

COVERING EASTLAND COUNTY

EASTLAND, TEXAS, THURSDAY, FEBRUARY 8, 1962

PRICE 10c

Pros and Cons Will Be Discussed Here Tonight!

Public Meeting At 7 At EHS Auditorium

School consolidation! This phrase has become a thorn in the sides for many and the symbol of a near crusade for others, in this county in the past two years.

Trustee Election Set; 3 Encumbents Will Run

An Eastland Independent School District trustee election has been called for Saturday April 7th, and the three members whose terms expire this year have announced that they will seek re-election.

The election was called by the board during a meeting Tuesday

SCOTT BAILEY runs in new district

Rep. Scott Bailey Announces for New District Post

Rep. Scott Bailey of Cisco, who is completing his first term as state representative of this district, has announced that he will be a candidate for election as representative for the recently-formed District 63.

Horton Installs New Tire Machine

Horton Tire Service of Eastland has announced the addition of another machine that completes the necessary equipment for making perfectly round and balanced tires, according to an announcement by Horace Horton.

The new machine uses a novel method to trim off high spots on out-of-round tires, changing them back to perfectly round tires, Mr. Horton said.

Grand Jury Files Burglary Count

One indictment for burglary was returned by a 91st District Court grand jury, which recessed in mid-afternoon Tuesday.

PRESENTS PETITION—Mrs. Joseph M. Perkins, chairman of the Better Education Committee, presents County Judge John Hart a petition to call a school consolidation election. (Photo by A&C Studio)

Girls 'B' Closes With No Losses

Though perhaps overshadowed by the glory of their "A" team contemporaries, the Eastland High School girls "B" team has racked up an impressive, defeatless season.

They've beaten teams from Cisco, Gorman and Olden. Playing for the second team were:

Forwards: Sharon Day, Gail Mace, Janice Harris and Shella Saeed, all sophomores; Guards: Elaine Berger, Judy Phillips and Janice Beck, all freshmen; and Sharon Kay Wilson, sophomore.

Glen Estes Completes Army QM School

Army 1st Lt. Glen A. Estes, 24, son of Mr. and Mrs. Loyd O. Estes, Ranger, completed the installation stock control and supply procedures course at the Quartermaster School, Fort Lee, Va., Jan. 26.

Lieutenant Estes was trained in Quartermaster stock control and accounting procedures at post, camp and station level.

He entered the Army in January 1960. The lieutenant is a 1955 graduate of Athens High School and a 1959 graduate of A&M College of Texas, College Station. Before entering the Army he was employed by Jones & Laughlin Supply Division in Casper, Wyo.

Consolidation Election Could Be Held In March

A petition asking for an election to vote on the consolidation of six Eastland County school districts has been sent to the Texas Education Commission for approval.

The petition, bearing 271 names, was presented to County Judge John Hart Tuesday, by Mrs. Joseph Perkins, chairman of the Six-District Better Education Committee.

After receiving the petition, Judge Hart turned it over to County School Superintendent H. R. (Pop) Garrett to mail to the state office.

If the petition is found to be in order in Austin, it will be returned and Judge Hart will, within 20 days after its return, announce a date on which the election will be held.

Accompanying Mrs. Perkins Tuesday in the presentation of the petition was Dr. James Whittington, Eastland physician, who has been the most ardent backer of the consolidation move.

If the consolidation election were to carry, it would mean that the districts of Eastland, Ranger, Olden, Carbon, Gorman and Desdemona would be joined together into one district.

Backers of the plan propose that elementary schools be left at each of the two towns, with a new junior-senior high school plant to be built in the Lake Leon area. One junior high school would also be put in the present Pangee facilities, according to the plan.

County Clerk Johnson Smith verified the names on the petition as being qualified.

Lawrence Parker New RJC Assistant Coach

Ranger Junior College announces the addition of Lawrence (Ace) Parker to the coaching staff of the college. Parker will be track coach and assistant football coach.

A 1953 graduate of the University of Texas, he holds a Bachelor of Science degree with a major in physical education and minors in social science and science. He has had nine years' teaching and coaching experience in schools in Griffin Springs, Orange, South San Antonio, and Ingleside, where he was coaching prior to coming to Ranger. In addition to coaching, he will be an instructor in physical education and social science at Ranger Junior College.

Parker is married and has three children, Johnnie, 13, Vicki, 12, and Terri, 6. His family will join him in Ranger later in the spring.

Final Rites Held For Mrs. Roxanne Barton Saturday

Funeral services were held for Mrs. Roxanne Barton of Carbon Saturday afternoon at 3:30 in the Hamner Funeral Home Chapel.

Rev. Lee Fields of Carbon officiated the services with interment in the Eastland Cemetery under the direction of Hamner Funeral Home.

Mrs. Barton, a longtime resident of Carbon, died Thursday, Feb. 1, in Pasadena, Tex.

MAKING CONVENTION PLANS—These women were among the dozen who met in Eastland Monday to map plans for the First District P-TA Conference to be held here April 12th, which is expected to attract approximately 600 delegates from the 16-county district.

The 'Push' Is Now On To Oust the Screwworm

Stockmen and sportsmen of Texas and the Southwest have been requested by the Southwest Animal Research Foundation to "pull all stops" immediately in their drive to control and possibly eliminate the costly screwworm.

Henry Fry of Cisco, chairman of the Eastland County Screwworm Control Program Committee, said he had been advised by the Foundation's Board of Trustees that the long-sought goal of a screwworm-free Southwest would be a possibility for 1962 if full advantage is taken of the hard freeze of two weeks ago which dealt the flesh-eating parasite a very crippling blow.

Chairman Fry added that if the \$3 million voluntary contribution goal of the drive is reached within the next two or three weeks, they would expect estimated savings during the next two years of \$200 million from screwworm damage and treatment costs and a reduction of up to 50 percent in the cost of the eradication program.

These savings alone, he said, make a stepped-up effort most worthwhile, but more important—wouldn't it be a wonderful feeling to know that with the return of warm weather we wouldn't be spending time and money fighting the age-old battle against our most costly stock and wildlife pest? We are so close now to success that any slow down could set us back indefinitely and lose for us the advantage gained from the hard freeze, he added.

Chairman Fry said the Foundation Trustees are moving forward with their plans to get the male-sterile fly release program underway within the next few days. They have also notified all

county chairmen of a statewide kickoff meeting for February 14. The meeting will be held in Austin and representatives from every county will be urged to attend. Details will be announced later but it is hoped the fund drive will be over the top by the date of the meeting.

Reports from 120 counties show that more than half a million dollars is now on deposit at banks in these counties. Organizations are now functioning in 212 counties. Too much is at stake, Chairman Fry said, to slow down now and he urged a redoubling of efforts by all drive participants.

Errors Fewer In Tax Reports To Revenue Service

DALLAS—Every year there's a decrease in the number of errors discovered in federal income tax returns. Ellis Campbell, Jr., district director of Internal Revenue for the Dallas District, said today.

But, he added, many mistakes continue to pop up, sometimes in the oddest places, in individual income tax returns. "I'm not advocating any particular method of checking or rechecking a return," the IRS representative declared.

"I would suggest, though, that the return be checked immediately on completion, put aside for two or three days, and then rechecked. Frequently taxpayers find an error which didn't show up at first look."

"By beginning now to prepare their returns," he added, "taxpayers will be able to give themselves a breathing spell in which to take an objective look at their work."

No Fatalities Reported On County Highways

No fatalities were reported on Eastland County Highways during the month of January, according to State Patrolman, Sgt. J. O. Tanner. This does not include accidents within city limits.

A total of 10 accidents occurred during January with three persons injured. Of the 10 reported, eight included property damage accidents. Total property damage for January was \$7,620.

TOM CREIGHTON seeks re-election

Creighton Announces For Senator

Senator Tom Creighton Wells, has announced he is running for Senator in the Senatorial District of Callahan, Clay, Denham, Montague, Parker, Stephens, and

Creighton recently was named chairman of the Election Committee, which has charge of the modernization of the Texas Elect-

Creighton's formal announcement will appear at a later date in this newspaper.

Services Saturday T. Tolbert

Services were held at 3 p.m. in Satterwhite Chapel Breckenridge for the funeral of (Dick) Tolbert, Thursday in Artesian, he was visiting.

Funeral services with interment in Breckenridge Cemetery were held for the late Mr. and Mrs. W. H. (Chick) Tolbert, who died in the oil boom in 1919.

He moved to Breckenridge in 1940 where he continued to live as an independent contractor.

Survivors include his wife; three sons, Frank Craft and two others.

GAMES LEFT Mavericks Eye District Championship

The Mavericks basketball team will play in the district championship game against the Cross Plains team Tuesday night.

The Mavericks won their 48-29 win over the Cross Plains girls, the local girls won an 8-0 district championship.

The Mavericks boy's team, carried over from the district play, will play the Cross Plains team Tuesday night.

The girls have two big games before they claim the district championship.

At a contest from Santa Fe Tuesday night in the local gym, the Mavericks won 46-24 the girls' game.

One that has the girls' eyes is the season closer, Clyde next Tuesday against a foreign court.

Headed by Clyde 52-47, the Mavericks went down to

Mavericks Eye District Championship With Win Over Cross Plains Tuesday

defeat again Tuesday night, bowing to Cross Plains on their own hardwood, 53-26. Although playing much better in most respects, the Mavericks could not get their shots to fall, shooting about 25%.

The 10-A leaders had well balanced scoring, with Doug Dallas leading them with 16.

The Mav scoring was distributed also, but there wasn't much to be distributed. Terry Treadwell led Eastland Scoring with 11, followed by Joe Russell, 6; Tommy Beck, 4; Jimmy Moylan, 3; and Bob O'Steen, 2.

The Mavericks won their 8th district championship. (Continued on page four)

IN PAST DECADE

County Crashes Claim 75 Lives, \$2 Million

Traffic accidents on Eastland County's roads and highways accounted for 75 deaths and almost two million dollars property damage in the past ten years.

The amount of property damage for the ten years, 1952 through 1961, stood at \$1,867,290—equal to almost \$100 per person in the County.

According to information by the Department of Public Safety Sgt. J. O. Tanner, there were 691 persons injured in 393 accidents during the period.

In all, there were 1,209 accidents with 1959 the heaviest year with 150. There were 82 persons injured that year, with property damage reported at \$110,134.00.

The most number of deaths were recorded in 1958 when 14 people died as the result of crashes within the bounds of this county.

The year '54 appeared to be the better of the lot, with "only" 96 accidents reported, three deaths and 45 injuries.

Table with 7 columns: Year, Fatal Acc., P.I. Acc., P.D. Acc., Total Acc., Persons Inj., Prop. Damage. Rows for years 1952-1961 and a TOTAL row.

Publisher's REPORT
• People and Things
• News and Views
by JWS

IF YOU'VE noticed Highway 80 west of Eastland lately you already know that 100 trees were recently planted there — 50 on each side of the road. They are redbud and memosa trees and they were planted by the Eastland Civic League in a project headed by Mrs. Frank Sayre. The young trees are being watered regularly and will be ready to begin growing when spring arrives. They'll make the entrance into Eastland noticeable for the many motorists.

The Eastland ladies, with their beautification activities, seem to be offering a challenge to all of us to follow their lead in making our county more attractive.

THE HIGHWAY folk are thinking in terms of eight to ten thousand motor vehicles per day on Highway 80, according to Mr. Buddy Hawn, the county highway engineer. The vehicle count has been around 5,000 per day for some time. In their planning for Interstate 20, the higher figure is being used.

There will probably be a hearing in Cisco, Eastland and Ranger before long regarding plans to by-pass the towns with the highway. This will give everyone an opportunity to have his say.

HIGHWAY OFFICIALS can't say when the by-pass route will be built, but evidence points to a delay of several years — perhaps as many as eight or ten. The improvement program from the Calahan County line into west Cisco will give the county four-lane traffic all the way across.

And there is so much of Highway 80 that doesn't have four

lanes that it seems reasonable that the Eastland County stretch will wait until improvements needed more are completed. For example, Highway 80 from the east Eastland County line to Weatherford is pretty bad and should, by all means, be fixed before our county re-routing program begins.

Traffic through the City of Weatherford should also be re-routed before they get back to Eastland County if you take the places where conditions are the worst.

We can see the value of being road warden eliminate a lot of service stations, drive-ins, and so forth. The people of places like Sweetwater and even Abilene will tell you that it hurts.

We can see the value being able to get through towns in a hurry if you're in a hurry. But we wonder if it's good business for taxpayers to build roads around themselves if it hurts their economic well being.

Every town in Eastland County has potential tourist attractions, and the time to develop them is here.

A NEW REPORT of the Texas Department of Public Welfare reports that Eastland County has 1,380 people drawing old age assistance. Other state aid figures are as follows:

Aid to dependent children, 25 families and 94 children; aid to the blind, 27 people; aid to the permanently and totally disabled, 27 people; family service aid, 10. A total of \$963,828 was paid in all assistance activities by the DPW in Eastland County last year. Pensions amounted to \$685,283.

The Eastland County Farm Bureau Board of Directors will meet tonight at 7:30 p.m. in the local Farm Bureau Office for their regular meeting. All directors are urged to attend and all members of the Farm Bureau are welcome.

WEEKEND VISITORS

Weekend visitors in the home of Mr. and Mrs. H. T. Weaver were their daughter and family. Captain and Mrs. Doug King and Leigh Ann of Bergton, Air Force Base, Austin; their son, Robert Jr. of Dallas; and Mrs. Weaver's sister and her husband, Mr. and Mrs. Clyde Sims of Stamford. Capt. and Mrs. King also visited in the home of his parents, Mr. and Mrs. H. L. King.

EASTLAND

As It Looks From Here

WASHINGTON, D. C.—Among the many measures occupying the attention of Congress is the proposal that the United States purchase \$100 million of a \$200 million United Nations bond issue.

When this idea was advanced last December, I warned our officials that it would have rough sledding in the Congress. This certainly appears to be the case.

It has always seemed advisable to offer alternatives to that which one opposes, if alternatives are available. In this instance, I think there are alternatives.

It was suggested to our top officials that since more than 80 of the 104 countries of the United Nations belong to the World Bank, that the World Bank might either underwrite or directly purchase United Nations bonds. It was pointed out that the Soviet Union and the Soviet Bloc nations do not belong to the World Bank or any other international lending

agency. The answer to this is that the Communist nations have already said they would not buy any of the bonds any way.

It was then pointed out that the going rate of interest of the World Bank was 5 1/4 per cent, and that the issue of United Nations bonds would carry only 2 per cent. The answer here, again, is that nations belonging to the World Bank would be borrowing their own money or having their own bonds underwritten.

There are many private foundations in this country which play a leading role in supporting the United Nations. It is, therefore, reasonable to expect that if these bonds were underwritten by one of the international lending institutions such as the World Bank, that several of the very wealthy foundations could be expected to invest in them.

It simply does not make sense that the United States Government should borrow money at the going rate of 3 per cent and invest the taxpayers' money in 2 per cent bonds to finance the United Nations.

Another issue which will soon have to be determined by the Congress is that of raising the limit on the public debt. The Finance Committees of both the House and the Senate are going to take a very careful look at the necessity for increasing the ceiling.

As a sidelight of this proposal, there appear to be some interesting statistics. During the past 15 years, or since World War II, the Federal Debt has increased about 12 per cent. By comparison, corporate debt has risen 210 per cent and State and local debt has risen 340 per cent. Individual debts have increased over-all by a staggering 375 per cent. All this is related to what is commonly referred to as the economic crisis as the gross national product. This simply means the gross volume of business transacted in the entire country.

When the proposal to create a Cabinet post of Urban Renewal hits the Congress, there will be considerable confusion as to procedures.

This measure will not be brought up for debate in the usual manner, but rather it will be approached in the negative. Since

Road Improvements Outlined At Public Meet Held In Cisco

Plans for the conversion of Highway 80 into Interstate 20 from the Callahan County line to the west Cisco city limits were outlined by County Engineer Buddy Haun at a public hearing Monday morning at the City Hall in Cisco.

Mr. Haun said the route would follow closely the present highway to the west edge of Cisco. It is from that point that plans call for the road to follow the old Base Line road south of Cisco, Eastland and Ranger when that section is eventually built.

Mr. Haun said there would be an inter-change at the intersection of the Scranton Road and Highway 80, just east of the Callahan line. The line near the Arch Bins home will be cut to level the road, and there will be no crossings or entry points there. Residents there will have to go back to the Scranton road or follow an access road east.

There will be a road-side park on each side of the highway about four miles west of town. These will be known as rest areas, Mr. Haun said.

The highway will end for the present with the two lanes con-

ing together at the intersection of Highway 569 — the Nimrod farm road south — and Highway 80.

Mr. Haun said the State Highway Department already has money for right-of-way that will be needed for the project. All of the right-of-way needed will be on the north side of the present highway, which will become the south access road.

E. M. Pritchard of Brownwood, the district engineer, was present and spoke briefly. He said they hoped to have money appropriated within a few months for construction work to begin.

He said that this particular stretch of Highway 80 needed attention badly.

John Arthur, the design engineer, and J. H. Kirby, the right-of-way engineer, were also in Cisco from the district office.

Several residents with homes or property along the route were present to ask questions. Some 25 persons attended the hearing.

Public hearings on Interstate 20 plans for by-passing Cisco, Eastland and Ranger will be held in the next few months, Mr. Pritchard indicated. Actual work on this phase of the highway, however, probably won't begin for five or more years, it has been pointed out.

PLANS NEARING COMPLETION FOR FEDERATION WORKSHOP HERE

More than 100 club women are expected in Cisco on Saturday, Feb. 3, when the Heart O' Texas District of the Texas Federation of Women's Clubs will hold a workshop at Cisco Junior College auditorium. Representatives of some 70 clubs from 32 towns in the district are expected.

The Cisco Federation of Women's Club and the Federated clubs of Cisco will serve as hostesses for the occasion. Mrs. E. L. Hazlewood is the local Federation president.

This affair will be one of the three highlights of the club year for members of the Texas Federation, the other two being the district convention at Junction May 8 and 9 and the state convention at San Antonio May 8-10.

The Workshop will begin at 9 p. m. with coffee and registration at the college. Mrs. E. J. Grindstaff of Ballinger, the first vice-president of the district, will preside over the business sessions. Registration will be in charge of Mesdames O. L. Stamey, Minnie Hill, Wallace McCarver and C. H. Brown.

The program will begin a 10 a. m. with Mrs. Raby Miller giving the opening prayer and Mrs. Buck Wallace leading the pledge of allegiance. Gene Abbott, president of the Chamber of Commerce, will give a welcome address with the response by Mrs. R. D. Burton.

Mrs. Grindstaff will direct the workshop, which will have "Life Around the World" as its theme. Answers to the question, "Does the Federation Meet Its Responsibilities through International Affairs?" will be sought.

Speakers will include Anukitel Kanistatuta of Bangkok, Thailand student at Cisco Junior College who will discuss "Foreign Youth Looks at America." Larry Milner, manager of the Chamber of Commerce here, will speak on "An American's Reflections While Traveling Abroad." He accompanied a group of college students to Europe a few years ago.

Miss Mollie Bierschwale of Mason, president of the Heart O' Texas district, will speak on "District Travels."

Besides the district officials, outstanding club women expected to attend include Mrs. A. T. Carleton of Houston, federated first vice president, who is a candidate for state president. She is a successful business woman who is prominent in Houston and the state.

Mrs. Hazlewood reported that the Cisco clubs were looking forward to an outstanding workshop. The visitors will hold a luncheon at the Lutheran Parish Hall.

Local clubs and their presidents in the federation include: Delphian Study Club, Mrs. Clyde Coats; Cisco Garden Club, Mrs. C. L. Webb; Cisco Music Study Club, Mrs. S. E. Hittson; Delta Kappa Gamma Society, Mrs. Charles Parker; First Industrial Arts Club, Mrs. T. C. Williams; Twentieth Century Club, Mrs. Hittson.

Drilling Begins In Offset To New Discovery Well

Low Drilling Company of Cisco was drilling at 710 feet early Thursday on their W. M. Jarrell et al No. 1 Gordon Woods, an offset to the new Mississippi lime discovery oil well seven miles northeast of Cisco in Eastland County.

The new test is 600 feet north of the discovery well, which was flowing into tanks as a substantial producer. The first well, the same company's No. 1 Exall former speaker of the Texas House of Representatives and currently a candidate for lieutenant governor of Texas, will be the speaker for the annual banquet of the Cisco Chamber of Commerce on Thursday night, Feb. 22, it was announced today by President Gene Abbott.

Mr. Carr is well known through the state and has a reputation as an outstanding speaker, Mr. gram in the near future.

Tickets will go on sale this week. The new test calls for a 4,100 foot hole with rotary equipment located 330 feet from the south and west lines of Section 54, Block 4, H&TC Survey.

Miss Mollie Bierschwale of Mason, president of the Heart O' Texas district, will speak on "District Travels."

Besides the district officials, outstanding club women expected to attend include Mrs. A. T. Carleton of Houston, federated first vice president, who is a candidate for state president. She is a successful business woman who is prominent in Houston and the state.

Mrs. Hazlewood reported that the Cisco clubs were looking forward to an outstanding workshop. The visitors will hold a luncheon at the Lutheran Parish Hall.

Local clubs and their presidents in the federation include: Delphian Study Club, Mrs. Clyde Coats; Cisco Garden Club, Mrs. C. L. Webb; Cisco Music Study Club, Mrs. S. E. Hittson; Delta Kappa Gamma Society, Mrs. Charles Parker; First Industrial Arts Club, Mrs. T. C. Williams; Twentieth Century Club, Mrs. Hittson.

Veterans Still May Add Income Rider To NSLI

More than three million veterans hold National Service Life Insurance (NSLI) still have the opportunity of buying a low cost total disability income rider for their GI policies. Edward P. Onstot, manager of the veterans Administration Regional Office in Dallas said today.

This rider was first offered to veterans in November of 1958. Since that time nearly 800,000 of the 4.5 million policyholders eligible have applied for the rider.

Those policyholders who have bought this rider and who become totally disabled from any cause before age 60 and while their rider is in effect will receive a monthly income of \$10 or each \$1,000 value of their policies.

Payments will continue for the duration of the disability regardless of its length.

The rider ceases to exist after age 60 and no payment is made for disabilities incurred after that age.

The premium cost of the rider varies with the policyholder's age, type of policy and its face amount.

Veterans whose age at nearest birthday is 40 or less may get the rider without physical examination. Those older are required to submit to a physical examination by either VA physicians or their own local doctors. VA medical application forms must be used.

Further information and application forms may be obtained at any VA Regional office, Onstot said.

New Farm Road Law Praised As Constructive Measure By Petry

AUSTIN — The Texas Highway Commission has praised the new Farm to Market Road Law as a "constructive piece of legislation" and announced that the measure will pave the way for an eventual 15,000 mile increase in total Farm Road mileage in the State.

"The establishment by the Legislature, through this legislation, of a long-range maintenance program for Farm Roads will make increased new mileage possible," said Chairman Petry, Jr., Chairman of the Highway Commission. "This day's Commission Minute expanding the objectives of the Department from the 35,000 mile system of Market Roads to a 50,000 mile system."

It was pointed out that in accordance with the present program to coordinate the new legislation.

"The increased mileage developed over a period of logically balanced various areas of the State," said. "Such a system will be selected to over-all benefit of the nation and the areas within with the objective of all areas of the State up to 50,000 mile system as possible."

A total of 34,294 miles of Market Roads have been designated.

"We are confident that secure under the new Farm to Market Road Bill more newly designated Farm roads than we have been in recent years," he said.

Chairman Petry added, new action of the Legislature will have the effect of funds available for highways and urban facilities. These funds have to be borne the total maintenance of the Farm to Market Roads. The new program provides a separate maintenance program for these roads by relieving the existing Primary Highway Fund of a deficiency which has long been speaking for the Members of the Texas Legislature "for the confidence they have placed in the Highway Department passage of this legislation."

COWGIRL SWEETHEART—Miss Carol Mackey, daughter of Mr. and Mrs. H. B. MacMoy, was crowned western town when she was presented as Cowgirl Sweetheart at the Fort Worth Fat Stock Show Rodeo today, which was designated as Eastland Day. This is the fourth time the lovely high school senior has been crowned Eastland's Cowgirl Sweetheart at the rodeo. (Photo by A&P)

New Farm Road Law Praised As Constructive Measure By Petry

AUSTIN — The Texas Highway Commission has praised the new Farm to Market Road Law as a "constructive piece of legislation" and announced that the measure will pave the way for an eventual 15,000 mile increase in total Farm Road mileage in the State.

"The establishment by the Legislature, through this legislation, of a long-range maintenance program for Farm Roads will make increased new mileage possible," said Chairman Petry, Jr., Chairman of the Highway Commission. "This day's Commission Minute expanding the objectives of the Department from the 35,000 mile system of Market Roads to a 50,000 mile system."

It was pointed out that in accordance with the present program to coordinate the new legislation.

"The increased mileage developed over a period of logically balanced various areas of the State," said. "Such a system will be selected to over-all benefit of the nation and the areas within with the objective of all areas of the State up to 50,000 mile system as possible."

A total of 34,294 miles of Market Roads have been designated.

Chairman Petry added, new action of the Legislature will have the effect of funds available for highways and urban facilities. These funds have to be borne the total maintenance of the Farm to Market Roads. The new program provides a separate maintenance program for these roads by relieving the existing Primary Highway Fund of a deficiency which has long been speaking for the Members of the Texas Legislature "for the confidence they have placed in the Highway Department passage of this legislation."

Mavettes

(Continued from page one)

straight district, slipping by the Cross Plains sextet, 43-23. The Eastland girls, with only a two point half-time lead, came back the second half and played better ball. Wanda Arther, after a disappointing first half with only one point, came back with fury, making five field goals in a row and leading all scorers with 23 points. Judy Seaberry had 14 and Kay Morton scored 6. High for Cross Plains was Sandra Barr with 14.

The Eastland "B" team boys lost to Cross Plains, 41-33. High for Eastland was Jody Cooper with 9.

Judy Seaberry is high-pointer for the district play with 173, followed by Wanda Arther with 145.

The Eastland girls have lost only two games throughout the entire season. Once to Gorman and once to Comanche. They re-taliated in time however, by coming back to smack the Gorman team on two different occasions.

Coach Joe Ingram's Mavettes are a young team and are showing good prospects for future outings. Their two district wins have both been over Early.

However, next year they'll be without their No. 1 scorer, Senior Bobby O'Steen who has fired in 91 points during district play.

The Clyde quintet is picked for district honors.

Doing yoemen's jobs for Coach Mrs. Milton Day's Mavettes have been guards Carol McCleskey, Judy McMillan, Beverly Kline and Becky McAlister. Kay Morton, an energetic forward, has been looking awfully good on the close plays.

(Ed. Note: Look for a portrait of the Eastland Basketball Game - Winners in Sunday's Telegram.)

The girls' record is as follows:

Eastland	Opponents	Score
51	Early	43
52	Albany	34
58	Cross Plains	43
46	Santa Anna	24
52	Clyde	47
41	Early	40
66	Albany	34
	Cross Plains	

For the boy's it's been:

Eastland	Opponents	Score
57	Early	38
18	Albany	54
40	Cross Plains	56
38	Santa Anna	43
43	Clyde	59
45	Early	42
45	Albany	65
	Cross Plains	

The Mavette line up: Judy Seaberry, Junior, forward. Wanda Arther, Junior, forward. Kay Morton, Junior, forward. Carol McCleskey, Junior, guard and forward. Becky McAlister, Junior, guard. Judy McMillan, senior, guard. Beverly Kline, senior, guard.

the Rules Committee of the House of Representatives refused to clear the White House request for a bill establishing a Department of Urban Renewal with a Cabinet status, the President, under existing Law, moved to establish such a Department by Executive Order. Unless within 60 days one House of the Congress rejects the plan, the Order becomes effective. Under this procedure the vote will be "aye" for one who opposes the President's plan. In other words, the Resolution on which the vote will occur denies the President's request.

Personally, I see no need for establishing such a Department of Government.

JUST A THOUGHT: Shoulders which carry their responsibilities have no room on them for a chip.

Mrs. Brewer Is Hostess To WMS Program Tuesday

The Woman's Missionary Society of the First Baptist Church met Tuesday at 9:30 a.m. in the home of Mrs. Haston Brewer for their regular business meeting and mission program.

Mrs. A. C. Goldston and Mrs. H. W. Sims assisted Mrs. Brewer in serving during the opening social hour.

The tea table was decorated in the Valentine motif. A Valentine cupid beneath an archway was flanked on each side by cupid's cut from red styrofoam. Miniature heart shaped cakes on red dollies, mints, nuts, coffee and hot tea were served.

Mrs. M. A. Treadwell, Jr. and Mrs. Haston Brewer conducted a song service followed by the calendar of prayer and meditation period led by Mrs. Escro Walter.

Mrs. Goldston, president, presided during the business session during which the usual reports and plans were presented by officers and chairmen.

Mrs. H. M. Hart was in charge of the Royal Service Mission program for the afternoon. Assisting with the program were Meses J. O. Jolly, A. D. Taylor, A. E. Halford, Warren Chapman, Pat Crawford and Treadwell.

"Soliloquy of a Migrant Mother" was presented followed by the closing prayer.

Mrs. and Mrs. Delmon Eaves and children spent the weekend in Fort Worth with his sister, Mrs. Paul Norris and family. On Sunday they visited with Lyncdall Morrow in Baylor Hospital in Dallas.

Mr. and Mrs. Victor Pack and family visited with relatives in Stephenville on Sunday. Mrs. Pack's mother, Mrs. J. B. Alexander, returned home with them for a visit.

Mrs. J. C. Timmons Mrs. Odis Rodgers and Mrs. Edward Stacy of Carbon attended the Golden Wedding Anniversary celebration of Mr. and Mrs. E. B. Huckabee in Gatesville on Sunday. Mrs. Huckabee and Mrs. Timmons are sisters.

Rev. and Mrs. Buel Bryan and Linda were dinner guests of Mr. and Mrs. Calvin Brown on Sunday. Mr. and Mrs. Nate Morris of Carbon visited with the Browns in the afternoon.

Jeff Wood was a visitor at the Kokomo Baptist Church on Sunday. Janie Pittman and Kay Browning of Gorman were visitors on Sunday night.

Mrs. Ruby Jean Jones and of Big Spring spent Sunday night with Mr. and Mrs. Delmon Eaves and family.

Mr. and Mrs. Vernon Fields and children spent the weekend in Dallas visiting with relatives.

Mrs. W. F. Bryant visited with Mrs. Mag Hamilton and Mrs. Hoyt Bryant visited with her sister, Mrs. Sally Cox, in Ranger on Monday.

Mrs. Claude Fuller, Mrs. Albert Hendricks and Mrs. Glenn Jordan were business visitors children, Randy and Rhonda, Brownwood on Wednesday.

Gift Tea Fetes Miss Dixie Durham

Miss Dixie Durham of Eastland, bride-elect of Charles David Wolford of Ranger, will be honored Sunday with a gift tea at Lone Cedar Country Club.

Hours will be from 3 to 6 p.m. Toastess will be Mrs. Lucille Gerber of Abilene.

KOKOMO NEWS

Mr. and Mrs. John Henderson attended the funeral of his nephew W. T. Henderson in Rising Star on Saturday. While there they visited with his brother, Walter Henderson and family. We extend our sympathy to the Henderson family.

Mr. and Mrs. Delmon Eaves and children spent the weekend in Fort Worth with his sister, Mrs. Paul Norris and family. On Sunday they visited with Lyncdall Morrow in Baylor Hospital in Dallas.

Rev. and Mrs. Jackie Heath of Ranger and Mr. and Mrs. Glenn Jordan visited with Lyncdall and the J. L. Morrrows on Saturday. Other visitors included 15 students from Howard Payne College, Earl Creager of Mintone and Mr. and Mrs. Lynn Campbell of Levelland.

Charles Bryant, Gene Wood, Joe Paul May and Larry Morrow spent Sunday in Dallas with the Morrrows.

Mr. and Mrs. Victor Pack and family visited with relatives in Stephenville on Sunday. Mrs. Pack's mother, Mrs. J. B. Alexander, returned home with them for a visit.

Mrs. J. C. Timmons Mrs. Odis Rodgers and Mrs. Edward Stacy of Carbon attended the Golden Wedding Anniversary celebration of Mr. and Mrs. E. B. Huckabee in Gatesville on Sunday. Mrs. Huckabee and Mrs. Timmons are sisters.

Rev. and Mrs. Buel Bryan and Linda were dinner guests of Mr. and Mrs. Calvin Brown on Sunday. Mr. and Mrs. Nate Morris of Carbon visited with the Browns in the afternoon.

Jeff Wood was a visitor at the Kokomo Baptist Church on Sunday. Janie Pittman and Kay Browning of Gorman were visitors on Sunday night.

Mrs. Ruby Jean Jones and of Big Spring spent Sunday night with Mr. and Mrs. Delmon Eaves and family.

Mr. and Mrs. Vernon Fields and children spent the weekend in Dallas visiting with relatives.

Mrs. W. F. Bryant visited with Mrs. Mag Hamilton and Mrs. Hoyt Bryant visited with her sister, Mrs. Sally Cox, in Ranger on Monday.

Mrs. Claude Fuller, Mrs. Albert Hendricks and Mrs. Glenn Jordan were business visitors children, Randy and Rhonda, Brownwood on Wednesday.

Other full-size cars but Buick!

A flatter front floor is one of the powerful pluses in the Buick LeSabre, the year's best power value. LeSabre also hitches exclusive Advance Thrust to big Wildcat engine, America's smoothest transmission, Turbine Drive... all at no extra cost. Special note: LeSabre's price is lower than many "low-priced" models. Drive it.

Buick LeSabre is the buy.

VISITS SISTER

Mrs. Tom Sharp and Tommie June of Olden and Miss Anna Squiers of Ranger spent the week end in Teague visiting with Mrs. Sharp's sister and family, Mr. and Mrs. Homer Cosson.

VISITS PARENTS

Marvin Elliott and Donald Gene Lawrence returned to Camp Polk, La., Tuesday after a visit in Olden with their parents, Mr. and Mrs. Buster Elliott and Mr. and Mrs. Homer Lawrence and Sharon.

County Council Of CWF Will Be Held Here Monday

The County Council of Christian Women's Fellowships of Eastland County will meet at 2:30 p.m. Monday at the Eastland First Christian Church. A short business meeting will be held followed by an address by Mr. and Mrs. Joseph M. Perkins. They will show colored slides of their recent world tour. A Fellowship Hour will immediately follow the meeting in the church parlour. The public is cordially invited to attend this meeting.

Flatwood Club To Hold Bake Sale

Members of the Flatwood Home Demonstration Club will sponsor a bake sale to be held Wednesday, Feb. 14, in the First Christian Church annex. The sale will begin at 8 a.m. at which time whole cakes and pies will be sold. The public is invited to spend their coffee breaks with the club for coffee, pie or cake.

ATTENDS SERVICES

Mrs. Tom Preslar and Mrs. C. M. Kelly of Eastland attended funeral services for J. M. (Dick) Tolbert Saturday in Breckenridge.

Army Reservists Due Discharge By 49th Division

FORT POLK, La. — Some 530 recalled Army reservists assigned to the 49th Armored Division and other units training here are eligible to be released soon from active duty, Maj. Gen. Harley B. West, Division and Post Commander, announced Wednesday. Those affected by the early release, approximately 50 office and 480 enlisted men, are to be processed out of their units under a recent Army regulation providing for separation of men who meet certain specified conditions, notably that they have completed five years of honorably active and reserve service. Only reservists who were recalled from a Ready Reserve control group (a "paper" outfit) and assigned to an active Army unit will be considered eligible for release. Their Ready Reserve obligation must have been satisfactorily completed prior to Oct. 1, 1961. There must be no record in the soldiers' files showing they signed for additional Ready Reserve time after Oct. 2, 1960. Members of units when units were mobilized, such as the 49th Armored Division, will remain with their units until the entire unit is de-activated. The length of time to process out the individuals under consideration for early release is not expected to take over one week. Senior officers at Fort Polk have received no official word as to when their units will be sent home from active Federal service. There have, however, been indications that release might come prior to the end of the maximum one year specified in mobilization orders. There are some 22,000 National Guardsmen and Army Reservists training at this southwestern Louisiana military center. The majority were called to active duty on Oct. 15, 1961. The 49th "Lone Star" Armored Division has 95 units located in 74 Texas cities stretched from Brownsville to Vernon and Texarkana to Big Spring.

42 Party To Be Held In Olden

A 42 Party will be held Saturday at 7:30 p.m. in the Olden Home-Coming Cottage. Mrs. Gene Miller will be in charge of the nursery to be available in the gymnasium. Refreshments will be served to those attending.

VISITS PARENTS

PFC Bill Upchurch, who is stationed with the 49th Armored Division at Fort Polk, La., spent the past weekend visiting in the home of his parents, Mr. and Mrs. Howard Upchurch. PFC Upchurch left Monday to return to Fort Polk.

Lake Sweetwater Will Re-Open For Fishing Feb. 15

AUSTIN, — Lake Sweetwater will be reopened to anglers February 15, after having been closed down since the complete kill of biologists in August, 1960. Bass planted in the lake after this kill now have reached sufficient size and weight to justify reopening of the lake, according to Marion Toole, inland fisheries coordinator of the Game and Fish Commission. Lake Sweetwater was given a rotenone treatment to kill all the fish in the lake after netting samples had shown that 99 per cent of the fish population of the lake was undesirable. Lake Sweetwater covers 550 acres, and is operated by the City of Sweetwater as a municipal water supply and recreational area. A fish kill by the Game and Fish Commission was in cooperation with the Sweetwater City Council. After the kill, the lake was stocked with black bass fingerlings, and netting samples show that these fish now have attained a weight of two or three pounds each. Several channel catfish caught in nets average 2 pounds. Recent netting samples showed no carp, suckers or shad.

Officers Named By Red Cross At County Meeting

New officers and directors for Eastland County Chapter of the American Red Cross were elected Thursday, Jan. 25, at a meeting in Eastland. Chairman Stanley Webb of Cisco was in charge of the session. The new 1962 county chairman is Mrs. Arthur Murrell of Eastland and E. E. Freyschlag of Eastland was re-elected as treasurer and Mrs. Carl Lamb of Cisco was re-elected secretary. Directors names included Jim Webb, Don Kincaid and Stanley Webb of Cisco; Mrs. H. C. Croom, Dr. Charles Gann and Mrs. G. C. Fyffe of Ranger; Mrs. M. Keith of Desdemona; Eugene Baker and Bill Parr of Gorman; H. R. Garrett, Freyschlag, Bruce Pipkin and Mrs. Stubblefield of Carbon and Onus Dick of Olden. The chapter handled 77 cases from July 1960 to July 1961, chiefly involving military personnel or dependents, and enlisted 101 children in swimming classes according to a report from Mrs. Lamb, executive secretary. The chapter also furnished text-books for home nursing courses in Desdemona, Gorman, Eastland and Cisco high schools.

Fleetwood elegance. The care that skilled craftsmen put into Cadillac's exclusive Fleetwood body is a matter of deep satisfaction to every family fortunate enough to own the "car of cars." For a man, there is the appreciation of the fine engineering and workmanship that went into its building; the solid sound he hears when he closes the door... the relaxing quiet that surrounds him in its spacious interior. For the lady—there is the loving touch of fine fabrics, fine tailoring, and the many fine appointments found in no other car. Your Cadillac dealer can show you how this elegance can enrich your life. New low-cost luxury in two must-out Chevy II Nova sedans

Luxury and low cost have never been more beautifully blended than in these two newest additions to the Chevy II line! Like their running mates—the Nova 400 Sport Coupe, Convertible and Station Wagon—they have the same more-for-your-money features that have made Chevy II the winner of *Car Life* magazine's Engineering Excellence Award for 1962. Soft-riding new Mono-Plate rear springs, proved in the equivalent of 2,000,000-plus test miles. Thrifty 6-cylinder engine that gets more "gilt" out of a gallon of regular. Body by Fisher roominess that fits big families and small parking places. An easy loading vacation-sized trunk. New ideas that save on upkeep. Plus trim, tasteful styling, inside and out. See the smart, sassy, saving Chevy II Novas—and the other sensibly sized, sensibly priced Chevy II models—at your Chevrolet dealer's.

Chevy II Nova

New Chevy II Nova 2- and 4-Doors—plus a wonderful choice of other Chevy II models

Hamner Funeral Home, 301 S. Lamar, Eastland P. O. Box 431 Dial MAin 9-2611

Kathryn Williamson Honored At Gift Tea

Miss Kathryn Ann Williamson, bride-elect of John Robert Baker of Wichita Falls, was honored with a bridal gift tea held January 29 from 7:30 to 9 p.m. in the Woman's Club.

The honoree is the daughter of Mr. and Mrs. D. F. Williamson of Route two, Eastland.

Members of the hostess committee included Meses. William L. Bourdeau, Vernon Walker, A. J. Lowrance, A. F. Beck, T. L. Wheat, Vera Mayers, I. C. Inzer,

J. H. Jarrett, Wince Graham and Raymond Beck and Misses Dixie Durham and Kay Miller Assisting were Meses Julia Inzer and Jane Mayers.

Included in the houseparty were Miss Williamson, her mother, Mrs. D. F. Williamson, mother of the groom, Mrs. Joe L. Baker of Wichita Falls, and Mrs. Loyd Wright, sister of the honoree.

Decorations carried out the bride-elect's chosen colors of gold and white.

Guests were registered in the white bride's book by Miss Kay Miller. Punch and cake squares were served by Mrs. Bourdeau and Mrs. Walker.

The serving table was laid in white lace over yellow. A centerpiece of white carnations was flanked by silver candelabra holding burning white tapers. Silver and crystal appointments complimented the table setting.

Approximately 50 guests attended the gift tea.

Miss Baird and Bryant Hays Are Wed Saturday

Miss Frances Alene Baird and Bryan Lee Hays were married Saturday at 7:30 p.m. in a double ring ceremony performed by Rev. Floyd Osborn in the home of the bride's parents.

The bride is the daughter of Mr. and Mrs. V. E. Baird of Route two, Eastland.

Mr. and Mrs. Marvin Hays of Carbon are parents of the bridegroom.

Miss Linda Baird, sister of the bride, attended as maid of honor. Gail Whitley of Eastland attended his cousin as best man.

The bride was attired in a dress of floral satinette accented by a single strand of pearls.

A reception was held immediately following the ceremony in the home of the bride's parents.

Mrs. Hays is a senior at Olden High School.

The groom has served and completed four years with the United

MRS. BRYAN HAYS

States Air Force and is presently employed by Worth Food Market in Eastland.

Following a short wedding trip, the couple plan to make their home in Eastland.

Bingo Party Is Held Friday By Ladies Auxiliary

The Ladies Auxiliary of V.F.W. Post 4136 hosted a bingo party Friday evening at 7:30 at the V.F.W. Post on East Highway 50.

All proceeds from the party go to charity or some needy organization.

Decorations for the party carried out the Valentine theme. Prize boxes and tables were decorated with miniature valentine cutouts.

Members of the Ladies Auxiliary meet each month at 7:30 p.m. on the first and third Thursdays.

Officers Elected At Meeting Of Local Auxiliary

Members of the Eastland Memorial Hospital Auxiliary met Wednesday Jan. 31, in the Texas Room in the Lawrence Room for the election of officers.

The following slate of officers were elected for the ensuing year: Mrs. Samuel Butler, president; Mrs. H. T. Weaver, 1st Vice President; Mrs. Turner Collier, 2nd Vice President; Mrs. Virginia C. Searcy Jr., Secretary; Mrs. R. W. Brewer, Treasurer; Mrs. T. M. F. Pen, Historian and Mrs. Don Barber, Reporter.

Mrs. Butler newly elected president, appointed the following committees: Mrs. Charles Terrell, chairman, Mrs. L. E. McGraw, Mrs. Carl Hoffman and Mrs. Clyde Grissom.

Other committees will be appointed by the president at a later date.

Eastland County Sheriff's Posse Elects Officers

Officers for the new year were elected by members of the Eastland County Sheriff's Posse at the recent meeting.

Officers and Board of Directors elected are as follows: Sir Faircloth, Captain; J. B. Williams, Lieutenant; Johnnie Aaron, secretary and treasurer; Bill Harrison, Coral Boss, M. G. Key, Wrangler; Howard Bradford, Waverly Massengale, C. M. McCain, Tom Noble, B. H. Clifton and C. B. Chaney.

Plans were made for the Posse to sponsor the Livestock Show parade to be held March 30.

Improvements for the show are being made by the Livestock Association and the Sheriff's Posse.

which is the GAS DRYER? (the one that does 5 loads for the price of 1)

They look exactly the same. But the GAS dryer gives you an unbeatable bargain: dries 5 loads for the price of 1 load in the other type. Only GAS does a load of laundry for about a penny - compared with a nickel or more a load for non-gas dryers. And only gas is so fast - because there's no warm-up wait in the cycle. Special controls for wash 'n' wear clothes save you ironing time, too. Now's the time to enjoy gas dryer thrift, convenience, safety. Shop today!

COMPACT MERCURY COMET NEW STANDARD-SIZE MERCURY METEOR BIG LUXURIOUS MERCURY MONTEREY

1962 MERCURYS best-looking buys...now in each size

1. Compact COMET

2. New standard-size METEOR

3. Big, luxurious MONTEREY

3 sizzlers in 3 sizes! Now at your Mercury dealer's!

1. Compact Mercury COMET. Lively, frisky, nimble! Comet scoots up hills, scampers through traffic. A choice of two engines. For extra power—the brilliant Mercury Comet 170 "6". For extra economy—the Mercury Comet "6." For extra resale value, too, Mercury Comet leads all the compacts.

2. New standard-size Mercury METEOR. A top performer thanks to Meteor's balance of size, weight, and power. Three great engines: gas-stretching Meteor "6," 221 V-8, and hot new 260 V-8. Big-car features at compact prices—more than half of all compact models are priced above the Meteor 2-door sedan.

3. The big Mercury MONTEREY. Here's sizzle enough to warm the heart of any man. Up to 405 horsepower if you like. Your choice of five sizes: a Monterey "6," a 292 V-8, a 352 V-8, a 390 V-8, and a magnificent all-new mile-melting Mercury Marauder 406—the most advanced V-8 engine in America.
