"COVERING EASTLAND COUNTY"

VOLUME TWENTY-FIVE

EASTLAND, TEXAS, THURSDAY, JANUARY 20, 1955

NOT YET—Aptly named "Futura," this laboratory-on-wheels for testing of advanced auto design was on display recently in Chicago, Ill. Nearly 19 feet long, it is seven feet wide and 52 1/2 inches high. Twin plexiglass canopies shield the passenger compartment of the machine, which was built by Lincoln-Mercury division of Ford Motors, using an Italian-built body.

Would Include Callahan County

Brashear Introduces Bill To Enlarge 91st District Court

AUSTIN (TNS) — Rep. Paul Brashear of Cisco and Rep. Mack Allison of Minerals Wells have introduced a bill in the House of Representatives which would add Callahan County to the 91st District court.

The bill would alter the boundaries of two judicial districts as well as the 91st. Also affected would be the 90th District and the 42nd District.

At present the 91st District includes only Eastland County. The 91st District is at present made up of Stephens and Young Counties. The new bill would add Shackelford County to the district. The 42nd District is composed of Taylor, Callahan and Shackelford counties. Under the new law it would consist of Taylor County alone.

Brashear said the change is agreeable to Judge Turner M. Collier, Judge J. R. Pfack and Judge

Navy Recruiter Notes January Allowance Cuts

The new Navy recruiter for Eastland county recently outlined the GI benefits which will cease for those entering the service after Jan. 31.

The Recruiter carefully listed the benefits that now exist and the amount of funds payable under each program.

Those no longer void for enlistees after the January deadline are mustering-out payments which now allows payment up to \$300 to "conflict" veterans upon discharge; home and farm loans which are insured up to \$7,500 or direct federal loans up to \$10,000; unemployment pay which grants up to \$676 for unemployed veterans; and pay for injuries which may draw up to \$181 a month. After Jan. 31, the rate will drop by 20 percent. The same cut applies to pensions for survivors of men killed on active duty after Jan. 31.

Also, to be cut is hospital care, which veterans now are eligible for at Veterans' administration hospitals if they are unable to pay and beds are available; a person totally disabled in civilian life, after "wartime" service, can get up to \$78.75 in monthly cash payments and a chance to earn a college education with a maximum of \$5,760 in monthly cash payments ends on the same date.

He added that enlistment during January are worth up to \$976 in cash in mustering out and unemployment pay alone.

Meeting Set Monday To Study YMCA Plan

Mrs. Horace Horton, president of the Civic League, announced late this morning that a meeting of all persons interested in setting up a Young Men's Christian Association program here would be held Monday night at the Women's Club.

Mrs. Horton said that Col. Dan Pitt Jr. would be present to explain the YMCA program. Pitt is area executive for the Southwest.

Mrs. Horton said anyone interested in the "YM" movement is urged to attend.

Floyd Jones, the three jurists involved.

Would Create New Post

The new bill would also create a new post, that of a district attorney for the 91st District. At present Joe Nuesse, Eastland County attorney, serves as district

Bill Would Ban 'Lewd Books'

State Law May Solve Problem Of Comic Books For Eastland

County Attorney Joe Nuesse Thursday said that State Representative Joe Pool of Dallas has introduced a bill which would outlaw certain so-called "comic books." Nuesse made a copy of the proposed bill available to a Telegram reporter.

Eastland city commissioners last week had debated the merits of a local ordinance banning the sale of certain type "comic books" here. Commissioners decided to wait and see what the State Legislature did before acting, however.

Pool introduced the proposed act as House Bill 151. The act would make it unlawful to "write, draw, print, publish or distribute, offer for distribution, display, exhibit, sell, offer for sale, or give away" and "lewd," "depraved" or "corruptive comic books."

The bill would make it a misdemeanor to sell or publish a lewd book. Punishment would be a fine of not less than \$100 or more than \$1,000, and/or a jail sentence of not less than 30 days or more than one year.

The bill defines a "lewd comic book" as one depicting "nudity,

indecent exposure of the person or sexually suggestive posture, scenes, likenesses or activities." It would also make it against the law to depict "any gruesome crime."

Cost of Cover Crop May Be Charged To '54

Emmett Powell, manager of the Agricultural Stabilization and Conservation office in Eastland "looks now as if all the cover crop can be transferred back to the 1954 program."

The vetch and rye cover crop seeded last fall was charged to 1955 funds, he explained. He said it appeared likely that the county would be able to transfer the costs to the 1954 program.

DODGE HAS DONE IT

McGRAW MOTOR CO.

Ten Year Old Victim Of Polio Is Big Backer Of 'Dimes' Drive

Possibly no one knows any better than Mr. and Mrs. Walter Jacoby of Ranger, what comfort and aid the funds collected in this year's March Of Dimes campaign will bring for some families within this area.

This particular family has learned first hand how the 'dimes' program operated for those who have required services of the organization.

Mr. and Mrs. Jacoby's son, Dillard, was stricken with polio in June, 1948. From that time to the present, he has been required to undergo continuous treatment of various types, even though the frequency has now been reduced to each three months.

Mrs. Jacoby said that during the entire six year period, she has not been required to pay for anything except her transportation to and from Fort Worth where Dillard was hospitalized during the first months of his illness.

It was not difficult to notice the admiration in her voice for the organization, as she said, "During the first two weeks of Dillard's illness, when we did not even know if he would ever walk again, we were not only concerned with his health but also of the great financial burden that amounts at a rapid pace for treatment as this."

"Within a very few days, we

were contacted by the local MOD chapter and since that time, they have paid all bills with the exception of transportation costs. We didn't even have to sign any papers and have never been asked for a dollar in return," she continued.

Dillard's entire story from the beginning of his sickness to the present, where, that with MOD aid, he is enrolled in the fourth grade at school, borders near the realms of fantasy in the mind of Mrs. Jacoby.

Taken ill in mid-June, 1948, Dillard was treated for tonsillitis at home. Local doctors, upon examination, discovered symptoms of polio and he was taken to Fort Worth where he remained in critical condition for ten days, before improving.

After remaining in the hospital for nearly three months, Dillard, then four, was allowed to return home. He was not ambulatory and Mrs. Jacoby recalls that he had to be carried everywhere he was taken.

Even after returning home, he was taken back to Fort Worth each week for special treatment for a period of four years.

Salvation Army Drive To Begin Here Tuesday

The Eastland Salvation Army drive will get underway here Tuesday, it was announced today by Gene Rhodes, fund drive chairman. A "kick-off" get-together at 9 a.m. that day at the First Christian Church annex will get things underway. Coffee and donuts will be served.

Eastland's quota for 1955 will be \$1,000, the same as for the past three years. Although the emergency welfare program has increased each year, we are still able to operate this program without asking our local people to increase our quota, Hubert Westfall, service unit chairman, explained.

Westfall recently became chairman when Rev. Otto Marshall was called to another city. Other members of the local service unit are Tom Wilson, treasurer, and Carl Johnson, Clyde Young, Stanley Webb and Ray Laney. Chief Laney handles a large portion of the welfare cases, especially those affecting transients during the night.

Westfall recently became chairman when Rev. Otto Marshall was called to another city. Other members of the local service unit are Tom Wilson, treasurer, and Carl Johnson, Clyde Young, Stanley Webb and Ray Laney. Chief Laney handles a large portion of the welfare cases, especially those affecting transients during the night.

In accepting the chairmanship of the campaign, Rhodes said, "I know of no other organization that can aid so many with so little. The dollar given the Salvation Army just seem to go farther in providing emergency relief assistance.

I know that Eastland will meet the need as they have in the past."

Westfall said that the Eastland Service Unit aided approximately 300 people during the past year. Food, lodging, medical assistance,

Warm Air To Bring Showers

Warm southerly winds coming in today were expected to bring the temperatures up in this area before a cold front scheduled to arrive here around 7 p. m. strikes.

The weather Bureau says that some scattered showers are possible as the cold and moist air currents collide.

The new front moving in on this area has brought snow to other regions in the nation but none was expected to fall here.

Following Wednesday, somewhat similar to an Indian summer, heavy cloudiness is expected to prevail here today, tonight and Friday.

Temperatures tumbled to 15 in Amarillo last night as the first touches of the front gripped that part of the state.

Most all of west Texas was warm Wednesday with clear skies.

grocery orders and clothing were furnished the needed.

The Salvation Army does any type of emergency welfare work. The need to provide aid for transients is growing heavier and we use Salvation Army funds to aid them on through to their destination. "This type of aid cuts down on petty crime here," Westfall said.

There is no solicitation by toub-

Olden, Gorman Teams Clash Friday Night

OLDEN (TNS) — The Olden High basketball team will swing into action on their home court Friday night against Gorman, one of the strongest teams in the district.

Both the Olden girls and boys are undefeated, and the winner of the games Friday night will have an inside edge on the district championship.

The Olden sextet has a season's record of 14 wins against 8 losses. The losses were at the hands of four of the best teams in this section: Lipan, Stephenville, Hawley and Avoca. After winding up the first half of district play, the Hornets will go to Abilene where they are entered in one of the largest girls tournaments in the state. It is sponsored by Hardin-Simmons University and held in Rose Field House, Feb. 3, 4, and 5.

The tournament will draw teams from Hawley, Cross Plains, Noodle, Abernathy, Rochester, Clyde, Lavan, Roby, Pottsville, Rising Star, Enla, Baird, Avoca, Wylie, Olden and Duncanville. Olden will take on Duncanville in its appearance in the tournament.

The probable starting line up for Friday night's game for the Olden sextet will be Thelma Edwards, Frances O'Brien, Betty Smith, Maxine McCotter, Shirley Matlock and Elizabeth Alford.

The probable starting line up for the Olden boys' team will be Jimmy Colburn, Jimmy Everett, Bill McCotter, Phil Hilliard, and Dale Norton.

Measuring Of Wheat Due To Begin Soon

Reporters for the County Agricultural Stabilization and Conservation office will soon begin measuring wheat in the county, Emmett Powell, office manager, announced today.

Powell said a definite date had not been set, but the reporters would start their work soon.

Final Rites For Charlie Dabbs Held

Funeral services for Charlie D. Dabbs of Eastland were held at 2 p.m. this afternoon at Morris Funeral Chapel in Ranger. Max R. Crumley, pastor of the Ranger Church of Christ, officiated.

Mr. Dabbs died Tuesday at his home in Eastland. He was born in Mississippi September 25, 1869 and had lived in this vicinity since he was 8 years of age. He was a retired blacksmith.

Mr. Dabbs is survived by one son, O. D. Dabbs of Eastland; two daughters, Mrs. Hazel Bond and Mrs. Helen Moore; and a brother, Sim Dabbs of Eastland.

Interment was in the Eastland Cemetery.

Mrs. Burleson Is Named Prexy Of Washington Club

WASHINGTON (Spl.) — Mrs. Omar Burleson, wife of the congressman from the 17th District of Texas, which includes Eastland County, has been elected president of the Congressional Club.

The Club has a membership composed of wives of senators and congressmen.

Mrs. Burleson will serve a two year term.

"UNDER" NOURISHED — Nourished under water, that is, Pauline Ady and Barry Blair, framed by a port of their diving tank at an exhibition in London, England, demonstrate that you can have a snack while enjoying the growing sport of skin-diving. Lunches are a made-to-order food for underwater lunch; liquids may be carried in plastic, compressible containers and squirted into the mouth. Spector is Carol Parr.

Area Oil News

Sites For Two New County Tests Made

Sites for two new tests have been announced for Eastland County and the completion of a regular field try made.

Location for a proposed 3,900-foot rotary wildcat was staked two and a half miles northeast of Ranger. The venture is the J. C. Potter, et al. No. 1 M. L. Woods.

Site for No. 1 Woods is 330 feet from the northwest and 1,263 feet

from the southwest lines of T. Sparks Survey.

The other test was spotted three miles northeast of Eastland and has a proposed depth of 1,995 feet with rotary. It is J. W. Albrock & C. H. Havelka, Brownwood, No. 1 P. H. Hood.

No. 1 Hood spots 330 feet from the north and 870 feet from the east lines of the northwest quarter in Section 2, Block 4, H&C Survey.

Daily potential was 25.40 barrels of 43 gravity oil, pumping from an open hole at 1,230-53 feet.

In other area oil news, location for a 3,500-foot rotary test was staked four miles northeast of Clyde. It is the Eastland Oil Co., et al. of Fort Worth No. 1 Joel Griffen. Site is 2,310 feet from the north and west lines of Section 82, BB&C Survey.

Three miles northwest of Cross Plains, N. M. Dillard, et al. of Cross Plains No. 2 McGraw Estate was spotted as a wildcat. Having a proposed depth of 1,800 feet with rotary, it spots 2,510 feet from the west lines of Robert Henderson Survey 852.

S&S Drilling Service, Inc., of Cisco No. 2 Hugh Ross, Jr., was spotted as a wildcat 2 1/2 miles south of Baird. The proposed 1,700-foot rotary try is 990 feet from the south and 150 feet from the west lines of Section 108, BB&C Survey. The test is over one mile southwest of No. 1 Ross, an active wildcat. It is 1 1/2 miles south of production in the Lord & Shell (Tannehill Field).

E. M. Creel, et al. Abilene, No. 3 W. P. Chaney, G. W. Denton Survey 362, was completed three miles southeast of Dudley. It is in the Barnes (Cook Sand) Field.

No. 3 Chaney had a daily potential of 70 barrels of 42 gravity oil. It is pumping from 24 perforations at 1,764-60 feet with the casing on bottom at 1,787 feet.

G. D. Chastain Co., Ranger, staked location for a Stephens County wildcat in the area six miles northeast of Ranger.

It is No. 1-B G. C. Jennings, having a proposed depth of 4,200 feet with cable tools. Sit is 3,012 feet from the south and 960 feet from the west lines of A&M Survey, A-12.

Four miles north of Ivan in the Rickels Field, Jim-Lee Drilling Co., Inc., of Lubbock No. 4 Rickels Estate was spotted.

Site was staked 330 feet from the south and west lines of the North-half in Section 1, T&O Survey. Permit depth calls for 4,200 feet with rotary.

Otto Bendorf, Breckenridge, No. 1 C. McCauley was spotted 13 miles southeast of Breckenridge in the regular field.

Having a proposed depth of 2,300 feet with cable tools, it spots 750 feet from the south and 450 feet from the west lines of Section 18, Block 6, T&P Survey.

As old producer is to be reentered and deepened 14 miles north of Cisco. It is H. L. Hunt, Dallas, No. 1 Don Hamilton, et al. 330

(Continued On Page Two)

Weather FREYSCHLAG INSURANCE AGENCY No. Side Square Phone 173 Presents the Weather Report

Increasing cloudiness with strong southerly winds, bringing warmer temperatures today. Colder tonight and Friday. Scattered showers this afternoon and Friday. High today 52-57, low tonight about 30, high Friday about 47.

Jamboree Is Set Tonight At 8 O'Clock

Tonight is Jamboree Night in Eastland.

The second Firemen's Jamboree will be held at City Hall beginning at 8 tonight. Charlie Brown and the Rhythm Rangers will be the feature attraction, but a host of other talent will be on hand. Fire Chief Billy Jack Johnson said. The Jamboree is held twice monthly. The initial performance was termed "highly successful."

Two 'Firsts' Recorded

Two "firsts" were recorded in 91st District Court this week.

For the first time in the history of the court, women served on a criminal case. And also for the first time in the court's history, a conviction was handed down with only six jurors serving on the jury. Both "firsts" came in the same case, the State vs. Frank Charles Ames for driving while intoxicated.

The three women and three men in the jury found Ames guilty and gave him the minimum penalty of three days in jail and a fine of \$50 and cost of court. Ames is basing his appeal of the verdict on the basis that he should have been tried by a 12 man jury.

Women serving on the jury were Mrs. Vernon L. Red of Olden and Mrs. Art Johnson and Mrs. B. W. Brewer, both of Eastland.

POWELL GIVES TWO REASONS FOR RELEASING FARM ACREAGE

Emmett E. Powell, office manager of the Eastland County Agricultural Stabilization and Conservation office, Thursday gave two reasons why farmers in the area should release any cotton or peanut allotment acreage that they do not plan to use.

Powell pointed out that the release would be for one year only and that the released acreage will be credited to the farm in order that the history would not be lost. The other advantage is that other producers can go ahead and plant the allotment, giving Eastland County hopes for a larger crop.

Powell said cotton must be planted on a farm one out of three years in order to retain the allotment. The same three year rule applies to peanuts.

Producers may make application for additional acreage of peanuts and cotton from the released acreage. The committee does not know how many acres there will be released and it is therefore impossible to know how many acres will be available for re-apportioning, Powell explained.

Feb. 25 is the final date for making application for a new

Deadline For Joining Air Force Saturday

The Air Force Recruiting Service has advanced the deadline for enlistments in the Air Force for January to Jan. 22, it was announced today by Sgt. Grady Hoyle of the Eastland Recruiting Station.

Hoyle said the decision was made in order for as many men as possible to take advantage of the G. I. bill of rights. The Air Force has reached its goal of enlistments, but will accept men until Saturday.

Legion Meeting Tonight At 7:30

The regular meeting of the American Legion will be held tonight at the Legion Hall beginning at 7:30.

Commander Bill Hunter urged all members to attend.

The amended law also provides increases for persons who become eligible for benefits in the future. Beginning with 1955, the amount of covered earnings which may count toward social security will be raised from \$3,600 to \$4,200 in a year. This provision will make it possible to maintain a closer relationship between the worker's earnings and the benefits he and his family will eventually receive. Another provision in the new law permits a worker to drop out up to five years of lowest (or no) earnings in the figuring of his average monthly wage on which benefit payments will be based. This so-called "drop-out" applies to all workers becoming eligible for benefit payments after August of this year. Some persons now on the benefit rolls may qualify for the drop out if they acquire at any time 1 1/2 years of covered work after June 1953, or if they become eligible after August 1954 to have, their benefits refigured on account of additional earnings. The amended law, moreover, provides a new formula for figuring the worker's insurance payment. It increases the percent of his average monthly wage which will be payable in benefits. (Typical retirement and survivors payments for persons qualifying after August 1954 are shown on the accompanying table.)

Oil News

(Continued From Page 1) • feet from the north and 2,200 feet from the west lines of Section 462, Block 7, SP Survey.
New permit depth calls for 3,800 feet with rotary.
Wittmer, Knight & Ewing, Breckenridge, No. 5 O. Tomlin Unit, Section 76, BAL Survey, was completed nine miles southwest of Breckenridge in the Big Sandy (Marble Falls) field.
Daily potential was 69.17 bargans of 41.6 gravity oil, pumping from 96 perforations at 3,752-68 feet. Casing is on bottom at 4,022 feet.

Maverick News

The Maverick basketball game was more than exciting last Monday night. The lights went out immediately after the girls game was over. No one could get to their car because of the rain. The girls were defeated by the Cross Plains girls 48-38. The boys also lost, 52-32. The Mavericks try again Friday night when they travel to Dublin to meet the Dublin Lions. The girls game starts at 7 p.m. and the boys at 8.

Well, we started our mid-term exams today and everybody has been cross and hard to get along with. I wonder why? Do you believe they failed.

Catastrophes Take Lives Of 1,200 In 1954

NEW YORK, N.Y. (Spl.) — Catastrophes — accidents in which five or more persons are killed — were responsible last year for the loss of more than 1,200 lives in the United States, one third less than the year before and the smallest number in five years, statisticians of the Metropolitan Life Insurance Company report.

Hurricanes "Carol" and "Hazel" accounted for two of the major catastrophes of the year. "Carol" struck Long Island, New York, and New England on August 31, killing 68 persons. "Hazel" cut through the Atlantic Coast and New England states on October 15, causing about 100 fatalities — the worst single disaster of the year.

"Not since 1938 have such storms claimed so many victims in a single year," the statisticians note. "On the other hand, tornadoes, which killed about 475 persons in 1953, took comparatively

Kidney Slow-Down May Bring Restless Nights

When kidney function slows down, many folks complain of nagging backache, headache, dizziness and loss of pep and energy. Don't suffer restless nights with these discomforts if reduced kidney function is getting you down—due to such common causes as stress and strain, over-exertion or exposure to cold. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages.

Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. It's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

Cattle Parasites Causing Millions In Damage Annually

COLLEGE STATION—External and internal parasites are claiming one farm animal in 20, and are costing farmers about \$1,000,000,000 annually, Dr. F. M. Fuller, extension entomologist, reports.

That's a loss of five cents on every dollar invested in livestock. The entomologist says these figures, which are termed conservative, show that livestock raisers are not realizing full returns from their operations.

Ironically, says Dr. Fuller, modern research has found practical ways to control most of today's parasitic enemies.

Few, if any, livestock are completely free of infestation, he says. Even the best looking animal may harbor a dozen or more different parasite species.

Heaviest losses in cattle come

from external parasites, hornflies and grubs. However, internal parasites likewise are a major problem.

For every eight animals shipped to market, the value of one is lost to parasitism, Dr. Fuller emphasizes. This means cattlemen are "giving away" each year an additional 2,000,000,000 pounds of meat.

Studies show that losses from parasites exceed 10 percent in poultry. One battery in 10 is wasting space, feed and labor on equipment.

Parasites are robbing swine producers of the value of one pig in every 12, and sheepmen face the problem of combating a 25 percent annual parasite loss.

They also are believed responsible for many disease outbreaks because their infestation leads to an animal into a weakened condition.

Steps to help curb most of the troubling parasites of Texas livestock require nominal time and expense, Dr. Fuller adds. Livestock men who follow regularly recommended parasite controls usually bring home the highest profits from their livestock.

few lives in 1954."

The two other major disasters of the year were the August 28 crash of a military plane at Rapid City, Iowa, with a death list of 26, and the international scheduled passenger plane crash at Idlewild Airport, New York, on December 18 which also killed 26 persons.

These four major catastrophes, all of which occurred during the second half of the year, took at least 220 lives.

NEWS FROM DESDEMONA

By Mrs. Ethel Ke'rh

This community extends their sympathy to the family of "Uncle" Fate, who passed away Friday at his home after a long illness.

Mr. Fonville had lived to a ripe old age and held high esteem of all who knew him.

Burial was in the Howard Cemetery, Sunday afternoon.

Mr. and Mrs. Frank Quinn of Odessa spent part of this week with their parents, Mr. and Mrs. Joe Quinn.

Mr. and Mrs. W. H. Davis were in Dallas the first of last week to visit with his mother and other relatives.

Mr. and Mrs. Johnnie Rogers spent the week end in Corpus Christi.

Recent guests in the Morgan home was Mrs. Wayne McIntosh and son, Kay, also the Morgans Roberts visited Sunday of last week in Lubbock with his brother, Bobbie, who has been quite ill.

Mr. and Mrs. Paul Fonville and family spent Sunday of last week with her sister, Mrs. John Allen, Mr. Allen and Lounelle.

Mr. and Mrs. R. H. Abel and his sister, Mrs. Elton Cook and Mr. Cook of Levelland enjoyed a get-together and supper at the home of another sister, Mrs. A. M. Hale and Mr. Hale of Alexander.

Mr. and Mrs. H. T. Lane and Mrs. Cynthia Bagwell visited Thursday in Rising Star with Pete Usury, who had suffered a heart attack, but is now reported quite improved. Usury formerly made his home in Desdemona.

Mr. and Mrs. Manford Lewis are the proud parents of a new baby son named Allen Wayne.

Mrs. Mollie Emde spent Saturday visiting in Carbon.

Attending the Women's Missionary Union in Ranger last Thursday were Mesdames, Hattie Tate, Bryan and Ragland.

Mrs. Grimshaw of DeLeon is visiting her son Jim Grimshaw, Mrs. Grimshaw and their sons.

Fourteen Chapters of Eastern Star Represented At School

The Eastern Star School of Instruction for district three, Section 4 was held in Eastland Jan. 10 at the Masonic Hall. It was called, "The Teacher Session." The fourteen chapters which comprise section four were the hostesses. They are Callahan 242; Ranger no. 275; Rising Star no. 277; Eastland no. 280; Clyde no. 308; Strawn no. 361; Sipe Springs no. 418; Gorman no. 443; Cisco no. 461; Desdemona no. 512; Moran no. 591; DeLeon no. 693; Albany no. 733; Dublin no. 910.

Mrs. Hazel Campbell, deputy grand matron called the meeting to order, welcomed all present and introduced Mrs. Willie Hogg, district grand matron, who responded graciously, and appointed assistants for the session.

Mrs. Pebble Boles was appointed secretary, Mrs. Nadine Brewster of Albany, chairman of the registration committee, and Mrs. Nell Rose Mohon of DeLeon as chairman of the invitation committee.

Mrs. Hogg then presented Mrs. Eunice Connell, worthy grand matron, who expressed her pleasure for being in the Eastland School and expressed her thanks to Mrs. Hazel Campbell for the portrait, which Mrs. Campbell had painted of her.

Mrs. Hogg presented Mrs. Agnes Lee Howard, grand examiner, who gave instructions on the work to be carried on in the examining room and then retired with her helpers to begin her days work.

The remainder of the morning was spent in the study of the ritual, constitution and laws of the Order of Eastern Star under the supervision of Mrs. Willie Hogg, D.D. G.M.

The school adjourned for a luncheon, which was served in the annex of the First Christian Church.

In the afternoon, the serious business of study was relieved for a short time, when Mrs. Campbell

presented a skit entitled "An Apple For The Teacher". The program was given to raise money for the project of the year of the Worthy Grand Matron, which is improvements on the Eastern Star Home in Arlington.

The worthy matrons of this section, dressed as little school girls in white pinafores, were the characters in the playlet.

A poem, appropriate to each chapter was read as the Worthy Grand Matron presented to the Worthy Grand Matron an apple to which a gift of money from her was attached.

The Worthy Grand Matron expressed her sincere appreciation.

Sub-Deb Club Meets With Doris Abbot

Members of the Sub-Deb Club met this week in the home of Doris Abbot.

Jeanette Caton, president, presided over the short business session, after which the hostess served Cokes and cookies.

Present were Janis Little, Jeanette Caton, Lou Ann Corbell, Emma Miller, Carol Ann Hill, Kedron Williams, Dorothy McKinney, Annette Spearman, Merle Craig, Sandra Potts, and Merlene Craig, sponsor.

The next meeting of the group will be in the home of Lou Ann Corbell.

County Council Parent-Teachers Meet In Ranger

The Eastland County Council of the County Parent-Teachers Association met Friday Jan. 14 in the home of Mrs. Calvin Harris in Ranger.

Eighteen women from Eastland, Ranger and Cisco attended.

Mrs. Bryan Hale of Stephenville, district chairman on character and spiritual guidance was the speaker.

Following a business session the hostess served coffee, rolls and sausage.

Mr. and Mrs. Seaberry On Extended Trip

Mr. and Mrs. Virgil T. Seaberry left Tuesday morning for Austin where they will attend the inaugural ceremonies. They will spend the night with Judge and Mrs. Hickman. Wednesday night, they will stay with Mr. and Mrs. R. W. Bridges, who live on a ranch near Kyle.

Mr. and Mrs. Seaberry will drive to McAllen on Thursday to attend a meeting of the Directors of the State Bar Association. Mr. Seaberry is chairman of this Board.

At the conclusion of the Board meeting, Mr. and Mrs. Seaberry will visit friends in the Valley during the weekend, and on Monday will fly to Mexico City from Matamoros for a four-day stay there.

Mrs. Tom Warden is visiting in Fort Worth this week with her daughter, Mrs. Jerry Myrick and with her son Jim Tom Warden.

Annual Natches Pilgrimage Is Set For March 2nd Through March 31st

High on bluffs overlooking the mighty Mississippi and deep in the heart of the Old South lies Natchez, Mississippi, famed for its annual Natchez Pilgrimage.

Most people know that during the month of March Natchez throws open hospitable doors to thirty of its most beautiful and historic antebellum houses, but perhaps it is not so well known that this project of restoration and preservation of Old South landmarks was pioneered by garden club women and is still under the sponsorship of Natchez' two garden clubs.

The first Natchez Pilgrimage, undertaken with much trepidation in 1932, drew a few hundred visitors to the city which in times past had been the hub of wealth and culture in the Deep South. Now, after years of experience and

painstaking hard work, the ladies of the garden clubs are hosts to an estimated thirty thousand or more visitors annually during March.

It is a well known fact that, human nature being what it is, everyone dons his best bib and tucker for company. Being hosts to the world has truly been a challenge to Natchez' garden clubs, and the members have reacted normally by striving to make their gardens and grounds as beautiful as possible. The lush natural growth of this section of Mississippi is in itself a magnificent bib and tucker, but the lovely trimmings have been added by the labors of Natchez gardeners. Azaleas, camellia japonicas, sweet olives, dogwoods, rebudis, wisterias, limitless varieties of bulbs, and many other species which were abundant in great-grandmother's garden have been gently nurtured to please the eye and feed the soul of the garden lover.

So garden conscious have Natchezians become that even the evening entertainment, the Confederate Pageant, is presented in the magnificent stage setting of an old-fashioned garden. Through this beautiful scene pass the belles and beaux of yesteryear in a series of tableaux which reenact the gracious life of antebellum days in the Old South.

To garden lovers everywhere The Natchez Garden Club and The Pilgrimage Garden Club extend a most cordial invitation to visit Natchez during the 1955 Pilgrimage, March 2 through March 31. For detailed information write: The Natchez Pilgrimage, P.O. Box 21, Natchez, Mississippi.

Mother Goose In Texas

By Ray Wood

I had a little hen,
The prettiest ever seen;
She washed up the dishes
And kept the house clean.
She went to the mill
To fetch me some flour,
And always got back
In less than an hour.
She baked me my bread
And brewed me my ale,
Then sat by the fire
And told a fine tale.

It has been speculated that the "little hen" in this old country rhyme did not refer to a bird at all, but was a term of endearment for a woman or wife, and these words have been substituted in some editions of the classic Mother Goose Rhymes.

There is no exact parallel to this rhyme in American childlore, but the "Little Hen" has always been one of the favorite subjects for child rhymes in this country. Pioneer kids in Texas, now old and grey, will doubtless recall:

I had a little hen,
I called her Blue.
Every time she laid an egg
She laid two.
She laid in the flue.
She laid in the oven,
She laid a dozen eggs
In granpa's shoe.

Next: More about "critters." Variants of these or similar rhymes will be recorded in the permanent collection of Mother Goose in Texas if sent to Ray Wood at Raywood, Texas. Copyright 1954, by Ray Wood.

4-H Club Girls Hold Training Meeting Saturday

A training meeting for the officers of the Eastland County Girls 4-H Clubs was held Saturday morning in Eastland. This meeting was to explain and encourage the use of correct Parliamentary Procedure.

The officers present went through a typical business meeting. Miss Julia LaFaye Mason, the Assistant Home Demonstration Agent, explained the duties of the various offices. A discussion was held on the characteristics of a good officer.

Mrs. Gene Trout of Trenton, Ky. is visiting in the home of her parents, Mr. and Mrs. W. L. Wright of Eastland and with her husband's parents, Mr. and Mrs. L. F. Trout, route one, Eastland while her husband, Sgt. Gene Trout is on maneuvers at Fort Benning Ga.

Mrs. Trout is the former Nancy Wright of Eastland.

Hospital Report

Mrs. Joseph M. Weaver's name was omitted from the hospital list and that of Mrs. Joseph M. Perkins used instead, Tuesday. Mrs. Perkins is not a patient at the Eastland Memorial Hospital.

Patients at the hospital Tuesday morning are Bettye Joe Carroll, surgical; E. C. Satterwhite, medical; Jeannie Wright, surgical; Ray Edwards, son of Mr. and Mrs. Victor Edwards; Mrs. H. W. Sargent and infant daughter.

Mrs. Roy M. Brickman and Mrs. Charles Petree were dismissed Wednesday.

What's Ahead for the New Year—
... is the 64 dollar question. Locally, we are plagued with problems of crop failures, readjustments in industry and an ever increasing shrinkage in buying power. Nationally, it may be more uncertainty and propaganda. On the brighter side people seem to be more concerned about what ails them. When we reach the point of concern—or alarm—we usually wake up and do something. So whatever problems may lie ahead let's keep the home fires burning. Keep adequately insured in 1955 and play safe by buying only old line insurance.

RELIEF AT LAST For Your COUGH

If a common cold left you with a cough that has hung on for days and days and quick. It is dangerous to delay. Chronic bronchitis may develop. Get a large bottle of Creomulsion and take as directed. Creomulsion soothes raw throat and chest membranes, goes into the bronchial system to help loosen and expel germey phlegm, mildly relaxes systemic tension and aids nature fight the cause of irritation. Use Creomulsion and get wonderful relief at last. Creomulsion is guaranteed to please you or druggist refunds money.

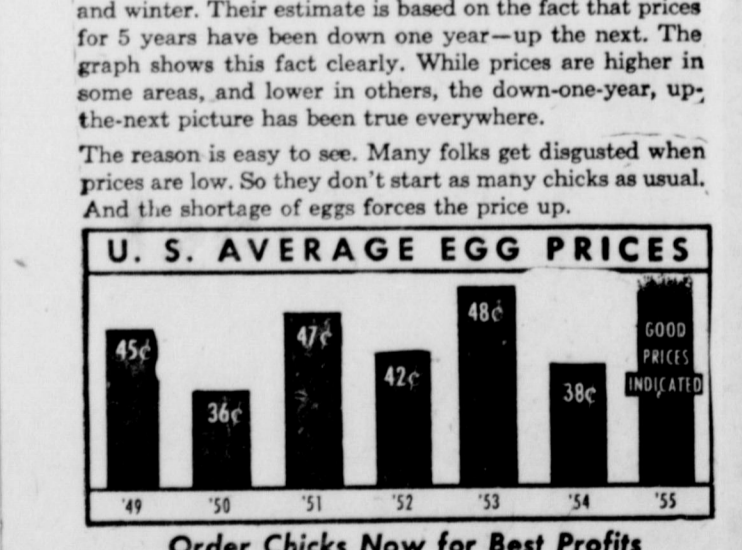

CREOMULSION
Relieves Coughs, Chest Colds, Acute Bronchitis

Early Chicks due to make extra good profits next fall predict most economists

Economists are predicting extra good egg prices next fall and winter. Their estimate is based on the fact that prices for 5 years have been down one year—up the next. The graph shows this fact clearly. While prices are higher in some areas, and lower in others, the down-one-year, up-the-next picture has been true everywhere.

The reason is easy to see. Many folks get disgusted when prices are low. So they don't start as many chicks as usual. And the shortage of eggs forces the price up.

Order Chicks Now for Best Profits

We urge all our friends and customers to take advantage of this profit opportunity. Let the other fellow quit. You'll make more money that way.

And please order your chicks early. If you start them early, they usually will make \$20 to \$40 extra profits per 100 pullets—because they're in peak production while egg prices are highest in the fall and early winter. See us real soon, won't you?

Mrs. Warren Is Honoree Tue. At Bridal Shower

Members of the Nazarene Foreign Missionary Society of the Church of the Nazarene and friends complimented Mrs. Bobby Warren of Ranger, recent bride, with a miscellaneous shower Tuesday evening in the home of Mr. and Mrs. Gordon Wadley, 1310 So. Seaman, Eastland.

Mrs. Warren is the former Linda Franklin of Eastland.

Many lovely and useful gifts were received. They were presented in a large red and white box with two large hearts, bearing the names of the bride and bridegroom, and carrying out the Valentine motif.

Refreshments of cherry pie, whipping cream, coffee and chocolate were served. Present were Mrs. Mary Franklin, mother of the bride, Rev. Lonnie Voorhies, Mmes. P. H. Couch, Stella Smith, Annie Terry, Clara Ward, Clyde Turner, Melvin Ohlson and daughter Wanda Beth, Mrs. Aubrey Wadley, Neva Deil Ward, Maxine Ward, and the host and hostess, Mr. and Mrs. Wadley.

Mrs. Bethel Reid was unable to attend, but sent a gift.

Mrs. Ben Hamner Elected Prexy EMH Auxiliary

Mrs. Ben Hamner was elected president of the Auxiliary of the Eastland Memorial Hospital at their meeting Tuesday morning in the conference room of the Texas Electric Service Co.

Mrs. James Horton, president presided and other officers elected were Mrs. D. L. Houle, vice-president; Mrs. Herb Weaver, second vice-president; Mrs. Jack Frost, recording secretary; Mrs. E. B. MacMoy, treasurer; Mrs. L. E. McGraw, historian; Mrs. Samuel Butler, publicity; I. C. Heck, auditor.

Mrs. Hamner was installed immediately and named several committees. She named Mrs. James Horton chairman of the Hospital Grounds planning committee and appointed Mrs. Samuel Butler and Mrs. Grace Reed as delegates to the state auxiliary convention to be held in Houston in April.

A good attendance was reported.

District MYF Meets In Ranger First Methodist

One-hundred and thirty young people, representing the Methodist Youth Fellowship groups from Methodist churches in the Cisco district, met at the First Methodist Church in Ranger Monday evening.

The meeting was presided over by the district president, Leland Davis of Cisco. The program included talks on "Worship" by Joyce Cushman of Eastland, Don Jobe of Scranton and others.

Mrs. J. C. Oglesby of Eastland announced plans for district activities for spring, including camps and assemblies.

An offering of approximately \$66 was taken for the Methodist mission in India.

Rev. Jim Bales, pastor of the Burkett Methodist Church led the singing and Mary Ellen Deffenbach of Ranger accompanied on the piano.

The WSCS and MYF of the Ranger church provided refreshments for the group at the close of the meeting.

Nothing tells the story so clearly as a photograph...

And the story in portraits of your children's growing-up becomes a precious possession with the advancing years. Phone for your appointment today.

Harold Everett Takes Bride In Formal Rites At Abilene

Mrs. Harold Leon Everett

Double ring wedding vows were exchanged by Edna Elizabeth Cawyer and Harold Leon Everett Saturday evening in the chapel of the College Church of Christ in Abilene.

The bride is the daughter of Mr. and Mrs. J. Austin Cawyer of Orange. Parents of the bridegroom are Mrs. Edward O. Everett of Eastland and the late Mr. Everett. W. Frank Cawyer, uncle of the bride, performed the ceremony. Three baskets of gladioli and stock were sided with twin candelabra and backed with palm ferns as chapel decorations. A burning candle was set in each window.

Janette Waugh of Perryton was soloist, accompanied by a chorus of eight students from Abilene Christian College. Miss Waugh sang "I Love Thee," "I Pledge My Love" and "Ah, Sweet Mystery of Life."

Jane Echols attended as maid of honor. She wore a forest green taffeta dress styled with low neckline, three-quarter length sleeves, fitted basque and bouffant skirt.

She carried a bouquet of pink carnations and rosebuds.

The bridesmaids, Ruth Compton and Pat Hart, wore dresses fashioned similar to the maid of honor's in lighter shades of green. Their headdresses were matching circular chenille veils. They carried bouquets identical to the maid of honor's flowers.

Given in marriage by her father, the bride wore an original gown of candlelight silk taffeta and chantilly lace. A Queen Anne's collar of lace extends into the taffeta bodice in a deep V and long fitted-lace sleeves taper to points over her hands. The bouffant skirt worn over crinolines joins the bodice in wide unpressed pleats and falls into a chapel length train. For jewelry, the bride wore a wedding band belonging to the bridegroom's grandmother, a pair of pearl earrings belonging to the bridegroom's mother and a string of pearls, a gift from the bridegroom. Her three tiered fingertip illusion veil was attached to a scalloped tiara embroidered in seed pearls. Her bouquet was a

white orchid atop the traditional Delta Theta white Bible encircled with gladioli and feathered carnations.

Best man was W. H. (Bill) Hoffmann of Eastland, Donald J. Hart and C. W. Hoffmann, Jr., of Eastland were ushers and candle-lighters.

The reception was held in the home of Miss Marie Wilmet, cousin of the bride, at 533 College Dr. A white handmade organy cloth handstitched with blocks of handkerchief linen covered the bride's table. Centerpiece for the table was an arrangement of white stock and silver coffee service. A three tiered wedding cake was served by Loreta Allen. Mrs. Herman Gipson Horton registered the guests. Other members of the houseparty were Mrs. Glenn Wamble, Miss Waugh, Carol Mitchell, cousin of the bride, Ann Chaney, Mrs. W. F. Cawyer, aunt of the bride, and the host.

The bride's mother wore a waltz length gown of sapphire blue cotton brocade with an all over embroidered design of seed pearls and rhinestones. She wore a matching pillbox hat embroidered with paillettes.

The bridegroom's mother wore a waltz length gown of mauve lace over pink taffeta trimmed with pink velvet. She wore a shell pink satin hat embroidered with beads. Both mothers wore gardenia corsages.

Among the out of town guests present from Santa Anna, Eastland, Ranger, Orange, Winters, Brownwood, Midland and Cisco, were the bride's maternal grandmother, Mrs. Edna A. Dwyer of Mullin and the bridegroom's paternal grandmother, Mrs. Francis Everett of Santa Anna.

For a traveling costume the bride chose a dark aqua grey fitted suit accessorized with white blouse, hat and gloves and black shoes and bag.

The bride graduated from ACC and is assistant home demonstration agent for Taylor County. At college she was a member of Delta Theta social club, and Ellen H. Richards club.

The bridegroom graduated from Texas Technological College. He was a member of Kemas social club. He is now cashier for the Humble Oil and Refining Co. in Abilene.

He served two years in the United States Army, and was stationed in Johnson Air Base in Japan for fourteen months.

Eastland friends attending were

Mr. and Mrs. Ben Hamner, Rev. and Mrs. J. C. Oglesby, Mmes. W. Q. Verner, Opal Cross, Anna Grace Bumpass, Ella Birmingham, Ruth Harris, Versie Bell, Messrs. and Mesdames, Eldress Gattis, Victor Cornelius, Jack Germany, W. H. Hoffmann and son Bill, C. W. Hoffmann and son C. W. Jr., John Ernst, Bill Collings, Mrs. Alla Ray Morris of Ranger, Lowell Snider and Don Hart.

The rehearsal dinner was hosted by Mrs. E. O. Everett, mother of the bridegroom and Mrs. Alla Ray Morris of Ranger, and was held at the McEpiens Restaurant in Abilene.

Present were Mr. and Mrs. J. Austin Cawyer of Orange, parents of the bride, Mr. and Mrs. Frank Cawyer, Ruth Compton, Pat Hart, Jan Echols of Abilene, Mr. and Mrs. W. H. Hoffmann, C. W. Hoffmann Jr., Don Hart, Miss Marie Wilmet, and the honored couple,

Beth Cawyer and Harold Everett.

Mr. and Mrs. C. W. Hoffmann hosted a Bachelor's breakfast Saturday morning at their home, 903 South Seaman.

Present were Harold Everett, honoree, W. H. (Bill) Hoffmann and Bill Jr., C. W. Hoffmann Jr., and Don Hart.

Afternoon Sewing Club Hosted By Mrs. Day

Members of the Afternoon Sewing Club met Tuesday afternoon in the home of Mrs. Bill Day.

Names were exchanged for secret pals, and refreshments of coffee, Cokes, and fruit cup cakes were served. The afternoon was spent visiting and sewing.

Present were Mmes. James Sherrill, J. C. Butler, J. T. Wright, J. E. Turner, Tommy Alford and Davy Mitchell.

Oscar Wilsons To Hold Open House Saturday

Mr. and Mrs. Oscar Wilson are having open house, Saturday, Jan. 22 from 3 'til 5:30 p.m. at their home 612 West Flummer Street, in celebration of their 60th wedding anniversary.

They stated that, "It is to be very informal and no special invitations are being issued, but that they would like for all of their friends to call."

Sgt. and Mrs. Billie Joe Ogden Jr. and little son, Ronnie, who have been visiting in the home of their parents, Mr. and Mrs. W. L. Wright of Eastland and Mr. and Mrs. B. J. Ogden of Ranger, have left for their home in Omaha,

Neb., where Sgt. Ogden is stationed with the United States Air Force. They were formerly stationed at Fort Briggs. Mrs. Ogden is the former Virginia Wright of Eastland.

New Joy For The Hard of Hearing With The New Beltone Transistor Hearing Aid Free Hearing Clinic

APRIL 15TH IS THE DEAD LINE

BE A WISE MOTORIST COME IN TODAY!

AUSTIN, Jan. 15 (Spl.)—A lot of Texas car owners are apt to be mighty unhappy April 15th.

That was the opinion expressed by Col. Homer Garrison, Jr., Director of the Texas Department of Public Safety, after a conference with George Busby, Chief of the Safety Department's Motor Vehicle Inspection Division.

A review of the motor vehicle inspection figures at the half-way point in the current inspection program showed the two officials that only 1 out of every 5 autos in the State have had their annual safety check as required by law. "That means," Garrison said, "that a lot of Texas car owners are apt to be mighty unhappy three months from today because they won't be allowed to operate on the streets and highways without the proper approved inspection sticker."

The Public Safety Director also pointed out that the longer motorists delay, the longer will be the waiting line at the inspection stations as the April 15th deadline approaches.

A single note of encouragement was offered by Chief Busby who said that the State's nearly 4,000 inspection stations would be able to handle the inspection of some 2 1/2 million vehicles which have not yet been checked without prolonged waiting in line provided the owners begin taking their cars in without further delay.

Failure to secure the inspection by April 15th will subject motorists to a probable fine if they continue to operate their cars after that date.

STATUTORY COPYRIGHT LAW EXPLAINED

Copyrights are of two types: Common Law and Statutory. In general, the common law copyright protects unpublished works and the statutory copyright protects published works. The following discussion applies to published works and the statutory copyright.

The United States copyright statutes give to authors, composers, and artists the exclusive right to their published works for a period of twenty-eight years. During that time others are prohibited from copying or reprinting such works without permission of the copyright owner. Statutory copyrights are renewable once for a second twenty-eight years.

Works that may be protected under our copyright laws include books (not only bound volumes, but also pamphlets, leaflets and newspapers, magazines, reviews, bulletins, proceedings of societies, serial publications, etc., which appear at regular intervals of less than a year); contributions to periodicals; lectures, sermons or addresses prepared for oral delivery; musical compositions and dramatic or dramatic-musical compositions.

Also maps; works of art; models or designs for works of art; published three dimensional works of art; reproductions of works of art; drawings or plastic works of scientific or technical character; photographs; prints and pictorial illustrations including prints (ad-

vertisements) or labels used for articles of merchandise; motion picture photoplays; and motion pictures other than photoplays.

The principal steps to be taken in securing a statutory copyright include (1) properly marking the work with a notice of copyright, (2) publishing the work, and then (3) filing with the Register of Copyrights in Washington an application for registration of the copyright. A relatively small fee and a specified number of copies of the work must accompany the application.

It should be noted that the marking must precede publication, and that both of these steps must precede the filing of the application.

Failure to incorporate the notice of copyright before publication or to set it up in proper form or to place it in the proper place on the work will result in abandonment to the public of the claimant's rights. He will lose his copyright. Requirements vary in respect to the form of the notice, and the place on the work at which it should appear—depending on the nature of the work, whether they are published or unpublished, and other factors.

On some works it is mandatory that the notice contain the word "Copyright" or the abbreviation "Copr.;" on certain other works, the letter "C" enclosed within a circle may be used instead. On some works the notice must include the year in which the work was first published.

In every notice the copyright claimant must be identified. In some cases the full name of the claimant is required; in others the initials or monogram, or an identifying mark or symbol, is sufficient. The name or mark may be that of the creator of the work, or of one to whom the copyright has been assigned.

Here is an example to show the effect of a copyright: A copyright on a map of Texas does not preclude another from publishing a map of Texas, provided he gets his information from original sources. The copyright does preclude another from copying the map protected by copyright. Further, the copyright law does not normally protect titles as such, nor abstract ideas, but rather the copyright grants the right to preclude others from copying an expression of an abstract idea.

(This column, based on Federal law, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts, because the facts may change the application of the law.)

HOW DO I PLAN FOR HOUSE HEATING?

Flue-vented heating keeps indoor air fresh, more healthful, more pleasant. Window sweating is reduced; moisture from combustion is eliminated. Flue-vented heating is recommended by Lone Star for residential installation.

If your furnace isn't the correct size, you'll never achieve comfort heating. Insist on expert engineering... on a heating system designed to deliver the correct amount of heat at proper intervals in exactly the right places.

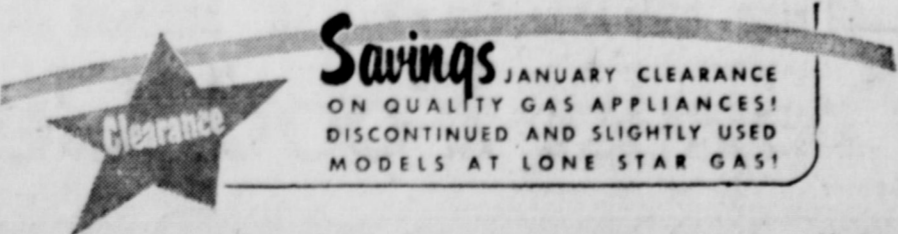

A furnace without a good duct system is like a fine automobile engine in a pushcart. Plan for installation by experienced, reliable personnel. Luckily for most homeowners, new gas central furnaces are compact—fit in small closet areas or in attics.

Here's a good way to judge a heating system! Modern flue-vented perimeter gas heating systems actually put heat in the floors. Children can play with less danger of catching colds. Chilly feet become a thing of the past. "Toe-tucking" days will be over!
