RENOVATION PROCESS BEGINNING--This former site of the Swap Shop is being completely renovated and will feature Mexican architecture and decor when the doors are opened in the next few weeks. Gary Miller has purchased the location and is spending in excess of \$70,000 in the renovation process before he opens the doors to Muleshoe's newest steak house. He said fine steaks will be a feature of the new business.

March 1 Signup Begins 1971 Cotton Program

Cut Off Date Set On Friday, April 9

Allotment notices for Bailey County's 69,433 and one-tenth acre cotton acreage for 1971 are in the process of being mailed from the ASCS office in Muleshoe. The producers will have an additional notice concerning their yields when all 1970 cotton production has been turned in to the county office.

Secretary of the local office, Charles Daniel, said all farmers who have not turned in their production should turn it in as soon as possible so that notices can be prepared prior to sign-up. March 1 is the beginning date for sign-up, and it concludes on April 9.

The report must show the name of the gin, the farm identification, the bale number and weight of each bale. If no evidence is furnished the production for 1970 will be considered as zero, added Daniel. The county committee may adjust 1970 actual production to 80 percent of the 1970 projected yield if abnormal weather conditions were the reason for lower production.

Also, for this year, the Bailey County Committee has determined that out of county transfers by sale or lease of 1971 cotton allotments would be authorized. The last date to request a transfer by sale or lease in Bailey County is May 3, 1971. Anyone who wishes to sell or lease his cotton allotment may come by the county office and enter their names on a register indicating their interest in selling or leasing cotton allotments. This information will be available to anyone interested in this program and will remain on the county as public information. All

Your Own Vote; A Right, Duty And Privilege

By Neal Dillman, Superintendent, Muleshoe Independent School District, Muleshoe.

Americans over 18 years of age, have the freedom, privilege and responsibility to vote as they see fit, in local, state and national elections.

In order to be eligible to vote this year, each citizen must register to vote on or before January 31, 1971 at the Bailey County courthouse.

Three local elections will be held on Saturday, April 3, 1971. They are the school board election, hospital board election and city council election.

I hope each and everyone who is eligible in this county will accept this right and responsibility of citizenship, to become an eligible voter, then vote their convictions.

A Night In Mexico Is Coming To Town

Get ready for a colorful, fulfilled, foodfilled 'Night In Mexico' which will be here soon. The food will be out of this world, the musical entertainment by mariachies will be outstanding the Friends of the Library, who are sponsoring the project, say that everyone is welcome.

Tickets for the extravaganza, which will be held in the Muleshoe High School Cafeteria on Friday, February 12, from 5-7:30 p.m. are going on sale tomorrow (Monday) and will be available from members of the Friends of the Library.

They are selling for \$2.25 for adults and \$1.25 for children under 12. The food will be Mexican food catered by a local restaurant and the music will be provided by outstanding musical groups.

Bill Russell, who is second vice president and in charge of special projects for FOL, is in charge of the arrangements for the 'Night in Mexico.'

Mrs. L.B. Hall is president of FOL and other officers include Jeff Smith, first vice president and membership chairman; Mrs. Henry Stoneham, recording secretary; Mrs. Jim Small, corresponding secretary; Mrs. Jim Shafer, treasurer and Mrs. Horace Blackburn, historian.

This is a fund raising project by the FOL to help equip the new library with items which will not be available from other funds when the library is completed.

Mrs. Hall reminded that last April the city took over payments on the Ash Street building which the FOL had paid

Schools To Host A Parent's Night

Neal B. Dillman announces that the Muleshoe Schools are hosting a PARENTS' NIGHT, Thursday, January 28, at 7:30 p.m. in the Muleshoe High School Cafeteria.

Parents of the Mexican-American children and all interested citizens are encouraged to attend this meeting.

School personnel who work primarily with the Mexican-American child will explain and demonstrate methods, techniques and materials that are used in the classrooms.

This will be the second meeting of this type that has been held to inform the community of the school program that is now in operation for the children in Richland Hills, Mary DeShazo and Junior High.

Richard Ybarra and Ray Garcia, consultants from Region XVII, will be present, to aid in interpreting the program.

All interested community and area people are invited to attend.

El señor Neal B. Dillman dio conocer que las escuelas de Muleshoe van a presentar una NOCHE DE PADRES, el 28 de enero a las 7:30 de la noche en la cafetería de la Muleshoe High School.

Jaycee Volleyball Tourney Scheduled

Longtime Bailey County resident, M.C. Street, Jr., has assumed duty as a deputy sheriff in this county. Street had previous experience as a law enforcement officer in northeast Texas.

He and his family reside southwest of Muleshoe on a farm. He took the place of Gordon Houston 'Corky' Green who has joined the law office of Jack Young.

The Muleshoe Fine Arts Booster Club will hold their first meeting for 1971 Monday night, January 25, at 7:30 p.m. in the Muleshoe High School Band Hall.

All fine arts parents are urged to attend the meeting.

Jimmie Crawford, Easter Seal representative for Bailey County, has announced that Coach Darrell Royal of the University of Texas at Austin has been named chairman of the 1971 Easter Seal Campaign in Texas.

New John Deere Tractors and farm equipment being introduced for the 1971 farming season will be displayed Saturday, January 30, at an open house to be held by Whitt, Watts and Rempe Implement Co.

A choice of a new John Deere Power Mower or a Chain Saw will be given away as a door prize at the open house, according to Whitt, Watts and Rempe.

Coffee and doughnuts will be served.

NFO Speaker To Visit Here Monday Night

According to Guy Austin, president of the Bailey County National Farmers Organization, the state president of NFO, Don Kimbell of Amarillo, will be in Muleshoe to speak Monday, January 25.

He said Kimbell is also a national director in the organization.

Austin said the speaker will be in the Muleshoe State Bank community room to speak at 8 p.m. and will speak in generalities on the farm program.

"Already this year, we have signed contracts for cotton for next year," added Austin, "and we shipped fat cattle to Florida last week and got \$3.25 more per head after paying freight than we get at local prices."

He said that anyone interested in a stable price for farm products should attend this meeting.

Bill Russell and his co-workers on the Muleshoe Jaycee Eighth Annual Volleyball Tournament have mailed out more than 40 entry blanks and information sheets to area volleyball teams and interested parties this week.

Russell is chairman of the largest volleyball tournament to ever be played in Muleshoe and said he expects some top action as the Texas State Champions and New Mexico State Champions have been invited to enter and will possibly be competing in the tournament February 22-27.

In the past, only three top prizes have been awarded, along with an All-Tournament Male and an All-Tournament Female trophy. This year, a

Mother's March For Annual MOD Scheduled Soon

March of Dimes month is here and the annual Mother's March in Muleshoe will be conducted by Future Homemakers of America, Jaycee-ettes and ESA Sorority on Monday, January 25, from 4-6 p.m.

A spokesman for the March of Dimes Campaign commented, "Why Did It Happen To Me?" Of all the pointless laments this strikes me as one of the most useless. It's not that we don't sympathize with our fellow man or woman when tragedy -- for instance, the birth of a defective baby -- strikes. And it's not that we don't know it can happen to us or to our children.

"The point is that if people sit around wringing their hands 'it' will go right on happening. Instead of moaning, we ought to be doing something about 'it' so that it won't happen again.

"Nothing far-fetched about this," continued the spokesman. "We remember the years when, with terrifying regularity, thousands of children were crippled or killed each summer by polio. Somebody did something about that. And that somebody was the March of Dimes.

"As an editorial in The New York Times pointed out recently, 'Basil O'Connor and the National Foundation organized the research efforts and collected the funds that made triumph possible.

"Now they have taken on another killer -- the second greatest in the country -- birth defects. Every year a defective baby is born to some 250,000 American families. The March of Dimes is out to prevent such tragedies from happening.

third place trophy will also be awarded, bringing the total trophies 'up for grabs' to five.

The three spikers and three set-up men/women will be chosen on the All-Tournament teams by a panel of judges. They will be chosen on the basis of athletic ability and

Youth B-Ball Practice Soon Gets Underway

As a continuation of the Youth Football Inc. program, Jaycee chairman Ken Henry has announced the formation of a Youth Basketball program for all boys in the fifth and sixth grades who were not 13 years of age by September, 1970.

Practice for the new Youth Basketball will begin immediately following the regular season of basketball for the schools and 50 boys have presently signed up to play on one of the teams.

Henry said at least 30 boys more are needed in order to have seven or eight teams. He added that all boys who sign up will attend practice sessions and play equal amounts of time during a game, following the Youth Football concept.

Practices will be for one two hour period a week and the boys will play one game a week, beginning at 6:30 p.m. on Fridays. The practice sessions will be held for two hours between the hours of 5-8 p.m. Practices and games will be held in the Muleshoe High School and Muleshoe Junior High School gyms.

According to Henry, physicals for youth basketball potential players will be held on February 7, with Dr. Homer Allgood giving the physicals. The time of day and place will be announced next week.

All boys who took a physical for Youth Football Inc. will not be required to take another physical for basketball.

The players will furnish their practice equipment and the Youth Basketball organization will furnish playing shirts. Arrangements are currently being made to purchase game pants in a mass quantity so they will be matching.

Henry, who is also assisted by fellow-Jaycees Duane Seay, Curtis Walker, Bob Stovall, and Dick Johnson, stressed the need for additional coaches. He concluded that for further information for coaching, or acting as officials, and for enrolling fifth and sixth graders in the program, some of the above named Jaycees may be contacted.

sportsmanship. The entry fee is unchanged from past years and remains at \$7 per team. With the entries being mailed out early, ample time is expected for practice and to organize teams to play in this popular annual tournament. Deadline for entry is February 15 and the brackets will be drawn up that night for the week-long action which will be underway Monday through Saturday in the Muleshoe High School gymnasium.

Assisting Russell with the tournament plans are Mac Brown, who is in charge of the gate, equipment and ash cans. This year, the Jaycees are stressing the use of

Meet Cliff Buckner

His job: to get to know you. And to become fully acquainted with every tractor, truck, implement, and automobile on your farm, tire-by-tire. Goodyear tires are Cliff's stock in trade.

Buckner is trained to serve you quickly and efficiently... like a racing driver's pit crew. He really knows tires; which treads will make maximum use of your tractor horsepower, what weight to add, when to use duals, which truck and implement tires need retreads - which need replacement - which tire to buy for pickups - which for the family car.

Cliff Buckner can plan a whole tire-efficiency program for your farm vehicles that will shave dollars off your tire budget, and assure maximum vehicle "productivity." That includes allowances for used tires, and notifying you of yearly tire sales and specials!

Best of all, Buckner is a traveling tire man. He comes to your farm with a completely equipped service truck. He'll mount and repair tires. Check worn tires. Check pressures, etc.

Agriculture Provides Greatest Challenge

Agriculture -- man's oldest occupation -- continues to provide exciting possibilities of newness through development of new cultural practices and ever-changing technological advancements.

And the High Plains farmer constantly is challenging agricultural concepts. This confrontation could be a major factor in the superiority of High Plains agriculture, one of the most highly developed operations anywhere.

One High Plains organization finding success in challenging agricultural cultural concepts is the High Plains Research Foundation at Halfway. Cultural innovations established on the Foundation are being proven in actual field production for a number of High Plains farmers.

Using a combination of Foundation-proven cultural practices, one Plainview area farmer, Frank Moore, is harvesting nearly two-bale-per-acre cotton from 833 acres. This is double the average county yield for 1970.

Tom Longnecker, Foundation Director, credits a number of cultural practices for this successful 1970 cotton crop. "The Foundation cotton production system makes it (cotton production) a whole new ball game. The most we can see under the old system of 40-inch rows is two bales per acre. Under ideal conditions, the Foundation method establishes at least a three-bale potential yield," he said.

Cultural practices used include narrow row spacings on a two-in and one-out skip-row combination, timing of irrigation, and banding fertilizer at planting time.

Cotton was planted in 32-inch rows. This allows an extra row per acre compared to 40-inch rows one-half mile long. The skipped row is a 64-inch blank, enough to qualify in the government farm program.

Following guidelines proven by the Foundation, Moore planted his cotton crop May 5-15. According to researchers at the Foundation, a weather trend shows that in most years, the

last unfavorable weather of the year comes in a cold spell sometime between April 20 and May 10. Foundation researchers urge farmers to plant their cotton during this last cold period.

At the time of planting, a band of 18-46-0 fertilizer at the rate of 100 pounds per acre was placed about one-inch to the side of the cotton seed. The planting and fertilizer operations are combined by use of planter modifications recommended by Foundation staff members. Earlier 100 pounds of anhydrous ammonia was chiseled broadcast.

Using optimum irrigation practices recommended by Foundation researchers, a pre-plant and two irrigations were applied. "Most farmers make a mistake in not getting the first irrigation on early enough (first squares)", Jim Valliant, Foundation irrigation specialist states.

For weed control, conventional cultivation equipment plus a flame cultivator were used. A special sweep cultivator with a knife blade welded from sweep to sweep is used during the cultivation operation to control weeds in the skipped row. Later nearer to harvest, a flame cultivator was used to remove remaining weeds from the blank.

Harvest began on November 24 and still continues. "Most of the cotton harvested this year was harvested too green. Cotton like any other crop has to get ripe. Lint 'turnout' started increasing December 15 because cotton was coming out of the burs better," Moore said.

Moore is harvesting his crop with a self-propelled stripper which utilizes Moss-Gordon lint cleaners to remove up to 80 percent of the burs from the cotton. "This way, I am returning about 400 tons of cotton burs back into the field without hauling them to the gin first," he pointed out.

He expects to save \$4.00 per bale in ginning costs due to the field-cleaned cotton. He also takes care to harvest all the cotton he makes.

Most of the cotton stripping

has been done at night due to the high daytime winds. Also the trailers hauling cotton to the gin are tarped to keep cotton from blowing out.

"It takes only a few minutes to tarp a trailer", he said, "and it pays big dividends".

On one 120-acre plot, Moore harvested 250 bales of cotton. "The potential of the Foundation Cotton System is fantastic. Already we know that with the use of micro-nutrients, we could have increased our yield still more", he said.

Moore is speaking of a 1970 Foundation study in his cotton fields with micro-nutrients on a

field size scale which showed that 60 cents worth of zinc per acre increased yields as much as 100 pounds per acre.

The High Plains Research Foundation begins its 15th year in development of its cotton system of optimum production which will provide big dividends for High Plains farmers.

As Tom Longnecker discussed these farm size tests of cotton production practices, "Narrow row (10 to 20" rows) cotton seems to be a certainty for the future but cotton varieties adapted for narrow rows plus production and harvesting practices are still in the development stage. Proven production practices are known now that can keep us in the cotton business. The production practices developed by the Foundation and put into practice on Frank Moore's farm in 1970 are things that we can do now to increase yields and cut production costs of cotton".

The Sandhills Philosopher

Editor's note: The Sandhills Philosopher on his Johnson grass farm apparently is not much for traveling, his letter this week indicates.

Dear editor:
A neighbor of mine came over yesterday and handed me a newspaper and said, "Here, read this item, Silliest thing I ever heard of."

The item reported a man had just won the world's record for riding a ferris wheel non-stop. He rode the thing for 20 days, 16 hours and 30 minutes, beating a man who had ridden one for 16 days.

I got to thinking about this and at first I agreed, it does sound ridiculous. Puts me in mind of the man who was proud of the fact he had breakfast in New York, flew to Los Angeles for lunch, caught another plane and was back in New York for supper.

That seems to me like going a long way to eat three meals, when I can get three any day without going more than 50 yards, and not even that far if I don't feel like it.

I understand the airlines are now using planes that hold 350

people and will fly you from New York to London in four hours and show you two movies on the way over. If you don't want to sit still you can walk around, go up to the upper lounge, etc., and I suppose it won't be long till they'll be equipped with a swimming pool and possibly a bowling alley and a putting green.

In fact, what they seem to be working on is a mode of travel that's fully as good as staying home.

This guy on the ferris wheel, he may be ahead of his time. If the only difference between traveling and staying at home is the motion, a ferris wheel in their backyard would sure help a lot of people from cluttering up the airports of the world.

Understand I'm not opposed to travel by other people, but I've noticed that a person on a round-the-world trip, if he hasn't got much sense before he starts out, isn't likely to have any more when he gets back.

Yours faithfully,
J.A.

LAZBUDDIE SCHOOLS' LONGHORN STAMPEDE

By Mike Casey

by Mike Casey
The varsity boys chalked up another win in district competition last Tuesday by downing district favorite Anton 58-56 in a game that went into overtime after the score was tied 52-52 in regulation time. The Bulldogs jumped to an early five point lead and at one time commanded a seven point lead. Things looked bad for the Horns for a while but at halftime they were holding a 31-30 lead. James Turnbow of Anton however took charge to boost his team to a 44-33 third quarter margin.

But in the fourth quarter the Horns outscored the Bulldogs 14-8 to tie the game 52-52 when the final buzzer sounded.

When the game went into overtime it looked as if another overtime period might be required with only 5 seconds

Dear Editor:

I read the news story concerning the Bailey County Commissioners agreeing to pay the cost of the upcoming hospital board election with interest and with some amusement. From the tone of the story I get the impression the writer was a little surprised that the commissioners agreed to pay the cost of the election.

In a letter to you published in the August 2, 1970 issue of your paper I pointed out that the Commissioner's Court was required by law to pay the cost of elections of this nature when petitioned according to the procedures spelled out in the Texas Election Code.

The Hospital Board was pleading poverty and stated that they only had money for the two boxes provided, yet this wasn't true. They didn't have any money at all. The workers in that election were paid after enough money was collected by donations. In my memory serves me correctly, this was 90 days or more after the election.

When questioned about why the Commissioner's Court was not petitioned, Hospital Board President, Dr. Charles Lewis' excuse was that he didn't know that this could be done. I am still convinced that if seven boxes been provided in the election last May the proposal would have been soundly defeated.

Therefore, I believe that the responsibility for the ill will, the bitterness, even hate that has been generated in Bailey County as a result of that election rests squarely on the shoulders of the executive committee of Hospital Board because that they either failed or refused to give the rural areas of Bailey County a square deal.

Yours truly,
(s) Richard E. Black

ON WHOLESALE PRICES
The Labor Department, in a final 1970 report, shows wholesale prices of food and a broad range of industrial raw materials rose 2.3 percent in 1970. This is the smallest increase in two and one-half years, and the biggest drop in wholesale food prices in at least three years.

left and the score knotted at 56 a piece.

Lazbuddie's Charles Lee shot and Bill Spradley of Anton thinking the shot would be short and through the bottom of the net jumped up his hands grasping the net and receiving a goal-tending violation. Charles Lee racked up 14 points in that game, Mike Casey 10 and Arthur Graves 25. James Turnbow also had 25 for the Bulldogs. In the girls encounter Anton defeated Lazbuddie 39-31. Debbie Engelking led the Longhorn's barrage with 18 points.

Spade was the Horn's next opponent and they proved to also be worthy competition. Lazbuddie had a rough time through part of the first half falling behind by 15 points at one time although Spade's lead was cut to 1 point at halftime. The Horns got cranked up in the last half and gradually built up a substantial lead with the final score reading 71-63. Charles Lee contributed 25 points to the winner's total, Arthur Graves 21, and Mike Casey 20. In the girls game the Horns fell 57-36 with Debbie Engelking pouring 18 points through the hoop.

But in the fourth quarter the Horns outscored the Bulldogs 14-8 to tie the game 52-52 when the final buzzer sounded.

TCTA Speaks Out Against Code Of Ethics

The executive committee of the 45,000 member Texas Classroom Teachers Association, reaffirming the unanimous decision of the TCTA Board of Directors, today called on all Texas educators to reject the entire proposed Code of Ethics and Standard Practices prepared by the fifteen-member Teachers' Professional Practices Commission and urged the substitution of the CODE OF ETHICS OF THE EDUCATION PROFESSION already adopted by the delegate assemblies of TSTA and TCTA.

In a letter to local TSTA and TCTA presidents, Oather E. Raynes, president of TCTA, asks all certified public school employees to vote "No" on every item on the ballot, then write across the ballot, "I support the CODE OF ETHICS OF THE EDUCATION PROFESSION."

According to Raynes, oppositions to the proposed code center around the feeling that the code is imprecisely written and in some instances even infringes on educators' rights. It is the opinion of the TCTA Board that standards are included in the code, the violation of which should not warrant de-certification. Raynes said, "We are skeptical of any instrument which might allow teachers to be coerced or fired for engaging in legitimate actions."

If this code is adopted, Texas teachers will be bound professionally and ethically by one code (the CODE OF ETHICS OF THE EDUCATION PROFESSION) and bound legally by another code (the code prepared by the Commission).

Raynes pointed out that the proposed code includes standards of behavior of a nature that does not warrant de-certification for violation. He emphasized, "We must make every effort to insure that the teaching profession in Texas is governed by an instrument which clearly states the ethics of the profession and sets down only standards of behavior, the violation of which justifies the loss of the teaching certificate."

Also as in past years, the Muleshoe Jaycee-ettes will take care of the concession facilities just outside the gymnasium. They will be selling soft drinks, candy, popcorn, coffee and sandwiches.

Ticket prices for the games will be 50 cents for adults and 25 cents for players or children under 12.

If further information concerning the tournament is needed, inquiries are invited at Bob Stovall Printing and Poyner White's Stores Inc. Entry blanks can be obtained at either of the two businesses.

Russell concluded that he hoped everyone would attend as many of the games as possible and help make this 'big' event the 'biggest' ever in Muleshoe.

the following exceptions or changes:

Regular skip row patterns of two rows skipped may be counted as set aside acres; set aside acreage may be planted to sweet sorghum; set aside acreage may be in a cover of small grain if you request approval by May 1; and set aside acreage requirements for 1971 will be the same as in previous years; however, for 1972, and future years, it must be land from which a crop has been harvested in at least one of the three previous years.

Daniel commented that farmers may lease their cotton to another cotton farm. The history and yields will be maintained, and the cropland that would have been devoted to cotton will be available for unrestricted use.

On a cotton allotment that is overplanted and the yield per acre is less than the payment yield, the payment yield will not be reduced provided the total

production equals or exceeds the expected production. Allotments will increase if a lease is given to the cotton on the farm.

Farmers can participate on one farm and not on another or in one commodity and not in another on the same farm.

Two or more normal rows in a skip-row pattern will be eligible for set-aside acres. All small grains may be left standing on set-aside acres if request is timely filed and approved, continued Daniel.

For the 1971 Feed Grain Program, feed grain bases will be the same as in 1970 and the yields will be about the same. There is no provision for proving grain yields in the future. Price support payments will be made on 50 percent of the base and set aside will be no more than 20 percent of the base.

There is no cross compliance and farmers may earn payment on one farm and plant grain sorghum on a farm with no base. Producers must plant at least 45 percent of the 1971 base and meet the set aside requirement to protect fu-

ture history and to receive full payments. However, if the farmer does not plant feed grains, he may protect his

future base by signing into the program, meeting the set aside requirement and elect not to receive feed grain payments.

MRS. DON DURWOOD LOCKER, the former Miss Karla Sue Darsey

Darsey-Locker Ceremony Read

Miss Karla Sue Darsey and Don Durwood Locker exchanged double ring wedding vows in the First United Methodist Church of Muleshoe Friday, January 22, 1971, at 8:00 p.m. Royce Clay of the Muleshoe Church of Christ performed the ceremony.

The bride is the daughter of Mrs. Nova Darsey of Muleshoe and the late Dan Darsey. Locker is the son of Mr. and Mrs. Morgan Locker of Muleshoe.

The couple exchanged vows beneath a green and white wedding arch flanked by candelabras containing white tapers. Nuptial music was provided by Miss Pat Brown of Muleshoe who sang "Whitherst Thou Goest" accompanied on the organ by Mrs. Elbert Hamilton of Muleshoe.

The bride was attired in a traditional gown of Chantilly lace fashioned with a scalloped Sabrina neckline with long petal-point sleeves and a fitted bodice. The bouffant skirt was edged in scalloped lace with tiers of ruffles cascading down the front of the gown. A chapel length train of Watteau lace fell from the shoulders. Her tiered veil of imported illusion was held in place by a queen's crown of pearls.

Her cresent bridal bouquet was of French carnations centered with a white orchid.

Progress HD Makes Plans For Meeting

The Progress Home Demonstration Club had an all day meeting Tuesday, January 19, in the home of Mrs. E.W. Bass with a salad luncheon at noon.

Roll calls were answered with "what my vacuum cleaner troubles are" and suggestions for new programs using state recommendations.

The minutes were read and approved by acting secretary, Ada Murrah. The council delegate report was also given.

The 4-H committee gave their recommendations and a discussion about the district meeting to be held in Muleshoe April 12 was held.

The members worked on favors to be given away at the district meeting. Each member is to bring a handmade gift for the drawings on that day.

Recreation was given by the president, Mrs. Harold Mardis. The next meeting will be in the home of Mrs. Eunice Crume of Farwell on February 2 at 2:00 p.m. The program will be on laws that protect women in Texas.

Members present were Mrs. Eunice Crume, Mrs. Albert Davis, Mrs. George Gross, Mrs. Harold Mardis, Mrs. W.E. Meyers, Mrs. Gordan Murrah, Mrs. O.M. Self and two visitors, Mrs. Robin Taylor and Mrs. Ernest Ramm.

Mrs. Bobby Morris of Laz-buddie, sister of the bride, served as matron of honor. She wore a green lace peau de soie street length dress with an empire waistline. She carried a single long stem green and white carnation.

Best man was Freddie Locker of Muleshoe, brother of the groom. John Cary, Jr. of Lubbock, nephew of the bride, was ring bearer.

Ushers were John Cary of Lubbock, brother of the bride, and Eddie Wagnespak, Lubbock, brother-in-law of the bride.

For her daughter's wedding, Mrs. Darsey wore a pink double knit suit with white accessories and a white carnation corsage. The groom's mother wore a navy blue suit with white accessories and a white carnation corsage.

Beta Sigma Assists Voter Registration

Alpha Zeta Pi Chapter of Beta Sigma Phi was deputized Tuesday night at the business meeting, held in the home of Mrs. Doyce Turner, by Jean Lovelady, Tax Accessor, for the purpose of assisting in the drive to register voters for 1971. Beta Sigma Phi will have tables at Cashway Grocery, Piggly Wiggly and Wagon's Wednesday, January 27 and Saturday, January 30.

It was recommended by the Executive Board that a nominating committee be elected. They are Mrs. Tom Flowers, Mrs. C.J. Feagley, Mrs. Elvis Powell, Mrs. Merlyn Neel, and Mrs. Max King. The committee will present a slate of officers to be voted on March 16.

The minutes were read and approved by acting secretary, Ada Murrah. The council delegate report was also given.

Following the ceremony a reception was held in the home of the groom's parents, Mrs. Eddie Wagnespak, Lubbock, sister of the bride, registered the guests.

The bride's table was covered with a green cloth overlaid with white lace. The bridal bouquet and candles centered the table. The cake was three-tiered topped with a miniature bride and groom.

Serving the cake and green sherbet punch were Lou Ann Cole and Cynthia Gable. Others in the houseparty were Mrs. Melvin Seymore, Mrs. F.H. Gable and Mrs. S.E. Hopper all of Muleshoe.

For a wedding trip to points of interest in New Mexico, the bride wore a beige double knit coatdress with beige accessories. After the wedding trip the couple will be at home in Muleshoe where he will be employed by his father at the Muleshoe airport. The bride will continue her education at Muleshoe High School where she will graduate in May. The groom is a 1970 graduate of Muleshoe High School and attended South Plains Junior College for one semester.

APRIL BRIDE . . . Mr. and Mrs. Bill Jim St. Clair announce the engagement and approaching marriage of their daughter, Karen Kay, to Clifford Black, son of Mr. and Mrs. Eugene Black, all of Muleshoe. Miss St. Clair is a 1970 graduate of Muleshoe High School and has attended Texas Christian University. She is the granddaughter of Mr. and Mrs. Tom Cooper of Andrews and the late Mr. and Mrs. Irvin L. St. Clair of Muleshoe. Black is a 1968 graduate of Muleshoe High School and has attended Texas A & M and Tarleton State College. He is the grandson of Jesse L. Waggoner of Muleshoe and the late Mr. and Mrs. C.M. Black. The wedding will take place April 10, 1971, at the First United Methodist Church at 7:00 p.m.

"Class Of 1951" Has First Reunion

The class of 1951 held its first reunion since graduation from Muleshoe High School Saturday, December 26, 1970 at the Corral Restaurant.

Class president, Ed Nickels took charge of the business meeting. The invocation was given by Jim Shafer, husband of Joyce Aichison Shafer. After a buffet meal, class secretary, Leatrice Marin Mardis gave a report on the absentee's. Kay Malone Kimbrough read the class will and gave a treasurer's report.

Ted Harrison was in charge of passing out the gag gifts. Ed Nickels received a hat for being the baldest; Joy Jones Beaton received a baby bottle for being married the shortest length of time; Barbara Barnett Puckett received a rolling pin for being married the longest length of time; Bobby Martin Tedford received a toy car for traveling the longest distance; Leatrice Martin received a baby doll for having the most children and Marion Waggoner received a pacifier for

having the youngest child. A fund was raised to buy a memorial for the Muleshoe Public Library for deceased class members: Benny Douglas, James Mitchell, DeWayne Myers and Gerald Byrd.

Those present were Mr. and Mrs. Kenneth Hicks, Mr. and Mrs. Marion Waggoner, Mrs. Joyce Actkinson Shafer and husband Jim; Bobbie Martin Tedford and husband; Mona Wilhite Harvey and husband Freddie; Mr. and Mrs. Lee Kem-brough; Mr. and Mrs. Marvin Mooney; Luther Buchanan; Mr. and Mrs. Teddy Harrison; Leatrice Martin Mardis and husband Cliff; Dolores Locker Garrett and Phil; Wanda Estep-San-

ders and Don; Kay Malone Kimbrough and Bob; Sandra Wagon Mason and Clarence; Joy Jones Beaton and husband; Donna Kimbrough Nickels and Ed Nickels; Pat Lane King and Charles King.

After old memories were relived and old pictures reviewed, the class decided to have another reunion in 1975.

In Fashion

One of the fabrics being seen at vacation resorts is madras which is a plaid cotton. Full long skirts with ruffles or patches are quite colorful in this material at sunny resorts.

Pants-suits are still popular. Solid color pants with printed jackets are good. Elaborate ones of chiffon and beaded blouses are worn for evening.

ESA Makes Plans For Coronation Ball

Epsilon Chi Chapter of Epsilon Sigma Alpha Sorority held an informal social at the home of Mrs. Dick Chitwood Tuesday night, January 19. Mrs. Steve Young was the co-hostess. Plans were made for the coronation ball to be held next month, at which time a Valentine Sweetheart will be crowned. Sometime before Valentine's Day, the Epsilon Chi members will present the charter member of the Friona Chapter with jewel pins.

ESA decided to help the Friends of the Library sell tickets to the Mexican Dinner which will be served at the Muleshoe High School cafeteria February 12.

It was announced that an ar-

Mr. and Mrs. Leslie Fine and son from Midland spent the weekend visiting his parents, the M.L. Fines.

We wish to express our sympathy to the family of Eston Sowder who died Sunday. Funeral services were held Tuesday at Muleshoe with burial in Morton Cemetery. Sowder was a resident of the Three Way Community for over thirty years. He was living at Clovis, N.M. at the time of his death. He is survived by his wife, Marie of Clovis, three daughters, Mrs. Luther Edwards of Sundown, Mrs. Gib Dupler and Mrs. Bill Dupler of Three Way and one son, Sammy Sowder of San Antonio.

NEW HAT . . . Ed Nickels, president of the 1951 graduating class of Muleshoe High School, models the hat he won at the reunion held December 26 at the Corral Restaurant for being the baldest in his class.

Muleshoe Jenny TOPS Crown Weekly Queen

The Muleshoe Jenny TOPS met Thursday night in the Bailey County Electric Meeting Room.

Leader Mabel Wolfe called the club to order. The pledge was recited and Mrs. Claude Don Holmes led the group in singing the club song. Selma Redwine called the roll with 35 members present. The club now has an enrollment of 37 members. Mrs. Walter Sain read the minutes of the previous meeting. Mrs. Edd Edminston was appointed to send out greeting cards.

Mrs. Walter Sain, Miss Becky Sain and Mrs. Mata had birthdays last week and received gifts from the birthday box.

The queen for the week was Mrs. Walter Sain. First runner-up was Mrs. Dee Clements and Mrs. Bobby Spurgeon and Mrs. J.M. Hefner tied for second.

Miss Debbie Sain received a scrapbook for attending 16 consecutive meetings. She has transferred to Wayland Baptist College in Plainview this semester.

Mrs. Wayland Harris received a charm for 32 consecutive meetings. Mrs. Jeff Peeler received charms for 40 and 52 consecutive meetings. Mrs. Claude Don Holmes received a queen's charm for being the yearly queen and Mrs. Selma Redwine received a queen's charm for the six month's

queen. Mrs. Walter Sain gave the pep talk. January 28, Becky Sain will give the pep talk.

Next week is measurement night and each member is asked to bring their measurements or be measured at the meeting. The club set a goal for the next meeting: to have no gainers in the pig pen.

The club was dismissed with the singing of the goodnight song.

Swim suits that cover the midriff are back in style.

The shirt waist dress is being seen in smart shops.

Patience is a flower that grows not in everyone's garden.

ENJOYING THE FOOD . . . Mr. and Mrs. Kenneth Hicks seem to have enjoyed the buffet dinner served to the classmates of 1951 that held their first reunion since graduation in the Corral Restaurant December 26.

Arns Attend Inaugural Ceremonies

Mr. and Mrs. J.G. Arn attended the inaugural ceremony in Austin this past weekend. They left Muleshoe on Saturday and returned on Wednesday. Monday night, they attended the victory dinner and on Tuesday the Arns were at the inaugural ceremony and watched the swearing in of Governor Smith and Lt. Governor Ben Barnes at noon. At three that afternoon, they watched the parade from the balcony of the Steven F. Austin Hotel where they stayed. Tuesday night Mr. and Mrs. Arn attended the gala balls that were held in various hotels in Austin.

During their trip, they stopped in Kingsland and visited with Mr. and Mrs. Jess Osborn.

LAST WILL AND TESTAMENT . . . Kay Malone Kimbrough, standing, who is the secretary of the class of 1951, is shown reading the last will and testament of the class to members who were present for the first reunion of the class. The reunion was held December 26 at the Corral Restaurant where it was decided to hold the next reunion in 1975.

Wayne Peterson Is December 'Top' Jaycee

During the noon meeting of the Jaycees Monday at Leal's Restaurant, a number of reports were given by committee chairmen.

First, Wayne Peterson was named Jaycee of the Month for December.

James Brown reported on the Outstanding Young Farmer presentation which was made at the bosses night banquet

last weekend; John Blackwell gave a report on Jaycee Week; Doyce Turner spoke on Radio Day; President Derrell Oliver reported on the Bosses night banquet and Bob Stovall gave a report on the upcoming volleyball tournament.

The Jaycees voted to assist in the voter registration drive. They will set up booths in several locations and help sign up potential voters during this last week.

A visitor at the meeting was the new Outstanding Young Farmer, Elvis Powell. Three new members were also introduced. They were Gary Smith, Gene McGuire and Fred-

die Savage.

Members at the meeting included Ronnie Spies, Glen Watkins, Duane Seay, Raymond Schroeder, Marlin Mills, Gene Paul Jarman, James Brown, Derrell Oliver, Dick Johnson, Jerry Hutton, Richard Hawkins, Bill Dale, Clarence Christian, Gary Smith and Gene McGuire.

Also Charles King, Jeff Smith, Bob Stovall, Max King, John Blackwell, Kenneth Henry, Curtis Walker, John Gentry, Roger Gorrell, Doyce Turner, Gary Mac Brown, Wayne Peterson, Dr. Jim Tucker and Duane Calvert.

GIFFORD-HILL'S 360 SPRINKLER SYSTEM

Beautiful days off times come at the wrong time. You might just as soon get a gentle, soaking, half-inch rain. But because Mother Nature isn't always as dependable as she might be, Gifford-Hill has stolen some of her thunder.

The electrically powered 360 sprinkler system lets you schedule your own rain. The exclusive sprinkler spacing concept applies the same amount of water at one end of the system as it does at the other. No puddling. No runoff.

The 360 goes in either direction, uphill or down. It will water a quarter-circle, a half-circle, any portion of your field with the exact amount needed. And the positive gear drive motor lets it move only when you want it to.

You should have a 360. On those beautiful sunny days, you'll have everything going for you, including the rain.

Gifford-Hill & Company, Inc.

rounds out a beautiful sunny day.

FTA To Sponsor Basketball Game

by Sonnie Glaze and Betty Chandler
COME ONE COME ALL to the Faculty Basketball game sponsored by FTA, Schroeder's Raiders and Morgan's Marauders "tip off" in Muleshoe Junior High Gym January 27, 1971, at 2:15 p.m.

Morgan's Marauders include "Manglin" Morgan, the coach, and team members "Double-Dribblin'" Didway, "High-Jumpin'" Hedgecote, "Passin'" Payton, "Pokey" Pollard, "Groovin'" Gist, "Movin'" Marshall, and "Battlin'" Bray. The cheerleaders for the game include the "SWEETIES" of Muleshoe High School Cheryl Gist, Wanda Gramling, Bee Miller, Ruby Kerr, Lucy Smith, Judy Harlin, Pat Young, Martha McCormick, and head cheerleader Dorene Harbin.

Senior Class Chose Slaves And Beauties

by Betty Chandler and Becky Sain
The MHS Senior Class met Friday, Jan. 22, in the auditorium for the purpose of electing slaves for the Student Council Slave Sale, Tuesday, Jan. 26, and "beauties" for the annual MHS Beauty Pageant.

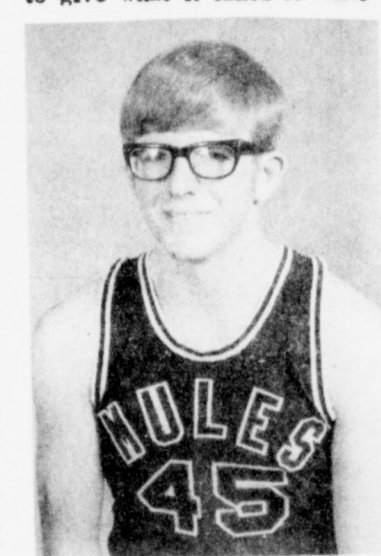

THIS MUST BE A HARD TEST. SEMESTER TESTS ARE OVER, AND MHS STUDENTS HAVE BEGUN A NEW SEMESTER.

Inexperience Hurts Girl Varsity Team

by Babs Haire
The Mule's Tale staff introduces six more varsity basketball players, all Juniors, Ricki Richardson's story was inadvertently left out last week with the Senior players, so it is included in this edition.

lives at 912 West Avenue F, attends the First Baptist Church and has one brother and two sisters. He is one of the best players on both the football and basketball teams.

Randy says, "I think this year's team has put in a lot of hard work and is willing to give what it takes to WIN."

DON HEATHINGTON
"I have enjoyed this year in basketball. Everyone on the team wants to win; they work hard to do it. I think we will have a very successful year," commented Don Heathington, son of Mr. and Mrs. Aubrey Heathington. Don has one sister, Donna, who is attending Abilene Christian College.

MHS Fine Arts Present Annual Production

by Mr. Kerry Moore
Muleshoe High School's Fine Arts Department will present their eighth annual production on February 22-23.

Mary Neal

The 1970 production is a seven scene dramatic interpretation of "Liliom," "Liliom" is the story of a gypsy carnival barker and his love for a young peasant girl. The play is set in Hungary in 1901. The story and setting provides for beautiful costuming and sets the audience will appreciate.

Homemaking Classes Host Honor Guest

Set designer is Mrs. Elizabeth Black and director of staging and acting is Kerry Moore. Cast members are Donna Woodard, Greta Bamert, Renee Caldwell, Joe Duke, Lou Ann Cole, Terry Wheeler, Jimmy Evans, Christy Ford, Connie Pruitt, Patty Murray, Jan Jinks, Jolene Rempe, Cindy Posey, Ronnie Parker, Bill Chapman, Ben Cousatte, Larry Torres, Jimmy Lambert, Brent Blackman, Larry Edler, Billy Rials, Dennis Parker, Howard Kelly, and Judy Woodard.

Students in Homemaking Classes at Muleshoe High School had the privilege of observing Miss Mary Neal, Southwestern Public Service Home Economist, on Friday, Jan. 22, as she demonstrated the care and use of personal care appliances such as their dryers, electric curlers, mirrors, shoe shiners and clothes brushes.

All-Region Band Results

by Cynthia Wrinkle
Saturday, January 16, All-Region Band tryouts were held at Texas Tech. There were 131 high school band students chosen from the area 3A and 4A bands.

Stage Crew Chosen For Fine Arts Drama On Wednesday

by Babs Haire
The Art I classes are enjoying the Oriental art of sumi-e, Japanese brush painting. Art II is doing clay sculpture and learning to throw pottery on the potter's wheel.

The students in Mrs. Black's art offices are busily working on the sets for this year's fine arts production. They are using charcoal and paint to get the scenery ready to set the mood for the various scenes in the play.

by C.L. Myers
State FFA President, Barham Fulmer, visited Muleshoe High School Wednesday afternoon. Barham is from Nacogdoches, Texas, where he graduated from high school in 1970. He gave a talk to the Muleshoe Chapter of FFA in a general meeting Wednesday afternoon.

Wednesday night the local FFA officers, sponsors and Mr. Fulmer had a dinner at the Corral Restaurant. Mr. Fulmer was a guest in the Clayton Myers home Wednesday night. He was scheduled to speak to the Farwell FFA Chapter Thursday, January 21.

Mullettes District Play Is Underway

The first two district games against Canyon and Tulia resulted in losses. The Muleshoe team lost by twenty points in the game against Canyon and by thirty-five points in the Tulia game. The two games were marked by five first quarter basketball, but the remaining three quarters saw the Mullettes lose control.

In the Tulia game and the Canyon game the story could be summarized as being too many fouls. The Tulia game saw the Mullettes commit 24 fouls, and 18 fouls were committed in the Canyon game. The bad passes accounted for forty turnovers in the two games.

BARHAM FULMER

Coaches

The Mules now have a district record of two wins and two losses. Last Saturday the Mules defeated Perryton for the first time. It did the boys a lot of good to be able to win one at Perryton, and be able to come back that long road a winner.

Tuesday night the Mules won their second straight district game by defeating Tulia 64 to 55. This was the best shooting night the Mules have had this year. They connected on 24 of 42 for 57%. In the last half, the Mules shot only 14 times but were able to hit ten of those.

Student Council To Sponsor Slave Sale

by Becky Sain
The MHS Student Council met Wednesday, January 20. The meeting was called to order and a devotion was given by Betty Chandler.

The committee for the state convention reported on projects being set up. It was discussed that letters be mailed to each school in Texas asking for support in the state election.

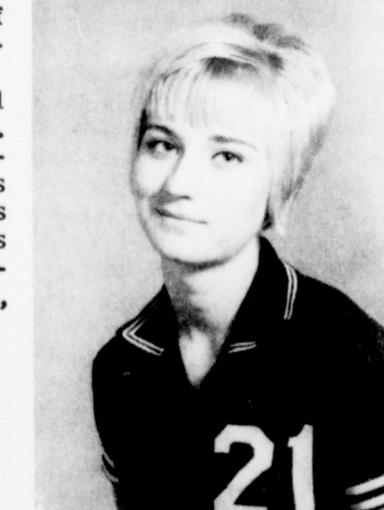

One of the most important and exciting events sponsored by the Student Council is coming up. The event is the annual Student Council slave sale to be held Tuesday, January 26. Each class selects four slaves to be auctioned. Each person sold must be a slave for their "owner or owners" for one week. These sales are very exciting events, so we encourage everyone to rake up their money and purchase a slave.

Sophs Select Slave, Favorite Candidates

by Rhonda Bland
The Sophomores held their regular class meeting Tuesday, Jan. 19, in the cafeteria. Tani Murrah, secretary, acted as president. The meeting was called to order. Candidates for class favorites and slaves were nominated. Girls nominated for class favorite were: Cindy Puckett, Lizan Gunter, Audrey Winn, Janice Claybrook, Debbie Glover, Tracy Cowan, and Donna Grinsley. Boys nominated were David Harris, Jody Jones, Benny Cousatte, Brentmond Davenport and Jacky Brunton. The girls nominated for slaves were Kathy Pena, Rhonda Bland, Tracy Cowan, Janice Claybrook, and Stephanie Bryant. Boy candidates were David Harris, David Faver, Raymond Davenport, Jody Jones, Rex Black, Kenneth Ragland, Larry Kemp, Benny Cousatte, and Dennis Parker. After all the business was taken care of cokes were enjoyed and the meeting was adjourned.

STUDYING FOR SEMESTER EXAMS?

JUDY WINN

"Our team has suffered from a lack of experience. We have had trouble getting our strategy worked out correctly. I have enjoyed being part of this team. The team is made up of mostly juniors and sophomores. We have only two seniors, (one returning with varsity experience). Next year will be a more experienced team as far as varsity experience goes," commented Judy Winn on this year's team. Judy plays forward for the Muleshoe Mullettes. She is a member of FTA and the Spirit Club and enjoys swimming and water skiing. Judy has two sisters and one brother.

Judy, the daughter of Mr. and Mrs. Jess Winn, resides at 1910 W. Ave. D., and attends the First Baptist Church.

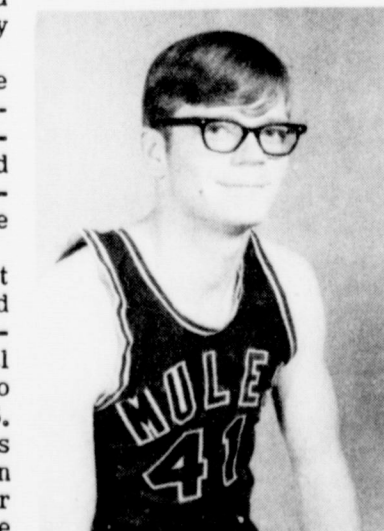

BRENDA KIMBROUGH

Brenda Kimbrough, daughter of Mr. and Mrs. Bob Kimbrough, plays forward for the Mullettes. She has one brother and one sister and they reside at 607 West Ave. G. Brenda is a member of FFA and enjoys rodeos and fat stock shows. She attends the First Baptist Church.

When asked to comment on this year's team, Brenda said, "Although we haven't won many games this year, I think things have been going fairly well. Only one of the girls has ever played Varsity Ball. We're lacking in experience and this year should benefit all of us."

Friona B-Ball Tournament

by Prisca Young
On the days of the 14th, 15th, and 16th the Muleshoe A team boys were entered in the Friona boys round-robin.

Their first game was against Friona. Their final score was Friona 41, Muleshoe 42. High pointer in that game for Muleshoe was Sammy Harris with 21 points.

The next game was Muleshoe and Morton. That score was Indians 41, and Muleshoe 30. The Mules high pointer was Sammy Harris with 22 points.

In the last game the Mules met Olton. The Mules won that game 54 to 25. In that game Sammy Harris was again high

pointer this time with 19 points. Muleshoe walked away with the 3rd place trophy. Congratulations on a job well done.

MJHS Girls

by Prisca Young
The Muleshoe A team girls traveled to Friona to meet the Canyon girls for consolation in the Friona tournament.

The game ended with the score Canyon 20, Muleshoe 9. High pointer was Lavern Carpenter with 6 points.

The Cheerleaders

by Carey Sudduth
The spirit department is an important part of athletics in any school. Heading up this spirit department are five hard working cheerleaders.

The cheerleaders have to meet in the summer to learn yells. They also must lead yells at football games, basketball games, and pep rallies.

These girls are, Jan Harlin, an eighth grader, Pam Loyd, an eighth grader, Marilyn Black, a seventh grader, and Cynthia Rogers, a seventh grader.

These girls give much of their time and do a very good job.

8th Grade Boys Basketball

by Prisca Young
On night of the 18th the 8th grade A and B boys traveled to Morton to meet the Morton Indians.

Jan Harlin, Journalism

by Vicki Redwine
The Journalism student we are introducing this week is Jan Harlin. Her parents are Mr. and Mrs. Glenn Harlin. They live in West Camp and attend West Camp Baptist Church.

Jan has one English Bulldog and her name is Sugar-babe. She also has four cats. Her hobby is playing basketball. Jan is an eighth grade head cheerleader. She and the other cheerleaders are doing a wonderful job.

Basketball is also Jan's favorite subject. So as you can see, Jan really helps to support our basketball team.

The B team boys played first. The final score was Morton 36, Muleshoe 28. High pointer for the Mules in that game was Freddie Flores with 15 points. The A teams then took over the gym. The final score was Muleshoe 51, Morton 19. Muleshoe's high pointer was Sammy Harris with 23 points.

History Projects For 8th Graders

by Judy Dearing
Hard working eighth grade classes have been assigned a project. Mr. Rogers, who teaches eighth grade history assigned a project or an illustrated report which will be due March first and will be on display at open house. The reports will be illustrated and may pertain to any subject but preferably American Heritage. The grades will be for two weeks work. So parents, if your kids need some material or ideas please give your cooperation. Kids, go to it and good luck.

Texas Enlarges Swine Numbers On High Plains

LUBBOCK...Texas boasted the largest increase in swine numbers from a year earlier among all 50 states. And a big part of that increase is right here on the High Plains, reports Dr. Gilbert Hollis, area swine specialist with the Texas Agricultural Extension Service.

Hollis cites figures compiled by the Texas Crop and Livestock Reporting Service which show a total of 1,419,000 head of hogs and pigs of all ages on farms on December 1, 1970, a 48 percent increase from 959,000 a year earlier.

"It's safe to say that at least 65 percent of the statewide increase in swine numbers occurred in the High Plains area," points out Hollis. "This means an increase of more than 299,000 head."

The specialist adds that the state showed a 33 percent increase in the total pig crop for 1970, with the number being 1,987,000 head. For the High Plains, he estimates the pig crop to have increased by about 319,000 head. Other figures show that farmers across the state intend to farrow 163,000 sows during the period, December, 1970 to May, 1971. This indicates a 37 percent increase over the same period a year ago.

Swine numbers in the U.S. on December 1, 1970, totaled approximately 67.5 million, up 19 percent from the previous year.

Nationwide, producers intend to farrow 7.2 million sows from December, 1970, to May, 1971, one percent more than a year earlier. Hollis notes that if these intentions are realized and the number of pigs per litter are average, the pig crop

for the period will be 53.1 million head or one percent more than the previous year.

How accurate are all these figures? Hollis encourages producers to look at the prediction made in the June, 1970, report of the Crop and Livestock Reporting Service. Swine numbers for the U.S. for 1970 were then predicted to total 101.8 million head. The December, 1970, report shows this figure to be 102.3 million head, up 15 percent from 1969.

"If anything, the projections for the first half of 1971 are probably conservative," says Hollis. "However, we won't see the increase that was evident during the past year. Lower

prices are the main factor affecting the overall swine picture at the present time."

LEGAL NOTICE

LEGAL NOTICE NOTICE TO BIDDERS

1. Sealed bids will be received by the Mayor and City Council, Bailey County, Texas, hereinafter referred to as the "Owner" for performing the work as set forth in the Plans and Specifications entitled a Public Library for the City of Muleshoe, Texas, on or before 2 O'clock p.m., Tuesday, February 16, 1971 in the City Hall, Muleshoe, Texas, at which time said bids will be publicly opened and read.

2. All bids must be made on the blank form of proposal furnished in the Specifications.

3. Each bid must be accompanied by a certified check or bidder's bond, payable to the Owner for five per cent of the total amount of the bid. As soon as the bid prices have been compared, the Owner will return the check or bond of all except the three lowest responsible bidders. When the contract is awarded, the checks or bonds of the two remaining unsuccessful bidders will be returned. The check or bond of the successful bidder will be retained until the contract and surety bond have been executed and approved, after which it will be returned.

4. A performance and payment bond in the amount of 100 percent of the contract price with a corporate surety approved by the Owner and Architect will be required for the faithful performance of the contract, and the bidder shall state in the proposal the name and address of the surety or sureties who will sign this bond in case the contract is awarded to him. A maintenance guarantee for the repair of all damage due to improper materials or workmanship for a period of one year after the acceptance of the work by the Owner will also be required.

5. The party to whom the contract is awarded will be required forthwith to execute the contract and a performance and payment bond within ten calendar days from the date when the written notice of the award of the contract is mailed to the bidder at the address given by him. In case of failure to do so, the Owner, may at his option consider that the bidder has abandoned the contract, in which case the certified check or bidder's bond accompanying the proposal shall become the property of the "Owner".

6. The Owner reserves the right to reject any and all bids or to accept any bid. Contractors' proposals shall hold firm for thirty days. Mutually agreed upon extensions of time may be made, if necessary.

7. Before the award of the contract, any bidder may be required to furnish evidence satisfactory to the Owner and Architect of the necessary facilities, ability, and pecuniary resources to fulfill the conditions of the said contract.

8. Prior to signing the contract, the contractor shall submit on a form acceptable to the Owner and Architect, an overall construction schedule for the project. This construction schedule shall start with the proposed date of signing the contract, and the completion date shall be the date specified in the contract.

9. Bidders must satisfy themselves by personal examination of the location of the proposed work, by examination of the Plans and Specifications and requirements of the work.

A. Should a bidder find discrepancies in or omissions from the plans, specifications, or other documents, or should he be in doubt as to their meaning, he should at once notify the Architect and obtain clarification prior to submitting any bid.

B. Contract to be let will consist of:

1. Turnkey Building Contract,
2. The Construction Contract and the Detailed Specifications

contain the provisions required for the construction of the project. No information obtained from any officer, agent, or employee of the Owner on any such matters shall in any way affect the risk or obligation assumed by the Contractor or relieve him from fulfilling any of the conditions of the Contract.

11. Proposals which are incomplete, unbalanced, conditional or obscure or which contain additions not called for, erasures, alterations or irregularities of any kind or which do not comply with the Notice to Bidders, may be rejected at the option of the Owner.

12. A bidder may withdraw any proposal he has submitted at any time prior to the hour set for the closing of the bids, provided the request for withdrawal is signed in a manner identical with the proposal being withdrawn. No withdrawal or modification will be permitted after the hour designated for closing the bids.

13. Computation of quantities that will be the basis for payment estimates, both monthly and final, will be made by the Architect.

14. The Owner will be responsible for payment in accordance with the terms of the Contract.

The work "Contractor" means the person, firm or corporation to whom the award is made. Subcontractors, as such will not be recognized.

The word "Architect" refers to Bill W. Cantrell, Architects, Land Planners, designated by the Owner as its representative during the course of construction to make appropriate inspections and computations of payments.

15. Plans and Specifications may be obtained from Bill W. Cantrell, Architects, Land Planners, Lubbock, Texas. A deposit of \$25.00 will be required for the Plans and Specifications. The \$25.00 will be returned to those returning them in good condition within ten days after the date of the bid opening.

Lazbuddie News

Mrs. Richard Engelking

Mrs. Harrol Redwine left from Lubbock's Regional Airport Thursday morning for Honolulu and a week's tour of the islands with her husband while he is taking his Rest and Recreation leave from his duties in Vietnam.

Rev. Roy Patterson is recuperating at home after eye surgery last week in an Amarillo Hospital. In his absence, Rev. Cecil Matthews of Canyon and Laymen Earnest Langley of Hereford have filled the pulpit at the United Methodist Church.

Mrs. Glen Carter is back on the job, teaching her sixth graders after having Major surgery a few weeks ago. In her absence Rev. Dale Cain, local Baptist pastor taught the class.

Ron Johns, son of High School Principal and Mrs. Murrel Johns, spoke to the local FHA girls Monday night at their regular meeting. Ron spoke on his Vietnam experiences.

We want to add our congratulations to football boys Mike Casey and Charlie Lee for making the class B all state team. Mike and Charlie are Seniors and Junior Jimmy Noland made the second team.

Coach Pat Casey and his basketball squad are now 4-0 in district play having defeated Nazareth by a big margin Tuesday night. There's lots of talent on this team and they should win district again, if they will hustle.

Coach Talley Kelso would probably just as soon talk to you about those triplets, two girls and a boy, born Saturday in Friona to his sister and husband Mr. and Mrs. Dale Cunningham, as his girls basketball team isn't much to brag about, record wise, that is. They're O.K. in my book tho, for they do hustle and that's about all I'd better say as I do have 'Kin' on that team. I got into trouble about all my bragging on our Longhorn Football squad and I don't have 'Kin' on it. Some wise guy even accused me of having a husband who was one of the coaches. Hal

Mrs. Alice Hill, a graduate of West Texas State has taken over teaching Mrs. Ruth Williams first grade. Mrs. Williams resigned some time ago due to her health. Mrs. Hill and her three sons reside in the house formerly occupied by Mr. and Mrs. Everett Maxwell.

We're sorry to lose our neighbors to the east of us, Lee and Dortha Mason, who moved to their beautiful new home they built on Oakhurst street in Clovis. Their home has already been sold and moved away.

This is my first column since the holidays, (been in a remodeling mess and couldn't seem to get my jottin's together) so pardon me while I catch up on some holiday news.

I want to apologize to Mrs. Bradshaw for being so late with this as she was so kind to call this in and I do appreciate those who do.

The class of '61 held a reunion in the home of Mr. and Mrs. Neil Bradshaw. Those attending were: Mr. and Mrs. Ronnie Gustin of Beaumont, Beverley Adkins, Alex, Oklahoma, Edwin and Patsy (Morrow) Young, Lomita, Texas, Karen (Smallwood) Pace, Lubbock, Corretta Watkins, Lubbock, Wayne and Sandy Peterson, Muleshoe, R.L. and Carol Porter, Mineral Wells, Jerry Don and Donna Glover, Hereford, Jerr and Donna Smith, Lazbuddie, Freddie and Tommie Savage, Sunizona, Arizona, Eddie and Gayle Morris, Muleshoe, Odie and Donna Mae Bradshaw, Lubbock, Lloyd and Janice Bradshaw, Amarillo, Kim Paterson, Amarillo and graduates of a year earlier Derell and Cienda Jennings, Dekalb, Long distance calls were received from Norman and Janice Brantley, Tulsa and Linda Lancaster of Plainview.

Mrs. A.C. Melergin of Slaton, Mother of Neil was visiting in their home during the holidays. Also Mrs. Bradshaw's sister, Mrs. David Biggs of Slaton.

A nice holiday happening was the wedding of Frank Hinkson and Marilyn Barnes. The colors of Royal Blue and White were a pretty complement to a lovely Christmas wedding. They are

now at home in Lubbock on Auburn Street and attending classes at Tech.

Our deepest, heartfelt sympathy to the families of E.V. Crain and Donald Littlefield in their recent sorrow. Mr. Crain was a stalwart, long time citizen of Lazbuddie and a familiar sight along 'main' for so many years.

The community suffers along with the family in the loss of one so young and vital as Donald Dean. Again, let us extend our condolences.

Free people, remember this maxim: We may acquire liberty, but it is never recovered if it is once lost. -J.J. Rousseau.
