School will be starting Monday, Aug. 14.

The football players began their workouts on Monday. Wheeler had 34 young men turn out for practice.

Wheeler returns to eleven-man football this year. Should prove to be a very good season, the Mustangs are going to have to work really hard; they can do it!

Ft. Elliott had fifteen young men turn out for football.

The teachers and other school employees had to report for work on Tuesday. Ready or not, school is about to start.

Congratulations, Dr. Ronald Wayne Stas Jr.! He received word Tuesday that he had passed his test and is now a licensed pharmacist.

Our school to the Arvid Sword family. I enjoyed visiting with Arvid when we did business.

Wheeler received 1.23" rain in a downpour Thursday afternoon. An additional 0.1 fell during the night. Over the weekend Wheeler received 0.12.

Mark and Carol Meriwether accompanied me to Wichita Sunday to retrieve Barbara. We returned to OKC on Sunday and back to Wheeler on Monday morning.

We got to play cards on Monday evening. Summer has made it hard to find time to play. Rhonda, Bob and I were quite good (actually we were just lucky) and won the first two games. LeRoy, Mike and Dwight came back with a vengeance and won the third game.

The View of a Southern Woman
... Southern California that is.

Our grandson Kelton had looked forward to visiting us during summer vacation, but due to our heavy schedule and health problems, we had to delay it for a few weeks. Now time was getting short as school approached and our schedule did not improve so we said now or not this summer. His mom SaRita brought him here from Binger, Oklahoma for the weekend and we said he should stay for a week no matter what we had to do as he could just join us. Well, I'm sure he had a lot of fun when we visited my cardiologist. He entertained the receptionist while I underwent some tests. Why wouldn't an 11 year old boy like that? Next, he got to watch the men put in a new and bigger water pump in our water well. Of course we were without water all day so he could not play in the sprinklers that we run a lot to keep the lawn from burning up in this 100+ degree heat. Then he got to watch grandpa Frosty Forrest Glenn as he used the shop vac to suck up the water under the house giving us a small flood when the new and bigger water pump blew out a faucet. Oh well the next day was more exciting as we got to go with grandpa to the hospital for ultra sound test on those kidney stones that were making him stand on his head with pain the week before and now we found that those silly things had just disappeared on him. Since we were hungry after an all morning wait in the hospital, we went to the Cattle Exchange and had lunch or dinner as they say here. Kelton wanted to go swimming in the Canadian River but we only found a trickle of water there so we waded a while and chased minnows. We also saw the museum and Glenn and I answered over a hundred questions Kelton ask about the past life in Canadian. We had never used an iron without a cord and I never wore a hoop skirt. I believe he thought those were things from our younger days. Next day the chicken pen was delivered so Glenn and Kelton built a fenced-in yard to connect onto it. That was a learning experience for both of them. I think he really enjoyed that even if the temperature was over 100. We had the sprinklers on so he was the wet helper. Next we finally had some

fun - I think. We took Kelton school clothes shopping. I had forgotten just how much trouble it was because my children are all over 40 now and time fades the memory. We let him pick what he wanted, but drew the line when it came to biker-girl photos on the tee shirts. Just did not seem proper for school wear. Levis were fine as long as they do not look like someone else wore them for 5 years on a cement slide. After all that hard work, it was time for a toy reward. He chose a gun (what else since his grandpa is the great white hunter) that shoots soft tip arrows. When we got home, he said to watch him shoot the thing and I

warned him not to shoot near the fish tanks. Well, we never found the first arrow because a bass or perch in Glenn's fish tank probably beat us to it. That was one down and 2 to go. We took him home late Friday night and on the way, he ask if he could come back for another week. I wonder if I would have ask that of my grandparents if I had spent such a week with them. I told him he could come for another visit in the fall and he could go hunting with us. Maybe we could do some fun things like we did last year. He was happy and never complained about this visit. He is a pretty cool kid!
 With love, Betty Boydston.

Our deepest sympathy to Mabel Tabor and the family and friends of Earl Tabor. He married the love of his life, Mabel Shiflett, in 1959 and they made their home on the family farm in Buffalo, OK. As they began their life together. They had four children, Johnnie, Cindy, Janita and Sam. They were blessed with 18 grandchildren and several great-grandchildren. Earl worked hard his whole life. He served in the U. S. Army, and pursued his passion of taking care of his family and training horses. He owned several of his own over the years and trained many more for people. He served on the Mobeetie school board. Earl was a hard worker. He kept busy over the years with the horse business in which he was quite well known for winning horses in several states. He farmed, worked as a night watchman for Tejas Feeders for many years before having to retire because of health problems. He was a cancer survivor, a good father, grandfather and great-grandfather. He will be greatly missed by many. Even though Earl had to give up working such long hours outside the home, he continued to go to see the grandchildren in their sports and other activities. He was so proud of each of them and their special talents. Earl passed away on July 26th and graveside services were held on Saturday, July 29th, at the Mobeetie Cemetery. Earl was preceded in death by his grandson, Jason Taylor, of California.

Our sympathy also goes out to the family and many friends of Reba Wofford of Wheeler. She was 98 and had spent most of her life in Wheeler. Miss Wofford

worked at the Wheeler Abstract Company for many years before retiring. Miss Wofford died July 27th and services were held at the First Baptist Church of Wheeler on July 29th, and burial at the Wheeler Cemetery. She is survived by two nephews.

Our deepest sympathy goes to

We know that Jesus was perfect, but what we sometimes forget is that he still faced temptation. Jesus really was tempted to sin. He was able to do what we often cannot: overcome temptation. Hebrews 4:15 tells us that Jesus can "sympathize with our weaknesses" because he was "tempted in every way, just as we are - yet was without sin." That means that when Satan found Jesus out in the wilderness after he had been out there alone for forty days that the things Satan presented him were very tempting. You can read about this temptation in both Matthew 4 and Luke 4.

Satan tempts Jesus to turn stones into bread, throw himself down off of the highest point of the temple, and to bow down and worship him. Those don't sound very tempting to me, but then again, as I'm typing this I have a full stomach - I haven't been fasting for a month and a half like

Jesus had. The idea of food was very tempting and Satan provided an opportunity for Jesus to defy God's normal plan. Jumping off a high point doesn't sound tempting either - but it would have been neat to see ten thousand angels swoop down at the speed of lightning to protect him. The idea of getting instant fame was very tempting and Satan provided a scenario that was guaranteed to make headlines. Bowing down before Satan doesn't sound tempting either - but in Jesus' weakened state delusions of grandeur and power was very tempting and Satan opened the door for ownership of everything (even though everything already belonged to God).

Yes, Jesus was tempted. He responded to each of these temptations by relying on scriptures. Maybe I need to respond to temptation in the same way: by going to the Bible.

Cecil and Jean were married by my Dad, O. C. Evans, with mama as witness at their house east of Briscoe. My dad preached at Gageby and Briscoe and other places.

Charles and Lajo Crownover visited Jodie and Kenney Striley and Andrew and Madison and baby set and ate supper with them at Amarillo Friday. Saturday they all went to a Crownover Reunion at the home of Bess Crownover in Canyon. Also there were Londa and Terri Crownover from Amarillo, Boyce Crownover and Rose and Lacy from Ft. Worth, Anne and Robert Green, Glenn Green, Brad Green from Hartley, Marsha's children from Stratford and others.

Charles and Christie Pettit and boys have bought a house on Mobeetie Street. It was the Waldo's house. They are moved in and plan to be running the station on Alan Bean as soon as they can get all the things needed. It is across from where Hannah Chapman used to live. It was Albert Chapman's station, but it won't have gasoline now. Welcome to Wheeler from Amarillo, Charles and Christie. They have it looking nice. Their boys are

Kenton and Tucker.
Mark and Carol Robertson and Rebecca, Jonathan, Timothy, Deborah Grace, Danny, Phillip and Seth from Miami have moved to Briscoe to a teacher's house. Carol will be teaching at Ft. Elliott. Mark will drive back to Miami to his job with the Highway Department. Rebecca is a senior at Corn Academy in Oklahoma, but other kids will be going to Ft. Elliott.

Pray for our students and teachers as the new school year starts. God bless you everyone!

So good to have "Nearly Brothers and No Mountain Boys" band out to Wheeler Care Center to make beautiful music Tuesday night. Most of residents, who were able were out to hear them. Ones playing instruments were Geoff Jones on Bass Fiddle, Robert Caldwell on mandolin, Jim Jackson and Gene Keelin on guitars and Chuck Hartline playing a fiddle. Singing several songs were Daniel Keelin, Chuck Hartline and Bob Hink. All very enjoyable. Chuck also played a guitar some.

Many thanks for coming; the music is really enjoyed by the residents. The band will be back Tuesday, Aug. 15, at 6:30. Visitors welcome.
We welcome new resident, Clifford Lewis from Pampa out to Wheeler Care Center. Good to have you here.
Marion and Ethel Grimes will be celebrating their 55th wedding anniversary on Sunday, Aug. 13. Happy Anniversary!

Marion Grimes and Ethel Renner visited his sister and husband, Oveda and, Ross, Vanlandingham and baby at Danmitt Aug. 13, 1951. They all went on to Clovis, New Mexico and were married at the office of the First Baptist church by the pastor, Rev. B. P. Maddox.

Katie Shipp has been taking some summer courses at WTA&M, but was home to her mom, Elizabeth Shipp, and sister, Savannah Shipp, over the weekend. Katie will be graduating next spring with a degree in music performance from WTA&M. Best wishes.

Danny and Chris Fillingim from Elk City took a little vacation to Las Vegas, Nev. They especially enjoy the stock car races; they were celebrating Danny's 55th birthday. Danny especially enjoyed doing a little stock car racing as a teenager and a few years older.

Ecclesiastes: "A good name is better than fine perfume, and the day of one's death than the day of one's birth."
Sincere sympathy to family and friends of Tom West Fulks, 76, of Amarillo in his death Thursday. Funeral was at 11 a.m. Saturday in Amarillo with private burial at the cemetery in Canadian. Tom West Fulks was born to George and Janie West Fulks and raised at Briscoe, graduating from Briscoe School. Survivors include three sisters, Dollie Fulks, Georgia Weathers and Shirley Neff, all of Amarillo. Tom enlisted in the army and spent some time in Germany. He also was a farmer on the family farm.

Glad to hear that Andrea Dobbs, daughter of Mozelle and Glenn Thomas of Amarillo is doing better. She is having to have another round of chemo to be sure that the acute Lukemia doesn't come back. Keep praying. But Andrea's blood work and bone marrow tests were normal. Praise the Lord!

Sincere sympathy to family and friends of Bill McKinley, 63, of Wheeler in his death. He is survived by wife, Rosemarie; son, Richard, and daughter, Crystal McNeil, all of Wheeler. May God comfort you. Funeral was Thursday at Wheeler Baptist. Bill McKinley had other survivors, too.

Sincere sympathy to family and friends of Belinda Gail Francis, 38. Survivors include her husband, Kip Francis and daughter, Alicia Francis and son, Jerry Francis, all of Poteau.

Sincere sympathy to Betty and Earl Husted and other family and friends in the death of Betty's mom, Loretta Smith of Alaska. She died Tuesday night. She was 97, and was cremated as most are in Alaska.

Good to have the Allison Pentecostal Group come to Wheeler Care Center Tuesday morning to sing Gospel songs. Several residents out to enjoy the good singing. Louise Boydston played the piano. Others singing were Juanita Boydston, Juanita Tincher, Bro. F. R. and Olene Johnson, Pearl Harrison, Opal Boydston and Ron Hall, who also played a guitar. Thanks for coming.

Next Tuesday, Aug. 8, at 10 a.m. Earl and Betty Husted and maybe others will come for Sing-a-Long and church. Visitors always welcome to a good service and visit the residents at Wheeler Care Center.

Ron Hall from Allison is the son of Helen Foshee, new resident at Wheeler Care Center. Juanita Tincher is Ron's granddaughter. So good to have you all out to Wheeler Care Church. They come each first Tuesday.

Janice (Ware) Barr from North Carolina has been visiting her brothers and families: Bobby, Kent and Gary and has visited and played golf with Beth and Jim Alvey. They've all enjoyed her.

Family and friends of Bill McKinley gathered at Wheeler Baptist church Thursday for a

memorial service for Bill. Pastor Dennis Williams officiated with a good message. I especially enjoyed hearing a man play the bag pipes. As did many others. The man, who played the bag pipes was dressed in style and played "Amazing Grace" at the beginning of the service and "Nearer My God to thee" at the ending. And also played in Fellowship Hall as the family ate. Bill had always enjoyed hearing the bag pipes. The man, who played was John Brewer from Amarillo. Thanks for coming! Bill was a fine man; we know there will be a joyful reunion in heaven. Also singing at the funeral was Matt Koen. Good job.

Sincere sympathy to family and friends of Ollie Romines Parks, 85, in her death at Pampa Thursday. Services will be at 10:00 a.m. Saturday in Pampa with burial at Levelland. "Peewee" Romines of Pampa is a brother. Mendy Duncan of Mobeetie is a great-niece.

The Mason Jars from Wheeler sang at the Lipscomb School Reunion Saturday, July 15. In that quartet are Debbie Finsterwald, Kim Goad, Judy Woollard and Brenda Sparlin. Alexanders of Canadian catered the lunch. Valentine Schoenher was the oldest alumni present.

The Texas average rig count as of July 21, 2006, was 765, representing about 48 percent of all active land rigs in the United States.

Good to see Jackie Cummings eating at Mel's Saturday with nephew, Charles Starr, from Amarillo, and Michael Killingsworth. Jackie and Mel not getting fat yet, but was looking pretty. Love you, Jackie!

David and Rita Pearson went to the Stamford area Saturday and visited David's parents, Albert and Mary Pearson and family and attended the 100th anniversary celebration of the Bethel Lutheran Church at Erickadh, which is about 10 miles east of Stamford. There was to be a slide show showing pictures of the 100 years. Also a picnic Saturday night and a bounteous noon meal on Sunday. The Pearson family had attended the Bethel church for many years.

"Be not dismayed whatever be-tide, God will take care of you. Beneath His wings of love abide God will take care of you."

Several cars at the Outdoor Cafe at Bellmart for their lunch specials served under a car port. Friday. Handy for oil field workers. Good food.

Glad to see Hiway 277 is up in good shape—not potholes or worn out places.

Someone wanted Erma Riley's address and phone number, so here goes:

Erma Riley, 413 N. Richland Rd., Tuttle, OK 73089—405/381-6246.

Erma would enjoy hearing from you.

Debbie Glazner has bought the house on Wheeler Main Street just north of Buddy and Diane Sparks and she and Kelley and Jacob have moved there. Friday, August 4, they hosted a delicious supper to celebrate Debbie's mom, Nell Bradstreet's birthday. Cindy Bradstreet brought cake and ice cream. Some others there were Roy Bradstreet, Wes Bradstreet, Mike Bradstreet and Paul and Nancy Sanders and J. R. from Wolfe City, Texas. The Sanders were there for the weekend and took Nell and Roy out for meals. How nice! Glad to know that Roy Bradstreet is doing better.

Wheeler Baptist Church enjoyed all the beautiful flowers that were left from the funerals for Arvid Sword and Bill McKinley. Thank You! But sorry for your loss.

2006 Property Tax Rates in CITY OF WHEELER

This notice concerns 2006 property tax rates for CITY OF WHEELER. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

Last year's tax rate:

Last year's operating taxes	\$ 156,471
Last year's debt taxes	\$ 0
Last year's total taxes	\$ 156,471
Last year's tax base	\$ 31,922,433
Last year's total tax rate	0.49016 /\$100

This year's effective tax rate:

Last year's adjusted taxes (after subtracting taxes on lost property)	\$ 156,471
+ This year's adjusted tax base (after subtracting value of new property)	\$ 31,366,274
= This year's effective tax rate	0.49885 /\$100

(Maximum rate unless unit publishes notices and holds hearings.)

This year's rollback tax rate:

Last year's adjusted operating taxes (after subtracting taxes on lost property and adjusting for any transferred function, tax increment financing, and/or enhanced indigent health care expenditures)	\$ 156,471
+ This year's adjusted tax base	\$ 31,366,274
= This year's effective operating rate	0.49885 /\$100
x 1.08 = this year's maximum operating rate	0.53875 /\$100
+ This year's debt rate	0.00000 /\$100
= This year's total rollback rate	0.53875 /\$100

Statement of Increase/Decrease

If CITY OF WHEELER adopts a 2006 tax rate equal to the effective tax rate of \$0.49885 per \$100 of value, taxes would increase compared to 2005 taxes by \$5,447.

Schedule A - Unencumbered Fund Balances

The following estimated balances will be left in the unit's property tax accounts at the end of the fiscal year. These balances are not encumbered by a corresponding debt obligation.

Type of Property Tax Fund	Balance
---------------------------	---------

Schedule B - 2006 Debt Service

The unit plans to pay the following amounts for long-term debts that are secured by property taxes. These amounts will be paid from property tax revenues (or additional sales tax revenues, if applicable).

Description of Debt	Principal or Contract Payment to be Paid from Property Taxes	Interest to be Paid from Property Taxes	Other Amounts to be Paid	Total Payment
Enter Text Here	\$0	\$0	\$0	\$0
Total Required for 2006 Debt Service				\$0
- Amount (if any) paid from funds listed in Schedule A				\$0
- Amount (if any) paid from other resources				\$0
- Excess collections last year				\$0
= Total to be paid from taxes in 2006				\$0
+ Amount added in anticipation that the unit will collect only 100.00% of its taxes in 2006				\$0
= Total Debt Levy				\$0

Sorry to hear that Mike and Jan Bradstreet's house was hit by lightning in Wheeler Tuesday night. Thank goodness that no one was hurt.

Wednesday was a beautiful day for Leola Farris' 90th birthday party. She looked so beautiful and far from being 90. There were so many family and friends to wish her well. The house was full of well wishes. There was a beautiful cake, decorated with lovely multi-colored flowers and a delicious refreshing punch. Daughter, Ann, and her cousin did a fantastic job of preparing for such a wonderful day. Sorry that part of the grandchildren didn't make it down for the celebration. They were already fighting a flu bug. (I thought it was too hot to have to worry about that. But they definitely found out that it is not impossible. Maybe they'll get it all out of their systems before school gets started.) Leola waited for great-granddaughter, Abby, to get up from her nap so she could help open the presents. They had been trying to keep her occupied before her nap to get her mind off of "ope". She got a cutie. I hope that everyone has recuperated from the mini family reunion. They had 20 for supper and more visiting. Then Leola was brave and had the canasta club at her house on Monday. Sorry to hear that Marvel Graham and daughter, Judy, had a not so pleasant trip back to California. For some reason the jet in Oklahoma City was delayed a hour, so of course that made them too late for their flight in Houston. Judy managed to get them on another flight to a different town, but still in the "neighborhood". So they had a very long day. Hope they have recovered from their trip and are getting all settled in.

Jackie and Fred Thrasher had a pleasant surprise on Thursday morning. Their son, Willie, and his new wife, Debra, came in from Ft. Stockton, TX. They got an extra day off, so rented a car and brought Debra to meet part of her new family. Fred and Willie went fishing on Friday and then came home and ran to Pampa for some shopping, then came home and fired up the grill. Bob and I joined them for supper and a chance to meet Miss Debra. As usual Fred cooked for the army that didn't show up. It worked out well though as Tony, Pat, Joshua and Jordan Goodnature came in from Amarillo on Saturday night so they had everything ready. The boys had a good visit and act more like each other everyday.

Our deepest sympathy goes out to Joetta Sword and the family and friends of Arvid Sword. He passed away on Wednesday and services were held at the First Baptist Church in Wheeler on Saturday. Arvid was always very interested in the youth of Wheeler. He was always helping when his boys were in scouts and summer baseball leagues, along with all the football games, church activities and other school activities. He will be greatly missed by many.

Leola Stuart is still wrestling with a bad back but is getting around some better. She went to church in Wheeler on Sunday.

Sheryl Richardson's sister, Pam, had surgery recently. Hope she is doing better and her recovery goes well.

The Richardson's are busy, along with any other families, getting Katie off to college.

Our area teachers are already

getting ready for a new year and getting their rooms setup and attending work shops and other in-service. Where has the summer gone?

Glad to hear that Marsha Richardson is doing better with her broken leg and ankle. She has been preparing for the up coming year at the Sweetwater School li-

brary. She still has a long way to go, but she is getting used to her new wheels. With the help of friend Kathy, niece Phoebe, and mother, Iva she is going to be ready for another school year. They had been working at the school on Wednesday and took some time to treat themselves to lunch at Soto's. Leola met them for lunch and had an enjoyable lunch and visit.

It's so good to see Martha Meek feeling better and even out driving some. Nice to have her life back.

Sorry to hear that Logan La Rue of Thursday, had a car accident last Thursday. She was taken to Amarillo for surgery on both legs. She now has rods in both legs to stabilize the femur in both legs. She also had to have a couple of units of blood after surgery. They are hoping to get her home on Wednesday. She will not be able to put any weight on her legs for at least six weeks. Logan just graduated in May. What a way to start your adult life. We are so thankful that things weren't any worse. Even with the little dab of rain we've had her car hydroplaned causing a one car roll over. Hope your feeling better soon Logan. They will miss her smiling face at church and at work for a little while.

We hope that this finds Dot Stout feeling much better. She flew out to California on Monday to attend a wedding on Saturday. By Wednesday she was in the hospital with a collapsed lung and had to miss the wedding any way. Hope this finds you much better Dot and resting easy. They are making plans for family members to bring her home as soon as the doctors will permit her to travel. Since she won't be able to fly home family from this end will meet them about half way for a quick visit and every one to go their separate ways the next day.

We had the pleasure of finally getting a chance to try the B.B.Q. PaPa's place over by Briscoe. They even have pints available on Saturdays. Brenda Huddleston and her family are pleasant and keep things rolling in their tiny shop. Welcome to the area.

Certainly hope you students are ready to have another great year at your favorite school. Good luck. Pray for are college students as they go back to school and face the new challenges.

Hope you all have a great week.

First Sunday Singing

There was a good crowd out to Mobeetie Baptist church Sunday night for First Sunday Singing. A very good program of singing and readings. Marion Grimes and Doris Finsterwald played pretty music. Ones singing were Marion, Doris and Martha Meek, Nadine Lane, Gena Seitz, Sonya Hudson, Carol Roberson and Grace and Rebecca Roberson. Singing in the Mobeetie Choir were Tony Dickey, Gena Seitz, Paul Hathaway, Bobby Walker, Willene Burke, Melba Corcoran, and Marion Grimes. Sounded great. Patsy Caswell played the Keyboard. Giving readings were Mary Cornell, Ray Hudson, Glenda Hudson and Aaron Laverty. A very good program!

In September, First Sunday Singing will be at Allison Baptist Church at 6:00 p.m., but on the second Sunday (Sept. 10) because of the Labor Day Holiday. Everyone invited. There was also a delicious meal served after the singing, as always.

Wheeler Baptist Golden Agers will meet at noon, Aug. 17 for a good pot luck meal and singing and a program. All people 50 or over invited to come to Fellowship Hall at Wheeler Baptist and visit with us.

Wheeler Baptist Wednesday night suppers will start back Aug. 16 at 6:00 p.m. Every Wednesday night. Followed by youth and adult activities.

There will be singing Saturday night Aug. 12 at Leona Coates home. Always good. Come sing with us.

Next Sunday Allison Baptist Church will host the Wheeler Care Center Sunday afternoon church at 3:00 p.m. with good singing and scriptures and greeting the residents on Aug. 13. Visitors welcome. Lots of sweet people there.

Thank you, Joyce Perkins and Mary Margaret Dodd and others for your work to keep the Wheeler Senior Citizens building and activities clean and working. We have fun. The Sullivans shared delicious Cantaloupe and other garden goodies. Thank you!

"May you know the peace and comfort this heartfelt thought imparts: the ones we love are never gone, they live within our hearts." (Even after death) This was from a sympathy card sent to me by Helen Sabbe when Willis died. We've lost so many dear ones the

last months and years. What a glad reunion in heaven! And no pain or sorrows there.

We had a good group and a delicious pot luck meal at Wheeler Senior Citizens Monday night Aug. 7. There was one table of 42 and one table of Chicken Foot. Ones present were Joyce Perkins, president, Mary Margaret Dodd, secretary-treasurer, Charlie and Daphne Sullivan, Wesley and Helen Steen, Betty Howard, Martha Meek, and Verna Fillingim. Visitors always welcome. Some were out of town. Wheeler Senior Citizens will not meet in September because it is Labor Day Holiday on first Monday.
