## Tid Bits

By HVO

IF YOU'RE NOT already involved in the Centennial Spirit -- you're missing a barrel of fun. Judge if you would from the tremendous amount of interest already evident in the great number of old photographs and stories, we're already running which are being submitted by our subscribers who are having the time of their life recalling "the good old days."

EXAMPLE: Remember the photo of what we quoted as being the first car in Eastland County? Not so, says Mrs. Ruby Pledger, who reports that her father, the late W. H. Groves showed the first, a stick-stirred, red Buick in Carbon, some five or six years earlier. Her mother, Mrs. Groves, who is recovering satisfactorily from a fall, is 98 years young and remembers the car but can't be sure of the year.

AND YES, let it be recorded that we at the newspaper office certainly do welcome your pictures and stories. Don't be lousy, bring 'em on in -- others would like to read your stories and see the photos. We promise to take good care of material.

AND IN THE same vein, we'd like to extend an invitation to one and who made black and white snapshots during our snow storm to bring them in to when you get 'em back from the finisher. We'll select the best and run 'em with your credit line and that way, we can all have a record of the big snow of '73, 100 years from now. Okay?

PROVING YOU never know who you'll meet at the newspaper office -- tellable now, only after many months: A sharply-dressed individual visiting in our offices, buying advertising space, casually as you please, volunteered that he "formerly" was a jewel thief operating in Acapulco, Mexico. Taken aback, of course, our first impulse was to interview him, but we didn't.

### FOR YOUR CALENDAR

The next Game Day at Lone Cedar Country Club will be Friday, February 2, at 10 a.m. Mrs. Frances Drienhoffer of Ranger, is chairman of the event. Further announcements will be made later. Bernice Stephen, Publicity Chairman, reports.

A lady who prides herself on her immaculate housekeeping was horrified when she saw a mouse run across the floor. Calling her son she said, "I want you to go right down to the hardware store and buy some mousetraps. But, for goodness sake, don't tell anyone what they're for."

#### WEATHER REPORT

Clear and warming Sunday with high expected to be in the mid 60's.

Moe: "Only one of them. When my mother used to comb my hair, I wished I didn't have any."

# 100th Birthday Party Getting Underway

Eastland County Centennial Corporation is a reality and is flying!

That's the official word following the first director's meeting, held Friday, following official incorporation by Secretary of State Bb Bullock. The charter for Eastland County's non-profit

celebration is dated Dec. 18, 1972, and marks the initial point for staging the elaborate event.

Meeting at mid-morning at Eastland National Bank, directors elected the corporate officers as follows: Grover Hallmark, president; H. V. O'Brien, vice president; Tommy Wafford, secretary;

and Wendell Armstrong, treasurer.

Monroe Rollins, executive director and general chairman, reports most committee slots filled and plans developing for the spectacular celebration which will climax in May. Volunteer workers are busy with all kinds of plans.

Good participation is already evident in every area of the county, with increased activity anticipated as the period draws nearer, the Advisory Committee reports. County Judge Scott Bailey is chairman and each mayor in the county makes up the Advisory Board. They are: Check Smith, Gorman, C. M. Carroll, Rising Star; W. J. Van Bibber, Ranger; Doug Fry, Cisco; Durel Reid, Eastland; D. D. Sandlin, Carbon; Jim Everret, Olden; and L. E. Clark, Desdemona.

Publicity Chairman Carl Garrett asks that it be reported that the staging of the 100th birthday celebration will not require an assessment of any kind, and added, "We'll certainly be making a plea for participation by everyone in the county." Financing will be through the sale of an attractive, multi-color Souvenir Stock Certificates (to be available immediately by volunteer workers); sale of souvenir items; and the spectaculars to be presented in May.

"Cold? . . . you better believe it!"

## Weather Gives Eastland A 'Little' Chill

Sunshine!

That wonderful blessing so popular to this area came back and was greeted on all counts.

To prove that there's other kinds of weather too, Eastland County slept under a blanket of clouds for nearly a week, with the sun hidden from view.

Then after days of misery, the prettiest sun you ever saw came through on riday morning, raising temperatures and ready to do battle with the frozen snow and ice that capped this entire area.

But before the sunshine, there was that other kind of weather. A total of five inches of now Wednesday night and Thursday morning, closing schools Thursday and Friday.

And then the temperature really took a nose dive Thursday night -- plunging to a low of minus six degrees.

The Friday sun gave evidence of taking care of that too -- as the mercury began a climb.

The five inches of snow equalled 47 of an inch of moisture for the area, and a "little" thawing Thursday, only turned to harder ice Thursday night.

The minus-six degrees was the lowest recorded since January of 1959 when the same reading made the charts.

Old-timers remember that in '27, there were at least three days of minus-four degrees, and accompanied by a strong wind, conditions froze Lake Eastland and not just a few recall to a bit of skating there.

One local remembers that Eastland had "two feet of snow" back in 1926. Official records are spotted that far back, and hark mostly to memories.

A report came Friday

## Methodists Re-Set Program

The family get-together "Covered Dish" supper and program that was scheduled for last Sunday night at the First United Methodist Church in Eastland has been re-scheduled for Sunday night, Jan. 14 at 6:00 p.m. All members and interested persons are invited to bring something to eat and meet at the church fellowship hall in time to begin eating at 6:00 p.m.

Following the fellowship meal, there will be gospel singing, and a devotional message by Mrs. Roy (Gay) Mitchell.

morning from Lake Cisco, where Gerald Makepiece reports that "It's so cold, cold, the geese are vacating Texas." He reports having seen a flock of some 600 or so flying north Friday morning.

Mr. Makepiece hadn't had a chance to test the thickness or the extent of freezing, but reported that the lake was showing signs of being frozen over. He said that mud-hens and a few ducks were being exasperated when they landed on the lake and found it to be frozen. There was a lot of sliding around, he said.

Sliding too, were motorists who made the mistake of making quick decisions. Driving momentum pretty well depended on SLOW, deliberate, planned directions without snap changes in plans. There were no reports of serious mishaps, but hundreds of un-

## Schools To Be Resumed Monday

Monday will be used to make up one of the four days of instruction missed so far this year due to inclement weather. State law requires that schools be in operation for one hundred and eighty days each year, with teachers on duty an additional ten days preparing for the opening and closing of the school terms.

### Kindergarten

The Open Kindergarten will be open Monday, January 15. Notes had been sent to parents earlier stating the kindergarten would be closed Monday. Parents, please disregard this note. If the weather permits, Green Kindergarten will be open Monday.

# Garner Altom Elected To Hospital Academy

The American Academy of Medical Administrators has announced that Garner H. Altom, administrator of Collingsworth General

Rev. Marsh Family Return Home

Rev. Robert W. Marsh and family are now back at home at 206 W. Bruckett. From Sept. 9 to Dec. 15 they resided in Richmond, Virginia where he was enrolled in the fall term at Union Theological Seminary. Rev. Marsh is the pastor of the Presbyterian churches in Eastland and Cisco.

Grandchildren aren't the only ones that like to play in the snow. Mrs. Bill Hallmark of 109 E. Lens just finished making her first snowman. She is the grandmother of 5.

Hospital, at Wellington, has been elected a member.

This honor is conferred on those whose special qualifications in medical administration merit such recognition, pointed out Dr. Louis M. Barber, president of the Academy. The academy is an international professional society, which has among its aims encouraging and fostering a scientific approach to the practice of medical administration; to provide a means of intercommunication; to promote, conduct and foster educational courses in this specialty; establish and maintain a criterion of competency for those engaged in this profession; and to provide for recognition by means of fellowships, scholarships, and grants to those who are doing

noteworthy service in this endeavor.

Mr. Altom, son of Mr. and Mrs. Edgar Altom, of Eastland, will receive his certificate and credentials at the Academy's convocation ceremony in Chicago, Illinois, Aug. 20, 1973.

Mr. Altom became hospital administrator here when ownership passed from the Dominican Order of the Catholic Church to the Collingsworth County Hospital District, coming in Feb. 1972.

His work in hospital administration came initially while he was in the armed forces during World War II, but he did not enter the field professionally until Feb. 1968, when he became assistant administrator of the 120-bed Highland General Hospital in Pampa with the satellite

hospital in McLean. He held this position until he came to Wellington.

Between 1946 and 1948, he was associated with food, brokerage companies and grocery stores at San Antonio, Eastland and other West Texas towns.

He then joined Humble Pipe Line Company and advanced through several job categories, at Cisco, Pampa, Midland, also Raceland and Grand Isle, Louisiana.

Reared at Cisco, he attended Cisco Junior College, Draughon's Business College, and various seminars conducted by Humble.

His wife, Mary Elizabeth, is a licensed vocational nurse, and was employed as nurse to Dr. Frank Kelley in the Kelley-Laycock Clinic.

## Tickets On Sale For Annual Chamber Of Commerce Banquet

Tickets for the annual Eastland Chamber of Commerce Golden Deeds Award Banquet to be held Tuesday, Jan. 23, are now on sale.

The banquet will feature Texas Highway Commission Chairman Charles Simons as guest speaker.

To be catered by Godbey's of

Fl. Worth, the banquet tickets are \$3.50 each, and the event will begin at 7 p.m.

Tickets are available from

Emmett Lasater, Advance ticket sales chairman, and these: Monroe Rollins, Don Baird, Dale Bakker, Don

Martin, Wade Freeman, and CoC President Marcus O'Dell, and at the Chamber office on S. Seaman St.

## Revenue Sharing Funds - Some Mistake?

Getting the revenue-sharing figures "straightened out" could mean the difference in a bond issue for the City of Eastland.

That's the appearance as the new year begins and as speculations are made for many projects in progress and in plans for the City.

For some reason, Eastland received only \$7,700 in its first "first-half" revenue-sharing check, and has recently received about the same amount, less five per cent, for the remaining half of retroactive 1972, City Manager Lewis Tiner reports.

Neighboring towns received upwards of between \$30,000 and \$40,000 for the year 1972. It's

generally assumed that there must be some error in the Eastland calculations, so letters of inquiry have gone from here, in hopes that these figures might be rectified.

With the possibility of getting additional revenue-sharing funds, the City could probably handle the multitude of projects. But if the additional federal funds aren't forthcoming, then it could be necessary for the City to go to the voters to ask for an issue to help defray the costs of the sewer lines, water lines, developments including Park Hill, which most agree are badly needed items.

Present operating expenses

and short-term debt avenues might seriously deter the City at this time, when building and expansion appear to be the order of the day.

Word is hoped for soon on the additional federal money.

## \$25,000 Fire

A fire of undetermined origin destroyed the building housing the office of Fambro Gate Co. in Cisco Tuesday after causing \$25,000 worth of damage.

Owner A. P. Fambro said, however, that the main building where the gates are manufactured was not damaged. Fambro said production would not be affected by the fire.

Firemen were summoned to the scene at 12:25 p.m. when one of the firm's employees, Buc Gray of Eastland noticed smoke coming from the office area. The Cisco Fire Department had the blaze under control by 1:15 p.m.

Fambro said Gray was given oxygen at the scene after suffering smoke inhalation.

He said a new Airstream travel trailer valued at \$15,000 was destroyed. In addition, he said all office equipment, company records and lumber, and other building materials stacked inside the 1,800 sq. ft. structure were destroyed.

"We are at a complete loss as to what could have started the fire. We had electric and gas heaters running in the office area as we always do in cold weather," Fambro said.

Cisco Fire Marshall, C. R. Hightower, said firemen were temporarily hampered by a 1/2 inch of solid ice on the dirt road leading up to the office.

## Bible Class To Begin Jan. 16

Bro. Gary Adams will again be teacher of the class. He emphasized the fact that this is an especially good course for Bible Study teachers or Sunday School teachers.

Many people from the surrounding cities have indicated intentions of spring enrollment.

Why not take advantage of this free course of basic Bible Study in any Academic setting.

All are cordially invited to enroll next Tues. Jan. 16 and be ready for the first class meeting from 7 till 9 1/2.

## Donald Webb Sr. On Dean's Roll

Donald Ray Webb Sr. of Eastland, a student at Angelo State University in San Angelo, is listed on the Dean's Honor Roll for the fall semester at the University.

Webb is listed on the 3.00 to 3.49 honor roll.

The couple is active in the First Baptist Church, of which he is a deacon. He also is a director of the Chamber of Commerce and member of Kiwanis.

The couple has two sons, one director of religious activities at the Presidio, San Francisco, and pastor of a Baptist Church there, while their other son is with Balfour Taylor of Austin.

## Eastland Officials Given Pay Raise

Eastland County Commissioners Court in its regular meeting Monday granted an across the board raise to all elected officials and fulltime employees.

County Judge Scott Bailey said the 5 1/2 percent increase in salaries would be retroactive to Jan. 1 and will appear on the next pay checks.

In other action Judge Bailey drew three names at random from a total of 24 names of Eastland County citizens who had served on grand juries in 1972. The persons will become

new members of the salary grievance committee as required by state law which became effective Jan. 1, 1972.

New members of the committee will be Jack Germany of Eastland; Mitchell Campbell of Lake Leon; and Jim Everett of Olden. They will replace Gus Frossard of Gorman; Nolan DeFord of Eastland; and Howard Gilgert of Carbon.

Purpose of the committee according to law is to hear an appeal from any county employe who feels his salary is not equitable. Judge Bailey said

that during the term of office of the previous committee no complaints were heard.

In addition to the three citizen members other members include the county judge who acts as chairman of the group with no voting power; the district attorney; sheriff; county clerk; district clerk; county treasurer; and tax assessor-collector.

By Janet Thomas County Home Demonstration Agent

January is the time to make resolutions for the new year! What could be a better resolution than to "learn new and better ways to do things". This resolution may be accomplished by joining a home demonstration club, states Mrs. Janet Thomas, County Extension Agent.

Home Demonstration Clubs offer an opportunity for the homemaker to learn the latest information about home and family life.

Anyone may join a club. There are seven Home Demonstration Clubs now in Eastland County. Membership is open to anyone interested in learning more about homemaking.

Home Demonstration Clubs are sponsored by the Agricultural Extension Service which began as educational groups for rural families, but today their membership is primarily made up of urban women.

Home Demonstration Clubs began around 1920 primarily to teach women homemaking skills such as canning and sewing.

Today's course of study still reflects the H.D. Club creed "We believe in the sanctity of the home", but is indicative of the complexity of today's

living; family stability, family housing, consumer competence and protection, family health and protection, family clothing, and community services.

Mrs. Thomas, formerly County Home Demonstration Agent who now goes by the title of County Extension Agent, meet with each of the clubs 4 times a year and presents the program. Each month she trains the club program leaders are such programs topics as: food labeling and packaging laws fads and fallacies, new

fabrics care choosing and making your own home cleaning products, or hints on home repair and construction materials.

The Extension Service also sponsors short courses, workshops, special meetings, and tours where homemaker can learn up-to-date information.

If you'd like to get the latest information on homemaking, join a Home Demonstration Club. For more information call Mrs. Janet Thomas, at the local Extension Office: 629-1729.

## Crescendo Of Pleasant Sounds

On January 3rd at 3:30 p.m. the Music Study Club of Eastland met on regular meeting date in the hospitable home of first Vice President Mrs. Durel Reid at 1203 South Seaman. Guest were ushered into a house heated by an open fire which gave out a most cheerful atmosphere. After registering, guests were shown into the dining room where they were served delicious hot coffee and special blend tea poured by Mrs. Joseph M. Perkins and everything that went with it in the way of sweets from a lovely appointed table of sterling and china. President Mrs. Virginia W.

Russell presided and presented Mrs. Elizabeth Isbell Vaught. She was the leader for the lesson and gave the project of Eastland Music Study Club for the 1972-73 year. To show the community that Bach's Baroque music has influenced our contemporary composers and enriched our lives. She gave the quotation from the Junior Pledge to Music - "Acquaintance with great music installs a love of that which brings courage and lofty ideas and tends toward clean noble living".

## Around The Home At Eastland Manor, Inc.

After celebrating a bang-up Christmas complete with a visit from Santa, and seeing the new year in, our residents are now ready for a new beginning in a brand new year - 1973. After Mrs. Minnie Williams celebrated her 102nd birthday in December, this has given us all a new outlook on life. My, some of us have just begun to live. And how wonderful it would be to live so long and be as healthy as Mrs. Williams.

Two new residents have been admitted this year. Mrs. Sarah

Shaffer and Mrs. Amanda Morris.

We have two residents in the hospital now. Mrs. Nettie Marshall and Mrs. Lena Hageman. Miss Jo Gray has just returned from a short hospital stay.

The snow has certainly been a great conversation piece lately. Seems as if some here have seen worse times but it's been awhile. Maria Gutierrez, a resident, sure would like to have made a snow man, but it was just too cold to stay out that long.

## Course Of Study On Social Problems

The West Cross Timbers Council for Health Resources Development through the assistance of the Department of Social Sciences at Tarleton State College will present a course of study on Social Problems - Gerontology for the spring semester.

Mrs. Verna Hancock, Coordinator for WCTC, said that it will be primarily for personnel in hospitals and nursing homes in the 8-county council. Counties in the council are Erath, Hood, Comanche, Hamilton, Bosque, Eastland, Mills, and Somervell.

The course will be held from 3:30 p.m. to 6:30 p.m. each Wednesday beginning January 17.

Tarleton faculty members who will be acting as consultants are Dr. Jack M. Murray and Mrs. Mary Sue Staig, both assistant professors of social sciences. Also members of the staff of North Texas State University will act as consultants.

Mrs. Hancock announced WCTC personnel may enroll in the course for academic credit or audit the course for continuing education.

Montgomery - Rout and Prichard. Mrs. Frost directed and Mrs. Rossander was the pianist.

A piano concert was given by Becky Hanna - Gavotte (Suite no. 5 by J. S. Bach.) Claire de Lune - Pam Thompson, Ave Marie by Shirley Thompson. Melody in F by Becky Thompson.

Committees and officer's report were given and all unfinished business completed. Hostesses assisting Mrs. Reid were: Mmes. T. E. Richardson, Joe Stephen and Miss Van Hoore.

The meeting ended with a special brief concert of requested piano numbers performed by Mrs. Doyle Hoover. Members present: Mmes. C. L. Bigby, Mike Collins, Jack W. Frost, Robert Hodge, Doyle Hoover, Marene Johnson-Johnson, Joseph M. Perkins, Grady Pipkin, Durel Reid, Gene V. Rhodes, Floyd Robertson, Richard Rossander, Virginia W. Russell, Joe Stephen, Elizabeth Isbell Vaught and Miss Van Hoose. Guest artists Misses Becky Hanna, Becky Thompson, Pam Thompson, Shirley Thompson and mothers of the performing artists, Mrs. Margaret Hanna and Mrs. Howard Thompson.

The employees are beginning to wonder if this weather is going to clear up. It seems several are bringing the "overnight bag" just in case - and sure enough, some have had to stay over because of ice or snow.

Residents celebrating birthdays in January will be honored with a party Thursday, Jan. 18, 1973 at 2:30 p.m. Everyone is welcome to attend

## USDA Announces Eliminations

On December 29, 1972, the U. S. Department of Agriculture announced that the R.E.A. electric and telephone 2 percent direct loan programs are being eliminated, to be replaced by credit from private sources insured and guaranteed by the government. These loans will be at a 5 percent rate - 2 1/2 times the present cost.

Bill Parks, Manager of the Comanche County Electric Cooperative, reports that their annual loan needs are approximately \$350,000 now, and so over a period of a few years, the increased interest cost will become an important factor in operating costs. This, along with increased wholesale power costs, will sooner or later, mean higher retail rates.

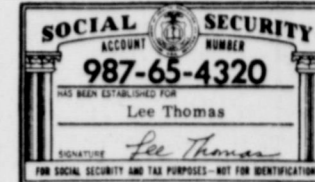

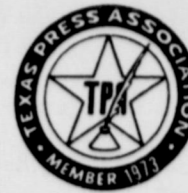

It is too early as yet to predict the final outcome of these steps. There is a sense of real concern among rural and farm leaders and much planning and discussion is taking place in an effort to arrive at the best approach to solving the problems and to possibly securing reconsideration on the part of the administration.

Rural Electric leaders feel that more consideration should be given to restoring the 2 percent loan funds, because of the fact that the Cooperatives still provide service to new homes anywhere in their territories at standard rates. The Co-ops have been com-

plimented many times for the part they have played in developing rural America, enabling rural residents to have first class living conditions, and contributing heavily to our food production capabilities.

The problems of bringing electricity to the rural areas at approximately the same prices as urban areas are already quite heavy and this change would add another - making some Co-op's operations almost impossible.

Dear friends,

Here is a quotation from Gladstone which deserves to be republished:  
"Show me the manner in which a nation or community cares for its dead, and I will measure with mathematical exactness the tender sympathies of its people, their respect for the laws of their land, and their loyalty to high ideals." Under that test, America should stand high.

## Texas' Three Top Officials

Texas' three top officials - Gov. Dolph Briscoe, Lt. Gov. Bill Hobby and House Speaker Price Daniel Jr. - will keynote the Texas Press Association's Mid-Winter Meeting Jan. 26 and 27 at the Dallas Marriott Hotel in Dallas. Don Coppedge, publisher of the Waxahachie Daily Light and president of the Association, said a full program of speeches, panels, luncheons, reception and entertainment will round out this 26th annual Mid-Winter Meeting.

Governor Briscoe is slated to make the main address at a luncheon on Sat. Jan. 27, while Lieutenant Governor Hobby will speak at the Friday, Jan. 26, luncheon. Speaker Daniel is scheduled Saturday morning. A highlight of the program will be a Saturday morning breakfast for Texas congressmen who will discuss problems before the national lawmakers. The delegation will be headed by U. S. Senator Lloyd Bentsen.

Texas House and Senate leaders will present a "Legislative Report" on Saturday morning. This will include information on the Shield Bill, Open Meetings Law and Open Records Bill in which newsmen of the state are vitally interested.

Among notables on the program will be T. C. Root Jr., vice president of public service, Texas Power and Light Company, Dallas, speaking on "Nuclear Energy Comes to Texas"; and former Texas Chief Justice Robert Calvert, who will speak on "Judicial Reform in Texas."

In addition, there will be a panel on the present and future of journalism education in Texas presented by members of the Texas Journalism Educators Council, headed by Dr. Wayne Danielson, University of Texas, Austin; and Dr. Billy I. Ross, Texas Tech University, Lubbock. Dr. DeWitt Reddick, University of Texas, Austin, will present the annual Lady

Bird Johnson Beautification Awards to newspapers during the meeting.

Entertainment for the three-day program features a tour of the Dallas Ft. Worth International Airport, a style show and an annual reception hosted by Ted Read, Licensed Beverage Distributors, Austin, and Stan Logan, Licensed Beverage Industries.

Among special events will be the awarding of door prizes.

Registration actually gets underway on Thursday, Jan. 25, at 2 p.m. and begins both Friday and Saturday at 7 a.m.

TPA has scheduled a board meeting for 7 p.m. on Thursday evening.

**Farmers Union Continues Fight For FHA Loan Program**

The Farmers Union today continued its fight to save the Farmers Home Administration's emergency loan program in 243 Texas counties. Jay Naman, state president of the farm group, announced that he has written the White House urging that the federal government "live up to its promise to farmers that the program would continue through June 30, 1973."

Naman said, "We applaud the reversal announced by President Nixon and Secretary Butz in honoring those applications for emergency loans which had been filed in the county office prior to December 27 but which had not been processed by the Temple office; however, we still believe that there are hundreds if not thousands of farmers who had not filed for emergency loans which have been deprived of their rights and guarantees by these broken promises."

The Administration announced December 27 that it was suspending the Farmers Home Administration emergency program in 243 Texas counties. "I do not know what the exact number is but there are still farmers who will be excluded from the program. Some of them were advised to wait until after the first of the year or after completion of harvest operations to file because of the heavy load of applications in

county Farmers Home Administration offices. There was absolutely no warning given that the program would be cut off six months before the promised date," Naman said. Naman said that he thinks that the suspension has created an "alarming feeling of mistrust" of the federal government among farmers. "In a democracy like ours, people ought to be able to trust what the government says as well as what is put in writing," Naman said.

**Evangelism Conference To Be Held Jan. 29**

Delegations from 57 churches of the Baptist Double Mountain Area are expected in Haskell on Monday, Jan. 29 for an Area-Wide Evangelism Conference to be held in First Baptist Church.

The afternoon session will begin at 2:00 p.m. and evening session to start at 7:00. Theme for the conference is "The Church Alive".

# Snow Time In Eastland

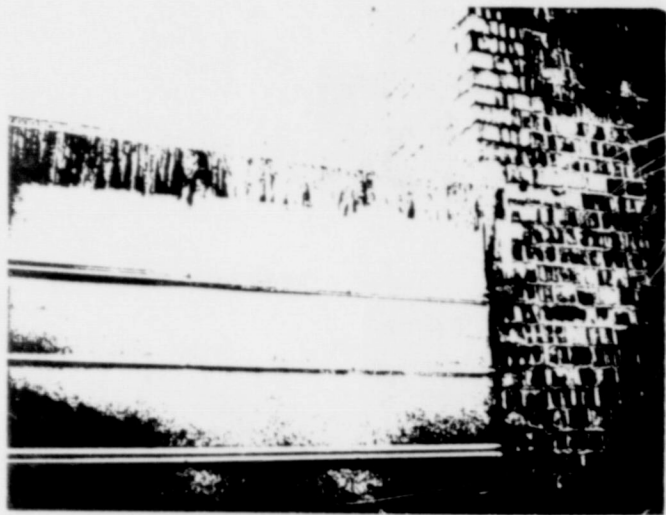

Snow Covered Courthouse

5 Foot Icicles

SNOW-TIME IS SKI-TIME -- Yes, but water skis? It's making little difference to these young men who are thoroughly enjoying a day from school, in the cold, and the exhilarating feeling of flying across frozen streets. On the machine is Tom Crowder and Brother Doug Crowder is on the skis. Others shown from right are Darren Willoughby, David Livingston, Earl Bulet, Brent Cogburn and Mike Bullock.

The above picture that graphically depicts Eastland's unusual snowfall Wednesday night and early Thursday morning, belongs to the Dabney family, 605 S. Seaman St. James Dabney, who took the picture, says he used existing light from a Mercury Vap or guard light nearby, using Tri-X film, f-22, with a 6 second exposure. Dabney said he noticed the can as he was on his way to read U. S. Weather Bureau instruments just before 7 a.m., Thursday.
