

Eastland Clean-Up Week Is Set For April 11 Thru 16

By FLOYD W. CASEBOLT
Setting the project for a period immediately prior to a sizable convention, the annual Eastland Clean-Up, Fix-Up Campaign was announced today to begin immediately.

Officially, it will be next week—but the sponsoring club suggested that since the pick-up trucks are to make the rounds by Tuesday or Wednesday, the citizenry should be gathering up all rubbish from their premises at once.

operation had been extended by City Manager A. E. Taylor. "The pickup will be a big task and the trucks are to start by Tuesday or Wednesday and be kept busy the remainder of next week," she said.

Mrs. Henry Pullman is chairman of the Clean-Up Week Campaign and she and her committee will work out details for the project. Besides the chairman, personnel of the committee includes: Mrs. Frank Castleberry, Mrs. N. N. Rosenquist, Mrs. Artie Liles, Mrs. Russell Hill, Mrs. L. E. Huckabay, Mrs. Tom Lovelace.

Eastland of the 6th District, Texas Federation of Women's Clubs. "It is expected that approximately 300 women, from over a considerable area, will attend this convention," said President Mrs. Horton of the league.

"In our community there will be a large number of people from a territory as far as Colorado City on the west, Llano on the south and Ranger on the east. So we certainly want our town to be spic and span for company."

Mrs. Pullman's committee suggested that many things can be done in tidying up—such as seeing that lawns are mowed and other chores attended to around properties; that garbage and trash of any sort—including dead limbs, shrubs and trees—be cleared out and placed ready for hauling off, and such other steps be taken as will put the community in thoroughly neat and attractive appearance.

It is the city's request that rubbish be put in containers for collection and that they be placed where they will be readily accessible for a pickup.

Eastland Echoes

By Casey
"Good teachers cost more but poor teachers cost most." — (Walker).

Once in a while, a burglary takes place somewhere in the county and in many instances, precautions would not have prevented it. Yet there are instances where use of extreme care to make valuable objects secure would have staved it off.

The rain it raineth on the just
And also on the unjust
But chiefly on the just, because
The unjust steals the just's umbrella." — (Owen).

"A sharp tongue," muses Aunt Slub, "is the only instrument which grows keener with constant use."

More and more is known about allergies (which, by the way, cause a lot of misery in the world). Harvey Lewis' father, who lives in San Antonio and is 75, suffers from an allergy and he was tested for 113 substances which might cause it. In the analysis, doctors blamed several of them. Science has made tremendous progress in recent generations.

Bought your Quarterback Minstrel tickets yet? Lots of chuckles that show! — and for a worthy cause, youth recreation.

Car Tags About Figure of 1954

While final figures from over the county were not yet available today it was believed by County Tax Collector Stanley Webb that the motor vehicles this year totaled in the neighborhood of last year's and that the receipts would run around \$170,000.

3 Commissioners Return To Office

Three Eastland City Commissioners were returned to office Tuesday when four men ran for three places open.

The candidates were Mayor George L. Davenport, Commissioner T. L. Fagg, Commissioner R. Norris Wilson and J. Y. Jordan. The vote: T. L. Fagg, 72; R. Norris Wilson, 68; George L. Davenport, 67; J. Y. Jordan, 14.

"Blair Lewis did that," said Mr. Smith, grinning. "I was around campaigning for Blair—and what happened was, he voted for me."

That was in lighter vein. On the serious side: The election will be canvassed officially at a called meeting of the commission Thursday night. Eighty-one votes were cast in the election. The carry-over members of the five-man commission are Dr. M. A. Treadwell and Cyrus B. Frost Jr.

Cub Pack Here To Be In Exposition

Cub Pack 32 of Eastland decided at its monthly meeting this week to place a booth in the Scout Exposition at Brownwood Saturday, April 23.

Theme of the exhibit will be "Nature Study and Wild Life." Cubs and parents attended the meeting. In keeping with the seasonal theme, "Knights and Knight-hood," skits were presented as follows: Dens 1 and 3, "Paul Revere's Ride"; Den 2, "King Art"; and "William Tell"; Den 4, "The Vipers (window washers) Are Coming"; Den 5, "King Arthur"; Den 6, "Ivanhoe"; Den 7, "Ball and Chain Duel."

Awards earned for the month: Mike Thornell, Bear and Lion badges, 1 gold and 2 silver arrows; George Kimbler, Wolf Badge and gold arrow; Norman Rhodes, Wolf badge; Danny Bryant, Wolfe badge and gold arrow; Dick Whittington, 1 silver arrow; Lonnie Joe Basham, 1 silver arrow; Don Nichols, 3 silver arrows; Weldon Broussard, 2 silver arrows.

Webelac Cub Scout Bobby Cartwright and Lion Cub Scout Velton Mosier were graduated into Scouting. They were welcomed into the Boy Scouts by Scoutmaster M. G. Cartwright, Eagle Scout Sol Pullman and Scout Mike Potts.

After presenting the awards, Cubmaster Garner discussed April's theme of "Forests and Grassland."

The commission works free.

BIG DAY—Mr. and Mrs. Hans Frederick Behringer, left, and Brigadier General and Mrs. A. J. D. Biddle reflect the joy young Thilda Behringer expresses over the naturalization of her parents. The former German officer and his wife were sponsored for citizenship by the Biddies in Washington, D. C.

Lions Program Is Music With Fun Feature

Eastland Lions met Tuesday night, with fine attendance, at Methodist Church Fellowship Hall.

The few absentees missed a fine program directed by the Lion Sweetheart Helen Taylor. After a program of piano solos (both Lion Sweetheart Nominee Lou Ann Corbell the high-light came when the Trio consisting of Alice Joyce Cushman, Claudine Lasater and Lou Ann Corbell, accompanied by Helen Taylor dedicated their final number Lion Coach Carrol Shelton with by-line "The most eligible but unattainable bachelor in town"—the title, "Make Love to Me."

The Senior Class was represented by Charles Cook in this meeting.

A new transfer member was introduced, Rev. Roy Turner, pastor of the First Christian Church. Among other items of business discussed was the election of officers next Tuesday, April 12.

Lion Parks Poe will be in charge of the program on that date.

10th Minstrel Is Rollicking Entertainment

Thursday and Friday nights of next week, April 14 and 15, there will be plenty of entertainment in store when the Eastland Quarterback Club stages its Tenth Annual Minstrel Show in the auditorium of the High School. Those in the know, promise there are several specialty numbers included in this show which are in themselves well worth the admission price alone. The chorus singing of peppy minstrel songs will send you away humming to yourselves, they say.

To the old-timers in and around Eastland who have faithfully supported and in return been entertained yearly by the local men who pool their talents, work hard, lose sleep and take time off from their families and businesses, there is no need to waste our time and breath in inducing them to be on hand when the curtain rises.

Friends, they are going to be there, and early too, to get a front seat—and you just can't hardly get them after 7:15 p.m. on the nights of April 14 and 15. But there will be those seats from the middle on back that sit just as good and what's more a speaker that will enable those in the back to hear has already been arranged. So mark one or both of those dates—April 14 and 15—on your family calendar cause we promise you you'll miss something if you don't," it was suggested.

"To you new comers to Eastland, we invite you to come be one of us. It's in these community affairs that we become better acquainted. Also we might add that proceeds from the Annual Quarterback Minstrel goes to benefit your kids and mine. The practice football field and quarter-mile cinder track which is now near completion have become realities through the efforts of the membership of the Quarterback Club and their production each year of this show. We need the support of every man, woman, and child in Eastland. This small group has worked and sacrificed to produce this show and they are counting on your being on hand to join in the good work and share in the fun.

"So all you good people get your tickets today from your neighbor. We are sure one of them is a Quarterback Club Member and he either has some tickets or will get them for you. While the members of the east are sharpening up their wits and learning their last minute cues, you fun-loving citizens get the family ready from the baby on up to grandpa and we'll see you at the Minstrel."

Very Sincerely,
Eugene Kilgore
717 South 11th St.
Ablene, Texas.

(P.S. This was typed off by a friend of his who so very much wants to help him find his sister. Will you please write him just any information you can find concerning this matter. Thank you so very much.)

Four For Water Board Elected; No Opposition

Elected without opposition in the Eastland County Water Supply District Board election were Grady Pipkin, L. E. McGraw, Guy Parker and M. H. Perry.

The function of the board is to supply Eastland and Ranger—and others who desire it—with water, the board having come in to being along with the project for the lake.

THRONG DUE AT SONGFEST

The outlook for a big crowd at the Easter Sunday Eastland session of the County Singing Convention is very encouraging, according to the committee on arrangements, headed by Clyde Fisher.

In attendance, besides the individual singers from over a wide territory, will be numerous well-known quartets and then countless "folks who just love good gospel music." Everybody's invited, President Stanley Webb reminded.

Singing is scheduled to start promptly at 10 a.m. and the convention will be held in the High School Auditorium and there will be "dinner on the grounds," with full co-operation with the ladies arranging for the meal urged by the committee.

Abilene Man Is Seeking To Find His Relatives

Thinking that perhaps someone might assist an Abilene man in locating relatives he is seeking, Chamber of Commerce Manager H. J. Tanner has passed on, for publication in the Telegram, the following letter he has just received:

Dear Sir:
Would you please locate for me anyone there in Eastland, knowing Bill Crossley? He married my sister and after living in Idaho they were coming home for Christmas when he took sick and died at Salt Lake City, Utah. I have not heard from my sister since. This was in the year 1919.

I am 64 years old and not in very good health and would so very much like to locate my sister as soon as I can.

Any information you can find concerning the Bill Crossley family who lived there in Eastland would be greatly appreciated. Would you please do this for me? I do so very much want to see her from her before I die.

Ranger Trio Escape Injury In Auto Accident

Three Ranger people narrowly escaped injury Tuesday night when their automobile overturned approximately two miles east of Eastland on U. S. Highway 80.

The trio, Dr. and Mrs. P. M. Kuykendall and Mrs. J. P. Morris, were enroute to Eastland when a tire on Mrs. Morris' automobile blew out and the car overturned before coming to rest up-side-down.

Firemen Convene Next In Dublin

Concluding the business meeting of their Eastland quarterly convention Tuesday night the North Central Texas Volunteer Firemen's Association selected Dublin as their next convention site.

The Eastland convention was held in and in the vicinity of the City Hall. It opened with pump and hose races. In the pump race, the object of which was to see what six-man team could hook up a truck the fastest, the results were Dublin, first place, 23 seconds; Weatherford, second, 23 1/2 seconds; DeLeon, third, 25 seconds. The time of Eastland, which as host, was not competing, also was 25. Other results: Ranger "no time"; Mineral Wells, 27 1/2; Aledo, 30. In the two-man hose race, the object of which was to determine the fastest teams in hooking a line to the truck and getting water to spraying, the results were: Winners—Weatherford, first, 17 seconds; Ranger 18; Aledo, 19; others, Eastland (host), 17 1/2; Mineral Wells and Dublin, both 20, and DeLeon, 20 1/2.

At the ensuing banquet, approximately 130 were in attendance. Delegations were present from Aledo, Dublin, DeLeon, Eastland, Palo Pinto, Mineral Wells, Ranger and Weatherford.

President Guy Robinson Eastland first assistant chief, presided over the business meeting and program. Entertainment consisted of musical numbers by a vocal trio, the Norris Sisters—Patsy Leta and Nancy—from Carbon. The address of welcome was delivered by Eastland City Manager A. E. Taylor.

"It is a pleasure to have in our midst a group of men who are performing such a fine service for your communities," Mr. Taylor said.

A visiting Cisco delegation inment probably will join the association and the association went on record, in turn, as voting the Cisco men in—if they so desire—in order that they may compete in the races at Dublin.

President Robinson, on behalf of the association, presented an attractive trophy to Dublin.

The convention was closed with prayer by the Eastland chaplain, Johnny Grimes.

Officers of the association are: Guy Robinson, Eastland president; Herman Tolberg, Mineral Wells, first vice-president; Alvin Bennett, Aledo, second vice-president; D. J. Daniel, Eastland, secretary; treasurer: Tom Jordan, Palo Pinto, sergeant-at-arms; H. A. Shokley, Ranger, chaplain; Mrs. Guy Robinson, Eastland, sponsor; J. V. Ruth Jr., Weatherford, mascot.

The convention learned that the State Firemen's and Fire Marshal's Convention is to be held in Dallas June 14-15-16.

1st Methodist Spring Revival Will Open Wed.

First Methodist Spring revival will begin at 3:30 p.m. Wednesday at the church and will continue through April 24, announced the church pastor, the Rev. Jackson C. Oglesby.

Dr. Ray Neill Johnson of Abilene will conduct the services, and the public is "cordially invited," he Rev. Mr. Oglesby said.

Car Inspection Deadline Draws Near, Capt. Says

"Motor Vehicle Safety Inspection deadline is drawing near," said Captain G. L. Morahan of the Abilene Texas Highway Patrol District office today.

County Pecan Field Day Set For Gorman

The annual Eastland County Pecan Field Day will be held April 28 at the C. D. Simmons orchard, near Gorman according to information today from the County Agent's office.

Pecan growers not only from Eastland but also from adjoining counties are invited to attend the all day affair which starts at 10 o'clock and lasts until mid-afternoon.

Cover crops, fertilizers, crow control, new pecan varieties, insects, sprays and other topics will be discussed at the meeting by top pecan men from over the state it was said.

Those who have been asked to appear on the program include R. G. Hancock, Extension Horticulturist, A&M College; W. L. Rainey, pecan nurseryman and grower, Richland Springs; L. G. Romberg, U. S. Pecan Experiment Station, Brownwood and J. W. Foster, Jr., entomologist, Weatherford.

Several round table discussions will be held on several topics it was said in order to give those in attendance a chance to express their opinion. Those who attend are asked to bring their own picnic lunch. Coffee and cold drinks are to be furnished.

The annual field day in 1954 was held on the Lee Leiske farm in the Nimrod Community.

The place for the annual county pecan show will also be selected during the day. The pecan show has been held at Cisco the past two years. It has been the only county show of its kind in the state.

Sheriff's Posse Meets Tonight At Courthouse

The Eastland County Sheriff's Posse will meet tonight in the old 88th District Courtroom of the Eastland County Courthouse.

"We would like to have full attendance," said Capt. Bill Hoffmann.

30-Year School Board Veteran Looks Back on Changing Times

After thirty years of service to the schools of Eastland County as a member of the County School Board, W. P. Roach of Rising Star, who was elected to another term on the board Saturday, can look back upon a period that has seen the most rapid and radical change in the history of the public school system.

His service began in the fading years of an era so well commemorated by the lines of a familiar little poem, some of which goes like this:

"Readin' and writin' and 'rithmetic,
Taught to the tune of hickory stick—"

In the more than a quarter of a century since he first took up his duties as a county school board member in 1925, the common school district with its one-, two- and three-teacher school, has disappeared. There were 40 such common school districts in the county when he first began serving as a board member. Today all districts of the county are into nine districts administered under

the high standards and strict regulations of the Gilmer-Aiken laws. All of these districts are under the supervision of the County School Board and the county school superintendent.

Mr. Roach has had an important part in bringing about this change.

The change has not been easy. The old common school district, steeped in tradition and jealous of its local prerogatives, did not die easily.

"It was pretty rough, back there when we were making those consolidations," Mr. Roach recalls.

Under the Gilmer-Aiken school laws, it is mandatory that the County Board consolidate dormant districts into active independent districts or common school districts. In cases where voting was indecisive or negative, the board ordered the dormant districts involved to be joined to adjacent independent districts or common school districts. There was a considerable outcry from some quarters.

"Corrected insert," Mr. Wentz wrote, "will be mailed within a few days."

This announcement from Fire Insurance Commissioner Mark Wentz to insurance agents was submitted to the Telegram today by D. L. Kinnaird.

Each His Own Share

Holding a firemen's convention in a community serves the purpose—along with others—of reminding the public of the fact that the Demon Fire lurks just around the proverbial corner.

This we were thinking about the other evening when the Central convention was held here in Eastland.

And we were thinking, too, of the obligation we owe the volunteers who work for our protection from damaging and maiming fires.

That obligation, as you may well imagine, is to do our full part in co-operating, especially along the line of precautions.

Then there are other things, also—like not cluttering the pathway of the department in fire time with fire-fans, and parking in a way that would obstruct the battling of the flames.

Let's each do his full share to keep the fire loss in our community at a sheer minimum.

Two Links Meets Are Announced

A pro-Amateur golf tourney will be held at Lakeside Country Club at Eastland at 1 p.m. Saturday, it was announced by John Lively, manager of the club.

Prizes of golf merchandise will be awarded members of the three winning teams.

Players are expected to participate in the tournament from Fort Worth, Weatherford, Mineral Wells, Abilene, Graham, Breckenridge, Cisco, Ranger and Brownwood, Mr. Lively said.

The annual invitational amateur golf tourney will be held at Lakeside July 8, 9 and 10. Mr. Lively said, when more than 100 people are expected to attend from Dallas, Fort Worth and throughout West Texas.

30 Year -

(Continued From Page One)

ters, but the reorganization has been accepted as best for the schools and an inevitable development, it was pointed out.

"We have better schools, better teachers and better facilities," said Mr. Roach. "The children of the county, all of them, now have better educational opportunities. Terms are no longer limited by the tax resources of the little districts and every district, no matter how small, can attract highly qualified teachers because standard salaries are paid."

But even if the demand for better schools had not dictated the death of the old dormant school district, the shifting pattern of the population would have done so, Mr. Roach points out.

"There are a lot fewer people living on the farms now," he said. "Farm families have moved into the towns and commute between their town homes and the farm, in many cases."

The same good roads which make this "commuting" possible, make it easy and practicable to group the old districts into one large district and transport the students by buses.

Although much has been accomplished in the direction of improving the schools and their organization, much remains to be done, Mr. Roach believes.

The veteran County Board member is not a native of the Rising Star area, although he came within three months of being so. His parents took him to that community from Navarro county when he was that age, and he has lived all of his life since in the Rising Star area. Mrs. Roach, the former Miss Kate Nunnally, whom he married in 1898, died last October. Eight of their children are living. They are: Mrs. Mary Hardy of Los Angeles, California; Mrs. Bess Bowers of Abilene; Mrs. C. A. Crowder of Rising Star; Mrs. O. T. Marsh of Lubbock; Travis Roach of Mineral Wells; Terry Roach of New Braunfels, and Bob Roach of San Angelo.

Personal are being accepted for direct assignment to the 10th Infantry Division whether or not they have had prior military service. Anyone interested in such an assignment may contact Sgt. Love each Tuesday between 8:30 and 4:30 at the local draft board.

Ranger area will be sent directly to Fort Riley to take preembarkation training before departing for Europe. The recent Department of the Army circular guarantees trainees enlisting under the program a two-weeks leave before overseas departure. Sgt. Lowe emphasized, however, that it is not mandatory that trainees take the leave unless they want it. Instead, he explained, the trainee can save his leave, which he accumulates at the rate of 30 days per year, and use it to travel in Europe after arriving on the continent where, from his base at Wurzburg, the trainee may visit such places as Paris, Rome, Madrid, Berlin, Copenhagen and a veritable host of famed resort spots open to members of the U.S. Army stationed in Europe. Many of these trips are planned and operated by the Army through its Special Services Section in Europe.

Cisco Baptist Workers To Meet In Gorman

The Workers Conference of the Cisco Baptist Association will meet Tuesday, April 12, at 5:30 p.m. in the First Baptist Church of Gorman. There are 36 cooperating Baptist Churches which have a combined membership of 11,574.

Rev. Calvin Bailey, pastor of the Second Baptist Church of Ranger will bring the message. Other speakers on the program are: Rev. Joe Self, of Albany; Rev. Harry Grants, of Carbon; Rev. Alfred Nelson of Olden, Rev. M. A. Pennington of Gorman and District Missionary Lawrence L. Trott of Abilene.

Supper will be served at 6:30 and the program will begin at 7:15 p.m. The Associational Board will meet at 5:30 and the WMS will hold their meeting at the same time. This is one of the fine programs of the year and a large crowd is expected.

Eastland County Gets Additional Oil Discovery

Eastland County has gained a new oil discovery 1/2 mile east of Eastland.

It is H. A. Birdwell and Son of Coleman No. 1 Dountain, in John House Survey. It formerly was Stuart Lydiek No. 1 Dountain.

Completed from the Lake Sand, the well has a daily potential of 24 barrels of oil, pumping from 39 perforations at 3,084-3,090 feet. Casing was set on bottom at 3,123 feet.

Home Nursing Hints

Water, Water Everywhere

Boys and baths don't mix well even under ordinary circumstances, and handling a squirming youngster and a pan of soapy water in bed can be a real chore. The bed bath refreshes and relaxes a patient. It also stimulates the circulation and provides a mild form of exercise. For these reasons it is important to the patient's recovery and comfort. It is equally important to give the bath correctly to avoid chilling or fatigue.

To learn how to wash a patient in bed comfortably and easily—in addition to other simple sickroom skills—join a Red Cross home nursing course. See your local chapter about enrolling.

Home Nursing Class Will Begin In Eastland Monday Afternoon

Mrs. Bill Tucker, Rt. 1, Ranger, Home Nursing Chairman for the Eastland County Red Cross Chapter, announced today that a Red Cross Home Nursing Class is scheduled to begin Monday.

Classes will be conducted from 2 to 4 p.m. Mondays, Wednesdays and Fridays. It will take six two-hour sessions to complete the course. The class will be taught in the Home Nursing room in the City Hall at Eastland. This room is provided by the City free of charge.

The class will be limited to ten students. The ladies from the Morton Valley area will be given preference as it is by their request that the class is being offered at this time; however, if anyone in Eastland or surrounding territory is interested in taking this course,

please call the Red Cross office in the afternoons. Phone number 453, or contact Mrs. Tucker, it was announced. If sufficient interest is shown another class will be organized.

There will be no charge as this is a Red Cross community service. Mrs. Bill Tucker, an authorized Red Cross instructor, will teach the course.

GOING TO VISIT WITH INJURED LAD, LUBBOCK

Mrs. T. L. Willis will go to Lubbock this weekend to visit her brother-in-law and sister, Mr. and Mrs. H. M. Harris and 15-year-old son, Kay. Kay suffered a break to his neck while swimming 19 months ago and his condition is serious.

Here From Fort Worth

Mr. and Mrs. Paul Chaney of Fort Worth visited friends in Leon Plant Village Sunday. He was superintendent of Texas Electric Company here before being transferred recently to Fort Worth by the Company.

CARD OF THANKS

I wish to gratefully thank all who supported me Saturday in the School election and to wish the successful candidates well in their service to our schools. Harvey L. Lewis.

Children On Program At WSCS Meet

The Women's Society of Christian Service of First Methodist Church met Monday afternoon in the church parlor for the children's program, with Mrs. Rudolph Little, secretary of Children's Work, in charge.

The children, Herman Walter, Dan Massengill and Verle Bosen, gave talks on churches in foreign countries, and Sheila Sneed gave the closing prayer.

Announcement was made of a tea to be held at 7 p.m. Monday, at the church, honoring business women of the church and the Wesleyan Guild, with Mrs. John Berry of Clyde as guest speaker.

Refreshments of punch and cookies were served to the following: Meses. Frank T. Crowell, Taylor Smith, A. E. Cushman, Cecil Collings, Turner Collie, James Horton, R. C. Ferguson, O. O. Mickle, T. M. Johnson, Henry Van Geem, Ina Bean, John W. Turner, Gay Quinn, O. M. White, T. J. Haley and C. M. Fogue.

D. D. Degree Conferred On Ex-Olden Man

Mrs. W. E. Matlock and Mrs. Carl Butler, both of Olden, and the Rev. Alfred Nelson, pastor of First Baptist Church of Olden, attended the ceremony Wednesday in which the honorary Doctor of Divinity degree was conferred upon the Rev. Clifford Nelson, District Missionary, by Howard Payne College in a ceremony at Mims Hall, Brownwood.

The Rev. Clifford Nelson is a former pastor of the First Baptist Church at Olden.

Mrs. Herring Talks On Her Trip To Europe At Las Leales Meeting

"Guest Night" for Las Leales Club — Monday at the Woman's Club — featured a travel talk by Mrs. Ruth Poe Herring, who told about her trip to England and the Continent last summer.

Mrs. Thura Taylor spoke briefly, welcoming the guests, and introduced the program numbers. Lou Ann Corbell sang "Italian Love Song," accompanied at the piano by Alice Joyce Cushman, and Janis Little was presented in a violin solo, accompanied by Mrs. R. W. Scott.

Mrs. Taylor introduced Mrs. D. E. Frazer who gave a brief outline of the book, "Forty Plus and Fancy Free," by Emily Kimbrough, which is a book about a European tour. Mrs. Frazer then presented Mrs. Herring, saying that Mrs. Herring had journeyed to Europe only last summer and thus could give a "first-hand" account of the trip.

Mrs. Herring took her audience on a "word-voyage" to enticing places in such countries as Ireland, England, Scotland, Norway, Sweden, Holland, Germany, Switzerland Italy and France, which she visited on her tour.

Miss Verna Johnson, chairman of the hostess committee, was in charge of exhibits. Displayed on two long tables were various objects d'art and other items Mrs. Herring had collected on her trip. Travel books and maps adorned the bulletin board, while the screen in the background was covered in a map-patterned fabric.

White chrysanthemums decorated the piano and in keeping with the theme the registration table was adorned by a boat and airplane, together with pot plants. About 40 members and guests registered at this table, at the entrance, where Mrs. J. C. Whatley, president, presided, assisted by the hostesses — Miss Johnson, Miss Jessie Lee Ligon, Mrs. Taylor and Mrs. W. E. Brashier.

During the refreshment period a group of talented young people, some of whom are daughters of club members, furnished a background of music, as follows: Janis Little, Linda Huckabay, Helen Ruth Flowers, Alice Frazer, Sue Stoker and Alice Joyce Cushman.

The hostesses served refreshment plates of cookies and tall glasses of fruit punch. Napkins bore foreign scenes and the inscription "Bon Voyage."

Music In The Home Is Subject Of Music Study Club Program

Mrs. W. E. Brashier was leader and introduced the program numbers at the Wednesday afternoon meeting of the Music Study Club at the Woman's Club. "Music in the Home" was the theme and Mrs. R. L. Carpenter spoke on "Problems of a Genuine Musical Culture in America" by Paul Mocsani from the Etude; Mrs. L. E. Corbell gave the life and works of Aaron Copland followed by two piano numbers, Copland's "The Cat and the Mouse" and MacDowell's "Scotch Poem," both played by Sandra Sue Stoker. Mrs. E. H. Culbertson gave "Genesis Begins With Maturity" by Brant and her daughters, Kay Culbertson played two piano numbers, "Russian Dance (Engleman)" and "Air with Variations" (Scarlati-Podolsky).

Mrs. D. L. Houle, first vice president, presided at the business session and Mrs. A. F. Taylor, president, gave the highlights of the 40th annual convention of the Texas Federation of Music Clubs held recently at Mineral Wells, which she and Mrs. D. L. Kinnaird attended. The convention next spring, she said, would be held in Dallas. Mrs. Kinnaird, secretary, read the minutes and correspondence. The club voted to donate a dollar per member rather than sponsor a bake sale or a rummage sale.

Local Committees Are Making Ready For 6th District, TFWC Convention Here April 18 - 19

All local committees have been appointed and plans are progressing for the 40th annual convention of Sixth District, Texas Federation of Women's Clubs, which will be held in Eastland April 18-19, it was announced by Mrs. James Horton, general chairman of local arrangements for the convention.

The theme for the convention is "Be Glad for Little Things." Mrs. Hart Shoemaker of Abilene, president of the district, will preside and Mrs. L. E. Dudley of Abilene, state president, will be one of the speakers.

Pages will be Mrs. Horace Horton, chairman; Mrs. Robert G. Perkins, Mrs. M. A. Treadwell, Jr., Mrs. Tom Wilson, Mrs. Bill Hoffmann, Mrs. M. H. Perry and Mrs. John Venable.

The decorations committees for the various meeting places, and the foods committees for the two luncheons, the dinner and breakfast and program features will be announced in succeeding issues of the Telegram.

Local women wishing to attend the Monday night dinner at the gymnasium must turn their reservations in to Mrs. B. W. Brewer by Friday, April 15, it was announced.

THE 100-MILLION-DOLLAR LOOK!

CHRYSLER WINDSOR DELUXE V-8 4-DOOR SEDAN

A motorcar named TERRIFIC!

Take the word of the many thousands who have been switching to the beautiful Chrysler Windsor Deluxe V-8—

There's an excitement about this stunning new car that's contagious. You'll feel it at the wheel. Your passengers will feel it. And those who watch you flash by will feel it, too!

You'll be absolute master of eighteen feet of sleek and stunning new motorcar styling. And it's a lot more than just a new look... it's a thrillingly different look from anything else you'll see, no matter where you drive.

By measurement, Chrysler is inches lower than other big cars. It's longer than ever—a breathtaking sweep of tailored steel that, even at rest, suggests pure motion.

You sit behind the only windshield that "wraps around" both top AND bottom to accent the car's look of forward motion. And it's this sweepback design that makes Chrysler's Super-Scenic Windshield the safest to see out of!

The wonders never cease, especially when you start driving. In the Windsor Deluxe with its brilliant new Spitfire V-8 engine, or the 250 hp New Yorker Deluxe... and with PowerLite automatic drive... you get a head start that's for keeps. And no other car in the world gives you Full-time, Power Steering or bigger, smoother, safer Power Brakes!

Your Chrysler Dealer wants to show you the biggest dollar-value car on the road today. Stop by soon for the greatest motoring experience ever. Ten-to-one you'll call it "Terrific!"

Ward Head Says Wolfson Control Means "Blueprint For Disaster"

CHICAGO, APRIL 7—Labeling the program of Louis E. Wolfson, who seeks control of Montgomery Ward, a "blueprint for disaster," Sewell Avery, chairman of the board, today told stockholders that the proposals "involve dangerous risks to the security of your investment."

Mr. Avery's statement took the

form of a proxy letter to the 68,000 Ward stockholders. He dealt specifically with the Wolfson "spin off," which would make the company a tenant in property it now owns free and clear; a proposal to invite tenders for two million shares of stock, and other Wolfson proposals to expend the company's reserves.

Regarding the proposal for a "spin off" of all the real estate and physical properties of the corporation to a separate real estate corporation, the stock of which would be distributed to Ward stockholders, Mr. Avery said: "The properties include the company's home office in Chicago,

The Homer Coles Attend Wedding; She Fetes Niece

Mr. and Mrs. Homer P. Cole and daughter, Krista, of Eastland, were guests at the wedding of Mrs. Cole's niece, Miss Hope Ann Hawkins of Greenville, and Thomas Lane Glenn of Dallas.

Scene of the formal wedding was the sanctuary of Wesley Methodist Church of Greenville, and the Rev. C. B. Fielder was the officiant.

The bride is the daughter of Mr. and Mrs. Raymond Hawkins of Greenville and the bridegroom is the son of Dr. and Mrs. James L. Glenn of Rockwall. The bride is a graduate of Greenville High School and is now a junior student nurse at the Methodist Hospital School of Nursing, Dallas. Her husband, a graduate of First Texas State Teachers College and a senior at Southwestern Medical School, Dallas, will receive his M.D. in June.

After the ceremony a reception was held in Hamilton Hall of the church. The couple went to Galveston for their wedding trip.

While in Greenville, Mrs. Cole was hostess at a miscellaneous shower given in honor of the bride, Friday, at the home of Mrs. G. J. Parkhill of Greenville. Fifty guests attended.

West Ward P.T.A. Study Club Meets With Mrs. Fullen

When the West Ward Parent-Teacher Association Study Club met Tuesday at the home of Mrs. Milton Fullen, 1009 S. Seaman, Mrs. M. H. Perry led the study on "Forewarnings of Delinquency."

Mrs. Frank Sayre, president, presided and Mrs. R. R. Middleton, secretary, read the minutes. Mrs. Fullen served refreshments of doughnuts, fruits, Cokes and coffee.

the nine mail order houses, twenty-four stores, three factories, twenty-four warehouses, 7 sites acquired (others under lease) for the construction of new and improved stores and over 100 other properties owned by Wards and being used in the business. These stores have a current book value of \$30 million.

"Mr. Wolfson would have Wards contribute \$20 million in cash creating a corporation with an initial capital of \$50 million. Wards would then lease such properties from the new corporation and pay rent for properties which it now owns free and clear — your company does not believe that such a "spin off" would be good business."

On the Wolfson proposal to invite tenders for two million shares of the company's common stock at book value, Mr. Avery said:

"This scheme could require about \$190 million of the company's cash, with the twenty million to be contributed to the real estate corporation, accounts for about two-thirds of the \$327 million in cash which the company has set aside from earnings to finance its growth and expansion.

"In our opinion, this stock tender proposal is designed primarily to enable those he (Wolfson) has induced to buy stock to get out with a quick profit and to relieve himself and his family of obligations on loans or guaranties given to such purchasers of Wards stock.

"The stockholders of Wards could only suffer, once the company has been drained of two-thirds of its liquid assets and was paying rent for the physical facilities it now owns; the investment value of your stock would be substantially reduced."

Mr. Avery cited the Wolfson

proposal for financing Wards with insurance loans of \$200 million. The Ward chairman said: "Just why a company should distribute \$210 million of cash—and then go \$200 million in debt, is left unanswered."

Other proposals by Wolfson for Wards, as cited by Mr. Avery, call for \$160 million to be put into more time and charge accounts; \$75 million into more inventories, and plans to build or start 24 new stores in his first year. Mr. Avery added:

"He (Wolfson) estimates that initially this would require \$36 million. At present peak construction prices we estimate it would cost approximately \$5,400,000 to build, stock and open one store of the type last built by Wards—24 such stores would cost about \$130,000,000.

Citing Wolfson's promise to bring into the company six top merchandising men of outstanding reputation and a proposed stock split, the Ward letter to stockholders concluded:

"He (Wolfson) has refused to identify these individuals so that their experience and record can be checked by you. In contrast, the present management of Wards is composed of men who have spent a substantial portion of their lives at Wards and who have contributed to bringing the company to its present position as one of the soundest and strongest corporations in America. The eight top executives in the present management have combined experience at Wards of 160 years, an average of 20 years per man — although, with two exceptions, all of these officers are less than 50 years of age. They constitute a young, aggressive and experienced management, and in my opinion

are the best management team which Wards has ever had.

"As to the stock-split, the stockholders would simply have three pieces of paper instead of one and would be entitled to exactly the same earnings and dividends as they now have. We suspect, however, that Mr. Wolfson has espoused this proposal in the hope that some stockholders will con-

clude they will get something more than they now have. The proposed stock split is only a maneuver."
