The citizens of Eastland, and their relatives across the entire State of Texas, were both disappointed and upset with the exclusion of the Eastland High School Band during your recent telecast of the Cotton Bowl Parade. After many months of hard work preparing our Band for the subject preformance, as well as months of hard work by the Band Booster Club and parents raising funds for the trip we were deprived of the joy of seeing our children on their day of triumph.

We have a film of their portion in the Parade, and ask that you advise us if you would show this film in the near future.

No need to worry about baby's comfort during cold weather when you have a portable electric heater to provide extra warmth. Day or night, just plug it in, and radiant sun-like electric heat quickly chases away the chill. You'll like the safety of flameless electric heat with an automatic thermostat that keeps baby's room at just the right temperature automatically. A portable electric heater is mighty handy to warm up those hard-to-heat areas elsewhere in the house, too. See your dealer about one soon.
