

Briscoe/Mobeetie/Allison Wheels For Life Is Sept. 18

The Briscoe/Mobeetie/Allison "Wheels For Life" Bike-A-Thon will be held on September 18, 2004, has been announced by St. Jude Children's Research Hospital. Coordinator for this year's event is

Mrs. Pam Jones who encourages all residents and businesses to support this community effort.

The increase in the overall survival rate of children with cancer from 30% to 70% has been made possible through research. The funds from events like the Briscoe/Mobeetie/Allison Bike-A-Thon make that research possible. The citizens of Briscoe/Mobeetie/Allison work hand in hand with the researchers, technicians, and doctors at St. Jude Children's Research Hospital to provide treatments and cures for children of catastrophic diseases.

St. Jude Children's Research Hospital is internationally recog-

nized for its pioneering work in finding cures and saving children with cancer and other catastrophic diseases. Founded by the late entertainer, Danny Thomas, and based in Memphis, TN, St. Jude freely shares its discoveries with scientific and medical communities around the world. No family ever pays for treatments not covered by insurance, and families without insurance are never asked to pay. St. Jude is financially supported by ALSAC, its fund-raising organization. For more information, please visit www.stjude.org. To participate in this event or for more information, please call Mrs. Jones at (806) 845-2019.

Farmer's Market Closes; To Open Earlier In 1905

The summer of 2004 Wheeler County Farmers' Market has closed. We plan to open the summer of 2005 on Saturday mornings starting June 4th.

I would like to thank everyone that made the market a success; that includes Mayor Wanda Herd, Claudine Finsterwald, and the other guys at the city office, Louis Stas who came down and took pictures, all our customers, and all our vendors. We had 15 different vendors from Wheeler, Shamrock, Mobeetie, Briscoe, Allison, and Kelton. The most vendors at one time were seven. Our goal next year is to eventually have 2 rows of tables under the city park shelter. We also plan to have some announced activities such as biggest watermelon contest, recipe exchange, seed exchange and longest back-eye pea contest.

We in the Wheeler Farmers' Market Growers Association would

like to extend an invitation to anyone that would want to grow a garden or plant a bigger garden next spring and come down to the city park and join in the fun. It has been a good experience for all, and we seem to have gotten everyone involved from retirees to young kids.

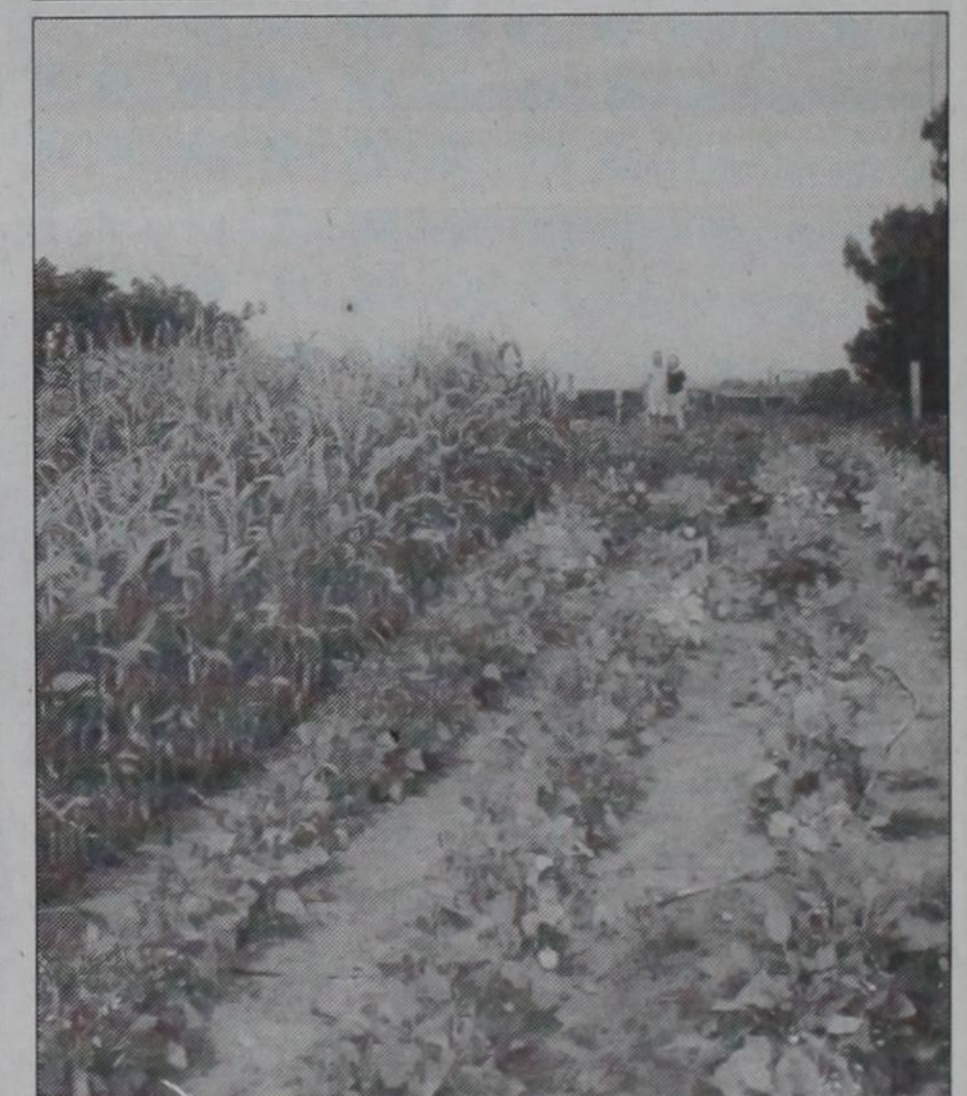

Thanks again and see you next summer.

Baptist Anniversary Is Enjoyed By All

... from Country News

There was a big crowd out to Wheeler Baptist Church Saturday night for finger food and visiting. And a house full on Sunday. Good to see many returning preachers and song leaders and families and members who had moved away. It was a lovely day with three worship services at 10:00, 11:15 and 2:00, all staffed by ex-members. Preachers Dale Cain, Rev. Robert Morgan, and Rev. Stanley Baker. Singing were Larry Tracy, Jerry Davis, Randy and Tammy Rives and Emily and Ryan and Pam Arganbright. All was well organized and very good. Sylvia Shuler still played the organ and Joetta Sword, the piano. All the musicians bragged on them. Interesting to hear their stories of earlier years and their challenging messages. Dr. Larry Heard was also there and spoke. He said in the past 23 years Wheeler Baptist Church had baptized 367 people. Good to see Sylvia Shuler's brothers Phil (who also sang) and Herbert Smith and most of Sylvia's children and grandchildren there. The delicious noon meal was catered by Maxeys. Members brought desserts. It was a good day! May God be glorified!

NICE GARDEN: Chester and Vivian Jones are shown here with part of their 2004 garden. Chester was responsible for having gotten the Wheeler Farmer's Market opened and plans on having a larger garden next year.

BIG WATERMELON: Charlie Sullivan proudly shows his prize watermelon. It tipped the scales at 95 lbs. It was harvested too late for them to take it to the Farmer's Market. The Sullivans were regulars at the '04 Farmer's Market.

Sincere sympathy to family and friends of Jim Greene, 67, of Pampa in his death from a lung disease. Funeral was Tues. Sept. 7 at Central Baptist Church. Jim was a County Commissioner for several years and very active in Cowboy Church and Central Baptist Church. He was married to Kathleen Dodd. A fine man.

Tuesday August 31 good crowd out to Wheeler Care Sing-a-long, and message. Rosalie Keelin played the piano good. Enjoyed it. Betty Husted led singing and Earl had a message. They also prayed for each one. It's always good.

I enjoyed eating lunch at Mel's with Irene Rogers and friend Mary Beth Guy. Who is visiting Irene and is from Ponca City. After Tuesday Sing-a-long and church at Wheeler Care Center.

Jimmy Walker from White Deer always visits his dad, Pierce Walker, at Wheeler Care Center on Tuesdays and takes him out to lunch. Maybe other days, too.

Wheeler Baptist Golden Agers and friends are meeting Thursday Sept. 16 at noon for delicious potluck meal and visiting and program. You are invited. Come and bring a friend.

Nice to visit with Tooter Helton at the Post Office. He looks good and said his parents, Tom and Alice Bell Helton are doing real well. They each have a new motorized wheelchair. Makes it easier to go to the cafeteria at the Craig Retirement Center. Tooter was in my room first year I taught school at Briscoe in 1942. He is still a nice looking fellow.

Everyone is invited to a baby shower for Dallas and Krystal Fillingim's baby that is expected about Halloween. The shower will be at Briscoe School at 2:00 p.m. Saturday Sept. 18. They chose not to know whether boy or girl until delivery. So anything will be helpful.

some things. I started out doing exercises sitting and moving arms, legs, feet, hand, head, etc. But I got tired before they did. Sure shows I am out of shape. Cherry has a good voice and they tried to follow her instructions.

Nice to have Lessie Austin play dominoes with Willis and me Saturday afternoon. She said she and husband Whiz, deceased, used to play 42, with Doyle and Bulah Grimes. But Willis is pretty sharp—he beat us both.

Happy 67th wedding anniversary to Ray and Mae Brazeal on Sunday September 5. They celebrated by going to the Centennial Celebration at Wheeler Baptist church and enjoyed all the beautiful music and messages and delicious lunch.

Ray Brazeal and Mae Neeley were married September 5, 1937 at Mae's mom and dad's house at Sanford near Fritch. They raised their family there: Cindy Johnson from Dallas, Shirley Horton from

Brenham, Ann Ellison from Wheeler, and Son Jimmy Ray at Sanford. Ray and Mae are faithful members of Wheeler Baptist Church except when they are gone. Pleasant, friendly people. Happy Anniversary and many more.

Nice to visit with a man who said he used to work for Barbara (Allison) Koelzer's dad when she was maybe 8 years old. The guys found new born twin antelopes and brought them home. Barbara and her sisters enjoyed feeding and cuddling them. Eventually as they grew the girls could ride one of the antelopes, but not the other. He was Tammy Rives' dad, Mr. Hanna.

Pray for Lou Dean Douthit. She is still awfully weak. Think she has home health care to check her vitals and help out. Billie Stuckey went home to Roaring Springs. Peggy North has been helping some.

Sorry to hear little McKaylee Swift has been ill and was air-lifted to Dallas to a hospital and is in ICU with respiratory and kidney problems and other. She is the daughter of Ty and Christina Swift and the granddaughter of Bob and Zedell Swift and Bob (and Mrs.) Rowley. Addie Swift is a great-grandma. Remember them in your prayers. McKaylee is out of ICU and some better now.

C. B. Brotherton and Doris Finsterwald went to Yukon Friday and visited Gary and Kathy Brotherton and Ryan and Janae and Adam. Wheeler Church of Christ

Matthew 25:36 is in the middle of a bigger story from Jesus on how we will be rewarded for looking after others. In this list of a variety of good things we can do for those whom we may not even know, he throws this one in: "I needed clothes and you clothed me." It is the time of year for our Annual Clothing Give-Away. On Saturday, September 18th beginning at 9:00 a.m., we will open up our Multi-Purpose Building to anyone who might need some nice clothes for free. For those who have a need, this is a great service. For those who have clothes that they want or need to give away, here is an opportunity to clean out those closets.

Many of the ladies at the Church of Christ in Wheeler will dedicate a lot of their time in these few weeks before September 18th, organizing the

Multi-Purpose Building, sorting things according to size and style. It is a large undertaking but it is a wonderful service opportunity. I know that these ladies also just enjoy being with each other.

And if you are wondering what happens to the clothes that are not given away after Saturday morning, please know that good things will continue to take place. In the past few years we have bundled up all that was left over (a very full truck-load) and taken them over to Goodwill in Amarillo. This year, however, I think that they will be taken to the Tipton Home for Children in Tipton, Oklahoma (they have a clothes closet that is open every day to any of the children at that home). Good things will take place, and this is your opportunity to help in some of these good ways.

MOBEETIE NEWS

By: Sue Mayfield

Praise the Lord! Allen Snapp of Pampa got the call for the green light on his liver transplant about 3:00 A.M. Saturday August 28th.

Of course the family was excited that Allen's surgery could go forward and restore his health. But the down side is usually that another family is grieving the loss of a love one. Our sympathy and admiration goes out to that family. Many of us find it difficult to share the gift of life for someone else at a time like that.

Thanks to the generosity of the Leverich family in Pampa, Allen and his wife were in Dallas around 6:00 A.M. The Leverich's made available their plane and pilot for just such a call. This act of kindness was deeply appreciated and will long be remembered.

The surgery went well and by Monday A.M. the Drs. were very optimistic.

Our sympathy goes out to the family and friends of Thelma Chamberlain.

Congratulations to Steve and Krista Marshall of Plainview, TX. They are awaiting the arrival of their first child, due in January. Very happy grandparents to be are Darrell and Maggie Marshall and Kyndal and Kathy Murray all of Wheeler. (#7 for Darrell and Maggie and Kyndal and Kathy's

first experience as "Grandparents". How great!!

Our deepest sympathy to Dr. and Mrs. Chris Eddens in the death of Mrs. Eddens brother Thursday at College Station, TX. He was only in his 40's, but had a heart attack. So young!! Dr. Eddens and his family left Friday to be with the rest of the family.

This has been a sad week around here.

Our condolences to family and friends of Bonnie Scribner of Pampa. She will be greatly missed. Bonnie and Lawrence "Mutt" had lived in Mobeetie several years before moving to Pampa. But have lived in Pampa since the early 50's. Lawrence passed away in 2001. Their daughter Becky is married to the other Jeff Mayfield in Pampa.

Bonnie is survived by two sons; Myron Scribner and wife Helen of Haslet and Billy Scribner and wife Cathy of Pampa and a daughter, Becky Mayfield and husband, Jeff of Pampa, seven grandchildren and four great-grandchildren.

Bonnie is also survived by four sister Edna Tosh and Juanita Powell of Pampa, Audrey Powell of Decatur and Ann Moyer of Paradise, TX; also two brothers, Bill Alexander of Amarillo and Carl

Alexander of Ella Cott, CO.

Services were held Friday, September 3, at the First Baptist Church of Pampa with burial in Memory Gardens cemetery.

Our sympathy to Gladys Richardson and family in the death of her sister, Ethel Loftis of Graham, TX.

Venita and Glenn Weiss of Shamrock, Leola Stuart of Mobeetie and Ruby Brown of Borger traveled together Friday to Graham to be with the family.

Services for Aunt Ethel were to be Saturday.

Friday I had a pleasant visit with Mr. John Tabor of Madison, Alabama. Mr. and Mrs. Tabor were on their way to Bovina, TX for Mr. Tabor's class reunion. Decided to take a detour and revisit Mobeetie.

Mr. Tabor went to school here until 1943. His father, Emmert Tabor, had a barber shop down here on Main street when every building had an active business in it. I had very little information for him.

He is very interested in being able to contact with any of his old friends that remember him. He would be happy to hear from all of you. Or from anyone that can give him any information about Neil (Cornilloies) Herd, Charles Waters and C. E. Trimble are just a few names I remember him mentioning.

If you would like to contact John his address is John Tabor, 141 Arakian Dr., Madison, Alabama 35758. He is anxious to renew old friendships.

John is retired from IBM.

Please keep McKaylee Swift in your prayers. She had this misfortune of falling off of a horse. Then Friday was having some problems that needed to be checked out by her Drs. in Dallas. They flew McKaylee out Friday evening. Last reports were very encouraging.

Bless McKaylee's heart. She's a brave little sole, has had many hills to climb in her young life. She always comes out with that beautiful smile, cheerful, little laugh that makes anyone smile.

Good luck McKaylee. Hope to see you at home very soon.

Saturday was a great day for a parade to kick off a great weekend.

Thanks to Jackie Don and Kellie May for organizing the parade and especially to all the participants. Ya'll did a good job.

The Mobeetie City Council sponsored a big free hot dog dinner at city hall at the City park. Many thanks ya'll. It was a great idea, very well received.

"Wheeler, town of friendship and pride"

A special thanks to Tina and Terry Whitely of Pampa for all their contributions and help.

All the council members but one were there to do their share and meet the community. Great job ya'll! Thanks!! Everyone enjoyed lunch and a good visit.

The highlight of the afternoon was the presentation of a plaque to Wanda Estes honoring her for her service and dedication to having organized the parade for 25 years. An award as a small thank you for all she's achieved with each group in mind.

Paul Hathaway was the parade announcer and MC'd the afternoons festivities and read the list of parade winners and Kellie May presented plaques and ribbons.

Joe Shelton and Gina Seitz were photographers for the day.

The Mobeetie Volunteer Fire Department sold ice cream by the cup to cool everyone off at the parade and hot dog lunch. Yummy!

Wonderful to see Sgt. Jim Kephart home from Ft. Hood TX for a brief visit this weekend. A nice surprise for Patricia and Stevens holiday weekend.

The school was busy all afternoon with Alumni drifting in and out for a great afternoon and evening of visiting and reestablishing friendships. Different classes met at various places

throughout town for private get togethers.

Then they all met back at the school cafeteria and gymnasium for a delicious supper and quick ex-students meeting.

Several families brought their campers and spent a few days enjoying the camp grounds at the Old Jail.

Saturday night was perfect for any outdoor dance. Everyone seemed to enjoy the music and dancing.

Sunday everyone slowed the pace some.

The Corcoran families and the Sims families had their family reunions. Lots of fun, good food, pictures and catching up. A really great day.

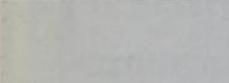

Monday dawned sunny and warm. There was a great crowd out for the Old Settler's Reunion and free B.B.Q.

Our compliments to all the chef's. The meat was very tasty and tender. Definitely no left overs.

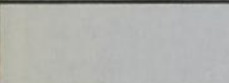

The Jrs. and Srs. from Ft. Elliott had plenty of drinks available for everyone and delicious ice cream for dessert.

The Fort Elliott Boosters had a great auction of desserts. Thanks to all that made the very tasty treats. Choc cakes, Cheery Cheese Cake, Chocolate Pie, Italian

ALLISON NEWS

By Juanita Boydston

The View of a . . .
Southern Woman
Southern California that is.
Called my sister-in-law Rosemarie in California last week for a nice hour long chat to catch up on the latest news from home and family. We are more like sisters than in-laws so there is always a lot to talk about. She lives in the cute little town of Glendora nestled in the San Gabriel mountains near the nice little town of Covina where my youngest son Patrick lives. Now I am really homesick! Just thinking of those towns I have known all my life does that to me. I went to high school in Covina, never mind the year as it will date me to the first half of last century. Think I am getting old as my mind has started to roam around again. Poor Glenn Frosty Forrest!! Anyway, Rosemarie said, "Guess what? I got a new car." Well big deal, so did I, but she sprung her new car on me before I could tell her about mine. Neither one of us need a new one, but mine needed new tires as I told my daughter. Then I hear the familiar, "Oh, mother" out of her, but did need to trade it in before the mileage hit the ceiling and the way Glenn is putting the miles on it, that would not be long. I remember driving the new car at the dealership the day we bought

it, but do not remember driving it since. I have a husband that loves new toys and all the "bells and whistles" this car has on it, so now every time we are in a parking lot, he has to beep the horn and turn on the lights to find it even if it is not lost. Not even the church is safe from him and that remote control, but found out that others love to do that too. Probably when we get ready to trade in this new car we will be able to understand the instructions for the radio. Just maybe. What ever happened to the simple life. Turn on the knob and there it is. Now it is months of learning to control the things we have in this new computerized world.
Saw a bluejay take a bath in the fish pond and do not know how he survived the deep water and that monster bass that controls that water world. Also did not know that bluejays could stay afloat and take a bath. As soon as he finished and got out to shake himself dry, another one did the same thing. I am keeping an eye out for that roadrunner as my baby frogs are all over the place. Two frogs about the size of your thumbnail were on the patio this morning just hopping around like big frogs, but one hopped and fell over on his nose. Think he is out of balance. They have been out of the water for over a month and so tiny that I do not think they are Texas frogs. Could it be they are from across the border to the east? It took 2 or 3 months to get them from a tadpole to a frog but they are still so tiny

that I think they are small pieces of bark out of the flower beds.
Think after vacation I may need another vacation out west. Such is life for this homesick southern woman.
Love, Betty Boydston

MEET THE MUSTANGS

Mobeetie (from Page 4)

ian Cream Cake, Angel Food, Apple Crisp, German Choc. and even a Mud Slide Cake.

Thanks to all of you that made it such a great fund raiser for the Boosters. Each donation will help the kids.

Thanks to Paul Hathaway for auctioneering for the benefit of the kids.

Congratulations to Gordon Estes on having his name drawn for the fantastic picture by Liz Shipp. "Class and Dignity" will have a great new home.

The print was donated to the Houston Barr Medical Fund.

Houston got good news when he went to Amarillo for an MRI. The X-rays had everyone upset, but the MRI proved different. Praise the Lord!!!

It was good to see Holley McCurley home for the holiday. Nice to see Rob and Geniva Hogan home for the long weekend.

Donnie and Kathy Shorter had a busy weekend too. Saturday they hosted a big family get together and a delicious fish fry. 40 people were present.

Little Sawyer Newman had to have tubes put in his ears. Grandma Candee Newman and great-grandma, Nancy Shelton, went to OKC to be with Sawyer and his family on Thurs. Sawyer is only a year and half old. But came through surgery with flying colors.

Recuperation has been great.

You can't keep a good woman down. Sallie Adcock had a good checkup and has been busy every since helping get ready for this weekends festivities. It's great to see Sallie feeling better.

It was so good to see Pierce Walker of the Wheeler Care Center, son and daughter-in-law, Jimmy and Dorothy Walker of

White Deer and brother and sister-in-law, Kenneth and Vera Walker of Dumas, TX.

Pierce looks great and has been doing quite well. He will be celebrating his 97th birthday later in the month. (Sept. 20).

Jimmy and Dorothy were going down to their son, Randy's, on Tues. A.M. and were taking Pierce to see his grandson and family.

Pierce was really looking forward to the trip.

Pierce has had the distinction of being the oldest student present at the school reunion and also the oldest man at the Old Settler's Reunion for several years.

Pierce's hearing has really gone down hill the last couple of years. His hearing aides don't even help anymore. Bless his heart. But he enjoys company. His eyes aren't what they used to be to read much. But he certainly recognizes his friends.

Enjoy your trip Pierce. Lorene Rector had a very busy weekend and lots of company. She enjoyed everyone very much.

Thursday evening Bob, Carol Orthman and I met Donnie, Michelle and Courtney Reichel and Michael and Brianna Mayfield at Clinton, OK., so Michael and Brianna could come spend the holiday weekend. (They got to start their vacation a little early as the Yukon schools had a Teacher Training day. The kids were excited.)

Friday Granny and the kids took the wooden rocker to "the furniture Dr." in Pampa while I was at work. Friday evening Granny taught Michael and Brianna how to make a fleece blanket throw. So they have a blanket done for their niece, Bailey. Now they are anxious to make her a book.

Our poor little Bailey is just barely 7 mo. old and is fighting whooping cough. Please add her to your prayer list.

Tim, Jennifer, Erica and Jayden Mayfield came over from Pampa for the day on Saturday.

Michael and Brianna are always glad to get to be with the cousins. Michael, Brianna, Erica, Jayden and friends Dakota and Harley Jones all got to ride on the Post Offices Entry in the parade. They all had fun!

Dakota and Harley are the children of Kevin and Kandi Jones and grandchildren of Gaylord Thompson and Postmaster Pam Thompson.

Michael and Brianna always enjoy their visits and playtime with Dakota and Harley.

The Tim Mayfield family had to go back to Pampa early for a birthday party Saturday evening.

Sunday the Mobeetie Mayfields and Granny Orthman went to Pampa to see all the cousins, but Harley wasn't home. So on out to Uncle Tim and Aunt Jennifer.

We all went to the horse corral so Aunt Jennifer could give Michael and Brianna "riding lessons" on Superman.

All the kids had a great time, are fast learners and are ready to go again. Erica was showing them how to get Superman to trot. Jayden was more interested in practicing his roping.

Of course Grandma had to get lots of pictures.

Great having Kent and Caaron McNeely home from Houston. Kent had to fly back to work in Houston on Tues. morning. Caaron is staying to help her folks at the Tri-State Fair Stand. (Yup! that's just right around the corner.)

Our sympathy to the family and friends of Jim Greene of Pampa in his passing. He was very involved in Gray Co. and Pampa Civic things. He was a well known rancher and farmer. He will be missed.

Our deepest sympathy to Pam Thompson and the family and friends of Mae Pigg. She passed away Monday at the Wheeler Care Center.

Mae raised her family at Erick, OK, but spent the last several years at the Care Center to be closer to her daughter. Mae is survived by her daughter, Pam Thompson of Mobeetie and son and daughter-in-law, Wayne and Carol Pigg of Virginia.

Services for Mae are Wednesday at 2:00 P.M. at the Baptist Church in Erick, OK with burial at the Erick cemetery.

Dick and Ann Graham of Wheeler have been enjoying having their children and grandchildren visiting for the holiday weekend. Debbie and Chris from Denver, Colorado brought Jacob 6, and Mike and Stephany age 3 down to celebrate at the parade too. Dick and Mike (3) rode in the parade. You looked good guys! Dick's and Ann's son, Rick, and his friend Mike were here also.

Marvel Graham and Earl and Leola Farris really enjoyed the grandchildren and great-grandchildren. The Grahams and their company

got to come over and help celebrate with the parade and hot dog dinner. They also visited with John McGinty for a while.

Jim and Kay Batton had a busy weekend. Kay's brother, Mark Arrington, and his wife, Nancy, were here from Mesquite with their

youngest daughter, Kelly. Their two daughters, Darci and Evie, from Texas Tech were also there. On Saturday night they had a big party at Maxey's to celebrate Mark's "Sixtieth" birthday. They also celebrated Shannon's birthday and

DO YOU WANT TO BE SAVED?

Only one time, in the entire Bible, is the question asked. "What must I do to be saved?" (Acts 16:30). In the next verse (Acts 16:31) the question is answered, **"Believe on the Lord Jesus Christ, and thou shalt be saved, and thy house."**

Remember:

Hell's Hot
Life's Short
Death's Sure
Eternity's Long
and, "There Ain't No Exits In Hell."

NO MAN KNOWS, HOW SOON IT IS TOO LATE

"Thou shalt not take the Name of the Lord thy God in vain; for the Lord will not hold him guiltless that taketh His Name in vain." Exodus 20:7

Any way that you use God's Name, the Lord's Name, Jesus' Name, other than in a Holy manner, is taking His Name in vain.

"For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life." John 3:16

Acts 2:21 and Romans 10:13 indicate that, "whosoever shall call upon the name of the Lord shall be saved." In the next verse, Romans 10:14 it says, "How then shall they call on him in whom they have not believed?" Believing precedes calling upon the name of the Lord. Jesus Himself said in John 14:6 "I am the way, the truth, and the life: **no man cometh unto the Father, but by me.**" God reaffirms this truth in 1 Timothy 2:5 saying "For there is one God, and one mediator between God and men, the man Christ Jesus." When someone says "repeat this prayer after me to be saved" it is making people feel like they have to "do" something to be saved, other than **believing**. If someone is asked to say a prayer to be saved, the person who says the prayer is still on his way to hell, after repeating the prayer, if he hasn't believed in his heart. Nowhere in the Bible is it found that a person has to pray a prayer to be saved. God does not hear a prayer unless you go to God in the name of Jesus Christ, **The Only Mediator between God and man.** Jesus Christ is not your Mediator unless he is your Lord and Savior. So according to God, the steps are, first, you **believe in Jesus Christ as your Lord and Savior.** By believing as Acts 16:31 indicates, you are **saved!** Acts 16:30,31 is the only time in the Bible where the question is asked, "What must I **do** to be saved?" God answering through Paul said, **"Believe on the Lord Jesus Christ, and thou shalt be saved."** By being saved, Jesus Christ is your Lord, Savior, and Mediator between God and yourself. Now you can pray to God, because you have the Mediator, Jesus Christ.

I believe that when a person "prays" to God, without being saved, his prayer goes no higher than the ceiling, and God probably says, "Who do you think you are, to think that you can come to Me, without coming to Me in the only possible way that I have set out in My Word? For you come to Me, through My Only Begotten Son, Jesus Christ, the One and Only Mediator between you and Me." You don't just pull Jesus Christ out of the air, and say today I want you to get me to God, be my go-between for God! It doesn't work that way. Jesus Christ is either your Lord and Savior, making Him your Mediator, or, if Jesus Christ is not your Lord and Savior, He is not your Mediator, I believe it is very important to stress that you are saved by **believing only.** John 3:16, probably the most quoted verse in the Bible, says that, "whosoever **believeth** in him should not perish, but have everlasting life." Again, this passage clearly prescribes believing, not repeating a prayer. In John 3:4, Nicodemus asks Jesus, "How can a man be born when he is old? Can he enter the second time into his mother's womb, and be born?" He was asking this in regard to Jesus' statement in John 3:3, that a man needs to be born again. Jesus' answer in John 3:5 and following is "Except a man be born of water and of the Spirit, he cannot enter into the kingdom of God." Nowhere does Jesus say, pray to be saved, it is **always believe.**

Years ago, I heard Dr. Donald Grey Barnhouse say "I'm deeply offended when I hear a prayer that does not end with the idea that God must be approached only through the Name and the Being of the Lord Jesus Christ." Ephesians 1:13 says "In whom (Christ) ye also trusted, after that ye heard the word of truth, the gospel of your salvation: in whom also after that ye **believed**, ye were sealed with that Holy Spirit of promise." Romans 10:9 tells us "That if thou shalt confess with thy mouth the Lord Jesus, and shalt **believe** in thine heart that God hath raised him from the dead, thou shalt be saved." For with the heart man **believeth** (first) unto righteousness; and with the mouth confession (next) is made unto salvation." How many people have gone to hell or are going to hell by putting their trust in the ungodly "pray the sinners prayer" or "repeat this prayer after me", instead of **believing** John 3:36: "He that **believeth** on the Son hath everlasting life: and he that **believeth** not the Son shall not see life; but the wrath of God abideth on him."

Luke 23:39-43 tells us "And one of the malefactors which were hanged **railed** on him, saying, If thou be Christ, save thyself and us." But the other answering rebuked him, saying, Dost not thou fear God, seeing thou art in the same condemnation? "And we indeed justly; for we receive the due reward of our deeds: but this man hath done nothing amiss." And he said unto Jesus, Lord, remember me when thou comest into thy kingdom. "And Jesus said unto him, Verily I say unto thee, Today shalt thou be with me in paradise." In these verses in Luke, we see that a man was saved by believing only. The malefactor did not, and was not instructed by Jesus, to pray, to receive salvation. He said unto Jesus, "Lord, remember me when thou comest into thy kingdom." And Jesus said unto him, Verily I say unto thee, today shalt thou be with me in paradise. **You don't fool Jesus.** Jesus **knew** that this man **believed** in Him; that this man **believed** that this Jesus that he was talking with was the Lord, The Messiah, the Only Begotten Son of God, the Savior, and in believing, the man was saved. Now if you think that you have to pray first, repeat first, or **anything** first, before believing, why did Jesus tell him "today thou shalt be with Me in paradise?" OR if there is a need to do for anything to go along with **believing**, why didn't Jesus tell him what that was? Jesus doesn't make mistakes! God's Word is true. You don't (really you can't), add to or take away from God's Word, and it be true. Just leave His Word alone, and do what God said, **believe.** Psalm 119:89 "For ever, O LORD, thy word is settled in heaven." Revelations 22:18,19 "For I testify unto every man that heareth the words of the prophecy of this book, If any man shall add unto these things, God shall add unto him the plagues that are written in this book: "And if any man shall take away from the words of the book of this prophecy, God shall take away his part out of the book of life, and out of the holy city, and from the things which are written in this book." Take your Bible and check the references that we contained herein—nothing added to and nothing taken away; and when you hear "the plan of salvation" from anyone, get your Bible out and see if it is God speaking or "someone's" idea. I can't see "ten steps" to salvation, I can see only one step: **believe.** The malefactor on the cross had but one step, and he took it. You, I, we all have "one step," **believe.** Please take it, and believe in the Lord Jesus Christ for your salvation.

flying in our yard and all over town Monday. We are thankful to be living in this country. Pray for our country and leaders and for the coming election. We need God's help to fight the evil in the world.

Good to visit with my sister, Pauline Hefley and Remona Compton. Bo Compton was able to save 15 of the 16 pigs his sow delivered. The sow sat on one. The others doing good.

Ernest Ortega from Amarillo came Friday and visited Willa Fillingim. He likes to hunt Dove and is helpful to do things for Willa. He also brought her two ponchos and a fancy place mat set, which she shared with family.

Irene Rogers and Mary Beth Guy went to Shamrock Monday and ate Pizza at the Garrison Station. Sure was good. They are planning to go to Pampa Tuesday and meet Irene's sisters Mabel Adams and Artie Harrington and niece Patsy Bright and eat at the Subway and shopsome. Mary Beth will have to go back home to Ponca City Sunday after 2 1/2 weeks here. She is such a friendly, pleasant lady.

Wesley and Helen Steen visited Ray and Mae Brazeal Sunday night and played dominoes or 42 and celebrated the Brazeal's 67 wedding anniversary.

Rev. Dale Cain pastored Gageby church for awhile when he was only about 17—maybe one summer and helped with Bible School. God bless you, Dale. Good sermon. Nice to have Dale at Gageby.

I remember going to Glorieta with a group of ladies from Wheeler Baptist. Robert Morgan was song leader—youth minister and drove the bus I rode on. He was very pleasant and helpful. God bless you and your family.

Maralee and Alan Rush from Dallas and Helen Singleton from Hereford came Sunday night to visit Willa Fillingim. They helped Willa with several things. Ruth Irvine and her mom, Vea Fillingim, also visited them Monday. The others were going back Tuesday.

Lajo Crownover and Laurel Hershman took their mom, Willa Fillingim, to Amarillo Tuesday to see Dr. Murrell about removing growths on Willa's eyes. (Cowboy Cataracts) Think he is with Panhandle eye group. They also planned to visit Willa's sister, Fay Sell, in Amarillo. Pray for Willa that her sight can be helped.

Nice to visit with David Gilmer at Briscoe on the phone. He enjoys keeping his little granddaughters. He had Maddie and Kaitlyn Shields. Davy was home for the weekend from Oklahoma City Hospital but would go back. David and Winnie keep Adley while Shannon and Davy are at Oklahoma City, so she can go to Pre-K at Mobeetie. Of course Adley stays with Davy and Shannon when they are home. Davy takes Adley fishing when he can. She was excited about catching a pretty good sized fish one day. Davy is still taking treatments, but has not had any surgery yet. Keep praying for them all.

Thanks, David for going to Wheeler Care Center and visiting with Willis, Rosalie, Helen George, The Bowermans and others. David has lots of pain from his back and has trouble getting around on his crutches, but he keeps on. Pray for David and Winnie. Love to you all.

Noveta Atherton celebrated her 55th birthday Sunday with dinner at her house. Some there were daughter, Misty Snelgrooves from Dumas, Chynna Atherton, Nino Lopez, Wanda and Anthony Francis, Clayton Brownfield and Darby and Asher, Angel and John and Jeremy and Angie and boys, Darville Atherton, Sierra Atherton, grandson Stephen Penny from Shamrock and Daryl and Tillie Snelgrooves. Tillie is recovering from knee replacement surgery, but is doing pretty well.

Weekend visitors to David and Phyllis Hefley were their kids Darren and Chalene Hefley and Dawson and Logan from Tulsa and Kristi Hefley from Lubbock. They sure enjoyed the grandsons and the others. They also celebrated Phyllis' birthday. Happy Birthday Phyllis.

Nice to see Jimbo and JoAnn Helton and Tammy and children out to Wheeler Baptist to the celebration.

Wednesday good to visit with Ruth Tucker at the Post Office. Ruth (Morris) grew up and graduated at Mobeetie in 1954. She married Teddy Tucker. Saturday before Labor Day is always a parade at Mobeetie of school kids, etc. and class reunions. Friday night Bobby and Shirley (McCauley) Galmor of Shamrock hosted a cookout for Mobeetie classes of 1953, 1954 and 1955. At Mobeetie after the parade was a sandwich lunch. A business meeting at 4:00, and Steve Walker Barbeque at 5:00 p.m.

W. F. Tucker and Marsel Conner from Miami, Oklahoma spent a few days with Teddy and Ruth and took in the Mobeetie festivities. They all spent Saturday night at Amarillo and flew out about 8:00 a.m. Sunday with Collette Tours arranged by Friona State Bank where the Tuckers used to live. Their destination was Halifax, Nova Scotia, with tours of New Brunswick, Prince Edward Island,

Bay of Fundy, Peggy's Cove and other sights. There were 36 in their group, but weren't allowed to all fly on the same plane. One group came a little later.

So sorry that Bro. Lyn and Ann Means and boys from San Antonio didn't feel led by the spirit to come to pastor Wheeler Baptist Church. Guess they didn't like us as much as we liked them. Or maybe God has someone else for Wheeler. Keep praying. Best wishes to Lyn and Ann and Ernest and James wherever they go. They are fine people.

"Those who bring sunshine into the lives of others cannot keep it from themselves."—James Barrie

Too bad that several who would have voted yes to inviting Bro. Lyn to be our pastor were not able to be there Sunday night when we voted. Thank you very much Search Committee for all your time and efforts to secure a preacher. We need a full time "shepherd for our flock". Keep praying for a pastor and for the search committee to find someone. And much thanks to Bro. John and Eulis Denton for being there for us. Such sweet people. We enjoy having you two.

Nice to meet and visit with Kenneth Hamon at Thriftway Friday. He had been shopping at the store and was on a motorized scooter (I guess you call it that) and left carrying a heavy box of groceries on his lap with another package between his feet. He and Bonita have been married 57 years and live just west of the Baptist Church and have a daughter Alana who lives with them and helps out. Bonita grew up at Allison and is the daughter of Avis and George Parker, deceased and a sister to Charlene Rainey. Best wishes to all.

Also nice to visit with Ann Killingsworth at Thriftway. She had been helping husband Jerry some and spent a few days in Amarillo with her mother, Dorothy Lewis, who is not well. She also had company coming to her Bed and Breakfast to be here for the wedding of Mathew Huff and Bronwyn Dukes Saturday at Allison at The Baptist Church.

Nicholas Sparks was honored with a party Monday to celebrate his first birthday. So good to see him doing well and looking so good after he had to have surgery to repair holes in his heart. Some present were mom, Shelly Sparks, and Haley and Taylor, Buddy and Dianne Sparks, grandparents, Sherry Clark and Dawson, Cody and Camryn, H. L. Owens, Eddie Chavez, Martha Meek and Verna Fillingim. Nicholas enjoyed his cake and all the pretty balloons and all the attention. Happy Birthday, Nicholas. He also had gifts.

Thursday Bob and Gena Zybach enjoyed a trip to Elk City and Alva, Oklahoma to look at plows. They also went by Little Sahara which is lots of sand and many people camping out and riding 4-Wheelers. Gena also shopped in Elk City and Bob always visits his mom, Ruby Zybach. We all had enough sand when we were growing up and it blew in our houses. Gena was making lots of catsup and salsa with tomatoes, Jalapenos, bell peppers, onions and spices. Her family enjoys it a lot.

Nice to visit with Karen Meek at Thriftway. We enjoyed having her and Grant and children Todd, Lisa, Shonda and Eddie for neighbors

We had a nice group at Ladies Day Out at Mel's Diner Thursday even though some were away or involved in other things. Some there were Irene Rogers, Linda Hink, Mary Beth Guy, Annie Ruth Lee, Lillian Lee, Shari Gayle Porter, and see the family grow up and get to keep the kids some. We also thought a lot of Karen's parents, Raymond and Isabel Moore and Grant's parents, Clyde and Ileta Meek, deceased. Karen's dad is still living at Amarillo at Craig Retirement, but is having some problems. God bless you everyone!

David and Rita Pearson were weekend visitors to Dallas and Krystal Fillingim at Wichita Falls. Think David and Dallas did some bird hunting with the guys in Krystal's family at Windthorst.

Mark Meek and a group from The River Church at Canadian were at Gatesville, Texas at the prison over the weekend. There were 4 revival services and got to visit with many of the inmates.

Martin Anniversary
Johnny and Patty Crawford enjoyed having Mandy and Jason Owens from Amarillo and Matt and Julie Crawford from Flower Mound (their kids) visit them over the weekend. Saturday they all went to Clinton, Oklahoma to the 50th Anniversary celebration for Patty's parents, Frank and Margaret (Kite) Martin. Patty took food for a family dinner at the Care Center. Others there were Patty's brothers, Raymond Martin from Massachusetts and Frank Martin Jr. and Angela from Blair, Oklahoma. Margaret told them stories of how she and Frank met and many events of the years. Then they had cake and punch for the group and residents of the care center. Patty had made a scrap book of all the 50th anniversary cards and wants to thank all who sent cards. Then Johnny and Patty and their kids and Patty's brothers went to the wedding for Mathew Huff and Bronwyn Dukes at Allison Baptist Church. Best wishes Matt and Bronwyn. Then they all went to Dyers Barbeque at Pampa for supper (Frank Jr. request). They also had Fellowship dinner at the Briscoe Community church Sunday.

Diane Sparks, Iona May, Mary Margaret Dodd, Leona Coates and Verna Fillingim. Lynna Koelzer was our waitress. Next month Ladies Day Out will be at Maxey's first Thursday October 7 at 11:30. All ladies invited. We had a good time visiting, always. Good to see Annie Ruth Lee, 93, and Lillian Lee, 91, so perky.

Pray for Alvern Hutchison. She broke her right arm up close to her shoulder recently so couldn't put a cast on it. And she's right handed. She is getting good care at Parkview Assisted Living. Hope you are healing up good, Alvern.

"God be with you till we meet again."

Jim and Kay's anniversary which are both on September 4th. Those attending were Shannon and Bill Morgette with their children Richard, Audra, Jimmy and Robert. Their son, Jeremy, and his girlfriend, Cheryl Moxley, were there from Abilene. They attend ACU. Mark and Jamee Hamilton from Mannford, Oklahoma came. From Miami were Ann and Charles Byrum and Gene Hurst with his two daughters Lauren and Haley. They all had a fun celebration together.

Bill brought his chuck wagon box in the back of his truck and cooked all weekend—plus helped Jim. I think I heard something about some corner post.

Carol Orthman will be moving back to Dumas soon. We will sure miss her.

Hope you had a good week and wonderful holiday weekend. Have a great week.
