

Eastland  
Chamber of Commerce  
Banquet  
Friday, June 5  
"You all come!"

## TidBits

By H.V.G.

You'll want to remember that Monday and Tuesday now working for the Wichita voting for Saurday's run-off primary. There had been 54 absentee votes at 5 p. m. Friday.

Along with Saturday morning's damp, cool weather came young Larry Goldston, son of the Gordon Goldstons, former Eastland residents. Larry is now working for the Wichita Falls Times as a reporter and is going to Midwestern University. He was a right arm at the Telegram when his family lived here, before moving to Idabel, Okla. He would be here for the weekend and for the local graduation, but he had to get back Sunday to go to work.

Can't help but add that we're mighty proud of Larry.

The Ladies Auxiliary of the Carl and Boyd Tanner Post have asked us to express their thanks to the people of Eastland County for the help received in making their recent Buddy Poppy Sale a success.

The capping of the vocational nursing students of Cisco Junior College will be Monday, June 1, at 8 p. m. at the college auditorium. Dr. Luther Golke of Ranger will be the speaker. Hospitals participating in this nursing program will cap their nurses. Eastland Memorial Hospital has six nurses to be capped. The public is invited.

The chamber has 42 new members President James Smith reported at the board meet Thursday, and these will be special honorees at the Chamber Banquet Friday evening. If you don't have your tickets yet, better make haste. It's to be a real fun evening they say (Folk Philosopher Bob Murphey of Nacogdoches (Bernard Hanna's hometown will be speaker.) Ten outstanding citizens to be honored, as well as school students from the four high school grades. Cecil Colings will introduce the guest speaker, contrary to what early press releases have announced. There'll be door prizes and decorations from Romco, so don't forget—Friday 8 p. m. at Lone Cedar Country Club. "Sell yourself on Eastland, then you can sell Eastland."

R. M. Sneed of Eastland has purchased an Aberdeen-Angus bull from Jesse L. Gamrett of Cisco, the AA Association reports. Texas Employment reports wheat and other small grain in good condition in our county. Harvest to begin about June 1—that's Monday. What happened to May, or April for that matter.

Don't forget when you read the stock reports and see Texas Industries Inc., listed on the New York Stock Exchange that means our own local hay-dite plant—Texas Lightweigh Aggregate, a division of Texas Industries. The ticker symbol will be TXI... which reminds, Charles Martin, local manager, tells us that even the auditors don't question the scratch-pad figures on the amount of stock-piled kiln-dryers when Resident Engineer Buddy Haun's name is affixed there unto. Hadn't thought about it, but bet it is a job to inventory assorted piles of rock, etc.

Mr. Guy Parker, chairman of the Eastland County Savings Bond committee reports that Series E and H Savings Bond sales totaled \$34,794 in months in 1964 were \$138,433 and 31.4 per cent of year's goal has been reached. Eastland is fourth in the district behind Taylor, Nolan and Jones counties.

## EHS Student and Teacher Will Attend 3-Day Nuclear Symposium

One student and a teacher from Eastland High School will attend the fourth Texas Nuclear Science Symposium at the University of Texas June 7-10, under the sponsorship of Texas Electric Service

Company, it was announced today by F. N. Sayre, Division Manager.

The student is Verrell Dean Boen, 307 South Oak. He will be accompanied by K. J. Norris, member of the school faculty and science teacher.

The symposium is being jointly sponsored by the Texas Atomic Energy Research Foundation and the University of Texas. The Foundation is made up of ten investor-owned electric utility companies in Texas, including Texas Electric Service Company. Some 500 selected high school science students and teachers will attend the sessions in Austin, at which some of the nations outstanding nuclear scientists will speak. The Foundation, which is co-sponsoring with the General Atomic Division of General Dynamics Corporation, the world's largest privately-financed research effort in the field of controlled nuclear fusion, is also seeking, through its sponsorship of science symposiums, to contribute to scientific education and understanding in Texas.

## Victor Hotel To Be Sold In Public Auction Tuesday

A foreclosure sale has been ordered for 2:30 p.m. Tuesday June 2, to sell the Victor Hotel in Cisco at public auction. The sale will be held in the hotel and J. O. Lawlis Associates auctioneers, will conduct the sale under the direction of Sheriff Lee Horn.

The foreclosure suit was brought in 91st District Court in April to satisfy a judgment in the amount of \$43,102. It was in March, 1927, that a group of Cisco business men held the first meeting that resulted eventually in the hotel being erected here in 1928. The brick building contains eight stories and 105 rooms, all with private baths. The building has a 115 foot front and three dining areas, each air conditioned by refrigeration. The hotel has never been closed, although it has had five separate owners.

Victor Cornelius of Eastland has spent some \$90,000 in remodeling the hotel since he first bought it in 1949. He sold it last year. Under terms of the auction sale, the building will go for cash to the highest bidder. Cisco civic leaders have expressed the hope that the hotel will be sold and continued in operation.

Mrs. J. L. Brashears returned home Wednesday after visiting her daughters and family, Mr. and Mrs. R. B. Dawson of Tulia and Mrs. Joe Niverson of Pampa and her son and family, Mr. and Mrs. B. M. Brashears of Sandeford. She also visited her grandson, R. B. Dawson, Jr. of Tulia. Also while there she joined in the celebration of her brother-in-law's, Cap Wylie, 90th birthday.

Convenient? Yes, indeed! Drive-In Banking Facilities at Eastland National Bank

Company, it was announced today by F. N. Sayre, Division Manager. The student is Verrell Dean Boen, 307 South Oak. He will be accompanied by K. J. Norris, member of the school faculty and science teacher.

The symposium is being jointly sponsored by the Texas Atomic Energy Research Foundation and the University of Texas. The Foundation is made up of ten investor-owned electric utility companies in Texas, including Texas Electric Service Company. Some 500 selected high school science students and teachers will attend the sessions in Austin, at which some of the nations outstanding nuclear scientists will speak. The Foundation, which is co-sponsoring with the General Atomic Division of General Dynamics Corporation, the world's largest privately-financed research effort in the field of controlled nuclear fusion, is also seeking, through its sponsorship of science symposiums, to contribute to scientific education and understanding in Texas.

The meetings seek to bring to high school science students and teachers of Texas lectures on nuclear physics and related topics by outstanding scientists, and to provide the students with an opportunity to obtain answers to their questions on scientific careers and college curricula.

Speakers at this year's symposium will include two General Atomic scientists from San Diego, California: Dr. Frederic de Hoffman, president of General Atomic, and Dr. W. E. Drummond, theoretical physicist.

Other speakers will include: Dr. B. H. Almstead, professor of mechanical engineering, Dr. J. D. Gavenda, associate professor of physics, and Dr. W. T. Guy, Jr., professor of mathematics, all of the University of Texas; Dr. H. C. Thomas, chairman of the physics department at Texas Technological College, Dr. W. O. Milligan, vice-chancellor University, Dr. J. A. McIntire, professor of physics at Texas A&M University, and Howard R. Drew, executive vice-president of the Texas Atomic Energy Research Foundation.

Topics to be covered during the three-day session will include nuclear physics and nuclear reactors, thermonuclear fusion research, superconductivity, the wave nature of matter, cyclotrons and X-ray, electron and neutron diffraction methods. There will also be group discussion sessions and a tour of laboratory facilities at the University.

TCU GRADUATE — Otis Green, Eastland High School graduate and son of Mrs. Fern Green, received the bachelor of Science Degree in Physical Education at Texas Christian University commencement exercises Wednesday evening. Attending the ceremony in addition to his mother were his grandfather, Rev. Asa Hoskins and his sister Mrs. Charles Chaney of Bangs. Otis will teach or do graduate work in the fall.

## Lions Lose Their First

Roger Berry, led the Major Medics past the mighty Lions for their first loss of the season, Thursday night.

Darrel Thomas, Royce Miller and Randall Keller counted four bases each. Roger Berry won the honor of the winning pitcher and Grady Gregory was losing hurler. That same night Mickey Gaeta led the Major Comets past the Major Bulldogs 8-5. Stacy Roberts hit the only home run of the game for the Bulldogs. Mickey Gaeta was winning pitcher and Randy Lowrance, loser.

Monday night diamond dust flew and when it settled Craig Lund had led Major Comets past the Major Medics 12-5. Craig Lund was winning pitcher, Randall Treadwell losing. The same night, the Major Lions won over the Major Bulldogs 7-4 Grady Gregory winning hurler with Kenny Wilson losing.

## Students To Get Report Cards June 2

Junior High School and High School students will return to their respective schools at 1 p.m. Tuesday, June 2nd to receive their report cards, according to an announcement by Superintendent Wendell Seibert.

South Ward and West Ward students received their report cards Friday, May 29th, at the close of the last day of school.

## Eastland's New Industrial Foundation And How It Grows -- A Story in Parts

(ED. NOTE: This is the first in a series of articles about Eastland's new industrial foundation corporation. The articles will explain the formation, purpose and scope of the foundation.)

The Eastland Industrial Foundation, Inc., a perpetual nonprofit corporation, has been incorporated by the State of Texas for this purpose.

"To promote industrial development for the City of Eastland and its trade territory" — Article Four of the Incorporation. The foundation will be able to conduct such business as executing leases, purchasing land, making notes and other necessary legal maneuvers in order to accomplish its purpose.

Founding directors are Virgil Seaberry Jr., M. H. Perry, Milton Fullen, Frank Sayre and H. T. Wilson. These men will serve until the first regular business meeting in September. Wilson has been elected temporary president; Mr. Sayre, secretary and treasurer; and Perry and Fullen, vice presidents.

First business to be conducted by the foundation will be the purchase of the Hollywood-Vassarette building, the arrangements for which are expected to be completed about the first of June. The Eastland Chamber of

Commerce originally held the option to buy the building for \$30,000. The chamber, by official action, assigned that option and the liability to satisfy its certificate holders to the Foundation. The opportunity to purchase the facilities presented itself 29 months early, and the Foundation is attempting to secure ownership as assets for further industrial use.

In the past the industrial committee of the chamber has been responsible for industrial expansion, but it is felt that the Foundation, working with the committee, the chamber and Eastland people in general will be able to handle business dealings regarding establishment of industry here. It will still be the business of all parties to encourage industrial prospects and to make every move possible

## BREAD of Life

Your adversary the devil, as a roaring lion walketh about, seeking whom he may devour. — 1 Peter 5:8.

Satan is to be dreaded as a lion; More to be dreaded as a serpent; And most to be dreaded as an angel.

to get industry to locate here. The Foundation will have the responsibility of handling the "dollars and cents" business arrangements.

In the past, the theory has generally been, "We can raise the funds for sites and/or buildings when the opportunity comes." Today, the thinking is that it will be better to be prepared in advance, with a functioning organization with assets and tools to negotiate with prospective industry for the city and area.

Shareholders in the Foundation will have one vote per \$100 worth of stock, or multiple thereof. Since it is a nonprofit, tax-exempt corporation, no shareholder will ever receive any profit from its shares. Its articles spell out that in case the corporation is ever dissolved, any profits accrued will be donated and transferred to another nonprofit, tax-exempt corporation or organization in the County.

The foundation — approach has proven highly successful for towns and cities in helping industries locate and put men to work.

The foundation is proposing to pay \$39,000 for the Hollywood — Vassarette building. How it will do this, and other important financing points will be explained in the next article.

## Miss Lee Weds Lieut. Hornbeck In Double Ring Service Here May 23rd

Miss Camille Judith Lee and Lieutenant Jeffrey L. Hornbeck were united in marriage at 7:30 p. m. Saturday, May 23, in the First Baptist Church of Cisco.

Parents of the couple are Mr. and Mrs. O. L. Lee of Lake Road, Cisco, and Mr. and Mrs. Clarence E. Hornbeck of 4507 Central Avenue, Middletown, Ohio. The bride's grandparents are Mrs. R. P. Avinger of Ranger and Mr. and Mrs. Lewis Lee of Temple.

The impressive, double ring ceremony was performed by the Rev. Jesse E. Casle, pastor, before an altar flanked by

baskets of greenery and white gladioli and stock. Organist was Miss Mary Schmeltekopf of Kyle. The soloist, Miss Janet Sue Arrington, of Harlingen, read "How Do I Love Thee?"

Ray Pace of Waco was best man, and ushers were Bill Ray Lee, brother of the bride; Julian Pace of Bolivar, Mo.; Jimmy Jeffcoat and Ronnie Jack Hastings of Cisco.

The matron of honor, Mrs. Sondi Pace of Waco wore a beige silk sheath with matching shoes. Her short veil fell from a silk organza cabbage rose, and she carried a bouquet of yellow gladioli and

mums.

The bride's mother chose for the wedding a yellow lace dress with beige accessories, and the mother of the groom wore a pale green silk dress with white accessories.

Given in marriage by her father, the bride wore a three-piece suit of white silk brocade. The jacket was fastened with a flat bow and had three-quarter length sleeves. Her short veil fell from a white silk organza cabbage rose, and she carried a bouquet of white roses and a white orchid atop a white bride's Bible. She carried a blue handkerchief which her mother had carried in her wedding and wore a blue garter belonging to her matron of honor and a new penny in her shoe.

Immediately following the ceremony a reception was held in the Fellowship Hall of the church. The table was laid with net over a yellow cloth, centered with an arrangement of yellow and white gladioli and pom-pom mums flanked by yellow candles in crystal holders. Appointments were silver and crystal. The punch bowl and wedding cake completed the table arrangements.

Miss Cassandra Marshall of Abilene, cousin of the bride, presided at the guest book, and piano music was furnished by Miss Nancy Barron.

Members of the house party were Mrs. Julian Pace of Bolivar, Mo.; Misses Judy Sitton and Judy Kay Slaughter of Cisco; Misses Nancy Barron and Betty Routh Barron of Dallas; Miss Gwen Schutte of

Houston; Miss Mary Schmeltekopf of Kyle; Miss Carol Kinslow of Temple; and Miss Jan Arrington of Harlingen.

The bride is a 1961 graduate of Cisco High School. She was Sweetheart of the Cisco

Behind many "For Sale" signs there is a sad story: A family borrowed more than they could afford to pay for a home, or payments and interest rates were too high; the home had to be sold, often at a loss. This tragedy could often be avoided if the families would seek help from a home loan specialist, such as our Association.

We work with you to arrange for a loan that's as easy to handle as monthly rent.

# Jehovah Witness Ministry Active Here 22 Years

By EUGENE SIPE

Jehovah's Witnesses worldwide make up a society of ministers. There is no clergy and laity class. They are dedicated to the work of "Preaching the good news of God's Kingdom" in all the world as official notice to all the nations, that, with the ending of the "Gentile times" in 1914, Jehovah's kingdom has been established with Christ as king; that with the completion of the preaching work, the end will come for present world systems at the Bible Annageddon. Survivors of

that "great day of God the Almighty" will start life anew under the thousand year reign of Christ, during which time the earth will grow to Edenic perfection.

Throughout the earth Jehovah's Witnesses use many corporations. Their principle corporation is the Watchtower Bible and Tract Society Pennsylvania, USA. This corporation was set up in 1884 under the name of Zion's Watchtower Tract Society. This was changed to its present name in 1896. The corporation maintains a registered headquarters at Pittsburgh where its annual meetings are held. In 1909, the staff of the corporation was transferred to Brooklyn, N. Y.

The Watchtower Bible and Tract Society of Brooklyn is a non-profit organization. It supervises the Bible education and ministerial work of Jehovah's Witnesses in the United States. It sets up where ever necessary branch offices in foreign countries. It sends missionaries all over the world. These include the graduates of the Watchtower Bible School of Gilead, an institution owned and operated by the New York corporation.

In August, 1942, the Watchtower Society sent two of such missionaries, Mr. and Mrs. John Mack Winston, to Eastland. After six months of intensive ministerial service, a small congregation was organized.

Jehovah's Witnesses met in the home of Mrs. Zetye Parrack, of 209 Neblett until the Kingdom Hall was built in 1957. Located at 204 North

**JEHOVAH'S WITNESSES** — Local Jehovah's Witnesses built this Kingdom Hall in 1957. It is located at 24 North Dixie. They met for many years in the home of Mrs. Zetye Parrack before the local Kingdom Hall was constructed.

Dixie, it was valued at \$4,500. Dedicated male members are appointed by the Society to act as overseers. Newly appointed presiding overseer appointed by the Society is Eugene Sipe, who moved here in October of last year from Aztec, N. M.

The congregation meets Saturday and Sunday mornings for group witnessing, each one going forth to preach the message from door to door.

Jehovah's Witnesses conduct a regular schedule of five weekly classes in all their congregations. Their object is to develop each believer into a teacher. After a new student expresses his willingness he is assisted in practical field ministry.

"Since their beginning Jehovah's Witnesses have been a preaching fellowship," Sipe said, "the faith of each believing Christian in the organization is tested by his participation in the most important christian activity—the propagation of his faith."

"By plying this method," Sipe continued, "during the past 10 years the Witnesses have more than doubled their numbers throughout the world. Jehovah's Witnesses observe two ordinances. Baptism is by immersion, in the name of the Father, and of the Son, and of the Holy Spirit. It is an act of confession that he has dedicated himself to do the will of Jehovah God.

The Lord's death is commemorated once a year at Passover season.

Jehovah's Witnesses have no organizational objective similar to any orthodox church. The difference stems from a basic approach to the Bible. They see the Bible as a truly coherent story with its main theme being God's vindication by His chosen means. His Kingdom by Christ. To Jehovah's Witnesses the Bible reveals that originally God purposed to perform a great work, that it was interrupted by a challenger, that God set to work a strategy by which he could throw down the challenger, and bring to fulfillment His purposes. How God accomplishes this is what is

meant by His vindication. Jehovah must prove himself the supreme sovereign, winning universal domination after the rebellion in Eden. Individual salvation is secondary to God's vindication, being a means to that end.

The true God has a personal name to distinguish Him from all other false gods that are worshipped. That name is Jehovah. His first creation was his son, who was called the Word before coming to earth as a man. Jehovah's Witnesses therefore reject the doctrine of the Trinity.

After Adam sinned, he was sentenced, not to eternal torment, but to death. According to the scriptures, lower animals as well as man are

living souls. The soul that sins dies. For these reasons the Witnesses do not believe in the immortality of the human soul and eternal torment.

Jehovah's Witnesses do not believe that the Bible is only past history, but was written for this generation that will see the settlement of the great issue of universal domination for the vindication of Jehovah's great name and word.

There are three different types of paradise. The first earthly paradise was lost when Adam sinned. The next paradise Jesus mentioned to the repentant thief. This is the paradise under the Kingdom, which will be restored to the earth after Jehovah is victorious at the battle of Armageddon. A spiritual paradise was begun at Pentecost. Beginning with the twelve apostles. God has been selecting a "little flock" of 144,000 that will share heavenly life and rulership with Christ. Only a remnant of this heavenly class are on earth today. However, there are a "great multitude" of "other sheep" who will inherit the earth now coming into the New World Society of Jehovah's Witnesses.

Those who die faithful will have a resurrection to life in a paradise earth under perfect conditions. There will be no more Adamic death. The world's end is near. Christendom will be judged for looking toward the United Nations for peace instead of expecting God's kingdom as mankind's only hope for peace.

Mr. Sipe added, "briefly other beliefs of Jehovah's Witnesses are that Christ died, not on a cross, but on an upright stake. The earth will never be destroyed, just this wicked system of things. Prayers must be directed to Jehovah through Christ, the son. A christian can have no part in interfaith movements. The seventh-day sabbath observance was fulfilled with the old law covenant under Moses. Christians today keep every day a christian sabbath.

Consuming blood by mouth or veins would be breaking the everlasting covenant, concerning the sanctity of blood. All human laws that do not conflict with God's laws should be obeyed.

"Our purpose is to carry out the final work of preaching" this good news of the kingdom" that is to precede the final war of Armageddon, directing the people of goodwill to the kingdom of God as mankind's only hope," Mr. Sipe concluded.

## Olden WMO Honors Pastor With Retreat

The Womens Missionary Union of the Olden Baptist Church met Wednesday, May 20, for prayer retreat honoring their pastor Rev. Bruce Stovall.

The program opened with piano prelude by Mrs. Jim Thackerson. The meditation period was reading of scripture, and verse, by women of the church, alternating with a musical selection, which included specials "He Bought My Soul at Calvary", "Neath the Old Olive Tree", and "Follow Me", by Mr. Pete Rogers and Mrs. Jim Thackerson, and "Sweet Hour of Prayer", "Faith of Our Fathers", and "Glory to His Name", by the congregation.

The women who read in unison were Mmes. Jackson, Rogers, Griffin, Talley, White, Allmon, Butler, Warren, and Browning.

In the item of testimonies, several spoke on "What Prayer Means to Me", and the meeting closed with a season of prayer for phases of work including "Latin American Crusade — Jubilee Revivals", Mr. Carl Butler, Southern Baptist Convention, Our Nation, Mr. I. E. Talley, the local church and lost people in the community, Dessie Hooks, and the pastor led the closing prayer with special prayer for Hardin Simmons University and Hendricks Hospital.

Refreshments were served and an assortment of groceries, gifts from the whole church were presented to the pastor and family, with Mr. Travis Hilliard, making the presentation speech.

### Mrs. Ferguson Speaks On Infant X-Ray Value

Morton Valley Home Demonstration Club met Wednesday, May 27, in the Clubhouse at 2 p. m. Mrs. D. J. West led the opening exercises, motto, pledge and prayer.

Mrs. C. T. Brockman presided and the devotional was given by Mrs. M. V. Harrison.

Roll call was answered by 12 members, six members of the Flatwood Club and three visitors with "The Funniest Incident That Ever Happened To Me."

Mrs. Eureka Ferguson gave a very interesting talk on Infant X-ray Foundation. She is the founder of Eureka Infant X-ray Foundation. A non-profit organization, the goal of which is to provide all parents with information on the need for infant x-rays, and to also help pay for the x-ray of those who can not afford them.

Mrs. Ferguson launched her campaign when it was discovered that her granddaughter, Shere Lynn, could not walk without a waddle. After x-rays, it was learned that Shere Lynn's hips were completely out of socket. She was formed that way before birth, and would have to be operated on at once.

Stunned by the fateful news, Mrs. Ferguson subconsciously began laying the groundwork for her crusade. After several operations, the granddaughter is now walking with a limp. But if her grandmother's voice is heard perhaps other little boys and girls won't be subjected to Shere Lynn's ordeal.

Guests were Mrs. Ferguson of Abilene, her mother, Mrs. W. H. Drake of Eastland, and Mrs. H. L. Ferguson of Cisco; Flatwood members Mmes. Belah Turner, Lon Horn, Jack Lusk, J. A. Pogue, Fannie O'Brien, Clinton McCain, Guy Sherrill; members, Mmes. Alvin Kincaid, D. J. West, H. M. Sherman, Jeff Laughlin, C. T. Brockman, G. M. Hargus, Robert Kincaid, L. Hale Morris Miller, Joe Bond, E. L. Danley, M. V. Harrison, Becky Kincaid.

Mrs. Hale, and Mrs. Hargus, hostesses, served punch and cookies during the social hour.

### Huckabay-Boose Vows Read In Single Ring Ceremony Thursday

In a single ring ceremony read Thursday night in the First Methodist Church, Eastland, Miss Linda Kay Huckabay became the bride of Clyde Stanley Boose. The bride is the daughter of Mr. and Mrs. L. E. Huckabay of Eastland and the bridegroom is the son of Mr. and Mrs. Clyde Boose of Sweetwater.

Dr. Wm. T. Gibbles, University Christian Church, Austin, assisted by Rev. Ray Cameron, pastor of First Christian Church, Eastland, officiated at the 8 p. m. ceremony.

Vows were read before a background of candelabra flanked with baskets of white gladiolas and potted palms.

Charles Kiker, Abilene, organist and Carl L. Garrett, Eastland, soloist, presented the wedding music. Selections presented were "Because," "The Lord's Prayer," traditional "Bridal March", and "Wedding March."

Given in marriage by her father, the bride wore a dress of silk organza and alce. The fitted bodice featured lace panels in front and back that came to a point at the waistline. Sequins and seed pearls outlined the sabrina neckline. The full skirt was enhanced with two lace panels of Chantilly lace that fell from the waistline to within five inches of the hem, circling the skirt to a point in the back. At the point was a small organza bow. The dress also featured long sleeves coming to a point over the wrist, and a chapel train.

She wore a finger length tulle veil fastened to a crown of organza embroidered with seed pearls and sequins. The bridal bouquet was of white roses.

Matron of honor was Mrs. Glen P. Doss of Austin. bridesmaids were Miss Frances Lovell, McAllen, Miss Karen Knowles, Fort Worth, cousin of the bride; Miss Marilyn Huckabay, sister of the bride; Miss Norma True, Abilene, cousin of the bride.

All wore floor-length dresses of Romance blue peau de soie, designed with bell shaped skirts and fitted bodices worn with short sleeved jackets.
