

# EASTLAND TELEGRAM

EASTLAND, TEXAS 76448: Today's CENTER for tomorrow's FUTURE!

Volume 104 Number 47

Published each Sunday and Thursday in Eastland--Price 10¢ plus 1¢ tax

Sunday, June 11, 1972

**IN NEW CENTER-** Mr. and Mrs. Jerry Taylor proudly display the many advantages offered in their new Center in Eastland in the remodeled White Elephant Restaurant Building. Offered are the newest Speed Queen washers and dryers, a complete grocery; a family recreation center; and soon there will be Shell gasoline service. They extend an invitation for all to come out and inspect the new facilities. Their goal is a one-stop shopping and service center, Mr. Taylor said.

## Monday, Tuesday Games Crucial

Crucial are the closing games this week as Little League 1972 draws to a close. It's a tight in both divisions with the Bulldogs in both holding slight advantages.

In the majors, the Bulldogs and the Medics are on top and in the minors the Bulldogs and the Comets lead the pack.

Monday night pits the Medics and the Bulldogs and the Lions and the Comets in the majors, and the same combination is slated for the Minor closings on Tuesday night.

Thursday night the Medics whipped the Lions, 15-8 and the Bulldogs downed the Comets, 13-2.

Friday night saw the Minor Medics beating the Lions 17-2

### MAJOR STANDINGS

MAJORS	W	L	Pct.
Bulldogs	8	3	.727
Medics	7	4	.636
Lions	4	7	.364
Comets	3	8	.172

and the Bulldogs nosing out the Comets, 11-10.

### MINOR STANDINGS

MINORS	W	L	Pct.
Bulldogs	8	3	.727
Comets	7	4	.636
Medics	5	6	.455
Lions	2	9	.182

## Bicycle Meetings Underway

The first in a series of bicycle meetings was held on Wednesday, June 7th at the Eastland Elementary School. Fifteen children and one adult attended the meeting to learn about bicycle safety. Police Chief Johnnie Morren

presented the program on safety and bicycle laws. Attending with Chief Morren was Patrolman Leroy Steneman.

Following the Safety presentation Paul Campbell, Asst. Co. Agri. Agent and De Gordon, County Agent, tested the children's ability on two skill games. One game was to test their balancing ability and the other to test their ability to maneuver between obstacles.

The next meeting will be held on Wednesday, June 28th at 3:00 p.m. This meeting will be on minor maintenance of bicycles. All children and adults are welcome to attend. Future meetings will be on selection of a bicycle.

The last meeting will be a trail ride and picnic in the country

## Applications Sought For 330 Youth Jobs

Summer work opportunities in Eastland and four adjoining counties are available for at least 330 boys and girls from low income families, through the Neighborhood Youth Corps in projects announced by Local Sponsor County School Superintendent O. L. Stamey. A total of \$139,260 has been pegged for the summer program which runs from June 5 to Aug. 26. This is an increase over previous summer programs, Project Director J. B. (Tip) Arther announces. This is the seventh summer program through Supt. Stamey's office, and includes Eastland, Stephens, Throckmorton, Shackelford and Young counties.

The young people, who must still be in school, are allowed to work a total of 234 hours at \$1.60 per hour.

Applications are now being accepted by Arther or at the county school office on the second floor of the courthouse.

Jobs are available in non-profit, non-sectarian institutions and available at the courthouse, schools throughout the county, at city halls, hospitals and at chambers of commerce, he said.

The project has four certified counselors including Pat Stewart of Ranger, Connie Ratlan and Sharon Reeves, both of Cisco and Johnny Vaughn of Olney.

Project office staff includes Mrs. Emma Morris of Cisco, secretary and bookkeeper, assisted by Josie Kay Nix, assistant.

Approximately 1,500 young people have benefitted from the program in the past, Mr. Arther said.

Young people interested in

summer work are urged to contact Mr. Arther or the county school office immediately.

The goal of the summer program is to provide earnings, work experience, and supportive services to poor family youths to stay in school and potential school dropouts to encourage them to return to school in the fall.

## V.B.S. Opens Monday At Methodist

Vacation Bible School at the First United Methodist Church will be held June 12 through 16 each morning from 9:30 to 11:00 under the direction of

Mrs. Mike Collins, assisted by Mrs. Milton Day.

In charge of the kindergarten class will be Mrs. Linton Webb, assisted by Mrs. Jimmy

Hodgins. Elementary 1, 2 and 3 will be taught by Mrs. Harold Bulgerin with the assistance of Mrs. Richard Hodges.

Mrs. James Smith and

Carroll Smith will be teaching Elementary 4, 5 and 6.

The Teenagers, also will be working the Bible School.

## Patriotism On Parade In Flag Day Ceremony

## Revival Opens June 18-25

Wallace Pierce, pastor of the Olden Baptist Church announces their revival June 18 thru the 25.

Guest evangelist will be Brother J. B. Chick and singer will be Carroll Fitzgerald, both of Bangs Texas.

Services will be nightly at 8:00 p.m. Looking for you!!

## Leo Lewis Named SCS 'Come-Back' Farmer

R. L. (Leo) Lewis of Desdemona was presented a beautiful plaque Wednesday morning when the Paolo Pinto County Business and Professional Men honored him at their Agricultural Breakfast, as Comeback Conservationist of the Palo Pinto Soil and Water District.

The Eastern section of Eastland County is in that district.

He is cited for doing the greatest job of reclaiming an eroded place he owns and operates. During a six-year period he turned a 277-acre farm from what was described as "poor" condition, into an "excellent" rating today. Some 125 acres of the farm was in heavy brush and he's cleared much turning it into good pasture and developed 69 acres into cropland and is now

## FREYSCHLAG Insurance Presents The Weather

CONTINUED FAIR AND WARM. Chance for late afternoon showers.

Mr. R.L. (Leo) Lewis, age 60 years, was born and raised in this general area. He is recognized as an outstanding farmer and rancher, and maintains a high respect of all his friends and neighbors. He is an "easy going" type individual that regards the well being of his neighbors and community as a personal responsibility.

In late 1950's, Mr. Lewis owned a farm in Erath County, some 4-5 miles S.E. of Desdemona. He developed a conservation plan with the Palo Pinto SWCD and did a good job of applying and

maintaining his conservation plan. He sold this farm for a substantial profit due to the outstanding conservation program he had applied and maintained. Soon thereafter he bought 130 acres of his present holdings located on Highway 16, and 1 mile north of Desdemona, Texas. The following year he purchased the 147 acre farm adjoining him on the south making a total of 277 acres in his farm unit.

This farm consisted of approximately 152 acres of sandy, wind eroded, cropland in a low state of production, and the remaining 125 acres was covered by shinnery type post oak on deep sandy soils. In what would have scared most men, Mr. Lewis recognized as an opportunity. From past experience he knew that a good sound conservation program was needed on this farm. He requested assistance through the Palo Pinto SWCD in developing such a plan. This plan reflected a great account of work to be done, some of which would be rather ex-

pensive. In early 1964, he made inquiry about the Great Plains Conservation Program in Eastland County. He readily realized the many benefits and advantages available to him through this program. He made an application for GPCP assistance and in July, 1964 with help through the district and local SCS office he developed, and signed a GPCP contract on this place.

Many outstanding conservation accomplishments have resulted. Mr. Lewis established 86 acres of old field areas to Coastal Bermuda. This area now consists of 4 pastures made possible through construction of cross fences and water facilities which includes farm ponds and pipelines. He has done a commendable job of management on these pastures. This includes heavy annual fertilization, weed

## Fullen Motor Co Laugh-A-Day

A worker in a Houston violin repair shop claims he restrings an average of 14 instruments a day. "And that, gentlemen," he adds, "takes guts!"

Eastland County oil and gas production accounted for \$1,711,656 of the county's economic output for 1971, according to a study by Texas Mid-Continent Oil & Gas Assn.

In producing 309,600 barrels of crude oil and 4.1 billion cu. ft. of natural gas, the county ranked 156th in Texas. Value of its crude oil was \$1,089,792; natural gas value was \$621,864.

The county is among 190 Texas counties with oil and gas production value topping \$100,000 although 211 counties produce oil and gas.

"Eastland County oil and gas wells made a significant contribution to Texas' share of the nation's energy needs last year, but growing demand is sapping reserves in Texas faster than they can be replaced," Robert A. Buschman, Association president, said. "As fewer new fields are discovered, due to less drilling, the continuing strong economy and tax base of many Texas counties may now depend on updating Texas oil conservation laws to encourage wider use of new recovery technology," he said. The Association study showed that Eastland County farmers, ranchers, and other royalty owners received \$213,957 as their share of the produc-

### TO BE REVIEWED

Eastland Native Leon Hale's new book "Bonney's Place" will be reviewed on Book Beat Monday night at 10 p.m. on Channel 13, it has been discussed here. Hale will be interviewed and his book discussed.

## Oil, Gas Pumps In \$1,711,656 County Economy

The county's wells generated \$50,130 in crude oil production taxes for state government and \$46,640 in state taxes on natural gas. Oil and gas producers spent \$198,656 in drilling eight wells in the county last year, \$15,886 of which was lost in drilling one dry hole.

Processing plants also added to the county's economy. The Oil and Gas Journal lists six natural gasoline plants, with a daily combined capacity of 60.3 million cu. ft.

## Observing 50th

The Church of God, corner of Main and Connellee in Eastland, announces the dismissal of their regularly scheduled services on Wednesday, June 14th and on Sunday June 18th so that the pastor Ronald Bear and his family along with members and friends of the church may attend the annual Texas Church of God Campmeeting in Weatherford June 12-18.

The Church of God in Texas is observing their Fiftieth Anniversary of state campmeetings. Services begin at 7:00 p.m. Monday evening. Worship services are scheduled daily at 6:30 a.m., 9:30 a.m., 11:00 a.m., 2:15 p.m. and 7:00 p.m. There will be a special service on Wednesday June 14 at 2:15 to relate the history and growth of the Church of God in Texas. The public is invited to attend these services.

The Eastland Church of God will resume its regularly scheduled services on Wed,

water in place, even though he is a livestock man he values his peanut hay most on the land and not in the bale. He established a cover crop of rye each year soon after harvest. In some instances he has watered these fields to insure a stand of rye for protection. These basic fundamentals of peanut farming have been rewarding to him. His yields have exceeded 100 acre per acre several years and approached this figure in other years.

Mr. Lewis also has 46 acres of rangeland of rough-eroded type country. This area was root plowed due to a dense cover of mesquite trees and seeded to weeping lovegrass. This area along with 29 acres of old field area seeded to weeping lovegrass offers valuable grazing when coastal bermuda is dormant. The weeping love on the old field area is well fertilized and furnished a volume of grazing comparable to well fertilized coastal. From 1964 through 1969 he has made a new farm out of this place.

## Highlights and Sidelights

### From Austin

AUSTIN, TEXAS - Forecast for the State Democratic Convention at San Antonio

June 13 grows steadily stormier.

### 'Tune' Tires First To Save Time For Summer Fun

Motorists' chances of truly enjoying the lyrical "lazy, hazy, crazy days of summer" are a lot better if they bone up on warm weather tire care.

These maintenance and safety tips to drivers preparing for summer vacation trips or, traditionally, just more time on the open road:

Make sure you have enough tread on your tires to last on long trips. If you're near the minimum safe tread depth of 1/16 inch in two or more grooves you may want to make replacements before you take off for isolated areas.

If you buy any new tires remember the law requires the seller to register them if they were made after May 22, 1971. In the unlikely event a recall is necessary because of possible safety defects the manufacturer will notify you directly.

Check for proper inflation when tires are "cold", before starting out. Follow the car manufacturer's recommendations in your owner's manual, or posted in the glove compartment or affixed to a door pillar. Add up to four pounds of air per tire for long periods of highway driving at high speeds, but never exceed the maximum pounds per square inch (example: 32 p.s.i. max.) marked on the sidewalls.

Use your own air pressure gauge if possible. Studies have shown station air towers are often inaccurate up to plus or minus four pounds per square inch.

Vacation trips often mean heavy loads. Make sure the weight is distributed as evenly as possible, including weight in any towed vehicle. Check your owner's manual or a tire dealer for the maximum load limits of your tires.

Driving on snow tires for any prolonged period in warm weather is poor economy. Abnormally high heat buildup in these thicker tires can wear down the tread faster than in regular tires. It may also cause sudden disablement.

When the rain comes, beware of skidding on "summer ice". Water mixes with oil and gas films already on the road to form a slick surface. The risk of losing control is five to ten times more likely on wet pavement.

Check front end alignment frequently, especially if you notice uneven tread wear or "pulling" to one side while driving. Back roads or a few solid bumps on any surface can throw alignment out, even if it was recently adjusted.

Check for debris such as stones and glass embedded in the tread and in the grooves before starting out.

Rotate your tires according to the recommendations in the owner's manual. If you notice abnormal tread wear or seem to be getting a bad ride, this is a good time to have your tires balanced.

Let experts check your tires for proper inflation, cuts or other damage. You'll like the folks at **Tharp Tire Co.**

Eastland  
Phone 629-2922

Agriculture Commissioner John C. White, who already had announced as a candidate for convention chairman against Roy Orr of De Soto, the state Democratic executive committee chairman, received backing of National Committeewoman Mrs. Carrin Patman, Ganado.

Mrs. Patman accused Orr of "wrecking the party" and

### Peanut Pageant June 15

Miss Kay Hoffmann of Eastland was selected Eastland County Princess in June, 1971, at the pageant in Gorman and then the talented young lady was selected Texas Peanut Queen in the State Contest. Miss Hoffmann is the daughter of Mr. and Mrs. W.H. Hoffmann. She has made

The date for the fourth annual Eastland County Peanut Princess Pageant has been set for June 15, 1972. Sponsored by the Woman's Study Club of Gorman, the pageant will be staged in the Gorman High School Auditorium at 8:00 p.m.

Informational letters, rules and entry blanks have been mailed to clubs and other non-profit organizations throughout Eastland County. Entries, together with the \$10 entry fee, must be returned to the Woman's Study Club by June 1st.

Awards this year will again be \$200 cash award to first place winner, the honor of being Eastland County Peanut Princess, and the opportunity to compete in the Texas Peanut Queen Contest to be staged in Eastland on August 5. Second place will receive a cash award of \$100. Third place will receive a cash award of \$50. These cash awards are courtesy of Eastland County merchants.

predicted a "disastrous blood-letting" at San Antonio if he presides. She said Orr won't abide by the party rules he helped write himself, and that giving him the convention gavel would "sabotage chances of the Texas delegation's being seated at the July 10 national convention."

Supporters of Sen. George McGovern for president agreed Orr should not be chairman and that White is a "fair man." However, they contended, an endorsement on their part would be "premature."

Also under fire is makeup of the convention credentials committee named by Orr. Critics claim it isn't representative of presidential preferences and age and ethnic groups.

Orr earlier fired back that "liberals" are trying to take over and run the show, and he isn't going to permit it if he can help it.

Some observers have calculated the convention delegate spread is actually pretty close, with backers of McGovern, Gov. George Wallace and Sen. Hubert Humphrey all claiming a sizeable chunk of the votes. To gain as much strength as McGovern and Wallace on the 130-vote Texas delegation to the national convention, and Wallace on the 130-vote Texas delegation to the national convention, Humphrey would have to pick up most of the uncommitted delegates.

Republicans see only harmony for their state convention in Galveston June 13. They are even scheduling beach parties.

**AUTO RATE CUT SEEN** - The State Board of Insurance will meet July 24 for its annual hearing on auto insurance rates, and Chairman Larry Teaver thinks a reduction is in order.

A 2.8 per cent increase approved last year was blocked by a presidential wage-price freeze. Rates have been in effect since Jan. 1, 1971, when a 14 per cent boost was approved. There has been no reduction since a fractional cut in 1967.

Teaver said profits from underwriting nationally are at an all-time high, as are investment profits of auto insurance companies. He plans to submit a "personal injury

protection" proposal to the Board as a substitute for no-fault auto insurance. The Teaver recommendation includes liberalized medical benefits on a no-fault basis, income replacement and life insurance instead of uninsured motorists and medical payments coverage.

Conceivably, Teaver could be out of a job before the July hearing. The Legislature convenes in special session June 14, and Teaver's appointment to the Board is pending in the Senate.

**DRAFT PLANS TOLD** - About 400 men from Texas are expected to be inducted into military service during the month of July, although no quota yet has been assigned the state.

State Selective Service Headquarters has announced that young men with lottery numbers of 50 or lower in the year's first priority selection group will get their induction orders next month. Those with numbers of 90 or lower may get pre-induction physical examinations during July.

Col. Melvin Glantz, state director of Selective Service, said 30 days' notice is planned for all induction orders.

**COURTS SPEAK** - Farmers can sue cattle feedlot operators for damages due to offensive odors even if they don't live on their land, the State Supreme Court held.

To properly assess whether movies are obscene, judges and juries must see the entire films, the Court of Criminal Appeals ruled.

A 300-year prison sentence assessed a Wichita County man for selling heroin was reversed because he didn't get a court-appointed attorney until the day of trial.

A federal district court ordered the State to make payments to Wichita County for aid to families with dependent children, even though it lacks control over welfare personnel employment there.

**SMITH SEEKS FUNDS** - Gov. Preston Smith went to Washington in search of federal matching funds for social services to welfare beneficiaries.

He said the federal government now pays states \$3 for every \$1 they spend on social services, but the White House's proposed new rules would prevent Texas and other states from considering work by some agencies. An aide to the governor said the state is

not getting federal matching money for counseling, family planning and homemaking assistance to the needy. **COLLEGE FUNDS AVAILABLE** - More than \$13.2 million is now available on a formula basis for 17 universities to construct buildings, Comptroller Robert S. Calvert announced.

Calvert said these sums are available to the following institutions: University of Texas at Arlington, \$635,198; Texas Southern \$233,087; University of Houston, \$1.15 million; Texas Woman's University, \$225,596; Texas A & I, \$803,969; Texas Tech, \$ 723,226; Lamar, \$1 million; Midwestern, \$205,822; Pan American, \$586,169; East Texas State, \$614,673; North Texas State, \$1.1 million; Stephen F. Austin, \$1.6 million; West Texas State, \$289,710; Angelo State, \$396,203; Sam Houston State, \$1.3 million; Southwest Texas State, \$2 million and Sul Ross, \$109,952.

**AG OPINIONS** - Atty. Gen. Crawford C. Martin held the state's 1970 contract to purchase 3,965 acres of Mustang Island at \$4.2 million for a park is a binding obligation. Opponents on the Parks and Wildlife Commission insisted the Commission can still revoke the contract, although Martin indicated the state may be liable for a lawsuit if that happens.

In another recent opinion, Martin held the Parks and Wildlife Department cannot contract for sale of water to a private individual whose property adjoins a state part. A Grand Prairie man had sought a permit to tap the water line in Eisenhower State Park.

**DANIEL CLAIMS SPEAKERSHIP** - Rep. Price Daniel Jr. of Liberty claims 85 firm votes for speaker of the House of Representatives next year.

Present Speaker Rayford Price of Palestine faced a strong runoff challenge for reelection in his home district. Daniel said he would not be a party to any movement to oust Price as speaker during the June special session.

**ETHICS BILL PLANNED** - A House committee on rules reform scheduled a June 8 meeting to write an ethics bill requiring full financial disclosure by members of the legislature, the governor and

lieutenant governor.

Rep. Guy Floyd of San Antonio said the committee will offer reform rules to the special session. Floyd said he envisions an ethics bill requiring reporting of stock and land transactions annually as well as all income sources. **SHORT SNORTS**

Retired teacher of the year award went to Mrs. Billie Smith Bolin of Fan Angelo.

The index of estimated Texas personal income declined one percentage point in April, according to University of Texas researchers.

Two hundred and 33 of the 254 counties have been paid more than \$1.5 million by the state for issuing voter registration certificates for the 12 months ending January 31.

A new state bank application at Presidio (First Presidio Bank) has been filed with banking authorities.

The Lower Rio Grande Valley asked for \$14.4 million in highway improvements, largely to strengthen its tourist industry.

Thirty-two applications for permits to sell \$43.3 million in securities have been filed with the State Securities Board.

David Tobin Snowden, 18, of San Antonio was named Texas' Outstanding Teenager for 1972.

### Lone Cedar Partnership Golf Tourney Set

A Partnership Golf Tournament is scheduled June 16, 17, and 18 at Lone Cedar Country Club, according to Eddie Brooks. Pro-Am qualifying begins Friday at 1:00 Brooks said. The Partnership rounds begin Saturday and will conclude Sunday. A barbecue is planned for Saturday at 7:30 p.m. at the clubhouse.

Winners of the tournament will be awarded Wilson Staff Irons for first place; Wilson Staff Woods go to the second place winner; Titlist Bags go to the third place winner and Titlist Balls will be awarded to the fourth place winner.

## County Democrats Ready For State Convention

**BY ORA LEE WOODS**  
County Democrats met in an enthusiastic strategy planning meeting at the Spot restaurant in Cisco Friday evening. Mr. Gustus Albert Dunn, Jr., Ph.D. called the meeting and presided over the discussions. Ten delegates and ten alternates had been selected at the county convention to go to San Antonio next Monday and Tuesday to represent Eastland County at the state convention. The state convention will determine how the 130 Texas votes will be cast at the national nominating convention which meets in Miami next month. Questionnaires were circulated during the meeting to gather data concerning the delegation for 1972. At least half of the delegation has never had any part in a

state political convention before. Their inexperience is balanced by that of other participants who have made such conventions for the past ten to twenty years. The ages of the representatives range from 31 to 63. Most of the delegates are between 40 and 50 years of age. The youngest delegate is Mr. Saul Pullman, 31, an attorney from Eastland who is also president of the Rotary Club. The next youngest is Mr. Charles M. Arnett, 37, who is a businessman from Ranger. Mr. Arnett owns the Ranger Dry Cleaners and the Interstate Texaco Station at Ranger. He has served as president of the Ranger Jaycees, the Lions Club, and is now serving as president of the Ranger Jaycees, the AND IS NOW SERVING FOR HIS FOURTH YEAR AS THE LAY LEADER OF THE First United Methodist Church in his home town.

Education in the county is represented by president of Ranger Junior College, Mr. Jack Elsom, Ed.D., and at least five qualified college teachers. Indeed the group represents somewhat of an educational elite since there are at least two earned doctorates in the group, two law school graduates, and several masters degrees from accredited institutions of higher learning. Degrees in the group were earned in such varied colleges and universities as Ranger Junior College, Hardin-Simmons University, Baylor University, Centenary College, Southern Methodist University, Texas Christian University, Texas Technological University, and the University of Texas among others. The members of the group have taught such diversified subjects as history, religion, psychology, anthropology, and at least four of them have taught political science at the college level.

Education is the biggest business in the county and this fact is reflected in the delegation of 1972. County government is represented in the person of Mr. Scott Baily, the county judge, and the alternate Mr. Clarence Dill, who has been serving as an elected county commissioner for the past ten years.

There are no blacks nor Mexican-Americans in the delegation, and none were sent from the precinct conventions to the county convention.

Six women were elected delegates or alternates. Mrs. Jeanette Harris, a fabric shop owner in Eastland, and Mrs. Morris Newnam of Gorman and Desdemona were elected delegates. Mrs. G. A. Dunn's election as an alternate formed the only husband and wife team from the county. Mrs. Loyd Bisbee, past president of the Cisco P.T.A., will go as an alternate, and several wives of the delegates plans to make the trip to San Antonio with the group.

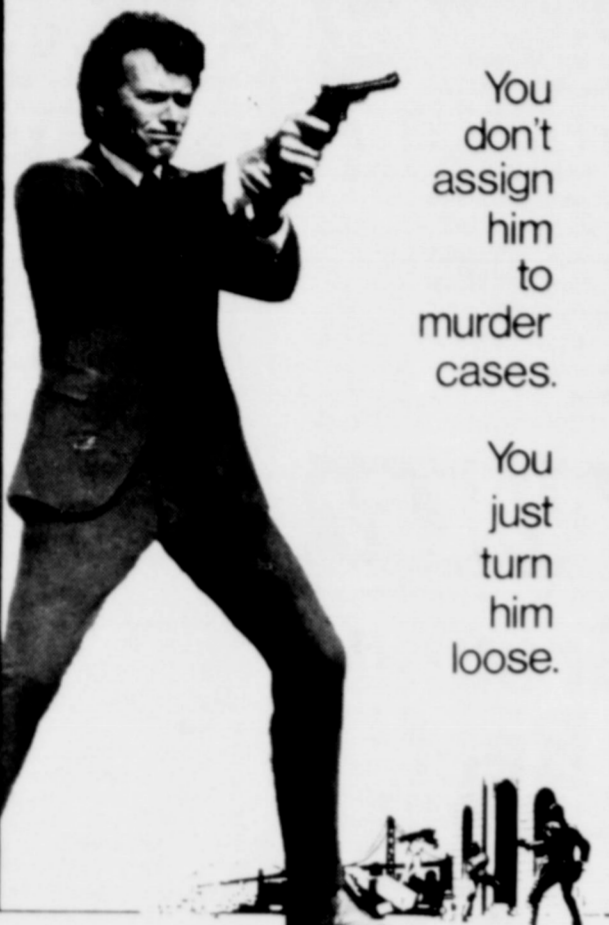

Farm interests are well represented by Mr. Lee Starr who is a peanut farmer from Cisco and the president of the Eastland County Farmer's Union. Others in the group raise livestock and engage in farming and ranching activities.

The Eastland County delegation will have seats on the floor at the June 13 San Antonio convention with others from the 22nd Senatorial District. The pre-convention caucus for the 22nd District will

Eastland County delegates will be housed at the La Quinta Hotel in San Antonio, but some will be guests in homes of friends or relatives. The convention will be adjourned sometime late in the afternoon of Tuesday.

### The Light Touch

By Clint Bray  
It used to be that a FOOL and his money were soon parted. Now that happens to everybody.

Good old-fashioned education was when the students were driven IN school, not TO.

One millionaire says there are so many foreign cars in his neighborhood, it's been two years since anybody's been hit above the knees.

Father, feeding toddler, to mother: "She wants more applesauce. Shall I give her a second coat?"

In America, there are three persons to every car, and they're always in front of it at street crossings.

Throw us the ball at BRAY'S and we'll Give you top value for your clothing.

### Top Hits Come To Windmill Dinner Theatres

The excitement of Broadway comes to the Southwest scene during the summer vacation season, as top musical and comedy hits move onto stages at the Windmill Dinner Theatres in both Dallas and Fort Worth.

Windmill's acclaimed Executive Producer - Director, Bill McHale, has announced leading Broadway productions to open the summer vacation season in Dallas and Fort Worth.

"In order to make each trip into the city an "event" for our patrons and their families in nearby areas to Dallas and Fort Worth, we have scheduled only the most outstanding shows and professional talent for the current vacation months," said R.D. (Bob) Boren, President of the Windmill Dinner Theatres.

The comedy - mystery, "Catch Me If You Can", starring Alan Sues of "Rowan and Martin's Laugh-In" fame has opened at the Dallas Windmill and will run through June 25. It will be followed by the longtime musical favorite, "Annie Get Your Gun", with George Lee Andrews, beginning June 27 and running through August 6.

In Fort Worth, Imogene Coca and King Donovan are currently starring in "The Fourposter", which will close July 2. The stage success "Harvey" will celebrate a July 4 opening and will run through August 6.

Guests enjoy a casual, relaxed setting of checkered tablecloths and red lantern lights at Windmill locations, and a bountiful buffet prepared by Windmill chefs and their staffs. Three entrees - beef, chicken and seafood - with a dozen crisp salads, tasty vegetables and delicious desserts preface the preshow.

The Barnstormers, a group of talented young students who double as hosts and hostesses, provide a lively pre-entertainment show of songs and dances to set the scene for the production.

**YOUR LOCAL NEWSPAPER RECOMMENDS HAMBURGER FIXIN'S AT YOUR LOCAL SUPER MARKET**

Mrs. David Moody Jr. ... nee Janice King

**Miss King, Mr. Moody  
Wed Saturday Evening**

Miss Janice Louise King 7:30 p.m. on June 10, 1972, in and Mr. David Moody Jr. were the First Baptist Church of joined in Holy matrimony at North Seaman Street,

Eastland, Texas. The double ring ceremony was performed by Rev. T. H. Oliphant of the Masadonia Baptist Church in Abilene and Rev. J. L. Norris of the North Seaman St. Baptist Church.

Janice is the daughter of Mr. and Mrs. Roston King, 313 East Patterson, and David is the son of Mr. and Mrs. David Moody Sr., 3612 East 15th in Lubbock, Texas.

The church was decorated with a large arrangement of gladiolas and mums, and accented with pew markers. The two candelabrum held candles lighted by Hjardeir and Hjardesti Dunn.

The Matron of Honor, Mrs. Mary Love of Ft. Worth. Bridesmaids, Flossie Hawkins of Lubbock Bridesmatron, Mrs. Anna Edwards of Eastland wore identical dresses of white lace with blue ribbon background, long length and empire waists. The head pieces were white with blue flowers.

Flower girls, Blenthia Hood and Shirley Harper, nieces of the bride, and Junior bridesmaid, Angela Webster, wore dresses identical to those of the bride's party with blue head pieces.

Fred White of Lubbock, cousin of the groom, served as best man.

Groomsmen were Walter Hibler and William Meredith, both of Lubbock. Ushers were Howard King, brother of the bride, and Paul Moody, brother of the groom. Ring bearer was Troy Washington.

The bride, given in marriage by her father, wore a candlelight white gown with satin bodice and lace top,

**Engagement**

DEBBIE AARON

Mr. Buddy Aaron of 614 S. Daugherty St. has announced the engagement and approaching marriage of his daughter Miss Debra Jean Aaron to Mr. Joe Stephen Trout.

Mr. Trout is the son of Mr. and Mrs. Olen Trout of 1308 S. Lamar.

Debra is a graduate of Eastland High School and will be a sophomore at Cisco Junior College next semester where she will be a member of the Wrangler Belles.

Joe is employed by KERC Radio Station. The couple are planning a December wedding.

Mr. Trout is the son of Mr. and Mrs. Olen Trout of 1308 S. Lamar.

Debra is a graduate of Eastland High School and will be a sophomore at Cisco Junior College next semester where she will be a member of the Wrangler Belles.

The bride's mother wore a blue lace dress with white accessories. A reception followed in the church annex. Mrs. Owen Daugherty served the cake and Mmes. Linda Webster and Lee Anna Clark served punch. The bride's table was covered with white taffeta, overlaid with blue net and accented with blue ribbon bows and lace. The three-tiered cake was topped with a miniature bride and groom.

The bride's going away costume was a blue knit suit with pleated skirt and white accessories. Her corsage was taken from the bridal bouquet.

The couple planned a wedding trip to Lubbock where they will spend the summer, moving to Canyon, Texas in September.

**Oldest Male To Be Honored June 15**

Cisco's oldest citizen will be honored Thursday, June 15 at the Hickman Nursing home on his birthday... He is Walter C. Clements, who will be 100, Thursday, the retired village blacksmith. He operated his blacksmith shop in the same building until 1965. General Grant was the president when

Clements was born June 15, 1872, and Grover Cleveland went into the White House after he cast his first vote. He has seen 19 presidential elections pass.

Mr. Clements is a life-long Democrat and in the past has taken a keen interest in politics through newspapers and television... Born in Cass County, Texas, Clements came here and opened his blacksmith shop on January 1, 1905. Clements opened his shop at 7:30 a.m. and closed it at 5:30 p.m. six days a week. Up until his retirement the only concession he made to his age was horse shoeing, which he quit at age 75.

His blacksmith shop was removed from its location shortly after his retirement. It was located next door to Worth Food Mart and across the street from A & P Super Mart and Norvell & Miller Grocery. Clements is a life-long member of the First Methodist Church and has been active in the IOOF Lodge and the Woodmen of the World. He received his second past noble's pin by the WOW Lodge in 1964.

With good memory and a clear, loud voice, Clements appears occasionally on club programs to give recitations. A recent appearance was before the Cisco Rotary Club to recite two poems: "The Bridge Builder" and "I Ain't Dead Yet".

His first children were twin boys who lived only a few months. His wife, Lola, died in 1927 two months after his son, Carl, was killed in an automobile accident.

Clements has three grandsons.
