Behind many "For Sale" signs there is a sad story: A family borrowed more than they could afford to pay for a home, or payments and interest rates were too high; the home had to be sold, often at a loss. This tragedy could often be avoided if the families would seek help from a home loan specialist, such as our Association.

We work with you to arrange for a loan that's as easy to handle as monthly rent.

For J. B. Williams

To the Voters of Eastland County:

I want to say that I have known J. B. Williams for over 20 years — both as a man and as an officer of the law. I believe he is the best qualified man for the office of the Sheriff of this county. I have worked with him on many cases, and I know he will do the job himself and not depend on someone else to go and make arrests for him.

I am voting for J. B. Williams, and I will appreciate your support and influence in his behalf in Saturday's (June 6th) runoff election.

> Sincerely yours J. J. HONEA

TO THE VOTERS OF PRECINCT ONE, **APPRECIATION**

Please allow me to express my heartfelt appreciation for the support you showed me in the First Primary and the encouragement you have given me during my campaign for the office of County Commissioner.

I have strived to conduct a clean and aboveboard campaign. At no time have I attempted to base my campaign on other than my own merits.

My opposition to a tax raise of any sort, my desire to see county affairs conducted on a sound financial basis, and my qualifications enable me to act as County Commissioner in the best interest of the taxpayers.

I earnestly ask for the consideration of those who did not support me in the First Primary and seek the continued help and influence of my supporters. If elected, I promise to fulfill the duties of my office in as fair a manner as possible and to the best of my abilities.

Sincerely,

BLACKWELL EARL

J. B. Williams Is The Man

For Sheriff

I deeply appreciate the confidence and friendship of those who supported me as a candidate for sheriff in the first Democratic primary election.

Since as an experienced law enforcement officer, I know him to be the best qualified candidate, I am supporting J. B. Williams for Sheriff in the runoff primary election on Saturday, June 6.

I respectfully urge my friends to consider his record and his qualifications and to vote for an experienced officer who will capably operate an active, aggressive and efficient sheriff's department in the best interests of Eastland County and its citizens.
