

Peanut Bowl Parade Saturday At 3:00 P.M.

This year's Peanut Bowl Parade to be held this Saturday is really shaping up to be a battle of the bands and drill teams with three colleges and numerous area high schools competing.

There will be at least four floats and numerous decorated cars; new '76 cars; antique cars and the latest farm equipment, pretty girls and fun for all.

Trophies will be given in each of the following classes: Bands—College, AAA, AA, A, Band Jr. High; Riding Club, Drill team, twirling corp and judges choice. In the float division there will be plaques and cash. First place will be a big plaque and \$35; second place will be a plaque and \$25; and third place is a plaque and \$15.

Judges will be area band directors: Dr. Michael Barry, Director of Music at McMurry College; Lynn Low, Cisco High School Band Director; and Dr. Jim Harwell, Stephenville High School Band Director. The parade will start at 3:00 p.m. sharp in front of the Majestic Theater and proceed south down Lamar around the

square and northward back down Seaman to the depot. The announcers and judges stand will be set up on the west side of the courthouse.

If you would like to have an entry in the parade please call 629-1288, Mr. or Mrs. Mel Herweck today!!

Attention Kids

Hey Kids! Come join the parade. Decorate your bikes or bring your pets or do both. Judges will award a trophy for the best pet and the best decorated bike. No entry blanks to fill out! Just have your pets and bikes in front of the jail Saturday at 2:30 p.m.

Homecoming Sept. 14

The Annual Homecoming of the Pleasant Hill Baptist Church will be held at the church Sunday, Sept. 14.

Bro. Bruce Stovall, a former pastor, will deliver the morning message. Donald Nicholas will be song director. Mrs. Charlie Livingston will be pianist. The public is invited to come and bring a basket lunch.

YOU'RE ALWAYS welcome in Eastland...but especially this entire weekend, it's an exciting place to be: Jr. V Varsity football Thursday night, Maverick - Bulldog duel Friday night; Quarterback Club Auction Saturday morning; Peanut Bowl Parade Saturday afternoon; and Peanut Bowl Saturday night. Wow!

FINE OLD art of porch - sitting is coming back hereabouts. Many there are who know the pleasures. Among the many we've noticed are the Earl Bradleys out on Seaman St. It's a pleasure in the evenings and a soul - restorer.

PLEASE, OH please school officials ask, young and not - so - young, find a seat at the football stadium. Especially the young are congregating at the fences and it's a dangerous as well as a distracting situation which can easily be corrected if parents and guardians will please insist that youngsters not be permitted to play at the fence line. The seating is really very comfortable.

LION VICE president Monroe Rollins presided and Dr. Ferhan Lund was program chairman introducing Supt. Ray Pruitt Tuesday. David Martin has the program next week. During his talk Supt. Pruitt suggests that the sales tax is the fairest means of raising money for education, in an effort to get away from the impossible task of equalization of valuations on property for ad valorem taxes.

COMES A thoughtful note from Emily Perkins of the EHS Junior class, thanking purchasers of annual advertisements and reporting that such funds help finance the Junior - Senior banquet and prom.

UNITED FUND efforts for 1976 got underway Wednesday afternoon when President Norris Starr and the board of directors held an organizational meeting at 3 p.m. at the Eastland National Bank Conference Room. Details will be announced here.

VASSARETTE OF MUNSINGWEAR

Vassarette began its operation in Eastland, November 21, 1946, in the Lodge building on Mulberry Street with 10 machine operators. As the business grew and more operators were added another plant was opened in 1950 on Commerce Street and in 1952 the third plant went into operation on East Main. The three plants employed about 180 people.

In 1957 a new plant was built on North College Street, and the three plants were moved into the one

16th Annual Peanut Bowl Pits Cisco vs UTAJV

BY STEVE HAINES
Another year and another Peanut Bowl for Eastland County.

Eastland Jaycees have been working hard for the past few weeks in preparation for the 16th Annual Peanut Bowl which will be under somewhat of a different light than that of the old Peanut Bowl has provided in the way of head-on competition in years gone by.

For the first time in Peanut Bowl history, fans will witness Saturday night, Sept. 13, another color jerseys facing the blue and white of the Cisco Junior College Wranglers. The team, University of Texas of Arlington Junior Varsity, will play in the Peanut Bowl due to two things: First to the fact that Cisco Junior College has journeyed into an open conference which does not allow them to fit into any scheduling with Ranger Junior College, and second, in a toss of

the coin, ceremonies held several months ago by the Eastland Jaycees, Cisco came out on top and named UTA as their guests to the 1975 Peanut Bowl.

Some Jaycees and concerned citizens have varied concern that the Peanut Bowl could go under due to the change in customs. But as Peanut Bowl chairman Tom Holland puts it, "Fans of Peanut Bowls in years gone past need not be discouraged for a different light, to the color of the glow that the Peanut Bowl has held for Eastland and Eastland County will be one that anyone will not want to miss or only hear about, for indications are a record crowd for the Bowl with new seating arrangements aiding to the attraction." Holland also stated that although Cisco would host the team this year spectators and Ranger Boosters could expect to see Ranger back again next

year. Also a special reminder was sent out by Holland to secure your reserved seat tickets at \$3.00 each and general admission tickets \$2.00 each before Saturday at the following merchants: Modern Barber Shop and Dean Drug Store. All reserve seats for east side will be sold at the gate. Only west side tickets will be available before the game.

Peanut Bowl Parade with floats and bands ready, will begin at 3:00 p.m. Saturday afternoon to kick off the Peanut Bowl excitement. Parade will remain close to the same with the same route as previously to be used.

Football fans get ready for Eastland County's Peanut Bowl 1975 Saturday, September 13, at 8:30 p.m. in Maverick Stadium.

Services Thursday At 3 p.m. For Pearson Grimes

Former city commissioner and longtime Eastland resident Pearson Grimes, 76, died at 2:45 a.m. Tuesday at Eastland Memorial Hospital after a one-week illness. Services will be at 3 p.m. Thursday in First United Methodist Church here.

The Rev. Ben Marney, pastor, will officiate. Burial will be in Eastland Cemetery, directed by Arrington Funeral Home.

Born Sept. 24, 1898, in Thomasville, Ala., Mr. Grimes was a graduate of the University of Alabama where he was a member of Sigma Nu social fraternity.

He married Laura Collier on June 25, 1929, in Tuscaloosa, Ala. The couple left Alabama and lived in Eastland for more than 25 years.

An owner of the Grimes Bros. International Harvester Co., Mr. Grimes was a city commissioner from 1948-52. He was also a member of the Masonic Lodge, a 40-year Rotarian and a steward in the Methodist Church.

Survivors include his wife; a son, Pearson Grimes Jr. of Houston; a daughter, Mrs. Betty Page of Wichita Falls; a sister, Mrs. Letcher McGee of Tuscaloosa, Ala.; six grandchildren and one great-grandchild.

Monday, Sept. 15, at noon at the Ramada Inn. The Who's Who says of Ken Reese, Transmission Division Superintendent for Texas Electric Service Co., has just assumed the leadership of the Eastland Rotary Club, but that's the beginning of the many responsibilities he now holds.

He has just been elected chairman of the West Central Texas Section of the Institute of Electrical and Electronic Engineers, an area bounded by Oklahoma, San Angelo and Big Spring. He was vice chairman last year.

An eight-year member of the National Society of Professional Engineers, Mr. Reese has just recently been named to the important Marquis Who's Who in the South and Southwest.

Mr. Reese will introduce the Rotary District Governor who will speak to the local club

Beautification Probable, Enrollment At New Record

Record school enrollment which could offer bonus teachers in days ahead, and prospects for a gigantic beautification of high school hill appear to be on the horizon for Eastland Public Schools.

These were the reports of Supt. Ray Pruitt who spoke to Lions at noon Tuesday, when he explained that total enrollment Monday stood at 863, up considerably from the 791 average daily attendance which classes out the previous term.

There are 447 in kindergarten through sixth; 188 in junior high and 208 in high school, Supt. Pruitt reported.

The school board considered a proposal by the Soil Conservation Service at the board meeting Monday evening which if approved could cost some \$29,000 to re-sod and re-landscape the entire hill, surrounding it with a chain link fence. The local cost would be only \$7,400 with the remainder coming in from grants and aid.

The new adult education program is proving very satisfactory, Mr. Pruitt said, with some 38 participating. Mr. Bob Blair is in charge and instructors include Mrs. Coats, reading specialist.

The vocational building is nearing completion with some \$9,000 worth of new equipment with the local cost to be only \$2,000, and the Right-to-Road program is being handled by Mr. Baze.

The school now has three special education teachers with two aides, and is averaging 63 kindergarten students a day.

Telling how the local school income stacks up, he explained that some \$200,000 is generated locally with about \$551,000 coming from the state for the total \$750,000 budget.

School payrolls amount to about \$563,280 annually and debt retirement on the elementary and gym buildings is some \$33,000.

Services Held Wednesday For James Dunlap

James A. Dunlap, 78, of Rt. 1, Eastland, died at 7 a.m. Monday in St. Joseph's Hospital in Fort Worth after a lengthy illness. Services were at 2 p.m. Wednesday at the Bakker Funeral Home Chapel.

Wilkie Moore, minister of the Flatwood Church of Christ, officiated. Burial was in the old Dublin Cemetery.

Born May 23, 1897, in Collin County, he married Eva Fleming Dec. 8, 1924, in Comanche. He was a former resident of Fort Worth and lived in Eastland County 15 years.

He was a carpenter and a farmer. He was a member of Flatwood Church of Christ and a World War I Army veteran.

Survivors include his wife; two sons, Lois of Abilene and Alton (Hap) of Fort Worth; a daughter, Mrs. Novalee (Harold) Campbell of Burleson; a brother, Roy of Lovington, N.M.; 17 grandchildren and nine great-grandchildren.

He was preceded in death by a son, J.R., in December, 1974.

Grandsons served as pallbearers.

PUNCH LINE OF THE WEEK

Agent writer: "I've got some good news and some bad news. First the good news: Paramount loved your script—absolutely ate it up. And now the bad news: Paramount is my cocker spaniel."

Football Reigns Over Eastland This Weekend

King Football reigns supreme at Maverick Stadium in Eastland this weekend. Beginning Thursday, faithful fans can see the Jr. Varsity face a Clyde team here beginning at 7 p.m.

The Seventh and Eighth grades will be playing their first games the same night in Clyde with the first game to begin there at 5:30, followed at 6:45 by the Eighth grade game.

Friday night will find the Ranger Bulldogs visiting the local grid to pit their talent against the Mavericks. And as the old, old story goes, anything can happen when these two county rivals lock horns.

The Mavericks won their season opener last week, defeating Dublin here, 18-0, and Ranger lost to Cisco, 34-7 in Ranger.

Defensive right tackle Clark Thompson who was injured in last Friday night's game against Dublin, and was taken to Eastland Memorial Hospital, is in good condition with only some pulled muscles in his back. Clark is expected to be in the starting line-up next week. He was at drills this week.

The tentative starting line-up for Friday night's game against the Ranger Bulldogs, is as follows for the Mavericks:

Offensive—Left end, Randy Wharton; Left Tackle, Aaron Arnold; Left Guard, Clay Wheat; Center, Tom Winnigar; Right Guard, Dennis Lopez; Right Tackle, Ronnie Pinkerton; Right End, Brian Haun; Quarterback, Mike Lewis; Fullback, John Hill; Fullback, Tommy Williamson; R Back, Rex Morgan.

Defensive—Left Tackle, Aaron Arnold; Left Guard, Ronnie Pinkerton; Nose Guard, Dennis Lopez; Right Guard, Tom Winnigar; Right Tackle, Ricky Simmons and Mark Thompson; Left Linebacker, John Hill; Middle Linebacker, Tommy Williamson; Right Linebacker, Clay Wheat; Left Halfback, Brian Haun; Safety, Randy Wharton, and Right Halfback, Mike Lewis.

QBack Auction Sat., Sept 13

A one-eyed goose, fresh homemade bread, anti-freeze, are just among the many different things that will be auctioned to the highest bidders in Saturday's Big Annual Eastland Quarterback Club's Auction.

Excitement and values begin at 10 a.m. on High School Hill when Auctioneer James Wright bangs the gavel to begin the fun, to benefit the athletic programs of the public schools.

W.J. Stone is Auction Chairman and reports an excellent pickup of items from firms and individuals.

Quarterback Club president Steve Church reports that among the important things that the proceeds will be used for are a basketball rebounding machine and several flights of badly needed hurdles.

PEANUT BOWL SATURDAY

The country's annual tribute to the peanut industry will unfold Saturday night in Maverick Stadium in the Annual Peanut Bowl.

The Eastland Jaycees have sponsored the tilt for some 15 years, and this year will mark the first time that it has not featured the two county junior college teams.

This Saturday, the Cisco Junior College Wranglers will face the University of Texas at Arlington Jr. Varsity in the tilt for the Peanut Bowl trophy. (Reason for the switch-up is the fact that Cisco resigned from the Junior College Conference and is therefore ineligible to compete with the Ranger Junior College Rangers, so a flip of a coin decided that Cisco would be the home-team this year, with Ranger to be on tap next year.)

Eastland Jaycees are busy selling tickets for the game which will be highlighted by pre-game and mid-game activities. It's an 8:30 p.m. kickoff.

Firemen Need \$1,900

With hopes still running high for an on-time delivery of a new 6x6 Texas Forest Service Fire Truck, Eastland Volunteer Firemen are working hard to collect a balance of \$1900 still owed on the new piece of equipment.

Firemen have done some door-to-door campaigning for the money but mostly have tried to send letters to all ranchers and rural residents around Eastland. Thus far, both tries have provided little response.

Firemen would like for everyone to be aware of the problems in which the protection of the lives and property faces without aid of adequate fire protection. The cost of one truck or even three would be lost in one fire if the piece of equipment was not there to help. Another point could be made of the roll that fire fighting equipment such as the type coming to the department plays in the prevention of excessive grass fires, whose fields provide feed for cattle and in turn add a vital part to the economy of Eastland.

Please send whatever amount of money that you can to the Eastland Volunteer Fire Dept., Eastland, Texas.

And Please, Send It Now!!

By Mrs. Bob Hastings 639-2517

The menu for Carbon School Cafeteria for the week September 15-19:

Monday--Pizza, corn, lettuce, tomato salad, peanut butter cake, milk

Tuesday--Meat and potatoes casserole, green beans, carrots, hot rolls, genie bars, milk

Wednesday--Minute steaks with gravy, mashed potatoes, peas, hot rolls, peaches, milk

Thursday--Fish steaks, rice, blackeyed peas, carrot and celery, brownies, milk

Friday--Hamburgers, lettuce, onions, tomatoes, pickles, potato chips, jello, milk.

Among those from Carbon attending the Petrie Family Reunion at Lake Cisco August 30-31 were Mr. and Mrs. Jim Hogan, Mr. and Mrs. Gene May, Sonya, Randa, Robbie, Ronnie and Darla and Mrs. Roger Petree.

Mr. and Mrs. Terry Hardin have moved to Abilene where

he is employed with an insurance company.

Tech Sgt. Jack Green of Derby, Kansas, visited his grandmother Mrs. Bernice Mangum recently.

Mr. and Mrs. Roy Skinner spent Labor Day with his sister Mrs. Zula Walton of Carlton.

Mr. and Mrs. Houston Cozart accompanied by Mrs. Jewell Browning of Eastland, have returned from a vacation trip to Guadalajara, Mexico. They report a very enjoyable trip.

Visiting with Mr. and Mrs. W.E. Walker last week were their children and grandchildren: Mr. and Mrs. Roy Ussery and Mrs. Joe Mercer of Weslaco, Mr. and Mrs. Sandy Ussery and Heather Ann of New Orleans, La.; Mr. and Mrs. Monty Walker and Tawny of Midland; Mr. and Mrs. Wayne Walker of Odessa.

Mr. and Mrs. Lee Patterson and family of Breckenridge visited their grandmother Mrs. Myrtle Maness Sunday afternoon.

Mrs. Mabel Payne visited her daughter and family Mr. and Mrs. Gary Shepard of Amarillo last week.

Mr. and Mrs. Buck Weston spent Sunday afternoon visiting his sister and family Mr. and Mrs. George Reeves of Comanche.

Visiting in the home of Mr. and Mrs. Jim Hogan during last weekend were Mr. and Mrs. Garner Calhoun of Kemper, Okla.; Mr. and Mrs. Buster Ables of Mertzon; Mr. and Mrs. Bill Carlton and Mrs. Diane Bowden and Tommy of Odessa; Mr. and Mrs. Joe Taylor and children of Irving; Mr. and Mrs. Joe Fields and children of Mineral Wells; Mr. and Mrs. Tim Warren and son of Stephenville.

Roy Lane of Anson visited Mr. and Mrs. W.E. Walker Sunday afternoon.

Mr. & Mrs. Williamson Celebrate 50th Anniversary

Mr. and Mrs. A.W. Williamson of Morton Valley will celebrate their 50th wedding anniversary September 15, 1975.

Mr. Williamson was born May 19, 1903, and Mrs. Williamson was born February 4, 1908.

Mrs. Williamson attended high school in Eastland. The school was located where the

hospital now stands. Mr. Williamson attended school at Fisher Hill. He was in the furniture business for a number of years.

The couple has three children: A.W. Jr., who resides at home, and is a retired Staff Sergeant of the Air Force; Kenneth, who is a teacher at Andrews; and Mrs. Rosa Lee Blummeister of Houston. They also have two grandchildren.

Mrs. Patterson Speaks UMW

Mrs. Guy Patterson spoke to the United Methodist Women Tuesday morning when they met at the church. She quoted from Psalms "O give thanks to the Lord for He is good". She then said "The time has come for us to renew our faith in our religious heritage because we are the products or by-products of all the deep religious convictions from our parents and our early American ancestors.

Besides we are automatically responsible for bequeathing the heritage of God to our children and friends."

We must feel as the Apostle Paul said "I am debtor..." We all owe an unpayable debt of gratitude to God for life on the earth and for the universe.

None of us bought this heritage from a garage sale or bargain counter. It is a magnificent gift from God to be used for His glory and honor."

Mrs. Herman Hassell and Mrs. L.E. Corbell were hostesses for the morning coffee. Mrs. Hassell, president, presided over the business meeting. It was decided to give to the Wesley Foundation and to give memorials in memory of Mrs. Frank Crowell and Mr. Pierson Grimes.

The next meeting will be at First United Methodist Church on September 16, at 9:30. The executive committee will meet at 9:00 a.m.

G.A. Earp Honored On 85th Birthday

Mrs. Adele Whitten surprised her father, G.A. Earp with a dinner Sunday at her home on North Hillcrest in Eastland honoring him on his 85th birthday.

Those attending were all of Mr. Earp's brothers and sisters: Mr. John W. Sen. Creighton Speaks To Texas Voters

"The worst piece of legislation ever proposed" is the way State Sen. Tom Creighton characterizes the proposed state constitution which will be voted on by Texas voters in November.

Speaking to an attentive and enthusiastic audience in Rising Star Tuesday evening in a program arranged by the new Jaycee club, Sen. Creighton singled out several amendments as being especially bad, and said, "It is not so much what is contained in the document, as to what is not."

Jaycee President Bob Clark introduced Sen. Creighton, who was presented a plaque by Mr. John Bishop on behalf of the Concerned Citizens of Texas.

Of the education bill, he said that it would provide a host of new financial obligations, and that equal education as proposed in the amendments at a cost of one billion dollars which, of course, would have to conform the taxpayers' pockets. "Hopefully," he said, "Gov. Briscoe will realize the traumatic effect on small schools."

He also lashed at the proposal which would let the state comptroller's office in Austin set tax valuations rather than having them set locally.

"This amendment in particular is simply more government and higher taxes and therefore, I cannot recommend it to my constituents."

He closed by stating that he's always interested in knowing the public's views and wants to hear from the voters.

The program was opened by the audience singing the national anthem and special music by the Community Singers, under the direction of James Steel, presented "American the Beautiful" and "Battle Hymn of the Republic."

Soloists were Mrs. Frank Gray and Mrs. Bill Medley. Sen. Creighton explained "The original Constitution is the basic law of the land and precedent is more important than pure prose."

WASHINGTON

"As it looks from here"

OMAR BURLESON

Congressman 17th District

WASHINGTON, D.C. -- IT IS ENTIRELY POSSIBLE THAT THE RECESS Congress took in August will be the best thing it has done this Session. If enough Members got the word that people are fed up with wild spending, deficits, Government control, regulations of one sort or another and a lot of other

things, the effect could be for the better.

ON THE OTHER HAND, SOME MEMBERS REPORT that their city Constituents are more concerned about unemployment, the cost of living and demand more Federal relief. From conversations it would appear, however, that, generally, people are aware that the Government does not have endless resources and that it can't cure every ill that befalls communities and individuals. In attempts to solve all problems, Government agents, clad in the armor of Federal law, poke into every nook and cranny of our lives, often doing more harm than good. There is an awareness that over a long period of year, there has been created a massive Federal regulatory structure encased in contradiction, excesses and rules.

WITH ENOUGH PEOPLE AFFECTED BY THESE OVERPOWERING CONTROLS and regulations, an awareness may set in for a demand to not only retrench some of the things now in effect but to cause Washington to think twice before it undertakes to tell every enterprise in the Country what it can and can not do in hiring, firing, pricing, production, competing and all the other authority now being imposed.

THESE ARE PROPOSALS, BOTH IN THE HOUSE AND IN THE SENATE, which would unify a vast number of Federal programs now spread around

in so many department that one hardly knows what the other is doing. The effect is to victimize those supposedly to be helped. THE FACELESS BUREAUCRACY IS NOT RESPONSIBLE to the people it is supposed to help. Too often it imposes a burden on business and on individuals with which they can not cope and often citizens pay a penalty rather than try to defend themselves. It is such an expensive effort to fight the bureaucracy that most times they simply plead "no contest." The Government has unlimited resources behind it in a court case but a company or individual does not. To win a case may well be a hollow victory for a small businessman because there is case after case where a legal fight has caused bankruptcy. In all cases, the taxpayers foot the bill for the Government's mistakes.

THE PRESIDENT HAS CALLED IN HIS CABINET HEADS, COMMISSION, Bureau and Agency Directors and has instructed them to reduce their overwhelming bureaucracies. This is well and good but other Presidents before the present one have, at times, done the same thing. It has not been effective because there have not been follow-ups to see that it was done. Even a greater handicap is that the professionals down below Cabinet and agency heads, have usually been in their positions for a long period of time and hang on to the power they are able to yield. Often the head man is unable to reach through the red tape to do much about it.

AT FIRST GLANCE, IT WOULD APPEAR THAT A bill in the United States entitled "Economic Adjustment Administration" would add another layer to the bureaucracy but if past efforts are an indication, it is going to

USDA Increases Financial Assistance

WASHINGTON -- The national rural development effort has been given a big boost by a more than twofold increase in U.S. Department of Agriculture (USDA) financial assistance for community, housing, and farming programs since people started moving back to smalltown and country living.

Fund increases since fiscal 1971 have helped some rural communities to take on new residents with a minimum of strain and enable others to prepare for more newcomers expected because of an increasing desire for rural living. At the same time, people have been able to improve their quality of life. The following examples illustrate the variety of development assistance provided by one USDA agency, the Farmers Home Administration (FmHA):

- Piedmont, Ala., borrowed \$300,000 for a new industrial park that will result in jobs for at least 800 rural residents.
- Franklin county, Maine, borrowed \$150,000 to buy modern equipment for its 80-bed hospital.
- The Caballo Grazing Association in Sierra county, N.M., borrowed \$142,000 to buy and lease enough additional land to double its capacity and make the operation profitable.
- The village of Homer, Mich., borrowed \$160,000 to provide centrally located

village offices and a modern fire department to serve itself and four townships.

The population turnabout started in 1970, and that's when funding of programs administered by FmHA began to rise. During fiscal 1971 - 75, more than \$18 billion was dispensed as loans and grants -- over \$17.6 billion in loans and about \$361.3 million as grants. There were more than a million loans and over 3,500 grants during the period. Since FmHA was established 40 years ago, it has handled more than \$30 billion in loans and grants.

Funding for fiscal 1975 was some \$3 billion more than in 1971. The amount was increased each year except fiscal 1974, when there was \$158 million less than in 1973.

Community program funds are used for community facilities, business and industrial development, watersheds, flood prevention, and resource conservation and development.

Housing program funds are for low - and moderate - income family dwellings, home repairs for those with very low incomes, rental, farm labor, and self - help housing, and for establishing home sites.

Farming program funds are for ownership, operations, emergencies, establishing recreation businesses, grazing associations, soil and water projects, and Indian land acquisition.

These programs are being continued in FY 1976. Rural communities and individuals wishing to take part in them should contact their county or state Farmers Home Administration office or write the Rural Development Service, U.S. Department of Agriculture, Washington, D.C. 20250.

Qualify for a \$1,500 tax deduction. Next year... every year.

If you work for yourself, work at a small firm, or work for a large corporation, there's a new law that could save you a lot of money. Here's how: if you're not currently participating in a qualified retirement plan (most Americans aren't), you can set up your own Individual Retirement Annuity. Contributions to your annuity, up to \$1,500 a year (or 15% of your earned income, whichever is less) are fully tax deductible. 100% of your I.R.A. is subtracted from your gross income when figuring taxes.

It's like giving your own money to yourself. And deducting it, instead of paying taxes on it as usual. Some call it a tax shelter.

Your Southland Agent can answer any questions you may have. Send him this coupon... it'll be to your benefit. Next year, and every year 'til retirement.

4-H NEWS

The Eastland County 4-H Council met Saturday, Sept. 6, for their regular planning meeting. Revise Laminack, County 4-H Council Chairman, presided.

The Council members made plans for the County 4-H Awards banquet program to be held on Oct. 11. The Council voted on the Outstanding 4-H Man and Woman leader who will be honored on this occasion.

Other business included buying new 4-H banners, and sponsoring awards for the 1975 Gold Star 4-H boy and girl recipients. Council members approved sponsoring, Theresa Scott, Rising Star 4-H'er, to the State 4-H Dress Revue. Plans were discussed for a money raising project and a 4-H Bicentennial bumper stickers will be sold.

The members discussed an end of the year trip for Council members; and definite plans will be made at the November Council meeting.

4-H Council representatives attending included: Laminack of Gorman 4-H Club; Eddie Hamilton of Ranger 4-H; Karen Plowman of Eastland 4-H; Bennett Sortes and Greg Pippen of Nimrod 4-H Club. Arleen Atkins and Janet Thomas, County Extension Agents, also attended.

Savings Bonds

July sales of Series E and H United States Savings Bonds in Eastland County were reported. Sales for the seven month period totaled \$106,238 for 35% of the 1975 sales goal of \$300,000.

Texas sales during the month amounted to \$20,018,842, while sales for the first seven months of 1975 totaled \$140,979,556 with 60% of the yearly sales goal of \$234.3 million.

Thoughts

From The Living Bible

There is one thing worse than a fool, and that is a man who is conceited. The lazy man won't go out and work. "There might be a lion outside!" he says. He sticks to his bed like a door to its hinges! He is too tired even to lift his food from his dish to his mouth! Yet in his own opinion he is smarter than seven wise men. Yanking a dog's ears is no more foolish than interfering in an argument that isn't any of your business. A man who is caught lying to his neighbor and says, "I was just fooling," is like a madman throwing around firebrands; arrows and death!

Slaughter Reunion

The descendants of the late Reverend John R. Slaughter and Mary Elizabeth Carter Slaughter met August 31 from 10 a.m. until 4 p.m. in the rural home of Mrs. Eunice Clements at Morton Valley for their annual family reunion.

Children of the couple are: Eunice Clements, Verlie Swenson, Minnie Barrett, Willie Kirby, Gladys Coats, Ruby Smith, Lillie Sibley, Susie May, Ellis Slaughter, Robert Slaughter, and Millard Slaughter.

The devotional was given by Millare Slaughter, Doyle Carter, and W.S. Willoughby. After a very impressive chain prayer, a bountiful lunch was enjoyed by everyone.

The afternoon was spent singing hymns and visiting. Mrs. Richard May was organist and Mrs. Guy Sibley was song leader. A short business session was held at 1 p.m. Officers for 1976 are Mrs. Hilmer Swenson of Abilene, President; Mrs. Guy Sibley of Carlton, Vice-President; and Mrs. Susie May of Eastland, Secretary-Treasurer. The reunion will be held at the same place next year on the Sunday before Labor Day.

Present for the enjoyable day were:

Mrs. J.D. Clements, Sr. of Ranger; Mrs. Jeff Coats, Mr. and Mrs. Hilmer Swenson, and Mr. and Mrs. Richard May of Abilene; Mr. and Mrs. Bob Castleberry, Kathy, Angie, Raymond, and Cris, Mr. and Mrs. Doyle Carter, Mr. and Mrs. Bernard Fisher, Mrs. Susie May, Mrs. Julia Carter, Mrs. Willie Maud Stafford, and Steve Johnson all of Eastland. Sherie and Denise Moore of South Dakota; Mrs. Ruby C. Smith, Mrs. Betty Daniels, and Martin of Olden; Mrs. Nina Berry of Lampasas; Mr. and Mrs. Millard Slaughter and Robert Slaughter of Cisco; Mr. and Mrs. W.S. Willoughby; Mr. and Mrs. David Willoughby, Mr. and Mrs. Floyd Kirby of Eastland; Mr. and Mrs. Eddie Stice of Tahoka; Mr. and Mrs. Guy Sibley and Mrs. John D. Smith of Carlton; Mr. and Mrs. Otta Austin of Millsap; Mr. and Mrs. Johnny Smith of Fort Worth; John D., Kay, Patti, and Mark Clements of Irving. Special guests were Mr. and Mrs. Willard Liles and Mrs. Rosa Lee Whisenant of Eastland.

Newspaper Club House

Half the fun of any club is its meetings. Build this club house in the backyard or basement and hold those meetings in privacy.

About 4 1/2 feet square, the house takes 72 newspaper rolls and an old sheet to build it.

To make each roll, use four double-spreads of newspaper. Roll diagonally, as tightly as possible; tape to hold. To make long rolls, insert the end of one into the end of another; trim ends before joining. Use a small saw to cut through centers, if necessary.

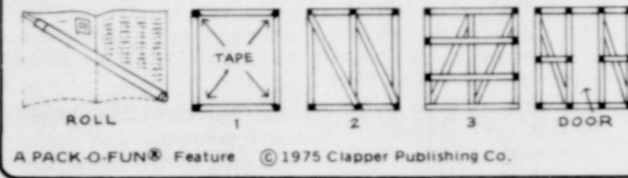

For each wall, tape rolls in a square on the floor (1). Tape one roll across center, dividing wall in half; tape a roll diagonally across each half (2). Now, turn the whole piece over and, spacing

them evenly, tape two rolls at right angles to the center roll (3). Make three such walls.

On the fourth wall, allow a space for the door by placing two parallel rolls from top to bottom. Place a diagonal roll in the space on each side of doorway and a crossbar roll at the center of each side space. Lift the four walls up-right and tie securely at the corners. Cover with a sheet.

Highlights AND Sidelights

by Lyndell Williams
TEXAS PRESS ASSOCIATION

AUSTIN — Senate impeachment trial of 229th District Judge O.P. Carrillo has been postponed until September 29.

Senators agreed to the delay since Carrillo faces trial this week in a Corpus Christi federal court on an income tax indictment. In opening preliminaries, the Senate resolved itself into a court of impeachment and adopted rules for the historic trial—third proceeding of the type in a century involving a Texas public official.

Carrillo's attorneys filed a 170-page answer to the House impeachment resolution of August 5, denying all 10 charges and challenging sufficiency of the allegations. The answer remains as pending business when senators return to Austin late this month to begin taking testimony.

The 51-year-old judge, whose district includes Duval, Jim Hogg and Starr counties, is accused of abusing judicial authority, political conspiracies and use of Duval County personnel and equipment for personal benefit.

Carrillo's motion to disqualify Atty. Gen. John Hill and his staff from assisting the House prosecutors was rejected 23-7.

Senators imposed on the prosecution a duty of proving its charges "beyond a reasonable doubt" to gain a two-thirds vote for removal of the judge, whose troubles date back to a break with the old George Parr political faction in Duval County.

Oil Theft Aired

Texas and Louisiana met here last week to share information on reports of a widespread oil theft ring.

The thefts came to light with arrest of four men in Runnels County. Investigators have been trying to solve the reportedly organized plot to steal crude oil and sell it to refineries. Runnels County Sheriff Don Atkins said five men in Texas, New Jersey, Illinois and Louisiana are centers of the investigation.

A possible Oklahoma connection is also being explored.

Cost Revised

Comptroller Bob Bullock, who once estimated the proposed new Texas constitution would cost a billion a year and possibly as much as \$11 billion overall, reversed himself and said nobody really can tell.

"Only history can write the final cost report," Bullock said. "The ultimate monetary impact of the proposed constitution would depend on innumerable future decisions by elected representatives of the people in the city halls, county courthouses, school boards and legislature."

The new constitution will be voted on November 4. Bullock earlier pegged direct cost to state government at about \$100 million a year. He had concluded the new constitution would permit levying another \$53 million a year in new taxation on bank deposits, stocks and other intangible property.

Auto Insurers Hurt

A spokesman for auto insurance companies said claim costs during the first quarter of this year averaged 22.5 per cent more than in 1974.

And 1974, the spokesman said, was the worst year in history for the companies. The statement may have offered an indication of what the industry will ask in the way of new rates at a public hearing tentatively set October 1.

AG Opinions

Attorney General Hill told the Public Welfare Department it can transfer appropriated funds among programs without specific appropriations. Legislative budget writers objected.

In other recent opinions, Hill concluded: A commissioner court may enter a contract without competitive bids for personal or professional services involving coordina-

tion of crime investigation. Advertisements for bids for supplies costing more than \$2,000 in counties of over 800,000 population must be published in accordance with law requiring publication in a daily newspaper.

Balances and receipts appropriated to a board of county and district road indebtedness may be spent for administration of the fund but may not be utilized to employ personnel whose salaries were voted by the governor.

Crime Rate Up

Crime hit the suburbs hard and the rate for major crimes rose 17.4 per cent during the first six months of 1975, according to Texas Department of Public Safety.

DPS report showed a 24.7 per cent increase in rural areas and a 16.7 per cent jump in the urban areas. A total of 310,920 major crimes for the period were recorded for a rate of 5,160 per 100,000 population. This compares to 259,267 offenses during the first part of 1974 and a rate that year of 4,396 per 100,000.

DPS Director Wilson E. Speir said 25 per cent of all reported crimes were cleared during the period, compared to 22 per cent a year earlier. Thirty-one per cent of the rural crimes were cleared by arrests.

Speir said the record indicates a major criminal offense in Texas every 34 minutes.

Appointments

Gov. Dolph Briscoe reappointed Frank H. Lewis of Bay City to Texas Water Quality Board.

Harry E. McAdams of Austin and Washington succeeded Alan R. Erwin as director of the Office of State-Federal Relations in Washington, D.C.

Steve A. Lillard III of Laredo and Dorrance H. Guy of El Paso were named to the Good Neighborhood Commission. Guy was reappointed.

Briscoe reappointed Benjamin B. Pegues of Mineola and Charles Wickersham of Orange to the Sabine River Authority of Texas and placed Malcolm J. Henley of Tyler on the authority. James W. Gorman Jr. of San Antonio succeeds Mrs. H. K. Allen of Temple on the state American Revolution Bicentennial Commission.

Short Snorts

Garrett Morris of Fort Worth was elected chairman of the new Texas Public Utilities Commission.

The Texas highway traffic toll Labor Day weekend was the lowest since 1966.

Veteran Sen. Bill Moore of Bryan will be honored October 14 at a barbecue and entertainment event in Washington-on-the-Brazos Park.

Vote's guide to proposed new constitution to be voted on November 4 are now in the mails in most sections.

Texas mobile home dealers and manufacturers are challenging a new regulatory and bonding requirement. Attorney General Hill defends it.

An Austin district judge declared the Texas theater admissions tax (which yields about \$5.5 million a year) unconstitutional.

Construction activities are showing strong signs of recovery, according to the Texas Bureau of Business Research.

Agriculture Commissioner Warns Peanut Growers

AUSTIN—Central Texas peanut growers are urged to be on the lookout for red spider mites, Southern Blight, Pythium pod rot and Subterranean Southern Blight, according to Agriculture Commissioner John C. White.

Red spider mites are beginning to show in several of the peanut fields in the area because of rainy, humid weather. Low red spider mite populations had been present in some fields earlier, but with present weather conditions some of these populations are growing rapidly.

"Peanut growers should make every effort to control spider mites as soon as possible. It is important that agricultural workers, farmers, irrigation pipe movers and other walking in the fields change clothes or brush themselves off before going into another field," Commissioner White said.

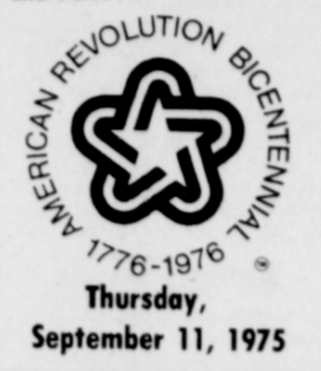

"Red spider mites are easily carried on a person's clothing and vehicles such as tractors, thrashers and other wheeled equipment," he added.

Southern Blight and Pythium pod rot ground diseases also are appearing quite frequently in peanut fields. Farmers should be certain they know which disease or diseases are present before treatment. In some cases, laboratory testing is necessary to determine which disease is present.

Farmers are urged to pull up plants from time to time to check for Subterranean Southern Blight, which has appeared in many fields. It differs from normal Southern Blight in that the pods rot under the ground and almost all of them are destroyed before white mold or any other symptoms appear at ground level.

The De Leon Peanut Lab, after examining its fungicide plots

to determine if red spider mites are following fungicide applications, has found no evidence to date to indicate that any fungicide in the tests promotes or encourages invasion of red spider mites, White said. The tests include sprinkler and ground applications side by side of Difolatan, Bravo, Terraclor, Benlate, oil, Manzate and DBCP.

PUBLIC NOTICE

SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS (S.J.R. NO. 11) SPECIAL ELECTION NOVEMBER 4, 1975

PROPOSITION NO. 1 ON THE BALLOT

Revising the separation of powers, legislative and executive provisions of the Texas Constitution. Article II, Separation of Powers, is amended to:

Provide that the powers of government of the State of Texas are divided among three distinct branches: legislative, executive, and judicial. Except as otherwise authorized by the constitution, members of one branch may not exercise any power properly attached to either of the others.

Article III, The Legislature, is amended to:

Continue the present structure of the legislature consisting of a senate with 31 members and a house of representatives with 150 members. The present organization and procedure of the legislature are continued except that the provision allowing closed executive sessions of the senate is omitted. Provisions on the conflict of interest of members of the legislature are continued, as is the governor's power to veto bills or line items in appropriation bills. The article provides for single-member senatorial, representative, and congressional districts. A compensation commission is created to recommend the compensation and allowances to be received by members of the legislature. The legislative compensation, set by law, may not exceed this recommendation and does not take effect until after an intervening general election. The article provides for annual sessions of 140 days in odd-numbered years and 90 days in even-numbered years, and a veto session of 15 days upon request of three-fifths of the membership of each house. The legislature may meet in organizational sessions prior to the convening of the legislature in regular sessions.

Article IV, The Executive, is amended to:

Continue the present status of the governor and all other statewide officers, and include the commissioner of agriculture as an executive department officer. The governor is limited to two consecutive terms. The governor is authorized to designate chairmen of state boards, and to remove gubernatorial appointees to state agencies for cause unless the removal is vetoed by the senate. The article mandates the legislature to provide a new governor-elect an appropriation so the governor-elect may organize an office prior to inauguration, and permits the legislature to grant powers of fiscal control to the governor. All governmental agencies, with several exceptions, have a life of not more than ten years unless extended by the legislature, and, at the regular session held in odd-numbered years, the governor shall submit to the legislature a report on the organization and

efficiency of the executive branch.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the SEPARATION OF POWERS, LEGISLATIVE, AND EXECUTIVE PROVISIONS OF the Texas Constitution."

If adopted by the voters, will become effective January 1, 1976, except Article III, Section 5, which becomes effective January 1, 1981.

PROPOSITION NO. 2 ON THE BALLOT

Revising the judiciary provisions of the Texas Constitution. Article V, The Judiciary, is amended to:

Establish a unified judicial system consisting of the supreme court, court of appeals, district courts, and circuit courts. Existing county courts and county judges are continued until otherwise provided by law. All judges (except municipal judges), district attorneys and district clerks must be elected by the people. The supreme court and the court of criminal appeals are merged into a single court of last resort, and this supreme court is authorized to provide for efficient administration of the judicial system and to balance case loads. Individual rights for a trial by jury and appeal by the accused are continued. The state is granted the right to appeal in criminal cases in limited circumstances, and the legislature is permitted to establish methods of appeal to the courts from decisions of state agencies.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the JUDICIARY PROVISIONS OF the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

PROPOSITION NO. 3 ON THE BALLOT

Revising the voting and election provisions of the Texas Constitution. Article VI, Voter Qualifications and Elections, is amended to:

Provide for registration and qualifications for voting including voter residency requirements to be established by law. A citizen of the United States who is at least 18 years of age and who meets the registration and residence requirements provided by law is a qualified voter unless the person has been convicted of a felony and for that felony is incarcerated, on parole, or on probation, or unless the person is mentally incompetent as determined by a court. Voting by the people in all elections must be by secret ballot, and the legislature shall provide by law for residence, registration, and absentee voting

requirements, for the administration of elections, and for the protection of the electoral process. The general election for state and county officers is to be held in even-numbered years on a date prescribed by law.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the VOTING AND ELECTION PROVISIONS OF the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

PROPOSITION NO. 4 ON THE BALLOT

Revising the education provisions of the Texas Constitution. Article VII, Education, is amended to:

Provide that the Permanent and Available School Funds and the county public school funds are continued for the support of the free public schools. The State Board of Education is retained and the Permanent and Available University Funds are continued for the benefit of The University of Texas and Texas A&M Systems. A new Higher Education Fund for Texas is established for the benefit of colleges and universities outside The University of Texas and Texas A&M Systems. The state ad valorem tax of ten cents on \$100 valuation is continued as the source of revenue for the Fund. The ten cent higher education tax may be changed by law within the ten cent maximum. The legislature may allocate by law a portion of the Higher Education Fund to certain state vocational and technical institutes. The article provides that the public education system must furnish each individual an equal educational opportunity, but a school district may provide local enrichment of educational programs exceeding the level provided by the state consistent with general law. Authority to issue Permanent University Bonds is continued but the bonds may not exceed 30% of the Permanent University Fund.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the EDUCATION PROVISIONS OF the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976, except Article VII, Section 9, which becomes effective January 1, 1979.

PROPOSITION NO. 5 ON THE BALLOT

Revising the finance provisions of the Texas Constitution. Article VIII, Finance, is amended to:

Provide that state taxes may be levied and collected only by general law and to prohibit any state ad valorem tax on real property or tangible personal property except the ten cent tax provided for in Article VII and a

tax of two cents on the \$100 assessed valuation to provide funds for the State Building Fund. Provides that all real property and tangible personal property must be taxed equally and uniformly in proportion to market value. Existing exemptions from ad valorem taxation are continued. The present deduction of motor fuel taxes for highway purposes and the Available School Fund is retained. The "pay-as-you-go" principle for the operation of state government is retained. The legislature shall establish separate formulas for appraising land to promote the preservation of open-space land devoted to farm or ranch purposes and may establish separate formulas for appraising land to promote the preservation of forest land devoted to timber production. The \$3000 exemption from state ad valorem taxation for residential homesteads is continued and the legislature by law may increase this amount. A separate \$3000 exemption from ad valorem taxation by political subdivisions is provided for the residential homestead of persons at least 65 years of age and the political subdivision may increase this amount. The legislature by law may exempt from ad valorem taxation certain property owned by veterans' organizations, non-profit water corporations, and persons in need because of age or disability, and economic circumstance. The legislature may also exempt property to preserve historical, cultural or natural history resources. Taxpayers are provided a new method of correcting inequitable tax assessments by paying ad valorem taxes under protest and suing for a refund in a district court. State debt may be authorized by law only if approved by a two-thirds vote of each house of the legislature and submitted to and approved by a majority of the qualified voters of the state voting on the question. Public funds and public credit may be used only for public purposes and no public funds or public credit may be used to influence the election of a public officer. The article prohibits a retail sales tax on agricultural machinery or parts, fertilizer, feeds or seeds, prescription drugs or medicine, or food, except food sold by restaurants for immediate consumption. An assessment voted by marine food or agricultural producers on their product sales is not a tax if provision is made for the individual producer to receive a refund of the assessment when the producer does not desire to be assessed.

PROPOSITION NO. 6 ON THE BALLOT

Revising the local government provisions of the Texas Constitution. Article IX, Local Government, is amended to:

Provide that the counties of the state are those that exist on the date of adoption of the local government article and that county boundaries may be changed if approved by a majority of the qualified voters in each affected county who vote on the question. Counties may be merged or county seats relocated if approved by two-thirds of the qualified voters in each affected county who vote on the question. The present elected constitutional county offices are retained and four year terms of office are provided. The voters of a county may create additional offices, eliminate offices, or combine the duties and functions of offices. The voters may also grant ordinance making power to the governing body of the county. Cities and towns having more than 1,500 inhabitants may become home-rule cities. Tax limitations are established for operating purposes for cities and counties and the legislature is required to fix debt limits for cities, towns, counties, and school and community junior college districts.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the LOCAL GOVERNMENT PROVISIONS OF the Texas Constitution."

If adopted by the voters, will become effective on September 1, 1976.

PROPOSITION NO. 7 ON THE BALLOT

Revising the general provisions of the Texas Constitution. Article X, General Provisions, is amended to:

Provide the basic requirements relating to public officeholders such as the official oath and residency requirements. The provision defining the separate and community property of spouses is retained, and the protection of a homestead from forced sale is continued. The legislature is required to protect certain personal property from forced sale. Current wages for personal service are not subject to garnishment. A private corporation may not be chartered except under general law, and no bank may engage in business at more than one place in this state. The legislature must provide for the regulation of bank holding companies. The present system of local-option elections for the prohibition or sale of alcoholic beverages is continued. The legislature is required to prohibit lotteries and gift enterprises but may permit certain bingo games and raffles. The presently existing provisions for retirement benefits of teachers and other public employees are modified to allow the state to con-

tribute more than 10%. A policy that the quality of the environment of the State of Texas is to be protected is established, and the legislature is required to implement and enforce this policy. No state funds may be used to remove surface water from the river basin of origin if the surface water is necessary to supply the reasonably foreseeable water requirements of the basin for the ensuing 50 years, unless the removal of water is sufficiently replaced to the point of removal from outside the state or is on a temporary, interim basis. The seaward beaches of the Gulf of Mexico and coastal submerged lands belonging to the state are held by the state in perpetual trust for the people, and subject to reasonable limitations prescribed by law, the public has the free and unrestricted right of use and benefit of the beaches. The provision is continued that, except as otherwise provided by law, a rate of interest in excess of ten percent a year is usurious, and that if a contract does not specify a rate of interest, the rate under the contract may not exceed six percent a year. Discrimination against handicapped persons is prohibited, and a goal of the state is established to provide every resident access to adequate, comprehensive health care.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the GENERAL PROVISIONS OF the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

PROPOSITION NO. 8 ON THE BALLOT

Revising the mode of amending provisions of the Texas Constitution. The proposed article will be the last article of the constitution. If only Proposition No. 8 is adopted, the article will replace Article XVII of the present constitution. If other propositions are adopted, the article will be appropriately renumbered to remain the last article of the constitution. If all propositions are adopted, the article will be Article XI. Article XVII, Mode of Amending the Constitution of the State, is amended to:

Establish a procedure for constitutional amendments requiring a two-thirds vote of each house of the legislature and majority approval by the voters. The calling of a limited or unlimited constitutional convention with voter approval is provided. The question of whether to call a constitutional convention must be submitted to the people every 30 years.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the MODE OF AMENDING PROVISIONS OF the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

Kaleidoscope Of Freedom To Be Presented

Rising Star's Bicentennial production "Kaleidoscope of Freedom" is to be presented two evenings this week at the West Texas Fair in Abilene, as a part of the Fair's Bicentennial observance.

The invitation from Fair officials was received by the directors of "Kaleidoscope of Freedom" early in the summer. The program, featuring 70 historic flags, will be presented on Thursday and Saturday nights of the fair week.

The program is scheduled for

7:15 on Thursday evening and 7:45 on Saturday evening.

The presentation involves about forty local people in the production, including members of the Rising Star High School

FB President Speaks To Farmers

WACO-Texas Farm Bureau President Carrol Chaloupka said future supplies of grain may depend upon the outcome of the current grain export controversy.

"If farmers lose a part of their legitimate export markets because of actions of the federal government and labor unions, they will be forced to reduce plantings for the next crop season," Chaloupka said. "Fall planting for wheat is just a few weeks away and some farmers will be making that decision soon."

Class, who narrate the program and Rising Star's Community Singers, a choir made up of singers from the Rising Star area. The choir and soloist will present a varied program of patriotic music, highlighting the presentation of the flags which have influenced our nation's heritage.

"Kaleidoscope of Freedom" was written and prepared by Mrs. Carl A. Smith, Mrs. Bobby Burns, local high school English teacher and Senior Class sponsor is director of the program, the music is arranged and directed by James Steel. Mrs. Rex Hudson accompanies the choir and the soloists are Mrs. Bill Medley and Mrs. Frank Gray.

It's your Constitutional right to know what's happening in the world . . . and it's our job to see that you're made aware in the clearest, most concise way. As long as the American democratic system is alive, we'll work to keep you informed. For only when there is a system of fearless, unbiased reporting are we truly a free people.

MONTY HOWARD

How often do you express a doubt? How often do you have doubts about your abilities or doubts about other people? It is healthy and wise to have doubts at times about certain things, but when doubts become chronic and cloud simple reasoning, then doubting has deteriorated to a sickness of skepticism.

We see men of poise and serenity; we see them with all the trappings of faith and dignity and we doubt whether these men ever have a doubt about anything. They seem so sure of themselves. But they too have doubts at times.

To doubt is only human. This was true from the days of the Psalmists to and through the days of Thomas and is true today. When we find ourselves gripped with uncertainty, we are bound to have doubts. But promiscuous doubting should not be.

Doubts torment us only because we have too little faith. This is true whether it applies to people, science, religion or anything else. Obviously then, the best way to reduce doubts is to increase faith. Sounds simple? It is.

Quarterback Club Fund Raising Auction

The Eastland Quarterback Club met in the Wendell Siebert Elementary School at 7:30 p.m. with President Steve Church presiding. A report on the membership drive was made by Chairman W.D. Freeman. He reported there were 377 members so far.

W.J. Stone reported on the big auction to be held on high school hill this Saturday at 10:00 a.m. He reported that many nice items had been donated but many more were needed. If you have items you would like to donate call K.E.R.C. and a member of the club will be happy to pick the items up.

Jay Staggs donated our all day program for the auction and everyone in the club wishes to thank Jay for his support and the many things he has done for the club.

A special thanks to Buck Wheat for the good job he did on the all day radio program. Thanks to all who helped pick up items and everyone that donated in any way.

A film of the Dublin game was shown and we think the Mavs did a good job. Let's all come to the Ranger game and back the Mavs.

If you haven't gotten your poster of the Mavericks you may purchase one from any cheerleader.

Councils Visit

The Eastland Student Council visited with Cisco's Student Council on Sept. 9. The members of each student council were paired together by either their office or their classification as representative.

The Eastland members attended classes with their partner. When Eastland first arrived they were introduced, then paired up. Eastland then followed their partners and watched how the school was run. After Eastland had attended classes with Cisco, there was another meeting held. The two student councils compared their ideas, plans, and projects that they had done or planned to do. One thing the Cisco school is having this year is a homecoming dance.

Eastland wishes to thank Cisco for inviting us over. We enjoyed the nice cool air conditioned building and the warm welcomes we received from not only the students, but the teachers as well.

In the near future the Eastland school plans to invite Cisco over and show them how our school is run.

Farm Bureau Holds Directors Meeting

The four magic words in the Constitution are "As provided by law."

If the Constitution is changed the cost for citizens will go up in taxes. The new Constitution will give the legislation unlimited powers and this will take away from the citizens.

Mr. and Mrs. Guy Horton visited Steve Wilson in Taylor this past weekend. While there they attended the Baylor-Mississippi football game on Saturday night.

Final Rites For Jeston Lilly Held Thursday

Funeral services for Jeston Cook Lilly, age 73, will be conducted at 1:30 p.m. Thursday, Sept. 11, in the Stephenville Funeral Home Chapel. Mr. Lilly passed away at 9:00 p.m. Tuesday, Sept. 9, in Abilene. Rev. A.L. Cook, Methodist minister from Fort Worth, will officiate. Graveside services will be conducted at 3:30 p.m. Thursday in the Cross Plains Cemetery.

Mr. Lilly was born July 12, 1902, in Callahan County. He married Josephine Harris August 8, 1920, in Callahan County and was a member of the Methodist Church. He was a farmer and motel owner before retiring. He lived in Stephenville for the past 15 years and prior to moving to Stephenville he lived in Eastland for 10 years.

Survivors include his wife, Josephine; one son, Herman H. Lilly of Alexander, Va.; three daughters, Mrs. Jessie Jo McFarland of Abilene, Mrs. Helen Foller of Stephenville, and Mrs. Louise Graves of Tucson, Arizona; one brother, S.W. Lilly of Baird; 13 grandchildren and 12 great-grandchildren.

Senior Citizens Form AARP Chapter

The Senior Citizens of Eastland will have an opportunity to form a local chapter of the American Association of Retired Persons (AARP) on Friday, Sept. 26, at 7:00 p.m. in the Reddy Room. Those who are already members of AARP are asked to bring their membership cards with them or membership numbers. Non-members wishing to join will be enrolled at the meeting.

Among the advantages of national membership, which costs only \$2.00 per year, are husband-and-wife sharing of one membership. (If either partner is 55 years old, the other is eligible to belong.) and automatic subscription to a bi-monthly magazine and the monthly news bulletin.

Come to the Eastland organizational meeting to learn about the advantages of a local chapter. Mr. Carlos Val Smith, a State Representative of the AARP, will be available to answer any questions.

Stacy Blair Recipient Of Scholarship

Stacy Blair, junior at Hardin-Simmons University, from Eastland, has been named the recipient of the Dan W. and Vera B. Harrell Memorial Scholarship given by Miss Lamoyane Harrell of Lubbock to a Hardin-Simmons University student in memory of her parents.

Blair is the son of Mr. Bob Blair. He is majoring in applied trumpet. He is a 1973 graduate of Eastland High School.

Final Rites Tuesday For Hubbard Gilbert

Hubbard M. Gilbert, 82, of Gorman, died at 2:30 a.m. Monday at Eastland Memorial Hospital following a brief illness. Services were Tuesday at 2:30 p.m. at First United Methodist Church.

The Rev. Bob Cope, pastor, officiated. Burial was in Murray Memorial Cemetery near Carbon in Eastland County, directed by Higginbotham Funeral Home.

Born July 20, 1893, in Leon County, he was a deputy tax assessor-collector in Eastland County and a farmer for about 30 years. He had lived in Gorman for the last nine years, moving from Carbon.

He served in the Army during World War I.

He was a member of the First United Methodist Church in Gorman.

Survivors include his wife, Lois; two daughters, Mrs. Marian (J.S.) Craddock Jr. of Colorado City and Mrs. Roberta (Truett) Guy of Oklahoma City, Okla.; two brothers, W.F. of Spout and Howard of Gorman; four grandchildren and two great-grandchildren.
