## CWE CHAT WITH EDITOR

By Louis C. Stas

Okay, Mustangs, let's have a win this Friday. **BEAT SHAM-ROCK!** We know you can do it.

Sorry to hear of the injury to Terry Menefield at the game Friday evening.

**Good Luck, Taylor and Haley Sparks!** The girls will compete at the regional level in cross country Saturday, Nov. 8, at Lubbock. **On to State!**

Some people were concerned about Trick-or-Treating being on a football game night.

I must tell you, I made no difference at our house. The youngsters started coming about 5:00 and continued until about 8:30. We greeted about 210.

It is good to have the election over with, so we can move on to something else. Remember, if you did not vote, you have no right to complain.

Jennifer and Seth had come to Wheeler so Seth could go trick-or-treating. They were joined by Stormie and went to a few houses.

The Meriwethers came into town and helped greet the youngsters. Stormie also helped hand out candy.

It was a very nice night to be out and around. Some of the residents sat on their front porch, handing out the candy.

Looked like they had a nice crowd for the Wheeler Volunteer Fire Department breakfast Saturday morning. It was delicious as usual.

**HAPPY BIRTHDAY, Dorcie**

## STORM REPORT

As Reported by ...  
Stormie Meriwether  
Kindergarten Student

The big yellow bus takes all the kids to school. It's fun to ride the bus with my friends.

We read a book about the apple tree. The man shook the tree and ate all the apples. We do fun things at school.

I like to play on the seesaw. All the kids at school vote for the president. The TV says, 'cause Texas is red. The blue states have to vote for Obama. When all the people vote we will have a new president. That's it!

## Wheeler Shoppers Can Win 'Cash'; Lucky Shoppers To Share \$1500

The annual Christmas Drawing will again be offered by the progressive merchants of Wheeler. The drawings are sponsored by the Wheeler Chamber of Commerce. Certificates will be given away to lucky local shoppers during the two-day-Chamber Christmas Open house. The merchants of Wheeler feel this is one way they can thank you, their customers, for the support you have given them during the year and are giving you a chance to share their profits.

There will be only two drawings during our Christmas Open house on November 29-30 at 2:00 p.m. both days on the square. A total of \$1500 in Wheeler 'Cash' will be handed out to lucky Wheeler shoppers. The amounts in the envelopes will be varied.

The 'cash' will still be in the form of Wheeler bucks to be used at our local businesses listed on the back of each slip of script.

Tickets for the drawings will be given out only in November at businesses identified as posted in their windows.

As has been the practice for the past several years, script is given away to the lucky individuals instead of cash. The script can be spent like money with any of the participating merchants named on the back of the script. The value of each slip of script will be printed on the face of the script.

Remember, each time you enter participating stores you are entitled to a ticket; ask for it, sign it and deposit the ticket in the container located in the sponsoring firms.

You will receive one ticket per each one dollar of the purchase value up to a maximum of \$500.

When the day of the drawing arrives, all of the tickets will be placed in a large container and the winners drawn. You **MUST** be present to win; however, hus-

bands and wives may claim each other's prizes.

Each sponsor giving tickets will display a poster in their window indicating they are giving drawing tickets.

**GRANT MONEY RECEIVED:** David Britt Jr., President (left) and Charles Kuntz, Treasure, of WAAIC are shown with a \$150,000 check from Sybil Harrington Foundation received recently to be used for the Wheeler County Agricultural & Family Center under construction at the north edge of Wheeler.

## Don and Sybil Harrington Foundation

# \$150,000 Donation For Wheeler Co. Agricultural & Family Center

A check in the amount of \$150,000 to support construction of the Wheeler Agricultural Activities Center was received from the Don & Sybil Harrington Foundation.

David Britt, Jr., President of the Wheeler Area Activities & Improvements Council, Inc expressed the Board's appreciation to The Don and Sybil Harrington Foundation for their contribution to the construction of the Wheeler Agricultural Activities Center.

The Don and Sybil Harrington Foundation was founded as a trust in Amarillo in 1951 by oilman Donald Harrington and his wife, Sybil Buckingham Harrington. In 1988, the Foundation changed from a private foundation to a "public supporting organization" of the Amarillo Area Foundation (AAF), supporting the operations of AAF with its value of \$68 million. Both Foundations provide grants and services to strengthen nonprofit organizations in the 26 northernmost counties of the Texas Panhandle and the services they deliver.

In the words of Neita Standlee Evans, "We need to build an Agriculture Activities Center for our kids and grandkids and ourselves where we can get together, share one another's friendship and Christian fellowship." This facility will allow us to have a place where we can have 4H Banquets, Senior Citizens Suppers, Quilting and Craft Shows, Blue and Gold Banquets for the Boy Scouts, Annual Chamber of Commerce Banquets, Livestock Boosters Suppers, Family and Consumer Sciences activities, Community Gospel Music Presentations, Stage Band Performances, Family Reunions, Community Safety Programs, Health Fairs, Extension Services Education Programs, a Community Storm Shelter, and the opportunity to share Wheeler's friendship and pride with our neighbors.

Thanks to the contributions from a great number of sources the challenge from the Don and Sybil Harrington Foundation was met and the building construction is underway. When you are in the area go by and look at new building. There is still time to purchase one of the granite blocks and help finance this project. Call Charles

## Wheeler School Times

by Diana J. Corral

The week of October 27-31 was started off on Monday with the Wheeler cross country teams traveling to Amarillo Thompson Park for the District 7-1A Cross Country Meet. All of the Wheeler

runners ran well and many times were improved from last year's meet. The junior high boys won first place in their division. Out of our high school runners only Taylor and Haley Sparks advanced to regionals. Good luck to them!

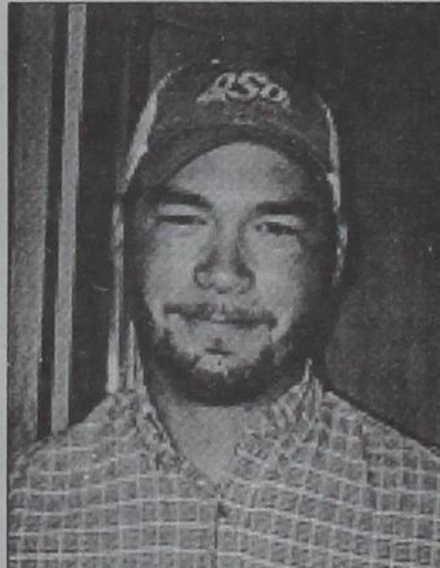

Friday night the Wheeler Mustangs faced the Wellington Rockets at Nicholson Field. Not only was this the third district game of the year, this was the last home game. The boys played a good game but unfortunately they could not get past Wellington. The game ended at 28-0 Wellington.

Friday night was also senior night. Richard Watler #15, Aaron Rincon #35, Michael Mendoza #54, Zack Andis #55, and Vinnie Ruiz #52 represented the class of 2009. Nicole Moore was also recognized for her dedication to WHS Cheerleading for the past four years. Aaron Rincon also received recognition for being a member of the Mustang Band. These seniors have been a part of Wheeler's Friday night lights and they will be missed next year. Good luck to them next year.

On Saturday October 25, 2009 was one of the test dates for the ACT. Kaden Taylor, a senior at Forgan, OK was scheduled to take the test that day. However, on his way he wrecked his pick up and rolled it. He is paralyzed from the chest down and is in ICU. Since it was senior night at WHS, the seniors decided to help out another senior. They decided to collect donations during the game to send to his family. Seniors Stefan Tucker, LaKrista Garza, Jared Messer, and Diana Corral worked during the game to get these donations. They want to thank all the fans for helping out. The Taylor family will greatly appreciate this help.

## ALLISON NEWS

By Juanita Boydston

(Editor's Note: Last week's Allison News was delayed in delivery and was not received until after the paper was completed.)

And Jesus answered him, The first of all the commandments is, Hear, O Israel; The Lord our God is one Lord: And thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind, and with all thy strength: this is the first commandment. And the second is like, namely this, Thou shalt love thy neighbor as thyself. There is none other commandment greater than these. Mark 12:29, 30 & 31

This is the day which the Lord hath made; we will rejoice and be glad in it.

Thou art my God, and I will praise thee: thou art my God, I will exalt thee. O give thanks unto the Lord; for he is good: for his mercy endureth for ever. Psalm 118:24 & 28 & 29

All nations whom thou hast made shall come and worship before thee, O Lord; and shall glorify thy name. For thou art great, and doest wondrous things: thou art God alone. Teach me thy way, O Lord; I will walk in thy truth: unite my heart to fear thy name. I will praise thee, O Lord my God, with all my heart: and I will glorify thy name for ever more. For great is thy mercy toward me. Psalm 86:9-13

## The View of a Southern Woman

... Southern California that is.

Well, it has been about 2 months since I wrote my last column, but as I promised Melba Arnold, the proofwriter in Oklahoma City, I would update every now and then. Since last I wrote, not a lot has changed. We did go to Northern California by way of Colorado to see son, Neal, and Spring Valley, Nevada, to see daughter, Laura, and then to Clear Lake Oaks, California, to see my sister, Shirley, and meet with my two Southern California brothers, Don and Rick, for a few days. We had a great time but they are a lot older than I thought they would be. Then again, I am the oldest, so maybe, just maybe, they thought I was older than they remembered!

My sister Shirley said to bring some games to play, although I never got them out of the trunk of the Buick. We just never shut up talking or eating or playing the "remember game." That is the game where someone says, "Oh yeh, that was in 1965," but someone else says, "No, that was in 1978." Do not ever play this game for no one remembers the times in our lives the same way. It was perfect weather and I would have liked to have stayed longer than the 2 weeks we were gone, but hunting season is upon Texas so we had to come home.

We did take a trip to the lake house in Oklahoma and close it down for a while. Our one tomato vine had half a ton of tomatoes on it that were still green and a ton and a half of blossoms, but a freeze made us pick the largest tomatoes. They are still ripening in boxes. When we left the lake house, the tomato vine was still going with only a little bit of wilt. Our backyard down there is full of deer each night, but we have to come up here to hunt. I love to watch the deer and wild-life from my deer blind and it is also a great place to write my Christmas cards...it is so peaceful and quiet there.

Henry is getting older, but just

as ornery as ever! Glenn Forrest Frosty is never safe in the yard and this is a 3 1/2-acre yard. Henry can find him anywhere for one of his famous sneak attacks. I try to warn Glenn although I am usually too far away. When we go out to lock them up for the night, all we need to do is ask if they are all in the hen house and Henry answers with his loud crow. Silver may be the strutter, but Henry is still big chief. The hens have given up trying to set for the year and all is well with them.

My daughter, Laura, wanted me to bring her some bantam eggs for her incubator and also some of my fish for her pond. I really knew better than to do this, but Glenn caught some of our fish and put them in a large glass container. Sadly, they died one by one on the way to her house which was some 1300 miles. The last one almost made it, but he was dead in the motel room on the last morning of our journey to her house. We did take them into Neal's home and two other motels on the way to Laura's so they would not freeze. Good thing we went to Reno after leaving Laura's, for it would have been very odd to see us carrying a big jar of Koi and goldfish and a carton of eggs into our 12th-floor room at Circus Circus. Laura put the eggs in the incubator, but they never hatched. I figured that it was Glenn's driving that mixed up the yolks. I told her I would mail some eggs next spring. Maybe that would work out better...maybe not. With love to all of you, Betty Boydston.

## MOBEETIE NEWS

By: Sue Mayfield

Sorry I missed you all last week. Another one of those weeks that "the best laid plans of mice and men didn't mean a thing." It was so good to see Mary Jane Gearhart at the grocery store and get in a short visit. It's good to see Mary Jane looking well and as vibrant as ever. F.L., supposedly, retired a few years back, but that was only from the job as a driller in the oilfield. He just has all sorts of projects going and is busy doing something for someone else all the time. Their children and grandchildren are all well. They are great grandparents and enjoy each new addition to the family. Just don't get to see any of them enough.

On Wednesday, we went in to Pampa to help Miss Kourtney celebrate her first birthday. Jennifer had taken time to buy some cupcakes so she could have a small party with her class at the day care. The cupcakes had pale blue icing on them. The kids must have really enjoyed them; they each had little spots of blue on their shirts and big smiles on their faces. Kourtney's birthday buddy is Mason Lee. He was born a couple of hours after Kourtney at BSA in Amarillo. They started out within a few inches of each other and a few ounces. Kourtney has some catching up to do now, though. Happy Birthday, Kourtney and Mason. Kourtney had a cute little white puppy dog cake, just for her. Then the rest of her guests and family got to share cupcakes with confetti frosting. The puppy cake was actually two cupcakes with plenty of icing to make it look like a long-haired puppy with a black bow. It didn't take her long to figure out what to do with it after it was put on her tray. Thursday, she got to celebrate being a year old with a trip to the pediatrician. She finally is 24 3/4" tall and broke the 17# mark. That was one of the goals that the doctor has had for her since July. She got her four shots and played some games with Dr. Kim. Maybe she should let him win some next time. Ha! Ha!

It's amazing how well Fred Thrasher's arm has healed after the spider bite. Dr. Rodriguez had cut away the dead flesh so he hardly even has a scar. It never even slowed Fred down after the first week, so glad it all turned out so well.

Albert and Leona Faye Mayfield of Tucumcari, New Mexico, stopped by Thursday for a short visit on their way to Elk City for the Old Fiddler's Contest and lots of good dancing. They always have a good time. The "cousins" try to get together for supper on Friday and then Manuel and Loretta Faye Hensley of Strong City have the family out to their place on Saturday to do the picture exchange and get family information. We had to miss it this year because before they left to go on to Elk City, we got a call that Mom, Carol Orthman, had entered the hospital in Dumas for pneumonia. They always like to get there so they can dance for free on Thursday and have a preview of the bands that will be playing for the weekend. Friday, after we got Ralph all set up and situated, we went on to Dumas. Not long after we got there, they were putting Mom in ICU and then later

that evening, we moved her to Amarillo. After doing some more tests and CAT scans and getting her heart rate under better control, they moved her to the cardiac unit. She had double pneumonia and two other infections raging. No wonder they were having trouble getting her fever broke and her heart rhythms under better control! My sister, Shannon Pool, Bob and I waited in the MICU waiting room until they could give us some answers. Mom had worked Wednesday night and had come home early with a headache, but that was the first sign she had that anything was even going on. Thursday morning left no doubt that it was more than she could handle at home. The doctor said he had had several cases similar to hers already this season and was having trouble finding any one antibiotic that worked against it. Sure is going to be a long winter. So glad her flu shot and pneumonia shot were current. Of course, this is a new strain so that didn't mean much. Praise the Lord!! He an-

swered our prayers again! She is better and He has definitely blessed our family.

Sat. morning our brothers showed up to spend the day. Uncle John Payton was in Amarillo for the Bluegrass Fall Fling so he came by for a short visit and also Rev. Jim Guest, formerly of Hunt Memorial Methodist Church in Dumas and now pastor at Westover Fellowship Methodist Church in Amarillo. Then Sunday, after she got on the cardiac floor, she had visits from Aaron and Lori Sorensen, grandchildren from Hereford, Joe and Twila Orthman, Shannon Pool and Keith Sorensen all of Dumas, Margaret Ann Payton, a niece from Amarillo, Shellie Adams and son, Zach, a granddaughter and great-grandson from Hereford, Scottie Willis, grandson from Sunray and Jeff and Sky Mayfield, grandchildren from Pampa. Monday, Rev. Jim Guest of Amarillo and Rev. Terri Hart of Dumas, along with John Payton of Springer and Margaret Ann Payton of Amarillo visited. Tues-

day, Carol enjoyed visits from Rev. Tom Stribling of Happy and Rev. Terri Hart. I had an extensive doctor's appointment scheduled, that took even longer than planned, so we missed getting to see Tom. Sorry, but really appreciate him going by to visit with mom. His visit really made a difference. Thanks. The whole time she was in the hospital, she had a recurring major headache that she just couldn't shake. She had been admitted for the pneumonia, so when that was under control they were sending her home. But, as with so many things, that changed and she moved to the Heritage Convalescent Center on Wednesday afternoon. It is a very nice facility. Even though it's an older building, she has a private room and bath. The people there are so pleasant and helpful. She is in the swing bed wing and is already showing signs of much improvement. Thursday, Roger and Charlotte Dunn of Dumas finally caught up with her in spite of some misdirected directions. They have already visited twice. She enjoys them so much. They found out the girls have the same last maiden names, so they are going to pursue checking information to see if they may be related somewhere down the line.

Sorry to hear that Vera Walker had to have hip replacement surgery. She had it done Wednesday night at the BSA 9th Street campus. Roger and Charlotte had gotten to visit with Kenneth and Vera a little Thursday morning. Vera was doing amazingly well. So glad that is behind you, Vera! Hope this finds you feeling much better and able to move about some.

Sunday night, we met Todd Perkins. He is a nephew of Dean and Georgia Tipps. He sends greetings to his family and friends down here. He has some good memories of time spent with his family in Wheeler County. He works for the Amarillo Globe News.

Our deepest sympathy to Ed and Jeannie Hennig of Wheeler and the family and friends of Naomi Speck. She passed away on Wednesday, Oct. 29, 2008, in Amarillo. Memorial services were held Monday, Nov. 3, in Childress at Calvary Baptist Church with burial in the Childress Cemetery. Naomi had been raised in the Childress area and she and John Hennig had raised their family there. She moved to Wheeler to be closer to her family after the death of her second husband, Bob Speck. She was a member of the Baptist Church in Wheeler and had been librarian at the city library for several years. Naomi is survived by two sons, Andy Hennig and wife, Janie, of Panhandle and Ed Hennig and wife, Jeannie, of Wheeler; a daughter, Linda Gafford, and husband, Larry, of Amarillo; a half-brother, Roy Benningfield, and wife, Mary Lynn, of Perkins, OK., along with eight grandchildren, 20 great-grandchildren and one great-great grandchild. She will be greatly missed. Naomi had spent the last 6 years of her life at the Heritage Convalescent Center in Amarillo.

The Stuart family and Dunn family are anxiously awaiting the arrival of Chad and Sheena Stuart's son. This will be the first

Dear Western Customers,

In our experience we have come to know that farm equipment dealerships must be at a certain scale to achieve high levels of customer satisfaction.

Small businesses, such as Western Equipment, must overcome staffing and inventory problems as well as keep pace with state of the art practices. In order to continue to provide mutual satisfaction to our customers, employees and owners, we must consolidate our operations at Memphis, TX and Hollis, OK to a central location at Childress, TX.

As agricultural consolidation has swept through America, farmers and equipment dealers have learned that change is the order of the day. This change is a renewal of Western Equipment's promise to provide our customers with the best service within our abilities.

Our company is investing heavily in this endeavor. Childress will see a completely remodeled, larger facility with more than double the existing staff and inventory. Jarrett Jameson will continue to be the general manager of the enlarged Childress location. Western Equipment has the utmost confidence that these changes will be beneficial to all.

Sincerely,  
Jeff DeFehr  
Bob Lorenz

**Be Prepared for Winter Weather**

While winter storms can strike quickly and without warning, there are many things you can do to prepare yourself and your family. Take the time to prepare now by having extra blankets on hand and making sure that you and your loved ones have warm coats, hats, gloves or mittens and water-resistant boots.

Assemble an emergency supply kit for your home in case it is not safe to go out during a storm. Be sure to include bottled water (at least one gallon per person per day), non-perishable food and a can opener. The kit should also include a battery powered NOAA weather radio, flashlight, extra batteries and extra warm clothing. Assemble an emergency supply kit for your car too and have the vehicle winterized before storm season.

**Know What To Do**

If experts indicate severe weather could be headed your way, stay tuned to local radio and TV stations for updated information on conditions. Know the difference between a winter storm watch and a winter storm warning. Exposure to cold can cause serious injury such as frostbite and hypothermia. When a winter storm warning is issued, follow these tips to stay safe and warm during the storm.

• Stay indoors during the storm.

• If you must go outside, several layers of lightweight clothing will keep you warmer than a single heavy coat. Gloves (or mittens) and a hat will prevent loss of body heat. Cover your mouth to protect your lungs.

• Understand the hazards of wind chill, which combines the cooling effect of wind and cold temperatures on exposed skin. As the wind an increase, heat is carried away from a person's body at an accelerated rate, driving down the body temperature.

• Walk carefully on snowy, icy, sidewalks.

• After the storm, if you shovel snow, be extremely careful. It is physically strenuous work, so take frequent breaks. Avoid overexertion.

• Avoid traveling by car in a storm, but if you must, add:

• Carry an emergency supplies kit in the trunk

• Keep your car's gas tank full for emergency use and to keep the fuel line from freezing.

• Let someone know your destination, your route, and when you expect to arrive. If your car gets stuck along the way, help can be sent along your predetermined route.

• Stay safe and stay warm!

**Medcat**  
• Winter is the season in which people try to keep the house as warm as it was in the summer, when they complained about the heat.

great-grandson. Even the great-granddaughters are older and anxious to get pictures of their new cousin. Sheena has a 2-year old son, Gage, that has taken quite well to Ronnie and Tanya. He thinks Ronnie hung the moon. Grandpa thinks Gage is quite special, too.

The trees have been so beautiful...so gorgeous dressed in their brilliant colors, but the wind on Sunday and Monday sure covered our backyard with a bunch of them!

One of the med. nurses at Heritage Convalescent Center is Heather (Kelly) Fedric of Hedley. She went to school here for part of her elementary and junior high years, then moved to Georgia to be with family. After 3 years out there, she came back to live with her mother, Sherry, in Groom. Now, she has two beautiful daughters and is a very compassionate nurse. Hopefully, next year she will be able to attend the school reunion. She is looking forward to catching up with her friends and their families. It was so good to see her doing so well! We had a nice visit.

Have a great week. Please keep our friends and neighbors in your prayers: Jack and Bernice Hefley, Clinton and Maurita Stribling, Don and Mary Edwards, Bill and Shirley Dyson, Carol

**Mustangs Lose To Wellington**

Wheeler lost to Wellington Friday evening, October 31. This was their second loss of the year. The final score was 28-0. Wheeler's loss of their quarterback, Terry Menefield, may have had something to do with the defeat. The injury happened in the early part of the game.

stall a new furnace for me for heating and cooling. Working good. Thank you! Guess I'm more ready for winter.

So thankful that our little great-granddaughter, Kamry, is still improving and doing well. Thank you, God. Thank you all for praying for Kamry, 2.

"This world is not my home; I'm just a passing through. My treasures are laid up somewhere beyond the blue.

The angels beckon me from Heaven's open door and I can't feel at home in this world any more."

Enjoying quilting and visiting at Totty School, Thursday, were Augusta Brown, Sidney Lynch, Betty

Rogers, Betty Haines, Willene Burke and Jimmae Hines.

Parkview Hospital Assisted Living Center enjoyed having several trick or treaters come visit them Friday. They were ready with treats for all the kids and they all had fun.

Sorry Wheeler lost 0 to 28 to Wellington Friday night there. Sorry Fort Elliott lost 12 to 58 to Happy Friday night at Fort Elliott in six-man. Better luck next time.

"Do not worry about anything, but in everything, by prayer and supplication, with thanksgiving present your requests to God. And the Peace of God, which transcends all understanding will guard your hearts and your minds in Christ Jesus" (Philippians 4:6,7).

There was a good crowd and a very good program of singing at Mobeetie Baptist Church Sunday night. Some singing were Marion Grimes, John Huff from Allison, Beverly Swift, Charlie Davis and Gina Seitz (all with guitars), Mark and Carol Roberson and Seth, Grace and Danny and Nadine Lane. In the Mobeetie choir were Charlie and Mary Davis, Betty Rogers, Beverly Swift, Marion Grimes, Paul Hathaway, Toney Dickey and Gina Seitz, leader. All very good. Gaye Hale played the piano. With readings were Clance Hathaway, Mary Cornell, Patrick Hudson, Kay Stiles and Melba Corcoran. Laura Vandever played dulcimer and harmonica. First Sunday Singing in December will be at Allison Baptist Church, December 7, at 6:00.

Sorry to hear that brother Aaron Lavery, pastor of Gageby Church was airlifted to Canadian and then Amarillo Sunday because of bleeding and was given three units of blood enroute to Amarillo. Didn't hear what his problem is, but he needs our prayers.

"God be with you till we meet again."
