Henry Pullman Gives Program At Rotary Club

Longtime Eastland resident Henry Pullman gave a review of his life in Eastland and the United States since immigrating from Lithuania some 50 years ago and his reasons for being a Rotarian at the weekly Rotary luncheon held at noon Monday at the White Elephant Restaurant.

Pullman, who was introduced by program chairman Jack Germany, left Lithuania some 50 years ago. The 65 year old Orthodox Jew stated that he was a member of the Sherrod Israel Temple in Dallas and was born on the border of East Prussia near Russia and Germany. He was one of 10 children, three of whom survived World War II. He went to elementary school in Russia and received his higher education in Germany.

After graduating in 1913 he worked in a department store and applied for and received a job as a smuggler of black-market goods. After being caught, he finally came to Germany and later to Galveston where he lived with his uncle and sister.

He worked in a junk yard in Amarillo, then joined the Army after war broke out. He was sent to Fort Bliss. After the war he returned to Amarillo and married his wife, Tillie. He worked for his father-in-law until coming to Eastland where he ran a grocery business. Eventually he opened a junk yard business. He is a member of the VFW, American Legion, Masons, Shriners and Rotary. He has been a Rotarian since approximately 1929.

Rotary visitors included E. W. Mince of Cisco, V. L. Clements and E. W. Berry, both of Abilene, and R. E. Stearns of Overton.

John Moore was introduced as a new Rotary member.

BLACKLEG REPORTED ON AREA FARMS- CALVES DIE

A reported outbreak of blackleg in the Sabanno, Atwell and Nimrod areas resulted in increased sales of blackleg serum last week, according to reports from suppliers of veterinary medicines.

A Baird veterinarian determined that the disease was the cause of death of four calves at the Lewis Brawley place, two miles east of Sabanno. A veterinarian was said to have given the same report on two animals owned by Jim Hewes of Atwell.

Although most ranches customarily vaccinate all cattle in their pastures, some of the smaller herds do not always receive this protection, it was said. An infectious disease, blackleg is usually fatal to young cattle. It is characterized by high fever and crackling swellings under the skin and is thought to be sometimes prevalent in swine and sheep.

Livestock losses from undertermined causes have recently been reported by scar Shafer of Sabana, several residents of he Nimrod vicinity, and the W. B. Holcomb farm.

Firemen Halt Sunday Blaze At Lake Leon

(See Related Photos On Page Four)

About 500 acres of range and grassland near Lake Leon were ravaged by a roaring fire Sunday. But cabins in the vicinity — valued at about \$100,000 — were saved.

The blaze was touched off about 3:30 o'clock Sunday afternoon and was not brought under control until about 10:30 p.m.

About 30 firemen from Ranger, Eastland and Gorman battled the raging fire with three trucks.

"I bet the wind was blowing 50 miles an hour, Eastland Fire Chief Robinson said. "We couldn't catch it, we just had to wait. It had to go to the road — and then it jumped the road on us!"

The fire started on FR 570 on the old Dr. Weir place, belonging to his daughter, Mrs. Pete A. Jameson, a cattle rancher. A man told officials that he had seen another man — who apparently is known by name — stop a car and set the blaze. About a mile of fence — about half the ranch's fence-line — was destroyed along with the grass.

The blaze burned down to the shore on the north side. About 15 living units, tourist courts and private cabins in the vicinity were not damaged.

At first Chief Robinson and Sheriff Lee Horn speculated arson might have been involved. An investigation, however, indicated that it probably was an accident. They said the fire probably started as the result of a match or cigarette carelessly tossed from a passing automobile.

Ringling Circus Has Big D Date

DALLAS — Over 25 million youngsters of all ages each year look forward to the arrival of The Greatest Show On Earth — Ringling Bros and

McComas returned home with them for a few days visit.

The ex-students of HNC met at 9 a.m. on June 7 in the high school auditorium for their 30th meeting. The first year of their meeting was in June 1933. At this gathering there were over a thousand present. During this time they missed one meeting.

Registration began at 9 a.m. with Mrs. Sally Bishop and Mrs. Clara Cockrill presiding at the registry table. There were 54 ex-students and 21 husbands, wives and children and grandchildren who registered for lunch. There were a number of visitors who also registered for lunch.

The house was called to order at 10:30 a.m. with the president, Jesse Reynolds, in charge. The meeting opened with congregational singing.

Invocation was by Ben Grant of Breckenridge, response by Trimble Spratling of Smithville. C. S. Eldridge of Desdemona gave the morning message in absence of Hon. Cliff Caldwell of Abilene who was unable to attend due to sickness in his family.

Mrs. J. H. Hankins made a short talk followed by several short talks by ex-students.

A delicious plate lunch was served to 87 persons attending. Not all of the two hours were spent devouring the luscious food but a lot of reminiscing took place and everyone had a wonderful visit.

The afternoon session was devoted to business. Mr. Clarence Troweck of Bangs was elected president, Mr. Dave Harper of Gorman, vice president, and Mrs. Clara Cockrill of Eastland was elected secretary and treasurer.

The memorial services were conducted by the pastor of the First Baptist Church, Rev. Palanac, his subject was "Success of Moses". He gave a wonderful talk and bringing it down to the present times it was the most interesting service we have had. As he finished he called the names of 14 ex-students and husbands and wives who had passed away since our last meeting.

The meeting closed with prayer by Rev. Palanac.

Barnum & Bailey Circus. The same holds true in Dallas, where the Big Show arrives Wednesday, July 15 for eleven big performances in five days at the Dallas Memorial Auditorium.

Shows are scheduled for Wednesday, Thursday, and Friday at 2:30 and 8 p.m.; Saturday at 10:30 a.m., 2:30 and 8 p.m.; and Sunday at 2:30 and 6:30 p.m.

In keeping with its "always something new" policy, the Circus is including more than twenty acts never before seen in this country. First on the list is Charly Baumann and his tigers, an act personally scouted in Europe by Circus president John Ringling North. Baumann's talented tigers jump through flaming hoops, dance the waltz, and even allow him to ride bareback.

Other new additions to the show are Kubler's Chimpanzees; Ethel Jennier's Seals; and Victor Julian's Famous Dogs.

La Toria, young Viennese chatter who made her debut last season, is back again with new, daring routines high above the center ring; and, as always, animal acts are appearing in abundance, featuring Hugo Schmitt's three rings of performing elephants, Jack Joyce's camels, Charles Moroski's Liberty horses, and many more.

Of course, Ringling Brothers' huge contingent of clowns top the climax of The Greatest Show on Earth with new rib-tickling routines and laugh-provoking costumes.

Tickets are on sale at the Dallas Memorial Auditorium, and good seats are available until showtimes. Prices range from \$3.50 to \$2.00, with children one dollar less, except at Saturday afternoon and night and Sunday afternoon performances.

State Capital NEWS

By Vern Sanford

AUSTIN—A study of the recent party primaries and runoff elections reveals that the number of Republican candidates on the upcoming General Election ballot, in the grassroots area, will strengthen the ever-growing trend toward a complete two-party state.

For example, 18 Democratic nominees for sheriff will face Republican opponents in November.

Also, the Republican party is engaged in one county judge race (in Lubbock County); seven races for county attorney; two for county clerk; 12 for county tax assessor; two for county superintendent of schools; and 78 for county commissioner.

GOP also has candidates for most top state posts and for more than half of the 150 House of Representative posts. In addition George Bush will carry the Republican banner in the U. S. Senate race against incumbent Democrat Ralph W. Yarborough.

Gov. John Connally returned from the national Governors Conference in Cleveland, Ohio, with an important new appointment. His selection as first chairman of the Democratic Governors Caucus was a unanimous one by the 50 Democratic state chief executives.

Reportedly, Connally also was given some consideration for chairman of the 1965 Governors Conference, although he is in his first term. The governors will hold their first major caucus just before the National Democratic Convention in Atlantic City, N. J., during August.

Texas National Guard Association expressed concern over reports that U.S. Department of Defense would stop logistical support to the so-called "reinforcing reserve."

These units, said NGAT, would provide a mobilization base on which the country would build its force in event of large-scale war.

Texas' 49th Armored and 36th Infantry divisions are both part of this "reinforcing reserve," as is the 90th Reserve Division.

Texas had a total of 10,325 manufacturing plants which added \$6,400,000,000 of value by processing raw materials into finished goods in 1962, according to the "Annual Survey of Manufacturers," recently released by the Bureau of Census.

Figures represent an expenditure for new plants during a single year. Some 500,000 plant workers earned a total of \$2,700,000,000 for the year, while 350,000 production workers earned \$1,600,000.

Food processing was the largest employer with 80,239 employees. Biggest investment was made by the chemical industry, with \$167,000,000 in new capital expenditures.

The petroleum refining industry spent \$155,000,000 for plant construction and improvement.

The State of Texas has asked the Texas Supreme Court to reconsider its decision that the Sunday closing law does not prevent customers buying any article of merchandise on

Sunday if they sign emergency certificates.
Texas Employment Commission reports that in April total unemployment declined for the third straight month some 39,300 jobholders increased the employment total to 3,590,700. Farm employment rose 17,800 to reach 300,700 by mid April as seasonal workers were hired to plant a variety of row crops. This brought the total of seasonal workers to 105,800 or 3,500 more than at this time in 1963.

Rising Star News

A revival is in progress this week at the First United Pentecostal Church on West 36 in Rising Star. Evening services are scheduled for 7:30 each evening and special music will be presented, according to Mrs. A. J. Martin, pastor. Evangelist doing the preaching is a sister-in-law of the Rising Star pastor. She is Mrs. Fay Martin, whose husband is the pastor of the congregation in Dumas.

Services are scheduled to continue all through the week, Mrs. Martin stated.

A group of young folk from the First Methodist Church enjoyed skating, swimming, miniature golf and supper at Lake Cisco on Monday evening. The group, 16 in all, were accompanied by their sponsors, Rev. and Mrs. Milton Slayden, Mrs. L. G. Crawford, Mrs. W. H. Dalton, along with one guest, Mrs. L. G.

Crawford, Jr. of Cleburne. Mrs. Mary Beth Buzbee of Mara Caibo, Venezuela, is in Rising Star for several days to visit Mrs. T. B. Buzbee and Geraldine, her mother and sister. A brother, Thomas Buzbee and daughter from Big Lake came while Mary Beth was here. Also Mrs. Doris Dunson and Mrs. Judy Satterwhite of Houston.

Rev. and Mrs. W. C. Crawford of Mt. Calm, Texas visited a few days with their parents, Mr. and Mrs. L. G. Crawford and Mr. and Mrs. Doc Hammonds. The Crawfords were recently transferred from the Wesley Methodist Church in Cisco to the pastorate at Mt. Calm near Corsicana, following the West Texas Conference in Fort Worth.

National guardsman Gary T. Grogan of Rising Star, employee of USDA Soil Conservation Service in civil life, is undergoing an intensive two weeks training program this summer at Camp Mabry at Austin. During the next eleven months, Grogan will return to Camp Mabry for weekend drills and next June for two additional weeks training after which he will be a candidate for second lieutenant in the Texas National Guard. This summer training program is being given to 190

National Guardsmen who compose the eighth such class of candidates since 1957, and is patterned after the infantry school at Fort Benning, Georgia.

Grogan, a graduate of Lipan High School and Texas Tech College has been a member of the guard since 1962.

Members of the Smith and Alford families met Sunday, July 5, at the American Legion Hall in Rising Star for their annual get together of the two families. Basketball was spread at noon and many friends called during the day.

Miss Sharon Donham, daughter of Mrs. Helen Donham of Rising Star was selected as a representative of future homemakers of America and attended the second annual Attorney General's Youth Conference in Austin July 10 through 12. Sharon was one of over 1600 delegates from 25 Texas Counties attending the seminar which included discussions on juvenile crime problems, teen-age recreation and sparetime and new ideas for combatting juvenile crime and special drop-out problems.

Sharon graduated from Rising Star High School this past term as Valedictorian of her class. She was a cheerleader for two years, president of the Student Council, and has served in several offices of the Rising Star Chapter PHA including Area IV vice-president and member of the nominating committee on the State level.

Capt. and Mrs. Jimmy Nichols will be leaving soon for overseas duty where he will be stationed at Weisbaden, Germany. Jimmy, son of Mr. and Mrs. Dick Nichols of Rising Star, will embark from New York July 15.

His wife, Carlene, daughter of Mr. and Mrs. Carl Irby, and the two children, Linda and Bill will follow at a later date.

At present the family is residing in Dallas where they returned Friday after a two weeks visit in Rising Star.

Miss Cynthia Brown daughter of Mr. and Mrs. Perry Brown of Rising Star has been named to the Distinguished Students Honor Roll at John Tarleton State College for the second semester, according to a letter from president E. J. Howell.

Cynthia plans to return to Tarleton for the fall term to continue her studies in home economics in which she is majoring.

Five members of the Rising Star FFA Chapter, accompanied by their sponsor and advisor H. L. Geve, are attending the State FFA Convention in San Antonio this week, July 15, 16, and 17.

The ones attending are Mike Stroebel, Terry Geve, Dickie Tucker, Mike Donham and Danny White.

Terry Geve will represent his chapter as voting delegate. He will also receive his Lone Star Farmer degree while at the convention the highest degree which is conferred by the State FFA organization.

The new city sewage disposal plant of Rising Star has been in operation for the past two weeks and appears to be just what it was recommended to be according to Mayor Walter Smith, but must still pass inspection of the State Health's Department before being accepted by the city.

The plant represents an investment of about \$80,000 of which the city voted \$25,000 in bonds and the balance came from a grant from another source.

Rev. and Mrs. A. D. Kyle have returned from a vacation trip where they visited her sister in Denton and on to visit other relatives in Carthage, Beaumont and Baytown.

Recent guests in the home of Mr. and Mrs. Ervin Hull were Mr. and Mrs. Charles Burnett of Asheville, N. C.; Mr. and Mrs. Eddie Burnett and children, Kelly and Lorie of Austin; and Mr. and Mrs. Robert Hull, Linda and Robbie of Midland.

Hugh Childress and daughter, Mrs. Martha Jay Childress visited their former home in Gilmer, Texas where Mr. Childress has a brother and a sister residing. While there, the group enjoyed an outing at the Lake of the Pines, one of Texas' newer artificial lakes, with 200 miles of shoreline.

Mr. Childress operates a dry goods store in Rising Star and Martha Jay, a teacher, taught in the San Angelo school system this past year.

Six teams of three members each, have been competing in bowling for the past two weeks at Fiesta Lanes in Eastland.

NEW AREA MISSIONARIES

ELDER BRENT SIMPSON

ELDER JOHN H. CURFEW

Elder Brent Simpson of Star Valley, Wyoming, and Elder John H. Curfew of Jensen, Utah, have arrived in this area where they will serve as missionaries of the Church of Jesus Christ of Latter Day Saints (Mormon).

The Elders will meet each Sunday at 10 a.m. in the Rebekah Lodge Hall in Eastland to conduct services. They will also be making calls on homes

in this area, teaching and explaining the beliefs of the church and declaring the restoration of the gospel of Jesus Christ, according to Elder Curfew.

Elder Simpson graduated from high school in 1962 and attended Ricks College in Rexburg, Idaho, for one year before volunteering for missionary service. He served in the

Gulf Coast area before coming here. Elder Curfew is a 1961 high school graduate and attended Utah State University prior to his service in the Gulf Coast and East Texas areas. Both young men have completed almost half of a two-year voluntary term of service.

The public has been invited to attend the services each Sunday.

Mr. and Mrs. R. E. Miller Feted With Shower On 50th Anniversary

Mr. and Mrs. R. E. Miller of Ranger celebrated their 50th wedding anniversary on Sunday, June 28th. They were honored with a come and go shower at the Bullock Community schoolhouse.

The room was decorated throughout with gold and green colors. The serving table was centered with a beautiful three tier wedding anniversary cake decorated in gold and green and topped with a miniature bride and groom. At each end of the long table were punch bowls filled with golden colored punch. Individual decorated cake squares and punch were served to the 103 guests who attended. Miss Jakkie Lou Basham of Snyder and Miss Sue Nickel of Caddo presided at the serving table.

A registration table and a gift table were also decorated

with green and gold. Mr. and Mrs. Miller chose as their selection a reclining chair and a linoleum at Montgomery Wards. They also received numerous other gifts.

Pictures were taken throughout the afternoon and the regular Bullock monthly singing group furnished singing throughout the afternoon.

Mr. and Mrs. Miller had 19 grandchildren and one great grandchild present.
