The Eastland Mavericks will open their 1960 District 7-AA basketball race tonight, and the Mavettes will be playing at the same time in their second district game of the year.

The Mays will entertain Cisco in the home gym. There will be a "B" game beginning at 6:30 and the "A" game at 7:30.

The girls will also be playing

Cisco, but their games will be in the Cisco gym. There will be both an A and B team game with the first game at 6:30 and the second

Scoutleaders Roundtable Held **Monday Night**

A Roundtable meeting of Scoutleaders of the Noreast District of the Comanche Trail Council of the Boy Scouts of America was held at the First Methodist Church in Ranger Monday night.

Basic training for scout leaders was the object of the meeting. wed members Fred Bennett, scoutmaster, Troop the 10 of Ranger, was in charge of the how program. A follow-up program will at was a fine held in Eastland next month t rolled out of when a Second Class scoutleaders

course will be given. Scoutleaders from Ranger, Eastdream that we land and Breckenridge were present at the meeting.

Your Insurance and Your Future-

. . . are all bound up together. The family who keeps adequately insured is not only wise but thrifty since insurance provides protection for the thrifty dollar. If loss occurs in the household of the uninsured his life's savings may be wiped out. But not so with the insured person. To be thrifty and wise, be insured. And the less we have the more it is a part of wisdom to guard against financial destruction.

something-or-other day after enrolling in Cisco High. As is usually in case in such rings, someone with a grudge ions against the football program against the Loboes discovered at the University of Oklahoma, this error and blew the whistle. The Interscholastic League fathers or the powers that be in things of this nature threw just about all the penalty they could on the Lo-

playing with any other school in the Interscholastic League for a full year

The Cisco school board, about the only thing they then had a choice to do; they sued court for reinstatement in the Bank, Ft. Worth, deed of trust. league's competation. I remember that their attorney was Forrest ccMD.

Wright, Sr. Part of the plea he I. D. made in court was that the penalty was too severe and worked a hardship on all the students in Cisco High who weren't guilty of anything. The case, as I remem- al S & L Assn., deed of trust. ber it, was not settled in time for Cisco to compete that year in interscholastic activities that season, but I do think Cisco's argument why all students in a school, or a school system, should

unished for the mistake of one. Likewise this present Oklahoma thing. The alleged offense goes way back. In criminal and civil procedure, as I understand it, there is such a thing as "statute of limitations," and if something isn't done about an offense in a certain length of time, nothing can be done after that time has elapsed. Certainly these offenses of Oklahoma were to long ago

to have any bearing on things The old philosophy of hitting a man when he's down seems to still be holding. Oklahoma had the worst season it has had since Bud Wilkerson took over as head coach this past year There must be a lot of people in this world who would like to drive the personable young man out of the football coaching profession, when they ought to be proud to have in the profession.

Of all the people in coaching today, I don't know of a finer gentleman than Bud Wilkerson.
