EASTLAND, TEXAS 76448: Today's CENTER for tomorrow's FUTURE!

Volume No. 104 Number 89

Thursday, November 8, 1973

**MORE GREENERY FOR EASTLAND** - Lush is the word for Eastland as more and more plantings spring up all around - thanks to the efforts of dedicated citizens, and the Civic League and Garden Club and their current Beautification Project. Shown here are Eastland Centennial Memorial Librarian Mrs. A.E. Cushman and Thursday Club Member Mrs. Joseph Perkins proudly showing off the new live oak tree on the south end of the Library on S. Lamar St.; and Texas Electric Service Co. Eastland Division Manager Frank Sayre at one of the live oak plantings now gracing the Eastland office. Landscaping of the TESCO offices brightens the Roswood side and E. Commerce. Across the street on E. Commerce, highly visible from the Seaman St. intersection, is the new planters and landscaping alongside Eastland National Bank. Many other plantings are underway. Mrs. Marene Johnson - Johnson is donating a tree to the Elementary School in honor of Mrs. Levi Van Geem who was a high school teacher here for many years. Women of the Methodist Church are contributing a tree for the Methodist Parsonage, and Dr. and Mrs. H.J. Bulgerin are giving shrubbery for the new Kindergarten. Mr. and Mrs. Larry Armstrong are donating a tree and shrubbery for the Elementary School. Doing the plantings for most of these projects are Scoutmaster Dick Johnson and members of his Troop 103. By HVO

LET'S SAY Happy Birthday to Mr. Joseph Perkins who'll be enjoying his 84th Thursday. Still extremely active, he's got to be recorded as the elder geologist for Eastland, and has world-wide geological interests. He came to Eastland County in 1916, and helped locate the first wells here based on geological advice. There'd been some wildcats but his scientific approach was and is the accepted way today. In addition to his knowledge of many subjects, he's a heck of a nice guy, and a pleasure to visit with anytime.

HE MIGHT want to file this variation of a well-known thought brought up to date:

"You can fuel all of the people some of the time and you can fuel some of the people all of the time, but you can't fuel all of the people all of the time!"

EASTLAND LOST a good citizen with the death this week of Dr. R.C. Ferguson. He was a builder. He wrote and fished but most of all he practiced medicine. And was responsible, we're told, in the early days for bringing new doctors to our area, contributing vastly to making this such an ideal medical center today.

IF YOU haven't taken the time to write our government officials about the serious peanut program problems, you may be doing our economy a disservice. A list of those who should be written appeared in Sunday's paper, and a local suggests that the name of President Nixon should be added. Our letters must be plentiful, frank and honest in our own words; and signed. Form letters just don't hack it.

EVERY EVENING in Eastland is good, but one spent with the Men's Fellowship Bible Class is always top drawer. Folks aplenty were fed with fried fish and stirring music late last week. Earl Lewis did his usual finest at the fish fryer and had a great program lined up. "Course they always start with a group sing of "When the Roll is Called Up Yonder", which is guaranteed to start anything right. Next up was Lou Ann Collins with a beautiful voice, and a bounty of feeling for her two numbers: "Where Was No Other Way", and "He's Got the Whole World in His Hand". Everybody loved her and the songs. Mrs. Curtis Young accompanied her. Visitors and singing treats were Mr. and Mrs. Walter Newman of Santa Anna, accompanied by Jo Lewis at the piano. Topping off a perfect evening was the Choir of the First Baptist Church on N. Seaman St. Their number is down, but their heart volume is as strong as ever. We've always wished somebody would record them, but as we heard them this time, it came to us, that no machine in the world could capture the spirit these singers bring forth.

## AMENDMENT VOTING

Only a smidgeon of the qualified voters in Eastland County went to the polls Tuesday to mark ballots in the Constitutional Amendments election, the results of which may or may not have any bearing on the State Constitution which is scheduled for a general overhaul next year.

Eastland County voters, only 839 strong, generally agreed with voters across the state, in flatly rejecting three of the proposed amendments; approving four; and splitting choices on the other two.

Each of the eight boxes and the absentee box voted AGAINST No. 1, which would have raised legislators'

salaries and given annual sessions. The majority of the countians also rejected No. 6 which would change certain court jurisdictions; and No. 8, on the levy of ad valorem taxes.

Local folks said OKAY to No. 2 (homesteads for singles); No. 3 (exemptions for singles); No. 5 (granting Gulf cities to issue bonds); and No. 7 (increasing Veterans Land Fund).

Various county boxes split choices on Nov. 4 (conservation); and No. 9 (tax exemption for water supply groups). All boxes went for No. 9, except Rising Star, and all boxes went for No. 4, except Carbon, Desdemona and Rising Star. Carbon voted against No. 7.

Rev. and Mrs. Haston Brewer, pastor of First Baptist Church, Eastland, attended the Convention Nov. 6 - 8.

## Funeral Services Tuesday For Dr. Robert Chappell Ferguson

Robert Chappell Ferguson, age 88, born July 1, 1885, died Nov. 4, 1973, at 6:30 p.m. at Eastland Memorial Hospital. He was born in Dallas. He lived at 1018 S. Seaman in Eastland for 52 years. He retired January, 1972, from Medical Doctor.

He was Lieutenant of Medical Corp in World War I. He was a graduate of Southwestern

## Zeta Pi Garage Sale

Members of the Zeta Pi Chapter of Beta Sigma Phi will sponsor a Garage Sale beginning at 8 a.m. Saturday, Nov. 10, at the home of Mrs. Robert Mangum, 611 West Patterson.

Items to be sold include clothing - men, women and children's - toys, curtains, glassware, bottles, nic-nacs, kitchen utensils and other items.

Proceeds from the event will go toward various civic and service projects sponsored by the sorority.

## In U.I.L. Contest

The Eastland High School band will travel to Brady Saturday, Nov. 10, to participate in the U.I.L. marching contest. They will perform at 2:30 p.m. Saturday. The band is under the direction of Bob Bingham.

Medical School and interned at Belview Hospital in Buffalo, New York.

Doctor Ferguson moved to Eastland 52 years ago and was on the Methodist Church board. He was also a Sunday School teacher. He belonged to the Knights of Pythian, a member of the Texas and American Medical Association, a former County Health officer, and belonged to the American Legion. He was a member of the First United Methodist Church.

He married Lilian Mae Durham, July 1, 1919, in Dallas. She preceded him in death February 7, 1971. He is survived by two sons Robert C. Ferguson Jr. of Dalhart, William O. Ferguson of Hurst; three daughters Mrs. John Hicks of Fort Worth, Mrs. C.C. Perino of Fort Worth, and Mrs. John Mueller of Fort Worth; twelve grandchildren, and six great-grandchildren.

Services were held at 4:00 p.m. Tuesday at the First Methodist Church with Rev. Ben Marney officiating. Interment was in the Eastland Cemetery under the direction of Arrington Funeral Home.

Pallbearers were W.H. Kenley, Bill Taylor, Johnny Raindle, Joe Durham, Ivan Cathcart and Winford Craig.

**FULLEN MOTOR CO.**  
Laugh A Day

When someone says, "It isn't the money, it's the principle of the thing..." it's the money.

More greenery is coming to Downtown Eastland.

A walk in the woods, downtown, is just around the corner for Eastlanders and their many visitors, as the result of an enthusiastic program which eventually see trees and shrubs in all directions.

Achieving a long-sought "unifying" point for all the entire business community is becoming a reality.

Initially three live oak trees will be planted on each side of the square with plantings also scheduled for other trees including West Main, Lamar St. and others.

Continuing a long tradition of encouraging plantings is the Civic League and Garden Club under whose general encouragement is program is being put into being. Mrs. E.A. Connel is chairman of the League's Beautification Project, and League President Mrs. Austin McCloud reports enthusiastic response to the group's plans.

## Funeral For Mrs. Arnold Friday

Funeral services for Mrs. J. LeRoy Arnold, who passed away on Monday, Nov. 5 in Dallas, will be held at two p.m. Friday in the First Presbyterian Church.

Mrs. Arnold, the former Ida Tweed, was born in Forest City, Iowa, and attended high school there and college at Iowa State University in Ames, Iowa. She lived in Eastland since 1920.

She has been a long time member of the Presbyterian Church, where she was president of the early Bethany Class there. She received the silver award from the Commission for Ecumenical Missions and Relations of the United Presbyterian Church for compiling and writing a History of the Abilene Presbytery.

Mrs. Arnold is a past president of the Sixth District County Federation of Women's Clubs, and was also President of the Alpha Delphian Club, which is a member of that organization. She also served as president of the Eastland High School P.T.A., and president of the South Ward School P.T.A.

She lived at the Village Hotel before she moved to Dallas in April. She is survived by one son, Roger Arnold of Sacramento, California, and one daughter, Mrs. John N.C. Cameron of Dallas. Three grandchildren, Mrs. Alan Moche of Kinston, North Carolina; Lynda Arnold of Storrs, Connecticut; and John Arnold Cameron of Tampa, Florida, also survive.

Pallbearers will be Jim Golden, Virgil Seaberry, Tom Wilson, Don Pierson, Carl Johnston, Dr. M.A. Treadwell, Jack Germany and Earl Conner.

**FREYSCHLAG Insurance**  
**WEATHER REPORT**

Partly Cloudy Thursday with Light Southeasterly Winds. High in the Middle 70's.

Merchants downtown have endorsed the project and will participate in helping bring the trees downtown.

Not overlooked of course is the residential area, where the League has placed 286 shrubs and at least 50 live oaks, which are to be planted this fall.

The downtown plantings will be in the sidewalks, not in urns or more planter boxes. Squares will be cut out of the sidewalk and the trees planted along with miniature juniper shrubs, under the direction of

## Mrs. Halford Funeral Held

Funeral services for Mrs. Helen Cleo Halford, 57, daughter of Mrs. Eunice Clements of Morton Valley, were held at 2 p.m. Thursday, Nov. 1, at the Sweet Street Baptist Church of Tahoka, Texas.

The Rev. Lee R. Jones officiated at the services with interment in the Tahoka Cemetery under the direction of White Funeral Home.

Mrs. Halford died at 11:45 p.m. Tuesday, Oct. 30, in Methodist Hospital in Lubbock.

Born in Eastland County, Mrs. Halford moved to Lynn County, Texas in 1937. She was married to W.B. Halford on March 19, 196 in Tahoka. She was a member of the First Church of the Nazarene.

Survivors include her mother, Mrs. Eunice Clements of Morton Valley; her husband, W.B. Halford; four sons, Billy Dale Stice of Tahoka, Richard Ross Stice of Post, Roy Everett Stice of Shreveport, La., and Eddie Lawrence Stice of Shallowater; four sisters, Mrs. Annie Bell Stice of Tahoka, Mrs. Eddie Lee Fisher of Oklahoma City, Okla., Mrs. Willie Maud Stafford of Griffin, Ga., and Mrs. Lela Francis Willoughby of Dallas; three brothers, Johnnie Dallas Clements of Ranger, Harry Lindsey Clements of West Plains, Mo., and William Marion Clements of Grand Junction, Colo.; and 11 grandchildren.

Pallbearers were W.H. Kenley, Bill Taylor, Johnny Raindle, Joe Durham, Ivan Cathcart and Winford Craig.

Professional Landscape Architect Joe Brosig.

Determination of the location for the initial three trees per side will be made by Mr. Brosig, with a view to eventually being able to increase the number of trees on each side to five, it is reported.

The League is also announcing that it will contribute miniature juniper shrubs for all the existing planter boxes downtown so that the uniform decor will be carried through.

There is preliminary thinking about concerning the placement of miniature twinning lights in the new, small trees as part of the city's Christmas decorations plans. In keeping with the energy-conserving ideas, battery-

operated strings are being sought.

The City will assist with the watering of the trees as needed, it is reported.

All Eastlanders and visitors will be able to think of these plantings as "our trees" with all out enthusiastic acceptance of the plans.

Individuals and firms may still take advantage of the League's special Package Plan which affords a live oak tree and a choice of shrubs in an extremely reasonable price range. Persons interested may contact Mrs. Connel or Mrs. McCloud or any member of the league.

The Eastland Civic League has for many years encouraged the massive planting of greenery in this city.

## Mavs Face Bulldogs

Bettered, but not bowed, the Eastland Mavericks move down to Hamilton Friday night to meet the Bulldogs.

Kickoff time is 7:30 p.m. and a large delegation is expected to accompany the EHS'ers to Hamilton for the conflict.

Hamilton is expected to be strong - in view of their near-perfect record - but the Mavericks are reported much improved, and given certain breaks, it could be a day-brightener for the locals.

Eastland suffered losses in their last two outings, downed by Comanche and then by neighboring Cisco.

The Maverick squad went into the Cisco game with injuries that would have grounded less strong-hearted gridders, and actually turned in a commendable job under highly adverse conditions.

Short in depth, the Maverick program calls for - and gets - above and beyond effort from the few stalwarts on hand.

The Bulldogs started 1972 on a good note, with a 19-6 win over DeLeon at DeLeon, but unfortunately, that was the last victory the Dogs were able to enjoy.

Eastland won last year 20 to 6 over Hamilton.

An inconsistent offense led to an inability to score in five

losses and in three others, the Bulldogs were able to score only six points.

The defense proved porous too against the teams from the Bulldogs' District 9 AA schedule. Both areas must be improved upon this fall, and coach Ed Pettit has plenty of experience back to try.

Returnees include 23 lettermen, an impressive number but with plenty to live down. One of the biggest chores will be forgetting about last year and entering this new season with a new psychology.

Slated to direct the pro-set backfield will be either Delbert Keim (5-10, 160) or Rick Wolf (5-10, 155), a junior and a senior respectively.

Paul Addison (5-11, 180) and Don Truly (5-9, 165) are the top candidates at fullback, while at tailback, Pettitt is eyeing Ken Eddleman (5-8, 155) and Mike Schrank (6-0, 180). Being considered for the starting role at flanker are Rick Wenzel (6-0, 160), Al Pafford (5-8, 150) and Jesse Gomez (5-7, 155).

Outstanding Boys to Watch: Jim Eldrod, Paul Addison, Mike Harris.

All State Potential: Jim Elrod.

Pictured are Margie Courtney and LaQuetta Koen, owner of Quetta's Sportswear Boutique located next to the Ramada Inn on Interstate 20. They are displaying their new Junior Room. In the background you see purses made of reprocessed denim. There are also hats made of the reprocessed denim.

## 1300 Patients Anticipate Christmas

The 1300 patients at the Wichita Falls State Hospital eagerly anticipate the coming of the Christmas season. They are no different from each of us.

But one aspect of their celebration is a little different. Much of the beauty and joy of the season for them must come from caring individuals and concerned organizations. Each previous year as gifts are unwrapped on Christmas Eve, smiles have come on their faces and their hearts have been made a little happier because of the generosity of people who have responded to their needs.

As Christmas itself represents a gift to mankind, you too can continue the gift of the spirit of Christmas to the individuals at the hospital through your support.

At least two new gifts are provided for each patient. Below is a gift suggestion list and instructions for Christmas donations for your convenience. If you prefer to send gifts of money and let the Volunteer Services Council purchase gifts, please make your check payable to "Volunteer Services Council".

Gifts for men: belts - sizes 32 - 40; Boxer shorts - medium and large sizes; Cap; stretch gloves; pajamas; pants, slacks - waist sizes 32 - 40; raincoats; shirts - sizes 14 1/2 - 16 1/2; socks; suspenders; T - shirts; woven houseshoes; billfolds; transistor radios and batteries; instant coffee; cigarettes; and toilet articles.

Gifts for women: blouses; woven booties; dresses - sizes 16 - 22; pajamas; stretch gloves; pants - sizes 14 - 18; raincoats; stretch panty hose; underwear; houseshoes; coin purses; billfolds; toilet articles; cosmetics; transistor radios and batteries; cigarettes and instant coffee.

Instructions for Christmas donations: 1. All gifts should be sent UNWRAPPED, but include wrapping paper and ribbons if possible.

2. Label plainly "Christmas Gifts".

3. Please enclose a list of: (1) the gifts and their value, and (2) include your name and address.

4. Gifts of Money: Checks should be made out to: "Volunteer Services Council". Please do not make checks out to Wichita Falls State Hospital.

5. Gifts should be brought or mailed to: Volunteer Services Department, Wichita Falls State Hospital, Box 300, Wichita Falls, Texas 76707.

6. All gifts need to be in by November 30, but it's never too late for your gifts to help.

Christmas decorations for the wards are also needed.

REMEMBER, their Christmas depends on us!

The above pictures were taken at the Eastland High School pep rally at the gym last Friday. As this was the faculty's week for the skit a record crowd turned out for the rally. The teachers dressed up as school children and their teacher was Wendell Siebert. The question that proposed for the children to do was to draw a Lobo.

Guests of Mr. and Mrs. Pat Crawford last week were Mr. and Mrs. Hester Lindsay of Alpine, California and Mrs. Robert Hodges of Gorman.

and Mr. and Mrs. Woodrow Speer of Houston attended the funeral of their aunt Mrs. Ola McClane of Stanton last Tuesday.

Mr. and Mrs. Houston Cozart visited Mr. and Mrs. Gene Barton of Breckenridge Sunday afternoon.

MARVIN TIDWELL of The Gilmer Mirror staff has turned countless thousands of words into metal type on this linotype since he arrived in Gilmer in 1946.—Mirror Photo.

## 50 Years A Printer—

# Tidwell Has Anniversary

Marvin Tidwell, Gilmer Mirror linotypist and printer, this fall completes a half century in the printing trade.

Twenty-seven of those years have been spent in Gilmer and it was here that he and Mrs. Tidwell reared their five children, all now grown.

Mr. Tidwell was born at Athens, Ark., on Oct. 8, 1910. A premature baby, he has been almost totally deaf since birth. He spent his early years on a farm and when he was nearly 10 he entered the state school for the Deaf at Little Rock, where he learned his full name for the first time and was taught to read and write.

The school offered several vocational programs and the young Marvin started out to learn the tailoring trade. He switched to printing and quickly demonstrated the manual dexterity, mechanical aptitude and general intelligence that were to make him an asset to all the firms he's worked for. With only a little formal instruction at deaf school, he became a basically self-taught machinist able to repair his own linotype machine.

### Handset Newspaper

He made 25 cents an hour working after school on printing college catalogues at age 13, but his first fulltime job was on the Nashville News in Arkansas, a handset newspaper.

In 1934 when he married a classmate, Miss Lucille Nance, who lost her hearing after an illness in infancy, he was making \$1 a day and they needed a garden to get by. The young printer's next job was at Mineral Springs, Ark., near Ashdown.

After he moved on to the Sevier County News in Ashdown their first child, Billy, was born and he started learning the linotype. There followed a series of moves to get linotype operator jobs. During the Tidwells' six-year stay in Idabel, Okla., their daughter Deloma was born. After a year in Monticello, Ark., the family moved to Eastland in West Texas but Deloma cried to go to school when she was 5. Since this was possible in Arkansas but not in Texas, Mr. Tidwell sent his family back to Wickes, Ark., where his mother lived. While Deloma started school he stayed with the higher-scale Texas jobs, moving on to Athens.

rate case, which is designed to recover higher costs of serving residential and commercial customers.

The rate change involves 108 firms who are served under five year contracts, rather than a standard one-year contract. These firms will be placed on the same rate schedule with all of Lone Star's approximately 8,000 one year industrial customers.

Rates to Lone Star's industrial customers are subject to annual revision.

Mrs. Ethel Lovell, Mr. and Mrs. Euell Allison and Alice Ann spent Friday night with Mrs. Gloria Estes of Abilene. They also visited Mrs. Myrtle Maness in Hendrick Memorial Hospital Friday evening.

Mr. and Mrs. Parks Poe have returned from a week's outing at Rockport. They also visited their daughter and family Mr. and Mrs. R.A. Sikes of El Campo on the weekend.

### Was Hired Promptly

One day in 1946, riding the bus to Arkansas for a week end visit with his family, Mr. Tidwell stopped off in Gilmer and asked for a job at The Mirror. He was promptly hired and started work here soon afterwards, keeping intact his record of never losing a week's work in all the moving he'd done.

Deloma, now Mrs. Steve Powers, remembers that as a school year she thought would never end. The Arkansas school started in August and ended in April, but when Mr. Tidwell moved his family to Gilmer in early 1947 she entered the Gilmer school and found she'd be in the classroom until June—an experience that may have been good practice for the longer year she now puts in as an English teacher at New Diana High School.

Eddie, born in DeQueen,

Ark., had been added to the family when they moved here. Bettie, now Mrs. Buddy Montgomery, and Mack were born in Gilmer. Billy, married and the father of a son and a daughter, lives in Baltimore, Md.; Mr. and Mrs. Powers live in Gilmer with their three sons and a daughter; Eddie is married and lives in Mesquite; Mr. and Mrs. Montgomery, parents of a son and daughter, and Mack, live in Gilmer.

### Now in Pine Acres

The Tidwells bought a home at 512 S. Montgomery that they lived in until moving several years ago to their home in Pine Acres.

Though Mr. Tidwell uses both the individual letter and the "total manual" forms of sign language, he insisted his children learn and use the deaf alphabet as an aid to learning to spell. He feared that their using one

sign to indicate a whole word would hinder their development of that important skill.

Facility in using sign language has now passed on to the third generation, most amazingly in the case of the Powers' 2-year-old daughter, Leigh Ann, who spends a lot of time with her grandmother and has already started conversing with her in signs.

Mrs. Powers has often been questioned as to how her parents reared five active children without being able to hear them, and she feels they developed a "sixth sense" that made it possible. As a small child, she remembers she climbed up into a medicine cabinet and screamed when she couldn't get down. Her father came running from another room as any other father would have.

The Tidwells return to Arkansas each year for a reunion at their old school and he is involved in several organizations for the deaf, including one sponsored by a Tyler Kiwanis Club. For 45 years they've attended the First Baptist Church in Little Rock, which has services in sign language, and made visits to churches in Texas and Arkansas and Tyler which also have such services, followed by picnics.

### From The Living Bible

The path of the godly leads away from evil; he who follows that path is safe. Pride goes before destruction and haughtiness before a fall. Better poor and humble than proud and rich. God blesses those who obey him; happy the man who puts his trust in the Lord. The wise man is known by his common sense, and a pleasant teacher is the best. Wisdom is a fountain of life to those possessing it, but a fool's burden is his folly. From a wise mind comes careful and persuasive speech.

### Completes Training

FT. BLISS, TEX. - Army Private Durward Webb Jr., whose parents and wife, Jenett, live on Route 1 Carbon, completed a 40 week Air Defense Acquisition Radar Maintenance Course at the U.S. Army Air Defense School, Ft. Bliss.

The course provides extensive training in the operation and maintenance of air defense weapons systems, radars and associated electronic equipment.

## As It Looks From Here

By Omar Burleson

WASHINGTON, D.C. --  
CRISIS IS NOT NEW TO  
AMERICA. WHEN IT HAS  
occurred, Americans have not  
panicked. We remember from  
the past that the most splendid  
accomplishments of our Nation  
have been under just such  
conditions -- crisis.

IT IS EVIDENT THAT  
AMERICA AND HER  
PEOPLE ARE NOW IN ONE  
OF THESE infrequent combi-  
nations of challenges and  
dangers which traditionally  
have called for our best. And  
our best -- a very good "best"  
indeed -- has always been  
forthcoming. History indicates  
that not until the Nation's  
security or its way of life is  
imperiled will it gather its  
strength and organize its  
potentials to keep the triumphs  
of its destiny.

IN TWO WARS IN THE  
FIRST HALF OF THIS  
CENTURY, THE AMERICAN  
PEOPLE were moved as they  
had not been moved for many

years before. It was under  
terrific pressure that  
Americans in each of these  
world cataclysms called upon  
their inner strengths in times  
of crisis and developed, through  
unlimited commitment to their  
goals, the results which  
brought about needed victories.

THE CRISIS NOW IS ONE  
OF CONFIDENCE IN  
GOVERNMENT, COUPLED  
WITH OUR economic well-  
being. In the latter, ill-  
starred Government policies are  
sapping our economic strength,  
preventing it from a renewal  
of itself to continue serving the  
public interest and for con-  
tinued sound growth. Strait-  
jacketed controls on business,  
some well intended, are  
resulting in shortages by  
crippling production.

OUT OF THE PRESSURES  
OF CRISIS OF CONFIDENCE  
CAN COME A REBIRTH OF  
IF WE COME TO REALIZE

understanding and of re-  
awakening which will con-  
tribute to making this a  
stronger Nation than ever. It  
can come about because people  
will have been aroused to  
fundamental wrongs and  
dangers that have been  
threatening the good of the  
Country.

WE HAVE CONFIDENCE  
THAT A RE-ORDERING  
AND A CORRECTING OF  
PRIORITIES will develop  
through reconjunction of two  
great American assets -- its  
rich and still available store  
of natural resources and the  
driving genius of the American  
individual. Expressed by in-  
creasing utilization of our  
science and technology and a  
combination of a need for  
protecting our National  
security and a return to a  
system of sound incentives to  
maximize all our strengths,  
this Nation once again will  
demonstrate accomplishments  
in the face of challenge. It will  
bring forth results to show why  
our Nation has been and still is  
unique in the world.

THE FACTS, FACE THEM  
WITH COURAGE, CALM-  
NESS, and orderliness, oppor-  
tunity will continue for the  
finest accomplishments when  
crisis exists.

The Gloryland Two Gospel  
Singers will appear in concert  
at the Congregational  
Methodist Church in Gorman  
on Saturday, Nov. 10 at 7 p.m.  
Organ and piano music will  
precede the program which is  
free to the public. A free will  
offering will be taken to help  
cover the traveling expenses of  
the group who will come from  
Lubbock. Come one out early  
for the great gospel music.

## Las Leales Club Guest Night

Las Leales Club will hold a special guest night Monday, Nov. 19, when Mrs. Janet Thomas will present "Christmas Delight".

The club theme for this year is "Potpourri", with programs planned by Mmes. Rudolph Little, Don Kinnaird, Wendell Seibert, and Miss Karen Green. Mrs. Little presented "To Visit the Queen", a slide presentation of a trip she and her husband took to England and Germany, to open the new year. Miss Verna Johnson reviewed Barbara Howar's "Laughing All the Way" and Mrs. Alma Hassell gave "Challenge to America" for the program titled "Washington Scene".

Nov. 5, Miss Green reviewed "I Lost Everything in the Post - Natal Depression" by Erma Bombeck. She was introduced by Mrs. Little, hostess.

Mrs. Seibert, president, expressed the club's welcome to five new members, Mmes. Ken Reese, Glen Swift, Clara Park, Steven Church, and Miss Becky Simms.

Mrs. Charles Marshall, secretary, read the minutes of previous meetings and committee reports were given by Mrs. Hassell, project chairman; Miss Green, treasurer; and Mrs. Marcus O'Dell, clubhouse board. Mrs. James Horton discussed work on the clubhouse and expressed appreciation to those who contributed materials.

The club voted to write letters to officials opposing the proposed agricultural legislation. They also discussed

service projects.

Attending were Mmes. Gene Boney, Hassell, Bert Herridge, Little, Marshall, O'Dell, Floyd Robertson, Seibert, Horton, Reese, Swift, Park, Church and Misses Johnson, Simms, and Green.

## Graveside Services For Infant

Graveside services for the stillborn son of Mr. and Mrs. Darrell Carlton of Eastland were held at 1 p.m. Wednesday at the Murry Cemetery at Carbon.

Wilkie Moore, minister of the Flatwood Church of Christ, officiated. Burial was directed by Bakker Funeral Home of Eastland.

The infant, stillborn Monday at Ranger General Hospital, is survived by the parents; the maternal grandparents, Mr. and Mrs. W.E. Reynolds of Carbon; and the paternal grandparents Mr. and Mrs. Bob Carlton of Carbon.

Complete painting and decorating. Tape bed room. Acoustic ceiling wallpaper. Small repairs. Free estimates. 25-1390, Cisco, aft. 5 p.m., Dave Ewell

Eastland Quarterback Club  
Eastland, Texas

Dear Members,

I would like to take this opportunity to thank each and every one of you for your cooperation and participation during my term as club president.

I especially want to thank Johnny Morren, membership drive chairman; Ralph Stevens, vice president and Harold Price, secretary - treasurer. As a result of our membership drive, the club roster now stands at 401 members.

A nominating committee consisting of Buddie Haun, Bob Jones and James Reid has been appointed, and they soon will be recommending a new slate of officers.

I certainly want to thank the coaching staff for outstanding cooperation.

Your continued cooperation and support for these new officers will be appreciated.

Sincerely,  
W.J. Stone  
President

## Stamp Program Most Effective

Most report the implementation of the Food Stamp Program in Eastland County, effective Nov. 1, has been most efficient.

However there are a few facts which need to be stressed, officials report.

The food stamps are purchasable at the Eastland Post Office only by those persons who have received, through the mail, the Texas Welfare Department Authorization to Purchase (ATP) cards and the

Department's personal identification card. The Post Office cannot sell stamps to anyone who does not have these requirements.

The stamps are available at the post office in Eastland from 10 a.m. to 3 p.m. only Monday through Friday.

## Lions Club Holds Meeting

Good reports and a timely film were program for members of the Eastland Lions Club at their regular luncheon meeting Tuesday at the Ramada Inn.

Tommy Crowder of Lone Star Gas Co. introduced a film which gave important data on the importance of emergency first aid treatment.

President Darwin Miller presided and announced that the club's recent candy sale and pancake supper have been declared complete successes. He expressed appreciation on behalf of the club to all who had assisted and participated, and particularly to Doug Underwood of JRB Super Market for his and his company's assistance with the pancake supper.

Mrs. Pearl Snodgrass spent the weekend with Mr. and Mrs. Herbie Fox of Olden. They visited in Mineral Wells and Strawn on Sunday.

## Postmasters Will Convene Thursday

A large delegation of "764" postmasters, wives and guests will convene Thursday evening at the Ramada Inn in Eastland for a banquet meeting. Local Postmaster Marcus O'Dell has announced.

The 764 designation includes some 34 offices out of the Stephenville Sectional Center.

Featured speaker will be Mr. Jack Watson, Regional Postmaster for the Fort Worth Sectional Center.

The meeting is a National Association of Post Masters event and Local President of the organization, Glen Williams of Stephenville, will attend.

Mr. O'Dell is vice president and will be in charge of the local event.

## On The Grow

Your Eastland Chamber of Commerce is "on the grow". Are you growing "with it?"

Latest figures reported show that the official spokesman for Eastland had on Oct. 30 of this year, a total of 168 members.

On July 1 of this year, membership stood at 107, for a total increase 61.

If you're not a member now, the chamber welcomes you.

Mr. and Mrs. Edgar Altom spent the weekend with their son Mr. and Mrs. Garner Altom of Wellington.

We would like to say Thank You to the following: Eastland Telegram and KERC for publicity; Safeway, JRB, Super Save, Hillcrest, Taylor Center, for the needs in our Food Booth; to all the many merchants who contributed prizes for Bingo; the Jaycees and the Don Bairs for Bingo also. Another "big" thanks go to the mothers who worked so hard in setting up and decorating the booths. Also the mothers who worked in our booths (fathers and grandmothers too), and made such good food for the Food Booth. There are too many to name at this time but thank you once again. And of course to our teachers and students who made pictures for us to put up on display.

What would we have done without special people like Mr. R.O. Baze, our principal; Mr. Dale Bakker, Mr. Joe Housson,

CARD OF THANKS  
Thanks and my appreciation to Dr. Alexander, Dr. Bulgerin, the nursing staff and hospital staff while I spent two weeks in the hospital. Also to Rev. C.C. ## BAKKER FUNERAL HOME

Dear friends,

The human body was divinely created to house a soul; they are so intertwined during life that the human mind requires time to accept the fact of their separation in death.

Therefore, it is natural, proper and wholesome that the bereaved should respect the physical body which remains here on earth, and desire that its disposition be reverently accomplished.

Respectfully,

Dale C. Bakker

## Area Peanut Yield 'Above Average'

By B.A. Butler

The peanut yield in the Rising Star area is turning out to be a good average, perhaps above average crop, considerably better than was anticipated at the beginning of the season, but below last year's record yield.

This estimate is based upon tonnage so far processed at two of the three large drying plants of the area and upon deposits of peanut money in the First State Bank here.

The Winfrey Feed and Peanut Company in Rising Star and the Pioneer Farmers Co-op at Pioneer each processed about 5,000 tons, dry weight, of the 1972 crop and estimated that there would be about twenty percent decline in total yield in 1973. Grades which ran very high last year are running somewhat lower

this season. But whatever loss in price this has caused will be offset to a considerable degree by an increase in the support price, it was suggested.

The Nelson Peanut Company at May could not be contacted. It processes a considerable part of the peanut crop in the May and Brownwood areas. It was believed, however, that its operations would show percentages and conditions approximating those generally true elsewhere in the area.

Jerry Winfrey of the Winfrey Feed and Peanut Company forecast a probable total peanut run at his plant of about 4,000 tons, or 20 percent less than last year's volume. The average, grade, he said, would run between 68 and 70 percent of sound, mature kernels, some

less than last season's average of 73 to 74.

Franklin Cox, manager of the Pioneer Co-op plant was not available for comment, but a representative of the plant generally agreed with the average grade estimate and said that the plant had already processed 2,530 tons of the 1973 crop which he said was about 52 percent harvested. The plant draws peanuts from western E. Eastland and eastern Callahan and a considerable number of other western counties where peanut production is less concentrated than in Eastland county.

Mr. Winfrey estimated that the percentage of the crop harvested was nearer 75 percent of the total. The yield, as a whole, has been spotty, he said, as also did the Pioneer plant.

The estimates were in general agreement with deposit figures at the First State Bank which, in 1972, received in deposits about \$3,100,000 from the peanut crop. Jimmy Rutherford, vice president, said that to October 31st the bank had accepted \$971,181.52 in Commodity Credit Corporation peanut checks with the bulk of the income yet to be deposited. He estimated that total deposits at his bank from the 1973 crop would run about \$2,500,000, not too far below last year's high yield and much, much better than was forecast at the beginning of the harvest.

The difference in the yields for the two seasons resulted from less timely rains this fall, Mr. Winfrey agreed. He pointed out that the average support price for peanuts is now approximately \$328.00 per ton based upon grade. This figures out to be about \$340 - per ton for 70 grade peanuts and \$325.00 for 68 grade, a difference of \$15. An increase in the support price makes this difference in the overall gross income of less significance in the comparison with the 1973 figures.

But most significant in relation to the future of the crop and its economic impact upon communities in peanut growing areas, are certain fundamental changes in support price policies and administration which the Department of Agriculture has inaugurated, Mr. Winfrey said.

As a result of these changes the Southwestern Peanut Growers Association and

similar regional organizations will no longer supervise field and price support functions. This supervision has been wholly transferred to the Commodity Credit Corporation. It will result in a loss of grower interest in these organizations, whose direct importance to them has thus been much diminished, and in their possible disbanding, it was predicted.

President James Rutherford of the First State Bank suggested that a consequent change in the procedure of disbursement of CCC payments to growers could cause a considerable 'time lag' in receipt of the checks and a substantial interest loss to them.

Other changes in the administration of the support program announced by the Department of Agriculture include:

Elimination of transfers by sale, lease or owner. All previously approved temporary transfers that extend beyond 1973 will be honored for the duration of the approval. An increase of \$2 per ton in storage, handling, and inspection charges. (From \$15 to \$17 per ton).

Elimination of tolerance in program compliance determinations relating to measured acreage. Any acreage in excess of the allotment will cause the peanuts to be ineligible for price support.

Commodity Credit Corporation's (CCC) minimum sales policy for acquired peanuts is being revised to provide a minimum resale level of 115 percent of the loan rate. Currently, most CCC sales are on a bid basis at prices below the loan rate.

Productivity pooled acreage accumulated in prior years due to yield differences of transfers will remain frozen at the State level. Productivity adjustments because of irrigation are still applicable.

A change which is viewed by many peanut conscious operatives as a subtle assault upon the peanut support program as a whole is the CCC's adoption of a sales policy calling for a minimum resale level of 115 percent. Hitherto peanuts acquired by the CCC in its support program were resold on a bid basis at prices considerably below the loan rate.

### Dr. M.A. Treadwell Jr. Named Fellow Of Academy

KANSAS CITY, MO. - Mose A. Treadwell Jr., M.D., from Eastland has been named a Fellow of the American Academy of Family Physicians.

The degree of Fellowship may be attained in either of two ways: successful completion of 600 or more hours of accredited continuing medical study, or achievement of diplomate status in the specialty of family medicine as a result of passing a certifying examination administered by the American Board of Family Practice.

Fellowship entitles the conferee to use the title, "Fellow of the American Academy of Family Physicians", or "FAAFP". The degree was conferred October 2 upon some 3,000 members of the Academy in conjunction with the AAFP's annual convention and scientific assembly in Denver, Colorado. Ceremonies were held in the Denver Convention Complex Arena before more than 8,000 persons. Fellowship candidates wore academic robes and mortarboard caps. They were recognized according to state chapter groups and the oath of fellowship was recited en masse.

The Academy, representing more than 34,000 family doctors, is the only national medical group requiring members to take continuing study, a minimum of 150 accredited hours every three years. The AAFP, headquartered in Kansas City, is the largest of medicine's specialty groups.

Survivors are a daughter, Mrs. Glenn (Norma) Ferguson of Cisco; a brother, Lloyd F. Parton of Mineral Wells; five sisters, Mrs. Viola Jones of Ranger, Mrs. Nora Butler and Mrs. J.L. Yielding, both of Olden, Mrs. B.C. Combs of Weatherford and Mrs. I.L. Anderson of Kermit; two grandchildren; two great-grandchildren.

Palbearers will be Halsey Butler, J.W. Smethers, Travis Combs, Dorman Anderson, Lonnie Williams, Thomas Fox, Jimmy Wheeler and Arie D. Sharp.

Dale Jackson has accepted a position as youth director of the Wingate Baptist Church. He will also fill in during the pastor's absence.

Mr. and Mrs. Coda McDaniel spent Saturday with their daughter and family Mr. and Mrs. Donald Saverance of Abilene and visited Mrs. Maness in H Hendricks.

ministered by the American Board of Family Practice.

Miss Lucille Furr, Mrs. Iris Reed and Mrs. Ada Wright visited Mr. and Mrs. Henry Carter of Rising Star Sunday afternoon.

Mr. and Mrs. Felton Holloway and Mr. and Mrs. Lois Dunlap of Abilene visited their mother Mrs. T. Langlitz Sunday and attended the Golden Wedding Anniversary celebration of Mr. and Mrs. Henry Hardin.

Mr. and Mrs. Marvin Hale visited Mr. and Mrs. Charlie Stephenson of Fort Worth last weekend.

### sample resolution

Be it resolved that the (organization)

express its deep concern over and unified opposition to the six administrative changes in the 1974 peanut program as announced by Secretary of Agriculture Butz on October 24, 1973, and quoted below:

1. Field and supervisory price support functions will be transferred from grower associations to Agricultural Stabilization and Conservation Service state and county offices.
2. The CCC's minimum sales policy for acquired peanuts is being revised to provide a minimum resale level of 115 percent of the loan rate on both domestic edible and diversion sales.
3. No price support for peanuts found to contain aflatoxin.
4. Elimination of transfers by lease, sale or by owner privileges now permitted for acreage allotments, resulting in reduced peanut acreage.
5. An increase of \$2 per ton in storage, handling and inspection charges (from \$15 to \$17 per ton) assumed by producers in order to recover more of Commodity Credit Corporation's outlay for these charges.
6. No tolerance will be allowed in program compliance determinations relating to measured acreages.

We hereby particularly oppose the Secretary's plan to transfer responsibilities for carrying out the price support program from the 3 area grower associations (SWPGA in the Southwest) to the ASC state and county offices. Since the 3 area grower associations have efficiently, economically and effectively carried out this program for more than 30 years, we cannot imagine any sound reason for the contemplated change. We do not believe the decision is based to any degree on cost savings or increased efficiency but rather we believe the effect will be decidedly the exact opposite. Furthermore, we strongly feel the implementation of the other 5 changes announced by the Secretary will be greatly injurious to the economic well-being of all peanut producers of our area and be extremely harmful to the many agri-business interests of our community dependent on the peanut industry.

Be it therefore resolved that (you) immediately inform all interested congressional leaders of our opposition to the Secretary's proposals and respectfully but strongly urge such leaders to promptly take whatever action is necessary to effect complete revocation of the Secretary's announced changes as stated above.
