Eastland Echoes

By Casey

THOUGHT FOR TODAY: "Some minds are like concrete: all mixed up and permanently set." (Gleanings).

Monday and Tuesday will be big days, in the woman's sphere, here in Eastland, for the occasion brings to our town a sizable gathering of appreciated visitors, women of the 6th District, Texas Federation of Women's Clubs. They represent units which have written into clubbook records a story of many accomplishments, in their respective realms. We Eastlanders are honored to have you here, ladies. May you have an enjoyable stay in our community—and hurry back!

"Why does a new baby cry?" mused Jack Paar. "It's hungry, it's naked—and it already owes the government \$2,300!"

The Y's on the beam. (You'll see elsewhere in this issue that the lately-organized Hi-Y has started its first project, a track meet for the Ward Schools.) Hubert Westfall, a sponsor, tipped us off on this item, which we deeply appreciate. As we were discussing it with him, Mrs. Arthur Murrell walked into the office. She is "Y" president here and, of course, it was a thrill to hear her what Hubert had to say.

Friend of ours says "a fellow sometimes can get a pearl out of an oyster but it takes a pretty girl to get a diamond out of an old crab."

Earl Bender is really putting a ritzy front on his building, in the remodeling now in progress. When it's finished, we're going to take our shoes off before venturing in.

Well, well—strangest things happen. As a newcomer—having been here only since January (and enjoying it, we'll add!) we wondered how many natives there are in these parts. At Rotary the other day Speaker Joe Galbraith asked how many present were born in Eastland. Guess None. Yet all are loyal to—and pulling for—good old Eastland.

Awards Event Of Masons Scheduled

Eastland Masonic Lodge No. 467 will be host to the 73d District Masters and Wardens Association and present 25-year-service awards to a lengthy list of Masons on the night of April 19, it was announced today. Also, a fifty-year award will be presented to Ed T. Cox. "All Masons who are eligible are requested to be present for the presentation," the lodge announced. "We have seventy brothers who are eligible to receive the awards."

Wayne Jackson, worshipful master, and H. P. Pentecost, secretary, announced that meeting time will be 8 p.m. and that it will be an open meeting, with Masons' ladies invited.

Officers of the lodge said the Rainbow Girls from Cisco are scheduled to confer a degree, in the course of the evening.

Secretary Pentecost listed the twenty-five year Masons as follows: Audrey D. Baker, Albany; Earl Bender; D. E. Benshoff, Eastland; B. G. Blair; Archie D. Campbell, Olden; Abraham Carr, Dallas; Ray L. Carpenter, Eastland; O. B. Cason; G. W. Collins, Olden; Har-

Eastland Hi-Y Is To Sponsor Ward Meets

Eastland Hi-Y has gone into project action. Its first enterprise is to sponsor track meets for the two ward schools—South Ward and West Ward, and the boys have already borrowed pickup trucks and hauled sand to the schools for jumping pits. Coaches will be chosen from the Hi-Y ranks and Clyde Evatt is chairman.

Eastland County Commissioners Court now is meeting on second and fourth Mondays. Thus the next session will be April 25.

Family Joins Edwin Aaron; To Live Here

Edwin Aaron, son of Mr. and Mrs. Johnny Aaron, returned home April 6 from Okinawa where he had been serving with the U.S. Air Force as Airman Second Class. His wife, the former Miss Phyllis Peters of San Antonio, and her four-month-old baby, Eddie John, came here a day before and went with his parents to Abilene to meet him, upon his arrival there from Okinawa. His wife and baby had been living in San Antonio with her parents since he went to Okinawa six months ago. He has received his discharge and will engage in ranching and farming with his father three miles south of the city.

Girlstown, U. S. A. (at Whiteface near Lubbock) is visited—and lent a helping hand—once a month or oftener by Eastland's Jim Golden . . . "Uncle Jim" (center photo) to the kids. This is the story about "Uncle Jim"—for he's Uncle to the more than 70 girls, at Girlstown, U.S.A., and with the exception of Founder-Director Amelia Anthony ("Mama," to the girls) there's no body quite like him, as far as the kids are concerned. This Eastlander who has performed so many appreciated services (all the way from taking a group into town to an Easter service to fixing a kid's broken bracelet) is Jim Golden.

"Prove, Hold Fast" Subject Presbyterian

"Prove... Hold Fast" is the subject of the Sermon by the Rev. Eugene H. Surface, Minister, at the First Presbyterian Church this Sunday morning. Just as in the Gospel accounts, the interest on this first Sunday after Easter is on the responses of the Apostle Thomas to the Fact of Christ's Resurrection.

Physical facilities at the Presbyterian Church are rapidly being improved. There is a tended nursery in a bright children's room. Most every week-day morning, some one or more of the members are at the church doing necessary work.

Plans for further efficiency in the teaching were made at the regular Church Officers and Teachers Meeting last Sunday night. This group meets once a month. An Adult Study Group meets twice a month, on Sunday evenings. The Church Session has a regular meeting once a month.

Interest and attendance at all services and meetings continues to grow rapidly. Those who are not worshipping and studying elsewhere are cordially invited to participate at this church.

There will be attendance from the local Presbyterian Church at a Presbytery-conducted Vacation Church School Institute this next Tuesday, at Snyder.

The minister is in his study at the church almost every morning for consultation and conference.

League Presents Mrs. H. Horton For Sixth Dist. Woman of Year

Mrs. Horace Horton, popular young Eastland matron, who is active in community affairs, has been nominated by the Civic League of this city for district "Clubwoman of the Year." The League's nomination follows:

"It is with great pride that the Civic League of Eastland presents the name of Mrs. Horace Horton as candidate for the outstanding 'Clubwoman of the Year' for Sixth District.

"Mrs. Horton is now serving her first two-year term as president of the Civic League. Under her dynamic leadership, the club has carried to a most successful con-

clusion its educational and cultural project for the current year. This project was the presentation of a series of selected motion pictures, noteworthy for their superior quality and artistic value. The pictures were presented to large audiences from Eastland and surrounding towns, through the cooperation of local theatre management. A publicity campaign carried on by Mrs. Horton through the local

press, radio and by many appearances before local groups, culminated in a record sale of tickets by her and the Civic League members. In turn, this proved a financial success for our club, as well as a real contribution to our community.

"In addition to all this, Mrs. Horton has been directly responsible for the success of a second project; the successful organization of a Y.M.C.A. in Eastland.

"There has long been a need here for a youth movement of some kind. She, knowing this and always having in mind the good of Eastland, set up groups work for such a program. After much thought and work, she brought her plan before the Civic League. The club, by unanimous vote, gave her the signal to go ahead. Through her inspired leadership the project was carried through with the help of the membership and other citizens. We now have an active Y.M.C.A. organization in Eastland. Mrs. Horton is second vice-president of the executive board of the Y.M.C.A., having graciously declined the presidency.

"Mrs. Horton has been active in Sunday School and vacation Bible school classes in her church. She has been elected first vice-president of the Civic League in charge of programs for the next administration. She is also a member of the Las Leales Club. Being the mother of two small children, she still finds time to share the responsibility as a full working partner with her husband in one of Eastland's largest and fastest growing industries, Horton's Ceramics.

"Civic League and all of Eastland are proud of her and grateful to her for all the good things she has brought us. Civic League considers itself fortunate in having such a fine president to present for your consideration as 'Clubwoman of the Year' for Sixth District."

What's Cooking Week' Features Here In Eastland Are Announced

Cooking through a silk scarf without damage to the delicate fabric will be one of the dramatic

demonstrations to be presented during "What's Cookin' Week" in Eastland, starting Monday, and continuing through Friday.

Martha Circle In Meet With Mrs. Bendy

The Martha Class of the Christian Women's Fellowship met Monday with Mrs. B. F. Hanna. Mrs. R. L. Carpenter, chairman, presided over the business session and the lesson was discussed by Mrs. T. A. Bendy. The devotional was given by Mrs. Eugene Day.

During the social hour which followed, Mrs. Hanna served a refreshment plate to the following: Mmes. R. L. Carpenter, C. A. Peterson, B. F. Clifton, T. A. Bendy, Eugene Day, Roy Turner and children, Kathleen, Andrea and Eric, and Mrs. Curtis Young and son, Gary, and Mrs. Hanna and children, Jean and Becky.

This demonstration of the controlled heat feature of the electric range and other demonstrations will be presented each day from 8 a.m. to 5 p.m. in the Texas Electric Service Company office by Miss Joyce Chambers, home service advisor. The silk scarf will be placed between a surface heating unit and the pan to show that a double boiler isn't needed on an electric range to provide low, diffused heat.

Other demonstrations will show how the controlled heat of the electric surface units make cooking easier, and will emphasize the cleanliness of electric cooking.

A complete selection of modern electric ranges of various makes will be displayed at the electric company office through the cooperation of electric range dealers where those interested may ask questions and may compare the different ranges sold locally.

Dolores Tanner Tells Xi Alpha Zetas About Hedgerow Theatre

The work of the Hedgerow Theatre in Moylan, Pa., the only re-entory theatre in the United States, was described Monday night to members of Xi Alpha Zeta Chapter of Beta Sigma Phi by Miss Dolores Tanner. Miss Tanner has been in the theatre company for the past 17 years.

She spoke to members of the sorority at their regular meeting in the home of Mrs. Bob King, 604 S. Bassett.

The Hedgerow theatre was organized 37 years ago, Miss Tanner said, by a group of New York actors, the Provincetown Players, who had tired of playing in the same play night after night for the

duration of a run. Led by Jasper Deeter, they organized themselves into a company which does a different play nightly, maintaining a repertoire of from 8 to 16 plays.

They selected as their playhouse a picturesque old mill on seven acres in Moylan out 14 miles from Philadelphia. In recent years they have established the practice of moving into the city for winter performances at the Academy of Music Building.

Miss Tanner described the difficulties involved in producing one play one night, and another the next. She explained that the 23 resident actors and actresses must work long hours at a variety of jobs from costume and set work to boxoffice sales in order to make this sort of theatre economically stable.

This is, in fact, she said, such a difficult task that of theatres all over the world who have attempted it, only Hedgerow has survived over a period of years.

Miss Tanner's talk followed the chapter's business session at which Mrs. LeJeune Horton presided.

Frosted lime drinks and chocolate mint cookies were served by Mrs. King to Mmes. W. E. Barrow, Bill Collins, Jack Germany, F. W. Graham, W. H. Hoffmann, Art Johnson, Bob King, W. A. Leslie, M. H. Leslie, M. H. Perry, R. B. Pipkin, Frank Sayre, Bill Walters, LeJeune Horton and Miss Tanner.

COMMON INTEREST OF THE Air Force and Federal Civil Defense Administration in early warning of unfriendly planes is underscored as Maj. Tilmon B. Cantrell, an Air Force liaison officer at FCDA, shows silhouettes of plane types to Miss Joan Cross, an FCDA bookkeeper and new recruit in the Ground Observer Corps. Miss Emajene Noon (background) is on duty at the GOC post atop the 14-story FCDA headquarters building in Battle Creek, Michigan.
