A GOOD MANY men will tell you that one of the nicest things that has happened to Cisco in the past few months is the weekly Wednesday morning Laymen's Devotional, a 15-minute gathering of business and professional men at the bank's community conference room. Starting at 7:30 a.m., there is a song and a prayer followed by a very brief talk by a layman. This is followed by another prayer and the men are on their way to work in time to arrive at their desks by 8 a.m.

Those who wish remain behind for a few minutes for coffee and doughnuts provided by the bank. As many as 50 men have attended these weekly gatherings, which are characterized by their informality and good fellowship. Laymen are in charge of all parts of the service.

One man said he enjoyed the services because of the opportunity to practice Christian principles during business hours afterwards. Another noted that "we need religious meditation to help maintain a proper set of values in these very confusing and complicated times."

EVEN WE newspaper folks who tend to believe that there is no substitute for newspaper advertising applauded the weekly theater program that Mr. Bill Samuels mailed out Monday for the Majestic Theater. It contained a fine map of Eastland County that showed all of the towns, roads, railroads and so forth.

Written under the map was this: "A community is like a good football team... they must work together and all toward that goal line. To have a good progressive community all must work together, forget personal profit. Unselfish effort is the MUST. A community is just as good as the people who live in it... Let's all work together toward a big and better

Eastland County... Analyze your own effort before you criticize your neighbor."

SPEAKING OF football teams, we drove down Austin way last Saturday to look while the University of Texas played Baylor University. And we can't remember seeing a football team demonstrate more real power than the Longhorns. They seem destined to go through the season undefeated.

The half-time show was very entertaining, with performances by both the UofT and the Baylor bands. Baylor has twin girls as twirlers and they're real good... The UofT student cheering section uses cards to express greetings and show pictures very effectively.

Saw the memorial that was dedicated Sunday to veterans of World War I. It stands back of the capitol building in a prominent spot... Saw Mr. H. R. Garrett of Eastland and the Crigler Paschalls, the O. A. Nances, and Mr. Bill Seabourn. Miss Carolyn Fox, of Cisco, the 17th district sweetheart, was there to be on the program.

RAN INTO Mr. Paul Brashear, former member of the Legislature from Eastland County, in Austin. He has just joined the staff of the Texas Game Commission and will be concerned primarily with public relations.

Understand Paul has a very responsible position and he has a fine background and a wealth of experience to be highly qualified for the new connection. His friends will be pleased to know about his new position, we are sure.

WE ARE INDEBTED to Mrs. Charles S. Sandler, well known Ciscoan, for a helpful suggestion on how to manage a paper napkin at bargecue and dinners where they give you a plate full of food and a paper napkin.

You tie a knot in one corner of the napkin and put it in your shirt pocket or in your shirt front just below your neck. And the knot will make it stay put. Mrs. Sandler confessed that this was not new with her. She saw her daughter prepare napkins like that for the Sandler grandchildren.

Try it next time you get a paper napkin. It works better than any other arrangement we ever tried.

### Green Acres Home Scene of Wedding

The lobby of the Green Acres Nursing Home in Eastland was the scene of the wedding of Patsy Tate and William Hensley Sunday afternoon at 2:00 p.m.

The bride is the daughter of Mr. and Mrs. Clyde Custer of Cisco, and the groom's parents are the late Mr. and Mrs. William Hensley of Knoxville, Tennessee.

Vows were read by the Rev. W. F. Fisher pastor of the First Methodist Church.

Mr. and Mrs. LeLand Miller of Eastland served as attendants for the ceremony. Mr. Miller is assistant manager of the home.

The bride wore a white two piece suit of pique with white accessories. Her corsage was of pale pink accented with white pearls.

The mother of the bride wore a gray suit with accessories in a darker shade of gray.

About 45 were present at the wedding. This number included about 25 patients and workers in the home and 20 other guests.

Patsy had been living in Cisco with her parents before the wedding. She attended Cisco High School.

William lived in Eastland before the marriage. Both are nurses at Green Acres Nursing Home where the wedding was performed.

The couple will be at home in Eastland at 704 West Commerce Street.

A reception also in the lobby of the home, followed the ceremony.

A four-tiered white wedding cake decorated with pink roses, and punch were served guests from a table accented with pink roses.

Gifts from patients and other guests were opened from the table at the reception.

Those assisting with the reception were Miss June Bunch, Mrs. Jack Anderson, Miss Belinda Whittec.

### Humphreys Named To Honor Society

Clinton Ray and Nancy Beck Humphreys of Eastland, were among the 22 students from Sul Ross State College who have been elected to "Who's Who Among Students in American Universities and Colleges."

Mrs. Humphreys is the daughter of Mr. and Mrs. Raymond Beck of Eastland.

**SPECIAL KITCHEN CARE TIP FOR ROASTING**

After using your mixer, wash metal bowls, beaters, whips and attachments thoroughly in a strong detergent solution and give them a good rinsing. An accumulation of oil or detergent can seriously affect results, especially when beating egg whites or whipping cream.

When roasting a piece of meat in the oven, use a rack in the your roasting pan. This allows the heat to circulate around the meat and the meat won't be soggy.

IMPERIAL OF 1962
A forthright challenge to everyone who plans to buy a luxury car this year
In a few days, you will receive a personal invitation to drive a 1962 Imperial. Not the usual vague "see your dealer" . . . but a specific challenge to compare your own car with the best Imperial we've ever built.
At your convenience, a dealer in your area will deliver a 1962 Imperial to you . . . for a thorough comparison-tour that you conduct by yourself.
We believe anyone planning to invest from five to seven thousand dollars in an automobile is entitled to the unembroidered facts right from the car itself.
Naturally, our dealers explain the advantages of torsion-bar suspension . . . tell you how the alternator supplies current even while the engine idles . . . quote engineering data on the superior performance of our new transmission . . . and answer any other question you ask about Imperial.
But you can find out only so much about Imperial by mere listening. To give the facts substance and meaning you must drive and compare.
So, when our invitation arrives, take us up on it. It obligates you not at all. And whether you eventually buy an Imperial or not, you'll never forget that once you drove a car which handled and accelerated and thrilled as a great car is supposed to.
R.S.V.P. Even though our invitation may somehow miss you, an Imperial comparison-tour may easily be arranged by writing on your letterhead to: General Manager, Imperial Division, 12200 East Jefferson, Detroit, Michigan.

### Las Leales Talk Americanism

Las Leales met Monday, November 6, at 7:30 p.m. for a patriotic program, Americans, All.

Mrs. Smith, club president, presented Mrs. Caton, hostess for the evening, who introduced the program with the quotation, "A great man is what he is because he was what he was."

In "Out of Yesterday" Mrs. Cooper characterized a group of heroes from the book, "Unforgettable Americans," by the able historian, Allan Nevins, spanning the years from the days of exploration to the present. Her succinct remarks underlined the significance of our heritage.

Mrs. Richardson then presented "Into Tomorrow" in an inspiring, optimistic reading, using as background a beautiful mural depicting against the deep azure of a star-studded sky, both a rocket to the moon and the dove of peace.

Her closing words, a tribute to the essential greatness of this land of ours and its people, were given to the piano accompaniment of "America," played softly by Mrs. Young. The tribute ended on a note of religious faith and confidence.

### Farm-City Week, Nov. 17-23

Special weeks, ranging from the sublime to the ridiculous, come and go with the turning of the calendar, most of them drawing no more notice than the turning of that calendar page.

From time to time a specially-designated week comes along that is worthy of closer examination, even an extra effort to make it a week of special significance. Such a week is National Farm-City Week, Nov. 17-23.

This is a time when friends and neighbors on both sides of the fence — the city-dwellers and farmers and ranchers — can get together, air their problems and learn and respect their individual aims and goals. Agriculture remains an integ-

ral part of our area's economy and with the mass of information and misinformation we all receive about both our rural and urban populations, there are a few facts worth remembering about this nation's agricultural economy.

Less than 10 per cent of the population is now actively engaged in agriculture. Yet this 10 per cent produces sufficient food and fiber to meet the demands of an exploding population, and in some instances a considerable surplus.

This enables the remaining 90 per cent of the nation's working force to turn to other industries, which in turn has enabled this nation to produce the highest standard of living, with the healthiest and best-clothed

population, the world has ever known.

So before we criticize the farmer or the rancher too severely for the problems of surplus crops piling up in the nation's storehouses, let us remember that if it were not for the industry and the know-how of the American farmer and rancher, our way of life and our standard of living might well be much closer to the level of many of the less fortunate people in the world, too many of which go through life hungry because they lack the ingenuity and industry of the American farmer and rancher.

Rev. Lee Fields of Carbon officiated at the double ring ceremony, performed beneath an archway of greenery with red and white carnations.

Given in marriage by her brothers, Harold Dean and Jimmy Dale Hendricks, both of Cisco, the bride wore a Waltz length dress of white lace over bridal satin.

The dress, accented by a scalloped Sabrina neckline and scalloped hemline, featured a billowing skirt. The fitted bodice dropped to a V in the front and back and was accented with seed pearls. Her fingertip veil fell from a crown of seed pearls. She carried white carnations atop a white

Miss Carolyn Collins was the bride's maid of honor. She wore a red velveteen dress with a bouffant skirt. White accessories and carnations complemented her attire.

For her daughter's wedding, Mrs. Hendricks wore a pale blue two piece dress with a white carnation corsage.

The groom's mother chose a pearl grey suit and also wore white carnations.

The reception immediately following the ceremony was held in the home of the bride's mother.

Miss Sylvia Hendricks of Gorman registered guests in the white bridal book. Serving the red and white three tiered wedding cake and punch were Mrs. Jerry Hallmark of Abilene, Mrs. Kenneth Watson and Mrs. Leonard Bledsoe, both of Eastland.

For her going-away outfit, the bride chose a red wool - jersey

sheath dress with black patent and the white carnations from her accessories — a black feather hat bouquet.
