Brrr! This last winter chill sure goes to your bones. Just thankful we didn't have any ice to deal with. Sure hope the weather forecasters are right and mild weather is on the way.

Last Wed. I droved to Amarillo and met my mother, Carol Orthman, and my brother and sister-in-law, Keith and Karen Sorensen, all of Dumas for dinner.

We ate dinner at Furr's cafeteria and then drove on to Hereford to visit a little with Jessica and Jamie Kapka and Emily and Aaron and Lori Sorensen at the Kapka residence.

We all attended Zelma "Nanny" Warrens funeral. It was at 3:00 p.m. and wind was already, colder and the clouds getting darker.

After the funeral we stopped by the home of Jim and Alice Ash for coffee and a short visit.

Had thought about eating supper together in Amarillo. But before we got to Amarillo, ran into some pretty heavy blowing snow. Big beautiful flakes. So I chickened out, offered a rain "snow" check and stopped to get gas. We all decided just to head home.

The Dumas family members ran out of the snow after they crossed the Canadian River bridge and topped the hill. The snow had left about an inch of the white stuff, but roads was good.

I ran out of the heavy stuff by the time I got to Panhandle. Had some flurries all the way to the Celanese plant. But roads were good.

Sorry, I got some information wrong last week. I hope Tommy and Nicole Fletcher will forgive me, for having him married to someone else. Tommy's wife is Nicole, not Rachel. And Tommy and Nicole have a beautiful son, not a baby girl.

Tommy and Nicole's son, Adam Trey, will have alot of fun growing up with his cousin, Marcus Andruw Fletcher.

Grandma Frankie Fletcher and Grandpa Clif Fletcher are very proud of these sweet boys.

Frankie is doing much better. She is at home with her parents for a while. Doing better every day. Her progress is very impressive. Keep up the good work Frankie. Your in our pravers

Notes from Vance's wife:

The beautiful iced over wonderland we had a few days ago really made me homesick. In Indiana where I grew up and lived most of my life until 1979, we had beautiful snows. Many times in January the schools would be closed and the streets were impassible. That made for a good family time! We bundled up til we could hardly breathe and out came the sled. Marsha and Linda would take turns pulling the little ones, Melissa and Michael all around the neighborhood. Then they would all work together to build a gigantic snowman and after he had his hat and carrot nose he would need a wife and next some kids and of course it takes a dog to complete the family. Marsha could build a great snoopy! By then some neighborhood kids would start drifting over and help build an igloo and forts and always there would be the snowball fights. What fun! My favorite thing was to make lots of snow angels! Well maybe there was one other thing I liked better. Because when we were all about frozen and tired out, in we would go. Dry all and change and have some hot homemade chocolate with marshmallows. Yummy! Yummy!! for the tummy! When we were all warm and toasty and telling stories. I'd skip out back and find some deep white snow, that had not been yellowed and take in a pan full to make snow ice cream! That was my favorite thing to do. We all loved it. That was some of my dreams of yesterday. Yes, those were good ole days in Indiana, when my children were growing up. Happy memories!

A week or so ago we skipped town. That's Vance and Carol. The plan had been to go to Oklahoma City, Oklahoma and visit Curtis and Lil and take in a revival (3 day) at Southern Oaks. That's when Mother Nature changed our plans. The ice came, the electricity was gone. The old gray goose was iced in and the doors wouldn't even open and there was no heat at our house, so we just crawled back in bed and kept warm. Retirement gives you so much freedom. Keep on working hard and before you know it, you'll be living the good life! Senior discounts and all. Hurrah, the lights came back on, the home was warm again and an aroma of hot food again! We sure did thank the Lord and asked him to bless the faithful workers who get right out and brave the cold to help us to be comfortable.

On Friday, we were finally on our way to Oklahoma City. Hip, Hip, Hoorah! Got there just in time to hear a wonderful sermon by the annointed vibrant Rev. Daniel Lewis of Call, Texas. Aren't we as humans, a little questionable in what we do sometimes? Like traveling from Texas to Oklahoma to hear a Texas speaker.

Of course there was more to our trip. After service, we attended a fun time party in honor of our beautiful talented granddaughter, Anthea, six years old already. The family gathered around her and sang and she blew out all of her candles, but didn't share her special wish with us! Wonder what a six year old wishes for? I should remember, Its only been sixty-two years ago. Anthea graciously thanked everyone for coming and expressed how much she liked all her gifts. She was especially interested in a learning computer from Poppy Dale. She gave us a mini concert on the piano. Little sister, Eliza, tried to steal the show by trading dolls with Anthea and putting on her tiara, her backpack and wristwatch and dancing around like they were her own. Then the three year old announced "I already had my birthday and this one is my sissy's."

Next morning, Vance and Carol found their way to Tecumceh, Oklahoma. There Vance picked up his permanment teeth! Yes, it's not just that he's so handsome and looks ten years younger, but he can eat real food again. Wonder how long it will take him to gain back the forty pounds he lost? Maybe he won't because he said they pulled his sweet tooth and I believe it! He was sugar everything now he sometimes doesn't even leave room for dessert. Time will tell. Saturday afternoon, we found ourselves back at Southern Oaks U.P.C. where our friends, Glen and Bobby Watson listened to Bro. Whalen and Bro. Parker, as they renewed their vows after fifty years of marriage. Golden bliss! Too few reach this time these days. They were honored by many friends and relatives in the fellowship hall for a beautiful and delicious reception. Slides were delightfully enjoyed by all, as the couple's life from when they were young and had their family. Right up to the day it was displayed. It was a great way to share their happiness. The day didn't end there. Vance and Carol were on the road once more heading east on highway 40 and north on highway 75 at Henrietta. On to the home of their son, Kevin. There, Kevin and Theda had planned a real blowout for four year old Chelsi. Papa Vance's pride and joy! Even though he has many now, Chelsi was his and Caroline's very first granddaughter and beautiful as she is, she will always have that special place in Papa's heart. Chelsi's birthday party was well underway when we arrived. She had many friends traveling back and forth from her playroom to the kitchen and an occasional stop by the bathroom. And most of their parents were eating and having a great time. And there were two proud and loving grandparents, Theda's parents, Carolyn and Ted Beasley, with little Adria the newest beauty added to the home. With all of this, Chelsi was anxiously awaiting the arrival of Papa Vance and Grammy Carol. Papa and Grammy were excited too as they finally arrived! Busy Chelsi found time every now and then to run to Papa Vance who was always ready for her attention! And Grammy Carol ever so happy holding little Adria until she needed changing and then she was turned overto Papa Vance. Daddy, Kevin, informed us his Dad hadn't lost his touch since he first changed Chelsi. And of course he got his practice years ago with those special sons, first Kevin and then Kyle. Nowadays, he often brags of his three sons and three daughters and tons of grandchildren and even some greats! Chelsi received many gifts and hugs and had a beautiful Barbie Cake. When all had been hugged and thanked and left for home except for Papa Vance and Grammy Carol everything settled down quite a bit. Momma, Theda, found a moment to breathe after such a busy day and she held her sweet baby, Adria, close to her for a little while. What joy. Chelsi was keeping Daddy and Papa entertained with her new Cootee Bag Game. Calling their expertise to take the parts all apart and put on the peg board and then to play a game. Charming Chelsi entertained us with her Terrie - Okie machine. She has a beautiful voice. It had been a very busy day for all of us so we retired for the evening. I, so enjoyed kissing sweet Chelsi goodnight and tucking her into bed and assuring her we would still be

with her when morning comes. We slept well, so happy to be with our kids.

Morning came. All were rushing around eating hot biscuits, rolls and other food. Kevin and Theda had to be at church early to practice singing. They all dressed up so pretty. It was a special day for baby Adria! Both sets of grandparents there for her dedication to Jesus. We felt so blessed to be able to be there and be a part of her most important day! We all celebrated with a lovely dinner and fellowship at AppleBees. Then we said goodbye and headed back to Oklahoma City where we attended service and heard a very annointed message from God through, Bro. Parker. Love should be the main drive in life and God is love!

Later, we enjoyed a good ole game of spinners with Curtis and Lil. Theirs is the very best "Bed and Breakfast" in Oklahoma City. Don't tell them we told, Ok? We really miss them when they are gone from Allison.

Sometime, we squeezed in a visit with Aunt Anna and cousin Belvadene Buol in Norman. We enjoyed being with them. Gave Vance a chance to catch a quick nap while we girls chatted. And we also stopped by the home of a dear friend, Professor James to Valeetah Mayfield, 1-3-05, Lot Hamilton Abbott, Alius Kevii 4, Blk. 2, Vise Sub. Div., Wheeler. James. Time to head back to Allison Home Sweet Home. Arrived just in time for Tuesday night service at the Allison United Pentecostal Church. Brother McDaniel still has it. He brings us some really uplifting messages. It is always good to be back home. Several of us enjoyed ar abundantly good meal at the Senior Cizizen's at Reydon, Oklahoma Friday evening. Nelda Dukes and Juanita Boydston accompanied us over there. We really enjoyed their company. This Thursday there is going to be another meal served at Reydon, Oklahoma Senior Citizen's Building from 4 to 6:30 p.m. Seniors pay \$3.00 there or \$3.50 to go. Fifty-five and under

Dessert and tea, coffee or water is included. You all come if you can! Help support activities in our communities!

Guess that's about it for Vance and Carol this time. We have enjoyed spinners with Mom and Juanita and Glenn and Betty since we've been back. Louise has been too busy with her own doings but we did get to visit her and Pearl and enjoyed some popcorn and peach cobbler one evening and enjoyed some good music from Louisana Camp meeting,

We've got to get around and see our new great-niece, Adrianna. Got to find out when's a good time for those proud parents, Robert and Jamie Goldsberg. There will be a

Orleans, Louisiana and met Ray's brother, LeRoy, and Laverene Hudson from Arlington there. They especially enjoyed being together and visiting and playing cards and the big D-Day Museum. Except Laverne and Glenda both got very sick about the time they started to come home on Monday and Tuesday, Jan. 10 and 11. Glenda went to a doctor in Wheeler three times, but is still very sick with fever and coughing on Saturday, Jan. 15 and very weak and unable to eat much. Pray for them. Glenda is some better.

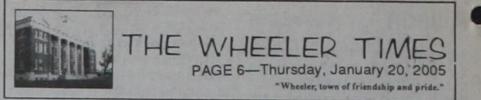

Glenda Hudson's granddaughter, Allison Graddy, of Wichita Falls is involved in many things. She got to go with the Show Choir to see "River Dance" at Oklahoma City Saturday. The Show Choir has also earned a trip to Branson, Missouri on Spring Break. Allison, a fifth grader, also plays on a basketball league and rides horses when she gets a chance. Her mom, Jennifer Grady, is office manager for River Bend Nature Center, and plans to go back to college two days a week for more training in the medical field.

Cheryl and Jeff Fraley and Steven were weekend visitors to Sonya Hudson and Patrick and Rodney and Keri Hudson and Hayden and Kailey. Rodney's family have found a house in Allison and have started moving some things in. Yea!

Nice to have a phone call from Erma Riley at Tuttle, Oklahoma. She is doing all right. Has gone to church there a few times when not too cold. Many sweet people there. She still misses Ed after all those years and her friends here. She hopes to come back and visit some time when she gets a little stonger. Erma had enjoyed a visit from her son, Bob, and wife, Gayle, and a phone call from old friend, Janice Jaco Marrs, from Moore, Oklahoma.

David and Rita Pearson visited Ken and Lindsey Criswell and Blain and Dagen in Canyon over the weekend. They all ate supper Saturday night at Furrs. Sunday Dave and Rita kept the boys awhile so Ken and Lindsey could go on a date and eat out, and see a movie.

When Jesus was here on earth, he told many stories about down to earth things to explain heavenly things. As we get older we get discouraged that our minds and bodies, backs, fingers, legs don't work as well to do the things we would like them to do. But you don't drive a car 70 miles an hour without slowing down for corners and intersections. Our bodies are slowing down for the biggest crossroads of our lives and we learn to compensate with canes and walkers and scooters and helpful people. Enjoy the scenery. God be
