MAIF Announces New Hog Industry

Be Prepared... For 'Laugh-In'

Remember the 'Womanless Wedding' and the all-male 'Miss America Contest' which was held by the Businessmen's Activities Committee of the Muleshoe Chamber of Commerce? Both of these and a new show were arranged by Kerry Moore, drama teacher at Muleshoe High School.

Everybody set their calendar for an extra special event coming up November 6. It's the 'BAC Laugh-In'. It's Mule-

shoe's version of the currently popular Rowan and Martin TV production.

Some 50 to 70 local people will be participating in this hilarious event. Although you may have thought last year's 'Miss America' pageant (Muleshoe style) was a scream, it's guaranteed this will excel even that.

Several women will be in the show this year as it's not an all male production.

Some of the main features you will want to be sure to watch for is a prominent very well-known intelligent female playing the dumb blond, mixed in will be a little of Barnum and Bailey Circus entertainment, where a large bear rides a bicycle. There isn't a bear, but are using another prominent citizen resembling, or you might say, of approximate size, riding a tricycle.

A very-married lady you will be well acquainted with will play the part of the old maid...gossip has it that she will have a brick in her purse when she clobbers the masher in the park. But if she does, our local mortician will be on the stage, probably dressed as Little Lord Fauntleroy, and can take care of the victim.

Then, there are some very distinguished, usually well-dressed men who will play the part of very 'hip' hippies. If you love good poetry, maybe you had better take a smoke break when the poet gets wound up, as he gets so very carried away with his quotations. As a matter of fact, he may have to be carried off the stage.

Corky Green, a graduate student at the University of Houston, had his six-months old Ford Cobra stolen October 3 from the parking lot of the School.

When the car was found out in a residential area October 11, it was stripped of everything except the rear seat speaker. The motor, the radio, the seats and floor mats were gone even the mat from the trunk. The wheels and tires had been taken off and replaced with old ones.

(Yes, Corky had the keys in his pocket when it was stolen.)

Jane Crane, daughter of the James Cranes, who recently underwent bone surgery at an El Paso hospital, is recuperating at her home now. She will not be able to attend Tech this semester and would be happy to have her friends drop by to see her.

Mrs. J.A. Arwine of Floydada spent several days this week with her mother, Mrs. W.H. Kistler.

Mrs. W.F. Birdsong, Kerry Moore and Brian Maconi attended a concert by the Triskelion Trio, at Seaman Hall, Lubbock Sunday evening. The trio consisted of Pianist Redkay of the Texas Tech Music Department, a cellist and a violinist.

Mrs. Bonnie Harlin returned this week from a fishing trip with her brother and wife, Mr. and Mrs. Lewis Sanders of West Camp. They had planned to fish at Possum Kingdom Lake but found it drained so they went to Graham Lake where fishing was good. While there they made side trips, one to Fort Belnap where they visited the museum. They took pictures, hunted rocks and pined with Mrs. Harlin's niece and husband, Mr. and Mrs. Robert Hill of Dallas who came for the weekend.

MILL SITE--Don Harmon, left, and Harmon Elliott point out the site of a feed mill at Muleshoe Swine Breeders Inc. The mill will be erected within the next week and ten days and will join some of the buildings already completed in the background at

the new facility east of Muleshoe. Elliott, chairman of Muleshoe Area Industrial Foundation said, "This is an added boost for area economy, and we are happy the group decided to build their operation near Muleshoe."

SPF Disease Free Hogs Spotlited

Harmon Elliott, chairman of the Muleshoe Area Industrial Foundation has announced a new industry for Muleshoe.

Muleshoe Swine Breeders, Inc., a local group of farmers and businessmen, are presently constructing a SPF disease free hog operation approximately three miles southeast of Muleshoe, just off Highway 84, north of the railroad tracks. With construction of the new facility well underway, Elliott said that preliminary plans call for the beginning units to consist of a farrowing house, two weaning houses and two finishing houses on the site. Also included will be a mill where the feed will be ground and mixed and an office.

He commented that the 120 sows presently at the location will produce 2,000 to 2,500 finished hogs per year, with a projection for an eventual 500 sows which will produce about 8,000 to 10,000 finished top hogs yearly.

Elliott cited the primary aim of the new corporation is to sell breeding stock and top finished hogs. The SPF operation is accredited and when each litter is born, it will be registered with the association.

Periodically, said Elliott, six to 10 hogs will go to Texas A & M for testing for disease. Due to the type operation, with strict regulations on persons being around the carefully controlled swine, Elliott commented there will be no visitors allowed at the operation without special permission from one of the officers of the corporation.

He added that the workmen will wear special clothing at all times while working with the hogs, and the clothing will never leave the grounds of the facilities. There will be a washer and dryer provided to care for the special garments utilized by workmen.

Houses for the various phases of operation are fully insulated, and will have air conditioning and heating, added Elliott.

He said each feeder hog will consume 600 pounds of grain as compared to cattle, who consume 2000 pounds of grain. He added that the new operation would help use surplus grain in

Ghosts, Goblins, Witches, Cats Parade Nears

Watch for the black cats...the skeletons will be roaming over the town...witches will gaily wave their brooms, goblins will scamper about and everyone will have fun when the annual Halloween Parade is held on November 1.

Three prizes in each of three divisions will be awarded. First through third place cash prizes will be awarded for the scariest, funniest and most original costumes in the parade. It is open to anyone in the area age 14 and under.

No bicycles or animals will be allowed in the parade. Chairman Curby Brantley said judging will begin at 2 p.m. on the Muleshoe State Bank parking lot and the parade will begin shortly afterward. The parade will move down the alley behind the bank to Cashway, and then to St. Clair's where they will cut across the St. Clair parking lot to their point of origin.

Each year, the Businessmen's Activities Committee of the Chamber of Commerce presents the Halloween parade. This year, immediately following the parade at 3 p.m.,

Rotary Official To Visit Muleshoe

Rotarians will welcome on October 20, the Governor of District 573 of Rotary International, Judge Charles L. Reynolds of Childress.

He will address the Muleshoe Rotary Club, one of the 48 in his district, and will confer with E. T. Ford, president of the local Rotary Club, and other club officials to obtain information on the group's plans for its service activities and to offer suggestions on Rotary administrative matters.

Judge Reynolds first meeting will be a fireside meeting at 7:30 p.m. Monday in the E. T. Ford home. Attending will be members of the Rotary and Rotary-Anns.

At the regular noon meeting on Tuesday, the Governor will be principal speaker.

Judge Reynolds is one of 298 Rotary governors throughout the world who are serving as representatives of Rotary International in districts composed of members clubs. Each district governor is responsible for supervising the clubs in his area, Rotary, and international men's service or-

ganization, has more than 658,250 members in some 13,935 clubs in 147 countries.

A member and president of the Childress Rotary Club, Judge Reynolds is a district governor of the 100th Judicial District of Texas. He was selected district governor at the Rotary convention in Honolulu, Hawaii, in May, 1969, and will serve until June 30, 1970.

Judge Charles Reynolds

Judge Reynolds was born at Chillicothe and has been married for the past 27 years to Nelmarie Parman Reynolds. They have two children.

He enlisted in the armed forces in World War II and served in the Southwest Pacific area, in New Guinea, the Philippine Islands and Japan.

The judge is a member and past president of Childress County and 100th Judicial District Bar Associations; member of Texas State Bar Association and Judicial Section of American Legion and Veterans of Foreign Wars; Childress Chamber of Commerce and various civic organizations; and American Judicature Society; and immediate past member of Executive Committee of Judicial Section of Texas Bar Association.

He is a member of the First Baptist Church, Childress, where he serves as a deacon and Sunday school teacher.

He received his Bachelor of Laws degree from Southern Methodist University School of Law in Dallas (having passed the Texas State Bar Examination and being admitted to practice of law prior to graduation from law school); graduate of 1966 session of National College of State Trial Judges held at the University of Colorado in Boulder.

Though a seasoned Rotarian before his election to the office of district governor, Judge Reynolds attended an eight-day national assembly last May at Lake Placid, New York, at which all Rotary governors for 1969-70 attended in-depth seminars to plan for their jobs. One of his biggest jobs will be to hold a district conference of all Rotary clubs in his area on April 23-25, 1970, in Plainview.

Cranes Increase At Steady Pace

This year, the Sandhill Crane population should show a good average, according to a report by Edd Ary of the Muleshoe National Wildlife Refuge 25 miles south of Muleshoe.

He said 100 or more a day are coming in to their winter nesting grounds and there is a present population of 10,000 ducks on the refuge lakes.

Last year, three of the five

lakes were dry and very little water was in the other two lakes on the large wintering ground for migratory birds.

Chamber of Commerce Manager Jerry Hutton said inquiries are being received daily now about the seventh annual Sandhill Crane Hunt, which is sponsored by the Muleshoe Jaycees. He said the inquiry from the farthest distance was Racine, Wis., and the farthest long distance phone call was from San Antonio on Thursday. The man from San Antonio asked for reservations for the week long hunt.

This year, the hunt is scheduled from November 1 through November 9. Members of the Jaycees have arranged for land adjacent to the Wildlife Refuge and will provide transportation to and from the hunting area. Shells and licenses will be available at the Crane Hunt headquarters which will be the Dinner Bell Restaurant.

Hunters will leave the restaurant one and one half hours before sunrise.

For the entire week, the fee is \$15 and for one day, \$5. If a hunter desires just a weekend, the fee is \$7.50.

The hunter who kills the largest bird will receive a Remington Twelve-Gauge automatic shotgun.

For further information on the annual Jaycee Crane Hunt, Contact Chamber of Commerce Manager Hutton.

Poison Feed Warnings Are Issued

"The recent freeze over much of the High Plains brought an abrupt halt to cotton and vegetable production and may also prove detrimental to livestock producers if certain precautions aren't followed," commented Dr. Bob Metzger of Lubbock, area agronomist with the Texas Agricultural Extension Service.

"Caution should be exercised when grazing livestock on johnsongrass, sudan, soughum-sudan hybrids, grain sorghum and forage sorghum because of prussic acid poisoning.

"When the growth of any type of sorghum is slowed or stopped by freezing temperatures or drought stress, certain chemical changes occur in the

and sometimes a high prussic acid content develops, especially in young growth," explains the agronomist. "An animal that feeds on such plant material can be poisoned and can die in a very short time. Whether or not an animal can be saved depends on how soon

a veterinarian can get to it."
Dr. Jerry Gleason, local veterinarian, added that an antidote is available which will counteract the poison if it is administered quickly. "However," added Dr. Gleason, "we have not had any trouble this fall with poisoned livestock, and do not expect too much trouble as the freeze was a good, hard solid freeze. Most of the problem is after frosts have nipped the first growth and a second growth begins."
"If the cattle grazer will keep the antidote available, and administers it himself fast enough, any livestock he finds down from prussic acid poisoning can be saved."
The veterinarian emphasized again that not too much trouble was expected from prussic acid this fall as has been prevalent in the past.
He did caution livestock producers to keep an eye on their stock if the animals are grazing plants that might be potentially dangerous.

JOE DUKE TELLS STEVE WOODARD, "Of course you feel funny watching your funeral," in one of the one-act plays, "The Balcony Scene." The other two plays which will be presented by the MHS drama class Tuesday night in the high school auditorium are "Doctor in Spite of Himself" and "Early Frost." Tickets for the three one-act plays are 75 cents.

Elliott said that for each dollar spent on the hog operation, it will make the rounds of various places in town a total of seven times before it leaves town.
The operation will be stocked with Hampshire, Duroc and Yorkshire sows and a three way crossbreed will be used. All the sows presently at the location will be moved inside as soon as the facilities are completed.
Elliott concluded, "EAT MORE PORK!" Utilize this newest industry which will help the economy of the Muleshoe area."

The Business Activity Committee of the Chamber of Commerce is putting on a big show again this year. It will be entitled the "Muleshoe Laugh In". It will be similar to the very popular Rowan and Martin "Laugh In" on TV. The cast will be made up of Muleshoe businessmen and women, including lawyers, school teachers, housewives, realtors, broadcasters, printers, bankers, and many other, all working together. We feel that activities such as this helps to bring a town closer together, and that the people who take an active part should be commended for their interest shown in their community.

RICHLAND HILLS

Denzil Minyard, a history teacher in Petersburg junior high school, was the speaker at Richland Hills Parent-Teacher Association meeting Monday afternoon.

His subject was "Parents Apathy Toward School". He spoke frankly of his feeling that parents have passed their own responsibility for rearing the children to the schools. He told of a child who was taken for an examination by a psychiatrist who had only seen his parents two weeks out of the year.

"Teachers are being asked, 'If you can't do anything with the child at school, what do you expect us to do?'" he commented.

Minyard told the group that a four year old child who terrorizes his mother in a supermarket will be a juvenile delinquent at the age of fifteen. It was his feeling that overly strict parents are not as bad as those who are too lax.

Hippies are caused, he feels, by their feeling of being 'fed up' with the kind of world made for them. "This does not mean they are all going to the dogs," he said.

The fifth grade students of Mrs. Josephine Mitchell's room furnished music for the afternoon.

Invocation was offered by Mrs. Lena Hawkins.

In the business meeting conducted by Mrs. W.T. Watson, president, it was announced that mended, clean clothing, in wearable condition, is to be taken to the school nurse's office, where it will be distributed. This is to be a P-TA project this year.

The treasurer reported a profit on the Italian supper of \$472.47. Appreciation was expressed to those who furnished food. The October 3 balance was reported as \$624.35. A budget of \$565.00 was approved for 1969-70.

Members who were to attend a District workshop in Plainview October 16 were Mrs. W.T. Watson, president; Mrs. Bobby G. Free, first vice president; and Mrs. Don Harmon, aid to the president, District II.

Yearbooks were distributed at the meeting.

Delegates to the November 12 State P-TA Convention were elected, as follows: Mrs. Jeff Ingham, librarian at Richland Hills; Mrs. W.T. Watson, president of the local unit; and alternates, Mrs. Royce Turner and Mrs. Bobby G. Free.

Miss Brock Marries in Amarillo

Mrs. Thomas Mel Harber

Mary Martha Studies Inner Life

Mary Martha Circle of First United Methodist Church met in regular session October 14 in the Youth Chapel, with the chairman, Mrs. R. O. Gregory, presiding.

Group singing of "My Faith Looks Up To Thee", with Mrs. Owen Powell at the piano, opened the meeting.

Forty-six sick calls were reported. Thank you letters were read from Mrs. Ray Mar-

tin of Abilene and Mrs. Ted Allen.

Mrs. H. C. Holt's devotional was from Hebrews 11.

Two names were discussed for the DIANA (Distinguished International Academy of Noble Achievements) award given by ESA international sorority. Voting on same will be at next meeting, Oct. 28. Mrs. Powell will lead the group at that time on national prayer week.

The program was given by Mrs. Ted Allen on Faith, from the text book "The Inner Life". Prayer in unison concluded the program.

Present were Mrs. H. C. Holt, Mrs. Ted Allen, Mrs. W. W. Evins, Mrs. H. Jay Weyer, Mrs. Mervin Wilterding, Mrs. Troy Atkinson, Mrs. Owen Powell, Mrs. R. O. Gregory, and Mrs. W. D. Moore who served as secretary pro-tem.

Fairview Baptist Church of Amarillo was the scene of a double ring ceremony October 17 at eight o'clock which united in marriage Miss Angela Lynn Brock of 1905 West Avenue B, Muleshoe, and Thomas Mel Harber of 913 B. Louisiana, Amarillo. Officiating minister was Rev. J. Prentiss McGee.

The couple stood before an altar arrangement of white tear-drops and blue Shasta daisies. Pews were marked with pastel blue satin bows, white wedding bells and streamers.

Parents of the couple are H.T. Brock of Albuquerque, Mrs. Allene Brock of Muleshoe, and Thomas Mel Harber of 5007 W. 57th Street, Amarillo.

Given in marriage by her father, the bride wore a formal gown of peau de soie satin and imported lace, fashioned with bodice of lace, banded at Empire waistline with satin, portrait neckline and long tapered sleeves of lace which ended in petal points and were fastened with tiny self-covered buttons. A wide band of lace, satin banded, extended the full length of the dress front and the Watteau train of lace was edged in wide bands of peau de soie. The elbow length veil of silk illusion, bordered with wide lace was attached to a headpiece of daisies. She wore her mother's pearl earrings, borrowed her sister's veil and wore the traditional blue garter. The bridal bouquet was a cluster of lilies of the valley atop a white Bible, with white satin streamers.

Mrs. Weldon Stevenson of Muleshoe served her sister as matron of honor. She wore a pale blue linen suit with matching accessories and carried a bouquet of lilies of the valley.

Mrs. Brock and Steve Brock of Muleshoe, brothers of the bride, were ring bearers. Best man was David Nelson of Amarillo.

Ushers were Greg Robertson and Jack Richardson of Amarillo.

Following the ceremony a reception was held in fellowship hall of the church.

Assisting in hospitalities were Mrs. Buddy Messer of Gruver, and Mrs. Helen Buck of Dumas, both aunts of the bride. Guests were registered by Mrs. Larry Lawrence of Amarillo, also an aunt of the bride.

The serving table was covered with white lace over white satin and centered with an arrangement of white bells, pale blue ribbons and a bowl of lilies of the valley, flanked by white candles. From the ceiling hung large white bells with pale blue

Miss Campbell, Charles Ball Wed

Miss Jeanette Mae Campbell and Charles Wayne Ball, both of Muleshoe, exchanged wedding vows in a double ring ceremony performed October 11 at six o'clock in 16th Street and Avenue D Church of Christ, Frank Duckworth of Lockney, former minister of the church, officiated.

Parents of the couple are Mr. and Mrs. Ray Campbell and Mr. and Mrs. Charles Dalton Ball, all of Muleshoe.

The couple stood before an archway of palm leaves, large white wedding bells and pale blue ribbon to recite their vows.

Given in marriage by her father, the bride wore a formal gown of white lace over taffeta, fashioned with lace bodice, batteau neckline and long fitted sleeves of lace. The full skirt was joined at natural waistline and featured a double inverted pleat at front. Her shoulder length veil of illusion was held by a large white velvet bow, pearl encrusted. She wore a ring that had belonged to her grandmother and great grandmother on a gold chain, and Indian head penny dated 1908 in her show and the traditional blue wedding garter.

The bride's only attendant was her sister, Miss Donna Kay

Campbell of Muleshoe. She wore a street length A-line dress of blue lace over taffeta with navy blue accessories and a wedding hat of blue net and blue velvet bow.

The bride wore a shoulder corsage of blue feathered carnations. The maid of honor wore a corsage of white carnations. Mart Long of Muleshoe was best man.

Wedding marches by Wayland Ethridge were played by tape recorder.

Wedding guests were registered by Miss Judy Carlton of Roby, aunt of the bride. Out of town guests were Mr. and Mrs. R.N. Carlton and daughter Judy, of Roby, grandparents and aunt of the bride; Mrs. J.R. Lynch of Roby, the bride's great grandmother; Mr. and Mrs. Dewey Don Henley and family of Abernathy; and Mr. and Mrs. Mike Carlton and family of Lubbock, cousins of the bride.

Following the wedding a reception was held in the home of the bride's parents, 618 West 2nd Street. Mrs. Morris Nowlin and Miss Phyllis Campbell, the bride's sister, assisted in hospitalities. The bride's table was covered with white lace over blue and centered with a three tiered cake decorated with the traditional bride and groom figures atop and with blue roses and swags. Crystal appointments were used in serving punch and cake.

The new Mrs. Ball is a sophomore at Muleshoe high school. Her groom is a 1966 graduate of Muleshoe high school and is employed as a clerk at the U.S. Post Office in Muleshoe.

Art Collections Viewed

Replacing their usual meeting, members of Muleshoe Art Association toured the art collection of First National Bank in Lubbock Tuesday. The wood carvings, sculptures and paintings done by internationally famed painters and widely recognized Lubbock artists is valued at \$1,000,000. They are available for public viewing twice daily at the Bank with conducted tours.

Members making the tour of the Bank, and tours of Baker's Art Gallery, Hall's House of Pictures and the art showing at downtown Hemphill's were Rhea White, Hazel Nowell, Pauline Jamison, Myrtle Steinbock, Ruth Hammock and Velma Davis.

The group lunched together at Hemphills and then saw the water colors of Lubbock Art Association hanging at Municipal Gardens. An art instructor from the University of Texas had a one-man showing at the same time.

The tour at First National Bank begins with bronzes by Bess Hubbard, a Lubbock artist, of former bank presidents Walter P. Posey and Roy Riddle, and continues with an international theme showing eighteenth and nineteenth century pieces depicting the culture of the country purchased from.

A most unusual display is the hand colored wood carvings of Rev. Jack Drake of Carlsbad, N. M., mainly of birds,

so lifelike one expects them to take flight. The artist is said to be years behind in commissions.

Symbolic bronzes by Griffins, nineteenth century, of the winged lions, "guard the funds entrusted to the bank."

Outstanding is the wall of fourteen paintings by Lubbock artist Connie Martin of Mongolian culture, relating the Mongolian conquest of the thirteenth century. The two years the artist is said to have spent studying Mongolian history is reflected in her vividly colored pictures. As an example, one picture includes Bortai, the favorite wife of Genghis Kahn, in court with the men. To remind her of her inferior status among the men she wears a tall pointed hat. The robes worn in that picture are on display in the International Folk Art Museum at Sante Fe.

The women were ecstatic in their praise of the collection and reported they "had a full day".

TROOPER SURVIVES FALL

Bad Kreuznach, Germany-- Staff Sgt. Carl E. Miller has survived a 3,000-foot fall at Hopstadten Airfield when his parachutes failed to open. The 27-year-old paratrooper from Charleston, W. Va., a member of the 7th Army Parachute team, says he hopes his two broken ankles will soon heal so he can jump again.

ASPENCADE ART WINNER.....Rheata Peeler White has been notified she won first place in the amateur division for an oil and acrylic painting in the annual Aspencade Art Show, held October 5 in Dosowood Art Gallery at the Hollywood Y, Ruidoso.

Local Artist Winner In Ruidoso Show

A Muleshoe artist entered two paintings in competition at the 22nd annual Aspencade Art Show in Ruidoso and won two places.

Rheata Peeler White won first place in the amateur division for an oil and acrylic painting. She placed second with a water color in the same division.

The show was held in the Dosowood Art Gallery at the Hollywood Y in Ruidoso October 5. Judges were Carlton Schofield of the New Mexico Art League and Gregg Cham-

pion, and Albuquerque artist. In the professional division Dr. Emilio Cabellero of West Texas State University won both a first and a second place for water colors. Mary Lee Garrett of Clovis won a second place in oils and acrylic.

Mrs. White is president of Muleshoe Art Association, the wife of Herman White. She has studied art at Texas Tech University and under Dr. Emilio Cabellero of West Texas State University.

Muleshoe Study Club Projects Listed

BY MRS. O.N. JENNINGS, FEDERATION COUNSELOR

There is so much to be done in any city, town or community. Woman's Clubs could be and are responsible for many of them. Muleshoe Study Club is a typical example. We have completed many projects and have many more planned. Clubs should not be under estimated. A club is more than just work better expressed in these words; A Club is more than just a group of folk who meet and plan to serve a worthy need as ably as they can. It is an organization where good will and friendship grow. And people interchange ideas for everyone to know. Where men and women gather with a spirit young and free to smile, shake hands and enjoy each other's company. The Club provides a certain share of leisure and of rest. And is a kind and gracious host to each invited guest.

Author Unknown

If only each person contributed one small part our country would be a much better place in which to live. That is only one reason Clubs were organized. They are needed. The well organized club is needed in order to go about these many projects in a more systematic manner. Our world needs more understanding, good will and love. To accomplish this we need to know it's people. There can be no prejudice in the heart of a person who works with and comes to know his neighbor.

The purpose of the General Federation is to unite Women's Clubs toward more consolidated efforts in bringing about a more free and a happier world for all. This is achieved by furthering education and making it available for everyone, everywhere. Understanding social problems

and helping solve them. Religion and the purpose of the Church should have a more practical application in our everyday lives. Promotion of the economical welfare of the individual and increasing services such as; public libraries, medical clinics and all forms of recreation, including parks and supervised playgrounds with equipment is part of the work of the federated clubs.

Also within the scope of federated Clubs are planned programs to attract business and industries to those places that need them, helping preserve our natural resources, soil, clean water, pure air, forests, minerals, oil and strengthening of the home life. Studying and doing everything possible to bring about world peace.

As a rule regular meetings are held, by all Federated Clubs, twice monthly from September to July of each year. Educational programs and

studies are presented by well qualified personnel. Lessons and book reviews are given by the best educated minds available. Most holidays are observed with fun and recreation. There are departmental Chairmen who keep us informed on Texas Heritage, Conservation, fine arts, home life, International affairs, public affairs and legislation.

Locally, the Muleshoe Study Club has been instrumental, with the help of others, in building a fine Library, of which we are proud.

Muleshoe Club projects for this year include the following: Beautification of the Mule Memorial Grounds, Muleshoe Area Public Library, Friends of The Library, Educational Scholarship, Historical Society, Good Will Center, Adult Education, Nursing Home, Senior Citizens Tuberculosis Drive, Hallmark Art Contest, Art Show, Monthly Assistance to local invalid and

Study Club To Host District Board Meet

October 25 is a FIRST for Muleshoe—the first time a District meeting of federated clubs has ever been held here.

Muleshoe Study Club, the only Federated Club in Muleshoe at this time, will host an expected 125 to 150 women for 75 clubs of Caprock District October 25 for a district board meeting. The all day meeting is to be held in the auditorium and 'all over the building' of Muleshoe high school. The Junior

Clubs will hold their separate meeting in the Visual Aid Room of the high school, said Mrs. Horace Blackburn, president of Muleshoe Study Club.

Three Muleshoe women hold district offices. They are Mrs. J.G. Arnn, who is a member of the Public Affairs Committee; Mrs. Cecil Cole, beautification chairman on the Conservation Committee; and Mrs. Horace Blackburn, who is poet laureate of Caprock District.

Meet Your Child's Teacher

The annual Parent-Teacher office at Mary DeShazo School will be held October 20-24 from nine to ten o'clock in the school cafeteria, beginning with the first grade.

Recently Superintendent Neal Dillman said, "No parent should let a stranger teach his children". The purpose of this coffee is to acquaint parents with their children's teacher. Surely parents can spare one hour each year to visit with the

teacher.

First grade teachers are Mrs. Burleson, Mrs. Obenhaus, Mrs. Sanders, and Miss Darnell.

Teachers of second grade students who will be honored Tuesday are Mrs. Eloise Wilson, Mrs. Mabel Wolfe, Mrs. Judy Harvey and Mrs. Mary Upton.

Third grade teachers are Mrs. Edith Henderson, Mrs. Owetha Finely, Mrs. Janice Phillips and Mrs. Connie

Money Management Workshop Held

The first of a series of four workshops on Money Management was held Tuesday evening in Bailey County Electric Cooperative community room.

Miss Linda Jacobsen, money management specialist for this district of Extension Service, conducted the workshop on "Goals and Values" and demonstrated how values influence the goals people reach or strive for.

Defining values as "the why we do things", she showed how values differ from person to

person, using slides and dialogue.

In a discussion of decision making (problem solving) she said, "Not all problems are negative, some are positive or happy problems".

She listed the parts in the process of problem solving: recognition or identification; choice of goals or alternatives; action; evaluation; and accepting the consequences.

She told the group problems may be of any one of six different types; time, money, property, human, community or space. Any problem to be solved, she said, should be classified according to these patterns in order to facilitate the work of solving it.

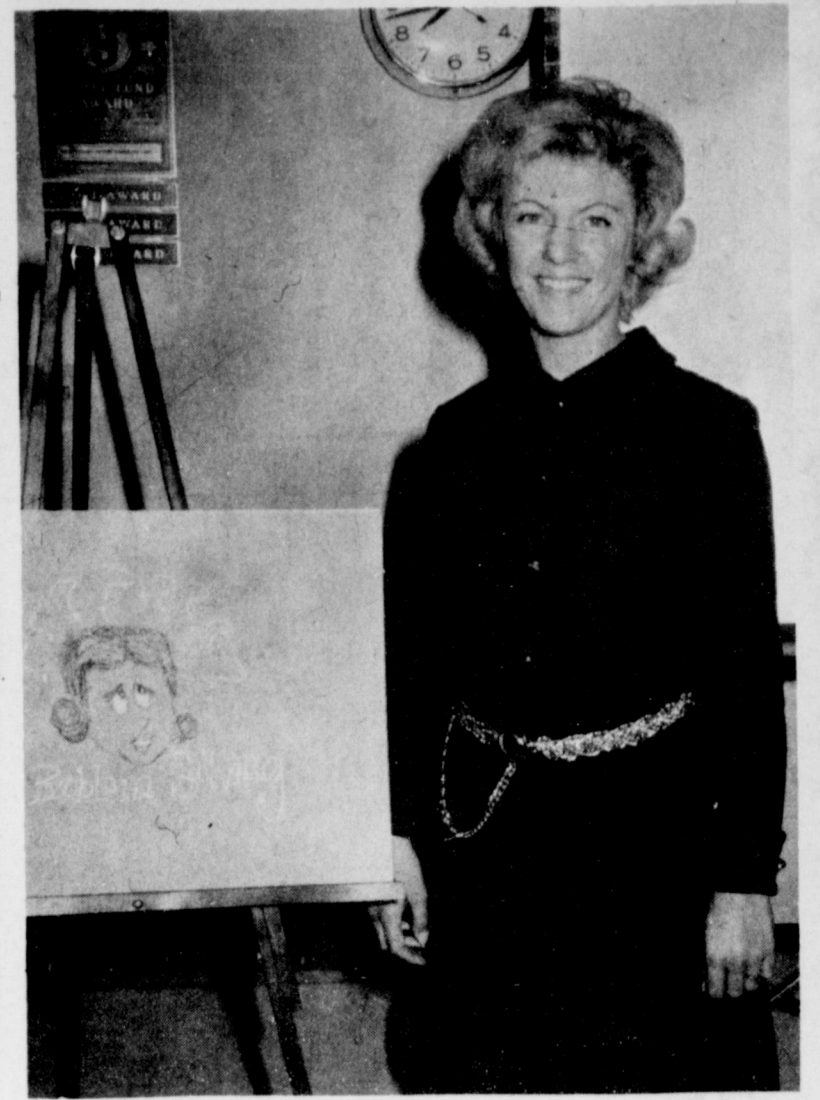

The next workshop is to be held October 21 in the same place but the time has been changed to 8:00 p.m. Bailey County Agent Robin Taylor will discuss "Planned Spending". Young husbands and wives are particularly urged to take advantage of these workshops in the handling of family finances but anyone interested is welcome to attend.

Clinton Kennedy is to speak October 28 on "Credit and Its Sources". The November 4 workshop will be conducted by M.D. Gunstream, president of First National Bank, who will discuss "Truth - In - Lending - Laws".

Kindergarten Teachers Attend Workshop

The Education Service Center - Region XVII, Lubbock, sponsored a two-day workshop October 8 and 10 at Hereford. The purpose of the workshop was to give training on the philosophy and newly adopted revisions of the H-200 Curriculum which is used in the pre-school units.

The H-200 Kits are an outgrowth of Project English and have been adapted by educators in Region I, Edinburg, Texas to instruct migrant students. The emphasis is placed on oral language and repetition of basic sentence patterns, Filmstrips, records, and drill through

Bright-Colored Rods To Help Students Understand Math

The Region XVII Education Service Center sponsored an Awareness Conference October 9, at Rodgers Community Center in Lubbock in the use of Cuisenaire Rods to help students in understanding the mysteries of mathematics.

Developers of the Cuisenaire Rods point out that today's children are stimulated by the discovery method of teaching and the rods take advantage of the pupil's inherent spirit of inquisitiveness and his stubborn desire to find out for himself. This makes possible the fast development of a student's concepts of mathematical relationships and principles.

Cuisenaire Rods are a model for the set of rational numbers, just as the globe is a model for the planet. As a globe leads a child to explore many different facets of geography, the rods stimulate the child to explore relationships of addition, subtraction, multiplication, division, fractions, positive and negative numbers, set operations and other basic principles of mathematics.

Muleshoe administrators attending were Ralph Stevenson, Elizabeth Watson, and Bill Taylor.

games and activities implement the H-200 curriculum.

Raymond Garcia, and Richard Ybarra, consultants for the Migrant Division of the Service Center, were the instructors.

Muleshoe Schools have three preschool units for migrant five year olds. Mrs. Ellen Glover teaches the unit at Richland Hills; Mrs. Norma Jo Prather and Miss Jana Stevenson teach the two units at Mary DeShazo.

Those attending the two-day session at Hereford were: Ralph Stevenson, Elizabeth Watson, Ellen Glover, Norma Jo Prather and Jana Stevenson.

LCC Associates Attend Supper

Lubbock Christian College Associates, their husbands and their guests met Thursday evening at Muleshoe Church of Christ for a covered dish supper. A Halloween motif was used in table decorations.

Entertainment was furnished by the Roadrunners, a singing group from Lubbock Christian College. Miss Jill Mimms, daughter of Mr. and Mrs. Pete Mimms of Lazbuddie is a member of the group.

Dr. F. W. Maddox, president of Lubbock Christian College, and John Mason, also on the faculty, were present. Dr. Maddox showed slides of the building program in progress on campus and discussed changing from a junior college to a four year college.

Other out of town guests were Mr. and Mrs. Pete Mums of Lazbuddie and Mr. and Mrs. E. D. Cash of Crosbyton.

Muleshoe people attending were Mr. and Mrs. Robert Blackwood, Mr. and Mrs. Elmer Cornelison, Mr. and Mrs. Bill Dale, Mrs. Wenona Jordan, Mr.

and Mrs. Paul Scott, Mr. and Mrs. Luther Hall, Mr. and Mrs. Gary Dale, Mrs. A. R. contributions to District, State and General Projects. Special days to be observed are; Texas Day, American Day, Federation Day, Guest Day, National Poetry Day, National Book Week, Library Week, Education Week, Caprock District Convention, American Art. The State Convention and The Caprock board meeting is to be held in Muleshoe October, 25.

Mrs. Horace Blackburn is our twentyseventh President. There are eighteen Charter members and one Honorary Life Member, Mrs. Effie Bray. The theme for this year is; "A Life Filled With Enthusiasm and Love For Others."

Lose 10 lbs. in 10 days on Grapefruit Diet

DIET OF THE STARS

HOLLYWOOD, CALIF. (Special) — This is the revolutionary grapefruit diet that everyone is suddenly talking about. Thousands of copies have been passed from hand to hand in factories, plants and offices throughout the U.S.

Because this diet really works. We have testimonials reporting on its success. If you follow it exactly, you should lose 10 pounds in 10 days. No weight loss in the first four days but you will suddenly drop 5 pounds on the 5th day. Thereafter lose one pound a day until the 10th day. Then you will lose 1 1/2 pounds every two days until you get down to your proper weight. Best of all, there will be no hunger pangs. Revised and enlarged, this diet lets you stuff yourself with formerly "forbidden" foods, such as steaks trimmed with fat, roast or fried chicken, gravies, mayonnaise, lobster swimming in butter, bacon fats, sausages and scrambled eggs and still lose weight. The secret behind this "quick weight loss" diet is simple. Fat does not form fat. And the grapefruit juice in this diet acts as a catalyst (the "trigger"), to start the fat burning process. You stuff yourself on the permitted food listed in the diet plan, and still lose weightily fat and excess body fluids. A copy of this startling successful diet can be obtained by sending \$2 to MOVIELAND DIET PLAN 1417 S. Robertson Suite 8 L. A. Calif. 90035

Money-back guarantee. If after trying the diet you have not lost 7 pounds in the first seven days, another 6 pounds in the next 7 days, and 1 1/2 pounds every two days thereafter, simply return the diet plan and your \$2 will be refunded promptly and without argument. Tear out this message as a reminder. Decide now to regain the trim attractive figure of your youth.

Moratorium Hurts Nation

EDITORIAL

By Neida Finley

Recently our country was the scene of a nationwide protest movement against the Vietnamese War called a moratorium. While several citizens staged protests against the war, other citizens protested against the moratorium. Many people showed their patriotic feelings for all to observe when they wore red, white and blue and displayed their flags.

The moratorium was definitely a set back for our nation rather than an aid. Those who participated even in a peaceful manner hurt our nation. The moratorium was obviously conducted by people who could not care less about our nation of today or of our nation tomorrow. Anyone who is willing to pull out now and waste the lives of all the men who died fighting for freedom can not possibly be working toward a better America.

What is even worse is that several of the nation's leaders approved this moratorium. The House even had a special all night session to hear leaders give speeches of approval of the moratorium. When the Representatives and other leaders do not support the President, our country becomes very divided and the President can not adequately act in his capacity. What did the moratorium accomplish? Nothing beneficial is for sure! All the moratorium did was put more pressure on the President, separate our country even more, cause confusion, and serve as a tool to convince Hanoi that if they just hang on a little longer the U. S. will pull out and abandon Viet Nam to communism.

Next month another moratorium is staged if this one does not bring the desired results. It reportedly will not be peaceful. If we let this moratorium take place, we will be one step closer to the internal death of our nation. We must be strong and support our government to keep our nation intact. So what are we going to do? Will we be strong? Will we say, "Oh, well," and give in? We shall not if we care enough for America, its future and for freedom.

mando Porros, Tyrone Clemmons and others haven't missed a step. All have been working hard to prepare themselves for their battle with the Dumas Demons.

The mule work outs this week have been hampered by the lack of participants. Bobby Hayes missed the first three days of the week because of the flu, as did Alfred Bleeker, Lance Puckett is still on crutches from being thrown from a horse. Prentice Griffiths is still suffering from an aggravated shoulder. Jon Cole, Ricky Faver, and J.C. Slaughter missed Wednesday's work out with a stomach virus. Gary Ethridge, Jessie Clemmons, Ronnie Barrett and Dennis Beene have carried much of the load in workout this week but the coaches have especially been pleased with the younger boys. Don Heathington, Mark Dillman, and Mike Riley. These youngsters along with Dan Baker, Larry Shafer, Mark Long, John Colburn, Gary Locky, Tommy Taylor, Ar-

MR. AND MISS SPIRIT--Martha Jane Chapman and Darrell Wilson were chosen by the cheerleaders for outstanding spirit shown for the Muleshoe-Portales game.

Mulettes Stomp MHS Blazers In Fast Game

In the annual Muleshoe High School powder puff football game, sponsored by Future Teachers of America, the Junior-Senior Mulettes beat the Freshman-Sophomore Blazers at a startling 46-0.

The Mulettes, coached by J.C. Slaughter, Gary Ethridge, Delton Bass, and John Woodard, opened the first quarter with a touchdown by Ann Douglass, followed by a two point conversion by Karen St. Clair. In the second quarter, Douglass again scored and Vickie Julian ran the two points. Julian came back in the third quarter with a touchdown and Gayetta Gable made the score 26-0 with a two point try. In the third quarter Douglass again scored and the conversion attempt was blocked. Late in the quarter Julian made another T.D. and St. Clair scampered over for two more points. In the fourth and final quarter Douglass made one final touchdown and Julian raked up two more points, ending the game at 46-0.

Several passes were completed during the game by both teams. Quite a few penalties were also assessed throughout the game.

Coaches for the Freshman-Sophomore Blazers were Lance Puckett, Keith Turner, and Tommy Clemments.

Half-time activities included coronation of football kings for both teams. Candidates for the Blazers were Tommy Clemments,

HONOR STUDENTS--Left to right, Kathy Pena, freshman; Sherry Minckler, sophomore; Lee Ann Yerby, junior and Sam Feagley, senior were chosen by the faculty for outstanding work and leadership in Muleshoe High School.

Donny Wheat, and Mike Slayden. Escorts were Vanda Spurgeon, Brenda Kimbrough, and Audie Winn. Tommy Clemments was crowned by escort Vanda Spurgeon.

Candidates for the Mulettes' king were J.C. Slaughter, Gary Ethridge, and John Woodard. Escorts were Ann Douglass, Karen St. Clair, and Gayetta Gable. Escort Ann Douglass crowned J.C. Slaughter as Mulettes football king.

Cheerleaders for the event were vivacious Joe LaRue, cute little Cecil Cunningham, charming Jimmy Rowland, gorgeous Lex Guinn, and beautiful Ricky Bomer. These five flirtatious figures did a splendid job.

The powder puff game is sponsored and held under the leadership of F.T.A. members. All involved are participants in F.T.A.

At West Texas he majored in Physical Education and has a masters in Administrative Education.

At present he is teaching World History and Driver's Education. He is also Athletic Director of Muleshoe High School.

Nat'l Honor Society Tabs Four Students

Muleshoe High School's National Honor Society, in keeping with the custom of the past, has asked the faculty to select an outstanding student for each class every month. For the month of October, the teachers have chosen Sam Feagley, a senior; Lee Ann Yerby, a junior; Sherry Minkler, a sophomore and Kathy Pena, a freshman. Each of the students show outstanding academic talents, as well as cooperation and citizenship.

Sam Feagley has been class president for three years, a member of the spirit club for four years, a member of the National Honor Society, and F.T.A. member, and has received many awards concerning his study of chemistry. He also served on the student council for three years.

Lee Ann Yerby is in the band, in F.H.A., and she was in the band club. She has been in the All-Region band for two years and in the musical orchestra for two years.

Sherry Minkler, chosen as the outstanding sophomore of the month, is a member of F.H.A., F.T.A., choir and Art Club.

Kathy Pena is an eager young freshman who is secretary of the Rosebud Chapter of F.H.A., a Thespian pledge and a member of the Freshman Basketball team. She is also on the girl's debate team.

National Honor Society members held their monthly meeting on Thursday, October 16, in the Corral Restaurant. The society meets for a breakfast fellowship the third Thursday of every month.

Additional Pages To Enhance Edition

Sales for the 1969-70 MULETRAIN have been going on now for two weeks and will end this week.

The 1970 MULETRAIN has been thoroughly planned and pictures are being made at the present time. Staff editors, Betty Harbin, Arlene Brown, and Lana Washington, are busy writing copy, planning detailed art work for division pages, and trying to keep everything clicking right along. Photography lab boys, Mike Garcia and Joe Mata, along with photographer Chuck Roming, never seem to be able to tell when the day ends with the tremendous amount of photography piling up. Nevertheless, other staff members, along with editors and photographers, are beginning to see some progress. The first 126 pages section was mailed Tuesday to Newsfoto Publishing Company in San Angelo.

Many new ideas are planned for the 1970 MULETRAIN. Instead of planning more cuts in number of pages, using less art work, etc. in order to reduce cost and keep the cost stationary, the staff this year felt that a raise in the selling price of the book in order to have an adequate size book would be better. Consequently, it was decided that the 1970 MULETRAIN would sell for \$6.00 this year (an increase of \$1.00 over the last few years) plus tax. Since the book (spring delivery plus 16 page section in summer) will contain 208 pages (79 more than last year), and since Junior High School is publishing a Junior High Yearbook, this leaves a full 79 more pages for high school only. It is felt that these improvements will greatly add to the famous MULETRAIN. A considerable amount of art work is planned for the opening section, which will demonstrate a unique theme, plus each division page having extensive art work which will carry the cover design throughout the book. Also, some bright, modern colors have been selected for the cover. It is the general feeling of the annual staff that the increase in price in order to publish a book comparable to one the Muleshoe High School is preferred, rather than cutting the book in order to publish it for an old price of \$5.00. The Muletrain Staff is making a united effort to put out a very journalistic book of events of the great Muleshoe High School for 1970. The 208 page spring delivery book plus the 16 page summer supplement, which will cover all activities after March 15, will constitute a total of 224 pages for high school.

Although the publishing of the

yearbook is for the benefit of high school students primarily, the staff would like to extend an invitation to any businessman who might wish a copy for his office of personal use. Without the generous support of the local merchants of Muleshoe by taking advertising, it would be impossible to sell the book for less than nine or ten dollars. If any businessman would like a copy reserved for him or his business, he should call 272-3080, the high school office, and a book will be reserved for him and delivered when they arrive. The price is \$6.20 per copy, including tax.

Other members of the 1970 Staff are: John Woodard and Sam Feagley, Mule's Tale editors; Betty Harbin, Lana Washington, and Arlene Brown, general editors; Mike Garcia and Joe Mata, photo-lab workers; Chuck Roming and C.L. Myers, photographers; Jeane Freeman, Darla Kendall, Cathy Mardis, Tina Morphis, Donald Puckett, staff members in charge of various sections of the yearbook. Again, students and community patrons, it is the hope that this yearbook will be one of the best of MHS, and we appreciate the help of everyone.

Melanie Precure Represents Band In Queen Contest

by Becky Sain Reporter

The Mighty "M" Band nominated their contestant for the Halloween Queen Contest which will be held November 1, 1969. Out of five nominees Melanie Precure was elected to represent the band.

Melanie is the daughter of Mr. and Mrs. Kenneth Precure of Muleshoe. She is a senior in high school.

Melanie is very active this year in high school. She is a member of the Mighty M Band and plays first cornet. She is a member of the High School Choir. Melanie is President of the FHA Rose Chapter and was elected Senior Class favorite.

We are proud to have Melanie Precure represent the "Mighty M Band". We would appreciate your votes; it is only one cent per vote.

DODD ON PRISONS
Senator Thomas J. Dodd (D-Conn) has proposed a \$1-billion Federal program to change prisons from "the principal training ground for our criminals" to modern institutions of rehabilitation. His bill would provide for states to get Federal money to improve present facilities.

Muleshoe Debators Win Sweepstakes

The annual Muleshoe High School debate tournament was held this past weekend. Twenty-six debate teams competed for top honors. In the girls' division, Spearman High School won first place and in the boys' division Friona High School won first place.

The sweepstakes trophy is awarded to the school that compiles the most debating points during the tournament. A win is five points, while a loss is two points. Hereford High School and Friona High School tied for second place with fifty-six points and Muleshoe High School won first place and the sweepstakes trophy with fifty-nine points.

Muleshoe High's debators for the 1969-1970 season are Bucky Taylor and Delton Bass, Betty Harbin and Martha Chapman, Chuck Smith and Perry Hall, and Kathy Pena and Linda Mason. Bucky and Delton tied for first place in the boys' division, but lost out in speakers points. Kathy Pena and Linda Mason tied for first place in the girls' division but lost out

in speakers points. Betty Harbin and Martha Chapman composed the outstanding team in speakers points.

Gable, Wheat Top Favorites For Sophomores

by Sue Darsey

The third sophomore class meeting was held during Orientation period on October 13, 1969. The first business discussed was the election of class favorites. Cynthia Gable and Donnie Wheat were chosen sophomore favorites. We also discussed plans for the Halloween Carnival. The sophomore Halloween booth is to be called, "The Golden Nugget." The booth will be composed of dance-hall girls, western music, and drinks.

Expect little and you will spare yourself disappointments.

IMPRESSIVE RECORD--From left, Linda Mason, Martha Jane Chapman, Betty Harbin and Kathy Pena compose the girls debate team which racked up an impressive record, both in win and losses and in speaker points in last weekend's debate tournament.

SWEEPSTAKES WINNERS--From left, Chuck Smith, Bucky Taylor, Belton Bass and Perry Hall, all members of the debate squad, look down at the sweepstakes trophy they helped win last Saturday in the Muleshoe debate tournament. The A-team, Bass and Taylor, compiled a 4-0 record.

STOP-CAUTION-GO

Protection

The signal light is man's guide to safer travel. However, they protect only as they are obeyed.

The Bible is God's Signal Light and guide for man's path through life.

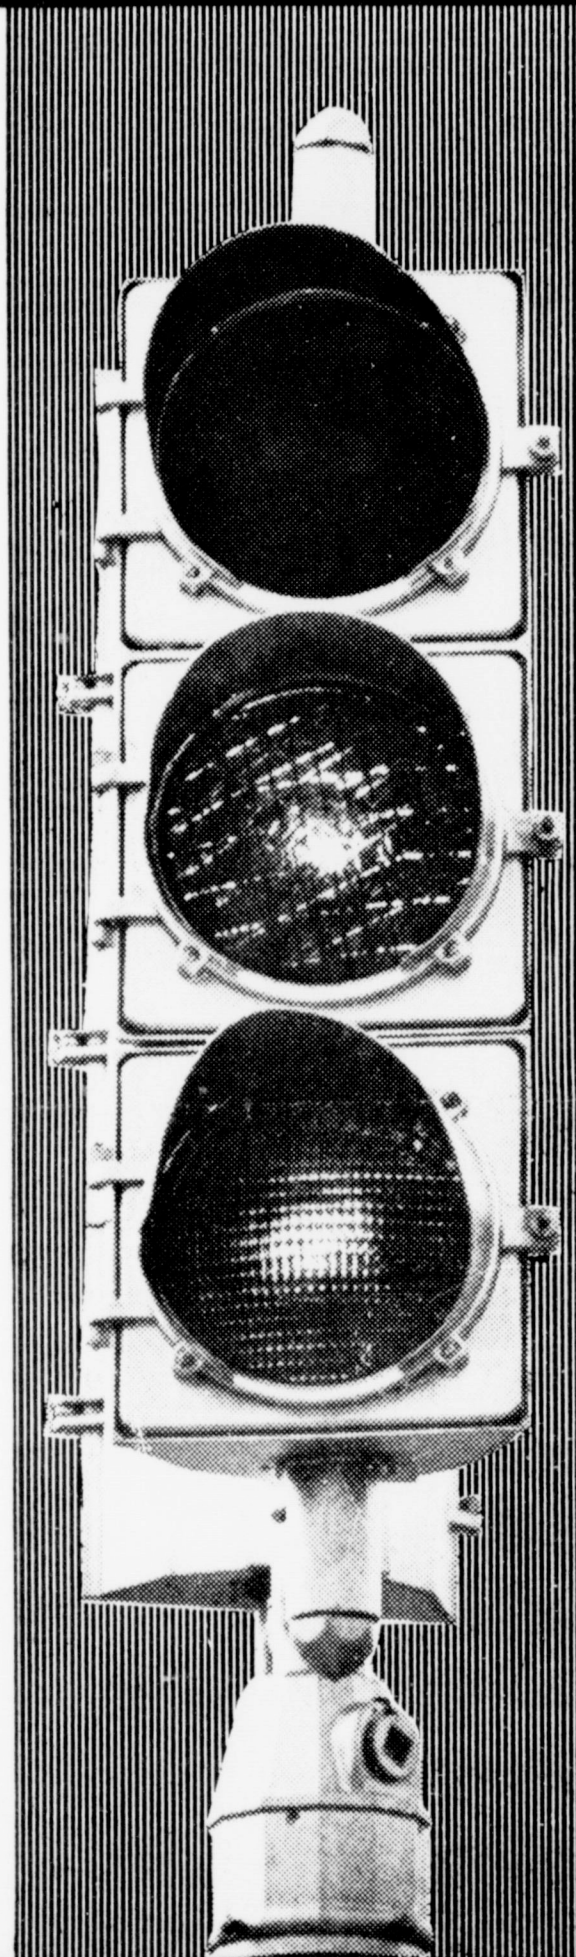

"Thy word is a lamp unto my feet, and a light unto my path."

Through study of God's word, we learn His will for our life, and He will lead in paths of righteousness. ATTEND CHURCH

EVERYONE IN THE CHURCH
THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
