The Wheeler to Spurgans lost their first game to Spearman 40-0. This is just a part of your training to get ready for the conference games.

Thanks once again to Rob Schaffer for the pictures of the game.

—cwe—

Wheeler continues to receive rain; 1.30" was measured on Saturday morning and an additional 0.08" was measured on Monday morning. Sunday morning at 7:00 a.m. (measuring time) it was sprinkling.

—cwe—

Fortunately the rain had stopped before the Old Settlers' Reunion at Mobeetie.

—cwe—

Attendance at Mobeetie was down a little, possibly because of the threatened rain. However it was a very nice day.

—cwe—

Leroy, Rhonda and Stormi Meriwether accompanied Barbara and I to Mobeetie.

—cwe—

Tom, Melinda and Shelby Fisher were weekend guests of Leroy and Rhonda Meriwether. We got in a few games of cards.

—cwe—

Wayland and Nelda Newman came and re-introduced themselves to Barbara and I. Nelda was Ronal Wayne's babysitter from the time he was 6-weeks old until he was a year old. They lived across the alley from us; they moved when he was 1; and we had not seen them since.

—cwe—

I failed to say 'Thank you' to Marla Ford for the pictures of 'Meet the Mustangs' last week. So, Thank You!

—cwe—

It is birthday time for two family members. The granddaughter, Jessica Stas, will be 22 on Monday, September 11, and the son-in-law, Guy Gillette, will have a birthday Sunday, September 10. Happy Birthday to both of you!

—cwe—

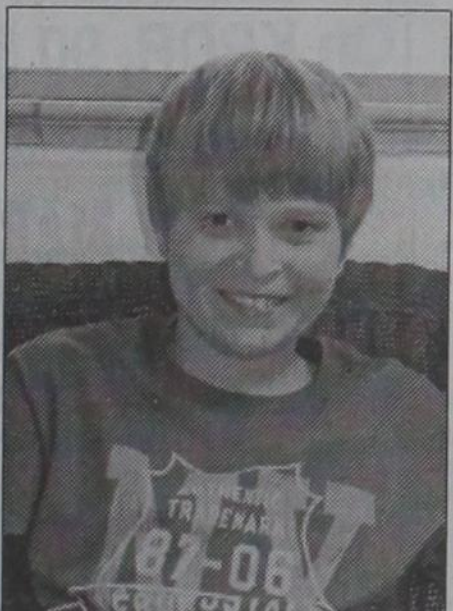

The rain kept Dwight from baling alfalfa, so he came in to play cards; he and Leroy won the first two games, with Rhonda and I managing to outscore them on the third—only two hands, since it was late. The scores were close on all the games.

—cwe—

Barbara had a good time keeping Stormie entertained.

YOUNG FAN: Bryce Richardson, a young Wheeler Mustang Fan gets a little help from LaDena Taylor in putting a ribbon on the stop sign at the corner of Main and Tenth. Bryce is the son of Billy and Kara Richardson. Ribbons were placed over town in preparation for the season's opening football game Sept. 1.

STUDENT OF THE WEEK: Jacob McDowell is the son of Kenny and Lori McDowell and Mitch and Angel Fults of Cheyenne, OK. He is an 11 year old 5th grader at Fort Elliott Elementary. When asked what he liked about school, Jacob said, "I enjoy math and I like to come to school to see my friends."

\$100 CASH: In celebration of their 100th Anniversary First State Bank of Mobeetie, Wheeler office, gave a \$100 bill to the 100th customer that came into the bank during the month of September. Danny Pierce was the lucky customer. Lorrie Erwin is shown presenting Danny with his prize.

Sunset Cablevision Is Wheeler TV Owner

Wheeler TV System has been sold by the Wares to Jim and Vicki Odle of Miami. The Odles own nine other cable systems in the panhandle and Wheeler will become part of Sunset Cablevision.

Plans call for the local system to be completely rebuilt, offering improved quality and more channels. High speed internet will also be offered by Sunset.

Representatives of Sunset Cablevision will be in Wheeler 2-3 days a week and same day to 24 hour service will be available in case of problems.

The rebuilding will take approximately a year.

NOTICE

The Wheeler County Tax office and The Shamrock Substation will be closed Friday September 8th, 2006 for a one day training on Presumptive Value on Vehicle Title Transfers. County Qualifies For Drought Assistance

Agriculture Commissioner Susan Combs today announced that livestock producers in 216 drought-stressed Texas counties may be eligible for \$14.5 million in assistance under the recently announced federal Livestock Assistance Grant Program. The livestock block grant is part of a broad-based national drought disaster assistance program for American farmers and ranchers announced by the U.S. Department of Agriculture this week.

USDA will distribute \$50 million in state block grants to 20 states to help livestock producers recover losses suffered because of the ongoing drought. Assistance may cover such items as the cost of lost forage, supplemental feeding, the cost of relocating livestock to new pastures and the cost of emergency water supplies.

The Texas Department of Agriculture is working with statewide agriculture and livestock groups to establish the criteria for distributing the funds in Texas.

"The funds released by USDA will provide a much-needed infusion of dollars to Texas producers devastated by the ongoing drought," Combs said. "With the entire state facing unprecedented economic setbacks because of this year's drought, I appreciate all that Agriculture Secretary Mike Johanns has done to help our hardworking producers recover some of their losses during these desperate times."

"We will be working closely with our livestock groups, the Governor's Office and USDA to set up the criteria, announce a sign-up period and distribute the funds from the block grant to our producers."

Nice to have a call from Charlotte Brown Thursday from San Antonio. It was her birthday. She was 63. I'd like to be 63 again instead of 84. Happy Birthday, Charlotte! Her son, Eugene, who had cancer and several surgeries is now healing and improving and has a special machine to help with healing. Charlotte and husband, Aubrey, and Eugene all went out to eat to their favorite Italian restaurant to celebrate. Keep praying for them. They were celebrating Charlotte's birthday and Eugene doing better.

Got my new Ft. Elliott annual. Lots of interesting things in it. In case you wondered, Cheyenne Swift, 7th and Pecos Swift (Kindergarten) are not thought to be related to the other Swifts in the area. May have moved away.

Many relatives and friends gathered at Wheeler Baptist Church Tuesday, Aug. 29, to pay tribute to a fine caring Christian man, George Gandy. George was a pretty tall man in height; but in many other ways, too, he was also a blessing. At the funeral, grandson-in-law, Rev. Michael Erwin, sang some beautiful songs and talked about George's influence on his life. Pastor Dennis read scriptures and had a timely message. Sylvia Shuler played beautiful organ music that blessed us. Several from the Pampa Church that Mike and Mary Gandy attend, came to George's funeral.

In Memory of George Gandy:

Who was so tall when I was so small,
 It seemed like looking to the sky.
 Who played with me, this friendly giant,
 Until I grew too high.
 Who shared a lap of security or
 Broken heart to see me wail.
 Who shouldered all my burdens
 and
 Lent strong arms if I should fail.
 Who praised and gave encouragement
 I'll always seek to win.
 Who has always been a rock to me

My dad, a man among men.

My mom passed away from breast cancer in 2002. Linda's husband passed away from prostate cancer in 2003. My dad met Linda on a mission trip to Switzerland in 2004. My dad married Linda this past weekend. Linda has four children and three grandchildren. My dad has three children and three grandchildren (we have a monopoly on all of his grandchildren at this time although my sister is trying to adopt a child from Guatemala).

Needless to say, I have gone through a number of different emotions since Dad mentioned that he was marrying Linda. Thoughts ranging from "she'll never replace my Mom" to "I'm so glad this is making my Dad happy." I've had some time to get to know Linda and it has allowed me to embrace their marriage. Their wedding ceremony was held in one of her son's homes. I got to perform the ceremony. It was a wonderful occasion with only family present. Upbeat, laughter, it was okay when the little children stood in the wrong places. And when it was time for me to say "You may now kiss the bride," I first invited all seven of the children (me included) to help proclaim that they were now man and wife. A good reception the next day and then they were off to Brandon. Dad and Linda will be a good marriage. I look forward to seeing them together all the more now, looking forward to them coming up to Wheeler together to visit with us here.

Mark 10:9: "Therefore what God has joined together, let man not separate."

ALLISON NEWS

By Juanita Boydston

God be merciful unto us, and bless us; and cause his face to shine upon us; Selah. That thy way may be known upon earth, thy saving health among all nations. Let the people praise thee, O God; let all the people praise thee. O let the nations be glad and sing for joy; for thou shalt judge the people righteously, and govern the nations upon earth, Selah. Let the people praise thee, O God; let all the people praise thee. Then shall the earth yield her increase; and God, even our own God, shall bless us. God shall bless us; and all the ends of the earth shall fear him. Psalms 67:1-7

I will love thee, O Lord, my strength. The Lord is my rock, and my fortress, and my deliverer: my God, my strength, in whom I will trust; my buckler, and the horn of my salvation, and my high tower. I will call upon the Lord who is worthy to be praised: so shall I be saved from mine enemies. Psalms 18:1-3

Today on this Monday in Allison, the weather has been cloudy and misting and cooler. I'm thankful for the cooler weather and we prayed for rain. So we are so thankful for the rain we have been receiving. We have received several rain showers here of late. Praise God for that.

Steve and Nancy Vaughn of Mustang, Oklahoma visited and stayed in the home of Curtis and Lillian Boydston this Labor Day weekend.

Glenn and Betty Boydston, Terry

and Martha Gardener and son Seth, Curtis and Lillian Boydston, and Steve and Nancy Vaughn all enjoyed a very delicious meal at Maxey's Steakhouse after Sunday School.

Curtis and Lillian Boydston and Steve and Nancy Vaughn visited in the home of Glenn and Betty Boydston Sunday night.

Glenn and Betty Boydston journeyed to Amarillo, Texas on Tuesday on business. They enjoyed a very delicious meal at Cattle Call.

Glenn and Betty Boydston traveled to Elk City on Wednesday, Thursday and Friday on business. One of those days they enjoyed a meal at Portabella Grille.

Pastor F.R. Johnson and wife Olene journeyed to Amarillo, Texas where they left their travel trailer on the ole campgrounds, getting set up for the Ladies Conference starting on Thursday night.

While in Amarillo, they enjoyed some shopping as well.

Sunday dinner guests in the home of Louise Boydston were: Pearl Harrison, Gary and Julie Boydston, Bennie and Debbie Boydston, Josh and Heather Archer, Kim, Brittany and Chase Thompson and Kimber Thompson and friend, Trey Latham, of Amarillo, Texas, Cheryl Dupont and friend, Pat of Elk City, Oklahoma, Cody Dupont and Sabrina Candy, Eddy and Sheila Walker, Opal and Juanita Boydston. Kim's husband, Chuck was also there visiting when he wasn't golfing. Jarrod Haning of Wheeler dropped by and visited later in the evening.

Sunday evening, Julie Boydston made a beautifully decorated birthday cake for Brittany Thompson's soon to be 11th birthday. They celebrated early Brittany's big 11th birthday.

Happy Birthday Brittany!! Opal and Juanita Boydston traveled to Wheeler on business and did some shopping on Friday.

Opal and Juanita Boydston visited awhile in the home of Roma and Billy June Brown. Glad to know that she is out of the hospital, but we are praying that her blood pressure stays down and she don't have to go back into the hospital. We are praying for you Aunt Billy.

Steve and Nancy Vaughn came by and told their grandma, Opal Boydston, bye before they left to go back to Mustang, Oklahoma. They reported a wonderful time

here and said they wanted to not wait to long to come back for another visit. We sure did enjoy his singing Sunday night at the United Pentecostal Church.
God Bless and Keep Ya'll till next time.

MOBEETIE NEWS
By: Sue Mayfield

Barbara Richardson, Stony Maham, Mrs. Bulah Stuart, Addie Swift, Jackie and Fred Thrasher, Chuck Carl, Mandy Wilson, Scott Corcoran and family, Carlos Soto and family, Aaron Hartline and family, Mr. Curtis Hendrix, Jack and Bernice Hefley, Louis and Barbara Stas' brother-in-law, Marsha Richardson, Iona, Martha Meek, Elva Wood, Louise Shorter, Rev. Tom and Janet Wilson, Jim Batton, Logan LaRue, Dot Stout, Shirley Dyson, Kellie May and Shelton May, the family and friends of Kay Hamilton, the family and friends of George Gandy, and the family and friends of Phyllis McMurray.

Hope you are enjoying our belated spring weather. The moisture has been wonderful. God has certainly blessed us recently. I am not computer literate and expect that anything I put in automatically

goes to where I think it is going. Wrong!! The computer is only as good as the person using it, so please bear with me. From last week: Our deepest sympathy to Jim Hamilton and the family and friends of Kay Hamilton in her death. The Hamilton's lived in Mobetie for several years. They were a very vital part of our school and community. We have missed them a lot since their kids have grown up and started their lives in different areas. Kay and Jim owned the Stagecoach cafe down on highway 152 for many years. Kay knew the cafe business and served our community well. After they moved to Spearman, Tx she opened another cafe, that kept her busy. I haven't kept up with their children other than daughter, Kim, that teaches math at Perryton high school, and grandson, Wesley Hathaway, that attends school at

Port Elliott. Kay and Jim's grandson is married to Jim and Kay Batton's daughter. They live in Oklahoma and have two beautiful daughters.

So sorry to hear that George Gandy of Wheeler passed away. He had been in poor health for quite some time. He was a very good teacher over the years, at Wheeler high school. He impacted so many young lives. He left a legacy in the teaching profession that will be hard to match. He was one of the great "walkers" of Wheeler for many years. He will be greatly missed. Our deepest sympathy to his family and friends.

Some of you may remember a young lady by the name of Phyllis Oglesby McMurray from the Kelton area many years back. She and her husband farmed north of Dumas for many years, but lived in Dumas. He passed away sev-

eral years ago. She has been fighting cancer for sometime. Phyllis passed away August 24 at her home. Services were Saturday morning August 26. She was buried at the cemetery on the southwest side of town. She is survived by her daughter and son-in-law there in Dumas.

Congratulations to Lester and Nora Reed of Sunray, Tx on the celebration of their 60th anniversary last week. You don't act old enough to have been married that long. Belated greetings and many, many more.

Now for some more current news: Tuesday was a busy day for Dr. Ford and us "out of towners". When I came out from my treatment, Bob was visiting with our neighbors, Jackie and Fred Thrasher. While we were visiting Rosemary Dodd was called in. Sorry Rosemary that I wasn't paying closer attention so we could have visited before you got to go to the back. Hope your feeling much better. Jackie has been seeing Dr. Ford for several weeks. He has her feeling much better. Fred was getting the first initial consultation so took him a little longer. Sure hope Dr. Ford can get Fred some relief.

After a quick trip to Wal-Mart we met our friends, Mearl and

The View of a Southern Woman

... Southern California that is.

Just figured out that one trip to Amarillo and three trips to Elk City in three day's time is the equivalent of almost a trip to California, but that is what we did last week. It all started with the notion of putting in a light in my gardening shed and it turned out to be a long work week for my retired husband.

Amarillo is where you get most of the items you need for a project that grew into more than we had planned. Glenn Forrest Frosty's mom needed a water line underground before the frost hits the pumpkin, so I said that we could take care of that at the same time. After you buy the pipes, fittings and a ton of etcetera, you need to rent a Ditch Witch and those are in Elk City, Oklahoma. These jolly little machines can dig a ditch about half a shovel wide and about 2 feet deep and it dug about 120 feet at our house and 180 feet at mom's. Our nephew Benny helped lay the pipe at mom's and that was a big help. He had to go into a storage shed for something and I told him there was a snake in there so be careful. We had seen it some time ago. Well, Benny is a hard working and fun loving man so he got a big laugh when he threw out a coiled telephone cord right at my feet and yelled snake. Do not know if I screamed the loudest or if it was mom, but we both moved away fairly fast. Now after all the trenches are dug and the pipes are in the trenches, there is the big problem of covering it all up with two or three tons of soil! That was for the following morning and Glenn and I were over there very early to get it done. But guess who was out there filling in the trenches when we arrived? Well it was 94 year old Opal Boydston and she worked right along with us until that 180 foot trench was filled. That woman does not have a lazy bone in her body. Glenn had dug our trench before we took the Ditch Witch back to Elk City and now he had to lay the pipe with wires in it. Things were going fine until it decided to pour rain and I do mean pour. We were both stuck out in the tin roof barn and too far from the house to make a run for it so we listened to the rain hit the roof for thirty minutes. Could not hear a thing since the rain on the tin roof was so loud but it was interesting to say the least. Now that the jobs are done so we move on to the other smaller projects like plowing the farm and planting wheat! By then we will need another vacation, but not a long one as deer season starts soon. Dove season started as we were in the middle of ditch digging and refilling so Glenn did not get to go and now it is too cold so they have all gone south. Oh well, saved a few hundred doves' lives I guess.

Glenn is still being attacked by our small rooster Henry and the other day Big Al, our big size rooster showed signs of the same thing. Glenn says he might be the next chicken dinner if he tries it. Big Al is a very large, colorful rooster and pretty heavy too and it may not be so cute to have him attack Glenn. I told Big Al that he cannot do the things that Henry does, but he just looks at me like he might like to try it anyway. Sister Johnson might keep a skillet handy as Brother Johnson does like chicken.

With love from Betty Boydston.

Frances Ann Guthrie for lunch at the new Plaza II in Coronado Center. Very good food, but the visiting was better. As we were finishing up the Thrashers were ordering their meals. It's a busy little place. They have done a lot of work on it and made some very nice changes. Sure wouldn't have guessed it was the old Furr's Cafeteria or the old Lone Star Cafe. Nice change. It even has a small fountain in the center dining room that flows all the time. So relaxing. The atmosphere is really nice.

Saturday started off with rain before the sun got up and more rain and mist right up to when the Old Settler's parade started. Those poor kids were plenty cool. The classes of 1946 and 1956 had

planned to ride on floats, but opted for a car and a pickup. Just wonderful to have them here. They were visiting and having a good time anyway.

The cheerleaders from both high school and middle school were trying to keep the spirit going but the elementary was giving them a run for their money. The fire department had five of the fire trucks and the command unit in the parade so we could all see what they are spending all the donations on. They all most have the new fire truck rigged out like they want it. The new truck is so shiny and pretty. A complete different style from any that they own. The two that came from the state forest service are yellow but even

with the miles they have on them will do a good job in the rough country. The group of four wheelers had more participants than any other part of the parade. They were having a great time. I think the "big kids" were having the most fun. All the younger ones took their job of driving, very seriously. The Old Mobeetie Association had a trailer all fixed up and three very young ladies dressed like the "ladies" of the old Pink Lady in their satin dresses and boas. They were so cute. Uncle Bill Finsterwald was their driver. Just not many entries and less decorations than usual. Davis Corse was on the front of the fire truck driven by Grandpa, Doug Corse and navigator, Grandma Pat Corse. A lot of candy was thrown and the last fire truck driven by Bill Ridgway and his navigator, Virginia Ridgway, tossed frozen fruit flavored popcicle tubes. What a nice change. Thanks, they were refreshing, even if it was already plenty cool. Amazing, how all of these kids are growing up and changing so fast.

Pam Jones and her pirates, daughter Devon and her three cute boys, invited everyone to a hot dog dinner at the city hall after the parade. The dinner was sponsored by Mayor Gordon Estes and the city council members. They also did all of the serving. Thanks for a wonderful morning. The people here for the all school reunion met over at the elementary campus for an afternoon of visiting and reminiscing. They started serving supper at 5:00 and had the business meeting after supper. Everyone had an enjoyable time. The weather and gas prices kept some people away this year, so both the all school reunion and the Old Settler's dinner on Monday were smaller than anticipated. Hopefully next will be a better year for everybody.

Peggy Dunn enjoyed Saturday, rain and all, with her friends.

Lorene Rector had a very busy and enjoyable weekend. Gaylen "Don" and Susan Rector of Meade, Colorado arrived on Friday to visit with family. Also present over the weekend were Kenn and Melody Sherrell of Copan, Oklahoma, Amber Anthony and Debra Sherrell all of Joplin, Missouri, Colleen Rector, Bradley and Matthew Stone all from Amarillo, William, Tyler, and Caitlyn Burch all of Elk City, Oklahoma, along with Dale and Melba Corcoran of Mobeetie. It was a terrific weekend.

Leola Stuart had friends and family in Monday for a pot luck dinner and a huge domino party and lots of good old fashioned visiting. They really had a good time together. Those present were Marsha and Iva Richardson of Erick, Oklahoma, Karen Gracie of Sweetwater, Oklahoma, Dale and Barbara Richardson of Elk City, Oklahoma, Jerry Richardson and Eddie and Amy Richardson all of Wheeler, and Fat and Wanda Childress of Briscoe. Dale and Barbara snuck off to the B.B.Q. at the Old Jail for lunch. He enjoys visiting with old friends and working buddies. The meat is always some of the best he has ever eaten. He always is sure to bid on the meat packs that they auction off, if they have any left. He was lucky enough to get one this year. Wanda was also down at the Old Jail enjoying the get together and meal. Barbara and Dale got back

before Wanda so they wouldn't do many games of dominoes. Sorry that Sheryl Richardson was under the weather and couldn't make it. Sure hope this finds you feeling better Sheryl. Clois and Rita Richardson of Elk City didn't get to come. Clois was recently in the hospital in Amarillo for three days and is still trying to get to feeling really good. Hope your better soon. Katie Richardson was home for the long weekend. She is getting settled into the college life and the dorm life. She came over for a little while to visit with everyone before she headed back to Stephenville. A friend of hers from Pampa met her at Aunt Leola's and they went back to school together.

Orville Greenhouse had a very quiet week. She enjoyed seeing her friends and all the visitors that were at church. Of course with the group sizes down this year there weren't as many at church as she had hoped to catch up with.

Monday when we came in from Dumas, there was a good crowd at Harry Simms' arena. Hope ya'll had a wonderful holiday weekend. Have a great week.

Dagen and Dallas and Krystal Fillingim and Keaira from Windhorst visit me Monday. We all went to Maxeys for lunch. Kids had a great time playing together before they headed home. Thanks for putting out birdseeds and fixing my faucet filter and outside lights, kids.

Wheeler Care Church

Coming from Wheeler Baptist Church for Wheeler Care Church Sunday afternoon was pastor Dennis and Emma Williams, Wesley Steen (led singing), Helen Steen, Leona Coates (played piano) Dianne Sparks, Sylvia Shuler and Verna Fillingim. Dennis sang a special and played his guitar and had a good message. Several residents out included Rosalie Keelin, Opal Hutchison, Gelemmia Back, Wilma Maddox, Howard Surbery, Aline Frisbee, Minerva Jones, James Bobo, Dorothy Hink, Robert, Wayne Stanton, Laura Smith and others.

Richard and Helen (Childress) Dyson visited Billy Joe Dyson at the Care Center Sunday. Nice to have a visit with Helen. She was out to the church service, and helped sing. Richard recently had knee replacement on his good leg and is in a wheel chair. He was crippled with polio as a baby. Richard and Helen ran a retirement home at Sayre for many years and then a restaurant they enjoyed until it burned. Thank they had a dairy at one time. They live near Sayre. Pray for Richard as his knee heals.

Shirley Dyson got moved from Amarillo Northwest Hospital to Pampa Hospital to be near her family on Tuesday as she recuperates from her broken leg. Keep praying for Shirley and Billy Joe, her husband. She is expected to be there awhile.

Good group of residents and visitors at Wheeler Care Center Tuesday night to hear the "Nearly Brothers and no Mountain Boys" band. Singing were Nadine Lane, Bob Hink, Chuck Hartline and Daniel Keelin. Playing guitar were Gene Keelin and Chuck Hartline; Geoff Caldwell played mandolin; Robert Jones played Bass Fiddle (not cello). All sounded good!

Wesley Steen also sang several good songs. Other visitors were Helen Steen, Leona Coates, Betty Howard, L. D. and Wanda Childress and Verna Fillingim. The band will be back Tuesday night, September 12 at 6:30 Visitors always welcome. Come listen and greet the residents.

Sonny and Geraldine Pride spent last week at their place east of Wheeler. They have visited Sonny's mom, Lela Pride and other relatives and been doing lots of mowing on the abundant crop of weeds and grass and stickers.

Johnnie Bird from Wheeler Care Center celebrated her 84th birthday on Sept. 1. Sunday family got together for lunch at the home of Carson and Jannette Bird at Twitty. A daughter and husband were in Wheeler a few days to celebrate her birthday. They are from Shreveport. They also celebrated a granddaughter's birthday. Ones there were Honorees, Johnnie Bird and granddaughter, Connor Barefoot, age 10, on Sept. 3. Others were Jane and Larry Kennedy from Shreveport, La., Rayna and Scott Barefoot and Danton and Delmer and Mildred Barefoot (Scott's parents) from Shamrock. They had a great time. Janice Carson's sister.

Estelle McAdams from Plains visited me Tuesday. So good to see her. She and Violet Farris also went to George Gandy's funeral. Estelle also visited Martha Meek and also visited Carol (Gandy) Glazner, a long time friend. Also visiting Martha were Ray and Mae Brazeal, who had been visiting their daughters at Brenham and Dallas.

Joyce Woods and her husband (now deceased) ran Wood's Shoe Store at Shamrock for many years. After his death, Joyce kept on with the store. Friday, Sept. 1, is the last day for the Shoe Store. Then Joyce will have lots of business to attend to get it all settled up with I.R.S., etc. Been nice having Joyce come to Tuesday morning Sing-a-long and church at the Care Center in Wheeler. She is a good singer and loves the residents. She goes to church at McLean Care Center on Sundays and enjoys the residents and cares about them. Saturday, Sept. 2, doors will be closed at Wood's Shoe Store in Shamrock.

Enjoying Quilting and visiting at Totty School Thursday were Kandi Jones, Sydney Lynch, Betty Haines, Betty Rogers, Jane Seitz and Audrey Seitz. Visitors welcome.

Nice to have Dallas and Krystal Fillingim and Keaira come visit and take me to lunch at Maxeys Saturday. They will be staying with David and Rita Person over the weekend. Also at Maxeys were O. K. and Elma Henson and daughter, Debbie Barnes. They were celebrating O.K.'s 94th birthday and all live at Tulia. O.K. and his first wife, now deceased, taught school at Briscoe a few years. Their daughter, Carolyn, lives at Plainview. Good to see them. Elma even reads my column.

Verna Alston is a new resident at Wheeler Care Center. Welcome, Verna. Her husband, Ray

Alston and son, Gary Alston, were visiting her Saturday. Ray and Verna are from Marble Falls.

Meek Reunion

Mark and Annette Meek hosted the Meek Reunion at their house Saturday, September 2. Lots of visiting and eating. Some there were Jocelyn (Meek) Ratliff, Evelyn Meek, Kevin and Jona Meek and Shantell and Tommy, Keith and Tammy Meek and Jessica and Molly, Phillip and Ruby Meek from Pampa, Doris Finsterwald, Phoebe and Chuck Hartline and Tamera, Don and Glory Hartsfield, Fredia Rogers from Pampa, Mark and Annette and Martha Meek. They had a good pot-luck meal and a good time. Also some cousins from Oklahoma there.

Friday Ray and Glenda Hudson enjoyed supper at Maxeys with Harry and Cristene Marett.

Ray Hudson went to Amarillo Wednesday for a doctor's appointment and visited some with his mom, Lois Hudson. She is doing pretty well. Ray also ate dinner with his sister, Sharon and Harold Bertrand.

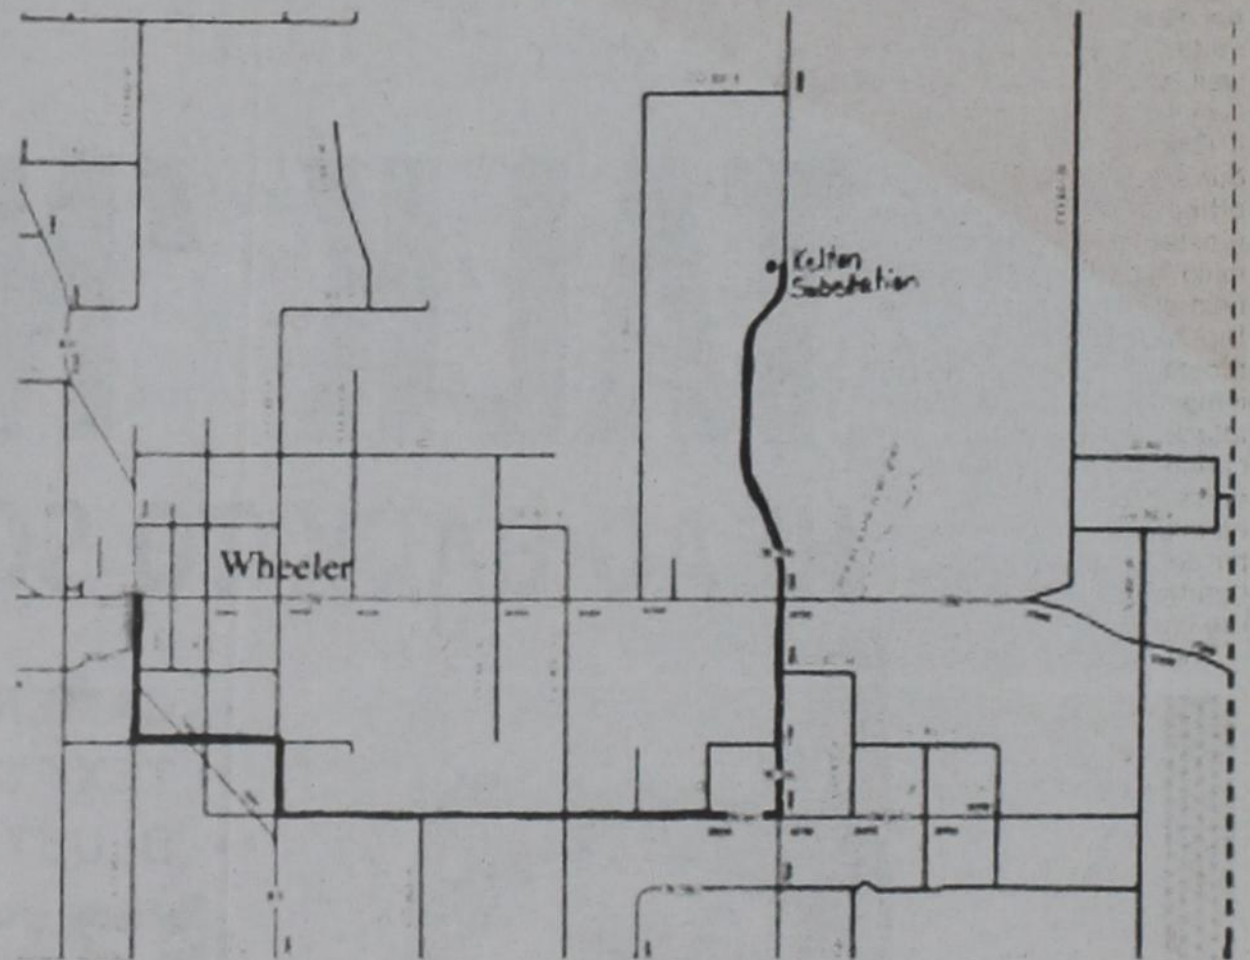

Shirley Dyson plans to stay some with son, Jerry and Linda Dyson, and Libby in Pampa, when she leaves the Pampa Hospital. Keep praying for Shirley. It was a bad break. And pray for Billy Joe, her husband, who is a new resident at Wheeler Nursing and Rehab. Go by and greet Billy. He is a friendly fellow. Bill was in my room first year I taught at Briscoe. God bless you! Shirley's broken leg healing but long way to go.

Nice to see Carolyn Hefley at the Post Office. She is just teaching Mondays and Tuesdays and every other Wednesday. Carolyn taught at Briscoe and coached girls basketball about 1970 for a few years. She has taught many years at Wheeler I.S.D.
