Salute 'Em With A Crowd

There was a pretty good turnout for the Maverick-Granbury Pirate football game the other night but, at that, it wasn't as large as it should have been. And we're here to say that those who missed it missed a great battle. Of course, the best part about it was that the battle was won by our boys. And we're reliably informed that they did it for seriously injured Maverick Kenneth Watson - which was a wonderful tribute to this fine lad. Our only regret is that the place wasn't jam-packed for the victory. But there's a good opportunity for Eastland fandom to assert its solid support Friday of this week, as there's another home game then - EHS versus Merkel. Let's fill that stadium.

MRS. VENTON L. DOUGHTIE

Granddaughter of Eastlanders Marries; Will Live In Ohio

Mr. and Mrs. Venton L. Doughtie Jr. will be home in Dayton, Ohio, following their wedding trip. Mrs. Doughtie is the granddaughter of Mr. and Mrs. Jess W. Williams, 501 S. Seaman street, Eastland, and the daughter of Mr. and Mrs. Thomas C. Wynn of Austin. Before her marriage to Mr. Doughtie Sept. 17 in Austin, she was Miss Jean Aline Wynn. Her husband's parents are Mr. and Mrs. Venton L. Doughtie of Austin.

The bride was a June Magna Cum Laude graduate from the University of Texas, where she was a member of Delta Gamma sorority, an ROTC sponsor and a Bluebonnet Belle semifinalist.

Mr. Doughtie, who is in the real estate and construction business, is a graduate of the University of Texas where he received his Naval ROTC commission and was a member of Sigma Phi Epsilon fraternity.

The bride is the granddaughter of Mr. and Mrs. Jess W. Williams of 501 S. Seaman Street, Eastland.

The double ring rites were performed in Harris Memorial Chapel of the University Methodist Church by the Rev. Thomas Groves Stewart before an archway of white candles flanked by palms. Music was played by Malcolm Russell Gregory of Austin, organist.

Given in marriage by her father, the bride wore a gown of embroidered nylon tulle over white satin. The strapless bodice was worn with a long-sleeved jacket of matching tulle. Edges of the three-tiered ballerina length skirt were outlined with scalloped embroidery.

Her veil of imported silk illusion fell from a crown of shirred illusion. She carried a bouquet of stephanotis, centered with a yellow-throated white orchid, over a small white Bible.

The bridegroom's sister, Mrs. Thomas Groves Stewart of Shreveport was matron of honor. She wore a gown of green antique taffeta designed with short sleeves and fitted bodice trimmed with a

The bridesmaids, gowned identically to the honor attendant were Miss Judith Gae Wynn, sister of the bride, and Miss Janeil Day of Abilene.

Girls 4-H Adult Leaders Meet In Home Dem. Office, Eastland

A girls 4-H Adult Leaders meeting was held Thursday afternoon in the Home Demonstration office in Eastland County Court House. This was the first meeting of the new 4-H year.

A review of 4-H work up to the present day was given by Miss Julia LaFaye Mason, Assistant Home Demonstration Agent. "Through 4-H work rural boys and girls are taught better farming and homemaking practices and the finer and more significant things of life," stated Miss Mason.

The importance of 4-H adult leaders was stressed — their being "the key persons in every 4-H Club."

"The success of every 4-H Club depends upon volunteer adult leaders."

An electrical demonstration was given by Miss Mason on making an extension cord for the home and farm. After the demonstration, each adult leader made an extension cord. Learning to make extension cords is one way for a girl 4-H'er to increase her homemaking efficiency and to save money.

This demonstration will be given to the girls 4-H clubs having adult leaders at their second meeting in October. The first meeting in October will be an organizational meeting.

Tarleton - Kilgore Top Pioneer Action

Pioneer Conference teams had a rough time with non-league opponents last week and appear to be facing an equally competent slate of non-conference foes this week.

Arlington State, Ranger and Schreiner were beaten, and only the Tarleton State Plowboys, defending loop champions, won their game to remain the only undefeated and untied team in the circuit.

The Plowboys face their sternest test thus far this season Saturday night when they play the Kilgore Junior College Rangers, also unbeaten and untied, at Kilgore. Tarleton beat Paris, 20-13, last week and Kilgore squeaked by the Arlington State Rebels, 14-13. If the Plowboys win this one, they will be on favorites in conference play this season.

San Angelo, apparently the conference member with the best chance of challenging the Plowboys, may face one of the toughest foes on its schedule at Victoria Thursday night when the Rams play Victoria JC. Victoria galloped by Schreiner, 48-0, last week. San Angelo hasn't played since Sept. 17 when the Tyler Junior College Apaches squeaked by with a 7-0 victory over the Rams.

Ranger, downed by Tyler, 27-6, last Saturday after a 12-7 victory over Paris in the season opener will attempt to get back in the victory column in a game with the McMurry Freshmen here Thursday night.

On Saturday, the ASC Rebels, who showed great improvement in holding Kilgore to a 14-13 victory last week, will go to Paris to play the Dragons who have been one-touchdown losers to Ranger and Tarleton previously this season. The game rates a toss-up, since the Rebs will be playing without the services of their stellar half-back, Alton Grimes, who suffered a broken collar bone in the Kilgore game, and the Dragons are always tough at home.

Schreiner Institute, beaten by Victoria, 48-0 last week, faces another Longhorn Conference power in Del Mar at Post Lavaco on Saturday. Del Mar breezed by Henderson County JC, 21-7 last week.

Hostesses were Meses. E. W. Griffin, I. E. Talley, Lula Lester, Pete Rodgers, Myrtle Warren, Marvin Hutto, Carl Butler, W. E. Matlock, Lucy Brumlow, C. L. Langston and Lonnie Thomas.

Miss Mary Ann Reese presided at the guest book; Mrs. Joyce Walker laddled punch, and Miss Jean Weaver, pianist, furnished background music.

More Scrap Today - More Steel Tomorrow
 — DEFINITION OF SCRAP —

"Dormant" scrap is defined as obsolete machinery and equipment—tools, jigs, dies and fixtures, including items that are broken, worn beyond repair, dismantled, abandoned, or in need of parts that are no longer obtainable. It is processed by scrap dealers and shipped by them to steel mills and foundries.

Scrap is commonly purchased by mills and foundries according to the specifications. These specifications include 8 different classes of scrap for blast furnaces, 26 classes for use in basic open-hearth furnaces, 17 classes for acid open-hearth use, 5 classes suitable for electric furnace melting, 13 classes for foundries, 3 classes for Bessemer converters, and 2 classes for miscellaneous purposes.

We are equipped to prepare and ship all scrap to the specifications of the consuming mills and foundries.

(NOTE: The price the dealer receives for his scrap is FOB the consuming point. The dealer purchases unprepared scrap, and prepares it in the grades mentioned, and ships it. Therefore, the local price paid by the dealer for scrap must necessarily be somewhat lower than the price posted by the mills and foundries. It is his only margin of profit.)

NEVERTHELESS, THE PRICE WE PAY FOR YOUR SCRAP TODAY IS HIGHER THAN AT ANY TIME SINCE THE WAR, AND THE TIME TO SELL IS NOW WHILE THESE PRICES HOLD UP.

BRING US YOUR SCRAP TODAY!

Protect your eyes from strain
 with LIGHT that's RIGHT for easy seeing!

Plenty of good light, properly planned for the home, is an important protection against eyestrain. It is a vital aid in close-seeing work, helps you get more done with less time and effort, and helps prevent weariness that shows in your eyes. Check your lighting equipment now. Make sure that the lamps you use for reading, sewing and other difficult seeing tasks provide enough light ... and the right kind of light for safe, easy seeing.

FOR EYE-EASY LIGHT, floor lamps should be equipped with a diffusing bowl to screen out glare and bulbs should be selected to provide sufficient light for close eyework.

HEIGHT IS IMPORTANT in table lamps used for reading or sewing. Bottom of shade should be 15 to 17 inches above top of 25-inch table. Taller lamps should be used with lower tables.

TABLE LAMPS should be equipped with a diffusing bowl and a 150-watt or 50-100-150 inside frosted bulb or with a 150-watt white indirect bulb (right) which has its own built-in diffuser.

There's a right-sized bulb for every lamp and fixture in your home. Your dealer has a chart of right bulb sizes. See him and stock up on the bulbs you need today!

CALL 601 FOR CLASSIFIEDS

AROUND the TOWN

By Fey

It's Stylorama time again — how! My, my, you should see the soffen in MARENE JOHNSON'S garage she and MRS. W. A. LESLIE have been decorating after Marene took saw, hammer, lumber and other accoutrements in hand and built it, then drew the design . . . and now the two are "glittering" it.

Took a bit of doing, too, but it with the other props will make a grand march onto the Majestic Theater stage, Thursday night, wearing the smartest and latest fashions (60 complete outfits) from two of Eastland's specialty shops.

The public from here and all around is invited . . . and will surely get some good ideas on fall fashions . . . Marene will be commentator . . . The movie to follow the style show is a drama, entitled "That Lady" starring Olivia de Havilland and Gilbert Roland.

The evening will be fascinating, the atmosphere exotic (all Oriental) and the fashions intriguing. . . All the Beta Sigma Phi's are selling tickets. . . Let's all go!

Everyone, it seems, reads the Telegram. Other day we mentioned that someone had cut a hose about four feet from the faucet in the ART JOHNSON yard and carried off the remainder of that 50-foot hose and the other 50-hose to which it was attached. . . Well, everyone asked MARENE about it after seeing it in the paper. A party found one part of it in a ditch at the edge of town and, after reading in the paper about its being taken from her yard, took it to her. . . She phoned this columnist and said she had gotten the cut section of the hose back, but not the other 50 feet.

Orchids to the EHS Seniors for their impressive "Ring Presentation" ceremony and program Monday night . . . and also the party which followed.

Mrs. Bob King Gives Program At Xi Alpha Zeta Meet Mon. Night

Mrs. Bob King gave an inspiring talk on "The Ideal of Beauty" at Monday night's meeting of Xi Alpha Zeta Chapter of Beta Sigma Phi at the home of Mrs. Bill Walters Jr., 813 W. Valley. She pointed out the value of exercise, color, make-up and voice production in attaining beauty. Her talk was a phase of the year's theme, "Living In Our World."

Plans were discussed for Thursday night's presentation of the Beta Sigma Phi-sponsored Stylorama, an annual highlight of the sorority chapters here. Mrs. Walters served frosted cakes and cookies. Present were Mmes. Hoffmann, Germany, King, W. A. Leslie, M. H. Perry, Bruce Pipkin, Frank Sayre, Art Johnson and the hostess.

Merkel -

(Continued From Page One) on their laurels and they might as well forget the Granbury game. They ought to be able to take Merkel but they can't do it day dreaming and they have again got to play ball from the kickoff to the final whistle like they did Friday night, playing every down for everything they can get out of it. With the exception of Ranger, Eastland's future foes on the schedule had a terrible time last week. Dublin lost to Comanche 2-6; Rising Star lost to South Taylor 0-12; Wylie lost to Roscoe 0-15; Cross Plains lost to Coleman 7-13 and Gorman manager to get a tie out of Clyde 7-7. Ranger, of course, defeated DeLeon, 49 to 13, after the Bearcats had licked Eastland 19 to 0, but some of the experts around here don't think Ranger is that good.

Rehearsal Set Wed. Morning For Stylorama

Rehearsal for Beta Sigma Phi-sponsored Stylorama will be held at 9:30 a.m. Wednesday at the Majestic Theatre, announced Mrs. Art Johnson, commentator for the production. All models are requested to be present for this rehearsal, said Mrs. W. A. Leslie and Mrs. P. S. Ervin, Stylorama co-chairmen, as the show is to be presented Thursday night at 7:30.

Ring -

(Continued From Page One) ruffled and the centerpiece was fashioned of white chrysanthemums festooned with red maline. Further carrying out the colors the napkins bore the red inscription, "Senior Ring Presentation '56." Cookies had been baked by the seniors' mothers and were served with punch from a large crystal bowl. Red and white crepe paper streamers were used on the ceiling. Miss Verna Johnson, senior class sponsor, and parents of seniors assisted the senior in entertaining.

Hostesses Chosen For Styl Show, Sponsored By Beta Sigma Phi, Thursday Night

Hostesses have been appointed for the Beta Sigma Phi-sponsored Stylorama, slated for 7:30 p.m. Thursday at the Majestic Theatre. They are Mrs. Neil Hurt, who will be in the foyer. Hostesses, in keeping with the setting for the evening, will be gowned in oriental costumes. About 60 models will parade

across the stage in the latest fall fashions for milady's approval and, yes, the gentleman's approval; too, although no men's clothes will be modeled this year. Even the young fry will be interested for some children's clothes will be modeled, also. The movie, to follow, is "That Lady," starring Olivia de Havilland and Gilbert Roland. Tickets may be purchased from any or all of the Beta Sigma Phis, said Mmes. Bill Arther and W. H. Hoffmann, Beta Sigma Phi chapter presidents, and Mmes. W. A. Leslie and P. S. Ervin, Stylorama co-chairmen.

Showers Forecast As Flooded Areas Dig Out

Scattered showers were forecast over most of the state today and Wednesday as some areas began counting flood damages that have been inflicted recently. Eastland County was in the center of an active chain of clouds that promised scattered rain for the next two days. Flood damages were expected to be exceedingly high in Abilene and Graham where flood waters there this week rushed into many homes and businesses before receding. There were no casualty reports, however.
