## around muleshoe with the journal staff

Places recently cleaned up and painted sparkling clean are the Dolly Cup Drive In and Ray Griffiths Elevator.

A number of other business firms are preparing to begin clean-up procedures.

Debbie Sain, daughter of Mr. and Mrs. Walter Sain, returned to Wayland College Saturday, where she is a junior student.

Mr. and Mrs. Joe Embry and other Muleshoe residents have returned from Frederick, Okla., where they attended funeral services for Mrs. Embry's mother, Mrs. John Wilson. Among local survivors is a son, Doyle Trapp.

Mrs. Wilson was a former Muleshoe area resident. Funeral services were at 2 p.m. Friday at Frederick and Mrs. Wilson was buried at Vernon.

Gerald Petree, youth director of the Trinity Baptist Church, was honored Thursday night with a surprise going away party at the home of Mr. and Mrs. Bill Vinson.

Around 10 friends honored the young man who had been in Muleshoe for the past year. He was presented a money tree as a parting gift.

Mrs. Logan Puckett of Ft. Morgan, Colorado and Mr. and Mrs. Richard Puckett, Larry and Cynthia visited with Logan Puckett at Ft. Bliss, El Paso this week. Mrs. Logan Puckett returned to her home Wednesday.

Mr. and Mrs. Floyd Ruthardt returned Monday after a 10-day vacation trip to Wichita, Kan., where they visited with their daughter Marie and her family. The Ruthards enjoyed a boating trip on the Arkansas River and other points of interest along the route home.

Christine Issac, daughter of Mr. and Mrs. Charles Issac, is recuperating at home following a recent foot operation in a Dallas hospital. Christine hopes to begin school Monday, although it will be on her crutches. Mr. and Mrs. Issac took turns being with Christine in Dallas and with the family here at home.

Mr. and Mrs. Junior Purcell and daughter Debbie, and Mr. and Mrs. Hugh Young enjoyed a week's vacation last week in Colorado Springs, Colo.

Houseguests in the home of the Jack Youngs are Mrs. Young's sister, Mrs. Roger Hill and small daughter Stacy. The Hills arrived Monday and plan to return home in San Antonio Sunday.

## September 4 Kid's Day In Muleshoe

The Business Activities Committee of the Muleshoe Chamber of Commerce hopes to have more than 200 youngsters participating in the annual Kid's Day program which will be held September 4 just south of the Muleshoe City Swimming Pool.

BAC, assisted by the Muleshoe Jaycees, will hold the Kid's Day program on Saturday and will have both a girls' and a boys' division. The division will be divided into three age groups, ages six to eight, inclusive; ages nine through eleven, inclusive and ages 12-14, inclusive.

A total of 96 prizes will be awarded during the afternoon and the prizes will be ribbons for first, second and third places, and trophies for division overall winners.

Beginning at 2 p.m., five races will be including bicycle races, sack races, potato races, foot races and barrel races.

All boys and girls between the ages of six and fourteen are invited to be in Muleshoe on Saturday, September 4 and compete in the Annual Kid's Day.

NEW BEAUTIES REIGN IN MULESHOE--Named Miss Muleshoe Friday night was Stephanie Bryant, 16, daughter of Mr. and Mrs. Don Bryant. She was crowned by her sister, Trenea Bryant Matthews, who was the outgoing Miss Muleshoe. First runner-up was Greta Bamert, daughter of Mr. and Mrs. Carl Bamert, and second runner-up was Brenda Ruthardt, daughter of Mr. and Mrs. F.B. Ruthardt. Winner of the Little Miss Muleshoe title was Michelle Parkman, five year old daughter of Mr. and Mrs. Freddie Parkman. Little Miss Muleshoe was crowned by outgoing Little Miss Muleshoe, Mitzi Altman, daughter of Mr. and Mrs. Wayland Altman. Fourteen young ladies entered the Miss Muleshoe contest and 19 little ladies were in the Little Miss Muleshoe contest.

## Emphasis Placed On School Safety

With the doors of the four Muleshoe schools opening Monday morning to begin a new year of studies for nearly 2,000 youngsters in this area, school administrative personnel and law enforcement officers remind that with a few rules, the youngsters can attend school safely and without becoming involved in traffic accidents.

One of the safety factors involves a new state law effective today which will no longer permit Texas motorists to stop and then pass a school bus which is loading or unloading children.

Colonel Wilson E. Speir, director of the Texas Department of Public Safety, said the new law, passed by the 62nd Legislature, applies in both cities and rural areas and requires motorists moving both directions on the same roadway with a school bus to stop and remain stopped as long as the flashing lights on the bus are in operation.

Under current law, which applies only in rural areas, drivers must stop for a school bus, but then may proceed around it at a speed of not more than 10 miles per hour if safe to do so.

The new law will not require those vehicles on another roadway of a divided highway to stop, and stops are not required if the bus has stopped in a loading zone of a controlled access highway where pedestrians are not permitted to cross.

Speir noted that provisions of the new law will be strictly enforced to afford maximum protection to the school children of Texas.

School crossing lights have been checked and are ready

to turn on Monday at Gibson's crossing and the Piggy Wiggly crossing. School officials ask that drivers respect the lights and slow down when going through the crossings as many

youngsters use the crossings, especially between 8-8:45 a.m. and until 4 p.m. each school day. Superintendent Neal B. Dillman also asks that drivers show

## CTA Hears Speaker On 'Americanism'

New Muleshoe school system teachers were honored guests Thursday night at the Annual Muleshoe Classroom Teacher Association Dinner at the First United Methodist Church.

Special guests and CTA officers were introduced by the president, Mrs. Glen Harlin. Jim Jennings, vice president of CTA, introduced the guest speaker who is with the Plains American Heritage Foundation at Wayland College, Plainview, Gwin Morris.

He told briefly of the programs offered at Wayland College, especially two new programs, one on Law Enforcement and a Mental Health program.

Morris then spoke of the American Heritage program and how it fits the school program in today's life.

"A lot of people are not informed about things today," said Morris, "and things are not always what they seem. However, people act upon what they believe to be the truth."

"These same mis-informed people get out and act as if their mis-information were the truth, where truly, we live in a world of half-truths. It seems that a lot of people who take everything as the gospel truth

place us in somewhat of a dilemma. We don't really know which way to go, or what to really believe.

"The main thing is to find out just what is the American way of life, and dedicate ourselves to finding out for ourself what the problems are," he added.

Teachers can help inform through the American Heritage program, added Morris, and we can personally practice our belief in the American way of life.

"An American is not a race, not a religion, not a color," emphasized the speaker. "But, is a transformation. Persons from all countries, who became Americans, and believe in the American way of life.

"Nor is the American government a government by the few, of the few, or the few," he added. "We are neither an anarchy nor totalitarian, but most Americans believe somewhere in between. We do not have the right to do what we please without considering the right of others and there are too many persons in the 'me, first' brigade.

## Improvement Board Prepares For Action

Muleshoe Community Improvement Board members met Thursday morning to discuss MHS Athletes To Be Honored With Dinner

All Muleshoe High School athletes, both boys and girls, will be honored guests at a covered dish supper at the Muleshoe High School cafeteria on Thursday, September 2 at 7:30 p.m. President Carl White of the Muleshoe Athletic Boosters asked that all parents and interested persons attend the dinner and bring enough food for their family, plus two extra persons.

## Annual Tour Of Area Farms Set Thursday

Muleshoe's annual agri-business farm tour is scheduled for Thursday, September 2, from 10 a.m. - 2 p.m.

Buses will leave the Chamber of Commerce office, said Committee Chairman Doyce Turner, and everyone, including not only agri-business related persons, but business and professional people from throughout the area are invited to make the tour.

To be toured are farms, including cotton, corn and grain sorghum fields; a circular sprinkler system; hay cuber in operation and a varied farm equipment display.

At noon, a free luncheon will be served in the country for the tourists.

Committee members include Turner, Harmon Elliott, Don Rempe, Leon Wilson, Max King and Bill Wimberly.

preliminary plans for an intensive clean-up campaign for Muleshoe, including the removal of old cars, dilapidated buildings, ending a stray dog nuisance and generally improving the appearance of the city.

At the 7 a.m. meeting at the Corral Restaurant, it was announced that a local auto wrecking firm will pick up abandoned or junk cars and a highway approach campaign to clean up will begin in the near future.

A local attorney is presently checking city ordinances and an announcement will be forthcoming as to what action will be taken by MCIB in intensifying enforcement and aiding local officers in contacting owners of real property or personal property and call attention to areas which need improvement.

According to surveys taken by a member of MCIB, there are 13 advertising signs which need repainting on highway approaches to Muleshoe. Two of the signs need extensive repair, said the member, and one sign should be removed as it is considered beyond repair by the board. Board members will send letters to owners, suggesting repairs be made.

During the next few days, a survey will be made in the city by members of MCIB, to determine the location and descriptions will be given to the Muleshoe City Police Department for further action.

A reminder was issued again, that for areas that need clean-up and or repair, a call to the Action Line--272-4248, will get the information to members of MCIB. A person is not required to give a name when they give the information as long as the information is correct, said the MCIB.

It was reported that several calls have been received concerning junk vehicles and Muleshoe's dog problem. Suggestions would also be appreciated, said the MCIB, and persons having suggestions for improving the city and solutions for some of the problems ingetting enthusiasm and interest built up for an intensive campaign, are also asked to call in on the Action Line.

## 'Thanks' Expressed By FOL For Aid

"This world -- and Muleshoe in particular -- is a better place because of FRIENDS," one Friend of the Library official said gratefully Friday afternoon after a busy day.

"Those who give support -- whether large or small, befitting their means and talents; those patrons, supporters, workers, contributors of not only time and money, but of understanding of needs, are FRIENDS indeed.

"We thank each one who already has or plans to offer any bit of support in regard to continuing library improvements for the Muleshoe Area Public Library and Four-County Bookmobile program.

"The generosity of FRIENDS in the Muleshoe area is continuing to reveal a growing list of library benefactors, as well as a community-civic unity and pride," the FOL officer added.

The occasion for this statement was following a special FOL meeting which was open to the public Friday morning in City Council chambers.

Special business included the hearing of financial reports of contributions and pledges of support so that additional furniture and equipment for the new library could be ordered by the August 27 deadline. The deadline was 30 days from the opening of bid offers and were and will be accepted as funds are available.

Reports were given by or in behalf of FOL memorial chairman Jerry Hutton, special gifts and large donations chairman Jeff Smith, Membership chairman Mrs. Jack Rennels, inter-club relations coordinator; Library Board vice-chairman Joe Harbin; Library Board Memorial chairman Mrs. Jack Young; Librarian Anne Camp and FOL President Mrs. Larry Hall.

Friday afternoon special committees appointed at the morning meeting met for completion of the financial report, which lead to decisions on placing a second order with Scott Cherry, Division manager of Library Bureau of Remington Rand Corp., Dallas, and tabling action on other bids until further funds are received.

Chamber of Commerce Manager Hutton and secretary Mrs. J.W. Coppege, Librarian Camp and Board representative Harbin headed these special meetings.

At presstime Friday afternoon's list of contributors, the financial statement, and items ordered was not available. The FOL Honor Roll, the second list, with new contributors as of Friday noon will

## Lazbuddie Hosts Crowd At Luncheon

A large group of business and professional persons went to Lazbuddie Thursday at noon to help the Muleshoe Chamber of Commerce honor the Lazbuddie teachers in the annual teacher appreciation luncheon at the school.

Master of ceremonies for the luncheon was Don Harmon, who said, "I would like to welcome the new teachers to the Lazbuddie area. I hope you get started off with a real good year and we would like to become better acquainted with you in Muleshoe."

Harmon continued, "The Muleshoe Chamber of Commerce is not just for the city limits of Muleshoe, but for the entire area. Our main purpose is to better the community we live in."

He then introduced Lazbuddie Superintendent Sam Barnes, who added, "We, at Lazbuddie, would like to welcome the Chamber of Commerce and thank you for hosting this dinner. We look forward to another fine school year, as we have a fine school and a fine staff of school personnel."

New teachers introduced by the superintendent included John R. Davison, Mrs. John R. Davison, Buddy Brock, Nell Skaggs,

School bells are ringing again. The streets and roads will be filled with children heading back to school.

This means that every driver should be alert and extra careful. Children are young and eager . . . sometimes unpredictable . . . they may or may not see YOU . . .

**BE SURE YOU SEE THEM!**

**YOU'RE NEVER TOO OLD TO HELP**--Because she despises weeds, and despite the fact that she will be 79 years old her next birthday, Mrs. Lula Correll pulled these weeds several days ago around West Plains Memorial Hospital. Mrs. Correll said she liked to do her part in helping keep Muleshoe clean.

**Jesse Bryant  
New Employee  
Texas Sesame**

Robert L. Parker, president of Paris Milling Company and W. Wimberly, executive vice president of Texas Sesame Division of Paris Milling Company at Muleshoe, announced the appointment of Jesse A. Bryant as assistant manager for Texas Sesame Division Operations at Muleshoe.

Bryant is a former vice president of Muleshoe State Bank and of the First National Bank at Brownfield.

Texas Sesame and Muleshoe area farmers founded the food corn industry on the irrigated High Plains in 1958. The first years crop was produced from about 400 acres. An estimated 30,000 acres of corn will be harvested in the Muleshoe area in 1971. Through the years, Texas Sesame has expanded its corn drying and handling facilities at Muleshoe and Progress to better serve area corn growers.

"We are most fortunate to have a man of Jesse Bryant's capability join our company," said Wimberly. "His 17 years of banking experience and his thorough understanding of the Plains Agricultural economy will be a definite asset to the company's continuing program to develop profitable High Plains corn production. Recent facility expansion by Texas Sesame has focused attention on the need for a top man to help serve our local growers and to help develop new market outlets for food grade corn," concluded Wimberly.

Jesse, his wife Bobbie, and daughters, Cherylee, 11, and Michele, age seven, reside at 329 West Avenue J in Muleshoe.

**Season Tickets  
Now On Sale**

Persons who held reserve seat tickets for the football season last year may pick up their options of these tickets at Damron Drug, starting Saturday, August 28, and ending Saturday, September 4, said Muleshoe School Superintendent Neal B. Dillman.

Beginning Monday, September 6, all remaining tickets will go on sale, on a first come-first served basis, added the superintendent.

Also at Damron Drug, will be large schedule placards with a place to record scores. The placards will also be available at the school business office or at the high school athletic office.

Season tickets for the five home games will be \$10 each and reserve seats will cost \$2.50 each for each home game after the season starts.

The Muleshoe High School athletic department said they hope all businesses will pick up the free schedule placards and buy season tickets with the \$10 they would ordinarily pay for advertising for commercial football schedule placards.

# Donna Reed, Redwine Marry At Progress

Wedding vows for Donna Jean Reed and Jerry Don Redwine were read Saturday, August 14, at 7 o'clock in the evening at the Progress Baptist Church, A.L. Burchel officiated at the double ring ceremony.

Mr. and Mrs. Jerry Don Redwine, she is the former Donna Jean Reed

The bride is the daughter of Woodrow Reed of Muleshoe and the groom is the son of Mr. and Mrs. D.L. Redwine of Muleshoe.

The ceremony was performed before a 15-branch candelabra with lighted tapers entwined with jade and emerald palms. Bouquets of majestic daisies and emerald in white baskets completed the altar arrangement.

Providing nuptial music was Mrs. Bob Coker who accompanied Mrs. Lewis Block of Hereford as she sang "Love Story" and the theme from "Romeo and Juliet".

Given in marriage by her father, the bride wore a formal gown of white organza iced with Venise lace at the neck and the empire, insert waist. Small, delicate Venise trim was in tiers on the full Juliet sleeves.

She carried a bouquet of marguerite daisies entwined with lilies, lilies of the valley, satin streamers and love knots.

Attending the bride as matron of honor was Mrs. Lee Gable of Dimmitt. Bridesmaids were Mrs. Bonnell Riley of Odessa and Connie Redwine of Muleshoe.

They were attired in formal gowns of yellow peau de soie designed with empire waistline, scooped neck and white lace later sleeves trimmed in yellow. They carried nosegays of daisies outlined with lace and satin.

Twila Downing of Muleshoe was the flower girl and was dressed identical to the older attendants.

Derell Riley of Odessa and Lisa Redwine of Muleshoe lighted the candles.

Serving as best man was Bobby Redwine of Muleshoe. Groomsmen were Larry Guley of Texico and Hal Anderson of Muleshoe. Ushers were Brent Tanner and Bob Coker of Muleshoe.

A reception honoring the couple was held immediately following the ceremony in the fellowship hall of the church.

Vicki Redwine registered the guests.

The bride's table was covered with white and centered with the bride's bouquet. The three-tiered cake was decorated with bells, turtle doves and wedding bows. Serving the guests were Mrs. Smitty Aylesworth and Denise McCurry.

For a wedding trip to points of interest in New Mexico, the bride wore a blue pantsuit. They will be at home at 4922 Griggs Road, Houston.

The bride is a graduate of Muleshoe High School, attended West Texas State University and was employed by the Muleshoe State Bank.

The groom is also a graduate of Muleshoe High School, attended West Texas State University where he was a member of Beta Beta Beta fraternity and will continue his education at the University of Houston School of Optometry.

Out of town wedding guests were Mr. and Mrs. Bonnell Riley of Odessa, Mr. and Mrs. Arnold Reed of Sudan, Mr. and Mrs. W.H. Tuttle of Jal, N. M., Cecil Tuttle of Douglas, Ariz.; Mr. and Mrs. J.B.

Snead of Spearman and Mr. and Mrs. D.C. McCurry of Littlefield.

The rehearsal dinner was held at the Corral Restaurant hosted by the groom's parents, Mr. and Mrs. D.L. Redwine.

Mrs. Danny Joe Shipman, the former Miss Pamela Morphis

## Pam Morphis, Shipman Pledge Wedding Vows

A double ring wedding ceremony, performed at 8 p.m. Monday, August 16, in the Richland Hills Baptist Church of Muleshoe, united Pamela Morphis and Danny Joe Shipman, Rev. J.P. Jones, pastor of the Richland Hills Baptist Church, performed the nuptials beneath an archway entwined with foliage and white daisies, flanked by two seven-branched candelabras bearing white tapers.

The bride is the daughter of Mr. and Mrs. Stanley Sortland of Ft. Sill, Oklahoma. The groom is the son of Mr. and Mrs. Joe Shipman of Muleshoe.

Mrs. Max Eubanks, accompanied by Mrs. Elbert Hamilton, organist, sang "We've Only Just Begun" and "The Twelfth of Never".

Escorted by her father, Stanley Sortland, the bride was attired in a floor length gown of embroidered daron with Camelot sleeves. Her chapel length veil of illusion fell from a coil of pearl encrusted leaves. Her flowing daisy bouquet held a removable corsage.

Miss Tina Morphis of Cross Plains, sister of the bride, was maid of honor. She wore a lime green, floor length, gown designed with puffed sleeves. She carried a single long-stemmed

daisy. Ricky Hudson served as best man, Mark Washington of Muleshoe and Curtis Reynolds of Commerce lighted the candles. Ushers were Larry Paul Pettz of Dallas and Garry Shipman of Muleshoe.

Following the ceremony, a reception was held in the Fellowship Hall of the church. The bride's table was covered with a satin cloth with satin roses encrusted with pearls and blue streamers. It was centered with an arrangement of blue and white daisies. The three-tiered wedding cake was adorned with sugar frosted daisies and crested with a miniature bridal couple.

Mrs. Chester Huff registered the guests. Serving were Mrs. Danny McNeil and Miss Janet Ellis.

For traveling, the bride wore a turquoise three piece knit suit with beige accessories. After the wedding trip, the couple will be at home in Lubbock. The bride attended West Texas State University and will enter Methodist Hospital School of Nursing. The groom attends Texas Tech and is employed by Newsome Venitian Marble

company. Special guests at the wedding were grandparents, Mr. and Mrs. O.K. Angeley.

The rehearsal dinner was a salad supper at the Corral Restaurant hosted by the groom's parents.

## Mrs. Farley, Miss Harden Attend Tea

Mrs. John Farley and Elizabeth Harden were in Amarillo Sunday afternoon to attend a tea honoring Mrs. Sudie Beth Hancock, chairman of International Temple Committee; Vernon Hancock, Time and Talent Committee and Mrs. Lynette Babout Membership Restoration Committee of the Grand Chapter of Texas, Order of the Eastern Star.

While in Amarillo, they visited in the home of Mrs. Mary Bethany, a sister of Miss Harden's.

## TOPS News

Muleshoe Jenny TOPS met Thursday, August 26, at 7 p.m. in the Bailey County Electric meeting room. Leader June Vinson called the meeting to order and led in the TOPS pledge and song.

Evelyn Harris called the roll with 24 weighing in. A total of 21 and 1/2 pounds were lost last week by the club members.

Queen for the week was Judy Newman. First runner-up was Mary Johnson and second runner-up was Lela Hefner.

During the business meeting, the club members voted to disband the pig pen for six months. The program was given by Mae Provence with the title being "Why Shouldn't People Skipp Meals".

The meeting was dismissed with the singing of the good-night song.

## BACK INJURIES

Thousands of working men know what Chiropractic can do for back injuries. They know that when other methods fail to give them relief, Chiropractic was successful.

It is important for employees, compensation insurance carriers and the public in general to recognize this fact. Actual studies have been made of injured workers cared for by different systems of therapy. Chiropractic brings the worker through with less chance of the charge of malingering, less cost to the insurance company, less cost for insurance coverage to the employer, as well as less interruption in the production line.

Several large industrial firms are now employing chiropractors on a full time basis to care for their injured workers.

To the chiropractor, the spine represents the keyboard, as it were that locks up and unlocks the inherent curative powers of nature.

**Dear Editor:**

Dear Mr. Hall:  
Canyon, Texas while happily free from automobile exhaust toxins which endanger big cities and their people is far from free from other dangers brought about by the automobile. Anyone with average powers of observation has already recognized these perils.  
Why do many drivers in Canyon have scant regard for the safety of themselves and others? Why do public officials act oblivious to the daily flaunting of city traffic regulations

by truckers who speed through the town often running red lights? Why do university officials court disaster by not insisting that intra-Canyon traffic around the university be tightly controlled?  
I cannot answer these or similar questions. However, unless there are answers and action, students will not be safe on the streets.  
During Fall semester 1970, Bailey County sent 59 students to West Texas State University. Are any of these young men and women destined for an unnecessary, unwarranted, perhaps tragic, automobile related accident while attending school?

Canyon's Fourth Avenue between Highway 87 and 26th Street is perilous. This street is a section of the Palo Duro Canyon Highway (Texas 217) and is heavily traveled by students and other drivers who often use the street as a raceway. Frequently, persons walking between the library and the Brown-McCaslin dormitories are intimidated by crazies who practice Detroit-styled exhibitionism.  
The traffic light at 4th Avenue and 26th Street was needed long before the building of new facilities. Twenty-Sixth Street north of 4th Avenue is too traveled for persons to cross safely—mainly students on their ways to class, activities center,

dormitories and cafeteria. Ideally, this section should cease to exist as a thoroughfare for automobiles, be plowed over, and be planted in grass. A plausible compromise would be to end 26th Street just north of the entrance to Zone Three of the university. This would allow access to the school from the east for automobiles while eliminating one of the streets on which students are currently endangered.  
The four-lane highway (Spur 48) which runs east and west past University Complex South, dormitories, Student scene of grave mishap. It is not uncommon for drivers to attain speeds

over 50 miles an hour when before they have reached the activities center. The main danger exists for students who cross the street from the activities center to the tennis courts. The week of June 6th through 12th provides an example. During this period a tennis clinic was given for young who used the activities center and tennis courts directly across the street. The ingredients were present for a heart-breaking accident. If the center is increasingly used in the future, as is hoped, the problem can be expected to become more serious. Further, Spur 48 is a link with Highway 87 and the Palo Duro Canyon High-

way which was widened this summer to manage heavier traffic.

Traffic problems and Highway 87 are a story in themselves. When traffic enters the city limits, it is like satellites arriving from outer space—a kind of reentry into civilization. Unfortunately, many drivers give only a nodding acknowledgement to Canyon's traffic laws. Truckers are especially guilty. In the most ludicrous fashion, certain of these gentlemen of the rigs if they slow down for traffic signals. The police do too little as any person familiar with the situation must agree. In Canyon, you must insure your right-of-way at least twice, even if you have a green light, if you expect to survive.  
Waiting for future plans of the Texas Highway Department to solve such problems will not satisfy any concerned person.

The following are recommendations which persons and groups can make to public and university officials which can lead to immediate beneficial changes:  
(1) Insist that official traffic enforcement practices be changed. (2) Insist that poor logistical arrangements which endanger pedestrians be changed. If Bailey County families are to continue sending their sons and daughters to West Texas State University, they have the right and should expect the city of Canyon and the university to insure each student's safety through effective traffic management.

**CTA...**

he supported the 18-year-old vote and the belief in human dignity and value of every individual as the natural right of every person.  
He stated that education is a means to achieve goals toward recognizing and living the American way of life, and if you provide students with a heritage, a frame of reference they will know integrity, courage and conviction.  
"If you will practice what you believe, and have self-respect, you can be an American," he concluded.

## Roller Coaster Spirit

There are days when we feel on top of the world. Everybody loves us and shows it. Nice things are done for us. Sunshine and happiness drenches everything. And then there are other days — when we're blue; people are busy. We're alone. We're afraid. It might as well be raining. Nobody knows the trouble we're in. Needed is a little self-discipline, not a lot of self-pity. We must learn to face the fact that life is not always a flowery bed of ease, and pleasure. Children dodge hard places, responsibility, and painful experiences. A mature person stands on his own two feet under God. Time, insight, and the grace of God can remove mountains — and take away that roller coaster spirit. Begin the road to spiritual maturity by attending church this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Coleman Adv. Ser.

# STATE CAPITAL Highlights AND Sidelights

By Bill Boykin  
TEXAS PRESS ASSOCIATION

AUSTIN, Tex. - Texas became one of the first states to defy President Nixon's wage freeze order as it applies to public employees and school teachers.

Gov. Preston Smith, after three days of conflicting reports, issued a proclamation instructing agency heads to ignore the August 15 order against pay raises for teachers and state workers. Raises were authorized by the Legislature long ago and funds appropriated for the new budget beginning September 1.

U.S. Office of Emergency Preparedness official first informed the Governor's office that the freeze did not apply to local and state government employees and teachers.

But 24 hours later, the President's Cost of Living Council headed by former Texas Gov. John Connally, now U.S. Treasury Secretary, reversed this position. Council held that state and local government workers were subject to the 90-day freeze, and teachers could get raises only if their contract periods began before August 15.

Texas officials had taken the stand that the law authorizing present salary levels for 95,000 teachers expires August 31, and they had no authority but to put new wage scales ordered by the Legislature into effect after that.

"I am refusing to obey the President's order to scrap our appropriations bill, which was signed into law months ago," said Smith. "Texas is going to obey the laws of the 62nd Legislature."

In his official proclamation, the Governor accepted "full responsibility" for his order of federal defiance.

Governor further blasted the federal government for issuing "two conflicting sets of orders on every vital issue."

Smith's directive means the 6.8 percent raise for state employees will go into effect September 1 and teachers will

get their long-range increase approved by the Legislature two years ago.

At the same time, tax and college tuition raises also will go into effect. Scheduled auto insurance rate boost has been postponed until after the 90-day freeze, as has consideration of freight rate increases.

**"SCANDAL"** HEARING HELD - House General Investigating Committee held the opening round in its hearings on stock-loan scandals involving high state officials.

Frank W. Sharp, onetime head of Sharpstown State Bank and National Bankers Life Insurance Company, was the star witness. He told Committee members he and House Speaker Gus Mutscher had a "tacit understanding" that there was a link between stock purchases in NBL by the speaker and passage of banking bills favored by Sharp in 1969.

Speaker Mutscher borrowed money from the Sharpstown Bank to buy the stock, as did a few other state officials including Governor Smith.

Sharp denied, however, he ever gave anything of value to a state official in exchange for a political favor.

Former Atty. Gen. Waggoner Carr, appearing before the Committee, called the federal Securities and Exchange Commission investigation of stock-loan transactions a Republican-inspired political "hatchet job."

**OIL ALLOWABLE CUT** - For the fifth month running, Texas Railroad Commission ordered reduction in statewide oil allowable, fixing it at 65.1 percent of potential for September.

Figure is the lowest since August, 1970, when it dropped to 62.9 percent.

September allowable, down slightly from 66.2 percent for August, will permit a 3,350,493 barrel-per-day production maximum flow, 45,264 less than the present top.

Nominations by crude oil buyers for next month totalled 3,218,430 barrels daily. That is 24,032 less than August figures.

Only one major producer, Shell, asked more oil in September. Ten asked the same allowable, and three wanted less.

**AG OPINIONS** - Counties adopting workmen's compensation for their employees must carry appropriate insurance or lose common law defense of contributory negligence and assumed risk, Atty. Gen. Crawford Martin has held.

In a flood of other recent opinions, Martin concluded: \* A local option election legalizing the sale of mixed alcoholic beverages may be held in any city of Precinct 7, Jefferson County within a year after May 18, 1971.

\* Regional planning commissions may be created by two or more counties and/or cities and membership extended to other subdivisions, with the governing bodies determined by agreement among members.

\* Bexar County commissioners have no authority to expend money for the purpose of making a grant of a non-profit corporation to promote industrial development in the county.

\* Brazoria County Court of Domestic Relations has authority to try eminent domain cases transferred to it by district courts.

\* Hidalgo County Housing Authority has no statutory authority to dispose of any property by transferring it without consideration to a non-profit organization.

\* Orange and Jefferson County district attorneys may commission a regional juvenile legal services officer as assistant d. a.

\* Bill to abolish county school superintendent in Matagorda County is void, so the office continues to exist.

\* 8 new law eliminates requirements for certification on invoices to state agencies by contractors or sellers of contracts and purchases.

\* Bill allowing county commissioners in Denton and Comanche counties to set their travel expenses and depreciation at a different rate from that set for the county judge is unconstitutional.

\* "Net appropriations" of general revenue for University of Texas medical schools at Dallas and Galveston means grand total of appropriations less income from educational sources.

**APPOINTMENTS** - Bill Edd McLaughlin of Lubbock was appointed by Governor Smith to Finance Commission of Texas, Smith named Robert H. Green of Houston to Texas State Board

of Landscape Architects. Governor also announced these reappointments: William D. Starcher of Lubbock and Dee Estes Wheeler of Fort Worth to Poligraph Examiners Board;

Joe A. Myers of Stockdale and L.B. Davis Jr. of Longview to State Board of Morticians.

Dr. J.B. Morgan of Austin is new assistant state commissioner for urban education.

Harry Burleigh, executive director Texas Water Development Board, will head the committee to coordinate a two-year study of Colorado River Basin.

Jerome D. Chapman, assistant commissioner for State Welfare Department, will serve on a panel established by National Academy of Sciences to evaluate community child care programs.

**WELFARE POLICY CHANGED** - State Board of Public Welfare has changed its policy to permit Old Age Assistance recipients to earn up to \$50 a month without loss of assistance payments, effective November 1.

Under current eligibility rules, only \$7.50 of any income source is exempted in calculating an OAA recipient's budgeted needs for an assistance check.

New policy will exempt the first \$20 for earned income and one-half remainder up to \$80 a month.

Governor said OAA recipients will be permitted a better standard of living and not penalized for working. OAA average monthly grant is about \$62.28.

**SHORT SNORTS** - Roy R. Evans of Austin is the new president of Texas AFL-CIO and Harry Hubbard is the new secretary-treasurer. They won elections at labor's convention August 14.

Governor has been urged to permit the Legislature in special session next year to consider a competitive rate system for auto insurance.

New "Texas Hunting Guide" for 1971-72 is available from Parks and Wildlife Department

showing seasons, bag limits and game law summaries.

More than \$1 million has been allocated for restoration and development projects at San Jacinto Battleground and Mission Tejas state parks.

Col. Wilson E. Speir, Texas Department of Public Safety director, was named lawman of the year by Veterans of Foreign Wars.

Attorney General Martin filed suit against City of Galveston for environmental law violation in refuse disposal and city dump burning.

Sen. Ralph Hall of Rockwall said he will announce for lieutenant governor in September.
