I want to get a Wal-Mart card to get my dad some new shirts and pants. I want to give toys to all the kids in the hospital. I want to give the sunrise and sunset to my Mom; she will love it forever! That's it.

The week of December 15-19 was the last week of school at Wheeler School for 2008. This week the NHS and high school collected money for various Christmas projects. Students helped wrap socks for the residents and employees at the Wheeler Care Center. Money for bicycles for the Ben Britt Academy in Rainbow Town in Africa was also collected.

Money for books for the adult ESL class was also collected. Upon the books arrival members of NHS wrapped the books for the adults. Members of the adult ESL class exchanged these wrapped books Thursday evening. They had a good time on their last meeting of the year. Mrs. Rives and the NHS thank all the students for their generous contributions. These small gifts will make someone's Christmas a little brighter.

Monday FCCLA members went up to the Methodist to help the Boys Scouts and Hillhouses wrap Toys For Tots. A great number of students showed up and had a good time. Hundreds of toys were wrapped in the short amount of time thanks to all the help.

Student Council also had some Christmas projects underway. A Toys For Tots can was put in the hallway at the intersection so students and teachers could bring toys. Many toys were collected and on Tuesday morning student council members wrapped the gifts. The student council also sponsored a Christmas Movie Night on Wednesday night. All pro- (Continued Page 2)

MOBEETIE NEWS

By: Sue Mayfield

Merry Christmas to all our friends and family, near and far. May the blessings, joys and peace of Christmas be with you in the new year. Be safe in all your journeys.

Our cold weather around here has been a little more tolerable this last time since the wind hasn't blown so hard. I think it's been too cold to even snow. Our son, Todd, is stuck in the Portland, OR., area. This is the 5th day that he has moved because the snow and winds have been so bad. They have had over 24" of snow, but is supposed to break Monday and be beautiful by Christmas Day. He is just hoping the winds will go down and that the interstate will open up sometime Monday. It has given him some much needed time off which he would have enjoyed more with his family. But, the Lord has kept him safe, which is all that matters. It will sure change a lot of Christmas pleasures for a lot of people, though. They are all in our prayers.

Leola Stuart has been winterizing her home again. These cold north winds froze up some water pipes in the bathroom, but she caught it in time and there doesn't seem to be any damage. She insulated every crack and cranny she could find by the lines. But, like all of us, these old winds make us very thankful for creaky, drafty old houses. Those poor people that don't even have that, or less access to the nice warm fires we enjoy.

So sorry that Earl and Leola Farris are having such a rough time. Please keep them and Dick and Ann Graham in your prayers. Earl has been having trouble with his blood pressure staying too low. He was transferred to BSA in Amarillo, and while getting ready to have a pacemaker put in, the doctors found a spot on his lung. He did well through the pacemaker procedure, but it took a lot out of him. Later, they found some repair work they are going to have to do in his abdomen. Keep him in your prayers, as they will do the surgery Monday, 22nd. Leola fell and had to have several stitches and then got the horrible flu bug that really zapped her strength and set her back some. We love you both and hope you're feeling much better. You're in our prayers, Leola.

Congratulations to Jackie and Fred Thrasher on the birth of their newest great-grandson, Evan Joseph Phillip, Dec. 17, in Wisconsin. He is a healthy, alert little chap that is going to get lots of hugs and kisses from mom and dad, Krista and Jeremiah Phillip, big brother, Xander, and Grandma Patti, Grandpa and Uncle Cody think he is too small, and will wait until Evan gets a little bigger. Xander isn't too sure he likes sharing Mom. Xander will be two in April. What an awesome Christmas present, though!

Sorry to hear that the Trashers' oldest son, Tony Goodnature, and family will be moving to Forney, TX., Dec. 26. It is a small town southeast of Dallas, east of Mesquite. We are all sad to see them go, but Tony will be managing a much larger Love's there. Pat will miss her job as secretary at one of the Amarillo schools and the kids are going to miss their friends. They are all looking forward to getting into their new home, though. They will be living a very nice, fairly new two-story, 4-bedroom home. Good luck with this new chapter of your lives.

The word around the county is that Black Diamond Oilfield Services of OK has been sold to Superior. So the new year will bring new and interesting things.

Monday, we traveled to El Reno, OK., to attend the choral concert for the El Reno middle school. Brianna is the soprano part of a quartet that sang a special. They did a good job. It was a different type of presentation, but really allowed some very talented

youngsters to shine. A few of them have voices beyond their years. They are very gifted. It was an enjoyable evening. It was so good to get to visit with Brianna, her mother, Michelle Sherwood, and soon-to-be step-dad, Kevin Brooks. Congratulations to Kevin and Michelle; they have chosen a wedding date of April 18, 2009.

We left home with snowflakes in the air and sifting along the roads, but coming home was just a little foggy-like. The roads were clear.

Tuesday, we were in Amarillo for a Dr. appt. Mother, Carol Orthman, met us there. We took care of the appt. and a little shopping and then headed home. Mom spent the night with us. Lots of good visiting and catching up on things. It is so good to see her feeling better and able to do some of the things she wants to do. We all were up and around and headed to OKC again. We had a delicious lunch at Montana Mike's in El Reno before going on to the airport. We had Mom at the airport in plenty of time for the afternoon flight to Dallas and Charleston, South Carolina. Don't know who was more excited, Mom, or my brother and sister-in-law, Lou and Barb Orthman. It was really cute. Barb called just as we were leaving the airport to be sure that we got Mom there okay and that the flights were running on time. All went well until she got to Dallas, then they were held up waiting for a pilot that had more hours left to fly. By the time they got him and were ready to board, a second pilot showed up for the same flight. So, they had to get that worked out. In the meantime, the first mate (or whatever they are) ran out of hours and they had to wait for a replacement for him. They were 2 hours late getting out of Dallas. They made up some of that time in the air, but were still late, especially since Charleston is an hour earlier than we are, anyway. Lou and Barb usually get

going of a morning at 4:30, so was a short night for Barb. Lou was puny with a cold, so he stayed home on Thursday. Mom was very tired, but handled the flights very well. Barb's company closes down every year for 2 weeks at Christmas time for the whole staff. They are all a little worried that they may have a longer vacation than any of them want. Boshe's biggest product is the anti-lock braking systems for the new car manufacturers. They are just holding their breaths to see what the government is going to do for the auto industry.

Thursday brought a full house at the Fort Elliott elementary school's Christmas program. It was a great evening and the children did a terrific job. They are so cute; some of them really put everything they've got into it and then a few "do what has to be done." It's amazing that they can be so laid back and not get caught up in the whirl. The teachers have done a good job with them. Friday was their last day of school until next year. Everyone was so excited. Enjoy your break! I hope Santa is good to each of you.

Friday, Erica and Jayden got out of school early for their holiday break. They were so wound up. (I still think that the new book out that says that testing children for sugar highs proved that it is not so. I beg to differ with that. We have three grandchildren that can disprove that theory. The couple that wrote it can come stay the night with us and watch them until they have had a couple of smores and a milk shake.) Kourtney is back on breathing treatments, so she gets a little hyper for a while.

It was nice to see Artie Tidwell at Wal-Mart. She was doing some grocery shopping for a big Christmas dinner she is planning for her family. She is expecting all of her family home, if the weather cooperates. There will be at least 24 at her house. Grandson, Daniel Blocker, and Tim were best buds when we lived in Wheeler. We all had some good times together. Artie was always so helpful. She even helped me with Boy Scouts when she could. She has always been such a hard worker and was busy cleaning the

Baptist church on top of everything else she did. Really miss our visits. She still stays busy.

Daniel, his wife and two children, a 2 year old and a 4 month old, have been in Albuquerque for the last 3 years. He is in the Air Force and has been for 12 years. He has already done two tours in Iraq, but is scheduled to go back in 2009.

Please keep our friends and neighbors in your prayers: Don and Mary Edwards, Clinton and Maurita Stribling, Louise Hogan, Lorene Rector, Orville Greenhouse, Earl and Leola Farris, Dick and Ann Graham, Shelton May and family, Joe Tolle and family, John Ulrey and family, Michael

Thursday evening, Juanita Boydston visited awhile in the home of Roma and Billy June Brown.

Vance and Carol Boydston arrived in Allison on Friday night and they visited in the home of Opal and Juanita Boydston and ate supper with them and after eat-

ing we all enjoyed a game of Mexican Train. Was good to get to play again as it had been a long time since we had got to.

Saturday, Vance and Carol Boydston enjoyed a homecooked meal in the home of Opal and Juanita Boydston and visiting and yes another game of Mexican Train. I think Vance won the first one and Carol won the second one. They came and whipped up on us for sure.

Vance and Carol spent Sunday after Sunday School visiting with his mother, Opal Boydston and sister, Juanita Boydston. They enjoyed a homecooked meal and brownies for dessert. I forgot to mention that when Vance and Carol arrived Juanita had a coconut cream pie waiting for them. And yes we played another game of Mexican Train and Carol was the winner again.

May God Bless and Keep ya'll till next time!! Have a Blessed Christmas and a HAPPY NEW YEAR!!

The United Methodist Church of Allison enjoyed their Christmas Program and Dinner and gift exchange Sunday night. Haley Begert said the program was great and all knew their lines and there was readings as well. They had a great time of fellowship!!

Ralph and Gwen Fielding and their son, Brandon of Brenham, Texas visited this weekend in the home of her parents, Bro. and Sis. F.R. Johnson. Bro. Ralph Fielding preached for the United Pentecostal Church in Allison on Sunday morning and his wife, Gwen blessed the church with a song. Enjoyed them being with us in worship and song.

Tuesday, Louise Boydston and Shirley Chadwick went to Sayre, Oklahoma and got Shirley's car out of the shop. From there they went to Elk City, Oklahoma and visited Pearl Harrison in the Elk City Nursing Home for about an hour. Then they went to Cheyenne, Oklahoma where they attended the Cheyenne Elementary Christmas Concert. Sue Martin's grandchildren and Louise's great grandchildren were in the concert. Brianna Hansbro and Lucas Montgomery were the grandchildren and great grands. Sue Martin came home with Louise and Shirley and stayed a couple of

Early on Sunday morning as the new day was dawning, Mary Magdalene and the other Mary went out to see the tomb. Suddenly there was a great earthquake because an angel of the Lord came down from heaven and rolled aside the stone (from the tomb) and sat on it. His face shown like lightning and his clothes were white as snow. The guards shook with fear when they saw him and they fell into a dead faint (Matthew 28:1-4).

"Happy Anniversary" to Jack and Brenda Sparlin, Dec. 28; Doug and Betty Rives, Dec. 29; Darrel and Maggie Marshall and Terry and Sheila Mick, Dec. 30; Rick and Julie Woollard and Bryce and Alli Calvert, Dec. 31. God bless and guide you, everyone.

Pray for Helen and Wesley Steen. Helen's heart attack has been deemed more serious than was first thought, but we have a great and powerful God. We've missed you at church, Helen and Wesley, and hope Helen is gaining strength and improving. We love you. (Helen and Wesley are

back in Wheeler and Helen is having rehab). Keep praying for them. Helen is spending some days at Parkview Hospital. Wesley was back at church Sunday. God bless you!

Everyone is invited to Gageby Church Christmas Eve night at 6:00 p.m. You can sing a song, read a poem or you can just listen and enjoy the program. Bring finger food for snacks after the program. Gageby Church has been having Christmas Eve program and fellowship for way over 50 years. I remember when our Mary was small, Santa scared her and she started going over seats till she got about half way and ended up sitting in Exie Francis' lap, even though she didn't know her. Santa doesn't come any more, but we always have a good time. Everyone welcome...see

you there!

Ray and Glenda Hudson went to Amarillo Saturday for the wedding of Jessie Sweet and Jenny Chenault at the nice home of a friend. Also there were Cheryl Fraley and Steven from Mobeetie. Hudsons shopped a little and ate at Texas Road House before coming home. Remember Jessie and Jenny in your prayers.

Vicki Ferguson sang a beautiful Christmas song Sunday morning. Thank you.

Nice to have a phone call from old friend, Carl Simpson, at Amarillo. He is doing pretty well. He goes to the Care Center to visit the older people and to church at St. Stephen's Methodist Church. If you would want to call him, his phone is 806-359-5666. His address is 7121 Adirondack, 79106. He has two sons that live with him and a daughter that lives away, but visits twice a year. Thanks for calling, Carl.

Patsy Smith enjoyed having family members visit her last weekend and included son, Dale Smith from Balco OK, son, Jeremy, and Amanda Smith and Caleb from Lubbock and Jenny and Alan Mixon from Briscoe. Alan works for Ft. Elliott School; they live in a "school" house and really enjoy living there. Yeal Jenny still works at Parkview Hospital, so doesn't have as far to drive as when they lived at McLean.

Happy Birthday, Wanda Herd! Merry Christmas! Happy New Year! You do a fantastic job managing Maxey's with lots of good food, good helpers (and diners). God bless and keep you!

Kulani (McElroy) and husband, Charles McDerment, are expected to move to Mobeetie area in early January where Charlie will be the new youth minister at Mobeetie First Baptist Church. The McDerments' children are Rachel, Rory, Quinn, Tannen and Donovan. Remember them in your prayers. Hope all works well. Kulani is the daughter of Pastor Don and Mayme McElroy. Looking forward to seeing them all. Charlie has been in the Navy some years.

Ray and Mae Brazeal traveled to Sachse, Texas, Dec. 13, for the Brazeal family reunion hosted by Allen and Cindy Johnson at their home. They planned to stay until after Christmas. Ray and Mae Brazeal were joined by Joe and Ann Ellison and Jim and Nicki Calderon. Great fun and entertainment were enjoyed by all as the true meaning of Christmas was celebrated. Others attending were Edwin and Melanie Ellison and Erika and Garrett from Sanger, Texas; Shirley Horton, Roy and Pattie Horton and Kris and Heather, and Will and Starla

Bobbin and Josh, Justin and Jamie, all from Brenham; Steve and Shannon Horton and Aiden from Houston, Texas; Jimmie and Shirley Brazeal from Sanford and Blake Jordan and Brianna Johnson from Sachse.

Nice to see Dwayne Meadows at Wheeler Post Office Saturday afternoon. He was getting his dad, Cecil Meadows', mail. Then, they planned to take a little drive out Kelton way and eat supper at Shamrock. Cecil has three boys who take turns, or have their special days, when they take Cecil out to eat and visit with him. Isn't that nice?! Cecil also has a girl, Donna, who lives too far to drive over and take him to supper, but she does visit sometimes. She is married to Jerry Hawkins and lives in New Mexico. Dean and Shannon live in Canadian and Dale and Shonda and Dwayne all live in Pampa.

Canadian football team won their second State Championship Saturday at Wichita Falls beating Mart 38-7. Dallas and Krystal live at Windthorst (not far from Wichita Falls), so got nieces to watch the girls and went to see the game. They got to see several people Dallas knew: Eddie and Sherry Meek, Todd Meek, Shonda and Jimmy Smith and Joel Robbins. Sherry's son was suited up. Dallas also went to see the Cowboys play (and win 20-8) on Sunday.

Tuesday night, Dec. 16, some of "Nearly Brothers Band" came to Wheeler Care Center to make beautiful music. Some had other activities, but Robert Jones came and played upright bass, Gene Keelin played guitar and Geoff Caldwell played mandolin. Bob Hink sang several songs, some with help from others. All sounded good. Some other visitors were Charlie Finsterwald, Leona Coates, Betty Howard, Martha Meek and Verna. Thanks for coming! Several residents out to enjoy the music. Also visiting were Gary Alston to see his mom, Verna Alston, and Steve Walker visiting Jenny Walker.

Sincere sympathy to family and friends of Lovell Jenkins, 88, in her death. Services Thursday at Berger. Survivors include son, Jerry Jenkins of Wheeler, and sister, Johnnie, of Roswell. She always had a nice cheerful smile at the Care Center.

Earl and Betty Husted and Macey (dog) enjoyed a visit to Dallas area to see a new great-grandchild. On the way home Friday, they stopped for supper. They think they got food poisoning because later they had upchucking and diarrhea and had to spend a few days in Wheeler hospital. Think they got to go home Tuesday, Glad they made it home all right.

Mobeetie Baptist Church had their Christmas program Sunday morning with good music. Afterwards, several Hathaways gathered at Maxey's for a good meal and visiting.

Happy 80th Birthday, Bob Wills. You are a peppy guy to be 80! Weekend visitors were his daughter, Beth Wills from Mansfield and son, Robert Wills from Odessa, to celebrate Bob's birthday at the home of Bob and Evangeline. Bob brought a delicious and beautiful cake to share with his Sunday school class and others. He had told his wife he didn't want a party, but she already had the cake. Sure was good! Hope you have many more birthdays! Thanks for being our Sunday school teacher. You make it interesting and inspiring.

So very sorry to hear of the death of Leona Coates' son-in-law, husband of Cindy, in North Carolina. He dropped dead of a sudden heart attack. Leona went to be with her daughter a few days. The son-in-law was only 58. Pray for Cindy and family.

Correction: Directing the children's musical program at Wheeler Baptist Church Sunday night were Michael Killingsworth,

How to Help Prevent Drunk Driving on New Year's Eve

Every year on New Year's Day we hear about drunk driving fatalities. Drinking and driving should NEVER be an option. Whether the person is a friend or stranger, it is imperative to stop someone who is impaired from getting behind the wheel of a car.

Step 1
Plan ahead. Discuss with your friends a plan for all of you to return home safely. You can pick a designated driver, arrange for someone who has not been drinking to pick you up or plan to use public transportation or a cab. Arrange to pick up the car the following day.

Step 2
Drive home a friend who has had too much to drink. That way you will know that your friend did not accept a ride from a stranger, drive herself or otherwise risk her life and the lives of others.

Step 3
Invite the person who has had too much to drink to sleep over. He won't have to return for his car the next day, and everyone remains safe.

Step 4
Take the keys. Be calm and firm, but be certain to take the keys away from anyone who drinks too much and intends to drive. You can be proactive and take the keys early in the evening. If the person is sober, you can easily give back her keys.

Step 5
If you don't know the person well, enlist help in getting the keys. Ask a friend for help. Do not hesitate to ask a friend, a host or a family member for assistance.

Remember the saying, "Friends don't let friends drink and drive."

Medcat
May all your troubles last as long as your New Year's resolutions.

Cattle Fed Distiller's Grains Maintain Flavor And Tenderness Of Beef

The availability and use of wet distiller's grains in beef finishing diets continues to increase as the ethanol industry expands, and some Texas AgriLife Research scientists are trying to determine if that will affect consumers' meat purchases.

While much of the research focus has been on the energy value of the distiller's grains relative to the corn it replaces, recent questions have been posed on how they may affect beef quality, said Dr. Jim MacDonald, AgriLife Research ruminant nutritionist.

The concern is based on the premise that replacing corn, which is primarily starch, with distiller's grains, which has essentially no starch, will reduce blood glucose and negatively impact the marbling of beef cuts, MacDonald said.

MacDonald and others conducted a study funded by the \$1-per-head beef checkoff, Texas Beef Council, and a cooperative agreement between the U.S. Department of Agriculture-Agriculture Research Service and AgriLife Research.

In the study, 54 steers were fed dry-rolled corn or steam-flaked corn-based finishing rations with

How To Obtain Road conditions

Texas Department of Transportation officials, including maintenance supervisors from the Childress District's 13 maintenance sections and the Texas Department of Public Safety (DPS) met on Friday, December 19th, to discuss both agencies main objective: To maintain the safe flow of traffic.

Topics discussed were winter storm management, (which includes developing a TxDOT Emergency Operations Center), Equipment and Materials, Road Conditions and Road Delays/Closures due to incidents.

"The safety of the traveling public is a TxDOT and DPS priority, and we respond to snow and ice situations as quickly as possible," said Darwin Lankford, TxDOT Director of Operations.

The traveling public can also do their part by driving carefully and checking weather conditions on the radio and television before beginning a trip.

Motorists can also call TxDOT's toll-free highway conditions line at 800-452-9292 or go on-line to: www.txdot.gov to check road conditions on TxDOT's Highway Condition Reporting System.

A Very Merry Season To All You Gentlefolk!

Christmas was a simple affair,
A time filled with friends family and prayer.
A time when strangers were welcomed
with open arms
A time to sing God's many praises
in hymns and psalms.
In these modern times,
it's good to remember,
The gentler days of
past Decembers
Though some things never
change, it's true...
Like our deep felt thanks
for friends like you!

Dear Santa,
I am 7 months old and I have been a very good boy, but since I am learning to crawl I like to get over and get my pop's headphones that are under the TV. They have a little red light on the case, and it breaks my heart if my mommy says no! no!, but I will try to leave them alone. Please bring me a drum, keyboard for mommy, so I can play too, and some books I like when mommy reads to me. And please bring peanut butter candy canes for Kei Kei and Stitch.
Love,
Seth Hunter Bryant
