

# 2 Killed in Car-Train Crash At Lake Eastland Crossing

## EASTLAND TELEGRAM

EASTLAND, TEXAS 76448: Today's CENTER for tomorrow's FUTURE!

Volume 104 Number 16 Eight Pages Sunday, February 27, 1972

Two Eastland youths were killed instantly Saturday at 12:51 p.m. when the small foreign automobile and a east bound T&P freight train crashed at the Lake Eastland crossing northwest of town. Pronounced dead at the scene were Wally Pierce, son of the Rev. and Mrs. Wallace Pierce of Olden, and Billy Joe Minor, 19, of Abilene.

### FREEDOM AWARDS

Mrs. Charles Marshall  
The Eastland Public Schools have participated in the West Texas Schools American Heritage Project (a ten county organization dedicated to a greater understanding of the ideals, documents, and men who made America great) for many years and have placed much emphasis on our American heritage in special programs as well as in daily classroom.

In the first faculty meeting in August, 1970, Mr. Siebert asked that each teacher stress greater respect for our flag and the basic ideals of patriotism. Because of his suggestion a project greater in scope and influence was undertaken with the help of Charles P. Marshall who is always intensely interested in the preservation of our American Heritage.

I planned a language arts project for both sections of the sixth grade; it was to be focused on the Great Ideals which gave rise to America and are the foundation of our American Way of Life. The first essay our seventy-nine sixth graders wrote was "I Am An American".

Eastland Telegram, gave us added incentive by printing many of the student compositions on the belief, "America Is the Greatest Nation in the World".

- The eight topics used were:
1. We Trust in God.
  2. We Know That Every Individual is Important.
  3. We Are Free to Compete With Others in Work and Play.
  4. We Are Free to Own Private Property.
  5. We Know That Hard Work Is Good and Has Honor.
  6. We Are Free to Earn Money and Make a Profit.
  7. We Are Free to Choose Our Own Education, Religion, Work, and Place to Live.
  8. We Know That Our Government Is a Protector Not a Provider.

In April, with the assistance of Mrs. Little, sixth grade art instructor, each student illustrated his essays and compiled them in an attractive booklet for the hall display cabinets.

At the end of the school year, I made a scrapbook which told the story of our project with clippings and pictures from the Eastland Telegram, with photographs of the students and our display, with photographs of our bulletin board displays, and with a summary of our semester's work.

This scrapbook and three representative booklets made by Sandra Alldredge, Janet Frost and Karen Plowman were mailed to Freedom Foundation at Valley Forge. (Since Eastland Elementary School has been named a winner, the three booklets and scrapbook will become a permanent part of the displays there.)

Our purpose was to gain recognition for our Eastland Elementary School and the fine young Americans being educated there. This purpose was realized in the Certificate of Honor Award which the school will receive this Spring.

### CofC Committees Are Announced

Chamber of Commerce Committees for the coming year have been announced by President Marcus O'Dell as follows:

#### INDUSTRIAL

M.H. Perry, Chairman; Dale Bakker, Clint Bray, J.T. Carter, Nolan DeFord, Charles Freyschlag, Milton Fullen, Willard Griffin, R.P. Haun, Jr., Jeff Glazner, Ben McKinnis, H.V. O'Brien, Marcus O'Dell, Bob Perkins, Bruce Pipkin, Saul Pullman, Eugene Johnson.

### Spurlen In School Race

A fifth man has filed for a post on the Eastland School Board where three places are to be filled.

F.L. Spurlen filed Friday afternoon for Place four, the unexpired term of the late J.T. Gregory. Others already filed for this post are Gene Frost and Pat Moseley. John Morren and R. Pat Miller are candidates for the post to be vacated by Bill B. Hart. Donald Kinnaid has filed for re-election.

Deadline for filing is Wednesday, March 1, for the April 1 school election.

Four persons are candidates for two posts in the April 4 city commission election. Friday, March 3 is the filing deadline. Incumbent Durel Reid is a candidate for re-election and Mrs. Don (Wanda) Baird, Greg Sedillio and Ray Pryor are announced candidates. Mayor James Reid is not seeking re-election. The city is not on the place system.

# Citizens Report on Priorities

Now experiencing one of its greatest building booms, Eastland residents are "looking toward the future" with optimism, and picking priorities for their goals.

The response to this newspaper's request for citizens' opinions on various capital improvements which are all pretty much in the "talking" stage now, has been tremendous, and a lot of good ideas are being advanced.

The City has a new sewer plant in the design stage, with bond money voted, and a master plan for the City Park is being drawn. In other areas, citizens are looking toward a new community center, a new and/or remodeled library building, more paving, improved street signing, extension of the city limits by voluntary annexation, extension of existing city services, particularly sewer lines to all parts of town; and a number of other over-all improvements.

Scanning the clipped lists, one gets a pretty good idea of the citizens' feelings. One very active woman puts a One priority by the community center, and suggests new construction. She gives the library a Two priority and leaves the question of new or remodeled, open for discussion.

Another citizen puts a One by paving and a two by sewer line extension, leaving all other points unmarked.

One citizen recommends "new" for both library and community center, and marks "yes" alongside the Paving, sewer extension and voluntary annexation.

### Briscoe Issues Challenge

Dolph Briscoe, a Democratic candidate for governor, told a gathering of Eastland County lawmen in Ranger Friday, "When it gets to the point one or two can run our Legislature, then it's time for a change."

Mr. Briscoe spoke to about 50 persons at the monthly meeting of the Eastland County Law Enforcement Association at Bryan's Steak and Coffee Shop.

### Coming Events

The Zeta Alpha Zeta Chapter of Beta Sigma Phi will meet Monday, Feb. 28 at 7:30 p.m. in the home of Louise Gregory at 517 South Connellee.

Fran Staggs will be giving the program on "Civic Response."

#### RETAIL TRADES

Clint Bray, Chairman; Eugene Frost, Everett Plowman, Saul Pullman, Otis Coleman.

"If I'm elected governor I will veto any bill that has not had a public hearing in both Houses," he said.

Briscoe was introduced by M.D. Underwood, Justice of Peace, of Ranger. Briscoe said he got his philosophy from the late John Nance Garner, former U.S. President.

Briscoe said that philosophy basically is "to safeguard the people and to insure that each person has the right to achieve his destiny according to his own talents." He further stated "I believe there has been too much concentration of power in our state government -- as an example, the Sharpstown Bank Bill that was passed without a public hearing."

### Snakes-Alive Due Roundup

Livestock of a different variety will be much in evidence next month at the Eastland County Sheriff's posse barn when the second annual Eastland Jaycee Rattlesnake Round-up gets underway.

The Round-up will be held the last week in March. Chairman of the event this year is Eugene Kitchens with co-chairman being Tom Holland.

sewage in unserved areas of the city it should be undertaken. "I have no comment on the annexation program."

Another good citizen puts a One by sewer line extension; a Two by City Park Development; a Three by Community Center; and adds this note: "Our city is poorly managed in regard to the upkeep of existing facilities."

This citizen elaborates in the form of a letter attached to the questionnaire:

"I am definitely in favor of a progressive Eastland. If increased taxation is needed to provide better city facilities I would favor that too."

"As I understand it, existing sewage problems have not been resolved. They should be taken care of as a priority to all other civic improvements I feel."

"Eastland is in need of more progressive management. The facilities we do have have not been maintained in a remotely satisfactory manner; i.e.: the city park, the library, our streets. If we had a civic center would it be cared for in the same way?"

"The woman's club house has

### Methodists Name Youth Director

Mr. Gary Boyer, and wife, Linda, are now working on the staff of the First United Methodist Church of Eastland, and their primary area is that of youth work.

Gary was born and reared in Del Rio, Texas. Graduated from Del Rio High School and attended McMurry College, Abilene, for a year and then joined the Navy, serving a four year term. He is now back in McMurry College majoring in Sociology, psychology, and Social Science. He plans to take a Masters Degree in Counseling.

His wife Linda was born and reared in Bronte, Texas. Her parents are school teachers, and she is teaching in the Winters School System. She is an accomplished musician on both piano and organ, and has taught in various schools as a public Music Teacher. She and Gary were married in 1966 while he was in the Navy. They work as a team in church, school and community activities. They will be working part time at the First United Methodist Church.

"All young people who are not attending some other church are invited to bring a "Sack Supper" and come to the church at 5:00 p.m. Sunday afternoon, for a fellowship supper and meeting with the Boyers. They are planning some great things for the youth of our town," states the pastor, Rev. Cecil Ellis.

been maintained by the women's clubs that meet there. When the city has been asked to aid in the maintenance of this building, which they own, they have been most reluctant to take action. This has been true of any city beautification or improvement project put before our city management. Management should be willing, no eager, to meet the needs of ALL the people they serve. This would include clean water and sewage to ALL its people, a dog protection bill, better park and street maintenance, better garbage pickups, - - on and on.

"A civic center is needed - - true - - but my personal opinion is that we must take care of other priorities first."

"If the sewage isn't cleaned up no one will be here to read a book or attend a club meeting."

Another citizen writes:

"In asking for the opinions of Eastland citizens on what, if any, improvements should be made, and which should come first, there seems to be a quagmire among those making suggestions which should come first."

"It is my personal opinion that the first thing any municipality should consider when planning additions, or improvements, is FIRST the protection of life and property of the taxpayers, then other things should be considered in their relative importance, and with respect to the amount of money available to provide them."

"In the past several years, Eastland has grown physically... new doctor's offices and clinics, new nursing home, apartment complex, mobile home factory, as well as other new buildings in town, and numerous homes. And, in expanding in this manner the city should expand its protective services. Protective services of life and property include the police and fire departments."

"I feel that the police department is in dire need of a second full-time police unit, to be used more effectively during the night hours. This should be a completely equipped unit, available for the use of the police department at any time the chief of police feels it should be put in service. As it is done now, it is a 'piece meal' operation, using an old 1958 model car that doesn't have the

### Play Postponed

Both youths were members of the cast of the Civic Theater are were scheduled to appear in the production to open Thursday. Director Mrs. Virginia Russell has announced that the play has been postponed temporarily and that the cast and board of directors will meet at 2 p.m. Sunday to discuss plans.

The Minor youth was reportedly staying with the Pierce family and working in construction here among the survivors of the Pierce boy are his parents and a sister, Pam.

C. A. Smauley is reported to be engineer of the train D.P.S. Patrolman Smith investigated

The car was southbound and the train was headed east.

Pierce was born Nov. 4, 1955 and Minor Aug. 7, 1953.

proper equipment.

"Next," the fire department should be updated to meet the challenge of a growing town. During the late 20's, the 30's, the 40's and up to about 1960, the fire department had three pumper trucks available. And, after all the growth we have been experiencing, we now have two pumpers equipped with hose - even though there are two other pumpers more or less in storage that have pumping capabilities, if only they (or, perhaps at least ONE of them) had hose on them. So, it would also be my suggestion that the city immediately purchase at least 1500 ft. of 2 1/2 inch hose, and about 500 ft. of 1 1/2 inch hose so that one of these available trucks could be used as a reserve pumper in case it is needed. It is my opinion that the fire department as it now stands could not handle a major fire, if we should be so unfortunate as to have one. The State Board of insurance is giving a "credit" to the City for a Seagraves ladder truck. This truck is also a pumper, so if we are being given "credit" for it, then it should be in service and ready

The following was written in EHS English class as a spur of the moment theme and turned out to be quite cute. Miss Bramlett, high school English Teacher, submitted this one by Becky Jackson:

### THE ROLE THAT PREPOSITIONS PLAY IN MY DAILY LIFE

Prepositions are the most important things in my life. My very existence would be in jeopardy were it not for those cute little words like "along" and "around". I have a ritual in the wee hours of the morning that has helped to make me the person that I am today. Each morning, at 5:00, I get up out of bed, run to the bathroom, and brush my teeth. Then I start reciting my prepositions. This really helps me face the world each morning. Knowing that I have those little prepositions to help me, I feel that no problem is insurmountable. With good friends like "upon" and "below" there backing me up, I feel that I can conquer the world! No one can harm me because I am invincible. Many have tried and all have failed.

I come from a long line of preposition lovers. My family has always admired and loved all parts of speech, but prepositions have always been the "pets" of the family. In fact, I have three cousins who live in Sacramento, California. The oldest one eighteen years old and is a senior at Abraham Lincoln High School located only a few miles outside of the Sacramento city limits. Her name is Along Jackson. Her boyfriend, Inside Lynch, is majoring in Chemistry at the University of Southern California. He is quarterback of the football team and last year they won the conference championship. Along got a mum for every game. She plans to attend the University of Southern California when she graduates from Abraham Lincoln High School. Along's two little brothers, Above and Below, are the cutest little rascals you will ever see. Above is ten years old and Below will be eight years old next week.

As you can see, prepositions have played a very important role in my life. There are so many people who do not appreciate what these little words have done for them. I have recently formed an organization for the prevention of negligence to prepositions

to go. It isn't.

"After these two important items, both of which concern the protection of life and property, are taken care of... then lets look into the paving of sidewalks, making parking lots, improving the city park, etc. Don't misunderstand me. I'm all for these improvements. I feel that the protection of life and property should come first, then these other things taken care of."

**Bell Reports Growth**

**Adds 100 Phones Here**

Despite the nation's generally sluggish economy in 1971, Southwestern Bell continued to experience "substantial" growth in Eastland, according to John McGowan, manager for the company.

"Perhaps the best measure of our growth here is the fact that we gained more than 100 telephones, for a year - end total of 2,820 in service in the Eastland calling zone," McGowan said.

Not only were there more phones in Eastland, but customers here were using them more often during 1971. During the average business day in 1971, more than 10,000 calls were placed in the calling zone, an increase of more than 800 over the daily pace in 1970. Of that number, customers here completed 820 Long Distance calls on the average business day, an increase of more than 27 percent over 1970.

"This growth was a challenge for Southwestern Bell people," McGowan said, "and a major part of meeting that challenge was the addition of new telephone facilities here."

Included in facilities added in the Eastland calling zone during the year were new equipment capable of handling up to 100 new telephones and a cable project designed to accommodate future telephone growth in the northwest portion of the calling zone.

McGowan pointed out that these additional facilities were part of Southwestern Bell's \$444.8 million 1971 construction program in Texas. "Virtually every penny spent in this program went for additional facilities to meet current and future demand for telephone service in the state," he said. "This year, we plan to spend an additional \$483.6 million for construction in Texas."

He noted that Southwestern Bell contributed to the economy of Eastland by paying nearly \$2,600 in ad valorem property taxes and more than \$2,500 in gross receipts taxes here during the year.

"In all, we think it was a very good year - - and we're looking

forward to another good year in 1972," McGowan said. "Our forecasters say we'll add about 120 phones here by the end of December, and we remain quite encouraged with the overall growth potential of this area."

## Sen. Creighton To Speak for Texas Exes Here March 2

Texas Senator Tom Creighton of Mineral Wells will be the speaker for the annual spring meeting of the Oil Belt Chapter of the University of Texas Ex - Students Association at 7:30 p.m. Thursday, March 2, at the Cisco Country Club.

Truman Kirk, Cisco attorney and president of the Oil Belt Exes, is in charge of arrangements for the dinner. The speaker will be introduced by Dr. Leland Willis, president of Cisco Junior College.

Entertainment will be provided by the Top Brass, a musical group composed of Ken Kirk of Baylor University and John Dyer, Andy Taylor and Randy Taylor, all of Cisco Junior College.

Gary Harris, recent graduate of the School of Pharmacy at the U of T, will report on the Leon Maner Memorial Fund. The late Mr. Maner left a fund of some \$183,000 to the U of T Ex - Students Association with the earnings to be used to provide scholarships for

worthy young graduates of Cisco High School and Cisco Junior College to attend the U of T. Harris was among the first to attend college on a Maner scholarship.

Senator Creighton's talk will deal with projects and aims of the U of T Ex - Students Association.

Tickets for the dinner, which will include steak with all the trimmings, are \$4 each and are on sale in all chapter area cities, as follows:

Cisco - Kirk, Winston

Heidenheimer, Milton Humphreys, Lloyd McGrew, Scott Bailey, Gary Harris and J.W. Sitton.

Eastland - Saul Pullman, Tom Wilson and Richard Wilhelm.

Ranger - Tom Warford, Dewey Cox, Selton Brown and Floyd Killingsworth.

Breckenridge - Pat Thompson and Joe Hanna.

Mineral Wells - Creighton, Rising Star and Gorman - Newspaper offices.

Kirk said that some 500 U of T

Exes are listed on the rolls for the chapter area. He added that all Exes would be welcome at the dinner. New officers will be elected for the coming year.

Swine producers in this area are interested in improving the marketing of their pigs and hogs. A committee is now studying the practicability of establishing a feeder pig sale association in this area of the state. To help in this study we are conducting a pig and hog survey.

If you sell feeder pigs or if you buy pigs and feed them for market we would like for you to come by the County Agent's office at your convenience. It will take only a few minutes to complete the survey sheet. If you do not have time to come by the office give me a call and I will come to your place and complete the survey. As a result of the study we hope an improved marketing system will result.

Horse owners are urged to "get the jump" on VEE, that deadly sleeping sickness of horses. All horses that were not vaccinated last year should be vaccinated as soon as possible.

It was less than a year ago that the disease swept into the state from Mexico, killing hundreds of horses in its path. The 1972 campaign against VEE calls for vaccination of all horses, mules and donkeys not vaccinated last year.

Several folks have indicated that rats and mice are causing more problems this winter than usual. Now is a good time to eliminate costly rats and mice from your premises while biological conditions make a control program more effective.

The reproductive rate of rats is slower in winter, and a shortage of food makes them more likely to take bait. Starving rats also die from diseases and hungry predators prey on them during colder periods.

One way of removing the threat of rats and mice from buildings is to remove their food, shelter and water.

The rats sources of food are spilled grain, livestock feed and pet food. Place grain and feed sacks at least six inches off the floor to discourage rats from nesting in them. Keep garbage and refuse in tightly covered metal containers.

Wood and trash piles and old sheds that aren't used often should be either cleaned or destroyed. Building that are used for storage of feed or grain should be rat-proofed by sealing all entrances except doors and windows with hardware, cloth or metal flashing.

Fix any leaky faucets and other sources of water around grain storage areas.

Eliminating the habitat is a good start in a rodent eradication program. However, bait stations should also be set up in all areas where rats are likely to roam. Baiting is only effective if most other sources of food have been eliminated and the bait stations are continually supplied with bait.

Anticoagulant baits are effective and less hazardous to use than arsenic, strychnine, phosphorus and other highly toxic poisons. Anticulatory system and prevent blood

coagulation. Water baits of anticoagulants can also be used where the rats food supply cannot be eliminated.

Ready-mix baits containing warfarin, Fumarin, diphacinone, Pival, PMP, or Prolin are available under many trade names and are equally effective in controlling rats.

Check bait stations every afternoon for a few days to see if bait is being eaten. If the bait is gone, then increase the amount at that station. If there is no activity at a bait station, then change its location.

# 4-H NEWS

Mrs. Judy Cardwell, Assoc. CHDA  
Paul W. Campbell, Asst. CAA  
Congratulations to Suzanne Harbin, Jo Ann Green, Donna Derryberry and Karen Guthrie on winning the County 4-H Foods Show held on February 19th. These girls will represent our county at the District Foods Show to be held on March 11th in Hamilton.

Carbon 4-H Club members will meet on Monday, February 28th. They will be compiling year books.

Ranger 4-Hers will meet on Tuesday, February 29th.

The 4-H Adult Leaders Association is preparing for the Livestock Show concession stand. Each year the association sells hamburgers, drinks, french fries, etc. to raise money for 4-H activities. Each club takes its turn working at the concession. Adult Leaders on the planning committee are: Twila Carlile, Nimrod; Sandi Herod, Ranger; and Jean Harbin, Eastland.

The biggest livestock show of the year will be held at Houston on February 28th to March 5th at the Astrodome in Houston. Eastland County 4-H members from all over the county

will be trying for the top places in their respective classes. Exhibiting in the show will be: Sicily and Joe Heyser, Caddy and Caryn Lee, William Donham and Bennett and Darrell Shortes all of the Cisco and Nimrod 4-H Clubs. Rising Star 4-H Club will be represented by Theresa and Neil Scott and Kimberly Harris. Clint Tucker of the Carbon 4-H Club will also be trying for high honors. Most of the exhibitors will be leaving for Houston, Monday morning.

Jeanne Hounsel and Theresa and Neil Scott will be taking in the San Angelo Stock Show the week following the Houston Show.

All these fine 4-Hers have done excellent jobs in judging, fitting and caring for their livestock.

By Janet Thomas County Home Demonstration Agent

Home Demonstration Council will meet this coming Wednesday, March 1st at the Farm Bureau Meeting Room in Eastland. Mrs. T.L. Hale is Chairman of the Council and the Council members will be making plans for their annual Spring Fun Day Tour. Council will hear a report of the tour planning committee consisting of Miss Willie Word, Mrs. Albert Hendricks, and Mrs. H.E. Hartsell.

During March, Home Demonstration Clubs in the county will be having the program Household Ecology. Program leaders that receive

the training and materials in order to present the program to their local clubs were: Mrs. Zelma Lusk, Flatwood H.D. Club; Mrs. H.E. Hartsell, Morton Valley Club; Mrs. J.E. Stansell, Word Club; Mrs. Nora Booth, Lake Cisco Club, and Mrs. Ava Rodgers, Kokomo H.D. Club.

Home Demonstration Club members presented 48 4-H aprons to the 4-H Food Show participants last Saturday at Cisco Jr. College. Making the presentation of the special awards on behalf of all the club ladies were Mrs. Bernard Campbell, Co. THDA Chair-

man; and Mrs. Dale Carlile, Chairman of the County H.D. 4-H Committee.

Recipe for Upholstery Shampoo: Dissolve 1 cup of mild detergent in 1 quart warm water. Stir thoroughly, let cool. When this has cooled it will have a jelly-like consistency. A small amount of this jelly can be whipped with an egg beater until it is a dry foam. Procedure: With a sponge or brush, apply foam to a small area of upholstery using a circular motion first and then with the nap. Scrape off foam gently with a spatula or the dull edge of a knife. If very soiled repeat the process. Then rinse with a sponge wrung out of clear water. Use a little water as possible so that it will not penetrate to the padding of the furniture. Always have soft water for suds and for rinsing.

## Creighton Speaks On Abortion

Speaking to approximately 200 students and faculty at North Texas State University this morning, Sen. Tom Creighton, of Mineral Wells, warned that unless the Texas Legislature passes abortion reform legislation, Texas could well become the abortion mill center of the southwest. He pointed out the Federal Court decision in Roe vs. Wade, which invalidated the present abortion statutes.

In fact, the Court held that: "Articles 1191, 1192, 1193, 1194 and 1196 of the Texas Penal Code, hereinafter referred to as the Texas Abortion Laws, are so written as to deprive single women and married persons of the opportunity to choose whether to have children."

The Court further held that these laws are vague and indefinite and void on their face. "If this decision is sustained by the United States Supreme Court, abortion will not be a criminal offense in Texas. It is my opinion that the legislature must take action to pass a constitutional bill defining criminal abortion."

Creighton introduced remedial legislation during the last session, but the bill died because of lack of support.

"Criminal abortion is a fact...it exists, and Texas should no longer put their heads in the sand. The present statutes as written and enforced do not prevent abortions, rather they ensure that women who do seek abortions must go to a quack instead of a licensed physician."

Creighton further pointed out that the constitutionality of restrictive and therapeutic abortion legislation is currently under attack across the United States. At least five abortion cases are currently pending before the Supreme Court - 20 in the lower Federal Courts and approximately 36 in State Courts.

Without exception, all states with therapeutic abortion laws have been struck down as unconstitutional.

## Engagement Announced

Mr. and Mrs. Sam W. Herring of 206 East Burkett, Eastland, Texas, are proud to announce the engagement and approaching marriage of their daughter Belinda Kay to Robert W. Daskevich, son of Mr. J. W. Daskevich, Jr., of Midland, Texas.

The bride-to-be is presently attending Cisco Jr. College and the groom is studying at Ranger Jr. College. He is also employed at Bagwell's Motor Company in Ranger.

The couple plan a June 2 wedding at the First Baptist Church in Eastland at 8:00 p.m. by the Reverend Haston Brewer. No local invitations will be mailed but all friends and relatives are invited to attend.

sidered the second most destructive time. The fewest losses occur during the summer and fall, the survey indicated.

Most comments indicated that the red fox was primarily a problem during lambing and kidding periods. It was also noted in the survey returns that three of the predators listed are animals.

**MELODY'S NO MECHANIC** - - Even the hat can't make SIX FLAGS Over Texas hostess Melody McGee look like a bona fide mechanic, but it gets the message across. The big theme park at Arlington, midway between Dallas and Fort Worth, is getting a complete refurbishing in preparation for the 1972 season which begins March 25. SIX FLAGS Over Texas will be open daily during the week preceding Easter, and will return to a weekend - only schedule for the remainder of the Spring season. Some two million persons are expected to visit the family entertainment center this year.

## Texas Sheep & Goat Raisers

### Facing Challenges in Referendum

Texas Sheep and goat producers will be faced with one of the greatest challenges in the history of their industry when they vote March 27 - 31 in a mail referendum being held to finance more effective predator control measures in Texas.

The referendum, sponsored by the Texas Sheep and Goat Raisers' Association, will be conducted in 73 counties of Texas which contain 97 percent of the state's sheep and goat population and 81 percent of the producers. Permission for conducting the referendum was granted by the Texas Department of Agriculture at a hearing held in Austin January 7. Ballots will be mailed 15 days prior to March 27.

The state's sheep and goat producers say they are in serious trouble due to the unchecked invasion of predatory animals. Although control measures have been in effect for many years, most livestockmen do not believe the present program is adequate. If approved, the referendum will allow a deduction to be made on sheep and goats marketed to provide additional funds for financing a stronger and more effective predator control program in Texas.

Ranchment contend that predators are not controlled more effectively, their multi-million-dollar industry will be virtually wiped out. Documented economic loss suffered by sheep and goat producers in Texas in recent years is staggering. According to the Texas Crop Report Service, sheep and goat loss to predators totaled more than 305,000 head in 1967. Value of these animals, excluding loss of wool and mohair production, was more than \$3,000,000.

The fiber loss is even more damaging to the state economy since the average value of these raw products produced by these animals has they survived would be in excess of \$50 million. Wool and mohair has provided a health input to the Texas economy for more than 100 years, but this industry is in danger of being destroyed because ranchmen are finding it increasingly difficult to maintain production

Mrs. Pounds, our president, received a thank you letter from some of the 4 - H girls we made aprons for.

Mrs. Pounds and Mrs. Hodge turned in their birthday dollar to the treasurer.

Mrs. Hartsell reported on the Fun Day at the Country Club ladies are to have in April. They have decided to visit the Peanut Mill and such in Gorman.

Mrs. Hartsell brought the Program on, "It's Time to Use Pesticides With Caution".

Mrs. Hodge served sandwiches, coffee, cold drinks and cake to the following: Mrs. C.H. Tankersley, Ralph Roberts, H.C. Pounds, Bessie Peebles, Josie Nix, Alvin Kincaid, H.E. Hartsell, R.W. Gordon, C.T. Brockman, and Joe Bond.

Mrs. Roberts presented the club with \$25.00 for our part of the Stanley orders we had made.

Our next meeting will be March 8th at the home of Mrs. Brockman.

## Sunday Subject

Divine healing's place in prophecy will be examined Sunday at Christian Science church services.

"Christ Jesus" is the subject of the Bible Lesson - Sermon. It includes this text from Revelation: "The testimony of Jesus is the spirit of prophecy."

Commentary from Science and Health with Key to the Scriptures by Mary Baker Eddy includes this citation: "The highest earthly representative of God, speaking of human ability to reflect divine power, prophetically said to his disciples, speaking not for their day only but for all time: 'He that believeth on me, the works that I do shall he do also; and 'These signs shall follow them that believe.'"

Services in Eastland will be at 11:00 a.m. Sunday, Feb. 27, in the Church of Christ Scientist Building, on the corner of Lamar and Plummer.

## Mrs. Greiger Hosts Hobbists

The Hobby Club met Wednesday afternoon, Feb. 23, in the home of Mrs. Greiger.

Those present enjoyed crocheting and embroidering while they visited and had refreshments of sandwiches, cookies, coffee, and cold drinks.

Ladies attending were Mmes. Ina Cooper, Pat Crawford, Edna Taylor, Fannie O'Brien and the club president, Mrs. Russell Turner.

The next meeting will be in the home of Mrs. Ina Nichols.

## GIRL SCOUTS SELL 1,800 Boxes Cookies

The Eastland Girl Scout went very well this year. Four of the troops met their quota of 24 packages per girl. Troop 194 had the highest sales record with 557 packages. Troop 197 came in second with 540 packages. The Eastland Girl Scouts sold a total of 1800 packages of cookies and retained \$180.00 for local troop activities. The Brownwood Girl Scout Council received \$1,620.00 from Eastland sales.

The highest percentage of quotas ever met was this year. Troops meeting their quota were 193, 194, 197, and 198.

Highest individual sales were made by Deborah Meazell and Mary Sullivent.

Girls winning \$5.00 camperships for selling at least 36 packages of cookies were, Brenda Knight, Hjarden Dunn,

Theresa Mathis, Diane Moore, Kerry Petty, Carol Ragland, Jacqueline Webster, Jamie Woods, Claudia Bulgerin, Darla Elliott, Lana Williams, Diane Johnson, and Laura Underwood.

Deborah Meazell, Jamie Harris, and Mary Sullivent earned two \$5 camperships for selling at least 72 packages.

The camperships go toward the cost of attending camp Wood Lake near Brownwood this summer.

Forty-six girls earned cookie patches.

Mrs. H.J. Bulgerin, Community Cookie Chairman, expressed great appreciation to the mothers who helped transport the girls around to sell their cookies, to the troop cookie chairman who promoted the sale and struggled with the record keeping, and to the people of Eastland, who so graciously received the Girl Scouts and brought their cookies.

**WHY PAY MORE??**

MAYBE YOU DON'T NEED INSURANCE  
If you don't own a home, furniture, jewelry or a car, you can get along without the services of an insurance agent. But for the most of us, life is not that simple. Modern living has become so complex that the protection of property and personal liability is a major problem and we must be insured. The individual you can always depend on for accurate solutions of your insurance problems is your local agent.

## George Ellis Sellers

Funeral services for George Ellis Sellers, were held Thursday, Feb. 24 in Arrington Funeral Chapel, at 2:30 p.m. with Rev. Haston Brewer officiating. Burial was in the Eastland Cemetery.

Mr. Ellis died Tuesday in a local nursing home at the age of 86. He was born Oct. 7, 1885 in Ellis County, Texas and married Lexie Kimbrough July 13, 1913 in Eastland. She preceded him in death.

Mr. Sellers was a member of Pinkerton Baptist Church and a retired farmer.

Survivors include one sister, Mrs. Maggie Jordan of Aspermont; two brothers, Walter of O'Brien and Roy of Rule.

## Charlie Houston Burkett

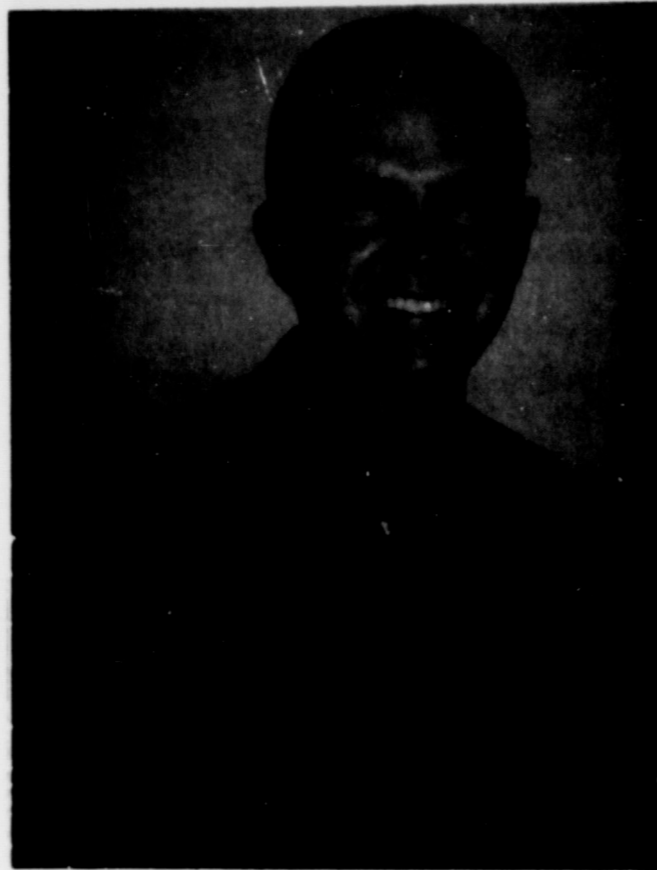

Funeral services for Charlie Houston Burkett, were held Friday, Feb. 25 at 2:00 p.m. in Arrington Funeral Chapel. Rev. James Pennington officiated with the assistance of Gary Adams.

Mr. Burkett died Wednesday, Feb. 23, at his home of an apparent heart attack. He was 71 years old.

He was born May 9, 1900 in Eastland and married Elberta Marie Burkett in 1924 in Ranger.

He was a life long resident of Eastland and a member of the Church of Christ. Mr. Burkett was a carpenter.

Survivors are his wife, one son, Charles V. Burkett of Arlington; three sisters, Alma Thompson, of Hobbs, N.M., Desi Gold of Odessa, and Betsy Fox of Waco, and two grandchildren.

Mr. Deloyan May of Sweetwater has been named to head the company's Eastland office, effective March 1, 1972. A native of Vernon, Texas, May joined Lone Star in 1954, where he served for nine years in the construction and service sections before being promoted to District Storekeeper in Sweetwater in 1963. More recently he has served as Supervisor of Storekeeping and Engineering Records in the Sweetwater office.

May is active in civic affairs; a member of the Sweetwater Lions Club, P.T.A., and is active in the First Baptist Church. He and his wife, the former Vita Jean Tarver of Vernon, have two daughters, Patricia 10, Denise 16 and one son Douglas 12.

## Little "Miss" Pageant Set

Preparations are underway by the Zeta Pi Chapter of Beta Sigma Phi. It will be held in Eastland High School Auditorium Tuesday, March 28, at 8 p.m. Mrs. Kenny Payne and Mrs. Don Brumbelow are

co-ordinators for the contest.

Any young lady between the ages of 3 and 5 years of age (as of March 1, 1972) is eligible to enter. Her parents must be residents of Eastland and she must be sponsored by a local business firm. The entry fee is \$3. Out of town judges will be secured.

"Little Miss Eastland 1972" and the 1st and 2nd runners-up will receive gifts and trophies. She will also represent Zeta Pi and Eastland in various events during the year.

If the reigning "Little Miss Eastland" and her parents leave Eastland during 1972-73, she will relinquish the crown to the 1st runner-up.

Any local business wishing to enter a little girl in the contest is asked to fill out the form below and mail it, a \$3 entry fee, and a small black and white photograph of the child to LITTLE MISS EASTLAND PAGEANT, care of Jenny Payne, Route 2, Eastland, Texas 76448, by March 11, 1972.

Be a cooler cook!

Choose AMERICA'S FAVORITE

★ THE ★ Electric Range

It's a fact that electric ranges are the Number One seller in America.

One of the many reasons more women prefer to cook electrically is because an electric range puts less heat into the kitchen air.

An electric oven is in-

ulated all the way around to hold the heat inside. And to give you accurately-controlled heat for better results.

See your appliance dealer soon about a new electric range. You'll always be glad you chose America's favorite.
