TUMBLING TUMBLEWEEDS--This huge pile of tumbleweeds tumbled and tumbled, finally piling up in the yard of this home on West Ninth Street. The yard, porch and part of the windows are hidden by the tumbleweeds which broke

loose and rolled all over the South Plains during high winds and sandstorms this week. The wind and sand continued Friday afternoon with a forecast for possible snow and freezing rain Friday night, Saturday and Saturday night.

Outstanding Area Farmer To Be Honored Soon

Jaycees To Choose OYF In This Area

A young farmer between the ages of 21 and 35 will be recognized as the Outstanding Young Farmer of the Muleshoe area by the Muleshoe Jaycees. The farmer will be recognized during Jaycee week which begins January 17. The selection will be based on career progress, conservation practices and service to the community.

The Muleshoe Jaycees are sponsoring the Outstanding Young Farmer Project because it lends itself to honoring the achievements of young farmers and public attention needs to be focused on the important role farmers play in the everyday life of our community, said Clarence Christian, Jaycee.

Christian said, "Public understanding of the farmer is vital today. The modern farmer is a far cry from yesterday's plowman. Farming today is a complex, exacting, huge business."

"Today's farmer not only produces foodstuffs and the fibers needed by an expanding nation, but must keep his land alive, improve production and conserve his natural resources," he continued. "For the farmer cannot purchase more raw materials when his land gives out. He must use, re-use, then use again and again the same land. There is no longer a frontier to which he may move, leaving the worn-

Nine Enter Home Light Tour

Nine homes have been entered in the second annual Home Light Tour sponsored jointly by the Muleshoe Chamber of Commerce and Businessmen's Activities Committee of the Chamber of Commerce, said C. C. Manager Jerry Hutton.

The homes and addresses to be included in the Monday night tour are: O.D. Ray, 716 West Avenue D; S.M. Ehrig, 419 West Seventh St.; John Smith, 405 West Sixth St.; Melvin Seymour, West Camp Road, third house on right; C.E. Fox, 1709 West Avenue D; John Harris, 306 East Chicago; Jerrell Otwell, 918 East Hickory; Clarence Jones, 613 West Avenue F and Cecil Davis, 1906 West Avenue H.

The expanded tour and larger prizes this year is expected to attract a number of vehicles moving up and down the streets as families view the outstanding Christmas decorations around this area.

The first prize will be \$50 and is being given by the Chamber of Commerce and BAC. Second prize is \$25 by the same groups and Southwestern Public Service Company is giving the \$15 third prize.

Out of town judges are checking the homes on two different occasions and will judge them on three phases; theme, amount of time and work involved and appearance of the decorations. The new method is expected

to be more fair to the persons entering the competition, according to the Home Light Tour committee members. They are Mrs. Harvey Bass, Mrs. R.A. Bradley and Mrs. Troy Actkinson.

MHS Choir Sets Program For Christmas

The Muleshoe High School choir will present their annual Christmas program during high school orientation period Tuesday, December 22, at 10:45 a.m. The presentation will be in the MHS auditorium and the choir said they would like to extend a special invitation to the public to attend the program.

Choir Director Jerry Neuschwander said that among the numbers to be presented will be Alfred Burt's "Carols," "Fum, Fum, Fum," "O Come, O Come, Emmanuel" and "Sing Me Now of Christmas" and other selected Christmas numbers.

The choir director added his personal invitation to the general public to attend the presentation.

around muleshoe with the journal staff

1971 Feed Grain Program Outlined

Miss Sheila Hunt, daughter of Mr. and Mrs. Robert Hunt, attended the Christmas Cantata at the First Baptist Church in Clovis Sunday night, December 13. She was the guest of Mrs. Ed Gunnels who was a soloist on the program.

Joe Stanley Johnson, son of Mr. and Mrs. Randy Johnson, has been inducted into Alpha Chi at Baylor University. He is a 1968 graduate of Muleshoe High School and is a junior biology major at Baylor.

Anne Camp, librarian at the Muleshoe Area Public Library, attended a one day workshop at the Lamb County Library in Littlefield during the past week. Mrs. Camp said the workshop was held by Betty Arper, Librarian at the Lubbock Public Library on reference work in conjunction with the Inter-Library Loan Service.

Mrs. W. McFerrin Stowe has taken her father, Claude Farrell, to visit in her home in Tulla during the Christmas holidays.

Diane Washington, freshman student at West Texas State University, Canyon, is spending the Christmas holidays in the home of her parents, Mr. and Mrs. Gene Washington.

T.R. White and Mrs. Joe Pat Wagoner spent a couple of days in Ruidoso this past week.

Scout Drive A 'Success' Say Leaders

Approximately two-thirds more Boy Scouts have been added to Muleshoe with more than 30 boys signing up for the three Scout programs available here during a recent campaign. The two Cub Scout Packs signed up 15 boys, the new Explorer Scout Post signed up 12 boys, the Regular Boy Scouts signed up two and 11 more boys have indicated they will sign up with a new troop as soon as it is formed.

The Scout program in Muleshoe is in the need of adult leadership, said Neighborhood Chairman Walter Bartholf. He said a Den Mother does not have to be the mother of a son, but be interested in helping the boys and the local Scout program. Men are also being sought to help with the Boy Scout program and anyone interested is urged to check with one of the Scout leaders to see how they can help. On the committee in the Scout drive are Walter Bartholf, Jeff Smith, Vic Benedict and Jerry Hutton. They said that although they did not get the 65 Scouts they were seeking in the '65-NS' program, they will get a lot more boys and more involvement in Scouting through the recent drive.

Released By Charles Daniel, Manager USDA-ASC Office of Muleshoe.

Secretary of Agriculture Clifford M. Hardin, on December 8, 1970, announced major provisions of the 1971 feed grain program. "At this time, however," the Secretary explained, "There are many unknowns in the feed grain situation."

"Consequently, we are not announcing the final set-aside percentage until we have additional information on factors affecting the 1971 crops. For the

purpose of the January Farmers' Planting Intentions Report, the Department will tentatively plan for a 20 percent set-aside for feed grain. The decision on the actual percentage will be made prior to the program sign-up period, March 1 through April 9, 1971. The preliminary payment associated with a 20 percent diversion requirement would be 32 cents per bushel for corn and 29 cents per bushel for sorghum times the yield established for the farm times one-

half the corn and grain sorghum base. We are announcing other program decisions in order to provide farmers with the broadest information possible for planning spring seedings," the Secretary said. "The set-aside program will give producers more options in the uncertain situations for corn than previous programs since it places no limits on the plantings of crops except those for which marketing quotas are approved by farmers. These crops are peanuts, rice, tobacco, extra long staple cotton, and sugarcane. I have great faith in farmers to make the right decisions when they are provided the opportunity to do so. The set-aside program frees them of specific acreage limitations on all nonquota crops."

In 1971, participants in the set-aside program will be guaranteed a national average of \$1.35 a bushel on the production from half their corn base, and \$1.24 a bushel (\$2.21 a hundredweight) on half their sorghum base. This compares with total support in 1970 of \$1.35 a bushel for corn, and \$1.20 a bushel (\$2.14 a hundredweight) for sorghum.

Set-aside payments for diverting the specified percentage of the base will be equal to the difference between the national average price received by farmers during the first five months of the marketing year and the guarantee.

The method of calculating set-aside payments for a farm will be like that of the 1970 program: half the feed grain base times the farm yield times the payment per bushel. Unlike the 1970 program -- when participants were paid on the actual acreage of feed grain planted up to 50 percent of the farm base -- participants in the set-aside program will receive the full payment regardless of what they plant on their acreage.

Preliminary payments to participants will be made as Cont'd. on Page 3, Col. 1

Schools Slate Closing Dates For Christmas

Area schools will be closing for the holidays next Wednesday.

The Muleshoe schools will dismiss for the holidays at 2:30 p.m. on Wednesday, December 23. Classes will resume at the regular time on Monday, January 4. Bula and Lazbuddie schools will dismiss at 2 p.m. on Wednesday, December 23 and resume classes on Monday, January 4 and the Three Way School will dismiss at 2 p.m. on Tuesday, December 22 and classes will resume on Monday, January 4.

Most of the other area schools will follow a similar schedule.

Taxpayers May Gain From Legislation

Taxpayers of Muleshoe stand to gain \$23,540 on the cost of proposed sewage plant improvements if the Texas Legislature acts promptly in approving a \$25,500,000 matching grants program requested by the Texas Water Quality Board. This statement was made by Gordon Fulcher, chairman of the TWQB.

When contacted Thursday morning, City Manager Albert Field said the federal government had already tentatively approved \$35,310 in funds to be used on the sewage plant improvements, which is estimated to be approximately 33 percent of the estimated \$120,000 cost of the proposed improvement. Field added that if the State Legislature approved additional funds, Muleshoe could benefit of up to 8 percent of the cost of the sewage plant facilities.

Fulcher said, "If there is not a state matching grants program, the Federal participation in sewage plant construction amounts to approximately 30 percent." He added, "However, if the state does have a matching grants program which contributes at least 25 percent of the cost of an eligible project, the Federal participation may increase to 55 percent. This, then would leave a city or other taxing entity with only 20 to 25 percent of the total cost to be raised."

As an example of possible

Post Office To Be Closed For Two Days

Muleshoe Postmaster Spencer Beavers said the post office will be closed on Friday, December 25 and Saturday, December 26. According to the postmaster, there will be no window, star route, home delivery service or boxes serviced during that time. Normal post office service will be observed on Christmas Eve Day, December 24.

Bula Girls BB To Duncanville Tournament

Coach Loyd Halbrook at Bula said his girls basketball team is leaving for Duncanville which is located outside Dallas for a large tournament.

The girls plan to leave Bula on Sunday, December 27 and will be playing in a tournament with 23 other girls teams from various locations in the state of Texas. At this time, the girls have an 8-6 record for the season.

Coach Halbrook said they defeated the Lazbuddie girls, 49-36 in a tournament at Whiteface Thursday. They played the Whiteface girls Friday night, but no score was available at presstime. The boys basketball team has a 3-3 record for the year. They lost 68-36 to the Lazbuddie boys in the Whiteface Tournament Thursday and were to play the Whiteface boys Friday afternoon.

He complimented his teams for their efforts during this year.

DL Office To Close Wednesday For Holidays

Mrs. Eugene Black, secretary in the office of the Texas Department of Public Safety Driver's Office in Muleshoe said the office will be closed December 23 until December 28 for the Christmas holidays. She said that C.D. Fitzgerald, drivers' license officer, will be in the office to give road tests on Monday, December 28.

Dear Santa:

Dear Santa Claws For Christmas I want a car with a flashlight. My sister wants a velvet for Christmas. But most of all me and my sister want our daddy to come home from vetnemo. Please come from Robby and Tarmy. P.S. Santa see what you can do. Thank you

Grain...

soon as practicable after July 1, 1971. Regardless of the size the total payment turns out to be, the participant will not be required to refund any of the preliminary payment.

The 1971 loan rate for corn will be \$1.08 per bushel for No. 2, which is equivalent to \$1.05 a bushel for corn of average quality, the same level as in 1970.

In setting the loan rates for other feed grain, the Agricultural Act of 1970 places heavy emphasis on feeding values in relation to corn. In contrast, the Food and Agriculture Act of 1965, which authorized recent feed grain programs, required consideration of this factor in setting total support, but left loan rates largely to the discretion of the Secretary. As a result of the emphasis of the new Act, 1971 sorghum rates are higher than in 1970, while those for the other grains are lower. The 1971 loan levels for the other grains are as follows: grain sorghum, \$1.73 per hundredweight; barley, 81 cents per bushel; oats, 54 cents per bushel; and rye, 80 cents per bushel.

The Agricultural Act of 1970

makes provisions for the shifting of bases from farms which do not plant feed grain to those which do. The law provides that farms which plant less than 45 percent of their feed grain base in 1971 will have their 1972 base reduced for the amount of the under planting, up to 20 percent of the base. If no feed grain or authorized substitute crops are planted for three consecutive years, the entire base is removed from the farm. All base lost by farms will be placed in a national pool for reallocation to other farms.

Acreage which is not planted due to a drought, flood, or other natural disaster or a condition beyond the control of the producer, will be considered planted to feed grain to preserve bases, and any producer who makes a set-aside but elects to receive no payment will not suffer loss of base. In 1971, acreage planted to soybeans will not be considered planted to feed grain, unless it is later determined that this action is needed to prevent a shortage of soybeans. Acreage planted to wheat will be considered planted to feed grain to prevent loss of base. Under the wheat program, land planted to feed grain will be considered planted to wheat to prevent loss of allotment.

This action will provide broader substitution privileges to participants in the wheat and

feed grain programs than in previous years. A producer with a feed grain base and a wheat allotment can plant his entire feed grain base and wheat allotment to wheat or to feed grain without loss of history, just as he did in 1970. He will also get both wheat certificates and feed grain payments -- which he could not in 1970, unless he planted a fixed percentage to each of these crops. Further, since there is no limit on feed grain or wheat plantings, he can plant more acreage to these grains than the total of his base and his allotment -- planting them on land which he previously used for lower return crops. He will be required, however, to make his set-aside under both programs and maintain his conserving base just as he did in 1970. A farmer with only a feed grain base or only a wheat allotment may still plant all feed grain or all wheat without losing history or payment.

Only corn and sorghum will be included in the set-aside program -- barley will not be included. Farmers with a barley base will not be required to set-aside any acreage to be eligible for loans or purchases.

A producer may participate in the feed grain program on any farm or all farms in which he has an interest, as he wishes.

No additional set-aside will be authorized for payment, in view of the probable need for additional feed grains in 1971.

The Agricultural Act of 1970 limits feed grain payments to any person to \$55,000. This limitation will affect a rather small number of feed grain producers. The limitation of payments provision does not apply to loans nor to sales of eligible feed grains to Commodity Credit Corporation. Feed grain bases will be set just as they were in 1970. Other program details, such as production of alternate crops on diverted acreage, will be announced prior to sign-up.

Dear Santa,
Please bring me a Baby Tender Love, and a Easy Bake Oven. That is all I want.
I have tried to be a good girl this year.

New Point System 'Confuses' Hunters

Some waterfowl hunters are "stopping at two" this season under a new point system of hunting regulations being tried in many States.

The point system, implemented by the Interior Department's Bureau of Sports Fisheries and Wildlife, allocates different values to various species and the sexes of ducks hunted. A hunter may shoot until he reaches the maximum "points," but if he is unable to identify the ducks he

Farmer...

Cont'd. From Page 1

automobile industry. "This is a portion of the reason for the Muleshoe Jaycees placing primary emphasis on the progress of young farmers in the area, but recognition is extended to the contributions of all in agriculture to the life of the community."

Any Jaycee may be contacted for further details on recognition of the Outstanding Young Farmer of the Muleshoe area.

has killed, the practical result is that he can take no more than two under point rules. The general idea of a point system was suggested by a duck hunter.

With agreement of the States involved, the new system is being tried in New Jersey, Florida, Iowa, and Illinois, as well as in all of the Central flyway except North Dakota and Kansas. Trial runs in several areas were held in preceding years.

The point system essentially is a method of "wise use" of a resource - species less abundant or with higher mortality rates receive more points, capable of withstanding greater shooting pressure are allocated fewer points.

Until this season, waterfowl hunting has been regulated mostly on a species by species basis, and hunters had the unenviable problem of attempting to identify ducks in the air. They complained often that regulations were complex and befuddling.

The point system allows hunters to identify birds in

hand, the Bureau and cooperating State agencies have issued a waterfowl identification guide to assist the effort. The hunter identifies species and sex, and adds the values of the ducks he has killed. He must stop shooting when he reaches the maximum permitted.

Mallard hens, hooded mergansers, black ducks, wood ducks, redheads, and canvasbacks in many areas are worth 90 points on a 100 point scale. If a hunter cannot identify ducks he therefore must assume he has shot two 90 pointers.

The point system still is considered experimental. If it works well, it will be expanded to additional areas in future years. The Bureau will be surveying this season's results closely. If the new approach has greater effectiveness in managing the harvest, if it holds violations to an acceptable minimum, and if it is

Despite the short routes and quick cures, there is no easy way to anything that is worthwhile.

properly interpreted by hunters and courts, then "stop at two" will become a less common expression -- at least for waterfowl hunters -- as more and more of them bone up on their duck identification.

The waterfowl identification guide is available free of charge from the State wildlife agencies involved in the experiment.

Friendship Club Has "Red Dress" Party

The Friendship Club held its annual "red dress" Christmas party Thursday evening, December 17, with a dinner at the Corral Restaurant. Husbands of the members were guests and wore red ties and socks to compliment the red dresses worn by the ladies.

Invocation was the Lord's Prayer given by all the members and guests.

A traditional Christmas dinner was served in the candlelit dining room. Tables were decorated with red candles in crystal holders and sprays of holly.

Following the dinner, Mrs. E.W. Johnson, president, extended greetings to all and Mrs. Webb Watts read the "Christmas Letter".

Gifts were exchanged from a decorated and lighted Christmas tree.

The group sang "Blessed be the Tie that Binds" and "We Wish You a Merry Christmas".

Attending were Mr. and Mrs. E.W. Johnson, Mr. and Mrs. W.T. Andrews, Mr. and Mrs. Webb Watts, Mr. and Mrs. O.D. Ray, Mr. and Mrs. Scott Swafford, Mr. and Mrs. George Johnson, Mr. and Mrs. Bert Mathis, Mr. and Mrs. Joe Dam-

Bula WSCS Has Holiday Social

Bula WSCS met Thursday, December 10, for a Christmas social in the home of Mrs. Paul Young. A short devotional was led by Hazel House, who also read a Christmas story taken from a church magazine. Dorothy Bogard read a letter from Mrs. W.L. Armstrong, missionary with her husband in Indonesia.

Following the short program,

Mr. and Mrs. A.J. Shafer, Mr. and Mrs. J.W. Witherpoon, Mr. and Mrs. C.M. King, Mr. and Mrs. W.E. Young, Mr. and Mrs. Beryl Wingo, Mrs. Mary Young, Mrs. Inez Kennedy, Mrs. Jewell Griffiths, Mrs. Jackie Tate and Mrs. Gladys Darsey.

The next scheduled meeting will be January 7, 1971.

Compliment to the Horse Farmer: "Let me tell you, my friend, that horse knows as much as I do."

Friend: "Well, don't tell anybody else; you might want to sell him some day."

secret pals were revealed and names drawn for another year. Punch, coffee and Christmas cookies were served by the hostess.

A Nativity scene, arranged on blue velvet, was used for the worship center.

Attending were Judy Kirk, Dorothy Bogard, Hazel House, Bertie Clawson, Margie Simmons and the hostess Mrs. Paul Young.

Lynette Westerfield Honored At Gift Tea

Miss Lynette Westerfield, bride-elect of James Pitts, was honored with a gift tea Friday, December 18, from 3:00 to 5:00 p.m. in the home of Mrs. Robert Hooten.

Special guests were Mrs. Ira Westerfield of Crawford, Texas, mother of the bride-elect; Miss Kathy Westerfield, sister of the honoree; and Mrs. Kirk Pitts, mother of the prospective groom. The honoree, Mrs. Westerfield and Mrs. Pitts were presented orchid and white corsages.

Miss Janie Crane registered the guests. Miss Lyna Pitts and Miss Gayla Hooten served the refreshments of white cake, decorated with orchid roses, and hot punch. The serving table was laid with a white linen cloth and a gold and purple candle arrangement centered the table. Silver and crystal appointments were used.

Hostesses for the tea were

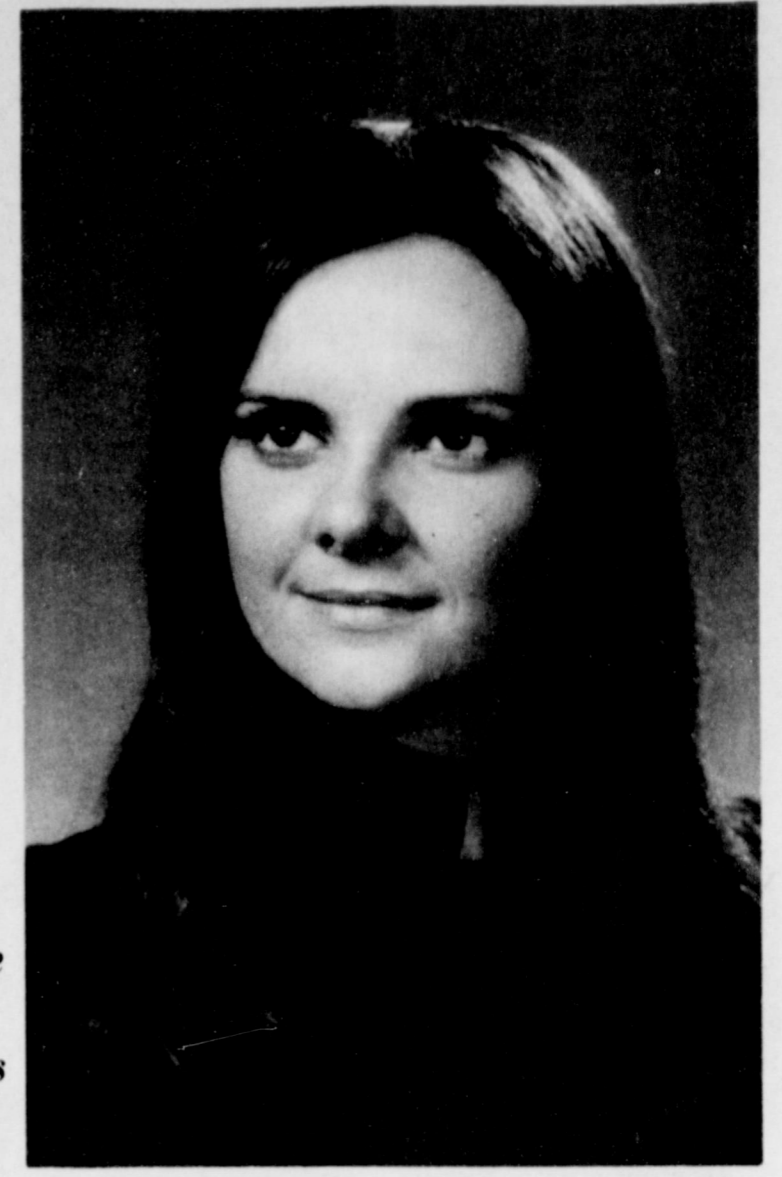

Mrs. Thurlio Branscum, Mrs. Glendon Kenney, Mrs. C.W. Calhoun, Mrs. W.F. Harrison, Mrs. John Bickel, Mrs. Walter Little, Mrs. John West, Mrs. F.W. Jones, Mrs. Martin Oliver, Mrs. Elmo Stevens, Mrs. E.K. Angeley, Mrs. Oscar Allison, Mrs. Harold Allison, Mrs. Jesse Fox, Mrs. Kenneth Duncan and Mrs. Robert Hooten. The couple will be married in January in Crawford, Texas.

Hobby Club Has Regular Meeting

The Muleshoe Hobby Club met Thursday, December 17, at the Muleshoe State Bank Community Room with 24 members and four visitors present. The hostess was Vada Bartlett. The members brought a variety of Christmas goodies for refreshments. Secret pals were revealed and the members exchanged gifts. The next meeting will be January 7 with Allie Barbour as hostess.

Visitors present were Mrs. Pete Witte, Mae Pattie, Ola B. Jones and Carrie Boydston. Members attending were Dora Phipps, Hallie Briscoe, Jewell Barry, Ola Pesch, Ruth Bass, Edith St. Clair, Maude Robinson, Bernice Amerson, Blanche Cash, Myrtle Chambliss, Juanita Snow, Euna Maye Oswald, Eva Dell Gillis, Zula Carlyle, Levina Pitts, Verna Dement, Barbara Burton, Mary Evins, Allie Snyder, Vada Bartlett, Mabel Caldwell, Myrtle Wells and Allie Barbour.

No matter how carefully a mother plans and prepares meals for her young child, it does his growing body no good unless he eats everything on his plate. He should also enjoy his meal. Maybe he occasionally prefers raw carrots to cooked carrots, or hamburgers to meat loaf.

MARRIAGE ANNOUNCED . . . Mr. and Mrs. Billie Marlow are announcing the marriage of their daughter, Miss Deborah Marlow, to Gordon "Sandy" Noble, son of Mr. and Mrs. Jim Noble of Muleshoe. The couple was married Friday, December 11, at the First United Methodist Church parsonage. The bride graduated from Sudan High School in 1970 and Noble is a 1970 graduate of Muleshoe High School. Mr. and Mrs. Noble are both freshman students at South Plains College in Levelland where they will make their home.

Tom Berrys Take Vegetables To Oddfellow Homes

Mr. and Mrs. Tom Berry took a load of carrots and cabbage to the Oddfellows Aged Home at Ennis, Texas and to the Oddfellows and Rebekah's Childrens Home in Corsicana. Lusk Green of Muleshoe furnished the cabbage and the Powers Packing Plant at Hereford supplied the carrots.

The Berrys also went to Richardson and visited with their son, Mr. and Mrs. Glen Berry. They attended the initiation service of Mr. and Mrs. Glen Berry in Harmony Rebekah Lodge in Dallas. This makes the Berrys a complete Oddfellow and Rebekah family. Their two sons and their wives were all initiated this year.

Miss Sheila Hunt Honored At Party

Miss Sheila Hunt was honored with a birthday party for her tenth birthday Friday night, December 11, in the home of her parents, Mr. and Mrs. Robert Hunt. Guests Friday night were Debbie Hall and Janell Garrett. Guests for cake and ice cream Saturday were Della and Darin Shaw, Twila Downing, Debbie, DeAnn, Denise and Lisa Kimbrough, and her brother and sister, Curtis and Tori Hunt.

Rotary Club Has Its Annual Christmas Party

The Muleshoe Rotary Club held its annual Christmas party Tuesday, December 15, at 7:30 p.m. in the Fellowship Hall of the First United Methodist Church.

A Christmas dinner was served and the ladies were presented gifts. The Rotarians were given their new desk calendars for the new year.

The program was presented by Jerry Nuenschwander and the Muleshoe High School Folk Singers who sang Christmas carols.

The speaker was Alec Williams.

Forming the decoration committee were Mrs. John Crow, Mrs. Ronnie Shafer and Mrs. Troy Atkinson.

Mrs. Earl Harris, Mrs. Olan Burrows, Mrs. Roger Albertson and Mrs. Albert Fields were on the foods committee.

Approximately 40 people people attended the party and it was reported that everyone enjoyed it.

SCHEDULE OF EVENTS

MONDAY, DECEMBER 21
7 p.m. - Athletic Boosters, High School Cafeteria
8:00 p.m. - Poetry Society Chamber of Commerce
8:00 p.m. - School Board, School Adm. Office
TUESDAY, DECEMBER 22
8 p.m. - Rebekahs, I.O.O.F. Hall
7:30 p.m. - Alcoholics Anonymous, So. Main.
WEDNESDAY, DECEMBER 23
7:30 p.m. - Fine Art Booster, Muleshoe State Bank Community Room

Any upcoming community event for Schedule of Events, please report to the Journal office.

Muleshoe Jenny TOPS Have Christmas Party

The Muleshoe Jenny TOPS met Thursday, December 17, at the Bailey County Electric meeting room. The meeting was called to order by Mabel Wolfe, leader, and the group recited the club pledge. Mrs. Claude DonHolmes led the singing of the club song. Selma Redwine read the roll call with 30 members weighing in.

One renewal member, Mrs. Bernice Splawn, was recognized and a former member, Miss Debbie Sain, transferred back here from Plainview.

Mrs. Walter Sain read the minutes of the previous meeting. The club will not meet next Thursday, December 24.

Next meeting will be on December 31 at 6:00 p.m. with the business meeting beginning at 6:30 p.m.

The new rules were discussed concerning the new weight losing contest to begin January 7 and will last for two months. Names were drawn for the weight losing pals.

Mrs. Roy White was crowned queen for the week. Anna McDonald was first runner-up and Mrs. J.M. Hefner was second runner-up.

After the business meeting, the program was turned over to Jean Whalin. Mrs. Whalin, Mrs. Roy White and Mrs. J.M. Hefner had charge of the decorations and presented the Christmas program.

Mrs. Claude DonHolmes accompanied the members on the organ as they sang Christmas songs. Mrs. Arro Mata and her guest sang "Silent Night" in Spanish for the group.

The members drew numbers for the Christmas gifts and then were served angel food cake, low-calorie punch and coffee for refreshments.

The club dismissed with the singing of the goodnight song until December 31.

Mrs. Damron Hosts Party For Students

Mrs. Sam Damron hosted a Christmas party for her piano and organ students in her home Friday, December 18. Each student played selections including Christmas, popular and classical music.

Special guest was Miss Kathy Seymore, piano scholarship student at West Texas State University and a former pupil of Mrs. Damron. She played several selections for the other pupils.

Refreshments of Christmas cookies, candies and hot spiced punch were served. Assisting Mrs. Damron with the party was her daughter, Miss Dana Damron, a music student at Texas Tech.

The group concluded the party by exchanging gifts.

Those attending were Benton Glaze, Linda Middlebrooks, Laura Sea, Lissa Brown, Kelly Gregory, Kim Small, Delinda Loyd, Kelly St. Clair, Marilyn Block, Shannon Sowder, Brent Blackman, Tyree Wagnon, Karen Mayhugh, Laurie Young and Brent Gunter.

Bethany Class Has Program

The Bethany Sunday School Class of the First Baptist Church of Muleshoe had a class meeting Thursday, December 17, at 2:00 p.m.

The members exchanged gifts and the devotional, "Christmas Poems", was brought by Mrs. Robert Hunt.

Attending were Mrs. Cooper Young, Mrs. Gerald Prater, Mrs. Bob Stovall, Mrs. Lindy Chancey, Mrs. Joe Rhodes, Mrs. Robert Hunt and the teacher, Mrs. George Washington.

ENGAGEMENT ANNOUNCED . . . Mr. and Mrs. Johnnie Williams of Muleshoe announce the engagement of their daughter, Miss Deborah Jean Williams, to LaThaggar Smith (Smitty) Aylesworth, son of Dave Aylesworth of Lubbock and the late Mrs. Aylesworth. Miss Williams is a senior at Muleshoe High School. Aylesworth graduated from Muleshoe High School in 1963 and is presently employed at radio station KMUL. Aylesworth and Miss Williams are planning a June wedding.

Goodland Bible Study Has Christmas Party

The annual Christmas party for the Goodland Bible Study was held recently in the home of Mrs. Cass Stegall. All members were present, including two old members now living in Muleshoe - Mrs. J.G. Arnn and Mrs. Clint Everett. The living room was decked with the traditional Christmas tree. Gifts were exchanged by secret pals. Yule tide decorations were carried out through the den and bedrooms and Christmas carols were sung by the guests. Questions over the entire book of Genesis proved very entertaining.

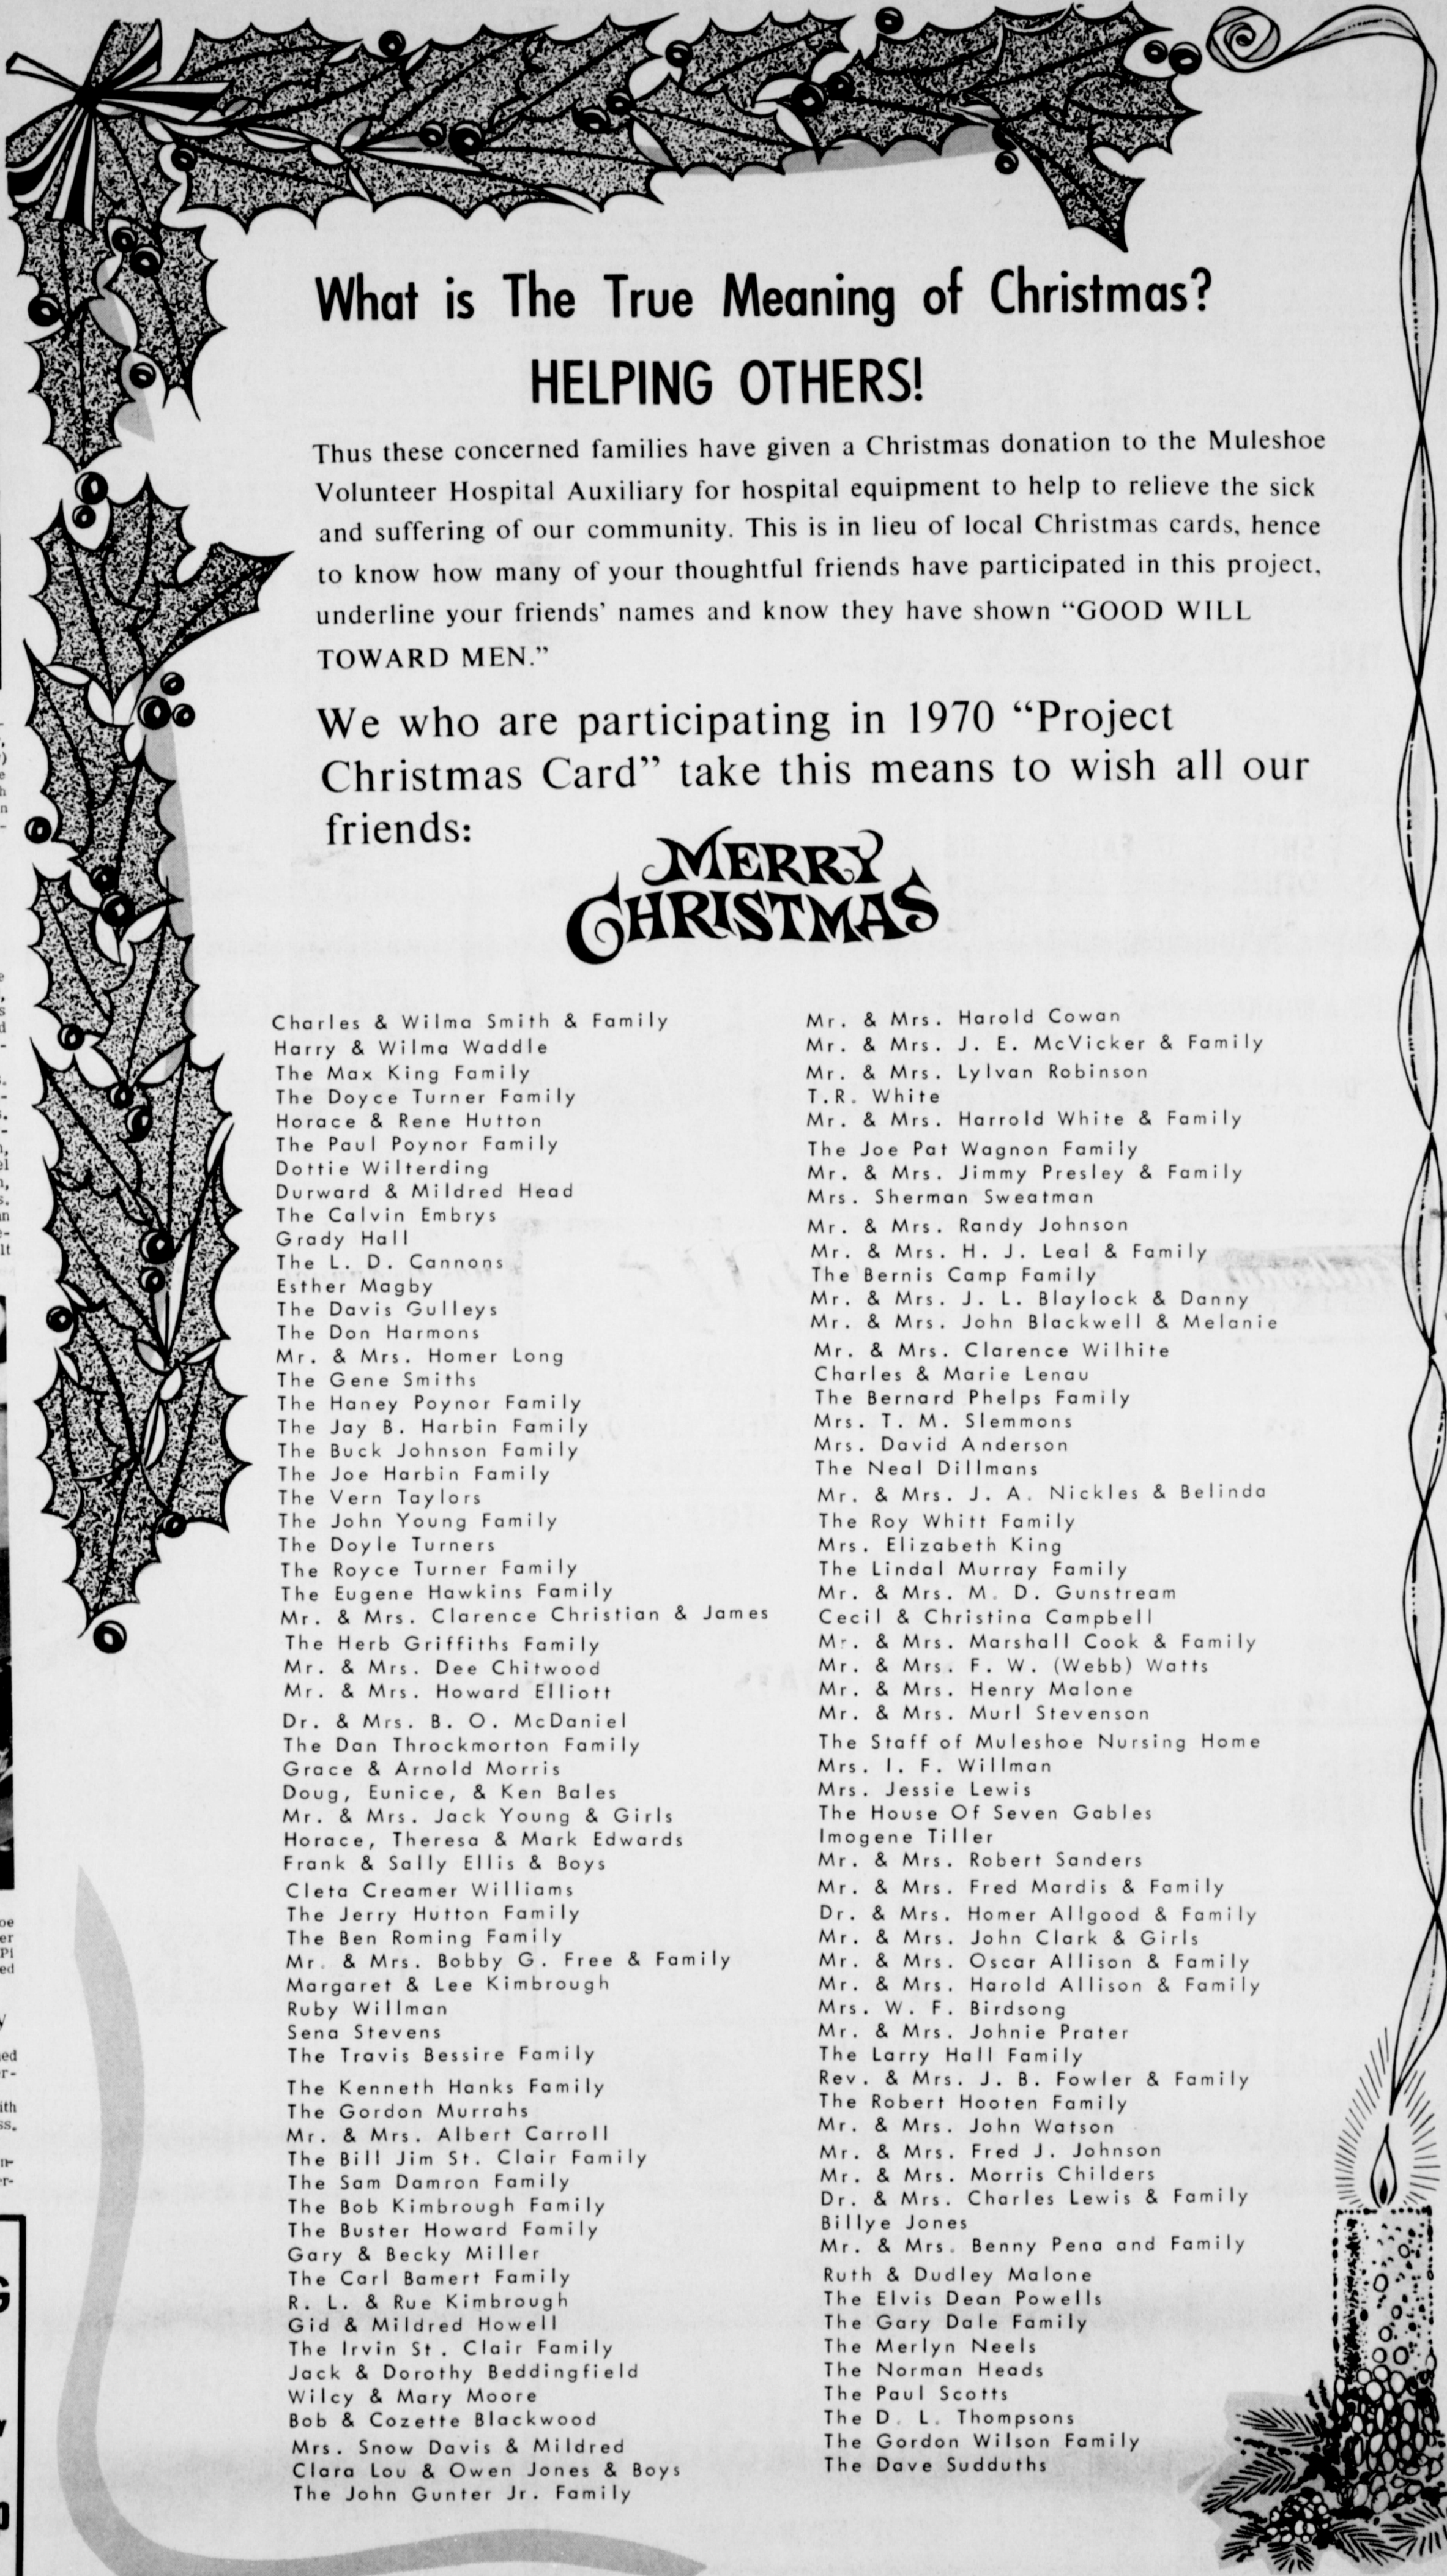

MONEY DOLL WINNER . . . Mrs. Clifford Buckner of Muleshoe is pictured with the \$100 money doll she won Saturday, December 12. The doll was a money making project of the Alpha Zeta Pi Chapter of Beta Sigma Phi Sorority. Mrs. Buckner is employed at White's Cashway in Muleshoe.

Progressive Homes Club Has Party

The Progressive Homes Club met in the home of Roxie Hoover December 16, 1970 with 11 members present. Zida Mae Black was co-hostess. President Zida Mae Black presided at the meeting. Roll call was given by Secretary Lula Embry. The treasurer's report was given by Roxie Hoover. The members then adjourned to their homes after the afternoon meeting. The next meeting will be with Zida Mae Black as hostess, Adamant. Some minds are like concrete—all mixed up and permanently set.

The ladies guessed who were their secret pals and paid a 25 cent fine forfeit if they missed. Secret pals were then revealed and new names drawn for the coming year. Santa Claus Black, assisted by Roxie Hoover, presented each member with a gift. A New Year's 42 party will be held December 29 at 7:00 p.m. in the Muleshoe State Bank Community Room. Husbands are invited. Vera Engelking won the hostess gift. One new member, Katie Roubinek, was added to the club. Refreshments of pecan pie, homemade candies and coffee were served to those present.

What is The True Meaning of Christmas? HELPING OTHERS!

Thus these concerned families have given a Christmas donation to the Muleshoe Volunteer Hospital Auxiliary for hospital equipment to help to relieve the sick and suffering of our community. This is in lieu of local Christmas cards, hence to know how many of your thoughtful friends have participated in this project, underline your friends' names and know they have shown "GOOD WILL TOWARD MEN."

We who are participating in 1970 "Project Christmas Card" take this means to wish all our friends:

MERRY CHRISTMAS

Five Accidents Injure Two In November

The Texas Highway Patrol investigated five accidents on rural highways in Bailey County during the month of November, according to Sergeant Thurman Keffer, Highway Patrol supervisor of this area. These crashes resulted in two persons injured, and an estimated property damage of \$2,905.00.

The rural accident summary for this county during the first seven months of 1970 shows a

total of 43 accidents resulting in two persons killed, 27 persons injured, and an estimated property damage of \$34,458.00. Traffic wise, the month of December has proven to be the most destructive month to the life of mankind -- DEATH BY A MOTOR VEHICLE. In order to help reduce the traffic accidents and make this a happy holiday season, the patrol supervisor lists some safe-holiday driving rules: (1) Check your car; be sure it is in safe driving condition; (2) Use seat belts to safeguard your family and yourself; (3) Be alert to road, weather, and traffic hazards; (4) Do not overdrive the existing conditions; (5) Allow plenty of time for your

travel; and (6) Make courtesy your code for the road; it pays.

DPS Director Urges Safety For Holidays

AUSTIN--Colonel Wilson E. Speir, director of the Texas Department of Public Safety, warned today that traffic crashes in Texas over the Christmas and New Year holiday periods may claim as many as 87 lives. He said 52 deaths are expected in the 78 hours of Christmas from 6 p.m. Thursday, December 24 to midnight Sunday, December 27. He also estimated 35 traffic deaths during the New

Year holiday from 6 p.m. Thursday, December 31 to midnight Sunday, January 3.

Speir said the Department of Public Safety will place all available patrolmen on the highways during both holiday periods to enforce the law and aid motorists. He added that many local law enforcement agencies will be joining in this all-out effort to reduce the number of holiday accidents.

The DPS director said a special "Operation Motorcade" would be in effect over both holiday periods, during which periodic tabulations of traffic fatalities will be made and given the widest possible dissemination in order to focus public attention on the added dangers involved in holiday travel.

"We urge each individual driver to join in these efforts and help us prove the estimate of 87 fatalities too high. Many

holiday accidents can and will be prevented if Texans will adopt "Drive Friendly" as their personal slogan while behind the wheel," Speir added.

SONY FM/AM "Digimatic" clock radio

No Squinting!

You don't get an ordinary clock in Sony's Digimatic FM/AM clock radio 8FC-69WA. You get one that's push-button controlled with large easy-to-read numerals, instead of a clock. Which means: Once you set the time you want and push the automatic button, it wakes you up the exact same time every morning, automatically. With no re-setting ever. Also shuts itself off by itself after an hour of play. And it can automatically adjust to a slightly higher tone to wake you gently, if you doze off.

Press manual button and radio becomes a regular table set. Radio performance? Nothing but rich, big sound thanks to Sony solid state circuitry, high-low tone control, 850 mw of power, and a 3 1/2" Dynamic speaker. All in a low, sleek, compact cabinet that takes up a minimum of space. Styled in walnut hardwood. Complete with earphone. Come in, take one home, and pleasant dreams.

\$59.95 SONY

This SONY square clock... is a very hip Radio.

The story behind this Sony clock: A radio that pours out full, rich AM from a cube sound-chamber cabinet. Anything a big clock radio can do, Sony's 6RC-23 can do too—but in less than 5 square inches of space. Wakes you up to any program you want at the time you preselect; and the large clock face is designed for easy-reading. Front clock switch makes time-setting simple.

Charming cube-shaped set comes in a walnut-looking finish that's very rich. But you don't have to buy it.

\$19.95 SONY

SONY Sunset Portable TV

The Sony TV-720U is called the Sun Set. Because its black screen gives the same sharp picture outdoors that it does indoors. Even when the glare is strong. And since it weighs a little over 9 lbs., you can take it anywhere—beach, boat, boudoir or backyard. Plus a 7-inch diagonal screen that let's you share the fun with the whole family. Sharp picture? You bet. TV-720U owes it all to Sony's advanced solid state circuitry—and a forward AGC system for sensitive reception. Operates on AC or rechargeable battery (optional) that can be recharged with set's built-in battery charger. Plugs into cars and boats with optional accessories. You've got to see it to believe it.

\$109.95 SONY

Home improvement idea from SONY

Compact AM clock radio.

Sony's 8RC-62 improves your mornings. By waking you up to soft music. Or your nights with a Sleep Timer that fulfills you to sleep (and shuts off automatically an hour later). Special alarm to wake up a deep sleeper too.

The 8RC-62 also improves your listening pleasure. Because it has 300 milliwatts of output power, solid state circuitry and a big 3" speaker for sharp, full-bodied AM sound.

And with its handsome high-impact beige and dark brown cabinet, you improve the decor of any room it plays in.

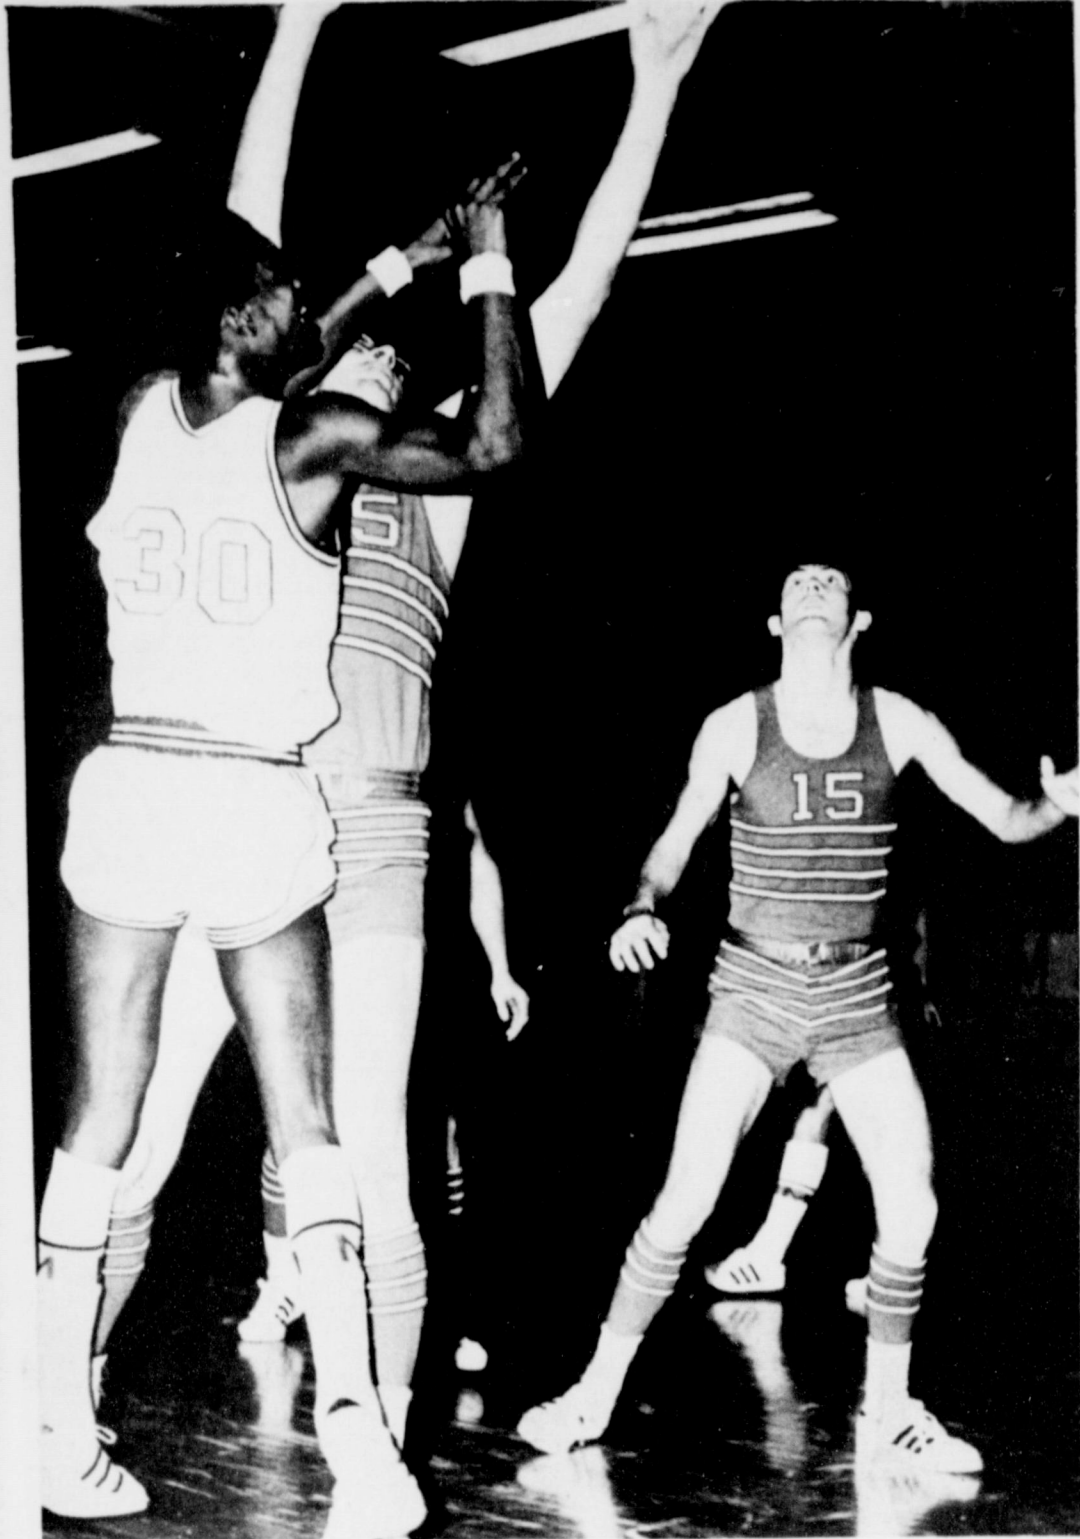

Other improvements: Handy front control knobs, illuminated full-feature clock.

Easy on your home economics too

\$27.95 SONY

A LAYUP SHOT--Leroy Medlock, high scorer for the Muleshoe Mules Varsity Basketball team, pictured at the left, makes another two points for the team despite the blocking action of the Friona Chieftain during action for the Mules' last week. The Mules are going into a 6-4 season at this time. Another Chieftain keeps a close eye on the action at the right.

Dear Editor:

There were two news items in the Lubbock A-J of Dec. 10 that have worried me quite a bit. One was headlined FEDERAL TAKE OVER OF WELFARE URGED. I suppose that that would be alright but what worries me is the figures given in the article. Gov. Smith stated that welfare costs to the state are projected to raise from \$99 million in 1969 to nearly \$300 million in 1972 and then on to \$600 million by 1976. One state executive is quoted as saying that the states are going down the drain, financially, one by one. Gov. R.B. Ogilvie of Illinois says "Either we go bankrupt or we stop funding welfare."

What does this have to do with our proposed Hospital District? I am confident that if this hospital is built that its cost to Bailey County will rise at about the same rate as the welfare budget of Texas. Roughly 600% in 8 years.

The other news item was headlined MEDICAL EXPENSES FOR POOR COSTLY. This one scares me to death. The opening paragraph states "One of the largest single contributions to the welfare cost explosion in recent years has been made by indigent medical care. Since 1965, the amount

paid out for such care by Lubbock County has jumped from \$152,995 to \$445,738". Then further on down "Payments for visits to doctors by indigents totalled \$35 in 1968, but rose to \$12,551 for the first 10 months of this year ----"

Then "Of course, the committee sometimes decides that a patient could pay a bill, but he still does not, which leaves a hospital holding a very expensive bag----"

And also "Completion of the planned county hospital is being looked to for a solution to this problem, for all indigents could go there and if a bill was unpaid, it would automatically be assumed by the public,----"

I am not against welfare, and I understand that our less fortunate citizens need medical care, but I cannot accept a hospital that makes free medical service easy to obtain or one that would encourage the deadbeats to move into our county primarily for free medical service.

Yours truly
(s) Richard E. Black

Dear Editor:
North Pole 97301
December 12, 1970
H & R Block Co.
4410 Main Street
Kansas City, Mo. 64111

Dear Mr. Block,
Your office has been recommended to me for assistance

In this time of need, I have received an audit letter from Internal Revenue Service and since this is my busy season, I thought you could handle the matter for me.

First of all they have questioned my deduction for uniforms. It seems that my uniforms could be considered "ordinary street wear," because so many of them are seen on the street corners at this time of the year. In addition, the Revenue Service is quick to point out, if the uniforms are not deductible, neither is the cost of cleaning. And you know how inconsiderate people are about their chimneys these days.

The second item questioned is meals. Since I am "not away from home overnight," (only 9:30 p.m. 'til 5:20 a.m.) they tell me my meals are not deductible. Apparently there are no questions about the four bales of hay used on last year's trip as this is "allowable travel expense," although I understand I could have claimed 10¢ a mile for the first 15,000 miles and 7¢ thereafter.

Also, certain business expenses have been questioned as to whether they are "reasonable and necessary." The first item is salary expense for 285 elves. Believe me, Mr. Block, with the population explosion and all, I don't see how I could get along with any less. The other item questioned is "entertainment expenses." It seems that I must show a "business purpose" for each gift and

I am limited to \$25.00 per person. The business purpose for each gift may be a little difficult to prove considering it is more or less a birthday celebration. However, I will be more than happy to limit the gifts to \$25.00 per person.

There seems to be a questionable item on my depreciation schedule. They say in their letter that "livestock" may be depreciated if they are only used for "draft, breeding or dairy" purposes and that gender of the reindeer is not indicated on the return, thus the exact use of the animals is not known.

The auditor included a note that it should seem that (a) the animals should have been fully depreciated by now because it seemed that they had been around quite some time and, (b) that "Rudolph" should be charged to advertising since he was not a part of the original herd.

I am enclosing my prior

year's returns and the books, records and cancelled checks on this year. I hope that your office will be able to handle this matter for me. If not, see if you can delay or postpone the matter until after January 1, for I would be unable to pay any deficiency until that time, as my Christmas Club check was misssent because of the wrong Zip Code.

Yours for a very Merry Christmas,
(s) Santa Claus

Chamber Corner

Jerry Hutton
Manager

We would like to continue our recognition and thanks for those individuals who helped make our Christmas Program a success: Bonnie Chandler for painting the Merry Christmas at our marquee; Morris Nowlin, R.A. Bradley, Ronnie Shaffer,

and Ray Campbell for their work on the Nativity Scene and Santa's Workshop. Thanks to those who entered their homes in the Christmas Lights contest. We certainly cannot forget those two who have made Santa's Workshop a success, George Washington and Frank Ellis. The biggest thanks of all goes to all of you for shopping in Muleshoe; we do appreciate it.

Candid
When opportunity knocks it only means the electric chimes aren't working.

-Wall Street Journal.

Dear Santa:

Dear Santa,
Please bring me a Dancerina and a jump rope.
Love Diana Ramos

Dear Santa,
I want a Dancerina for Christmas.
Love Minnie Carrion

Dear Santa,
Please bring me a Dancerina, a ring, a bracelet and a purse.
Love Emily Gonzales

Dear Santa,
Please bring me a truck, a car and a gun.

MHS Student Council Has Christmas Spirit

Christmas

By Babs Haire
December 25 is the day on which Americans celebrate the birth of Christ. Christmas is a time when Christians remember the story of the star, the three wise men, shepherds, angels, and all the events centered around the stable in Bethlehem where the Savior was born.

Christmas is the happiest, busiest season of the year. There are parties, decorations, religious observances, caroling, family feasts, and giving of gifts. There are Christmas cards to send, a tree to decorate, and a house to deck out in mistletoe and holly. Throughout all the preparations, the spirit of Christ's birth pervades to bring joy and peace to every heart.

There are many customs and symbols at Christmas time. Giving gifts symbolizes the gifts of the three wise men to the Holy Child. The traditional star atop the tree represents the Star in the East which led the wise men to Jesus. The ever-green Christmas tree, a tree of life, represents Christ's undying love to the world. Lights on the tree symbolize Christ as the Light of the World.

Santa Claus comes from several beliefs of foreign countries, but he is distinctly American. A description of "the jolly old elf" is found in the poem "The Night Before Christmas."

Santa's first pictures, as he is now represented, were drawings by the political cartoonist, Thomas Nash.

Christmas is a rich mixture of custom and tradition from many countries; but no matter where or when or how it is celebrated, the central theme is "joy to the world" because of the birth of Jesus Christ.

DRUG ASSEMBLY SPEAKERS--The students from Muleshoe, Morton, Plainview and Lubbock, provided answers to questions concerning drugs at the drug assembly day on Tuesday, December 17. The students held panel discussions and were helpful in assessing the drug problems which face the youth of today.

Honor Society Will Judge Essay Contest

By Becky Sain
An essay contest has been scheduled by the council. Essays are due Friday, January 8. Each class is being judged separately. There will be two prizes awarded to each class. First and second prize winners will be awarded plaques. Each class has a different topic. The senior topic is "What I Think About War." The junior topic is "What I Think About the Drug Problem." The sophomore topic is "What Makes Our School Unique," and the freshman topic is "Why I Am Proud to Be An American." The members of the National Honor Society will judge the essays. All students are encouraged to write on their class topics. Although this is not mandatory, it will be well worth the time and effort.

Monday afternoon, members of the council began another project. The girls dressing rooms in the high school gym are being painted by the council. The new paint job should give the rooms a "completely different" look.

Seniors Visit Many Colleges

By Babs Haire
Students taking college days this week were Lee Ann Yerby, D'Linda Loyd, and Ann Newsom, all going to Texas Tech; and Randa Sutton and Dovi Reynolds visited Eastern New Mexico University in Portales. Ara McGee visited Draughts Business College in Lubbock.

Next week, Linda Langer will visit Stephen F. Austin College at Nacogdoches; and Finetta Marlow will go to Fort Worth. The Student Council has other projects also. A seventh grade intermural basketball tournament is being sponsored by the council with the date to be announced later.

"O Christmas Tree, O Christmas Tree." Christmas is well on its way and the MHS Student Council is ready for the holiday season. A Christmas tree has been set up and decorated. It is located in the main hall and adds a friendly atmosphere to MHS.

Coaches

The Mules now have a record of six wins and four losses. This is one of the best starts that the Mules have had for several years. One of the boys who has been doing a good job for us not only in the playing floor but also with his leadership ability is Jerry Putman. Jerry is the only senior on our ball team and we're real proud of the job that Jerry is doing for us.

The area of our game which has improved over the past week has been our defense. If our defense can do a good job of holding our opponents to 50 or 55 points, we will have an excellent opportunity to win. Our shooting percentage from the field has at times been excellent. However, several of our losses can partially be contributed to poor shooting, so we need to develop a consistency in this area.

The area of our game which thus far has been the weakest has been our rebounding. Many of the teams that we play are taller than we are; therefore, we have to have an extra effort by all our players on the board.

Our next home game will be

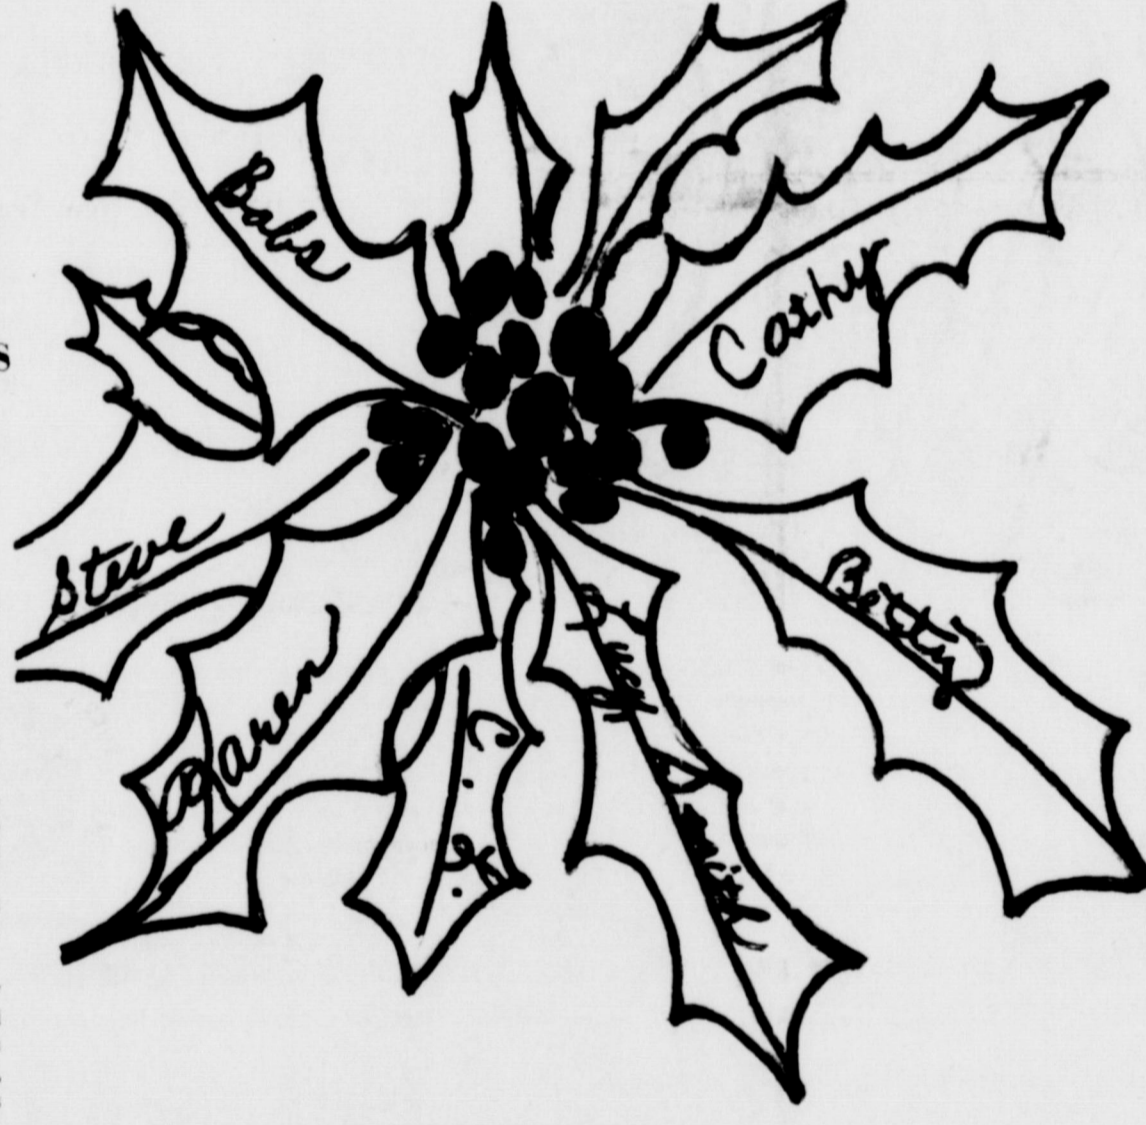

with Dimmitt on December 22. Dimmitt defeated the Mules in the first game of the season by 16 points, but we feel we have improved since that time so we are looking for a good ball game. Dimmitt has only lost one game this year.

DECA Sponsors Movie Comedy For Christmas

By Brenda Tiller
"Bon Voyage" will be shown December 21 in the High School Auditorium. Junior High will see this film at 9:30 a.m. and the price of admission will be 25¢. High School will be shown this film at 1:30 p.m. and the admission price will be 50¢. The film will be rated G, in technicolor of red, green and gold.

"Bon Voyage" is a bright and breezy comedy about an American family's vacationing adventures aboard the Luxury Liner S.S. United States, amid the scenic wonders of Paris and on the French Riviera. Sure-fired comic hilarity is provided by the famous cast, including Fred McMurray and Jane Wyman. It is a Walt Disney Release.

The Test
Before I got married I had six theories about bringing up children. Now I have six children and no theories.
-Reporter, Kansas City.

Jim Harvey Is Honored At Band Party

By Cynthia Wrinkle
On Saturday, Dec. 12, the Muleshoe Mighty "M" Band had a band party in the high school gym.

The first part was dedicated to the appreciation of band director, Jim Harvey. Band members had a large cake made that had "To the Greatest," and underneath that was "We love you, Mr. Harvey." Also a special card was made and every band member signed it. Mr. Harvey means a lot to each and every band member. He is appreciated and loved by everyone. The party continued with all sorts of games and it was enjoyed by everyone.

Speech Class Places Fourth In Tournament

Muleshoe High's Speech Department entered twenty-five students in eight different events this past weekend at the Hobbs Invitational Speech Tournament. Seventeen schools participated in the two day competitive meet.

Christy Ford placed third in oratory; Donna Woodard placed third in Oral Interpretation, and Joe Duke, Greta Bamert, and Connie Pruitt were in the finals of Dramatic Interpretation.

Muleshoe placed fourth in the overall competition toward the Sweepstakes trophy. The Speech Department will be defending their Sweepstakes Championship from last year at the Dimmitt Tournament this weekend, December 19.

EVERYBODY IS BAD TO COACH--Shown peeping out of the middle is Coach George Washington, surrounded by boys on the huge "push ball" in the Muleshoe High School gym. The boys surrounded Coach Washington and pushed him back onto the ball as they pushed it around. He laughingly went along with the action (especially as there didn't seem to be much he could do about it at the time).

FHA To Host Special Dinner

By Sharron Martin
The FHA Chapters are holding a Mother-daughter casserole supper Monday, Dec. 21, at 6:30 p.m. in the Homemaking Department. There will be a speaker from the Amarillo Home for Unwed Mothers. All FHA members and mothers are urged to attend.

The Homemaking II classes have been discussing dating. Wednesday they conducted a panel discussion with boys out of the first, second, and sixth period classes. They would like to thank Nicky Nickels, Ricky Black, Gary Lackey, David Harris, Frank Ellis, Billy Williams, Gary Hooten, Kip Lane, and Jody Jones for participating on the panels.

Girls Enter Wool Contest

Margaret Hettinga and Dellinda Henry were recent entries in the Senior Division of the "Make It Yourself With Wool Contest" at Texas Tech University. The contest is sponsored by the American Wool Growers Association. Garments must be made of 100% American Grown Wool. Dellinda modeled a pant suit fashioned from a solid brown wool for the pants and a matching plaid for the top. Margaret's dress was a two colored white shirt and royal blue top. Both girls are seniors and Homemaking III Students at Muleshoe High School.

Life Vs. Funds
Life is really more what you make it than what you make.

School Menu

- MONDAY
 - Milk
 - Beef Stew
 - Cheese Stick
 - Cabbage and Apple Salad
 - Corn Bread
 - Banana Pudding
- TUESDAY
 - Milk
 - Hamburger
 - Pickles and Onions
 - Tossed Green Salad

METRONOME... Pulsebeat for Music.
CHURCH... Pulsebeat for your New Year's Resolutions.

Beginners in music study have to have help in timing their practice.
The Metronome is a reminder to stay on the right beat.
The Church is the means through which God pronounces his word. God's word sets up the highest ideals for man to live by. Therefore there is no better ground to base your New Year Resolutions on than those set up by our Lord.
"Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny. The truth which alone will set him free to live as a child of God.

The following business firms urge you to attend the church of your choice this Sunday and every Sunday
