from an injury and will play today against the United States team, but there's a chance Billy Skidmore of Dallas will be out of the U. S. lineup. Skidmore was injured in a practice game Wednesday. Mexico can clinch the international championship by winning today, but a United States victory would keep the Americans and Argentina in the running.

Check tachometer and throttle setting	Raise or elevate nose of plane	Check altimeter	PLEASE release controls to instructor

Younger Men To Be GOP Point

WASHINGTON, May 5 (AP)—The republicans appeared today to have developed a new campaign theme to offset democratic claims of "experience" by proposing to put younger and fresher men in national offices from the presidency on down.

Although national committee officials said it was mere confidence that three high ranking party members have sounded this note recently, an influential republican declared there was no doubt that if President Roosevelt and Gov. Thomas E. Dewey of New York become the opposing nominees much more will be said on the subject.

There has been every indication that the democrats will stress the experience of their officeholders as one of their major campaign points. Gov. Edward Martin of Pennsylvania, observing that "the president himself is aging at 62," said the republicans had "a fine bunch of smart youngsters, physically fit to take command of the government." He-listed Dewey at 42, Gov. John W. Bricker of Ohio at 52, and Gov. Earl Warren of California at 53, as among these.

The \$64 Question

CHATTANOOGA, Tenn., (AP)—A youth in court because of an altercation at a dice game, was describing the incident with dramatic flourishes. "I faded him, shook them dice and rolled," he said and paused. After a moment's silence acting City Judge Martin Fleming, Jr., asked: "Well, did you make your point?" The defendant said he did—and the hearing proceeded.

Texans Of Mexican Descent Observe 82nd Anniversary Of Cinco De Mayo

By The Associated Press
Texans of Mexican descent today commemorated the 82nd anniversary of the battle of Cinco de Mayo (fifth of May) with ceremonies appropriate to the occasion. At the same time, high Mexican and United States military officers gathered at Puebla, Mex., for ceremonies held annually on May 5 and which this year assumed added importance with Mexico considering troops to a war front. (On May 5, 1862, General Zaragoza, commanding 4,000 Mexican troops, defended Puebla against an assault by invading French forces.) Cinco de Mayo night will be observed tonight at El Paso, sponsored by the Mexican civic council and attended by Juarez, Mex., El Paso and Army officials. In Juarez, the observance was to be highlighted with a parade, a luncheon for Mexican and United States officials and a bull fight. The Cinco de Mayo observance in the Rio Grande valley was to be confined to the Mexican side of the Rio Grande, with few events planned in valley towns. Reynosa, opposite McAllen, planned a parade followed by a program in which City Secretary Antonio Hernandez was to read the history of the battle of Puebla. The twin Laredos—Laredo, Tex., and Nuevo Laredo, Mex.—were to join today in a Cinco de Mayo observance. In Dallas, Cinco de Mayo at the city's Little Mexico was carnival time, when the residents put on their multi-colored costumes and parade about Pike park.

UNINSTRUCTED DELEGATIONS ARE ASKED OF TEXAS DEMOS IN PARLEYS

By The Associated Press
With precinct conventions tomorrow (Saturday), the principal issue in Texas was whether delegations to the county conventions a week hence shall be instructed to vote for Roosevelt re-nomination, or go uninstructed. George Butler, chairman of the state democratic executive committee, yesterday made public resolutions suggested by the executive committee for adoption by county conventions. The resolutions were: (1) In favor of all plans and proposals presented to the state convention which are recommended by the state democratic executive committee, and which concern the right of the democratic party in Texas to determine who shall constitute the members of such party in Texas. (2) In favor of sending to the democratic national convention to be held in Chicago, July 19, 1944, a delegation "uninstructed" as to whom they shall vote for the presidential nominee and vice-presidential nominee of the democratic party. (3) In favor of inviting Gov. Coke R. Stevenson to be the chairman of the delegation to be sent to such democratic national convention. (4) In favor of instructing the delegation to such democratic national convention to work and vote in that convention for the restoration of the "two-thirds rule" in the selection of the nominees for president and vice-president on the national democratic ticket.

Agents Conduct Food Meeting

Approximately 60 persons attended a meeting conducted in Midway school building Thursday night for purpose of discussing food production needs and a county food production contest. Rhea Merle Boyles, home demonstration agent, and O. P. Griffin, county agent, spoke. The girls' 4-H club of the community presented a style show, modeling work clothing they had made. Arsh Phillips, 4-H club sponsor had charge. Prizes in the county food production contest are to be given to individuals and communities. The contest will be culminated with a food exhibit which Griffin estimated would be held between Sept. 1 and Oct. 15. Winners will be announced at time of the exhibit.

Board Asks That Extra Gas Requests Be Made Month Ahead of Need

Request that applicants for supplemental gasoline and renewals of ration tickets in their applications within 30 days prior to need was made Friday morning at war price and rationing board headquarters. That length of time should be allowed for action of the board and mailing. Books can not be delivered across the counter, it was announced.

Mort Cooper Falters Again For Third Loss.

By The Associated Press
What's the matter with Morton Cooper? That's the \$84 question in the National league today as the big righthander's St. Louis mates take on the second place Cincinnati Reds in the first big series of the 1944 campaign. Cooper, who won 21 decisions last year and hurled 24 complete games in 32 starts, has failed to go the route in three outings including yesterday's 6-3 loss to Pittsburgh.

An injured ankle, suffered when he was hit by a line drive in an exhibition shortly before opening day, may be the answer. While Cooper was having his trouble, Max Butcher was breaking into the win column for the first time after surviving a jittery first inning in which he allowed three runs on four hits and a walk. The tall West Virginian allowed only four more hits in the rest of the game as the Buc pulled St. Louis down to within one game of Cincinnati and the Phils, tied for second.

Those Phillies can tie for the top if Cincy knocks off the Cardinals today and might sneak out in front all by themselves this weekend while the western rivals are quarreling. Freddy Fitzsimmons' Jays, idle yesterday, move into Brooklyn today where they could make life easy for Freddy with a series win over his old mates. Boston slid the New York Giants down the shoots to their fourth straight defeat, 8-4, with Connie Ryan, a former Polo Grounder, adding to their embarrassment with two singles and a homer accounting for four runs. The Cincinnati-Chicago game in the National was postponed, and Brooklyn, like Philadelphia, was not scheduled.

Rookie Ed Lopat of Little Rock knows how it feels to win your first big league game, after hurling Chicago's White Sox to a 2-1 edge over Cleveland's Vern Kennedy. St. Louis took advantage of the open date in the eastern half of the American league to tighten its grip on first by a 2-0 job against Detroit. Nelson Potter paroled out five Tiger singles for his third triumph to one loss and the Browns' twelfth victory in 15 starts.

Plans Mapped For AAU Track Meet

AUSTIN, May 5 (AP)—Plans for a Southwestern A.A.U. track and field meet at Dallas May 26 were announced here last night. P. C. Cobb, athletic director of Dallas schools working with Graham Pierce, president of the Southwestern A. A. U. relative to staging the meet at Dal-Hi Field, said the plans were to make it an invitation affair and to select the five best service, high school and college trackmen in the state for each event. The plan includes taking the best from the Dallas meet and forming a team to be sent to the National A. A. U. with proceeds from the Southwestern A.A.U. meet to be used to defray the teams' expenses. Cobb said Coaches L. I. Dimmitt of Texas A.M. and Clyde Littlefield of Texas, and Bill Wallace of Rice had indicated they would send men from their teams to the Dallas event. The meet will be held at night.

Class 44-8 Grabs Cadet Cage Title

Riding roughshod over quintets from classes 44-5, 6, 7 and 9, class 44-8 assumed the undisputed title to the cadet basketball championship at AAFBS in the tournament which finished last week. Lt. LeRoy Bloomingdale, of the PT department, managed the tournament but selection and coaching of the individual teams was left to each class. Apparently A/C Earle Hendrickson of 44-8, who served in the triple capacity of captain, coach and forward, has something on the ball. His team, composed of men with college and high school experience, came through with a perfect record. Hendrickson himself has varsity experience at Northeast High in Philly and Centenary college at Shreveport, La. The record shows that 44-8 won from seven by scores of 28 to 15 and 52 to 30. They buried six 33 to 21. Class five gave them a scare in a 31 to 30 game and nine went down after a battle, 22 to 20. Members of the winners were: Forwards, R. Gilson, Norristown, Pa.; E. Hendrickson, Philadelphia, Pa.; W. E. McKinley, Pawtucket, R. I. and F. E. Bassy, Rochester, N. Y. Guards, N. F. Volke, Milwaukee, Wis.; E. O. Caldwell, Louisville, Ky.; F. H. Keyser, Gunnison, Utah; L. J. Juracek, East St. Louis, Ill. Centers, J. P. Martin, Mayodon, N. C.; O. Accobbee, Warroad, Minn.; R. F. Gieckner, Staten Island, N. Y. Gold basketballs will be awarded the men by the cadet detachment and will be presented by Major Gaylord W. Schultz, the commandant, in the near future.

State Has Cars And Boats For Sale, But They're Junk Material

AUSTIN, May 5 (AP)—If you bid enough money the state will sell you an automobile, a motorcycle or a 48-foot cabin cruiser. But don't expect to drive any of them away. They're all classed as junk and are part of salvage materials. Since last September the State Board of Control has put \$18,826 in the general fund from sale of scrap paper, old automobiles, junked typewriters and adding machines, old glass and stereotype plates used to print criminal law reports. The automobiles and motorcycles on which bids are now being sought were discarded by the Public Safety Department as beyond repair after many miles of service. The cruiser was once used by the adjutant general's department in conjunction with national guard encampments.

TO SPEED V-MAIL

WASHINGTON, May 5 (AP)—Rep. Sundstrom (R-NJ) announced today that after May 15, "V-mail" from servicemen overseas will go all the way by air. "V-mail" now is shipped part of the way by air and part by ordinary mail procedure.

Livestock

FORT WORTH, May 5 (AP)—Cattle 700; calves 200; cattle and calf market generally steady; good and choice fed steers and yearlings 14.25-16.15; common to medium grades 10.50-13.75; beef cows 8.75-11.50; canners and cullers 5.50-8.75; bulls 8.00-11.50; good and choice fat calves 13.00-14.50; common to medium butcher calves 9.50-12.75. Hogs 1,800; active and steady; good and choice 200-270 lb. hogs 13.55; good and choice 150-195 lb. averages 9.50-12.75; good and choice 280-350 lb. kinds 11.00-12.25; sows 10.25 down; pigs 8.50 down. Sheep 7,000; steady; common and medium grade lambs 10.50-12.00; medium and good spring lambs 13.00-14.00; cull to good shorn ewes and aged wethers 5.25-6.75. A group of Howard county selective service registrants went to Lubbock Friday to receive pre-induction physical examinations at the West Texas recruiting and induction center. The men will return to Big Spring pending orders.

Slow Track Is Due For Derby

LOUISVILLE, Ky., May 5 (AP)—A breath-taking two minutes will tick off the 70th running of the Kentucky Derby tomorrow, but owners of the prospective starters were talking in short breaths today over the prospects of the first muddy track for the event since Clyde Van Dusen wallowed home to victory 15 years ago. A 14-hour rain that quit for a while and then resumed again last night left the Churchill Downs racing strip a sloppy mess, fetlock deep in water. Unless more rain falls today, or tonight, however, the track may drain off, making it at least slow if not muddy. The track is noted for its speedy drying qualities.

Plans Mapped For AAU Track Meet

AUSTIN, May 5 (AP)—Plans for a Southwestern A.A.U. track and field meet at Dallas May 26 were announced here last night. P. C. Cobb, athletic director of Dallas schools working with Graham Pierce, president of the Southwestern A. A. U. relative to staging the meet at Dal-Hi Field, said the plans were to make it an invitation affair and to select the five best service, high school and college trackmen in the state for each event. The plan includes taking the best from the Dallas meet and forming a team to be sent to the National A. A. U. with proceeds from the Southwestern A.A.U. meet to be used to defray the teams' expenses. Cobb said Coaches L. I. Dimmitt of Texas A.M. and Clyde Littlefield of Texas, and Bill Wallace of Rice had indicated they would send men from their teams to the Dallas event. The meet will be held at night.

Murder And Suicide Verdict Is Returned

BORGER, May 5 (AP)—A verdict of murder and suicide was entered by Justice of the Peace G. C. Knight in the shooting deaths of Mr. and Mrs. John S. Van Sant of Huber Camp, which occurred Wednesday night. Sheriff Dale Lane said two bullets struck Van Sant, and wounds in Mrs. Van Sant's body indicated she fired a third bullet into her chest.

State Has Cars And Boats For Sale, But They're Junk Material

AUSTIN, May 5 (AP)—If you bid enough money the state will sell you an automobile, a motorcycle or a 48-foot cabin cruiser. But don't expect to drive any of them away. They're all classed as junk and are part of salvage materials. Since last September the State Board of Control has put \$18,826 in the general fund from sale of scrap paper, old automobiles, junked typewriters and adding machines, old glass and stereotype plates used to print criminal law reports. The automobiles and motorcycles on which bids are now being sought were discarded by the Public Safety Department as beyond repair after many miles of service. The cruiser was once used by the adjutant general's department in conjunction with national guard encampments.

TO SPEED V-MAIL

WASHINGTON, May 5 (AP)—Rep. Sundstrom (R-NJ) announced today that after May 15, "V-mail" from servicemen overseas will go all the way by air. "V-mail" now is shipped part of the way by air and part by ordinary mail procedure.

Livestock

FORT WORTH, May 5 (AP)—Cattle 700; calves 200; cattle and calf market generally steady; good and choice fed steers and yearlings 14.25-16.15; common to medium grades 10.50-13.75; beef cows 8.75-11.50; canners and cullers 5.50-8.75; bulls 8.00-11.50; good and choice fat calves 13.00-14.50; common to medium butcher calves 9.50-12.75. Hogs 1,800; active and steady; good and choice 200-270 lb. hogs 13.55; good and choice 150-195 lb. averages 9.50-12.75; good and choice 280-350 lb. kinds 11.00-12.25; sows 10.25 down; pigs 8.50 down. Sheep 7,000; steady; common and medium grade lambs 10.50-12.00; medium and good spring lambs 13.00-14.00; cull to good shorn ewes and aged wethers 5.25-6.75. A group of Howard county selective service registrants went to Lubbock Friday to receive pre-induction physical examinations at the West Texas recruiting and induction center. The men will return to Big Spring pending orders.

SPORTS ROUNDUP

By HUGH FULLERTON, JR.
NEW YORK, May 5 (AP)—Dispatched from Derbyville—Trainer Whitney Abel travelled from Baltimore to Louisville in the same car with his Derby hope, Gramps Image . . . It wasn't for lack of dough, either, for Gramps Image had just won the rich Chesapeake at Pimlico . . . Maybe Whitney told the OWT, "It just us horses." . . . Tip to bettors: Stir Up or Shut Up.

A Rookie A Day
Bill Schuster, Cubs' shortstop; Known as Buffalo Bill when he tried out with Pittsburgh in 1937, fresh out of the U of Buffalo. The Cubs now call him "Green Hornet" because of his verbal bawling . . . He's 31 years old and had a long career in the Pacific Coast league, placing fourth in the most-valuable player poll last year. . . . A good tap dancer, but his .276 batting average at Los Angeles indicates he doesn't just tap the ball.

Personal Opinion
This department's view is that Judge W. G. Braham, the minor league boss, took a big step to aid baseball when he put the blast on ball clubs that sign high school and college boys and then suspend them, contrary to baseball rules, until school is out and they can report . . . Aside from the question of ethics, one reason why schools haven't supported baseball and given the kids a chance to play was that as soon as a promising player turned up, a pro club would grab him off . . . The Judge can't stop that, but at least he intends to let them finish the season at school.

Murder and Suicide Verdict Is Returned
BORGER, May 5 (AP)—A verdict of murder and suicide was entered by Justice of the Peace G. C. Knight in the shooting deaths of Mr. and Mrs. John S. Van Sant of Huber Camp, which occurred Wednesday night. Sheriff Dale Lane said two bullets struck Van Sant, and wounds in Mrs. Van Sant's body indicated she fired a third bullet into her chest.

State Has Cars And Boats For Sale, But They're Junk Material

AUSTIN, May 5 (AP)—If you bid enough money the state will sell you an automobile, a motorcycle or a 48-foot cabin cruiser. But don't expect to drive any of them away. They're all classed as junk and are part of salvage materials. Since last September the State Board of Control has put \$18,826 in the general fund from sale of scrap paper, old automobiles, junked typewriters and adding machines, old glass and stereotype plates used to print criminal law reports. The automobiles and motorcycles on which bids are now being sought were discarded by the Public Safety Department as beyond repair after many miles of service. The cruiser was once used by the adjutant general's department in conjunction with national guard encampments.

Agents Conduct Food Meeting
Approximately 60 persons attended a meeting conducted in Midway school building Thursday night for purpose of discussing food production needs and a county food production contest. Rhea Merle Boyles, home demonstration agent, and O. P. Griffin, county agent, spoke. The girls' 4-H club of the community presented a style show, modeling work clothing they had made. Arsh Phillips, 4-H club sponsor had charge. Prizes in the county food production contest are to be given to individuals and communities. The contest will be culminated with a food exhibit which Griffin estimated would be held between Sept. 1 and Oct. 15. Winners will be announced at time of the exhibit.

Board Asks That Extra Gas Requests Be Made Month Ahead of Need
Request that applicants for supplemental gasoline and renewals of ration tickets in their applications within 30 days prior to need was made Friday morning at war price and rationing board headquarters. That length of time should be allowed for action of the board and mailing. Books can not be delivered across the counter, it was announced.

Sunday

More News From Graduates Of Bombardier Class Number 43-1

According to Lt. John J. Boyle of Philadelphia, Pa., he has the "best damn crew and ship in the whole 8th Air Force." Boyle writes that he has hit Germany hard at least 20 times now, and that he and his crew have not yet suffered so much as a single scratch. Boyle has the Air Medal.

Another Philadelphia boy, Lt. Frank Boyer, has not been as fortunate as Boyle. Boyer also operated with the 8th Air Force out of England until September of '43 when his plane was knocked down over Germany. He is now a prisoner of war. Boyer has the Air Medal.

Lt. Arthur Brent of Chatham, Mass., has been operating in the Pacific close to a year now. His ship The Captain and the Kids has been laying 'em on the Japs throughout New Guinea, New Britain, the Gilberts, the Marshalls, etc. Brent has collected a Distinguished Flying Cross.

Holding the Air Medal with nine clusters as well as two Silver Stars, Lt. Charles Brewer of Dallas recently returned to the states after completing 50 missions in the Mediterranean theatre. Brewer went overseas in July of '43, was stationed in Africa for awhile and later moved on to Sicily and Italy. His 20-day furlough in Dallas now ended, he has reported to a Florida redistribution center for a return to the wars.

Lt. Ralph Brinkley, Jr., of Concord, N. C., hammered German industrial plants for nine months while stationed in England with the 8th Air Force. Right after leaving Big Spring, Brinkley worked his way through Germany as a bombardier-navigator until his recent return to the states in February when he came back loaded down with a Distinguished Flying Cross as well as the Air Medal with three clusters.

All we know about Lt. Charles Brittain of Eldorado, Kas., is that he's in England with the 8th Air

Flashes From The Front—

More News From Graduates Of Bombardier Class Number 43-1

Force and that he has the Air Medal with three clusters.

Another one of those 8th Air Force boys is Lt. Arthur Broat of Detroit, Mich., who already has the Purple Heart as well as the Air Medal. Broat was wounded on the last October 4th raid on Frankfurt, Germany. The flak that day," writes Art, "was so thick you could get out and walk on it. I tried it." Art's all right now, however, and he's doing his best to sidestep that flak as he makes those runs over Hitler's Europe.

Operating with the 8th out of England, Lt. John Buckholts of Okmulgee, Okla., earned the Air Medal and the Purple Heart before that fateful flight over Germany on December 16th last when his Fortress failed, to return. Buckholts and his entire crew have been listed as missing ever since.

Lt. Joe Bumbicka of St. Louis, Mo., another big operator with the 8th Air Force in England, has the Air Medal with an oak leaf cluster. He writes: So far I've just been joy-riding over German war plants, for all the attention I get from the Nazis. Hope they continue to neglect me."

Lt. W. C. Bungardner of Vernon, Tex., plastered the Japs throughout New Guinea and the Solomons until November 10th last when he was listed as missing in action.

Lt. Kerwin Butler of Enid, Okla., studied navigation at Hondo after leaving Big Spring, arrived in England in August of '43 and was assigned as bombardier-navigator on a Flying Fortress. Was on his seventh mission over Germany when his plane was shot into a thousand pieces." Everyone except the pilot managed to bail out in time, and they are now prisoners of war in Germany. Butler was seriously wounded in the leg during that operation, spent a couple of months in the hospital where he informs us he was well cared for, and is now reported to be in perfect health.

Lemons will yield more juice if put in hot water for several minutes before squeezing.

Governor Asks That Flags Be Displayed On Mother's Day

AUSTIN, May 10 (AP)—Governor Coke R. Stevenson has asked that the flag be flown on public buildings by observance of Mother's Day, May 14.

Congress in 1914 authorized a display of the flag on government buildings.

Proclaiming Mother's Day this year, the governor said: "Mothers on the home front have important jobs to fill. They have the principal responsibility for the effective preparation of children for life in all its aspects—for health, for work, for use of leisure time, and for the obligations of citizenship in a democracy."

"By teaching their children the ideals of liberty and democracy that we as a nation are fighting to preserve, they can help to insure a post-war world where justice and decency will prevail."

Butler's Air Medal was presented to his mother at Enid Army Air Field.

Lt. Robert Butts of Binghamton, N. Y., is too busy blasting the nazis in Italy to let anyone know any details of his activities.

All we know about Lt. James Candelet of Providence, R. I., is that he's flown over 24 missions in his B-25 bomber, and that he's just nuts about his pilot, Lt. Drake. We've been in some tight spots together over New Guinea and Rabaul," writes Jimmy, but old Drake handles our Mitchell like a Houdini, and always manages to shake the Japs off our tail."

Lt. William Cannon of Tracy, Calif., works the "Swing Shift" out of England. That's the name of his Fortress, and it's been operating successfully against the Germans since August of '43. Cannon, who graduated from Hondo as a navigator after leaving Big Spring, is bombardier-navigator on the B-17. He has the Air Medal.

Lemons will yield more juice if put in hot water for several minutes before squeezing.

Commencement Plans Made At Colorado

COLORADO CITY, May 5 (AP)—Commencement plans for Colorado City high school have been completed. Don Morris, president of Abilene Christian College will deliver the commencement address on the evening of May 26 in the high school auditorium.

The Rev. C. M. Epps, pastor of the First Methodist church will preach the commencement sermon Sunday evening, May 21, in the auditorium.

In addition to the main address by the A.C.C. president, there will be the traditional valedictory and salutatory addresses, graduation night, and music by the high school department. Approximately 74 seniors will graduate.

Four Airmen Listed As Lost In Gulf

HARLINGEN, May 5 (AP)—Col. John R. Morgan, commanding officer of the Harlingen Army Air Field, disclosed four men aboard the medium bomber which went down in the Gulf of Mexico Wednesday must be presumed dead. The officer said searches for the men by other planes were unsuccessful.

He listed the victims as: Lt. Jerome M. Hacker, pilot, Aids Okla.; Lt. Richard C. Martin, co-pilot, Waynesboro, Pa.; Cpl. Thomas W. Moore, tow operator, Dallas; Cpl. William H. Waters, crew chief, Cleveland, Ohio.

He listed the victims as: Lt. Jerome M. Hacker, pilot, Aids Okla.; Lt. Richard C. Martin, co-pilot, Waynesboro, Pa.; Cpl. Thomas W. Moore, tow operator, Dallas; Cpl. William H. Waters, crew chief, Cleveland, Ohio.

Voice For Individuals

Restating his beliefs of many years so friends might be guided in their support of him as county democratic chairman of Tarrant county, Mr. E. O. Gilliam advances an interesting proposal for Texas democrats.

He says: "We should abolish our present method and establish a primary system similar to other states for the selection of delegates to state and national conventions, which method would not only determine sentiment, but would go a long way in establishment of party harmony."

One has only to know how easy it is to control a convention, whether it be a tiny church affair or a state political gathering, to be stimulated to thought over the proposal. It seems to us this might be one way of giving the average democratic voter in Texas a more direct opportunity of first exercising his voice for the nominee of his choice. Participation in precinct, county and state conventions being what it is, the vast majority have a voice only when they vote in the general election.

We Like The Idea

On the heels of news that Mexico is putting the squeeze on the time-honored siesta comes word that some communities this side of the border are advocating the custom after the war is over. It is easy to see the wisdom in Mexico's decision to abolish the afternoon halt in order to speed up production and to cut down on the consumption of power needed for late evening work occasioned by the siesta. It may be the hustle and bustle of things, but somehow the siesta idea appeals to us. If we can't have it when the war is over, then at least we hope Mexico returns to it in order that we may envy our neighbors to the south.

Now that the kids have started playing baseball again there will be more window shopping—for windows.

The annual cost of crime runs into the billions. Nobody can say we aren't getting our money's worth.

Hollywood—

Putting Flesh On The Thin Man

By ROBBIN COONS HOLLYWOOD — Myrna Loy's in town again. William Powell is in the pink, and Asta the pooch is, as usual, getting ready to bark a hint for a raise. The three circumstances add up to another "Thin Man" adventure in the making. "And I'm doing it," says Everett Riskin, the producer, "just because I opened my big flapper."

Raffles, owned by Samuel Goldwyn. Mr. Goldwyn offered to sell —for half the Metro-Goldwyn-Mayer studio and the return of his name," according to Riskin. And then Myrna Loy married, retired from pictures and moved east to live. The Thin Man went into hibernation. Mr. Goldwyn kept Raffles, and Riskin went on to other films—but not before becoming intrigued with Nick Charles and dopping out another idea.

The War Today

by DeWitt Mackenzie Associated Press War Analyst

We Americans are inclined, one suspects, to display too much emotion—too much violence of thought—in our efforts to pre-judge the great post-war situations involved in the remaking of our naughty world into a brave new home for mankind. That's understandable up to a point, because we've subscribed to a code of justice—and a good one, too—for our guidance as we battle for the right. Still, there's always the danger that the eager adherents to any code may become fanatical and over-zealous.

There are numerous controversial issues involved in the postwar readjustment. Among them are territorial claims, some of which already have been laid down definitely by our Russian ally, and others that patently are developing. Then there are a considerable number of cases where self-determination is sought, both in Europe and in North Africa.

Every one of these cases is filled with high explosive. This is especially true since in each instance all the big three—America, Britain and Russia—have at least a sentimental interest. Ordinary horse-sense dictates that explosives be handled cautiously.

Thus it behooves each of us—whether we be columnists, politicians or longshoremen—not to sound off too violently in public in laying down the postwar law. We have to remember that we are in a partnership. We can't say to either of our allies dogmatically "you must," any more than they can say to our Uncle Sam "you must."

The consensus of Allied statesmen is that world peace depends on solidarity among the big three. A split in the partnership would mean another war ultimately.

Solidarity doesn't involve subservience on the part of any one of the partnership. It doesn't demand sacrifice of principle. It does call for a high sense of realism in working out postwar readjustments. It involves the view that world peace is more important than is the outcome of any single claim that is of restricted significance.

Bridge

Washington—

Post-War Airlanes At The Post

By JACK STINNETT

WASHINGTON — Behind the scenes, the first big guns of one of the greatest international post-war battles are opening up the fight for control—perhaps a general word would be "distribution"—of the world airlines. A week or so ago, a conference between British and United States representatives was held in London. Soon a similar conference will be held here between U. S. and Russian representatives. This is just spade work. After that the three powers, possibly with delegates from other friendly nations, will hold a joint conference. Out of that may come the pattern for distribution of the world airlines which could easily determine the balance of power tomorrow's world trade.

Out of the London conference has come nothing yet except that the talks were "highly satisfactory." Since this is the American report, observers here say it means the British have "made some concessions," although concessions on what isn't quite clear.

It's pretty generally agreed that it may be the opening wedge in post-war negotiations that, in the long run, may be more important than boundaries, forms of government and a good many other world problems now laboring the international thinkers. The important thing at the moment is the man who is going to front for us in these vital negotiations. He is Assistant Secretary

of State Adolf A. Berle, Jr. Just turned 40, Berle is the youngest assistant secretary in the department but not in point of international experience. As a captain in World War I, he devoted his time to intelligence and his special field was Poland. He was in the delegation that attended the peace conference at Versailles. As a New York attorney, he gave much time to international law, most of it dealing with Latin America. Sec. Hull had him along at the two big pre-war hemispheric conferences which gave the Americas almost a solid front against the Axis when war came.

He was one of the first of the New Deal "brain trusters" and it is believed that many of the early New Deal policies were shaped around his thoughts and conclusions.

Here is place to pause for a point. Berle is generally described as an "intellectual." Certainly he is a thinker, an analyst in the fields of economics, law and international relationships. Once he has reached conclusions, he tosses them out for what others think they are worth. He doesn't erudite for his ideas. This doesn't mean he isn't a good negotiator. Word has already drifted back from London that he is very "tough." Friends say that he's a take-it-or-leave-it man in argument—the most difficult type of all to swing around to your point of view.

Capital Comment—

Maybe We Do Know Too Much

By GEORGE STIMPSON

WASHINGTON (Sp)—It's kind of hard to tell bigwood from brush in Washington these days. Dr. Edgar Douglas Adrian distinguished English scientist, came to Washington this year to deliver the Pilgrim Trust lecture. He spoke on "The Mechanism of the Brain," if any. I think he hit the nail on the head when he said: "Our desire is to know perhaps more than is good for us."

A lot of people in this man's town do business on the OPM basis. OPM stands for "Other People's Money." The Washington whirligig reminds me of wheels within wheels. Perhaps the prophet Ezekiel was thinking of our national capital when he said that the appearance and work of the wheels he saw in his vision "was as it were a wheel in the middle of a wheel." This comparison becomes more striking when he said of the wheels: "When they went, they went upon their four sides; and they turned not when they went."

More is said and less is done in Washington per capita and per square inch than in any other spot on the face of the earth. Despite the finest library facilities in the world, little good literature is produced in Washington. This is a literary town. Very few real literary men and women live and write in Washington. Whether this is due to the climate, the altitude or to politics, I'm unable to say. The good books written in Washington can be counted on your fingers. For some reason too there are virtually no great books written elsewhere with the scene laid in Washington. The place doesn't seem to be productive of creative literature. Here the real fiction writers call themselves columnists and commentators.

Neither is Washington a publishing town. Very little publishing is done here. Washington is known as the graveyard of magazines and newspapers. You would think that Washington would be an ideal place from which to issue national publications. But it isn't done much. Perhaps labor costs are too high here.

It is a white-collar town and nearly everybody here lives beyond his means. Keeping up with the Joneses, and even going for them one better, is the rule.

Will Clayton, Destined To Become World's Biggest Merchant, Is Ready

By FRANK GRIMES Herald Staff Writer

WASHINGTON, May 1 — The Texas congressional delegation meets every Wednesday in the speaker's dining room on the main floor of the Capitol, across the corridor from the house restaurant. These meetings are usually of the record, but when W. L. Clayton, the man who will become the greatest merchant in the world by virtue of his assignment to dispose of surplus government property, appeared on invitation of the delegation this week, he wanted it understood that what he had to say was strictly on the record.

It was an impressive summation he gave of the policies and purposes of his organization. Naturally changes will be made as conditions vary, but in the main the purpose will be to dispose of surplus with a minimum of disturbance to American business and industry. In other words, it will be done in an orderly manner.

Mr. Clayton said that the army and navy will determine what goods are surplus, and when they can be safely disposed of. His organization will then dispose of them on the most advantageous terms available, dealing not with individuals but with existing business establishments dealing in the particular goods involved. Jeeps, he said, are in greater demand than any other single item, and it would be manifestly impossible for the United States government to sell jeeps direct to the users. Instead, they will be disposed of to regular automobile dealers, who will be allowed to mark up the price to cover handling charges and allow themselves a fair profit.

All told, there will be billions of dollars of light and heavy merchandise to be disposed of, ranging from socks to steam shovels.

Mr. Clayton doesn't think there will be any problem of finding a market for all of it. The country will be three or four years behind in the production of many essentials, and necessarily some time will elapse between the shut down of war production and the resumption of peacetime output. By disposing of the property as rapidly as it becomes available, the government will be able to get a good price—which won't make the taxpayers sore.

That which can't be disposed of in this country can readily be sold abroad after war's end. Mr. Clayton is optimistic about the ability of some countries now prostrate to stage a comeback as consumers of American goods. France, for instance, will be ready with between three and five billion dollars in cash and liquid assets for rehabilitating her wrecked industry. There is no disposition in Washington to give anything away, but it may be necessary to arrange loans until Europe can get on its feet. Some surpluses are already visible, but authority to declare a surplus rests squarely with the army and navy. Only they are qualified to decide.

Civil Service Man Asks For Workers

To replace men leaving for battlefronts, Max C. Winkler, local civil service representative, issued an appeal today for laborers, clerical workers, dental assistants, draftsmen, medical technicians, etc. for civilian federal employment at Hampton Roads, Port of Embarkation, Newport News, Virginia. Details may be had by inquiry at the US Employment Service office.

The strength, the solidarity of the country to a definite degree menaced by this thing which is being done at a time when we are at war, but it threatens the success of an experiment which we are attempting in this country which has never before succeeded; that of trying to have two substantially dissimilar races live side by side in large numbers in the same communities.

power in the house—the Texans stick together. Almost all the 21 members were present, including Speaker Sam Rayburn, of whom everybody speaks well as a great leader. Ewing Thomason of El Paso is chairman of the Texas delegation. Members usually bring a guest along, and I was Sam Russell's. Mr. Kessler of Abilene was also Sam's guest this day.

Some of the Texas members look like mere kids. Lindley Beckwith is the youngest, but Gene Worley isn't far behind. Contrary to some opinion, these congressmen take their jobs seriously and their responsibilities weigh heavily upon them. Just now there's an election on, and this adds nothing to their peace of mind. Many of them have opponents. Their physical presence is here in Washington, but their thoughts and their souls are back home. They don't know what the people are going to do with them, what the reaction is going to be, and it has them worried.

The nature of the peace will have much to do with the volume of disposable surpluses. If, as seems likely, the United Nations work out some form of peace, it will be possible for the United States to get rid of a lot of goods. If, on the other hand, cessation of hostilities is followed by several years of uncertainty or an inconclusive and uncertain peace, the United States will be forced to maintain a strong military establishment, which will mean fewer disposable surpluses.

For that reason no one can say now how much of a surplus there will be, but as fast as goods are declared surplus and no longer needed, the policy will be to shove them on the market and clear the way for resumption of peacetime production as soon as possible after the war. These weekly gatherings of Texas house members are unique. The custom points up the reason why Texas always packs a lot of

To keep the edges of bacon or smoked ham from curling while cooking, cut 1-4 inch notches with scissors, in L.e. edge.

Livestock Judging Events Are Slated At Garner, Coahoma

Two additional livestock judging events, at Garner and Coahoma, have been scheduled by O. P. Griffin, county agent, after expression of interest by boys' 4-H clubs in those communities.

Judging will be conducted at Garner May 10 and Coahoma, May 11. Judging was conducted recently at Vealmoor.

Griffin is encouraging formation of a county team to participate in livestock judging contests.

4-H boys are being asked to pledge before judging that if within in the three highest they will take part in county events to be held later. The best livestock available will be used in the county contests, in which a team is to be chosen.

Method of judging in the community contests is to rate general appearance of animals and conformation, mammary development if judging dairy cattle, and fleece if sheep, then to summarize judging by placing animals in classes.

CARD OF THANKS

I wish to take this means of expressing my sincere appreciation to the ladies who assisted in the store, for the beautiful floral offerings, and for the many other

kindnesses shown at the death of my husband, Russell Maynard Purdy. May God's blessings rest upon each and every one.

Mrs. Wilma Purdy. (adv.)

Federal Tax Men Make Collections

Several pocketbooks were flatter when two internal revenue deputies left Big Spring Friday after spending several days here. The deputies closed approximately 75 cases which they had been asked to investigate in Big Spring, and collected additional income taxes from approximately one-third of that number. Remainder of the delinquencies were concerned with failure of persons to submit withholding tax records and other cases involving records to reconcile amounts of taxes paid with items listed on returns. Approximately 125 additional investigations are scheduled in Big Spring. They went to Coahoma to spend the day and will go to Odessa Friday night. The deputies will return later this month or next month.

Removal Of Racial Lines Church Aim

KANSAS CITY, May 5 (AP) — Methodists declared today that they hope for ultimate "elimination of racial discrimination" within their church after they had been told that labor unions were going further in stamping out racial discrimination than any Protestant church in the United States.

Kentucky Derby List Has 19 Noses On Line

LOUISVILLE, Ky., May 5 (AP) — Nineteen horses were entered today for tomorrow's 70th running of the Kentucky Derby, one filly being listed at the last minute after 18 of the expected entries and one other surprise name had been dropped into the box along with the \$500 starting fee. If all 18 face the barrier about 5:15 p. m. Central War Time, tomorrow, it will be the richest of all derbies with a gross value of \$87,700 and \$66,200 going to the winner.

The continuous rain indicated that unless the sun and wind do yeoman work during the next 24 hours, the track will be muddy for the first time since Clyde Van Dusen won in a rain storm in 1929.

Colorful Vegetable Platter

An attractively arranged vegetable platter of parsnip potatoes, glazed carrots, asparagus, and beets make a tempting and colorful dinner, but make certain that the vegetables retain their fresh appearance and flavor by using porcelain enameled utensils. None of the flavor or value can be "soaked up" by enameled ware.

Grain Bins To Be Available

Announcement that grain bins are available through the county AAA office was made Friday morning by M. Weaver, administrative assistant, who expressed belief bins would be of interest to numerous farmers in view of the fact between 80,000 and 100,000 acres of grain sorghums are expected to be planted this year in Howard county. The AAA office will take orders from Austin either by train or in cattle trucks. The bins are 14 by 16 by 10 feet 4 inches and are rated at 1,843 bushels each. Each bin contains approximately 2,500 board feet and weighs 6,500 pounds. Further description may be obtained at the AAA office.

Should farmers find it advisable to hold part of their grain, storage space would be necessary before they could obtain a government loan of \$1.70 per hundred pounds. Price of sorghum grain was higher than the loan last year and farmers might consider storage advisable only if the market should be flooded and prices drop.

Body Of Woman Found In Trunk

LOS ANGELES, May 5 (AP) — The body of a woman, police said, was found today in a trunk shipped from Chicago to the Railway Express company office. The trunk was taken to the morgue where the torso was to be examined. Investigators said they had not yet determined by whom or to whom the trunk had been shipped.

Daughter Of Stanton Couple Dies Thursday

Mary Helea Schuelke, 1-year-old daughter of Pvt. and Mrs. O. D. Schuelke, died at 3 o'clock Thursday afternoon at her parents' home in Midland. Pvt. and Mrs. Schuelke lived in Stanton before Schuelke entered military service and services will be conducted at the original home in Stanton. Time had not been determined at noon Friday. Nalley Funeral home is directing arrangements. Survivors beside the parents include a 5-year-old brother, Charles M. The father is stationed at the air field at Midland.
