GENERAL ELECTION

Absentee Voting Underway

New Certificate Held Acceptable

Absentee voting will begin Wednesday for the Nov. 6th general election and the name of Scott Bailey will appear on the ballot as the Democratic nominee for the office of County Judge.

Judge T. M. Collie ruled in 91st District Court at 11 a. m. Monday that an injunction to keep Bailey's name off the ballot was invalid. The injunction was filed last Thursday by O. H. Dick of Olden who stated in his original pe-tition that the manner in which the name of Bailey was certified was improper.

Another certification, signed by ten of the 12 county Democratic precinct chairman and the county chairman, was filed at 10:40 a. m. Monday, and was ruled to be valid by Judge Collie.

A petition for intervention was filed in behalf of Bailey, Monday morning by Maurice Brooks, Abilene attorney who was defeated as state Demoropriate cratic committeeman in the fillboard May primary. The original condides vin Crawley, County Chairman, on Sept. 17th, two days after the county Democratic executive committee met and nominated Bailey.

In filing the request for a permanent injuction which would have kept the name of Bailey off the ballot had it been granted, Dick and his some of attorney, Frank Sparks, alledmpletely unmark-is some out-dated by Crawley was not valid, be-cause the Texas Election Code requires that the certificate be filed by "them" — referring \$7,300 goal this year, to supto the committee, or a major-port eight agencies. 'Jack Brown told me Friday that since he wasn't being paid for the job, he couldn't get a bond," Seaberry said. The Commissioners don't plan to let the demolition begin without a bond.

(1) That the City of East-land adopt the Voluntary Industrial Tax (V.I.T.) of one dollar per month, for a period of three years to create more jobs and employment opportunities for the citizens of Eastland. (2) That this tax be billed

to each city water meter each month, and that the money collected be turned over to the Eastland Chamber of Commerce for Industrial Fund use only, at the end of each month.

(4) That the tax can be paid in one lump sum of thirty-six dollars or twelve dollars per year.

mission Chairman Virgil T. Seaberry Jr. then told Troutt and the visitors "Frankly, I'm against the proposal, and read from a prepared list of six reasons why.

These reasons were: That the third attempt had been made recently to reduce the water rates and that had been unsuccessful, and he could see no reason for adding more expense onto the
