CREIGHTON TO SPEAK IN RISING STAR

Sen. Tom Creighton will speak on the proposed Texas Constitution Tuesday in Rising Star at a public meeting sponsored by the new Jaycee club there.

The public is cordially invited to attend the meeting which will begin at 7:30 p.m. at the high school gym. The Community Singers under the direction of James Steel, will present patriotic choral music.

The Constitution will be voted on in November.

Mavericks Smash Lions 18-0

A trio of sixes and a stubbornnosed defense put together a near perfect 16-0 season opener Friday night in Maverick

Stadium for Eastland fans. The shaping up 1975 Maverick team tried a lot of things,

but pretty well stuck to basics to down the visiting Dublin Lions in the initial test. It was the third outing (including two scrimmages) that the Mavs defense has held opponents

and it was here that the Eastland defenders had their finest hour, refusing to give ground at the crucial time.

Only unhappy event was the injury of Back Clark Thompson

Memorial Hospital where he was X-rayed and hospitalized with a reported pulled muscle in his back. He was reported resting well Saturday morning.

Dublin received but Eastland

Quarterback Rex Morgan repeatedly called on John Hill and Mike Stutts for gainers to pick up three first downs in a row moving to the 12, only to be stymied with a 15 yard holding penalty. Tossing Quarterback Mike Lewis came on to try the air, but saw his aerial miss Stutts in the flats, and Dublin took over on the 15, only to gain one yard before punting to Eastland's Randy Wharton who

took over on the 26, from which

moved to the 35. An Eastland fumble (one of a number) was recovered by the Lions who suffered one of their many setbacks when Mark Thompson got in and downed the Lions for a big, big loss.

Stutts took the Dublin punt to the 26 as the first quarter drew to an end, and Morgan on the first play gave it to Stutts for four, kept for five; called on Hill who added five more. Hill took again for four and on the next play Hill moved left and took it on over for the first score of the season early in the second period. Kicker Scott Kirkpatrick saw his boot go outside for the

After the kick return, Dublin picked up their first two first downs of the evening. After a couple of unspectacular exchanges, Clark Thompson re-covered a Dublin fumble on the 24, setting up the next Maverick

Morgan called on Stutts for two. Lewis gave it to Hill for four and Hill reported with four for a first down moving to a first and goal situation. Lewis gave to Clay Wheat who ground three and Hill went over on the next play moving over left tackle for another touchdown. Extra point try was blocked so it stood 12-0.

After the kick return, the Eastland defense got really mean. Tommy Williamson creamed the Dublin quarterback for a 16 yard loss, and Stutts intercepted himself a Lion pass putting Eastland in business on the 24. In three plays the Mavericks gained a first down but a 15 yard penalty set them back. Then a Lewis pass was intercepted by a Lion who went across, only to learn that he'd stepped out of bounds at the seven. And it was at this point as the first half ticked way that Dublin tried hardest. But Eastland tried harder and a Dublin-recovered fumble, and a grinding move-in by Williamson stopped the threat as the second quarter ended. Following the alftime, Eastland took on the 45 and Morgan kept for nine yards and gave to Hill for ten. Stutts on the next play recovered his own fumble to lose but a vard.

Lewis hit Stutts for eight aerial yards. Hill recovered another Maverick fumble to stay in business. Lewis connected with Randy Wharton who galloped over jubilantly for six more Eastland points. Extra point kick failed.

The remainder of the game was scoreless but nonetheless good football has Head Coach Dallas and his staff moved Mavericks in for practice and experience

Brian Haun intercepted a Dublin toss. It was toward the end of the third period after a series of outstanding defensive plays against Dublin that Clark Thompson was injured.

Defensive standouts, making tackles at crucial points were Aaron Arnold, Mark Thompson and Randy Wharton who, being last man in sight, caught and stopped what would have been a Dublin score late in the fourth period. Plays earlier the Dublin quarterback connected to an end who caught the ball, only to

chairman of the Chamber's Award Committee for Community Improvement. The award was presented Friday afternoon and says in part, 'For outstanding achievement in an effort to improve and enhance our

TESCO To Ask City Council To Approve New Rates

If that rating is lost, the company could only borrow at

higher interest rates, adding

Texas Electric Service Company Manager Frank Sayre will ask the Eastland City Council on Sept. 15, to approve new electric rates that will increase the company's revenues by 9%.

Sayre said the exact size of the increase for any individual depends on the amount and pattern of use. A typical customer whose electric bill for the year averages \$15 a month will have a 6.4 percent annual increase. The increase generally will be less for users of small amounts of electricity and more for users of large amounts, he said.

'Eastland residents today have electric rates among the lowest in the nation". Sayre told the council, "and we.. want to keep it that way. But to continue to give our customers reliable service at the lowest possible price in the long run, we must build new plants using cheaper fuels than natural

Sayre said the new plants will use lignite coal and nuclear fuel--both much cheaper than natural gas at today's market prices. Large reserves of lignite and supplies of nuclear fuel have already been acquired, he

Because of the high construction costs for the new plants. Savre said, the cost of producing electricity will go up. "But these new plants, expensive as they are, will still produce electricity cheaper than plants using gas at today's high prices", he said.

Currently TESCO's long-term contracts for low-cost natural gas are helping to keep rates down. But those contracts will expire in about five years, and gas today--if it can be found at all--is much more expensive.

"The price of gas and oil has skyrocketed," Sayre said, "and we can no longer be sure these fuels will be available to serve our customers' needs.

TESCO now uses natural gas for nearly 80% of its fuel needs. with lignite and small amounts of fuel oil making up the remaining portion. Company plans call for lignite and nuclear fuel to supply 65% of power generation by 1982.

Sayre said the construction program is on schedule, with three lignite generating units already in operation and seven under construction. Work on the Comanche Peak Nuclear power plant near Glen Rose is also on schedule.

To finance the programwhich calls for some \$500 million in the years 1975 through 1977-TESCO must borrow large sums of money in the highly competitive money market. Sayre said. If the company's revenues aren't sufficient, he indicated, the company's credit rating will be lowered and borrowing would be more difficult and more

expensive. So far, he said, TESCO has

been able to borrow at the Austin and \$27 in San Antonio. lowest possible interest rates because of its high credit rating.

millions of dollars to the cost of providing electricity. 'To continue raising the money needed to build these new plants," Sayre said, "we must have sufficient revenues to maintain investor confidence. But keeping revenues at an adequate level in the face of rising costs is difficult. Despite our efforts to cut back expenses, inflated costs of labor, materials and other needs are continually

our customers with electric By maintaining a sound financial position in the past. Sayre said, TESCO has been able to provide good service while keeping rates below those other parts of the ountry. He said a \$20 residential electric bill in Eastland

driving up the cost of providing

Sayre, who said the increase was the "very minimum" required to keep the investor confidence needed to raise the funds the company needs, asked that the new rates applied to all bills calculated rom meter readings on or after Jan. 1. 1976.

TESCO's last rate increase. early in 1974, raised revenues about 9%. Before that, the company had received only three rate increases (in 1951, 1961 and 1972) and had made several rate reductions, most recently in 1963 and 1965.

A Public Utility Regulatory Act passed by the Texas legislature in its last session established a commission which will have jurisdiction over electric rates beginning Sept. 1, only. Municipalities will continue to regulate electric utilities within their corporate limits, but beginning Sept. 1, today would be \$56 in New 1977, can transfer rate regula-York, \$27 in Chicago, \$32 in tion to the commission.

DEFENSE HOLDS...

Spaghetti Dinner Wednesday

There will be a Chicken Spaghetti dinner September 10. from 11 a.m. to 2 p.m. at the Women's Club located on Plummer Street in Eastland. just west of the First Baptist Church Education Building.

The dinner will consist of Chicken Spaghetti, salad, bread cakes and coffee and tea--all for only \$2.25.

Tickets may be purchased at the door. Sorry, no delivery service.

The ladies are making money to purchase new carpet for their newly decorated club house.

IF CRICKETS come, can winter be far behind? They have, and hopefully it will...Some are saying we're going to have a foul winter. It's for sure sweeping, yeah, shoveling black, crawling, squealing, squirming crickets is foul business. Most Eastland merchants are doing that and muttering under their collective breaths: "Bah, hum bug, Jimmy Cricket."

MAJOR EXPANSION underway up at Eastland Medical and Surgical Clinic will further Eastland's medical center image.

MAVERICK BAND looked and sounded extra super Friday night under the field direction of Randy Frost, Twirlers especially pretty and talented and the cheerleaders kept the excitement going. It was a warm night for football but a good night for short sleeves in

RECKON WHAT ever happened to the Lions Club - City - School project to build a sidewalk for the safety of youngsters around the school? A boy on a bicycle was hit by a car Thursday. The boy was lucky but the bicycle was destroyed.

GENE FROST, local Wards man, says that some have been having a little confusion with the "first and last" Wards catalogs. The new ones now being distributed have a Bicentennial Folder, showing the firm's first catalog (in poster form suitable for framing). The fun is that some customers are calling in, wanting to order off the old price list (12 yards of cotton print, \$1.00). Gene says the old prices don't apply but the old catalog is interesting.

Mr. and Mrs. M.L. Savoy and Brian, Mr. and Mrs. Eddie Sturm, Kurt and Kim and Paul J. Sturm all of Vidor were visitors in the homes of Mr. and Mrs. W.E. Tankersley and Mr. and Mrs. W.J. Graham.

Mr. and Mrs. W.E. Tankers-

ley and Mrs. Grace Funk attended the wedding of their grandson and great-grandson respectively, Starkey Warren, son of Mr. and Mrs. Doug Warren of Pecos, formerly of Eastland. Tona Tankersley of Turcola also accompanied -

Services For Mrs. Murphy Held Friday

Mrs. Mary C. Murphy, 80, of Austin and formerly of Eastand, died Thursday at her home in Austin. Services were at 2 p.m. Friday at Arrington Funeral Home Chapel.

The Rev. Steve Church. pastor of the First Christian Church, officiated. Burial was in the Eastland Cemetery.

Born in Belle Plain. Feb. 24. 1895, she married H.G. Murphy in 1922 in Ranger. She had lived in Austin for the past five years. She was a member of the First Christian Church of

Survivors include two sons. Patrick H. of San Marcos and H.B. (Bob) of Arcadia, Calif.; a daughter, Mrs. F.J. (Betty) Brock of Austin: two sisters. Mrs. Ann Bryan of Eastland. Mrs. R.C. Wilson of Ranger: vo brothers. H.J. Irion of Hobbs, N.M., and June Irion of Seagoville: and eight grand-

Mr. Murphy died in 1958.

Six year old Peter lost no time telling his playmates all about

his recent tonsillectomy. 'And you know what?" he concluded. "all the nurses had blindfolds over their mouths!"

Services For Jake Honea To Be Sunday

J.J. (Jake) Honea, 73, died Friday at 3:25 in the E.L. Graham Memorial Hospital. Services will be held at 2:00 p.m. today (Sunday) in the Holly - Rhyne Funeral Home Chapel. Rev. Bruce Wells will officiate. Burial will follow in the Oakwood Cemetery in

Mr. Honea was born September 24, 1901, in Bosque County. He married Ava Kimbrough February 19, 1921. in Eastland. Mr. Honea was a member of the Calvary Baptist Church in Cisco

For 27 years Mr. Honea was a law enforcement officer in Eastland County. He also owned and operated a house moving firm in Cisco.

Survivors include his wife; two daughters, Mrs. Duane Howell of Lubbock and Mrs. Homer Fish of Rising Star; two sons, Vernon and Derwin of Cisco; a brother, Jeff, of Fort Worth; three grandsons; eight granddaughters; and a great -

J.C. Poe, president; Mrs. Al Novak, vice president; Mrs. Henry Parsons, Secretary and Treasurer; Mrs. Bob Phillips, and Mrs. Jack Hubbard, program and yearbook; Mrs. Jay Staggs, publicity, and Mrs. Guy Lyerla, historian.

The club has outstanding programs arranged for each month. Guest artists will include: Mrs. Martha Kelly of Breckenridge, demonstrating acrylics at the October meeting; Mrs. Myrtle Wilks of Cisco will demonstrate pastels at the November meeting. In January Nell McConnell of Stephenville will be guest artist and Betty Cross of Eastland will demonstrate oil painting at the February meeting. Guest artist for March will be Mrs. Phyllis Sanders of Seymour followed by Nell Gobel of Baird for the April program. And Esme Glenn of Abilene will give the final program in May.

The highlight of the year is the Art Show to be held in the

Bulldogs Win Over Carbon

Mullin halfback Ricky Shelton broke two long touchdown runs and passed for another here Thursday night to lead the Bulldogs to a 46-0 victory over

Mullin, of District 6B, built up a 25-0 first period lead and allowed the Wolverines to penetrate only once inside its 30 vard line.

In the first period, Phil Hickman passed 20 yards to Randy Lindsey for a touchdown. A little later Shelton ran 50 yards for a score and, just before the end of the period, he passed 30 yards to Lindsey for another touchdown

Shelton broke a 60 yard touchdown run in the second period. Gary Bearden and Bryan Mosier added short touchdown runs in the final

Homemakers Resume Meetings

After their break for the summer, the Eastland Young Homemakers Club will resume their monthly meetings on Tuesday, Sept. 9, at 7:00. They will meet at the Bank Community Room and then go to Gorman for a tour of the Nutri-

Rich Peanut Co. The Young Homemakers completed their programs last spring with several meetings at local businesses including Rita's Fashion Fabrics, Quetta's Sportswear Boutique and Sherry Arther's Chic Boutique. The last meeting was a tasting bee in honor of the club's little sister Betty Martinez who was presented with a \$50 scholar-

The club's officers for this year are: Sharon Lewis, president; Rita Wilson, vice president; Sue Pierce, secretary; Clara Glueck, treasurer; Judy Underwood, reporter; Julie Chaney, parliamentarian. Anyone interested in joining the club should feel free to attend this meeting or contact President Sharon Lewis for further

1975 **OYMOA**

Harold Dean Keith of Carbon as selected to be included in the 1975 edition of Outstanding Young Men of America.

The Outstanding Young Men of America Program is sponsored by leading men's civic and service organizations throughout the nation

In every community there are oung men working diligently to make their cities and country a better place in which to live These men, having distinguished themselves in one or more fields of endeavor, are outstanding and deserve to be recognized for their achievements. The criteria for selection include a man's voluntary service to community, professional leadership, academic achievement, business advance ment, cultural accomplishments and civic and political participation.

Harold Keith along with approximately 9,000 fellow Outstanding Young Men from the United States, will be featured

in this prestigious annual awards publication. The Board of Advisors and Editors salute all chosen as Outstanding Young Men of Sunday, September 7, 1975

Letters to the Edito A Bicentennial Tribute

As I sat and watched television with Kenneth last night--"F.D.R .-- The Man Who Changed America', many memories of those years came to mind. And to me it became imperative to give tribute in this Bicentennial Year to the man who guided and led Eastland through the great depression

Merriman To Host Fellowship

The Merriman Baptist Church will ho t the District Fellowship Friday night. Services will begin at 7:30 p.m. These fellowships are held once a month and are geared for the youth of our district. A quiz is held in both the Junior and Senior divisions and Merriman has won these quizzes for seven of the eight months of this year.

Flatwood H.D.

Flatwood H.D. Club met in the home of Ellen Horn. Mrs. Deree Sherrill opened the meeting the the creed and

Ellen Horn gave the devotional from Matthew 15:29-31. Roll call was answered with 'My Favorite Book'

There were ten present with Mrs. Janet Thomas, extension agent, as visitor.

Report of the last meeting was read by Tina Graves. The club is planning their

summer picnic for Sept. 18. This will be in the lake home of Juanita Massengale.

Zelma Lusk gave a good council report. The 1976 yearbook was discussed.

The club will have a bake sale at the Senior Citizens Bazaar. Mrs. Thomas gave the ogram on "Winterizing Your Home", which was enjoyed very much

Zelma Lusk gave the recreation "Laugh a Little

Delicious refreshments of cake, punch and nuts were served to Vera Talley, Ethel Rowch, Zelma Lusk, Deree Sherrill, Tina Graves, Ellen Horn, Dorthy Awalt, Bessie Marie McCollum, Juanita Massengale, Ellen Reddick and Janet Thomas.

Game Nights

traveling to Austin, to San Antonio and to Washington, D.C. in behalf of the W.P.A. and other Federal Programs, which kept some of us from going hungry. I worked at city hall during those years and to my knowledge he never took a dime of the city's money for traveling expenses. He did it all with love in his heart for the people of Eastland who were ess fortunate than he. The delinquent water bills and the delinquent taxes were "a mile long" for most, but gradually, with the strong guiding hand of Mayor C.W. Hoffmann Sr., these outstanding bills were cleared from the books.

The cemetery was landscaped and revitalized, the swimming pool and the recreation building were built along with many park improvements, streets were paved, a day nursery for needy hildren, under the parental guidance of Mrs. Bernice tephens, was organized, the Eastland Lake dam was raised to provide more vital water, the

Ringling Lake area was made into a beautiful and relaxing recreation resort, with a quaint and rustic little bridge crossing, and the water standpipes on park hill were painted and kept in fine shape--but

Along with the toil and the sadness of the Great Depression for Eastland, there was a happy and bright side.

Mr. Hoffmann was young. He had humor, he had determination, he had wealth, he had enthusiasm, and last but not least, he had a "big heart" and knowhow. His enthusiasm was inspiring for all of us with whom he worked and was associated.

His Fourth of July celebrations, his street dances, his picnics, his New Year's eve parties, and his policemen's balls were all highlights of the depression days.

Yes, these men, Franklin D. Roosevelt and Carl W. Hoffmann Sr., come along but once in a lifetime--and

They did change our lives. Clara Miller Butler

AVAILABLE

AGAIN! "The Ranger Story"

Pick-up A "10-Pack" For \$6.00 and Resell Your Place For A \$4.00 Profit! 51.00 Each AT THE TIMES

The USAF Thunderbird Demonstration Team will be the main attraction, but far from the only item of interest at the Dyess AFB Bicentennial Open House set for Sept. 26.

Gates open at 10:30 a.m. for the public. Along with the show by the Thunderbirds, the 463rd Tactical Airlift Wing will demonstrate the varied methods the Military Airlift Command employs to deliver supplies. Each method will be performed by the Wing in a flying demonstration that will begin at noon. The Thunderbirds, flying the T- 38 "Talon" trainer, will follow the 463rd and complete the air show. The Thunderbird takeoff time will be 1:15 p.m.

The Thunderbirds have been performing for 23 years, demonstrating the professionalism, versatility and felxibility of Air Force equipment

Other attractions at the Open House will include performances by the Wighth Air Force Band, Barksdale AFB, La., and a show by the 96th Security Police Squadron's Military Working Dog Section. A number of aircraft from v various services will be on a static display.

This will be a good opportunity for the public to meet and talk with Air Force professionals about their jobs and equipment. The Thunderbird team will also greet the public after their show.

Scholarship Program Launched For Class of '76

'Bicentennial Seniors," a nationwide \$250,000 scholarship program for high school seniors who will gradute with the Class of 1976, is being launched this month by the National Association of Secondary School Principals.

One national winner will receive a \$10,000 scholarship and 102 state winners will receive \$1000 grants under the

Winers will be selected first locally, then on a statewide level. Two graduating seniors will be chosen in each state and the District of Columbia. Each of the 102 winners will also receive an all-expense paid trip to Williamsburg, Virginia, from January 16 through 19 to attend seminars and hear noted speakers discuss educational and social issues facing this country today. The national winner will be selected during the Williamsburg conference.

Students taking part in the "Bicentennial Seniors" competition must demonstrate an understnading of America's past and possible directions for the future and an involvement in the social and community issues faced by America today.

Competition will include the preparation of a minute television script to be patterened after the CBS television network's 200 years ago today 'Bicentennial Minutes;" a com mentary discussing the significance of the "minute" for today and the lessons it contains for the future; and a current events examiniation emphasizing issues and events from the past year.

High school seniors should see their principal for details on how to participate in this scholarship program. Applications must be filed no later than October 6, 1975.

The program is administered by NASSP and is funded by the Shell Oil Company. "Bicentennial Seniors' is endorsed by the American Revolution Bicentennial Administration

Qualify for a \$1,500 tax deduction. Next year... every year.

If you work for yourself, work at a small firm, or work for a large corporation, there's a new law that could save you a lot of money. Here's how: if you're not currently participating in a qualified retirement plan (most Americans aren't), you can set up your own Individual Retirement Annuity. Contributions to your annuity, up to \$1,500 a year (or 15% of your earned income, whichever is less) are fully tax deductible. 100% of your I.R.A. is subtracted from your gross income when figuring taxes.

It's like giving your own money to yourself. And deducting it, instead of paying taxes on it as usual. Some call it a tax shelter.

Your Southland Agent can answer any questions you may have. Send him this coupon . it'll be to your benefit. Next year, and every year

Southland Life

M.H. PERRY Box 568 Eastland, 76448 629-1566 or 629-1095

Oil News

Sandefer Oil Company of Abilene will drill the Palo Pinto wildcat in central part of the County, 2 miles southwest of the Palo Pinto townsite.

Designated the No. 1-J Mattye Louise Carter, the venture spots 1,605 feet from north and 1,320 feet from west lines of Section 40, Block 1 T&P

Proposed depth is 4,500 feet. Also in Palo Pinto, W.L. Pennington of Wichita Falls has staked a new location in the Pennington (Conglomerate) field, four miles northeast of Gordon.

The proposed 4,000 foot field project, designated the No. 1 Roye Unit, spots 467 feet from north and east lines of Isaac Ryan Survey, Abstract No. 387.

West Artesia Transmission Co. of San Antonio will drill No. 2 Rasmussen as a proposed 3,000 foot wildcat 14 miles southeast of Breckenridge in Stephens County Regular Field. Drillsite is on a 160 acre lease and spots three-eighths mile

south of oil production. Location is 330 feet from the north and east lines of the southeast quarter of Section 40, Block 6, T&P Survey, A-2254.

Sigmor Corp. of San Antonio staked No. 1 J.C. Kenbel Oil Unit No. 1 in the Lake Necessity (2,900) Field 111/2 miles south-

east of Breckenridge. Location is on a 20 acre lease, spotting 330 feet from the north and east lines of Section 31, Block 6, T&P Survey.

A wildcat location, two gasser and two oilers have been reported in Stephens County. C.B. Hazel of Ranger staked the new site in southeast part of

the county, 14 miles southeast of Breckenridge. Designated the No. 3 A.J. Berry, the proposed 3,000 foot test is 933 feet from north and 467 feet from west lines of Section 3, Block 6, T&P Survey.

Delta Oil & Gas Co. of Breckenridge No. 1 Mrs. J.T. Hamil, a re-entry operation six miles northeast of Caddo, has been completed from a Strawn gas zone

Originally staked as a wildcat and completed in County Regular, the venture rated an open flow potential of 1.2 million cubic feet of gas per day from perforations at 1,840-43 A gas-liquid ratio of 116,800-1 also was reported, with the gravity of the liquid being 41 degrees.

The hole originally was drilled as the R.K. Stoker No. 1 Hamil and abandoned at total depth of 2,350 feet in 1957. Delta cleaned out the old hole to total depth and ran 41/2" casing to 2,335 feet. The pay zone was washed with 500 gallons of acid. Plugged back total depth is

The gasser spots 980 feet from south and east lines of Section 7. Block 4, T&P Survey.

Guy E. Pyron Jr. of Rockwell nine miles southeast of Breck

Pyron's No. 2 Flourney rated potential of 1.25 million cubic feet of dry gas daily from Strawn Sand perforations at 1.814-55 feet, which had been acidized with 1,000 gallons and fractured with 15,000 pounds of sand. Shut-in tubing pressure was 725 pounds.

Total depth is 1,944 feet and 41/2" casing is hung at 1,944

The gasser spots 330 feet from north and east lines of *********

The Light Touch

The only thing free of charge these days is a rundown battery.

Our friend hasn't lost much weight since he started counting calories and carbohydrates. but his arithmetic sure has improved.

If you have talent and work hard, you can acquire anything. As long as you have enough

Mother to small son: "I don't care if our basement wall is cracking, stop telling everyone you come from a broken home.'

Everyone's interested in astrology nowadays. These are the times of the signs.

It's in the stars: You'll find the best pantsuit you ever slipped into at BRAY'S in Eastland and

Section 33, Block 6, T&P

Survey. The two oilers were com-

pleted in the Little Cedar (Strawn) Field, 13 miles east of Breckenridge by C.B. Hazel. The No. 3-A Swenson Ranch

flowed 147 barrels of 41 gravity oil per day through a 24/64" choke from perforations at 2,870 -2,940 feet. Tubing pressure was 130 pounds, and gas-oil ratio was 750-1. Total depth is 3,050 feet, and 41/2" casing is hung at 3,020 feet.

The oiler spots 2.102 feet from north and 467 feet from east lines of Section 19, Block 6, T&P Survey. The No. 4-A Swenson Ranch

flowed 164 barrels of 41 gravity oil per day through a 24/64' choke from perforations at 2,916 36 feet. Gas-oil ratio was The pay zone had been washed with 500 gallons and

fractured with 60,000 pounds of sand, suspended in 1,000 gallons of gelled fluid. The oiler is 2,925 feet from

north and 933 feet from east lines of Section 19, Block 6, T&P Survey.

Dallas Production Inc., staked No. 1 Wende as a proposed 4,100 foot wildcat three miles northwest of Romney in Eastland County

Drillsite is 1,980 feet from the north and 660 feet from the west lines of Section 73, Block 3, H&TC Survey.

The lease is composed of 168

Rhodes Drilling Company of Abilene No. 1 Clifford Smith is a new Eastland County regular producer, 16 miles south of

The oiler pumped 11 barrels of 40 gravity oil per day from perforations at 2,894-2,906 feet, which were acidized with 1,500 gallons.

Hole was drilled to 2,988 feet. where 4½" casing was set. Location is 1,065 feet from south and 2,423 feet from west lines of Friedrich Vernbaum

Also in Eastland County, 10 miles south of Strawn, Everett Sumerlin of Wichita Falls No. 1-A Drake has been completed as a gas well.

Producing from perforations at 3,128-3,140 feet, the gasser rated an open flow potential of 750,000 cubic feet of dry gas per day. Shut-in tubing pressure was 403 pounds. The pay zone had been acidized with 1,000 gallons and fractured with 10,000 pounds of sand.

Hole was drilled to 3,528 feet, and 41/2" casing was set at 3,535 feet. Top of the Marble Falls was picked at 3,002 feet

Mrs. Virginia W. Russell of Bell Hurst Ranch, Eastland, Texas, will serve as a delegate representing the Eastland County Republican Women's Club at the 18th Biennial Convention of the National Federation of Republican Women. More than 3000 women political leaders from throughout the nation are expected for the meeting which is scheduled for the Dallas Convention

Center Sept. 11-13. Mrs. H.J. Bulgerin of 1800 W. Plummer, Eastland, has been elected as an alternate for the local club.

Highlighting the three-day neeting will be an address by President Gerald Ford on Saturday morning, Sept. 13. Preceding the President on Friday, Sept. 12, will be an appearance by Vice President Nelson Rockefeller. Former California Governor Ronald Reagan will address the delegates following a gala banquet on Friday evening

Others who have accepted the Federation's invitation to apnear on Saturday morning include United States Senator John Tower of Texas; Gov. Kit Bond of Missouri, chairman of the Republican Governors' Association, and former Texas Governor John Connally

Luncheon speaker for Saturday will be United States Senator Barry Goldwater of Arizona, the GOP's 1964 presi-

Figs, so abundant now, can be preserved at their peak to last throughout the year. Choose the type of preservation to suit the family's tastes and equipment available. But for any preservation method, select fully ripe fruit, wash and clean

> Ripeness of figs can be determined by degree of softness to the touch. Over ripe figs have a sour odor from fermentation of

DRYING FIGS

Spread the figs in single layers on trays. Under controlled conditions in the oven, start at 115 degrees F., increase to 145 degrees F. after first hour. Reduce to about 130 degrees F. when nearly dry. Stir or turn figs to keep from sticking. Drying time averages up to five hours for halves in controlled heat. Dry until leathery, with flesh pliable yet slightly sticky.

FREEZING FIGS Select soft ripe fruit. Make sure they have not become sour in the center. Sort, wash and cut off stems. Peel if desired. Half leave whole. Treat for discoloration. Freeze without sugar or cover with a cold syrup made from 21/2 cups sugar to 4

FIG PRESERVES

Preparing Fruit: Select only erfect figs, ripe but not soft. Leave one-eighth inch stem. Wash. To remove the fuzz, sprinkle I cup soda over 6 quarts sound figs and add 1 gallon boiling water. Let stand 5 minutes. Drain and wash thoroughly in cold water.

Preserving Fruit: Use 1 gallon prepared figs, 2 quarts sugar and 1 lemon. Place alternate layers of sugar and

Thoughts

From The Living Bible

A man who refuses to admit his mistakes can never be successful. But if he confesses and forsakes them, he gets another chance. Blessed is the man who reveres God, but the man who doesn't care is headed for serious trouble. A wicked ruler is as dangerous to the poor as a lion or bear attacking them. Only a stupid prince will oppress his people, but a king will have a long reign if he hates dishonesty and bribes. A murderer's conscience will drive him into hell. Don't stop him! Good men will be rescued from harm, but cheaters will be destroyed.

Proverbs 28:13-18

Be neighborly to drivers behind you - when you arrive at a toll booth have the money ready.

Be nice to your babysitter. Make sure you leave a number where you can be reached conveniently by the tele-

MONTY HOWARD

Sorrowful expressions are heard with blended emotions of shame and regret every time one hears of an assassination, murder or a violent sudden death. . . Panicky pleas and promises all too often pantomime identical words and letters heard so many, many times before. But the vicious repetitions continue. Human life these days seems to be a cheap commodity.

This attitude is a sad indictment of our times. The indictment is even more disgraceful in connection with traffic and highway deaths. Why - - WHY is it that so many people fail to realize a steering wheel attached to three tons of automobile steel is far more dangerous, far more LETHAL than any trigger action gun ever invented? Why - - WHY is it that people seem so indifferent to the horrible fact that in just the last thirty years - - we repeat - - in only THIRTY years, Americans have splashed more blood on highways and killed more people by automobile, than those killed on less bloodied battlefields in ALL our wars since 1775?

For your own protection, and for the safety of others, remind yourself of this every time you get behind the wheel, especially on week ends or holidays.

Miss Marla Schrank And Rickie Pack United In Marriage

Miss Marla Schrank of the Aleman Community and Rickie Pack of Carbon, were united in marriage at 5:15 p.m. August 23, in St. Paul's Lutheran Church in Aleman. Rev. Edward Steyer officiated at the double ring ceremony.

Parents of the couple are Mr. and Mrs. Werner L. Schrank of Aleman and Mr. and Mrs. Victor Pack of Carbon.

Mrs. Kathy Coleman of Comanche, cousin of the bride, played traditional wedding music as Miss Renae Pack, sister of the groom, registered guests.

Given in marriage by her father, the bride wore a floor length gown of peau de soie with an overlay of organza. The bride fashioned and created her wedding gown, designed with a lace Victorian neckline and long puffed sleeves that had fitted ruffs edged in lace and fastened with tiny orange covered buttons. A square inset below the neckline was also edged in lace. The wide midriff caught the loosely gathered skirt, and an organza ruffle, accented with lace and orange eyelet trim, bordered the hemline. The

in the Victorian neckline and banded the top of the sleeves. Her chapel length veil of illusion fell from a headpiece of tiny seed pearls.

The bride's bouquet was of Tropicana roses, white daisies, pink carnations, and baby's breath, and had streamers of white ribbon. She carried two long-stemmed red roses which she presented to her mother and the groom's mother as a symbol of love.

In carrying out the bridal tradition, the bride wore an 80 year old engagement pin presented to her great-grand-mother, the late Mrs. F.W. Schrank, before her marriage in 1895. Something borrowed was her veil from Martha Casey; something blue was her garter.

Mrs. Mona Zerkle of Stephen ville was her sister's matron of honor. Bridesmaids were Mrs. Priscilla Lucas of McAllen, Mrs. Peggy Luker of Hamilton and Miss Lee Ellen Schrank of Aleman, all sisters of the bride: and Mrs. Myra Gasparini of Fort Worth, cousin of the bride.

Attendants wore floor length gowns of pastel pink voile print same colored ribbon interlaced featuring small orange roses

matching the single rose each carried. Their empire dresses had square necklines, short butterfly sleeves, loosley -, gathered skirts, and white neckbands interlaced with . orange colored ribbon.

Miss Heidi Zerkle of Stephen ville, niece of the bride, was flower girl. She wore a floor length gown of pink voile in a style identical to the other attendants' dresses. She carried pink basket of rose petals.

Wade Luker of Hamilton was best man. Groomsmen were Herbert Casey of Lingleville; Stanley Schrank, brother of the bride; Donald Hughes, and Larry Thackerson, all of Stephenville.

Jason Lucas of McAllen, nephew of the bride, was ringbearer.

Ushers were the groom's brothers. Ronnie and Randy Pack of Carbon. Candlelighters were Kim Hollingsworth of Gatesville, cousin of the bride, and Rudy Pack of Carbon, brother of the groom. Each candlelighter was dressed in the style of the other wedding attendants.

Brenda Hollingsworth of -Gatesville, cousin of the bride. assisted the flower girl in passing out rice bags following the ceremony. Her gown was also in the style of those of the other attendants.

For her daughter's wedding Mrs. Schrank wore a floor length dress of apricot batiste with white accessories. Mrs. Pack also carried white accessories to compliment her formal gown of sheer blue and white print. Both mothers wore corsages of white carnations.

The bride is a graduate of Hamilton High School and Tarleton State University. The room, a graduate of Carbon High School, will complete his degree in physical education at The University of Texas. Arlington, while the bride completes her training in medical echnology at Peter Smith Hospital in Fort Worth.

Following a wedding trip to the Ozark Mountains in Arkansas and Missouri, the couple will reside at 1962 Hemphill House, Apt. 109, Fort Worth.

For traveling the bride chose a mid-length navy and white checked sundress. Her accessories were white and her orsage was of white daisies om her bridal bouquet.

The bride's parents were nosts at a barbecue dinner and dance following the ceremony. at the Pottsville Community Center. Approximately 250 guests attended.

The two-tiered strawberry wedding cake was decorated with cream cheese icing and topped with white wedding bells. Roses of orange and pink with turquoise leaves decorated both tiers. The groom's cake was chocolate

Lignite coal-fired power plants like this cost more than twice as much to build as gas-fired plants.

But we have to build them because we're running out of natural gas.

The generating unit you see here is being built right now at Martin Lake, near Henderson in East Texas. It will make electricity by burning lignite coal. It will also cost more than two times as much as a comparable gas-fired unit.

So why are we building it? Because new supplies of natural gas, our traditional boiler fuel, are increasingly hard to get and much more costly.

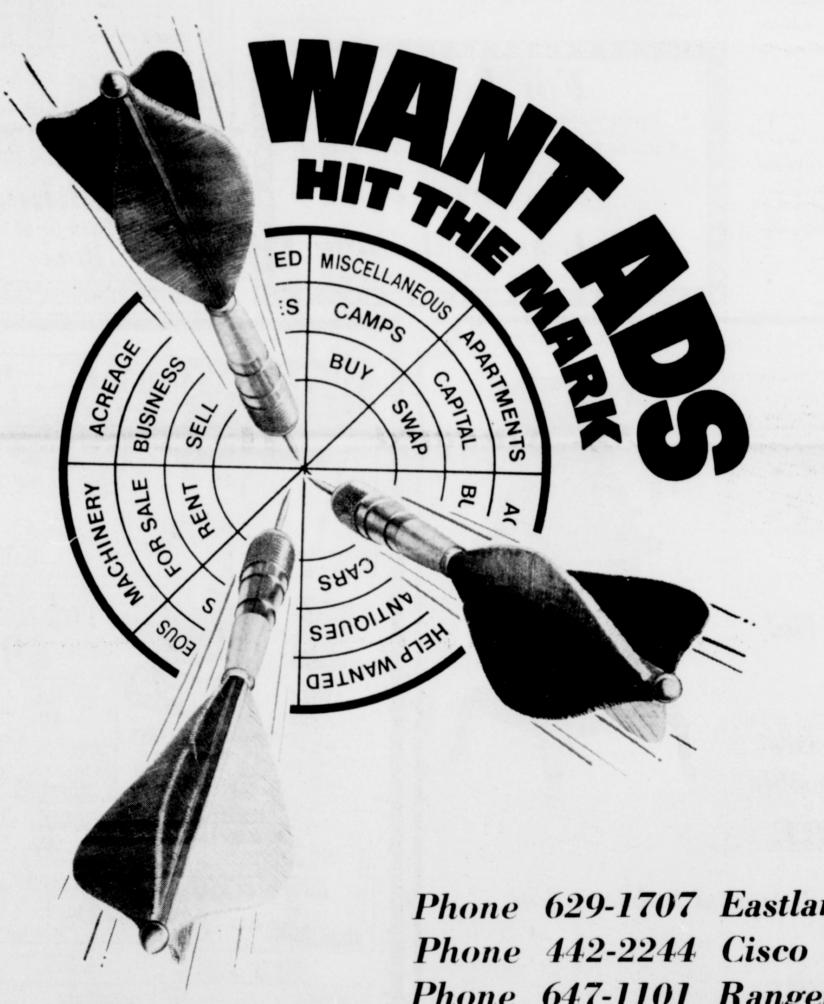

Lignite fuel is comparatively economical, which in the long run will slow the rising cost of electricity. Electricity is still a good value today. If you're a customer of Texas Electric, you pay about 27% less than

the national average for your electric service. At Texas Electric we're working to make sure you'll continue having the electricity you need. And that it won't cost any more than it has to.

MRS. COATS SECOND GRADE

We have 32 in our second grade room this year. Everyone is off to a good start. We are already studying reading, writing, language, spelling and arithmetic, and some of us are trying to learn not to talk so

MRS. TURNER THIRD GRADE

We have enjoyed our first three weeks of school. We are starting our tests in P.E. We are talking about lunch manners. Our experiments have been great. We are excited about the Mavericks first football game.

Yay Mavericks

MRS. YOUNG THIRD GRADE

We started school last week and we were kind of scared of third grade. Our teacher is very nice and I've had lots of fun. We've had homework but not too much. Everybody likes it I think. After lunch we go to P.E. We have lots of fun. There are lots of games there that we like and we have fun playing them. We have science, English, math, reading, spelling and handwriting books. I know we're going to like third grade Little's class we saw a funny because of our nice teacher

MRS. ADAIR FOURTH GRADE

We didn't have to go to school Monday. Some people were glad. We wrote letters to the bank. We saw three films this week. OUr room has been studying maps. Mrs. Adair gave us our jobs for this week. Mine was to write the report. We had to draw a picture of the
