Citizens Of Wheeler County

It is a great time to live in Wheeler County. I have only been a resident of the area for 20 years but I feel like I have lived here my entire life. It is a great place to raise our kids and make a living

I am honored to have been a part of the process of collecting and managing funds for the, not for profit group called the Wheeler Area Activities And Improvement Council Inc. (WAAIC). We have been very fortunate in that many people have trusted us with their contributions. Thanks to the generous gifts of so many people in our county we are able to talk about building a community center for Wheeler County.

Friday night, June 9th at 7:00 PM we are requesting your help. We need you to fill out the survey that has been in the paper and also your participation by coming out to the show barn Friday night and eating free barbecue prepared by Mr. Barbecue, Steve Walker.

WAAIC has developed a proposal for a community center to be built in front of the existing show barn. This site was selected after careful consideration of other locations. Some of the advantages of this site are that it is easily accessible from highway 83 and it is a very big lot that can be leveled and terraced yielding very adequate parking and entrance. The two buildings together can be used hand and hand for so many purposes.

A partial list of the things that can be held in all or parts of the two structures include: The annual county stock show and sale can have the buyers supper in the new community center and then go right across the breezeway into the show barn for the sale. Why not have a farm show with the equipment in the show barn and the meetings and luncheon in the new community center. 4-H district wide events. Horse Shows. WTAMU stage band can put on community concerts. There will be a storage room with tall doors on it where the ladies can store their quilting squares without having to break them down. What a great location for a Family Reunion, the Boy Scout Blue and Gold Banquet, the Chamber of Commerce Banquet, the Family and Consumer Science Programs and 4-H cooking classes.

The proposal also has one of the small meeting rooms as a community storm shelter. We can all think of a time when we need a safe place to go.

There would also be offices for the County Extension Ag. Agent and Family and Consumer Science agent. These two offices would be able to supervise use of the facility.

Funding for the proposed project is to come from many sources. WAAIC and the Wheeler Economic Development Board have discussed the use of some of the 1/2 cent Economic Development sale tax for the project. There has also been discussions with Judge Hefley and the Wheeler County Commissioners. The bulk of the funding will come from WAAIC and matching grants. There are no proposed tax increases.

Citizens of Wheeler County and this area we have an opportunity to do something great for ourselves and future generations. Together as a community we can build a very beautiful facility that can be used as a gathering place to advance this Christian community in which we call home.

Vea Fillingim had 18 grandchildren and 40 great-grandchildren. So many beautiful little people.

In Missouri nice to visit with Bertha Hollis on the phone. Leonard had a stroke. He is getting around pretty well but not supposed to drive as he can't see very well. Think he is 82. They still play Se quence some to keep alert. Remember Leonard and Bertha in your prayers. They still hope to come back to Mobeetie some day. They are being able to go to Sunday School or church on good days. So good to get out. If you would want to write to them, their address is 1104 E. Buffalo, Bolivar, MO 65613. Their phone is 417/

Ray Hudson has been fighting Melanoma cancer for 30 years and thyroid cancer for 4 years. Good write-up in the Canadian Record. Only with the help of the Lord has Ray been able to survive the surgeries and radiation with iodine treatments. Ray's prescription for coping with the unknown is faith and prayer. All prayers appreciated by Ray and wife, Glenda, and their family and friends. We are with you, Ray.

Quilting at Totty School Thursday were Jane Seitz, Audrey Seitz, Betty Haines, Augusta Brown and Sydney Lynch. The Totty School Reunion covered dish lunch will be Sunday, June 11, at Totty. All exstudents and friends, who want to come are invited

Nice to see Jane Seitz at Thriftway Wednesday. She gets around so good for 93 and so perky. I asked her if she had been having fun. She said, "Oh, sure, I've been to the dentist." She didn't sleep well Wednesday night, but was out to quilting Thursday. She enjoys visiting with the others and still quilts. (My fingers don't work real well.)

Nice to see three lovely ladies from Allison at Thriftway Wednesday: Clydene Hall, Virginia Puryear and Charlene Rainey.

David and Rita Pearson and Jimmy Nelson met Lindsey Criswell and Blain and Dagen at Pampa and they went to the rodeo Friday night and ate supper. Saturday David and Rita went

to Windthorst and visited Dallas and Krystal and Keaira and attended the special activities sponsored by their church. Weekend visitors to Ed and Lau-

rel Hershman were Sarita Dawson and Micaela and Shelby. Nice to have them out to church. They stayed to spend the week with their grandparents and go to Bible School each morning. Bible School program will be Sunday night, June 11, at 6:00 p.m. Everyone invited.

Spending Sunday night with Ed and Laurel were Laurel's brother, Gayle Singleton from The Colony and Willa's sister, Joyce Hardage and son, David, from Claremore, Okla. All here for Vea Fillingim's funeral Monday at Wheeler Methodist Church. Also visiting were Elton Teeters and Joan.

In Wheeler lots of activity across the street north from Thriftway. I heard that David and Kathlenn Cross will have a new fancy Service Station there with more room and more for sale. Best wishes.

At Wheeler Baptist Cheryl Richardson and Sue Gaines prepared the delicious sloppy joe on buns with chips and raw vegges for Wednesday night supper. Oth-(Continued Page 6)

Hey! What happened to our spring? Summer came about a month too early and it doesn't look like it's going to change it's ways any time soon. The thunder and lightening was worse around Canadian and Miami than it was by the time it got to us. The rain was wonderful.

Saturday, Sunday and Monday we had 104 and 106 on our front porch. We attended a mini Evans Reunion in Borger on Sunday. The family of Charles and Gladys Mariner Evans gathered at Huber Park in Borger for a great day of eating and visiting. There were 75 of us that were visiting so much we didn't comprehend how hot it was getting. We had the gazebo and there was a breeze there in the shade so it didn't seem so bad. It's a nice grassy park with plenty of parking, just not close to the best tables, but there is a playground for the youngest ones right there by the gazebo so the kids could play right there in the sight of their parents and grandparents.

The Baptist Church had another great vacation Bible school last week. They had a good turn out and great help. The kiddos had fun learning their Bible verses, new song, hearing Bible stories, and sharing with their friends. They always enjoy family night the last night of VBS. They are anxious to share what they have learned and show everybody what they made. They always enjoy the arts and crafts part of the evenings.

Pam and David Jones spent the weekend over at their house in Pampa mowing and cleaning the yards. They had the front yard all finished Sunday evening when we were over at Tim and

Sorry that I missed the fact that Gina Seitz had to have surgery in Amarillo. Hope this finds you enjoying your time off and recovering well. We miss seeing you out and around. Joe Shelton had surgery the same day in Amarillo. He is back in the Wheeler hospital for therapy before they release him. Hope your are soon out dancing

Jackie and Fred Thrasher were in Amarillo Monday to see Dr. Dixon. There was one spot at the top of her knee that had a scab on it but would not heal up. So he took care of that with another little minor surgery in his office. There was a stitch from the surgery in January that hadn't dissolved, so he fished it out. Jackie bought a stationery bike to work that knee on as soon as the Dr. gives the okay after this last spot heals. She is a good boy scout. "Always be prepared." Jackie can only put 50% of her weight on that leg with the knee replacement. Please keep Jackie's brother and sister-in-law in your prayers. Wally is in the hospital at Appleton, Wisconsin after having a four by-pass surgery and an aneurysm fixed. Now he has a bacterial infection that he is fighting. Jordan had a father and daughter banquet last Thursday. She and Tony dressed in their fifty's garb and had a great evening. They looked so cute. The sock hop was fun. Tony, Pat, Jordan and Joshua are supposed to

come over for the weekend. Orville Greenhouse went to the family night celebration for VBS at the Baptist church on Friday evening. The kids were so cute and did a good job. Virginia Greenhouse visited her Mother over the weekend. They always have such an enjoyable time. Orville and Virginia went to church Sunday before Virginia went back to Dumas.

Last Monday we took Michael and Brianna back to Oklahoma City. Kevin Brooks had bought a pontoon boat and plans to use it on his days off during the week. He usually has three days off together so they plan to spend every other week at a lake. The kids are excited. This is the first year that they haven't spent the summer with us. I think I'm having withdrawals, Ha! Ha!

Wednesday we went to Dumas to be with our family. Lou and Barb were getting their motorcycles ready for the New Mexico tour. Their biggest plans were to go up through Cimarron Canyon, see the Vietnam Memorial at Angel Fire

going to do a lot of sight seeing took off for Chama and we headed and try to find a rug to go in their living room on a wall as an accent my sister home. She had to drive for the hanging lamps. Then ride Judy and Uncle John to the docthe whole Enchanted Highway tor in Las Vegas. Sorry that's New and go to Chama to ride the steam train to Colorado and back. (They said it was awesome). They treated themselves to a couple of nights at the La Fonda on the plaza in Taos. Then on to Santa Fe for a couple of days. We stayed with my brother and wife, Keith and Karen Sorensen, on Wednesday night. Thursday morning we met Mom, Shannon, Lou and Barb at Mom's to head for New Mexico. It was quite cool when we left, but it didn't take long to warm up. We stopped in Springer, NM and Uncle John Payton joined us or his cycle up the canyon. We ate a picnic lunch at the Palisades and went on to the Veterans War Memorial at Angel Fire. Before we got there it started raining quite hard and then before they could get their bikes parked it was hailing like crazy. First it was just peasized but didn't take long to be huge mush balls. They scurried to the main building to get out of the weather and warm up a bit. While we waited it out in the car. The hail built up on about 2/3's of the wind shield of Mom's van. Sure cooled things off. That part of the country is famous for their little afternoon showers that just blow through. As soon as that was over we all loaded up and went on to Taos. Lou and Barb has reservations at the LaFonda and our room was at the Indian Hills Inn about 3 blocks way and across the street from a grocery store. Their room faced the plaza so they could really take in all the sights and activities. They lucked out! The plaza is having entertainment on the plaza for a couple hours every Thursday night in June. There was supposed to be two different groups every Thursday. We enjoyed a Mexican band while we ate supper at Olgavies on the plaza. We only got

and then go on to Taos. They were fore dark. Friday Lou and Barb down the hill to Maxwell to take Mexico not Nevada. We spent the night at Mom's and came on home Saturday. Barb called Friday night to tell us what an awesome tour we missed. They planned to do the whole Enchanted Highway ride and then go to Santa Fe. We haven't heard how the rest of the trip is going. They are due back in Dumas on Tuesday night.

We have appointments in Amarillo on Wednesday so will get all the details then. Wednesday is going to be so busy, with 3 appointments scheduled I hope that none of the doctors run too late.

Certainly hope ya'll have a great week. Try to at least stay comfortable, even if you can't stay cool.

I will extol thee, my God, 0 king; and I will bless thy name for ever and ever. Every day will I bless thee and I will praise thy name for ever and ever. Great is the Lord, and greatly to be praised; and his greatness is unsearchable. One generation shall praise thy works to another, and shall declare thy mighty acts. I will speak of the glorious honour of thy majesty, and of thy wonderous works. And men shall speak of the might of thy terrible acts; and I will delcare thy greatness, They shall abundantly utter the memory of thy great goodness, and shall sing of thy righteousness. The Lord is gracious, and full of compassion; slow to anger, and of great mercy. The Lord is good to all; and his tender meries are over all his works. All thy works shall praise thee, 0 Lord; and thy saints shall bless thee. Psalms 145:1-10

been really HOT and DRY mainly. We did have a bad electricial storm in the very early morning hours and then when I thought it was over, the wind hit and it blew hard. Not much rain, but a electric and wind storm for sure. We are having summer like weather here in June and hit and miss showers along, most of them miss us. But such is life I guess. I praise God for the beautiful weather tho and everything is beautiful around us. We had a few apricots on our tree this year, so all was not lost.

I need to make some corrections in my writings: I wrote earlier that the missionaries to Hong Kong, Steve and Lynette O'Donnell's had been in the field for two years, and it should have been twenty-two years. Sorry about that. It was a typing error I'm sure. Then another correction I need to make is that Debbie Boydston brought Lousie home from the hospital, instead of taking her. I'm sorry about these mistakes and I apologize.

Sorry to report that my Aunt Billy June Brown is presently in the Parkview Hospital in Wheeler, Texas. She got completely down in her back. We covet ya'lls prayers for her that she will be able

Cletus Greene.

In these busy days, Vance and Carol have done just a few things along the way. Thank goodness Curtis and Lil got back to Allison! We miss them so when they are gone. We had such a wonderful week when their son and his wife, Tony and Elva were here visiting us all from El Paso, Texas. Lil and Carol had never met them, but oh how everyone enjoyed the get togethers! They even came to church with us. They already knew Pastor F.R. and Sis. Johnson. They really love them! Well everyone loved Tony and Elva by the time they left Allison. Hope they visit again soon!

This past week, we missed the Johnson's. They have been gone to visit family and attend graduations in both Texas and Oklahoma. They have some grandchildren to really be proud of. But we are really glad they found their way back to Allison. My how happy that puppy was to see them and oh, good example for the rest of our how their garden had grown.

In their absence, we were truly

blessed by Brother and Sister Latham from Abilene, Texas. They are such a loving couple. He preached with love to be ready and looking forward to the Lord's coming. My how blessed we are that Brother Johnson left us in such capable hands. Sister Latham gave beautiful testimonies and they sang some beautiful hymns. The power of the Lord rained on us. Oh, such singing, oh such shouting! Nothing like old time Pentecostal when the power of the Lord comes! Sister Latham had really been suffering from pain in her ribs and she was touched by God and was able to rest for the first time in days!! Praise the Lord. Curtis, Lil, Vance and Carol Boydston enjoyed fellowship with the Latham's the first Sunday they were here, at Maxey's in Wheeler. They really enjoyed the meal. Especially that blackberry cobbler! This past Sunday, Louise had recovered from a small surgery she of the church a dinner before they returned back to Abilene. So much delicious food was enjoyed by all road. And also for supper after agree a whole lot on politics too with his simply delicious homemade ice cream! Of course that's not to forget Louise Boydston's yummy, yummy home made rolls!!

Harold Walker, we missed you lately but you missed Lil's abundance of the deviled eggs you love. Sure hope our dear Sister

Elena is having a wonderful visit with her mother and family. Harold, we know you'll agree when we say, "We'll all be glad when she's home in Allison again." We all miss her sweetness and loving ways!! We're also awaiting Uncle Roma and Aunt Billy June's return. They have been visiting their daughter, Lola and her family. And they all attended Uncle Roma's family reunion. Time to come home! Also Brother Pete Gilmer has been dragged off by his daughters down south to the beach. Hope he felt like fishing. Come on girls, bring him back to us in Allison soon. And we want him to be all well and healthy! His home grown and home cooked corn sure was missed at our church dinner! He's a special guy! Right girls? Get well to Ronnie Hall and his

family. Hope they are all on the mend! Juanita Tincher, Ronnie's granddaughter has really been faithful to church. She is setting a youth! We'll soon be having an outing for them. Hope they will all make it. Their lovely Sunday School teacher, Sister Sheila Walker, was missed Sunday as she and her husband, Eddy, visited with family out of town. We welcome Eddy and Sheila Walker to downtown Allison. We on the main drag are so happy to have them join us. Can't wait to see their improvments. They are back and busy, busy already!

Allison is blooming, not booming, but blooming. Well some may disagree if they heard the celebration going on close by a few nights ago. They were having a real booming time! Sure missed the Greene's at church Sunday. Left an empty corner at church and we always enjoy the fellowship at our church dinners. Be looking for you back next Sunday. Hope all are well! Kyle has been visiting them these holidays. He came by and visited his father for awhile. Sounded like he had a wonderful vacation in Florida and the had and planned with the ladies Bahama's. He and Vance jawed awhile about those Rangers. They have a good team this year! They made five home runs one game and there was enough for the to come from 7-0 in the hole to an Latham's to take some for the 8/7 win over the Athletics! They church Sunday night. To top it off, So they spent some time sharing Vance made his famous fresh or- ideas on what's been happening ange cake and Curtis pitched in to our country and what could happen in the future. And Noah is always in the conversation! We all love him so!! Kyle not long ago took Noah to visit Tony and Elva. Seems he wanted to go to a Laser Beam Gallory. Well, whatever

She called her children and they all came over for a visit. Rosemarie and I have been like sisters ever since she joined the family some 50 years ago. Her children recalled some of the wild things in the past like pulling up all the baby carrots in my garden, getting scolded and then trying to push then back in those tiny holes. Everyone we visited had fun revisiting the past times in our lives and we all had a great time together. The next day, I ask Patrick where he wanted to go and I named some places. Most people want to go to Disneyland, but he wanted to go to San Clemente where I had lived for so long and he had visited for so many weekends...We did that and I got to see my long time friend Pat Hendry in her home. We had lots of catching up to do. Glenn and Patrick found a hummingbird nest with babies on the patio, so they were busy with the camera. We walked on the pier, had lunch in town, saw my home there and visited Richard and Kris Garcia who live up

Vea Fillingim

Vea Fillingim, 92, passed away peacefully at her home in Wheeler Thursday night. Vea was always so helpful to family and friends and beloved by many. She enjoyed helping others. We will miss her, but know she is having a wonderful reunion in heaven with her Saviour and many loved ones. Vea and husband, Leon, had six fine daughters. The girls and their husbands are a blessing to many and included Anna Dell and Joe Myers from Reddington Shores, Fla., Evalyn Free from Tyler, TX, Ruth and Dick Irvine, Violet and Kenneth Farris from Missouri City, Tx, Mozelle and Glenn Thomas from Amarillo and Estelle and Evertt McAdams from Plains, TX. They were all here for Vea's funeral and many grandchildren and greatgrands and other relatives and friends: I enjoyed eating supper and visiting with several family members at Vea's house Saturday night. Vea Fillingim was always a plucky lady. She had not been well, but she went to Canadian Friday night May 26 to the graduation of great-grandson Bryant Brock. He won many honors. Congratulations. She made beautiful quilts or afghans for all the grandkids when they graduated.

Vea and Leon Fillingim used to take six little girls (including baby twins) on camping-fishing trips to Possum Kingdom or other places and caught lot of fish. Once they had a community fish fry.

Nice to visit with Bulah Grimes by phone at Amarillo Saturday. She had been pretty sick on Friday but was better Saturday. Their phone is 1-806-457-4769. They live at the Arbors, 1910 Medi Park Room 411, Amarillo, TX 79106. Doyle and Bulah walk with walkers to the dining room down the hall. They do pretty well to be 88 and 90 years. They enjoy visits from her sisters, Betty Talley, from Miami, Audrey Alexander, who lives near and son Gary and Marilyn Grimes. Gary did not have knee replacement, but did have surgery on a knee.

Sid and Betty Talley's granddaughter, Trenidee Talley, plans to marry soon. Best wishes, Trenidee.

Good to visit with Christie Carstensen and Karis and Sarah at Vea's funeral. The girls had baked some things to bring out to Vea's house. They will be moving to Wellington about June 14, to pastor the Methodist Church there. Remember them and Ricky in your prayers. Sorry to see them go. God go with you. Our loss is their

Revelation 20:11-15 Then I saw a great white throne and Him, who sat on it, from whose presence earth and heaven fled away, and no place was found for them. And I saw the dead, the great and the small standing before the throne, and books were opened and another book was opened, which is the book of life; and the dead were judged from the things which were written in the books, according to their deeds. And the sea gave up the dead which were in it and death and Hades gave up the dead, which were in them and they were judged everyone of them, according to their deeds. And if anyone's name was not found written in the book of life, he was throne into the lake of fire.

Congratuations to Cory and Audrey Kinnaman on the birth of their new baby boy. He was born Monday June 5 at Elk. City. He was welcomed by Zoey and Zane. Bob and Debbie are grandparents.

Thursday, June 1, Pat and Alberta Helton's family took them to the barbeque and rodeo at Pampa too celebrate their 41st Wedding Anniversary. Others going were Danny and Lori Debose and Dallan, Christian, and Ansley, and Wade and Tammy Helton and Logan. They had a good time and saw several they knew. Happy 41st Anniversary, Pat and Alberta!

The "Farmers" at Wheeler Care Center have quite a bit of garden stuff in their little garden and enjoy watering and weeding it in the big wooden box NE of the Care Center. Good luck!

They had a good group and a good singing at Allison Baptist church last Sunday for First Sunday Singing. First Sunday Singing July 2 will be at Gageby Church. Everyone invited for good singing and readings and good fellowship. Ya'll come! 6:00 July 2 at Gageby.

Gillispie-Hartley Reunion Saturday, May 27th was the Gillispie-Hartley Reunion at Pat and Alberta Helton Ranch. Relatives enjoyed the noon meal, visiting, picture taking and the good homemade music and singing in the afternoon. Those registering on the guest

list were Charlie and June Hartley of Durham, Ok., and Rose, Nebraska, Bailey Beth Morrow of Rose, Neb., Ladonna (Hartley) Plemons of Reydon, J. W. and Darlene (Hartley) Lindley, Scott and Summer, Sarah Beth and Riley Lindley of Memphis, Tx., Lennie (Gillispie) Malson and Dawn, Warren and Alicia Malson of Durham, Ok., Shirley Fowler of Amarillo, TX (Shirley is mother to Kevin Fowler, well known countrywestern recording artist of Austin, TX), Kim (Fowler) Glover and son, Joel of Corpus Christy, TX, Chlo (Lindley) Brdecko, Madalyn and Morgan of Wheeler, TX, Helen Huskey (niece of Ferlin Huskey) of Amarillo, TX, Mary (Hartley) Price of Pampa, TX, Mary Hartley of Reydon and Elk City, OK, Dana (Thomas) Hartley of Bethany, Ok., Jessie Hartley Brown of Arnett, Ok., Kyle, Shelby and Libbie Mabra of Reydon, Ok., Stacy Rollman and two sons of Oklahoma City, Ok., Shay and Kenzie Bonser of Reydon, Ok., Brandon, Dorothy, Reno and Maleigh Plemons of Cheyenne, Ok., Melissa and Landon Helton of Mobeetie, Tx., Justin Helton of Allison, Tx., Dub Anderson of Ama-

rillo, Tx., and hosts. There were others we may have missed but everyone had a great time together. It was great surprise to have Dub Anderson, who had relatives in Kelton, Tx., area join us as he used to play in the Albert Hartley band in the 1950's. We certainly enjoyed Dub's addition playing guitar and base during the music time with Alberta and Lori on the piano, guitar and lots of gospel and reminiscing ole time singing with Justin Helton, Dawn Malson and Arlene Lindley joining in. The young ladies, Madalyn and Morgan Brdecko and Bailey Beth Morrow did some great singing also. It was a fun time being together again. We certainly missed the Cecil Gillispie families this year due to his recent passing, but we look forward to next year's re-

Pat and Alberta Helton, Lori DeBose, Dallan, Christian, Ansley and Martha Patterson enjoyed the Southern Gospel Jamboree at Elk City last Saturday evening. Participating were Alberta, Lori, Purcy Walker, Brothers Four, Shirley Wright, Larry Nance and many

-cwe-And, Thanks to First State Bank for sponsoring these pictures. -cwe-

We have information on the upcoming annual 4th of July celebration. July 4 is on a Tuesday this week. We usually have a better turnout when the 4th falls in the middle of the week. -cwe-

The Old Mobeetie Jail Museum will be holding the 'Old Town Hoedown' again this year. This will be Saturday, June 24 at the Old Jail. Lots of activities, complete with good food and good music.

-cwe-Have you visited the local library lately. They have a good selection, including the newer books. It is nice to be able to go over there and get the book you want. Keep up the good work, Tresa Watts and Ed Url Luttrell. You might even find Beth Shelton; she is in the Times office quite often looking for obituaries to keep the files up to date. We went to Lovelady this past

weekend for Dorcie's dance recital. We do not get to go to the recital, since it is on Sunday, so we go to dress rehearsal. Dorcie did a solo; naturally she was the best in the show.

Leaving on Thursday afternoon we spent the night in Sherman after a stop in OKC. We arrived at the ranch about 8:30 Friday morn-

The return on Sunday took us back through Sherman and OKC. -cwe-

I notice last year at this time we were getting ready for Wheeler's Ex-Student Reunion. Have you started looking back for old pictures. Next year will be the 100th Year Celebration and we will be needing lots of pictures. Get them found, scanned and emailed.

-cwe-We got started a little late playing cards Monday night. Rhonda and Leroy won the first game, but Patsy and I won the second game by just over 100 points. Stormie enjoyed being entertained by
