Absentee Voting Gets Underway Wednesday

Absentee voting for the June 6 primary run-off election began Wednesday at the County Clerk's office.

Run-off ballots are simple, Cisco voters will help decide only two contests—the county sheriff's office and Congressman-at-large.

Eastland, Ranger and Olden voters will have an additional race to vote in—that of County Commissioner.

In the sheriff's run-off are L. E. (Lefty) Subiett and J. B. Williams.

Joe Poole and Robert Baker are in the congressman-at-large run-off.

Precinct One voters will decide between Danny Woods and Earl Blackwell for commissioner.

Persons planning to be out of town on June 6th election day, may vote absentee at the

clerk's office between 8 and 5, regular office hours or they may make formal application to the office and request that a ballot be mailed to them. Absentee balloting will end June 2, and the office can mail ballots out through that day. Any ballots mailed out must be returned by 1 p.m. election day, June 6.

Candidates are to file run-off expense accounts either Tuesday, Wednesday or Thursday of this week, and final accounts will be filed no later than June 16, it is reported.

Rising Star News

By MRS. LEE WHITE
Terry Geye, Rising Star FFA member submitted his application for the Lone Star

Farmer degree to the district and area committees for checking. It has been submitted to the state checking committee and will be screened by that group next month, according to a statement from the chapter advisor, H. L. Geye, who is also agriculture teacher for Rising Star school. Members of the Rising Star

Chapter receiving special awards recently were Mike Stroebel, Star Greenhand; Mark Walker, Farm Mechanics; Mike Donham, Electrification and Soil and Water Management; Gary Duggan, Farm Safety; Dwight Carter, Public Speaking; Frazier Clark, Crop Farming; and Terry Geye, Star Chapter Farmer, who also received special award in Livestock Farming.

The Star Patrol, of the Rising Star Scouts, under the leadership of Mrs. Weldon Hill, and assisted by Harriett Schmitt, displayed their art work done during recent weeks, in the window of Croan's Variety Store on Thursday, May 14, for all to see. Some of the work on display included crafts, painting, and articles of clothing they have completed. The display will stay in the window for a number of days.

The Senior Class of Rising Star High School, sixteen in number, together with their sponsors and room mothers, went to the Circle R Dude Ranch near Medina, Texas via air-conditioned chartered bus on Thursday for their class trip. They returned home late Saturday evening, sun-burned, tired, but traditionally happy and care-free.

Sponsors making the trip with the seniors were Supt. Sam Jones, Mrs. Mary Claborn and Mr. Weldon Hill, and the following room mothers: Mmes. A. B. Jones, Helen Donham, Allan Dean Schmitt and F. W. Pittman.

The Training Union Rally held on Monday, May 11, for the Cisco Association, was a profitable one, according to a spokesman of the host group of the First Baptist Church of Rising Star. Moderator for the meeting was Rev. Haston Brewer of the Eastland Church and Rev. L. L. Trott, district missionary, was one of the speakers.

Supper was served by the host group to 142 members following the Board meeting and WMS meeting.

Rising Star Post Office service schedule has undergone a change, according to local

postmaster, Mrs. Cliffogene Witt.

The office will open at 8 a.m. and close at 4:30 p.m. each week day and from 8 a.m. to 12 noon on Saturday. No money orders will be written on Saturday and no inquiries or claims handled regarding damaged parcel post packages; no postoffice boxes may be rented on Saturday. These are some of the services that are being discontinued on Saturday in compliance with the economy step whereby the recent federal income tax cut in line with the President's program was made possible.

The Rising Star Chamber of Commerce has undertaken the organizing of a United Fund combining several civic and charitable groups of the

city. They adopted a charter recommended by a previously appointed committee namely, Bill Dennard, chairman, Lane Wells, Ira Hudler, C. A. Claborn and Ed Croan, at Tuesday's meeting according to John Pruet, president, and another committee was named to nominate a board of directors from which the officers of United Fund will be chosen.

Committee members are Jay Koonce, Walter Smith, Bill Tyler, James Rutherford and Benny Butler.

The initial budget, made up of estimated annual askings of ten organizations or programs to be included in the United Fund group was set at \$2,130 and would be accomplished in one drive.

Long Branch To Have Homecoming

The annual homecoming for the Long Branch Community will be held Sunday, May 31, at the Long Branch Baptist Church, according to an announcement by Rev. C. O. Clements, pastor.

Speaker for the 11 a.m. worship service will be a former pastor, Rev. Paris Barton. A song service has been set for the afternoon session following lunch. The public has been invited to attend the homecoming.

The Long Branch church is located 12 miles south and 3 miles East of Cisco off the Rising Star Highway.

tion and have elegant roofs thatched with matting woven from palm leaves. Our guide pointed out houses that are now, or have been, the homes of famous people, including the writers of the South Seas, James Norman Hall and Charles Nordhoff; the French painter, Paul Gauguin who lived on the island from 1896 to 1901; and the well known star actor Marion Brando.

As we rode along in our comfortable bus we observed several interesting things. One was a man sun-bathing while stretched out on top of a bus that had been parked beside the road. Roadside signs which warn that a school is nearby show the figures of a boy and a girl walking with books under their arms. We overtook and passed a girl who drove an auto and was delivering long, thin delicious looking loaves of French bread. She simply stuck them into mail boxes.

Our trip took us to historic Point Venus, where on June 23, 1767, Captain Wallis commanding His Majesty's Ship, "Dolphin" discovered the island by accident. Two years later Captain Cook in H.M.S. "Endeavour" came to this spot

on an assignment by the Royal Society of London to observe the passing of the planet Venus across the sun. The name Point Venus was given to commemorate that visit. Today there is a lighthouse there.

A stop was made at the tomb of the last king of Tahiti, King Pomare V. He died a drunkard and on top of his elaborate stone tomb there is a large stone replica of an abrinthe bottle.

Before we had lunch at the Hotel Tahiti Village we made a side trip of the main road to visit one of the several open-air temples of the old Polynesian religion. There we found a stone platform made of wet lava and coral where high priests and idol-bearers conducted services which occasionally included human sacrifices.
