

**1961 VALIANT**—Valiant offers a more complete line of body styles for 1961 in the low price compact car class, in anticipation of even greater buyer demand for the most economical American built cars. The Valiant goes on display at Rust Motor Company and Blevins Motor Company today in Eastland.

## Valiant Adds Two New Body Styles for 1961

Valiant offers a more complete line of body styles for 1961 in the low-priced, compact car class in anticipation of even greater buyer demand for the most economical American built cars.

The Valiant goes on display today at Rust Motor Company and Blevins Motor Company in Eastland.

Added to the line are a two-door sedan in the V-10 series and a V-200 two-door hardtop, giving Valiant a complete representation of the sedan-hardtop-station wagon model group, which comprises 90 percent of all cars bought from American manufacturers.

Harry E. Chesbrough, general manager of the Plymouth De Soto Valiant Division and vice president of Chrysler Corporation, said the addition of the two new models makes Valiant "A full member of the Plymouth team and provides the traditional high-quality Chrysler engineering and manufacturing standards on a broad front in the compact car field. This low price compact looks and drives like twice the price."

In a number of ways, the 1961 Valiant has been improved for operating economy, durability, performance, and smoothness of ride. In external appearance, it continues to accent the beauty of line and proportion which won wide acclaim when the car first appeared last year.

## Eastland County 4-H Boys Place At Area Show

Pat Miller, Olden 4-H Club member, showed his Sears Duroc Jersey gilt to first place in the Area Show at Breckenridge on Saturday, Sept. 24th. In the same show in the boar class Roger Wilkerson, Scranton 4-H boy, showed his boar in third place.

Both boys received prize money and ribbons. Pat won \$25 in prize money and Roger won \$17.50 in prize money. The boys are required to buy lumber, nails, wire or some other material to improve their swine program with the money won.

This is the third year in a row that Eastland County boys with the Sears gilts have placed first in the Area Shows.

There are eight gilts in the program this year and the boys are to raise a litter of pigs from these gilts and return the best gilt pig in the litter to the program to be given to some other 4-H boy. This is the manner in which the program is continued from year to year. If a gilt pig in the program dies the Sears Roebuck Foundation pays for another pig to replace it.

## Dodge Dart and Lancer Are Shown Today

The popular Dodge Dart, an automotive newcomer last fall, began its second year today with completely new styling, a host of engineering improvements and a wider selection of engines, and Dodge's spirited new entry in the compact field the 1961 Lancer, will go on display at McGraw Motor Co. in Eastland today.

Dodge General Manager, M. C. Patterson said, "We are firmly convinced that our new Dart models are the best-engineered and most carefully built cars ever to leave Dodge plants. In 1961, the Dodge Dart will be quality car in the low-priced field."

He said many of the mechanical modifications in the new Dart were made to provide "even greater economy of operation and maintenance."

The Dodge general manager said the 1961 Dart, freshly styled on the outside is also new on the inside. The interior of the car features new nylon and rayon fabrics, a distinctive instrument panel, a new door trim design, color-keyed steering wheels, and new contemporary color combinations.

A choice of six different engines will be offered to Dodge Dart buyers in 1961. All standard six and eight cylinder engines perform efficiently and economically on regular grades of gasoline.

The 118-hp. wheelbase Dart will again be available in three series—the lowest priced Seneca, the Pioneer, and the deluxe Phoenix. Twenty-nine sedan, hardtop, station wagon, convertible and fleet models will be offered.

Patterson said today the new Lancer competes in size and economy with the compacts introduced (Continued On Page Eight)

Congressman Jim Wright

## Congressman Wright To Address Demos

Congressman Jim Wright of Weatherford will be the featured speaker at the Eastland County Democratic Campaign Fund Luncheon and Rally to be held in the Eastland City Park at 7:30 p.m. Tuesday, Oct. 4.

Grady Hogue, president of Eastland Junior College will be Master of Ceremonies and will introduce Congressman Wright.

At 37, Wright is one of the youngest members of Congress. Born in Fort Worth, he received his education in the public schools, Weatherford College, and the University of Texas, where he majored in government and economics.

In World War II, he enlisted as a private in the Air Force three weeks after Pearl Harbor, later went through the aviation cadet program, was commissioned and flew combat missions in B-24's in the South Pacific, receiving decorations including the D.F.C.

Returning after the war, he obtained a GI business loan and bought an interest in an advertising business. He served in the Texas Legislature and later was elected to fill part of an unexpired term as mayor of Weatherford. He was twice re-elected. The city officials of Texas chose him in 1952 to serve as president of the League of Texas Municipalities, which represents more than 600 incorporated cities and towns in Texas. He was honored by the

Texas Junior Chamber of Commerce as one of the five outstanding young men in Texas for 1953.

In 1954, he became a candidate for Congress and was elected by a 15,000 vote margin. Three times the people of his district have re-elected him without opposition.

In Washington, he is a member of the important House Public Works Committee. In 1957, he served as Chairman of a subcommittee investigating the floods in the Southwestern states which resulted in several bills authorizing corrective action. During the past five years he has been the author of an unusual number of public laws. In 1958, he came forward with the idea for a Future Scientists of America program and P. L. 85-875 of his authorship was enacted, creating this nationwide program.

Other public laws bearing his name have been enacted.

## Negotiations Begin for 1961

## Jaycees Pleased At Bowl Success

The Eastland Jaycees held their regular weekly meeting Tuesday night and at which time they were given a financial statement on the outcome of the Peanut Bowl.

Members were so pleased with the outcome of the affair that they voted to negotiate a contract with Ranger College and Cisco Junior College to make a return appearance at the 1961 Peanut Bowl to be held in Eastland on a date in September 1961. The date for the Bowl game will be set after the two colleges can agree on a date which will be one of the last three Saturdays in September.

Dick Spaulding, president of the Jaycees extended the Club's appreciation to all the members who worked so hard to make the Peanut Bowl the huge success that it was. He read several letters that the club had received congratulating them on the fine job that they had done. He also read a letter from the Peanut Bowl Queen, Miss Mary Kay Rush of Ranger, thanking the Club for the many courtesies extended to her.

Ranger College Coaches Jim Puryear and Clyde Ewalt showed the film of the Peanut Bowl game. Many of the Jaycees got to see the action of the game for the first time, due to their working in the concession stands and ticket booths they missed a lot of the game Saturday night.

Spaulding attended an assembly at Ranger College Wednesday morning and presented Ranger College with the Peanut Bowl trophy. The trophy will go to the team that wins the game each year. The team will get to keep the trophy for one year and then it will go to the next winner. Once a team wins the trophy three times it will become a permanent possession of that team.

## Ford and Falcon Are Shown At King Motor Co.

The 1961 Ford and the 1961 Falcon go on display at King Motor Company in Eastland today.

The 1961 Ford features crisp new styling, new dimensions for greater maneuverability, and major engineering improvements such as 30,000-mile lubrication, that will result in lower maintenance costs and more carefree operation. James O. Wright, Ford Motor Company vice president and Ford Division general manager, said the new Ford, nearly four inches shorter and two inches narrower than in 1960, will offer "a completely new, fresh appearance in the classic Ford tradition of straight-line design."

Wright also announced the 1961 Ford styling has been recognized for its "functional expression of classic beauty" by a world-renowned fashion authority. In Rome, Italy, against a backdrop of the new fashion center of the world, the Centro Per Alta Moda Italiana recently presented Ford Motor Company with a special award honoring the 1961 Ford.

Wright said engineering and design improvements in the 1961 Ford make it "a car that virtually takes care of itself." Improvements include:

A new grease and lubrication system that extends the normal oil-change interval to 30,000 miles.

## John C. McClane Speaks on Loans At Lions Meeting

John C. McClane, past president of the Junior Bar Association in Fort Worth, spoke to the Lions Club Tuesday at noon in the White Elephant.

McClane stressed the need of the Fourth Amendment, to be voted on in November. He said the amendment would give legislature the right to regulate loans and interest on loans thus dispose of the loan "sharks" in Texas.

Several case histories were related to the Lions by McClane telling of how "loan sharks" took advantage of the people who couldn't afford the high rate of interest. McClane states that legislature should have the right to classify and regulate, and define interest in maximum rate.

Willard Griffin was program chairman.

## William Hunt Dies Tuesday In Breckenridge

Funeral services were held at 2 p.m. Thursday in the Breckenridge First Baptist Church for William I. Hunt, 99, former Stephens County official and longtime resident of Stephens County.

Mr. Hunt was a brother-in-law of Mrs. Ida Hunt of Ranger.

He died in a Breckenridge rest home Tuesday. He had been hospitalized since falling and breaking his hip Aug. 16.

The Rev. Edgar Jones, pastor, officiated. Burial was in Breckenridge Cemetery under direction of Melton Funeral Home.

Mr. Hunt was a member of the First Baptist Church. His wife died in July of 1958.

Survivors include three daughters, Mrs. C. E. Fincher of Breckenridge, Mrs. J. A. Rosequest of the Wayland community and Mrs. W. C. Lockett of San Antonio; two brothers, John of Dallas and George of Eastland; seven grandchildren, eight great-grandchildren and three great-great-grandchildren.

## Junior High Dogies Defeat Cross Plains

Eastland Junior High A team defeated Cross Plains Junior High A team 26 to 0 Tuesday night in Cross Plains.

In the first quarter Lupe Fuentez passed 25 yards to Mike Miller who ran 15 yards for the first touchdown. Stanley Underwood ran 10 yards for a touchdown after catching a 20 yard pass from Fuentez in the second quarter.

Manuel Herrera ran seven yards for the third touchdown in the third quarter. Fuentez ran five yards to make the final touchdown in the fourth quarter. Felix Martinez scored the two extra points.

Eastland Junior High B team tied Cross Plains B team 6 to 6 with Mike Siebert making Eastland's only touchdown.

# '61 CHEVY TRUCKS

WITH WORK-PROVED INDEPENDENT FRONT SUSPENSION!

Chevy's '61 fleet swings in with a ready-made reputation as the trucks that are worth more because they work more... the latest editions of the haulers that scrapped the I-beam axle and proved the important advantages of independent front suspension!

You'll find new models for '61—long-wheelbase 4-wheel drive units—and thoughtful refinements throughout the line. But the big news for '61 is nailed-down proof (based on owner reports) that Chevy's torsion-spring design is the best thing that's happened to trucks in decades! With Chevy's independent front suspension and Sturdi-Bilt design, you cruise over trails where other trucks creep. You feel the difference in less wheel lift and vibration. You can see why drivers are happier, why loads are better protected and why the truck itself will stand up to thousands of miles of more work. That goes for any size Chevy, too—pickups, tilt cabs, tandems, all of them.

Check the latest specs with your Chevrolet dealer: capacity, power teams, options. Then, by all means, drive a '61. Once around the block and you'll never be satisfied with a front axle truck again!

themselves. Specially processed underbody parts, including galvanized body panels below the doors, that resist rust and corrosion.

Aluminized mufflers that are double-wrapped for three times normal life.

A 250 percent increase in the thickness of anodizing on aluminum surfaces for brighter, longer-lasting grille, headlamp and tail lamp trim.

The Ford Falcon, most successful new car in history, enters the 1961 model year with a proven record of all-around economy leadership, six-passenger comfort, handling ease and dependable operation, and introduces a new 101 horsepower performance option — the Falcon 170 Special engine.

"In its first year, the Falcon established itself as the standard of American compact cars. No other car ever achieved the first year success to equal the Falcon's sales of nearly a half million since it was introduced in October, 1959," Wright said.

"The 1961 Falcon has a new, convex-shaped aluminum grille, but preserves the styling and inside-outside dimensions of its predecessor," Wright said. "That means the Falcon will continue to offer full six-passenger seating room, the feel and maneuverability of a sports car, and a 23.7-cubic-foot trunk to carry luggage in real vacation quantities."

In addition, Wright pointed out that numerous durability improvements in the 1961 Falcon will result in greater savings and less inconvenience to Falcon owners. Among these improvements are 2½ times thicker anodizing on the aluminum surfaces, double-wrapping of the aluminized muffler, galvanizing of additional underbody parts for greater rust and corrosion protection, and more effective use of stainless steel for parts such as the new hub caps.

The 1961 Falcon, will be offered in four models—two- and four-door sedans and two- and four-door station wagons.

was appointed at the end of the last session as a member of the Special Select Committee to investigate the Interstate Highway System and has been one of the most active members of that important body.

He is an active Churchman, an Elder in the Presbyterian Church and a frequent contributor to Christian journals and periodicals. In Washington, he is teacher of the couples' class in Washington's historic New York Avenue Presbyterian Church. The General Assembly of the Presbyterian Church for the U. S. A. last Spring elected him a member of the Permanent Judicial Committee, which is the ruling court of that church in matters of ecclesiastical law.

In September of 1958, he was one of five members of Congress cited by a national magazine as among the 15 "Bright Young Men" in American politics.

He and his wife have 4 children: Jimmy, 15; Virginia Sue, 10; Patricia Kay, 8; and Alicia Marie, born on May 2, last year.

Wright was chosen to deliver the keynote address at the 1960 State Democratic Convention, and was active in the Johnson-for-President campaign.

Announcing the 1961 Ford . . .  
Beautifully proportioned to the

CLASSIC  
FORD  
LOOK

The 1961 Ford Galaxie Club Victoria—beautifully built to take care of people

## BEAUTIFULLY BUILT TO TAKE CARE OF ITSELF

The 1961 Ford introduces a whole new concept of what a car can do for you . . . and for itself!

It lubricates itself. New nylon bearings and a newly developed lubricant keep the '61 Ford freshly greased for 30,000 miles. Good-bye grease rack! What's more, it cleans its own oil. The 1961 Ford's Full-Flow oil filter lets you go 4,000 miles between oil changes.

It adjusts its own brakes. A "mechanical brain" keeps brakes adjusted for the life of the lining.

Rust? Ford's body is specially processed to resist corrosion, even to galvanizing body panels beneath doors.

Ford takes care of itself on the turnpike, too, with a new 390-cu. in. Thunderbird Special V-8 that has all the punch you'll ever need. The 352 Thunderbird Special V-8 and 292 Thunderbird V-8 thrive on regular gas. And, for top economy, you can choose the '61 Mileage Maker Six.

This is the 1961 Ford . . . beautifully proportioned to the Classic Ford Look . . . beautifully built to take care of itself.

### HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF

**LUBRICATES ITSELF.** You'll normally go 30,000 miles without a chassis lubrication.

**CLEANS ITS OWN OIL.** You'll go 4,000 miles between oil changes with Ford's Full-Flow oil filter.

**ADJUSTS ITS OWN BRAKES.** New Truck Size brakes adjust themselves automatically.

**GUARDS ITS OWN MUFFLER.** Ford mufflers are double-wrapped and aluminized—normally will last three times as long as ordinary mufflers.

**PROTECTS ITS OWN BODY.** All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing body panels beneath doors.

**TAKES CARE OF ITS OWN FINISH.** New Diamond Lustre Finish never needs wax.

**Lydia Group Is Hosted Monday by Mrs. J. W. Watson**

Mrs. J. W. Watson, 1713 W. Commerce, hosted the members of the Lydia Group of the Christian Women's Fellowship of the First Christian Church Monday at 3 p.m.

Mrs. D. S. Buchanan, group chairman, called the meeting to order with Mrs. Neil Day giving the opening prayer.

"Identify Yourself," the devotional for the day, was given by Mrs. E. A. Beskow followed by a group discussion of the Congo situation. It was then announced that, for the remainder of the year, meetings would be held at 2:30 p.m. Cards were sent to members of the circle who are ill.

Mrs. Buchanan, teacher, presented a very inspiring lesson taken from the book, "The Fourth Witness."

Mrs. Neil Day will host the next regular meeting in her home on Oct. 17.

Mrs. Watson served cakes, cookies and ice cream to Mes. Beskow, N. T. Johnson, B. F. Clifton, Buchanan, Day, Guy Robinson and Miss Sallie Day.

**Kyle Cooper Is Feted with Party On 4th Birthday**

Mrs. Frances Cooper, 710 S. Bassett, entertained her granddaughter, Kyle Cooper of Austin, on her fourth birthday with a party in her home.

The gala affair was centered around the dining table which featured a lovely birthday cake decorated with a spun sugar doll on the top and four pink candles. "Kyle" was inscribed on one side of the cake and spun sugar pink roses completed the decor.

Party favors were presented each guest present. They are as follows: Katherine Watson, Steve Clemments, Jill Wright, Lisa German, Shirley Ford, Peggy Latham and Melinda Grimes.

**Mrs. Collie Is Hostess To White Circle Tuesday**

The White Circle of the First Methodist Church met Tuesday for their regular meeting in the home of Mrs. Turner Collier. The meeting was opened by prayer given by Mrs. C. W.

Young followed by the devotional by Mrs. Collie.

The following officers were elected: Mrs. W. A. Martin, assistant chairman; and Mrs. A. F. Bendy, secretary-treasurer.

Refreshments were served by the following members: Mrs. James Horton, W. A. Martin, Earl Bender, W. B. Harris, C. W. Young, A. F. Bendy, O. O. Miller, R. E. Skelton, M. L. Long and the hostess, Mrs. Collie.

last year but rivals standard size cars in performance, comfort, convenience and handling.

"The Lancer is a small car

with a big car ride," Patterson said. The new compact is nearly two feet shorter and 700 to 800 pounds lighter than conventional cars in the low-priced field.

The Lancer is the second new car to be introduced by Dodge

within a year. Last fall the company invaded the standard low-price field with its popular 118-inch-wheelbase Dodge Dart. The Lancer has a wheelbase of 106 1/2 inches. Prior to introduction of the 1960 models, Dodge marketed

only medium-price automobiles.

The Lancer features wide use of aluminum to reduce weight. It also offers two highly economical, six-cylinder, front-mounted engines and a host of under-the-hood mechanical refinements. Favorable weight distribution and

a low center of gravity, combined with famed Torsion-Aire suspension, gives the new small car its big-car ride.

The trim new compact is offered in seven models in two series: taxi model, 2-door sedan, 4-door sedan and 4-door wagon in the

lowest-price 2-door hardtop, 4-door station wagon "770" series, and gray in red, light blue, and white in
