The city has cut the street through to facilitate traffic flow to the new elementary building and the new gymnasium, alongside the old West Ward School, on Ostrum, "just over the hill." Behind many 'For Sale" signs there is a sad story: A family borrowed more than they could afford to pay for a home, or payments and interest rates were too high; the home had to be sold, often at a loss. This, tragedy could often be avoided if the families would seek help from a home loan specialist, such as our Association.
