STORM REPORT

As Reported by . . Stormie Meriwether, Kindergarten Student

We went to see "Sethy Boy" and Jenna. It was in "The City". There was a restaurant that haves big lobsters in a fish tank. I don't want to put my hand in there. They can pinch my hand off! Jenna and I ate crab "hands". They look a little funny and taste so good! We have to crack them to get the meat out. Jenna is a good cracker!

Setny Boy has a "playground" in his house. I can go in and out the gate. He loves to crawl everywhere and play with all the things. I'm not a baby, but I love to play with Seth.

I can play the Wii. I can do all the things. The Wii says I am eighteen years old! That's funny a little girl can be eighteen years old. The Wii says, "Stormie, you are a healthy girl." All the people cise. It's great to be healthy.

pretty! It is blue and it's a tutu. Miss Penny says we have to order it now for our recital. Ballet is wonderful! That's it.

Monday, January 5, Wheeler students returned to school after the Christmas Break. Students enjoyed their two weeks off, and were ready to finish out the school year with the last semester.

The Mustangs and Lady Stangs played their last week of basketball before district. On Tuesday night the Varsity teams hosted the Ft. Elliott Cougars here at home. The Lady Stangs played a great game, but they fell short to the Lady Cougars 66-43. The Mustangs dominated the court and left the Cougars in the dust 89-36.

On Friday our teams traveled to Borger to face the Texline Tornadoes. The Mustangs and Lady Stangs returned home victorious. The girls won 52-43 and the boys won 59-44.

Last week the One Act Play also began working on the production of "The Nerd." The first festival that the students will compete at is in Shallowater, TX on February 6.

FCCLA also announced that the annual Sweetheart Banquet will be held on Saturday, February 7 All in all it seems that a very busy semester is in store for the students at Wheeler schools. With basketball, spring sports, OAP, FFA Judging, and UIL Academics, we can expect great things from the students at Wheeler.

The cafeteria was also remodeled over the Christmas Break and the work ended this weekend. Wheeler is proud to have a brand new kitchen. It looks very nice and will be home to many great meals for students throughout the years to come.

MEETING ROOM/STAGE: From one corner of the larger of the two meeting rooms, one can see part of

the stage and entry into the kitchen of the Agricultural/Family Center under construction at the north edge of Wheeler. The Wheeler Chamber of Commerce Installation Banquet has been postponed in hopes of having the event in the newly completed structure.

Ada Morgan from Shamrock, is a pleasant new lady at Wheeler Care Center. Welcome, Ada.

Marie Baker looks like she has been beat up...black eyes and places on her face and head from a fall at Care Center, but she came to Tuesday morning church seeming pretty perky. Some others coming to church were Betty and Earl Hustead, Joyce Wood, Rev. Mark Barton and Martha, Verna and several residents including Wayne Stanton, Howard Surber, Byron Simpson, T.J. Cole, Lenna Vick, Marie Adams, Teresa Reed, Nina Hervey, Verna Alston, Ada Morgan, W.J. Lisle, Anna O'Gorman and others.

Yancy and Chelsea Galutia and Carina, 3, of Owasso, Oklahoma; Todd and Niki Burch and Maddie, 4, and Sydney, 1, of Tribune, Kansas along with Suzy Lee and Ashton, 6, and Mason, 1, of Wheeler, enjoyed a trip to Breckenridge, Colorado, over the holidays. "Whether the weather be fine or whether the weather be not, we'll weather the weather whatever the weather, whether we like it or not."

Joe and Sherry Wagoner enjoyed a trip to Branson, Missouri, over Christmas holidays, a gift from daughter, Shawna, and husband, Dewayne Ditmore, and really enjoyed the fun and fellowship with Shawna and Dewayne.

Enjoying supper at Maxey's Friday night were Lanette Lewis and son, Blue Coomer, and his son, Andrew Coomer, and Lanette's mom, Beverly Lewis, and Margie Conner. They celebrated Lanette's 53rd birthday and Blue's 35th birthday and had a good time of food and fellowship. Happy birthday and God bless you all!

"A hug makes the perfect gift. One size fits all and no one minds if you exchange it.'

Nice to have a visit from Lindsey Criswell, Blain and Dagen and Rita Pearson Friday. We also ate supper together at Maxey's for a good time and ate lunch with the Hefley family Saturday at Wheeler Methodist. David's mom was my beloved sister, Polly.

Many relatives and friends from Allison, Briscoe, Gageby, Wheeler and other places brought delicious food for lunch Saturday at Wheeler Methodist Church before the funeral for Phyllis Hefley, beloved by many. So sorry Phyllis passed on, but know she is in a better place. Good to see everyone...some hadn't seen in many years. Aaron Laverty and Dick Irvine officiated. Burial was

in Gageby Cemetery. Doris Finsterwald and her sister, Dorothy Honath, and husband, Elmer, from Amarillo went to see their brother, C.B. Brotherton, Saturday, to visit and celebrate his 79th birthday. They had a really good visit. C.B. is doing pretty well...some days better than others. He is in the Ranchwood nursing home at Yukon, Oklahoma. Happy birthday, C.B.

Elton and Pat Teeters of Prescott, Arizona, have moved into an assisted living place and are doing much better. Elton could no longer care for Pat and they are eating better. Remember them in your prayers. Elton is aunt to Ruth Irvine and Laurel Hershman and others. She is my sister-in-law.

Pray for Lavenna Pannell. She had surgery on her neck Jan. 8 because of pain. The surgery went O.K. for her. Sure hope that helps a lot to have the surgery and hope she will soon be much better. Keep praying for Lavenna. Last I heard that she is doing pretty well, but having pain since the surgery.

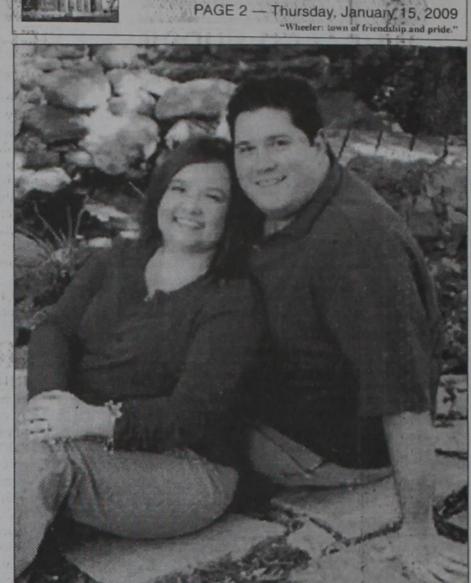

Thanks, Evalyn Free from Tyler, for the nice visit and pretty poinsettia flower. God bless you!

Grandson, Dallas, works for Marc Corporation as a salesman to schools and other places for supplies. He was going to California, Thursday, Jan. 8, for their annual meeting with other salesmen to learn and fellowship together and usually play some golf, but hates to leave his family for a few days. Think he was coming home Monday, Jan. 12, from the company-paid trip and fellowship with other agents.

Some of you will remember Cecil Waters, 97, who died recently. He had lived at Briscoe at one time and was Wanda Herd's uncle and related to Roy Waters, Bessie Waters and Fred Waters.

Totty School Quilters met Thursday, January 8, at Totty for a good time of fellowship and got Betty Haines' quilt rolled once on each side. Some there were Augusta Brown, Sydney Lynch, Betty Haines, Betty Rogers and Jimmae Hines. Augusta and her husband, Leon, will have been married 64 years in June. Congratulations!

BLESS the Lord, O my soul. O Lord my God, thou art very great; thou art clothed with honour and majesty. Who coverest thyself with light as with a garment: who stretchest out the heavens like a curtain: Who layeth the beams of his chambers in the waters: who maketh the clouds his chariot: who walketh upon the wings of the wind: Who maketh his angels, spirits; his ministers a flaming fire: Who laid the foundations of the earth, that it should not be removed for ever. Psalm 104:1-5

O GIVE thanks unto the Lord; call upon his name; make known his deeds among the people. Sing unto him, sing praises unto him; talk ye of all his wondrous works. Thank You, Edna May

Edna was once a Allison resident for many years but for health reasons was moved to Amarillo to live. We miss you Edna. May God Bless you and keep you!!

Bennie and Debbie Boydston and Louise Boydston went to Elk City, Oklahoma after Sunday School and visited Pearl Harrison in the Elk City Nursing Home. She was feeling some better.

Last week, Louise Boydston went to Dumas, Texas and visited in the home of Virgil and Jean Stinnett and stayed the night with them. While in Dumas Louise, Virgil and Jean visited Len Brown in the Nursing Home in Dumas and Len's wife, Betty was there and Gerald and Sharon Horton. So they all had a good visit.

Then Louise Boydston went the next day to Amarillo, Texas where she had two heart doctors appointments and she stayed the night with her daughter, Cheryl Dupont. Louise received a good report on both appointments.

Was saddened to hear of the death of Phylis Hefley. We are praying for the family. There was a very large crowd at her funeral on Saturday.

Friday, Virgil and Jean Stinnett visited in the home of Louise Boydston and stayed the night with her. They were here for Phylis' funeral. Curtis and Lillian Boydston and Opal and Juanita Boydston enjoyed a meal at Louise's house Friday night. Also Bennie Boydston was there to enjoy the meal as well.

Wednesday, Glenn and Betty Boydston visited in the home of Curtis and Lillian Boydston.

Wednesday afternoon, Curtis and Lillian Boydston visited in the home of Opal and Juanita Boydston and they all enjoyed a homemade meal.

When Curtis and Lillian returned to Allison, they thought they had frozen pipes, but thank the Lord it was just a leak instead and was soon fixed. So Thank the Lord for his blessings!!

Thursday, Peggy Chandler and Juanita Boydston were in Wheeler on business and enjoyed a delicious meal at Kim's Kitchen. Opal Boydston enjoyed a delicious meal at Curtis and Lillian's.

Friday, Lillian Boydston had a doctor's appointment in Shamrock. She had hurt her leg earlier while she was visiting her daughter in Arkansas, and it was getting infected so she went to the doctor. While in Shamrock, Curtis, Lil, Opal and Juanita all enjoyed a tasty meal at McDonald's.

Was saddened to hear of my finace's Tom's brother's death. It was the one he had lived with before he moved into his apartment. Saturday morning, Opal

Parkview Artery Beating the **Winter Blues**

Winter is a really long time to spend being cooped up indoors. That is, unless you live somewhere that has a really warm winter where kids and adults as well, can go outside. But when you live like most people where it is too cold to go outside without getting frostbite, you have to find something for the entire family to do, before everyone gains twenty pounds, and the kids start reciting Sponge Bob cartoons. Here are a few ways to com-

bat the Winter Blues. Take advantage of the sun-

Try to get out in the sun, or let it shine through your windows as much as possible. Try using sheer curtains instead of blinds. If possible, go to bed earlier so that you can wake up earlier to get more of that morning sun.

Add some color to your home You might see the blues and grays of the winter landscape as being cold, drab, and depressing. Liven up your home with splashes of warm colors, such as reds, oranges, yellows... Instead of taking on any major redecorating, just add some warm-colored pillows, blankets, candles, tablecloths, etc. These colors evoke feelings of warmth and fire. And by all means, if you have a fireplace - use it!

Exercise Exercise is a natural way to increase serotonin levels. Studies have shown that one hour of aerobic exercise has the same uplifting effects as two and a half hours of indoor light therapy. (a set of fluorescent or incandescent lights in front of a reflector) You can also try doing regular stretching, as it will help you to reduce and manage stress, along with improve your mental clarity and focus.

Modify your diet Carbohydrates have been shown to increase serotonin levels. To treat your body right, indulge in larger portions of complex carbohydrates, such as whole-grain pasta and brown rice. Try eating healthy simple carbohydrates, like fruit, in place of high-sugar foods. Sugary foods may provide momentary relief, but will ultimately exhaust the body and make the body more susceptible to ill-

Another week of one or two really nice days and then the wind and cold set back in. You would think that the wind would finally get tired and give up for a while. I think that is blowing all of our chances of moisture away, but one of these days, it will be our turn. Hopefully, when it's warmer, so we don't have to have so much

The new year hasn't started out very happy for many. What happened to all the good luck, too? Our deepest sympathy to Jay Sandridge and his wife, Keila

life, he became an evangelical preacher. He and his beautiful wife, Patsy, served many churches in New Mexico, Kansas and Texas. Rev. Walker preached our niece's funeral in Clovis, New Mexico, several years ago. His prayers and messages are very memorable. Troy and Patsy had three children, Alvin, Zan, and Keila. and will be greatly missed by Our deepest sympathy to the

family and friends of Bill Bartlett, 94, of Canadian. He passed away Thursday, January 8, 2009, in Amarillo. Memorial services were held Monday, January 12, at First Presbyterian Church in Canadian with Rev. Ed Cooley officiating. Interment was in the Edith Ford Cemetery. He married the love of his life, Fermanetta Sawyer, in Canadian in 1940. Bill served in the U.S. Army during World War II. He was the owner-operator of Bartlett Enterprises in Canadian and the surrounding area until his retirement in 1987. Mr. Bartlett is survived by his wife, Fermanetta; two sons, Tom Bartlett and wife, Sue, and Terril Bartlett and wife, Rhonda, all of Canadian; three daughters, Zanne Ness and husband, Terry, of Bismarck, N.D., Jane Brenner and husband, Fred, of Weatherford, and Laura Breakfield and husband, Bill, of Crandall; 12 grandchildren and several great-grandchildren.

Another great loss to the area was Hoot Tepe, 51, of Canadian. Our deepest sympathy to his wife, Deborah, and the family and friends of Hoot. He passed away on the family ranch Thursday, January 8, 2009. Memorial services were held on Monday at the First Baptist Church in Cheyenne, OK., where he was a member. Donald Hill officiated, assisted by Rev. Jeff Hurlbut. Burial was in the Eller Flat Prairie Dell Cemetery in Hemphill County. Hoot had attended grammar school at the Blue Ridge School in Hemphill County and graduated from Canadian High School in 1975. He married Deborah Glover in 1978. To this union, two beautiful daughters, Grace and Anna, were born. He was very proud of his familyhis "girls"...all three of them. Hoot was an area farmer and rancher and affiliated with the Gem City volunteer fire department. He will be greatly missed. He was preceded in death by his parents, Bennie Tepe and Betty (Mobley) Tepe, a brother, Johnnie Tepe, and sister, Dee Anna Tepe, along with the man that raised him, Houston Henderson. Hoot is survived by his wife, Deborah, and two daughters, Grace and Anna, all of Canadian; a sister, Belinda Crosier and husband, Don, of Edmond; his step-mother, Susie Tepe of Pampa, and an aunt,

Mary Lee Slavin of Higgins. Word was received of the death of Dr. Richard Madsen, 86, of Amarillo, who passed away on Sun., Dec. 21, 2008. Memorial services will be held a later date. He was an optometrist in Canadian and Wheeler early in his career, later moving to Amarillo where he was eventually affiliated with Broome Optical for many years and from which he retired. He was preceded in death by the love of his life, Helen (Coleman) Madsen, after 63 years of marriage. Dr. Madsen is survived by Jan. 15, at the First Baptist

Tim Mayfield and his family have an older home built on a cement slab, so when they started having water run out from under the bath tub, they were hoping they would find a connection that had to be replaced or a water line in the wall that was the culprit. No such luck. The estimate was \$12,000.00. Now, if that's not a new year's nightmare! Thank goodness, Jennifer's brother and family are willing to let them bathe at their house until they can get things together. What a hassle!

Did you see that big, beautiful moon Saturday night? It was so pretty most of the night. Monday night's moon was quite bright, too. Saturday night, it was clear in Charleston, S.C., so they got to enjoy it, too. Of course, even out in Ladson where my brother and sister-in-law live, there are so many lights that they didn't really notice how bright it was. They really enjoy the night skies when they come visit.

Many thanks to our school board members and all the time they spend away from their families making decisions that will forever affect our teachers and students. They put a lot of effort into trying to make our school the best it can be and give the students the best educational foundation possible. There are very few easy decisions to be made and even fewer easy fixes to the many problems that arise on a regular basis. It takes a lot of foresight to be prepared for all the changes that affect our little schools. Keep up

the good work! Leola Stuart enjoyed lunch with Peggy Dunn at Mel's on Sunday. Peggy spent the night with Leola and visited with friends before going to Amarillo Monday afternoon. Bo Dunn will be having a heart catherization procedure done this week. Hope all goes well and you get a good report, Bo. Peggy was enjoying playing Santa Claus and brought Leola's packages from her Lawton fam-

ily. They had a good visit. A very special thanks to the volunteer firefighters of the area. Monday was a very cool and windy day. Somehow, a fire got started just off the farm-to-market road on the Shelton Ranch and just zipped right through the dry grass. The west wind then kicked in and took it toward the Jeff Kelley family's homes and Joe Van Zandt's home and family land. It was really roaring. Mobeetie volunteer firefighters were out in full force with assistance from crews from Shamrock, Wheeler, Briscoe, Miami and Hoover. These crews all work very well together and are an amazing bunch. You are all greatly appre-

Texas Residents Receive 10 Free Flowering Trees for Joining the Arbor Day Foundation in Janu-

Ten free flowering trees will be given to residents of Texas who become members of the Arbor Day Foundation in January 2009.

The free trees are part of the nonprofit Foundation's Trees for America campaign.

Those who join the Foundation in January will receive two white flowering dogwoods, two flowering crabapples, two Washington hawthorns, two American redbuds, and two goldenraintrees.

"These compact trees were selected for planting in large or small spaces," said John Rosenow, chief executive of the Arbor Day Foundation. "They will give your home in Texas the beauty of lovely pink, white, and yellow flowers and also provide winter berries and nesting sites for songbirds."

The trees will be shipped postpaid at the right time for planting between February 1 and May 31 with enclosed planting instructions. The six to twelve inch trees are guaranteed to grow or they will be replaced free of charge.

He and his brother, Tom, were well-known farmers and ranchers in the area and did custom farming. Tim was affiliated with several community groups and associations. He was an avid collector of anything John Deere, but especially the antique tractors. He was instrumental in getting the XIT Antique Tractor Pull as a big attraction for the area. The best part of his life was his family. He began raising show

pigs as his girls got older and in-

Tim is survived by the love of his life, Lauri; two daughters, Elissa and MENUS Holly; and son, Josh, all of Dalhart; step-daughter, Melaney Gribble and husband, Jason, of Vernon; and step-son, Cody King and wife, Laura, of Aubrey, along with his parents from Illinois and three brothers.
