Tidbits

By HVO

MANY THINGS, big things, as usual underway in Eastland. Even the summer months keeps schedules tight. And sometimes they overlap, unfortunately. For instance, the J.H. Kendrick Family disturbed to learn that their setting of the Bill Mack Country Show proceeds to benefit the Religious Museum FELL ON THE SAME NIGHT OF THE Jaycees Texas State eanut Queen Pageant on Saturday, Aug. 11. With all the good things constantly in Eastland, there's bound to be such as all understand.

RAMADA INN'S Charleston House Restaurant tentatively set to open Monday says Inn Manager Larry Armstrong. Formal word to follow as the kinks are ironed out. A wedding reception there Friday night should be the first event.

Private Club Swan Inn to open later.

Ramada personnel answers the phone. "Welcome home." Understand there's a new doughnut shop opening in our town.

NEW BARBER at Maverick Barber Shop is C.E. Parks announces Floyd Williams. You might want to remember that the Peach and Melon Festival runs through Saturday down at our neighbor town of DeLeon with lots of activities on tap.

LOOK OUT! Last chance today for reservations for the Monthly Game Day at Lone Cedar Country Club to be held Friday. You may call Mrs. Don Pierson, Mrs. James Horton or Mrs. Joe Stephen in Eastland.

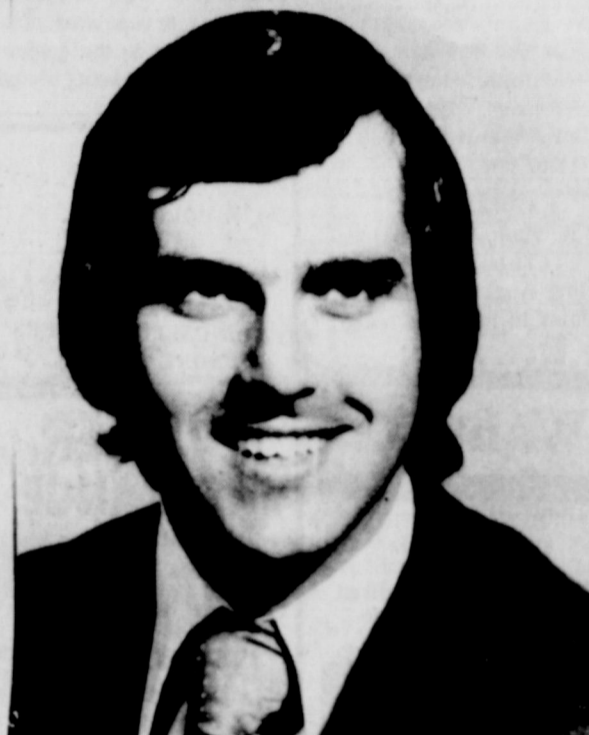

Eastland Manor Nursing Home and Marie Sotarez wish to thank Buddy Carter, Dale Bakker, Mr. Murry and Hills Ambulance service in Gonzallas for their generosity in making Marias trip more enjoyable.

Frankie Owens accepts position at Hickman's Nursing Home. Mrs. Lou Nix, administrator at Hickman's nursing home and the entire staff welcome Mrs. Owens as Mrs. Nix assistant. Mrs. Owens has been associated with the home for the past six weeks in a voluntary capacity to become acquainted with the staff and residents. Mrs. Owens is the former Frankie Lue Burrow of Carbon. She has been away for many years, but has come home to raise her son, Loy 11, years old. Mrs. Owens is a former U.C.L.A. student, and has had several years in the Hotel Management business in Ft. Two Services Remain Meet Jesus Crusade

Rain threatened but failed to dampen the enthusiasm for the opening of the Meet Jesus Crusade in Eastland Sunday. Over 1,000 people (many carrying neatly folded umbrellas and plastic raincoats) jammed into Maverick Stadium. Represented was every town in at least three counties and from further.

Official welcome was extended by Richard Watson of Eastland and the Crusade, which had been in preparation for months, got underway. Evangelist is Ben Loring of Dallas and in charge of music is Connie Ware, recently of North Carolina, but who is relocating in Texas. Jo Ann Baker of Eastland was at the piano and James Steel of Rising Star, had to wait until Monday evening to take over the organ duties when rain in fact did come, and the service was moved to the First Baptist Church where over 500 were present.

Also on the Sunday night opening service was Tommy Lerner of Moran.

A choir with over 100 voices highlighted the opening night service and half that many on the Monday in-side service.

Back at Maverick Stadium Tuesday, the Crusade was preceeded by what is billed as the World's Largest Pizza Party.

Beginning a 7:15 volunteers began feeding pizza to several hundred young people who had been invited by special ticket the previous night.

An opening night, the evangelist began with introducing the man Jesus.

Only two additional services remain; both set at the Eastland Stadium, beginning at 8 p.m. Thursday and Friday.

The Funk Reunion will be held in Abilene State Park Aug. 4 & 5. All friends and relatives are invited.

Mr. and Mrs. Truman Nix have had visitors here from Houston for six weeks.

Church, where a nursery is maintained every night. The public is welcome.

Chamber Searching, Finding

The Eastland Chamber of Commerce is busy like a good chamber should be. It's a multi-sided job of search and develop.

There's a continuing search for hunting acres, homes for new residents, a taxi and new members among other things.

And these searches are bearing fruits, according to Manager James Wright. The chamber is still listing acreage which is available for deer and/or quail leases. The office has daily calls from sportsmen in other parts of the state looking for places to hunt, and persons wishing to lease such sites may do so through the chamber.

Finding homes for persons who "drop in" here and inquire about the availability of housing is another bright side of the chamber's work. People inquire almost daily about living quarters, Mr. Wright said.

And too, the chamber is still interested in helping provide taxi service to the city. Per Persons who might be interested in establishing such a service may contact Mr. Wright about details.

Most successful is the continuing search for new members. At the chamber board of directors meeting last week held at the Eastland National Bank Conference Room, it was announced that 37 new members had been added to the chamber rolls.

The chamber telephone numbers is 629-2332.

Another Eastland Countian, Kaye Hoffmann, daughter of Mr. and Mrs. Bill Hoffmann of Eastland, won the coveted crown and title in 1971 and represented the peanut industry for a year.

Miss Vicki Scott of Comanche is reigning queen and will be on hand to crown the new queen.

Sponsored by the Eastland Jaycees in cooperation with the Texas Peanut Growers Association, the event annually attracts visitors to the town and publicity for the town and the peanut economy.

Only Two Services Remain In Meet Jesus Crusade

Rain threatened but failed to dampen the enthusiasm for the opening of the Meet Jesus Crusade in Eastland Sunday. Over 1,000 people (many carrying neatly folded umbrellas and plastic raincoats) jammed into Maverick Stadium.

Represented was every town in at least three counties and from further. Official welcome was extended by Richard Watson of Eastland and the Crusade, which had been in preparation for months, got underway.

An opening night, the evangelist began with introducing the man Jesus. Only two additional services remain; both set at the Eastland Stadium, beginning at 8 p.m. Thursday and Friday

evenings. The choir begins rehearsals at 7 p.m. at the Stadium. (In case of rain, the services will be at First Baptist Church, where a nursery is maintained every night.) The public is welcome.

Evangelist is Ben Loring of Dallas and in charge of music is Connie Ware, recently of North Carolina, but who is relocating in Texas. Jo Ann Baker of Eastland was at the piano and James Steel of Rising Star, had to wait until Monday evening to take over the organ duties when rain in fact did come, and the service was moved to the First Baptist Church where over 500 were present.

Also on the Sunday night opening service was Tommy Lerner of Moran.

A choir with over 100 voices highlighted the opening night service and half that many on the Monday in-side service.

Back at Maverick Stadium Tuesday, the Crusade was preceded by what is billed as the World's Largest Pizza Party. Beginning a 7:15 volunteers began feeding pizza to several hundred young people who had been invited by special who had been invited by special ticket the previous night.

The entire world is feeling the spirit of the MEET JESUS MOVEMENT today. In the forefront of this movement are the groups singing "MEET JESUS".

We would like to invite your church and especially your youth, to a MEET JESUS MOVEMENT CONCERT, to be held August 18, 1973 at the Eastland Stadium. The program will begin at 8:00 p.m. and last 2 1/2 hours.

There are six groups participating in this program and it promises to be a very special, most exciting experience for those in attendance.

One group on the circuit has just returned from a tour of Illinois and what a great time they had. They are spreading the MEET JESUS message and will be returning from the Chicago area just in time for this concert.

Each of these groups will be performing at the concert. They are: The GOSPEL OF CHRIST through the years of music; several groups of the groups have full-time positions in various churches, such as choir directors, youth directors, pianists, organists, educational directors, etc. They will be at the stadium to also reach out to the youth through this type program and tell them about CHRIST.

Also please try to come, by yourself, bring a carroll, bring a basket, but please do not bring anything for an offering with CHRIST.

A freewill offering will be the only admission charge.

Yours through Christ,
Phil Kendrick

WASHINGTON

"As it looks
from here"

OMAR BURLESON

Congressman
17th District

WASHINGTON, D.C. - THE DRAFT ENDED LAST MONTH AND NOTHING short of an international emergency is likely to bring it back. For the first time since 1947 the President has no authority to order inductions. At this point, there is not firm assurance how

the new total dependence on volunteers to maintain necessary man power levels will work out.

AT THIS POINT, HOWEVER, THE NEW SYSTEM IS LAGGING IN SPITE OF increased pay and bonuses for enlistment. Since there is really no choice, it has to be made workable even though the cost may be more painful than previously anticipated.

ACTUALLY THERE HAS BEEN NO DRAFT SINCE LAST DECEMBER when inductions were stopped with the withdrawal of U.S. troops from Vietnam.

THE NIXON ADMINISTRATION HAS BEEN CONCERNED ABOUT GETTING the voluntary machinery tuned up to take the place of the draft and to fulfill the President's 1968 pledge to end conscription.

THE TROUBLE IS THAT RIGHT NOW WITHOUT THE DRAFT AS AN INCENTIVE, enlistments are running far behind. The Marines and the Air Force have seemingly been doing pretty good but the Army and Navy are short of their recruitment efforts since February.

EDUCATIONAL REQUIREMENTS HAVE BEEN RAISED, ALONG WITH OTHER qualifications, which has had an effect but there is apprehension that even the enormous new outlays for higher salaries and broader benefits will not attract enough people into the armed services. The cost has already indicated that defense expenditures cannot be reasonably reduced. The increased costs under the new recruiting program will run to about \$3.2 billion in the next fiscal year.

SOME HARD CHOICES HAVE TO BE MADE IN BALANCING NEW SOPHISTICATED weaponry and manpower. There has always been a running argument on military preparedness between the upgrading of new weapons of war with that of keeping the man with a rifle.

NEW WEAPONS, AND PARTICULARLY OF THE NUCLEAR TYPE, REQUIRE better training for the man behind them. This means a quality and ability of men to learn highly technical performances. It will take time and expert training to develop such abilities.

IN PURELY MANPOWER, OPTIONS ARE BEING CONSIDERED FOR RECRUITING more women and older men for no-combat duties. Bonuses are being considered for college educations and the Navy offers a \$15,000 payment for Navy career petty officers trained in the use of highly advanced weaponry. In proposed new pay schedules, enlistment bonuses may go up to \$2,500.

THERE IS JUST NO WAY TO MAINTAIN AN ALL-VOLUNTARY DEFENSE FORCE, numbering more than 2 million, to keep a strength

considered necessary without tremendously increased costs. The requirement is inescapable.

DEFENSE PROCUREMENT LEGISLATION IN THE CONGRESS THIS WEEK ran flags up all over the place to reduce our military capability.

Efforts were made to reduce our air power, cut out a new nuclear aircraft carrier, fewer advanced submarine, and numerous other reductions in our defenses. Some of the advocates of such action argued that money saved by a cutback in our military preparedness should go for other programs. In other words, their concern is not for economy generally but is a matter of priorities. It is difficult to see any greater priority than to be as sure as possible that our strength to defend this Country does not drop to number 2 or number 3.

Thoughts

From The Living Bible
At last the Temple was finished. The entire inside, from floor to ceiling, was paneled with cedar, and the floors were made of cypress boards. The thirty-foot inner room at the far end of the Temple—the Most Holy Place—was also paneled from the floor to the ceiling with cedar boards. The remainder of the Temple—other than the Most Holy Place—was sixty feet long. Throughout the Temple the cedar paneling laid over the stone walls was carved with designs of rosebuds and open flowers. The inner room was where the Ark of the Covenant of the Lord was placed.

From Farm Bureau

Texas Farm Bureau President J.T. (Red) Woodson said that a shortage of baling wire for hay could lead to a livestock feeding crisis this winter.

The farm leader said there are also shortages of fencing wire and cotton bale ties.

Woodson said Farm Bureau is encouraging steel mills to give high priorities to production and distribution of steel products necessary in the production of food and fiber.

He said steel industry officials give the following reasons for shortages of baling wire, fencing wire and cotton bale ties:

(1) Imports of steel and steel products have been drastically reduced because the U.S. has asked foreign countries to limit their exports to the U.S. This was done in order to reduce the balance of payments deficits.

Also, these nations agreed to such agreements because they are not as anxious to acquire

U.S. dollars which are rapidly dropping in value abroad.

(2) Domestic mills cannot take up the slack because they simply do not have the

capacity. Some blast furnaces have been shut down by regulations of the Environmental Protective Agency.

(3) There is a world-wide shortage of steel. Available supplies are being used in construction of high-priority items such as automobiles.

Loring Speaks To Lions Club

Meet Jesus Evangelist Ben Loring makes three suggestions which he believes will overcome the moral crisis which presently plagues our communities and our nation. Speaking for members of the Eastland Lions Club at the regular Tuesday luncheon meeting at Valley View Lodge, the evangelist said he is concerned about the moral crisis which exists, because so many have lost sight of moral absolutes. He cited the drug problem, sexual morality and political dishonesty as key areas of concern.

"The drug problem is not diminishing," he said, quoting an authority who recently told him that it exists in the big towns and in the small towns. "Everytime we dry up one area, others spring up," he quoted the narcotic agent as saying.

President Darwin Miller presided and guests included Lion Transfer Jim Wright, Former Sweetheart Paula Lund and Richard Watson, chairman of the Meet Jesus Crusade which continues through Friday, evening at Maverick Stadium. Mike Collins has the program next week which will be at Valley View.

Marcus O'Dell introduced the program. Crusade Music Director Connie Ware presented a solo, accompanied by pre-recorded music. Evangelist Loring recommended these three points as solutions to the problems: that men set consistent moral examples, demonstrate positive motivation to live right and give evidence that religion can change one's life. These things are possible through a commitment to Jesus, he said.
