(Continued from page one) Munn of Lampasas, Don Johnson of Cisco and Johnny South of Abilene. Strack was medalist in the tournament and received a wrist watch.

Winners in each flight received full sets of irons, runner-ups got four matched woods and consolation winners were awarded golf bags.

There were 112 participants in the tourney and a large number of other golfers were turned away because there just wasn't room on the nine hole course.

Lakeside Country Club detained the record of never having had a tournament won twice by any player.
