REMEMBER TO drink tea today: it's the 200th anniversary of the Boston Tea Party, you know?

STEVE HAINES, our circulation chief, wonders out loud if there shouldn't be an all-out effort in Eastland to see that all houses are properly numbered. It sure would make life easier for a lot of carriers and it's not really expensive. The variety, discount and hardware stores all have numbers. Painted - on numbers would not be bad, huh? Keeping numbered is one of the little things we all often forget to keep current. Are you numbered?

EXTENSION SERVICE reports that Nimrod is the only town in our county entered in the annual community improvement contest.

HAPPY, HAPPY are the Harvey Bashams, showing a pretty color double page spread from the Harlingen newspaper, saluting the High School Cardinals there, where their son, Lonnie is trainer. His team is B1 - District champions, losing a squeaker to Austin in the regional play.

A PLEASANT VALLEY Cemetery Association has been formed to provide perpetual care for the burial place, located southwest of Eastland, near Mangum. Mr. E.C. Murphy of Abilene is acting president; Clinton Murphy of Abilene and D.C. Hughes of Rt. One, Carbon, are directors, with another to be elected; and Mrs. D.C. Hughes is secretary - treasurer, and she will receive and welcome contributions addressed to her at Rt. One Carbon, and she may be reached by telephone number 639 - 2440. There are about 200 graves at Pleasant Valley.

IN SUCH a hurry to greet his friends in Eastland, Santa in his fly - in appearance here recently, circled the city, dropped Christmas candy from the air into the back yard of a chicken - poxed youngster and one housewife reported finding car keys in her yard. Eastland is just that kind of place.

YOUNG AND old are caught up in the excitement of the coming comet Kohoutek. Son Vance volunteered this following account:

THE LATE, GREAT COMET KOHOUTEK

The astronauts of Skylab 3 are seeing interesting sights of a comet called Kohoutek. But the comets light is not as bright as first ideas led to. But they could be seeing it bright, up there. You now can see Kohoutek, pronounced (Kah - ho - tek), on clear mornings at 5:00 to 6:00.

Scientists think that this comet may be particles left over after the creation that eventually froze into frozen gases. What really helps it is the suns beams and makes its trail brighter.

Yes, the comet is named after someone. The man is Lubos Kohoutek from the Hamburg Observatory in Bergedorf, West Germany.

The comet will be most likely "The Comet of the Century" as now called.

The comet will be 400 million miles away and will be at least as big as Halley's comet last sighted in 1910. Halley's will come next in 1986. It comes every 96 to 98 years.

Kohoutek will travel 100,000 miles an hour and will be 10,000 miles across and will be tens of million of miles across. It will be coming again 25,000 years from now. Long time to see.

EASTLAND FIRE MARSHALL Guy Robinson offers the following Christmas fire safety tips:

Wreath your family in a comforting circle of fire - safe surroundings and activities this holiday season! Attention for fire safety when planning Christmas trees, lighting, decorations and gifts will go a long way toward making this Yuletide a happy one, advises the National Fire Protection Association (NFPA).

Here are some Christmas fire safety recommendations from the international center of fire prevention information:

TREE: Select a firm, fresh one, and put it at once in a cool place with its base in water. Before setting it up, cut about one inch off the base to help the tree absorb water, then place the tree in a sturdy stand containing water. To be sure the water level stays above the cut, check it daily. Locate the tree away from heat and where it won't block exits. Take it down as soon as possible after Christmas - the more it dries out, the more of a hazard it becomes. Don't rely on do - it - yourself flameproofing treatments.

LIGHTING - Never use lighted candles on a tree or near any evergreen decorations. Check sets of electric lights closely, for worn insulation, broken plugs, loose bulb sockets, and use only sets with Underwriter's Laboratories (UL) or Canadian Standards Association (CSA) label. Use extension cords sparingly. Never hang sets of lights on a metallic artificial tree - to avoid shock hazard, use only indirect spot lighting instead. If artificial tree has built - in electrical system, it should carry the UL or CSA label. Turn off all indoor tree and decorative lights when leaving the house or retiring for the night. Outdoor lights should have special wiring intended for outside use.

DECORATIONS - Use Materials which are non - combustible, such as glass and asbestos, or which are flame - retardant. Keep natural evergreens and polystyrene foam decorations away from candles, fireplaces and other open flames. Be sure holiday costumes and masks, such as Santa Suits and whiskers and children's pageant outfits are flameproofed.

WRAPPINGS - Pick them up while opening gifts and put into covered trash containers. Never burn wrappings, boxes, in the fireplace.

GIFTS - To meet safety standards, electric toys should carry UL or CSA label.

General holiday - time reminders from NFPA are to keep children from playing near or under the Christmas tree, to avoid the danger of it falling over; be especially careful with matches and smoking material while the holiday decorations are up; never leave youngsters alone or without proper supervision, even for a brief time; and have a family escape plan, worked out and rehearsed for use in case of fire in your home any season of the year.

P-TO to Meet

The Eastland P.T.O. will meet Tuesday, Dec. 18th, at 3:30 p.m. The Kindergarten Program Explained, will be presented by Miss Diane Young. The fifth and sixth grades will perform. Babysitting will be provided.

Dear Boys & Girls:

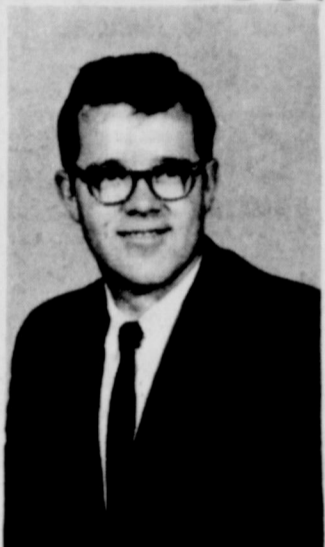

It is the time of year for me to be coming to see you again. Mrs. Santa Claus and I have been very busy all year and now I am going to get out of my workshop to visit for a while before Christmas.

I must go now and feed my reindeer, so I will see you at the Airport at 2 o'clock Saturday. This is all being arranged by your Eastland Chamber of Commerce.

Love and Kisses,

Seeking Panhandle Judgeship

Rayford A. Ratliff, Dumas attorney and son of Mrs. Ted Rogers of Cisco and brother of Mrs. H.V. O'Brien of Eastland announced he is a candidate for county judge of Moore county.

A native of Rotan, Ray Ratliff came to Dumas in 1963 as a high school instructor on graduation from Hardin - Simmons University at Abilene.

He resigned the faculty to enter the Texas University school of law from which he received his doctor of jurisprudence degree in January, 1968. He practiced with the law firm of Lovell, Lyle, Cobb and Renfer in 1969 - 70, then was in law practice at Granbury for more than two years before returning to Dumas in 1973 to be associated in practice with attorney Stanley R. Baker.

Mrs. Ratliff is the former Miss Susie Morton of Dumas, daughter of Mr. and Mrs. E.L. Morton of here and granddaughter of the late Charlie Bennett, pioneer Moore resident.

The Ratliffs have two children, Dena, 3, and Bob, 2.

Ratliff, who is the first county - level candidate to formally announce for the 1974 elections, is Sunday School director for the Calvary Baptist Church, a member of the Noon Lions, and of state and national bar associations and the Christian Legal Society.

He has been an adult Scouter and is a past youth or musical

Waltons See Yule Spirit In Eastland

The Spirit of Christmas is not dead!

The Spirit of giving is Alive in Eastland!

The family of Mrs. Theopal Walton will attest to that.

Mrs. Walton died Sunday Morning, but her five children will receive her Christmas presents.

The staff of the Eastland Memorial Hospital saw to that Friday afternoon when they paid \$26 to get the presents out of lay - away.

As of Friday hospital employees had donated \$260 for the Walton family and people from outside the hospital have given.

One hundred dollars was given to the family to buy funeral clothing. That collected afterward will be given the Waltons to help them this Christmas time.

"We started the fund just to make sure the kids got her Christmas presents", said Mrs. Donnie Webb, supervisor in the dietary kitchen where Mrs. Walton worked. "But we received much more contributions than we expected", she admitted.

Money to be used by the Waltons to pay living expenses in the coming year may be contributed through James Reid, P.O. Box 391, Eastland. He is acting as administrator for the fund.

So far a total of \$357.00 has been contributed to the "Walton" account.

Nothing can take the place of their mother, but the kindness and generosity of the people of Eastland can comfort the family this Christmas time.

director for several Baptist churches in Texas. The new candidate was reared on a farm in Fisher county and worked his way through both college and law school.

Christmas Program

The Christmas program will be held at the Olden Baptist Church Sunday, Dec. 16, at 6:30 p.m. by the young people. Dianne Boone, a sophomore from Hardin Simmons University, will present special music at both the morning and evening services. Refreshments will be served after the evening service. Everyone is invited to attend.

Receives Call Of Death

Mrs. Ferne Green received a phone call from her niece Mary Waters in Alvin, Texas stating Mary's father had passed away following a long illness. Mr. Erwin Rush and wife Ruth live in Perry, Georgia. Mr. Rush will be buried Sunday in Georgia on Rev. Asa Hoskin's 94th birthday. The Rushes have visited in Eastland in years past. Ruth Hoskins Rush is a sister of Ferne Green and is in very poor health suffering a stroke two years ago.

PATROLMEN CONVENTION?

Eastland residents may have wondered why there were so many highway patrolmen at the Eastland National Bank Wednesday.

They were attending a Field Training Unit on the new Texas Penal Code that will go into effect after the first of the year.

Eighteen patrolmen from parts of four counties attended the short school held by Lt. Jack Crowmover of Abilene, according to Sgt. Jerry Mathews of the Eastland Department of Public Safety.

Funeral Services For Jack N. Settles Held Friday

Jack N. Settles, 68, of Odessa and formerly of Eastland, died at his residence Tuesday. Graveside services were at 3 p.m. Friday at Eastland Cemetery.

The Rev. W.E. Hallenbeck, pastor of Church of God of Cisco, officiated. Burial was directed by Bakker Funeral Home.

He was born Aug. 31, 1905, in Weatherford.

Survivors include one daughter, Valeria Sliger of Brownwood; one brother, Frank of Fort Worth and several nieces and nephews.

Countians Go to Washington For Peanut Conference

Washington came to Eastland earlier this month with the visit of Assistant Secretary of Agriculture Herbert Lanier to "talk about peanuts".

Goodfellows Meet Monday; Report \$1,500

Record breaking reports of generosity is the word for Eastland Goodfellows again this year.

Goodfellow officers and directors and workers will meet Monday at 7 p.m. at the Eastland National Bank Conference Room when distribution plans will be formalized.

Current plans call for distribution of Goodfellow Christmas love to begin Thursday evening next, President Ed Sargent reports.

A total of \$357.00 has been earmarked to the Walton Fund, Secretary James Reid reports. Previously reported \$1,081.00

JUNIOR PLAY SCENES

"Darling" says Jace Staggs at left to John Hart as John acts a little bewildered, Mumbo Jumbo - Friday night.

Jace Staggs pleads with Bert Elliot and John Hart in one of the most exciting plays yet seen by Eastlanders Friday night.

at the invitation of the Department of Agriculture to discuss the peanut programs for 1974 and 1975.

Also discussed were the controversial administrative changes that Lanier explained earlier in the month to local peanut industry representatives and growers.

Eastland County representatives at the Peanut Conference were Guy Lyerla of Carbon, Jerry Warren of the Farmer's Union and Ross Wilson, manager of the Southwest Peanut Growers Association, both of Gorman.

They and other peanut representatives from around the county met with Kenneth Frick, ASCS Chief; Bill Lanier, USDA director of tobacco and peanut division; and Secretary of Agriculture Earl Butz.

The major purpose of the conference was to work out proposed changes in the peanut program to the satisfaction of both the government and the peanut industry.

"We had no success, absolutely nothing was resolved", feels Gus Lyerla of Carbon. "We were left with the same deal as before".

Lyerla, went to the conference on behalf of himself and other growers in Eastland County that felt the same way. That they couldn't live with the proposed program and its new administrative changes.

Secretary Butz had proposed before that a target price and an open - end program be instituted. All controls would be taken off peanuts and anybody could plant. He presented essentially the same program to the gathered peanut representatives.

First, the peanut representatives felt that the proposed target price was too low. As to the elimination of peanut allotments, Lyerla thought this would be very

unjust to current peanut growers.

The Carbon peanut grower didn't agree with Butz's statement that it was unfair for them and their fathers to farm 30 - 35 years under a set allotment, other people wanted to raise peanuts.

"I didn't inherit my allotment", stressed Lyerla. "I bought my allotment with the land, which increased the price".

He knows many Eastland area peanut growers whose allotments have come with the land they purchased.

"I feel this would be very unjust, like jerking the rug out from under a landowner...I consider a peanut allotment to be the same as a mineral right".

Before the conference ASCS Chief Frick had stated that the Department of Agriculture was "ready to negotiate and Secretary Butz was ready to make the first move".

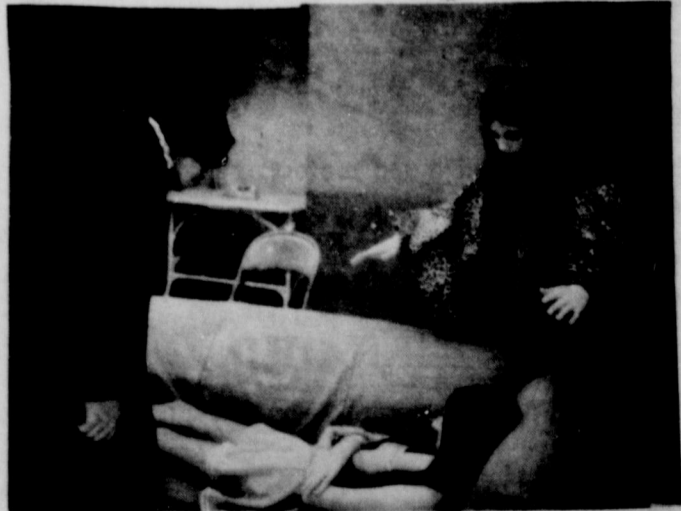

Butz stated that if peanut representatives would "seriously consider" negotiating, then he would consider withdrawing three of the most critical of the six administrative changes. These were the "sale and lease", the "loan price" and "the transfer from growers associations to ASCS offices" provisions.

Lyerla concluded that with the emphasis put on the words "seriously consider" and the virtually unchanged program presented that secretary of Agriculture Earl Butz expected the peanut representatives to make the first move.

EASTLAND POLICE CHIEF JOHNNIE MORREN, a "busy" man: left to right, counter-clockwise: Morren helps bandage a shotgun victim. Morren is seen with former Eastland Mayor James Reid as the pair discuss placement of civil defense and storm-warning siren.

Group shot showing graduates of Fingerprint Identification school, with Morren first on second row. Next picture shows Morren with Judge Austin McCloud as 1st ticket to Law Enforcement Banquet is purchased by McCloud. Morren is next shown selling ticket to Law Enforcement Association banquet to

Reid, as city patrolman Leroy Steinman looks on. An unidentified Eastland lady is shown discussing problem as Morren gives her an assuring smile. Upper right photo shows Morren being congratulated by C.O. Layne, State Coordinator, Division of Defense and Disaster Relief upon his completion of Civil Defense Seminar.

In keeping with Morren's affinity for Eastland children, he is shown in center photo passing the time of day with Kevin Johnson, 9 year old son of Mr. and Mrs. Dick Johnson. (Photo layout by James Dabney).

a trend nationwide that shows a decrease in certain categories of crime. That trend is reflected here in Eastland, but we feel that our crime rate is down due to vigorous patrolling on the part of our officers during the night time period from 11 p.m. through the early morning hours when most crimes are committed".

Morren also said that the national trend is that the criminal who lives in the urban areas of the larger cities has found that it is more profitable to engage in crime in suburban towns where police departments are sometimes understaffed, and under-trained.

With this in mind, Morren, as well as members of his department, have all completed 140 hours of intensive training in various law enforcement training schools. One of the recent schools was held in Eastland, where Morren, members of his department, and other Eastland County law men attended. Instructors for the school were from the Abilene and Dallas offices of the FBI, the Department of Public Safety, and Abilene Police Department. Added instruction on various legal aspects to be encountered in crime prevention and investigation, were taught by Eastland District Attorney Emory Walton, and Court of Civil Appeals Judge Austin McCloud.

Morren and some of his officers also received certificates of proficiency from an area-wide fingerprint school held in Eastland in January of 1973, as well as a 20 hour course at Cisco Junior College in Law Enforcement Principles.

In spite of all his many police activities, Morren still finds time to get "involved" in many local civic affairs. For example, he is active in the following local organizations: The Teenage League, which benefitted greatly when Morren, along with others, refurbished Fireman's Field for use as a teenage baseball field. Also, under Morren's perseverance, Eastland's Civil Defense setup was brought up to Statewide standards when Morren attended a Statewide Civil Defense Seminar in Austin.

In January, 1972, Morren received a public commendation from V.F.W. National Headquarters in Kansas City recognizing his efforts in obtaining good law enforcement in Eastland. The commendation, from Don Bishop, National Safety Director, read: "In grateful recognition of unyielding adherence to the highest ideals of law enforcement in maintaining, preserving and

Chief Morren Is Man Of Many Interests

By F. JAMES DABNEY
Eastland Police Chief Johnnie Morren's life is a busy one. In addition to being head of his department, and being

entrusted with the security, safety, and well-being of the City, he finds time in his daily routine to be active in a myriad of worthwhile activities. Morren became chief upon

the retirement of former Chief Ray Laney in Feb., 1970. He had served as a city policeman under Laney for a short time subsequent to his discharge from the U.S. Air Force in February of 1967 as a Chief Master Sergeant.

The son of Mr. and Mrs. James A. Morren, he was born in Rule, Texas, but reared in Eastland County where he attended school and later joined the U.S. Army during World War II as an infantryman. Morren was one of thousands who landed on the war torn shores of Omaha Beach on "D - Day", plus six.

He later transferred to the Air Force where he continued to rise in grade until his discharge in 1967 after 25 years of service. He is married to the former Bounita Kinman of Wichita Falls, and the couple has three children, Johnny David who is in college in Tampa, Florida; and Tommy and Pamela, both students in the Eastland School system.

The Morren family are members of the Bethel Baptist Church in Eastland.

Under Morren's leadership since he was elevated to the position of Chief, crime statistics in Eastland at the close of the year, 1970, showed an overall drop of 8.3 percent in burglaries, and a drop of 59 percent in larceny and thefts.

During the year 1970 - 71 crime showed an overall drop of 56 percent. During 1972, there was an additional net decrease of 46 percent in crime in Eastland.

Morren said, when questioned about the decreases, "...of course, there is

A home economist tells how to make electricity work more efficiently for cooking.

To get the most value from your electric range, follow these tips:

1. Use flat bottomed pans for better contact with the electric unit. Also, use tight-fitting lids to reduce cooking time and moisture loss. And match pan size to unit size to avoid heat loss.

2. Don't open oven doors unnecessarily, since this causes heat loss and extends cooking time. It also can result in under cooking.

3. Use a minimum amount of water. The more water you use, the

longer it takes to get hot. Many foods can be cooked with little or no water.

4. Bake two cakes or pies, or make double recipes of foods like stews and spaghetti sauce. Then freeze one for future use.

5. Thawing meats before cooking reduces cooking time. When recipes call for a pre-heated oven, don't turn it on too far in advance — usually 10 to 15 minutes will do.

For more tips, get our free booklet, "Tips to help you use electricity more efficiently throughout your home." They're available in our office, or you can request one on the comment portion of your electric service bill.

TDOPS Announce Accepting Application For Appointment For Position Of Patrolman

Major E.K. Browning, Jr., Regional Commander of the Texas Department of Public Safety in Midland, announced that the Texas Department of Public Safety is now accepting applications for appointment for the position of Patrolman. General qualifications for DPS Patrolmen and DPS Patrolwomen are these: Applicants must be 20 through 35 years of age (inclusive); good moral character; excellent

physical condition; height not less than 68 inches nor more than 76 inches; weight not less than two pounds nor more than 3 1/2 pounds per inch of height; visual acuity no worse than 20 - 40 correctable to 20 - 20; and a citizen of the United States. Education requirements are a minimum of 45 semester hours of college credit.

Persons elected as Cadets will be assigned to Austin for an 18 week Training School

beginning in February, 1974, at the DPS Academy. Qualified female applicants are now being accepted for the Uniformed Services of the DPS, and the Department has been increasingly successful in recruiting persons from minority groups.

During the Training School, Cadets will receive a salary of \$630.00 per month. After graduation, Cadets will be commissioned as Probationary Patrolman I at a salary of \$719.00 per month and assigned to the Highway Patrol, License and Weight Service, Motor Vehicle Inspection Service or Drive License Service according to the needs of DPS and consideration of personal preference. The salary automatically increases to \$743.00 per month after six months and to \$729.00 after 12 months. Officers are eligible to

compete for promotion to Patrolman II after 60 months Commissioned Service.

All DPS Officers receive fringe benefits including hospitalization and life insurance, paid vacations and sick leave, and holidays as for all State employees. Uniforms, vehicle and equipment are furnished and Patrolmen receive a uniform cleaning allowance and receive travel

expenses when away from their station. In addition, personnel are members of both the State Employees Retirement System and Social Security.

Applicants should contact the Eastland area DPS office at 1100 W. Main, Eastland. The completed application form should then be taken to DPS offices in Midland, Abilene, El Paso or San Angelo

'Not Too Much Holiday Cheer Now' Drive Safely, These Gentlemen Are Watching You

AUSTIN -- Colonel Wilson E. Speir, director of the Texas Department of Public Safety, announced today that changing travel patterns brought on by the national energy shortage make it impossible for the DPS to validly estimate the number of traffic deaths which might occur in Texas over the upcoming holidays.

He said, however, it was hoped the traffic death county would fall below the 14.5 daily average observed during last year's Christmas period, and below the 18.5 daily average recorded for the last New Year holidays.

Speir said it is impossible to compare total deaths between this year and last because the current holiday periods are both 102 hours as compared to 78 hour periods twelve months before.

The DPS director said factors expected to affect auto travel including driving curtailments which might result from lower speeds, weekend service station closings, higher gasoline prices and the possibility of spot fuel shortages.

Eastland

The Department of public safety office at Eastland also had recommendations and safety hints for area drivers.

Eastland County driver had too much holiday spirits last year. Highway patrol Sgt. Jerry Mathews, attributed five out of six highway deaths during last year's holiday period to alcohol.

"It was a terrible holiday", remembers Mathews, "each of the deaths except one involved a drinking driver."

However, the number of overall accidents and fatalities are less in Eastland County this year, mainly because of the better weather conditions, he said.

If bad weather does come, especially during the Holiday rush, motorists will have to change their driving procedures, warns Sgt. Mathews. Icy conditions at bridges and overpasses are especially dangerous. "At the first bad spell of weather, people tend to forget how to drive on ice", he cautioned. "They will have to become accustomed again to bad weather"

With the fuel shortage, Mathews recommends that motorists be extremely careful when carrying containers of gasoline in their cars. Already this year near Colorado City one boy was burned to death.

In a vehicle recently stopped Eastland area highway patrolmen found gasoline standing an inch deep in the trunk from a spilled can the driver had been hauling. "Just one spark would have turned his car into a torch", he emphasized.

Another safety hint concerns motorists observing the 55 mph speed reduction request. Sgt. Mathews recommended that slower drivers remain in the right hand lane and check their rear vision mirror frequently.

Mathews recommends that a slower driver rearrange his schedule. The trip will take longer, so start earlier and take more rest stops.

The Highway Patrol doesn't take their vacations at Christmas time and the New Year Holidays. Sgt. Mathews said all available personnel at the Eastland Area Dept. of Public Safety office will be working. This includes motor

vehicle inspection and license and weight patrolmen.

"I hope this December will not be as deadly as last",

Motorists should observe the proper safety procedures and remember not to drink while they drive, he said.

The Christmas period begins this year at 6 p.m. Friday, Dec. 21, and ends at midnight Tuesday, Dec. 25. New Year will start at 6 p.m. Friday, Dec. 28, and terminate at midnight Tuesday, Jan. 1, 1974.

During both periods, Speir said the DPS would place all available uniformed personnel on duty in a concerted effort to reduce accidents and save lives. He noted that patrolmen would be especially watchful for drinking and reckless drivers.

In addition to its enforcement activities, the DPS will be cooperating with local law enforcement agencies and the news media of Texas in a program called "Operation Motorcade". Information on fatal traffic collisions will be tabulated in Austin and released three times daily throughout the holidays in an effort to focus public attention on traffic safety.

Pat Miller Of Eastland District Deputy Grand Master

R.P. (Pat) Miller of Eastland has been appointed District Deputy Grand Master for Masonic Lodges of District 73 for the year 1974, according to announcement by Grand Master Dan B. Jordan.

Mr. Miller will succeed Ted Hale of Cisco, who has served as the district leader during 1973.

Mr. Miller owns and operates the Eastland County Abstract Co. in Eastland and is a member of Eastland Lodge No. 467, AF&AM. He has been a Mason since Feb. 11, 1945, and is a past master of the Eastland lodge. He is a member of the Eastland Rotary Club and is a past president of the board of trustees of the Eastland Independent School District.

The grand master expressed appreciation to Mr. Hale "for the excellent work you have done in the past year". During his year in office, Mr. Hale has visited all lodges of District 73 to participate in local, district and state business.

Farm Bureau Not In Favor Of State Income Tax

"The Farm Bureau is not in favor of a state income tax". That's the statement made by Jack Cozart of Cisco, president of the Eastland County Farm Bureau, regarding tax policies adopted by the Texas Farm Bureau at its recent 40th annual convention in Abilene.

Cozart said that a wire news story incorrectly implied that the TFB had adopted a proposal favoring a state income tax. As a matter of fact,

he said, the voting delegates overwhelmingly defeated proposals for such a tax.

Cozart said he was certain that the error in the news story was inadvertent and that the convention received excellent coverage by both major wire services as well as locally. But, a great many members, particularly those who had served as delegates, were confused by the incorrect news story, he said.

In explaining tax policies adopted, Mr. Cozart said the voting delegates approved a plan for taxing agricultural lands according to productive value. He said the organization had long favored such assessment, but that this was the first time for the organization to spell out exactly how it should be done. Under the TFB plan, a five percent capitalization rate would be applied to price and production factors in determining the actual productive value of agricultural land.

In other tax matters, the delegates not only turned down proposals for the state income tax, they also voted against pari-mutual betting and a state lottery as methods of raising revenue. They did favor a \$10 additional tax on motor vehicle licenses to help pay for education.

Submit written bids to Lone Star Gas Company, 301 South Harwood Street, Dallas, Texas 75201, Attention: H.E. Bell, Building Management Department, not later than 5:00 p.m., January 15, 1974, to be considered. Lone Star Gas Company reserves the right to refuse any and all bids. (12 - 16, 12 - 23, 12 - 30).

Thurman L. Jay President Cross Timbers Shrine Club

Thurman L. Jay of Gorman was elected president of the Cross Timbers Shrine Club at the annual holiday dinner party last Saturday night at Lone Cedar Country Club. Mr. Jay succeeds Roy G. Hathaway of Cisco who had held the post for the past two years.

Emory Walton of Eastland was elected vice president, and W.C. (Check) Smith of Gorman was elected secretary. The new officers will be installed at a meeting at the Corral Room of

Hotel Victor in Cisco on January 10th.

Retiring officers in addition to Mr. Hathaway were T.C. Wylie of Ranger, vice president, and Jack Reed of Cisco, secretary and treasurer.

Special guests at the dinner included Ernest Sellers and Arthur Harris of Fort Worth, representing Moslah Temple, parent organization of the Eastland County Shrine Club. Some 40 people attended the party and enjoyed a turkey dinner and bingo games.

County School Superintendents Meet To Work On Special Education

County School Superintendents met in Abilene Thursday at the Region XIV Education Service Center and worked on a contract for a co-op Special Education Unit next school year for Eastland County schools, Moran Schools, and Breckenridge ISD.

Gorman ISD will be financial agent for the co-op and the supervisors for the program will work out of the Gorman Schools.

Ranger hopes to get at least one full time aide for remedial work, one part time speech therapist, and two full time remedial teachers although nothing is definite at this time. The school men will meet later to complete the document and then present it to local boards of education for approval.

This year all special education work is done in the Ranger primary and

elementary schools by the West Texas Rehabilitation Center. They contracted with the Ranger Schools to do this work for \$27,280.00. The State pays the entire bill.

Currently four specialists are working part time in the Ranger primary and elementary schools doing speech therapy. Students are taken from classes to receive this special training and then returned to class. They are not given this training nor tested for the training unless the school gets a signed parental permission. All parents have signed permits so far and 110 pupils receive this help now.

Since the teachers in some cases will be going from school to school it may require that all the co-op schools have a common school calendar but this can be worked out later.

Driver's License Office Closed Dec. 24, 25 And 26

The Driver's License Office will be closed Dec. 24, 25 and 26 and January 1 in observance of the Christmas and New Year's Holidays.

4H CLUB

The annual County wide 4-H Christmas Party is scheduled for Monday, Dec. 17 at 7 p.m. - 9 p.m. The party will be held in the Cisco Junior College Agriculture Building formerly the Cisco National Guard Armory.

Mr. Joel Wilson of Abilene will be present to lead the 4-

Hers in recreation and square dancing.

4 - Hers are asked to bring canned food which will be donated to Goodfellows in each of the towns throughout the county.

4 - H Council and Junior Leaders assoc. members will meet at 6 p.m. preceding the party to set up and decorate.

KINDERGARTEN
In Miss Young's Kindergarten this week we decorated our Christmas tree with hairpin starts and a green and red Christmas chain that we made.

MRS. COOPER FIRST GRADE
This week we made Christmas trees out of pine cones and some other Christmas art projects for the display case. Our Good Citizens chosen this week were Lisa Brinkley, Robert Ragland, Kellye Fullen and Joy Sharp. We had two members of our class to lose a tooth while at school. They were Robert Ragland and David Ames.

MRS. SIMMS FIRST GRADE
This week we have been making Christmas trees and reindeer. Friday we will put up our tree and decorate it with our own decorations. Our good

Citizens for last Friday were Wendy High and Frankie Baldillex.

MRS. COATS SECOND GRADE
We listened to Christmas records. We did our boardwork. We put the Christmas tree up. We worked in our Curbstone Dragon's activity book. We made Santa Claus stars. We made little Christmas trees. We made a Christmas tree story. We did spelling. My reading group got new books. We made Christmas pictures. We decorated the room. Kevin Wright had the chicken pox.
Donald Reid

MRS. TURNER THIRD GRADE
James Morton was second place winner of D Divisional P.P.K. contest in Dallas. He was competing against Dennis Fulcher of Oklahoma City, Okla. We are proud of him. We have been learning about multiplication in arithmetic. We have been studying letter writing and we wrote letters to Santa Claus and some thank you letters and invitations.
Christa Sowell

MRS. DALLAS SECOND GRADE
We made Santa Clauses here at school out of stars. Our room made decorations for our room's Christmas tree and we are learning about suffixes and our Teacher put up our room's Christmas tree. There is a girl in our room named Amy O'Brien a boy knocked out her tooth. Merry Christmas.
Stephanie Underwood

MRS. ALLMARD ROOM 2
We decorated wrapping paper with potato prints. My room is so quiet because the teacher lost her voice. Craig Potter talks for the teacher. We all whisper. We play school outside. We paint and color and do things. We work very very hard reading and spelling. We made Santa Clause.

Dear friends,

The Christmas Season brings such a fresh, inspiring array of music and drama to radio and television - such a welcome relief from the base and frantic fare of other months. One can only imagine the wholesome effect on community behavior if this uplifting Christmas entertainment prevailed throughout the year. Is this too much to hope in a God-loving nation?

Sincerely,

Miss LaBelle And Mr. Tucker Exchange Wedding Vows

Phyllis Mary LaBelle and Airman First Class Forrest Lee Tucker exchanged wedding vows in a double ring ceremony November 22, 1973, at University Baptist Chapel in Houghton, Michigan, with Rev. Hilbert Zwyghuizen, pastor, officiating. The bride is the daughter of Mr. and Mrs. James Carl LaBelle of Houghton, Mich. Parents of the groom are Mr. and Mrs. Pete Tucker of Eastland.

Vows were recited before a basket of white gladiola and pink zinnias.

Maid of honor was Carol Ann Palmer of Houghton. She wore a cranberry floor length dress. It was made in princess style and was accented by white eyelet trim around the high collar and the short puffed

sleeves. She carried two single pink rosebuds with baby's breath and greenery.

Joseph Aaron Chadwich, of Oroville, Cal., was best man. Ushers were Charles Parker of Alamosa, Colo., and Michael Pendegras of Hamilton, Ohio.

The bride, given in marriage by Mr. Jack Palmer, a close friend, wore a floor length gown of sheer nylon organza over acetate taffeta with a full-length train. Lace trim accented the stand-up collar, bodice, empire waistline, front of the skirt, flounced hemline, and the sheer Bishop sleeves. Her elbow length veil was secured by a crown of satin roses. She carried a white Bible given to her by her husband and a nosegay of white carnations, pink sweetheart roses, and

Gleaners Class Has Social

The Gleaners Sunday School Class Christmas Social of Bethel Baptist Church met in the home of Mr. and Mrs. J.C. Allison on Friday, Dec. 7. The party had both state and foreign mission emphasis.

The guests were greeted at the door by the teacher of the class, Mrs. May (Susie) and baby's breath. She wore a gold cross necklace and plain gold earrings.

The organ was played by Judy Nelson of Houghton. Roger Morrow of Kansas City, Kan., sang "The Wedding Song" and "The Lord's Prayer".

A reception was held following the ceremony in the Fellowship Hall of the church. Assisting at the reception were Mrs. Hilbert Zwyghuizen, Mrs. John Dowling, Judy Nelson, and Mrs. Jack Palmer.

For a wedding trip, the couple traveled to northern Wisconsin. They are now living at Chassell, Michigan, awaiting Forrest's transfer to Nevada.

The bride is a 1972 graduate of Houghton High School. Airman Tucker attended Eastland High School and is presently serving at Calumet Air Force Station, Calumet, Michigan.

Mrs. Putnam (Theryn), and Mrs. May (Lee). Each guest was given a number and their gift was numbered and placed under the tree. The hostess was assisted in serving by Mrs. Pee Peoples (Bessie), president of the class; Mrs. Park (Ned), assistant teacher who poured the coffee, and Mrs. Adams (Vera), from near El Paso, out where West Texas ends. Mrs. Adams has been living there for the past twenty-five years. She is a sister of the hostess. Mrs. Adams served pink lemonade from the and painted lemonade pitcher.

Refreshments were delicious assorted cakes, cookies and candies. A motion was made by the teacher that a collection be taken for the Goodfellows. \$27 was collected.

Those present were Mrs. May (Susie, Mrs. May (Ellen Lee), Mrs. Stoker (Lucy), Mrs. Armstrong (Clyde), Mrs. Seago (Clarice), Mrs. Cornell (Ottie Ray), Mrs. Park (Ned), Mrs. McFadder (Alene), Mrs. Peoples (Bessie), Mrs. Cavanaugh (Ruby), Mrs. Mehafeff (Mary), Mrs. Williams (Gertrude), Mrs. Moseley (Buddy), Mrs. Cope (Mary Frances), Mrs. Clark (Flo), Mrs. Adams (Vera) of Fort Hancock, Mrs. Putnam (Theryn), Mr. Putnam, Mrs. J.C. Allison (Lillie M.), and Mr. J.C. Allison.

Martha Dorcas Class Holds Party

The recent Eastland County Pecan Show was smaller in terms of entries than some of our past shows, but still one of the largest county shows in Texas.

We would like to take the opportunity to thank all those folks who helped with the pecan show. Pecan growers from all parts of the county assisted with the show and members of

the Eastland Chamber of Commerce donated about 25 man hours of labor in shelling pecans for the show. Lynn Gibson of the Soil Conservation Service and David Martin of the ASC. office worked one half day each weighing the pecan samples. The clerks in the ASC office did all the calculating to determine the weight of the pecans and the percent of

kernels.

James Wright and the Eastland Chamber of Commerce did many things to help including sacking the parking meters downtown Friday and Saturday and furnishing tables for the pecan show. We would like to thank the City government for their cooperation in sacking the parking meters and many other things.

The Home Demonstration club women contributed much to the show with the bake division and the concession.

Pecans for the regional pecan show were shelled and weighed

Dec. 11 in Stephenville. Rex Hudson and Jack Setser of Rising Star, Ben Freeman of Ranger, Milton Keller - Assistant Agent and I went to Stephenville and helped process pecans.

The Farmer's Tax Guide - 1974 edition, is now available in the county extension office. The guide was prepared by the IRS to help farmers with their 1973 Federal income tax return. A farmer's income tax meeting has been planned for January 23. More information will be given on the meeting after the first of the new year.

The winter season is at hand, and many plants in your home landscape may need protection from severe cold weather.

Sudden drops in temperature after prolonged warm periods can be especially damaging to landscape plants. Since the weather this fall has been unseasonably warm, many plants have not been "conditioned" to winter temperatures.

Therefore, a little extra care of these plants will help them get through the winter. Plastic has been a popular covering material but must be removed as soon as the severe cold has

passed. Structural wood frames may be built and covered with plastic.

Nature has provided most plants with the ability to adjust to temperature extremes, but many landscape plants are from other regions of the world and may not be readily able to adapt to extreme temperature changes. This, a little extra care during the winter months will give them the cold protection that they need.

Ice damage to trees and shrubs is always a possibility during the winter months, especially for evergreens such as pines that have more surface

area and accumulate more ice. Little can be done to prevent ice accumulation, but proper pruning of broken limbs after ice damage is essential.
