PRICE 10c

BY INVITATION

Chamber Open-House Today; 3-5

Approximately 150 invitations have gone out, inviting Eastland Chamber of Commerce members, Jaycee members and others to attend an open house at the chamber offices Sunday from 3 to 5 p. m.

The offices will be open to the public all next week.

New officers and directors will be introduced Sunday.

The Jaycee participated in re-decorating the chamber's headquarters.

Battery of Tests Given To Seniors And Freshmen

Eastland high school seniors were given the Iowa Battery of Educational Development Tests, which are designed to provide comprehensive and dependable description of the general educational development of the high school students, on Wednesday and Thursday last week.

The major purpose of the tests are to enable teachers to keep themselves more intimately and reliably acquainted with the educational development of each student and to provide the school administration with more dependable and objective basis for evaluating the total educational offering of the school. The testing program will point out any need for a curriculum revision that may exist.

Members of the freshman class will be given the Flanagan Aptitude Classification Test next week. These tests are designed to help understand one's aptitudes. The 12 tests range over a variety of subjects and after scoring students will be in a position to see if they have an aptitude for any of a number of occupational fields.

Surplus Food To Be Distributed Early In Week

Distribution dates for the USDA Surplus Foods were announced Thursday by J. J. Porter, Sr., representative.

Monday, Nov. 13—Eastland, Olden and Ranger. Gorman and Desdemona.

Wednesday, Nov. 15—Cisco, Scranton and Nimrod.

MARKING 50TH YEAR

Chevrolet Celebration Underway at Fullens

Fullen Motor Co. at 305 E. Main St. in Eastland will be helping Chevrolet celebrate its half-century anniversary of motor-car manufacturing.

A special anniversary record album will be available at the Eastland dealer showroom, and F. M. Fullen, owner-manager, has invited friends and customers to visit the showrooms for the celebration.

Chevrolet, which conquered early forecasts of oblivion and on automobile legend to become the nation's best selling car, will celebrate its 50th anniversary Friday.

The early hardships stemmed from the company's meager beginnings in an old garage building in Detroit with the shoe-string financial as a car for the masses produced and sold less than 25,000 cars during its first five years. The legend was that of Henry Ford and his Model T, an automobile which aroused great public appeal as a car for the masses about the time Chevrolet was seeking a foothold in the automobile business.

Several special programs are planned to commemorate the anniversary.

On Nov. 3, an hour-long national TV spectacular will salute the company's 50th birthday. It touches off a week-long celebration at Chevrolet dealerships across the country during which special birthday programs will be

JAYCEE DEBUTANTS—This chorus line of local lovelies premiered in a nearby city last week and brought down the house with their "can-can". From left to right the dancers are Misses Hewett, Hallmark, Carter, Gilliam, Brown, George, Pryor and Scallorn.

County Chapter Nears Carla Goal

The Eastland County Red Cross Chapter has just about reached its goal for the Carla Hurricane Relief Fund, R. E. Freyschlag, treasurer, announced this week.

A total of \$1,010.75 has been collected in the county and this chapter has been credited with \$341.71 as its share of unallocated donations made by organizations in the state.

Therefore the County has contributed \$1,352.46, just short of its goal of \$15, \$15.66.

Donations by cities is as follows: Eastland, \$22.31; Cisco, \$371.94; Gorman, \$116.50; and Ranger, \$100.

PUBLIC INVITED TO VIEW ANTI-RED FILMS

The Eastland Jaycee club voted unanimously Thursday night to invite the public to see anti-communist films, as part of its anti-communist program of serving this area.

First meeting will be Thursday evening at the Texas Electric Co. meeting room.

The club plans to show the films, "Communism on the Map", and "The Communist Encirclement", first of which will be seen Thursday night.

There will be no admission charge and the public has been urged to attend.

The club saw "Operation Abolition" Thursday night.

Bill Crocker is making arrangements to bring the films here.

High School Students to Hear About Space Communications

World-wide telephone and television communications via a series of satellites in orbit around the earth will be described Wednesday in Eastland and Thursday in Ranger by Glenn Scott, Science Demonstrator for Southwestern Bell Telephone Company, speaking at the high schools.

Arrangements for the program were made by Archie Marx Jr., Manager of the district.

Using a small transmitter, receiver, and a small replica of the Echo I balloon, Scott will demonstrate how signals can be bounced off a satellite.

Telephone scientist has been experimenting with space communications since 1954 and now are negotiating with government officials to make available a rocket-at no cost to the government to place an "active" satellite in orbit that will amplify the signals between relaying them back to earth.

This nation has a clear lead over all other countries in space communications, Scott says, but there is need for further experimentation, without delay, to maintain our world leadership.

The Bell System's proposed satellite communications system initially would consist of 30 satellites in a 7,000 mile polar orbit, and would be wholly financed by private enterprise without government subsidy.

DAMP & COOL

James Smith, official weather observer in Eastland, reported that Friday morning's low temperature reading was 33, following showers that left 1.04 of rain Thursday.

Last year there were 4 million overseas long distance messages and telephone engineers estimate 25 million messages a year by 1980. A total of 100 million over-satellite communications system, such as that envisioned by telephone scientists, seems to be the only practical solution to meet the growing demand for world-wide communications, according to Scott.

FIVE COUNTY DELEGATES TO TFB ANNUAL CONVENTION

The Eastland County Farm Bureau will be sending at least five delegates to the 28th annual convention of the Texas Farm Bureau Nov. 12-15 in Galveston.

Those appointed to go are Mr. & Mrs. Joe Bob Browning, Gorman; Mr. and Mrs. Henry Fry, Cisco; Cyas Justice, Eastland; Jack Cogart, Nimrod; and Ellen Justice, Cisco.

Alternates are Mrs. Clyde Coats, Cisco; Don Kincaid, Cisco; Aubrey Easter, Eastland; Lee Starr, Cisco; and Ed Harrison, Gorman.

One of the highlights of the convention will be the crowning of the Texas Farm Bureau queen in a coronation ceremony climaxed the annual contest finale.

Out of the hundreds of original contestants in over 100 counties participating in the contest, one of which was Paul Coats of Cisco representing Eastland County, 13 finalists have been selected—one from each TFB district in the state. The entry representing District 17 which includes Eastland County is Peggy Parker of Coleman.

Another important event will be the judging of scrapbooks compiled by some counties. The scrap-

AT DINNER MEETING

Jaycees Name Fred Stroub 'Employee of the Month'

The Eastland Jaycees and their wives saw two types of students during a dinner meeting Thursday night.

One type was a contemptuous mob of communist-deluded students rioting and showing all manner of unpatriotism.

The other type was the example of sober-minded, intelligent endeavor.

The Jaycees rewarded the industrious youth by bestowing their coveted "employee of the month" award on Freddy Stroub, an employee of A&P Grocery in Eastland.

The display of violence on the part of young people was by way of a film, called "Operation Abolition" which showed demonstration against the House Un-American Activities committee during hearings in San Francisco last year.

The film was provided for the club's program by Bill Crocker.

Freddie, 19 is the son of Mr. and Mrs. J. L. Stroub of Route Three, Cisco.

He is a 1960 graduate of Eastland High School and graduated with an average of 88.6.

He has been employed with the A&P Grocery for two years. Willis Moore is store manager.

Freddie is presently attending Cisco Junior College where he has been a student for two years.

Future plans for Freddie include attending Arlington State College.

3 MORE 100%'ERS

UF Drive Reports \$5,000; Wind-Up Set for Next Week

The Eastland United Fund campaign steamed within "putting distance" of its goal as the campaign drew to the end of its second week today, with three more firms reporting 100 per cent participation and one team captain turning in a final report.

The second week drew to a close with next week earmarked for "clean-up", and "second wind" windup.

Drive chairman Donald Kincaid Jr., announced that right at \$5,000 has been turned in or pledged. The goal is \$6,820.

At least two big events are scheduled for this week which should boost the fund over the goal.

An "outsiders" basketball game is set for Olden High School gym Monday night and will feature teams from Olden pitted against Carbon.

In their first encounter last week, Carbon teams bested the Olden raggers, and the match Monday should be a sell-out.

Tuesday at a joint luncheon meeting of the Eastland Lions and Rotary clubs, members will hear a United Fund speaker.

Announcing 100 per cent participation this week Eastland High School, Garridge Corp. (plant No. 2), and Romco—Eastland. Already announced are Hollywood Vassarette, Victor Cornelius Inc., Eastland National Bank and Safeway.

Mrs. Johanne Aaron, one of ten team captains, turned her workers' report late this week and showed that they had collected approximately \$300.

Her workers are Mrs. James Sherrill, Miss Wilma Elliott, Mrs. Betty Wofford, Mrs. Joe Andrews and Mrs. Betty Roe.

Kincaid expressed appreciation for all his workers, especially Mrs. Aaron's team for their outstanding achievements.

The 12 Eastland High School students who have been participating in a vocal way in the campaign this year are Verell Bosen, Jimmie Findley, Gary Graham, Brenda Henderson, Susan Johnson, Sharon Mace, James Manners, Sherry Miller, John Fussell, Judy Seaberry, John R. Tankersley and Terry Trendway.

Services Held Saturday For S. G. Cornelius

Funeral services were held Saturday in Temple for Samuel Garfield Cornelius, who died early Friday morning at his home there.

Mr. Cornelius, 72, was a conductor with Santa Fe Railway when he retired because of ill health several years ago. He had been employed by the company for over fifty years.

He was a 32nd Degree Mason (Continued On Page Four)

TRAINING SET

Scout, Cub Groups New In Olden

Formation of a new scout troop and a new cub scout pack at Olden has been announced by Scout Executive John Schofield.

Pat Mosley is scoutmaster of the newly-formed Troop 12 and Carey Hightower is cubmaster of the cub pack.

The Olden P.T.A. is sponsor of the two new Scouting units.

Mrs. Carey Hightower and Mrs. A. L. Fox are den mothers.

A basic training session will be held Sunday afternoon at the school from 2 to 6 p.m.

Fred Bennett of Ranger will be the organizer and training will be conducted by Bennett and Pat Collins of Ranger, M. G. Cartwright and Schofield, both of Eastland.

Auction Moves 1,671 Head Here Tuesday

Trading was active and prices were steady at the Eastland Auction Co. sales Tuesday.

A total of 244 sellers sold 1,671 animals to 88 buyers.

There were 1,235 head of cattle, 145 hogs and 291 sheep and goats sold.

Butcher bulls brought \$16 to \$18.20; butcher cows, \$14 to \$15.70; canners and cutters, \$10 to \$14; butcher calves, \$22 to \$25.80; stocker calves (light), \$28 to \$31.25; stocker calves (heavy), \$24 to \$26; pairs of cows and calves, \$140 to \$277.50; butcher hogs, \$16 to \$16.60; and sows, \$15 to \$15.80.

YMCA

Here's How Part of Your United Fund Gift Is Used

The Eastland Y. M. C. A. has furnished recreation, education and fellowship for approximately 200 Eastland young people this past year.

The programs for this year have consisted of a three week day camp held in the early summer for boys and girls ages eight through 12. The camp offered instruction in swimming, volleyball, softball, archery, trampoline, hikes, tennis, B. B. gun, twirling, various crafts and proper flag raising with a camp devotional held each morning. A trip to Forrest Park Zoo and the Children's Museum climaxed the camp.

Following day camp a girls' tennis program for junior and high school girls was held which ran for four weeks. Classes on rules and fundamentals were given to some 35 girls to encourage interest in this sport. A tournament was held to wind up the program with trophies and medals awarded to winners.

Also in the summer, a boy's touch football group was organized in which approximately 40 boys of junior and high school age participated.

A body building program was also introduced to the Y program. A two month session on weight lifting was held and was considered a very successful event with 45 junior and high school boys participating. The Y purchased a good supply of equipment for this program with instructors

for the various summer programs.

Following the beginning of the school year, members of the Hi-Y and the Tri-Hi-Y meet regularly in the well equipped and decorated Y.M.C.A. Seventy five boys and girls enjoy a trip to the State (Continued on page four)

Mountaineers Best Mavericks, 42-0

The Eastland Mavericks took another beating in the cold Friday night at the hands of the Santa Anna Mountaineers, 42-0.

It was the last out-of-town tilt for the Mavericks, who take on Clyde at Maverick Stadium here next week for the season closer.

It's been a winless, but not without luster, year for the local eleven.

The Mountaineers made it 50-10 with the Mavericks bringing their record to 2-2 for the conference play.

Halfback Tinker Dockery scored in the first and second periods with runs of 20 and eight yards. Pete Simmons went over for the second TD in the second quarter in a four yard plunge.

Randy Brown swept left end for 43 yards and scoring in the third period. Later in the same quarter Simmons pitched to Brown for a scoring play that carried 53 yards. The last score came on a 53 yard pass from Simmons to left end Bill Horne.

Simmons scored four points after touchdowns and Dockery scored two extras.

Section 2. All Ordinances in conflict herewith are hereby repealed.

Section 3. This is an Ordinance providing for the usual daily operation of a municipal department, to-wit: the waterworks department, and is therefore declared to be an emergency measure requiring suspension of the rule requiring reading of Ordinances at more than one meeting, and said rule is suspended, and this Ordinance shall take effect immediately.

Passed and approved this the 16th day of October, 1961.

CYRUS B. FROST, JR., CHAIRMAN, BOARD OF CITY COMMISSIONERS, CITY OF EASTLAND, TEXAS.
ATTEST: JAMES W. YOUNG, CITY SECRETARY.

County 4-H Leaders Organize And Will Elect Officers Next

Seventeen Adult 4-H leaders met in the Commissioners Court Room in Eastland Tuesday night, to organize a County 4-H Leaders Organization.

The meeting was called so that the leaders in Eastland County could study the advantages and disadvantages of having an organization of leaders and it was decided to start an organization for the county.

The purpose of the organization will be to promote fellowship among leaders in the county, to give strength and support to the 4-H clubs effort in the county, to publicize 4-H work and to exchange ideas from one community to the next.

Anyone interested in the 4-H program may belong to the organization. Officers will be elected at the next meeting in November. The following leaders were present: Mrs. Mildred Taylor, Mrs. Marcel Justice of Carbon; Mr. and Mrs. Dale Carlisle of Nimrod; Mrs. Zeldia Jordan of Gorman; Mrs. Cleo Duncan, Mrs. Gwendolyn Garrett and Mrs. Jean

Harbin of Carbon; Mrs. Muri Stroebel, Mrs. Lina Tonne and Mr. Herman Scheafer of Nimrod; Mr. and Mrs. J. D. Cagle and Mrs. Evelyn Fox of Olden; Mrs. Mildred Pharr and Mr. Erwin Grenweige of Scranton.

After the meeting, refreshments were served.

Thoughts For The Sabbath

United Pentecostal Church
By Rev. Freddie Waldrep

After God had called Samuel, and pronounced judgment against the house of Eli, Samuel saw that Israel was really sincere in returning to God.

He told them to gather at Mizpeh where he would pray for them. Such a meeting would of course be in open defiance to the Philistines, who now might oppress Israel.

At Mizpeh the Israelites drew water, and poured it out before the Lord, and fasted. They also confessed that they had sinned before the Lord.

The pouring out of water symbolized the confirmation of their covenant with God. It meant that they could not any more recall their promise to serve Him than could spilled water be gathered up.

The pouring out of water also spoke of the pouring out of their hearts to God in penitence and prayer. The depth of their repentance is further seen in the fact that they fasted.

The Philistines rightly recognized the danger in a mass meeting of the Israelites, and as any dominant nation would have done, they moved quickly against them. The Israelites were afraid, being both outnumbered and out-equipped.

With their backs to the wall, the Israelites turned to their only source of help—God.

Not feeling that they could ap-

proach Him directly, they called upon godly Samuel to intercede for them.

Samuel had already been praying for them; in fact, one must suppose that he never had failed to pray for them. Now implored him that he would not cease to cry unto the Lord for them.

What a blessing it is to have someone like Samuel to pray when a need presents itself. But it is even more blessed for individuals to be able to pray for themselves at such times.

Samuel's prayer was to be in behalf of Israel. Who had drifted far from God. Thus he felt that their sins must be atoned for before God would answer his prayer, and deliver them from the Philistines.

He therefore offered a lamb as an atonement.

While the lamb was still burning upon the altar, and Samuel was perhaps still before the altar in prayer the Philistines drew near to battle against Israel; But the Lord thundered upon the Philistines, and discomfited them; and they were smitten before Israel.

The thunder was called the great thunder. It was recognized by the Philistines as being God-sent.

They were well-versed enough in the history of Israel to know how God had helped them in days gone by.

The thunder discomfited them, that is, troubled, confused and frustrated them, and completely put them out.

Seeing the Philistines scattered in confusion, the Israelites began to smite them.

During the pursuit the Israelites probably acquired better weapons as they were lost by the fleeing enemy.

They were not satisfied with just a partial victory, though this would have taken far less effort.

As Christians, we too should be quick to seize any advantage which God gives us.

We as a Christian nation should be on our knees before God seeking him while it is yet time.

I believe according to the scriptures God would still hear the prayers of his people and stay the hand of the enemies that threaten our existence in the world today.

Dr. and Mrs. James Boucher

Double ring rites united in marriage Miss Dana Lynn Dreinhofer and Dr. James A. Boucher, Oct. 1 in the Heidelberg Methodist Church, Heidelberg, Mississippi, with the Rev. John Carter officiating. The bride is the daughter of Mr. and Mrs. Charles Dreinhofer of Heidelberg, and the bridegroom is the son of Dr. and Mrs. Harold Boucher of Wauson, Ohio. Maternal grandparents of the bride are Mr. C. E. Owen and the late Mrs. Owen of Eastland, and the late Mr. and Mrs. J. F. Dreinhofer of Ranger. The bridegroom is a 2nd Lieutenant in the Air Force and is stationed at Larson Air Force Base in Washington.

EASTLAND TAXPAYERS DUE TEXAS SALES TAX CREDIT

Eastland taxpayers will get a break in claiming Texas sales tax payments on their federal income tax returns for 1961. This was announced by B. Frank White, Internal Revenue Service Regional Commissioner for Texas and four other southwestern states.

The IRS has devised a Texas Sales Tax Table to help the Texas taxpayer calculate his sales tax deduction at a glance and without troublesome record keeping.

According to White, Texas taxpayers who itemize their deductions on Form 1040 will not have to keep their state sales tax records, providing their Texas sales tax deductions do not exceed those on the Tax Table.

"Texas taxpayers making states sales tax payments in excess of the amounts shown on the Table may take deductions to which they are lawfully entitled," White said.

However, these taxpayers must keep sales tax records and be able to prove their deductions in the same way as they would be required to verify any other deductions on their federal tax return.

"Taxpayers using the standard 10 percent deduction would not be entitled to deduct the Texas Sales Tax payment," White said.

The tax table, gives average amounts spent by Texas residents according to various adjusted gross income brackets. Since the Texas Sales Tax Law did not go into effect until September 1 of this year, the IRS Tax Table covers the period between September 1 and December 31, 1961. A new Table will be published for 1962.

Estimates of average Texas general sales tax payments are based on two kinds of information—state sales tax laws and a statistical analysis of consumer spending. When new spending patterns are established, or substantial changes are made in the Texas Sales Tax Law, the Table will be revised.

The table does not include such deductible items as the Texas state tax on gasoline, which is five cents a gallon, or the state tax on cigarettes, eight cents a pack, which was effective August 28, 1961.

The time saving Texas Sales Tax Table will be off the presses and available for general distribution at IRS district offices in Austin and Dallas by December 6.

AT RANGER Pecan Meet Set Thursday

Officers and directors of the Eastland County Pecan Growers Association will meet with local committee Thursday, Nov. 9, at 7:30 P.M. at the Chamber of Commerce in Ranger.

The meeting was called by "Hank" Sims, president of the association, and at this meeting plans and preparations will be made for the 9th Annual Pecan Show of the association to be held in Ranger Dec. 8-9.

The group is expecting more than 200 entries at this year's show. Reports are that the crop in Eastland and adjoining counties will be above the average, especially the thin-shelled varieties.

It is not necessary for exhibitors to have a pecan orchard to enter the show. It is open to everyone, even if you have only one tree. Only one entry from each person is allowed for the thin-shelled varieties, but each can enter as many natives as they choose.

W. J. Herrington, chairman of the local committee handling the show urges everyone in Ranger to have entries in the show. It takes just one quart for each entry and if your entry fails to place in the show the nuts will be returned to you.

Lone Star Replacing Gas Lines

Lone Star Gas Co. will begin Monday replacing a gas line which runs across West Main St. (Highway 80) in the 200 block.

The project isn't expected to take too long. A. G. Goldston, Lone Star manager here, said, and is part of an extended replacement program now underway by the company.

This past week an old four-inch line was dug up in the alley which bisects the block between Lamar and Mulberry Sts. It was replaced with modern welded-joint, mill-wrapped four-inch pipe.

The line will extend across West Main St. from the alley exit, and then turn west for the remainder of the block in front of the Village Hotel.

Yarborough Construction Co. is contractor for the job.

Chevrolet—

(Continued from page One)

consolidation in 1910 and immediately was looking for a new vehicle with which he could regain power in the automotive industry. To this end, he organized the Chevrolet Motor Company which was incorporated on Nov. 3, 1911.

To design a car for his new company, Durant hired Louis Chevrolet, one of three French brothers who had gained worldwide fame as race drivers. Chevrolet spent two years designing a car which, with some styling modifications, was put into production in 1912 but received limited public acceptance.

Even before his 1911 experimental model had been put into production, however, Louis Chevrolet left the company to return to his first love, of racing.

The first Chevrolet plant was a small barn-like garage on West Grand Boulevard in Detroit. With employment of a few hundred people, the plant turned out 2,999 cars during its first year of operation in 1912.

The year 1913 began a period of accelerating popularity for Chevrolet cars and expansion of plant facilities to accommodate the increasing demand.

During the same year, Durant merged Chevrolet with the Little Motor Car Company of Flint and moved his Detroit operations to the Flint Wagon Works. A second assembly plant was also leased in New York City in 1913.

Main reason for the increasing customer demand was the introduction of two new models called the Baby Grand touring car and the Royal Mail roadster which replaced the original 1912 car. These new models met with strong public approval and production jumped to 5,987 units in 1913 and to 13,292 in 1915.

During its first five years of operation, Chevrolet was competing in a market just above the low-price class. But in 1916, with the introduction of the famous "490" model—so named because of its price—Chevrolet made its first important bid for volume sales in the American mass market.

Currently, Chevrolet holds the industry record for number of cars and trucks built by a company during a year (2,267,612 in 1960). It also holds the industry record for most passenger cars built during a year by one company (1,873,98 in 1960) and most trucks (494,573 in 1960).

During its 50-year history, Chevrolet has built more than 45 million cars and trucks for both domestic and foreign distribution. It took Chevrolet nearly 12 years to produce its first million vehicles. Today it takes about 5-1/2 months of regular operations.

Vasarette Varieties

Halloween is over, so we can begin to concentrate on Thanksgiving—then Christmas.

Do you realize there are only about forty-one shopping days left until Christmas?

While you are filing those long gift lists, we would appreciate it if you would slip a lovely Hollywood-Vasarette Bra into Janes or Cousin Ruth's stocking.

We know they would be delighted in the color, styles and fit. Of course, these garments are found in all your better stores. At least, we hope they are.

Visiting in the home of Mrs. Ima Jordan this past week were her son and several of her brothers and sisters.

They were Mr. and Mrs. Roy Jordan and son of Dumas, Texas, Mrs. Nina Slaton of Wood River, Illinois, Fayer Drew of Midland, and Earnest Skinner and family of Lubbock.

Ora Mae Jordan made a trip to De Redder, La. this past weekend to move her daughter-in-law, Melva, and daughter there.

Melva's husband Sp. 4 Otis Ray Jordan is stationed at Fort Polk, La.

Melva's new address is 307 N. Stewart St. Sp. 4 Otis Roy Jordan is now stationed with the Ranger unit of Service, Battery 3rd RKT, How 132nd, Arty Armored Division.

Ora Mae reported to Johnnie Johnson that her son, Sp. 4 James Earl has improved after becoming ill en route to Fort Polk.

James was confined to his quarters for several days.

Bess and Doc Justice entertained the Munsingwear Bowlers (that's us) in their home this week after our weekly bout with the pins.

Coffee, cold drinks, and a variety of cookies were served to approximately thirty guests.

Hazel Tackett, captain of Team 3, presented the Men's Team 5 with their trophies during the evening. They were: Nolen DeFord, Chester Dooley, Roy Dooly, Roy Tackett and Olen Crenshaw.

This week's bowling results were:

Team 1—1535	High Score	Women
Team 2—1418	Danny Young	Ruby L. Jackson
Team 3—1409	Mike George	Margaret DeFord
Team 4—1384	Nolen DeFord	Suggie George
Team 5—1184		
Team 6—1107

Six HD Clubs Represented At Annual Achievement Day

Approximately 200 attended the annual achievement day held by the home demonstration clubs of Eastland County. The achievements of the past year were displayed in the annex of the First Christian Church Wednesday morning.

The Achievement Day opened with coffee being served to the public and a bake sale.

Honored guests at the luncheon included Judge and Mrs. John Hart, Scott Bailey, J. M. Cooper, Mr. and Mrs. Roger Blackmon, Miss Melba Hohertz and Mrs. Sandra Shelton.

Seven home demonstration clubs were represented in the Achievement Day activities. The seven clubs of the county are the Flatwood Club, Lake Cisco, Morton Valley, Nimrod, North Star, Pleasant Hill and Word.

Winners in the Achievement Day exhibits were the following: Educational—Morton Valley first place with a selection of furniture. Lake Cisco, second, with meals from the freezer. Flatwood, third, with outdoor meals.

Aprons—Mrs. C. W. Maze, Ward, first place. Mrs. S. M. Short, Word, second place, and Mrs. Lon Horn, Flatwood, third place.

Cookies—Mrs. Johnny Laughlin, Flatwood, first place. Mrs. Tucker, Pleasant Hill, second place, and Mrs. Joe Bond, Morton Valley, third place.

Crafts—Mrs. George Fox, Morton Valley, first place with a crocheted handkerchief. Mrs. H. C. Pounds, Morton Valley, second with a crocheted bedspread and Mrs. Dick Yielding, Flatwood, third with a picture.

Scrapbook—Flatwood, first. Morton Valley, second and Word third place.

The North Star club won for having the most new members. They had nine new members during the year.

Judging the exhibits were Mrs. Art Johnson and Miss Loretta Morris.

A council meeting immediately followed the judging with 56 attending. The meeting was called to order and opened with the club motto, pledge and prayer. Roll call was answered by 12 delegates representing six clubs and 44 visitors. Minutes were read and approved followed by the discussion of all old and new business. The meeting was then adjourned.

VOTERS' CHOICES:

When the voters of the Eastland Independent School District go to the polls Tuesday, November 14th, it appears that they will have one of three choices to make.

The first of three would be to ignore the warnings formally issued by the Accreditation Division of the Texas Education Agency relative to the operation of the Negro system, and face the prospect of eventually losing school accreditation along with a major portion of the state financial assistance.

A look at the current operational budget for the system reveals that approximately seventy cents out of every dollar expended comes from state and federal sources.

Withdrawal of such financial support would be a crippling blow to the operation of the local system, to say nothing of the accredited status.

The second choice would be to bring facilities, and the instructional program in the Negro system up to standards prescribed by the state for a 12 grade system.

This would necessitate the employment of from three to five

additional teachers at a cost of from twelve to twenty thousand dollars each year, plus the cost of additional classrooms and equipment.

It has been estimated that buildings necessary to house the 12 grade system would cost from \$100,000 to \$150,000.

This would, of necessity, be financed through the issuance of bonds after voters had approved such a move. The additional expense of buildings and salaries would be provided completely through the local program of taxation.

The third choice would be to admit negroes to the white schools, and this is the proposition that will be submitted to the voters on November 14th.

Using current enrollment as a basis, it is estimated that about 35 Eastland Negro students would eventually be admitted to the twelve grade white system.

At the present time, Negro students are transferred to Eastland from adjoining districts.

If the voters of the Eastland approve intergration of the system, Negro transfer students would not be accepted from other districts. Failure to approve the plan of intergration would place the local school board in the position of accepting one of the first two choices listed, along with raising the additional revenue on a local level.

President of RJC Exes Announces Homecoming

Gene V. Rhodes of Eastland, President of the Ranger Junior College Ex-Students Association, announces that plans are progressing well in preparation for the 1961 Home-Coming at the college Nov. 11.

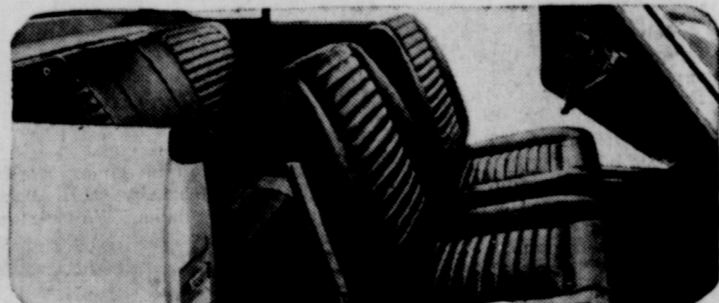

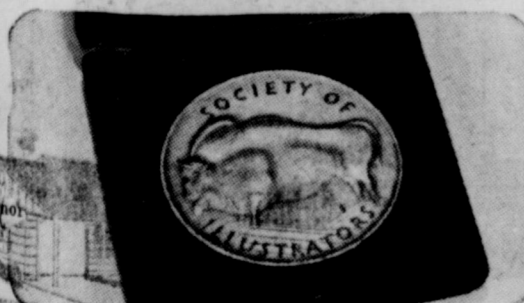

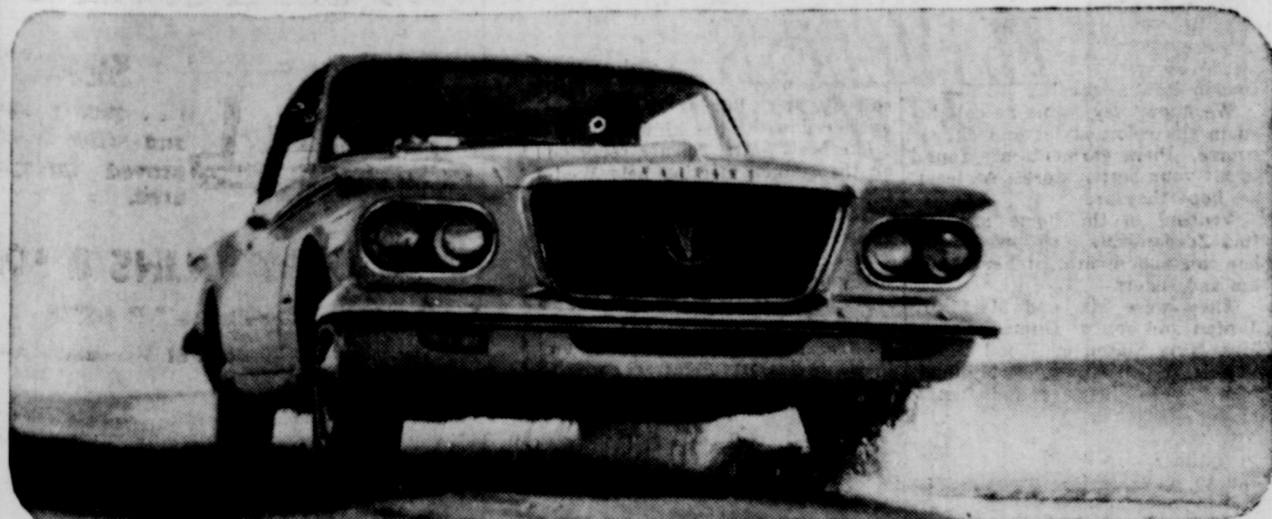

Events of the day will be the parade in the afternoon, the barbecue on the campus after the parade, the football game between Navarro Junior College and Ranger Junior College in the evening, and a dance after the game for students and Exes.

Highlights of the day will be the crowning of the Coming-Home Queen during half-time ceremonies of the football game.

Added attractions will be entertainment by the Ranger Junior College Rangeans, the Ranger Ranger High School Band, and the Farmers Branch Bomberettes, a precision drill team of girls of elementary school age.

The one low-price compact that's every bit as lively as it looks—Valiant '62!

You're looking at the sports-loving compact car given an award of merit by the Society of Illustrators for design excellence! Come see it!

Unlike some compacts, Valiant will take off like a scared kitten at the drop of a "Scat!" You'd have to pay extra for an optional engine in most any other compact at Valiant's price to match Valiant's standard 101-hp Economy Six.

A modified version of this engine shot Valiant to victory over all American compacts competing in the 1960 and '61 Daytona Beach compact car competitions! Yet, for all its go, Valiant puts plenty of care-free miles between gas pumps. A Valiant scored 26.13 mpg in the last Mobilgas Economy Run!

And this new Valiant has the distinctive good looks to match its gumption. America's most famous artists recently honored the 1962 Valiant. For the first time in seven years, the Awards Committee of the Society of Illustrators has bestowed its coveted citation on a car—Valiant!

That's even more proof that the 1962 Valiant is indeed the Style Leader of the Compacts!

For looks and liveliness, you just can't match Valiant at Valiant's low initial price! And this year's Valiant offers a bundle of economy extras. Like half-as-often oil changes and almost-never 32,000-mile lubrication on major chassis points. See your Plymouth-Valiant dealer. Drive the low-price compact that's quality-engineered by Chrysler Corporation. Find out why...

Nobody beats VALIANT for value!

PROGRAM PRESENTED TO MUSIC STUDY CLUB MEMBERS MONDAY

A program entitled "What To Listen for in Music" was presented to members of the Eastland Music Study Club Monday at 9:30 a.m. in the Woman's Club.

Leader, Mrs. Griffin Hart, introduced Mrs. Grady Pipkin, who sang the hymn "Let us with a Glad Song Praise Thee."
Moderator, Mrs. T. E. Richardson, discussed in an interesting and understanding method chapters on "How We Listen" and "Tone Color" while Mrs. A. F. Taylor and Mrs. Donald L. Kinnaird Sr. discussed and illustrated on piano melody and harmony, both of which were excellently performed.

The business session followed.

presided over by the club president, Mrs. J. H. Lee. Usual routine reports were given completely.

Upon arrival, guests were served hot coffee and hot tea with doughnuts which were served from a table decorated in the Thanksgiving motif.

Hostesses included Meses. Frank N. Sayre, Mike George and Miss Marjorie van Hoose.

Members present were the following: Meses. Clara Cockrill, Varge Daniel, Mike George, Griffin Hart, H. M. Hart, Phillips W. Hewett, Donald L. Kinnaird Sr., J. H. Lee, Grady Pipkin, Don Parker, T. E. Richardson, Don Russell, Frank N. Sayre, A. F. Taylor, Miss Edna Stripe and Miss Marjorie van Hoose.

WMU YEARBOOK TAUGHT AT JOINT MEET MONDAY

Members of the Bethel Baptist Womens Missionary Union hosted the Mangum and the Harmony W.M.U. members Monday at 7 p.m. at which time the Yearbook was taught by Mrs. V. O. Bosworth.

Mrs. Tom Clark, Bethel W.M.U. president, presided over the meeting. She welcomed the visitors and introduced Mrs. V. O. Bosworth of the East Side Baptist Church in Cisco. Mrs. Bosworth is also the W.M.U. president of the Cisco Baptist Association.

Mrs. Bosworth presented a corsage from the Bethel W.M.U. after which she led the opening prayer, immediately followed by the yearbook taught to the three unions present.

Refreshments of coffee and cookies were served to those attending. The coffee was furnished by the Mangum group and members of the Harmony union baked the cookies.

Members of the Mangum Union attending were Meses. B. A. May,

Frank Wood, Myrtle Biles, Mattie Donelson, Juline Casey, Rachel Clower, J. L. Hogan, J. A. Brown, Odell Tucker, Floyd McBee, Becky Murphy, E. R. Wood and L. A. Harbin.

Attending from the Harmony group were Meses. Williams Penland, J. C. Tankersley, Charles Walton Jr., Richard Fletcher, Edison Watson, and T. L. Wheat.

Members of the hostess group attending were Meses. Jimmy Roberts, Tom Clark, J. L. Pittman, H. S. Curtis, J. T. Gregory, Curt Williams, Marcus O'Neil, Jimmy Stevens, L. C. Brown, Connally Tibbs, L. A. Bennett, J. C. Allison and the guest speaker, Mrs. V. O. Bosworth.

Eastland Couple Returns From Colorado Visit

Mr and Mrs. Harry Wood of 111 E. Sadosa returned home Monday following a monthly visit with their daughter and family, Mr. and Mrs. Wallace M. Parker, who have recently moved from Denton to Carbondale, Colo. Parker is principal of the elementary and junior high schools in Bassalt, Colo.

While in Colorado, the Woods enjoyed many interesting sights, some of which were Colorado Springs, Redstone, Marble and in Aspen, where they visited the Maroon Bells, outstanding ski resort. Tourists from all over the world are attracted to this ski resort.

They also spent some time in Leadville, Colo. where they visited many different museums.

Enroute to Eastland they visited in Salina, Kansas with their son, and family, Glen D. Wood. While in Kansas, they visited Dwight D. Eisenhower's boyhood home and the Eisenhower Museum, both in Abilene, Kansas.

First Christian Fall Convention At Brownwood

Thirty to forty delegates of the First Christian Church are expected to attend the district convention at Lake Brownwood's Christian Retreat Grounds Sunday.

Some 350 delegates, representing about 18 area churches, are usually present for this meeting, Rev. Heckendorn said Thursday.

Beginning at 9:00 p.m., the meeting will last through the regular Sunday evening service.

Programs are planned for Christian Men and Women's Fellowship as well as for the youth. During the evening worship hour, the youth will be in charge of the communion service.

Monthly Meeting, WMU Program Set For Tuesday

The monthly business meeting and Royal Service Program of the Woman's Missionary Union of the First Baptist Church will be held Tuesday at 9:30 a.m. at the church.

Mrs. A. G. Goldston will preside over the business meeting followed by a program on Indonesia, France and Portugal to be given by Mrs. H. H. Hart.

Pioneer Club To Attend Covered Dish Luncheon

Members of the Pioneer Club will meet Thursday in the home of Mrs. Mae Harrison for a covered dish luncheon at 12 noon.

Each member is asked to bring a place setting and a covered dish.

Music Study Club To Sponsor Game Tourny Thursday

The Eastland Music Study Club will sponsor a benefit game tournament Thursday at 7 p.m. in the Woman's Club.

Proceeds from the tournament will go into the carpet fund for the clubhouse floor.

Games of bridge, "84", Canast, "42" and dominoes will be held throughout the evening.

Members of the Study Club cordially invited the public to attend.

TU Seniors Are Entertained At Halloween Party

Members of the senior Training Union department of the First Baptist Church were entertained with a Halloween party held Saturday night in the Fellowship Hall of the church under the leadership of Mr. and Mrs. Joe Ingram.

Those present enjoyed the house of horrors, apple snapping, other games and refreshments.

Attending were Gary Graham, Tommy Freeman, Norman Rhodes, Anna Smith, Janis Dendy, Ray Edwards, Gayle Mace, Janie Harris, Larry Goldston, Carol Walter, Shirley Smith J. D. Ables, Terry
