

LL All-Stars Win Runner-Up Title

Eastland's hustling little All-Stars lost a heart-breaker Friday night at Coleman, but received a beautiful trophy in recognition of their stellar diamond play.

A Ranger All-Star aggregation scored three runs early in the six-inning district championship duel to sack up a 6 to 3 win.

The Ranger-Eastland contest climaxed double-header district playoffs at Coleman. In the opener, Brownwood's All-Stars squeezed out a close 4-3 victory over Cisco.

The winning Ranger club was presented a large gold trophy as district champions. Runner-up Eastland also received an award.

Ranger's All-Stars scored one run in the top of the first, punched across two more in the third frame and cashed in with a big 3-run explosion in the top of the fifth. The Rangerites scored their six tallies on seven hits. They committed two errors.

Eastland went scoreless for the first three frames, tallied a lone run in the fourth and blasted out a pair of homers in the bottom of the fifth. The Eastlanders tapped winning pitcher Mike Loyd of Ranger for eight hits. They were charged with only one miscue. In the top of the first, Tommy Botts of Ranger reached first on an error, Lloyd grounded out, pitcher to first, then Richard Williams slammed out a double to score Botts. Williams, on an attempted

steal, was tagged out at second, and Johnny Graham fanned to end the top of the first.

In the top of the third frame Ranger scored a pair of runs on two hits, and then in the fifth they cashed in three runs off three hits — two of them four-masters by Roy Nix and Steve Dempsey.

Eastland fans were heartened in the bottom of the fourth when it appeared a rally was in the offing. Kenny Wilson and Danny Brooks shook their Ranger foes with a pair of back-to-back round-trippers. But tight Ranger pitching and sharp fielding chilled the uprising.

HAPPY BIRTHDAY! — Judy Carol Taylor, 9, standing in the chair above, had been blindfolded while a birthday cake and presents (below) were arranged in front of her at the Friday night dinner for Girlstowners at CJC. The cake was served to everyone present. Judy Carol's presents (from "Uncle" Jim Golden shown with her) included a radio, a camera and a photo album. She was speechless for a time and then her face lighted up with a grin and a glow that delighted everyone present. Watching at right was Libby Sullivan, 11. (See story on page 4.) Fiesta Bowl Re-Opening Celebration Set Today

The Eastland Fiesta Bowling center will have a surprise-packed re-opening celebration Sunday (today), and the agenda is full, according to an announcement by O. D. Hill, new owner, and Tom Pierson, manager.

The entertainment center, located on Highway 80 east of Eastland, has been purchased by O. D. Hill, veteran bowling lane operator for the past 37 years. The firm will be managed by Tom Pierson, another longtime bowling professional. To mark the opening celebration, Sunday has been declared "Fiesta Bowl" Day in Eastland, and beginning at 1 p. m., the excitement will start at the bowling emporium. Door prizes, gifts, games and surprises are in store for visitors at the re-opening, Hill stated.

A live entertainment, the Tempests, jazz combo, featuring a noted vocalist, will appear. A live radio broadcast from the bowling center will begin at 2 p. m. Free refreshments, free bowling instruction and a featured attraction will be on the program. Outstanding in the entertainment is a scheduled bowling match between well-known Eastland keggers. A team including Ethel Scott, Joyce Hoover, Lazelle Johnson and Joan Cox will play a team including Modell Gann, Jane Carter, Jackie Beck and Winnette Maynard at 2 p. m. The men's team, as yet incomplete, will be captained by

Social Security Representative Here Monday

Leo Gann and will also include Howard Langford. Other contestants will be named later.

Mrs. Gann is the president of the county Women's International Bowling Congress, and Gann is president of the County American Bowling Congress.

Expansion and improvement of the snack bar facilities is almost complete. Capacity was doubled, and an expanded menu will be offered.

H. L. Weatherly, Field Representative of the Abilene Social Security District Office Will Visit Eastland on Monday, August 3.

He will be in the County Court Room at 10 a. m. Weatherly states that these field visits are made for the convenience of the residents of this area and that they will receive the same service on claims and other social security matters that they would receive in the Abilene office.

Girls Baseball Game Set Aug. 3

A girls baseball game will be played at 8 p. m. Monday, August 3, at the Firemans Field in Eastland between girls of the Socialite Club and girls of the Double Seven Club. Admission will be 25 cents for all ages.

The Socialite Club is girls who are Juniors in High School and the Double Seven Club is sophomore girls. Tickets may be purchased in advance from any member of either club or call Sherry Butler, president of the Socialites, at MA 9-2095, or Jo-die Cameron, vice-president of the Double Seven Club, at MA 9-2594. Proceeds from the game will go for various club activities throughout the year.

Few Suits Being Filed For Delinquent Taxes

By EVELYN CLEMENTS Delinquent tax collection is adding funds to the tills in Eastland County.

Taxing authorities in Eastland, Ranger, and Cisco have employed the Edward Taylor Tax Service of Snyder to collect delinquent city, water and school taxes for the respective cities and agencies, according to county authorities.

Results are reported as good. Mr. Taylor has been working on the delinquent tax rolls since February. Property owners were mailed notices of their taxes due and the fifth notice mailed stated that a tax suit would be filed on the property owner if the taxes were not paid by July 1.

There had been 56 tax suits filed for Cisco last week, Eastland had 15 filed this week and some are due to be filed for Ranger next week. The tax service receives 15 per cent on taxes they collect. To date, the city has paid Mr. Taylor a commission of \$586.59 on a total of \$3,910.59 that he has collected thus far on city taxes. There were approximately \$33,334.33 in delinquent city taxes when Mr. Taylor began his collections. Lewis Tiner, city manager, has urged all property owners who have de-

'Tourist of Month' Program Begins This Week in Eastland

Highway signs, camp sites, tourists of the month, aerial photographs of Eastland, Christmas decorations and a membership breakfast were topics of discussion at the monthly meeting of the Chamber of Commerce directors Thursday at noon.

To be begun next week is the city's annual Tourist of the Month program which will feature a picked traveling family to the hospitality of Eastland. Frank Deaton, chairman of the special committee, reported that he had gotten approval from several local merchants to participate in the program, and that the first tourist car will be "stopped" next week. It was agreed to hold the project twice in August and perhaps once in September. (A similar program was carried out here last summer.)

President James Smith presided and reported that he would contact merchants concerning the purchase of four more Christmas decorating plaques, after directors voiced approval of increasing the amount of decorations. (Eight of the colorful displays were bought last year by various groups.)

Area South Of Cisco Receives Two Inches Rain

Rain measuring from a trace to two inches fell in Eastland County during a thunderstorm Thursday afternoon. Relief from the severe heat was a benefit that everyone appreciated, and those who got enough rain to help their parched fields and lawns had more for which to be thankful.

In Cisco, the rain measured from .4 at the city hall to about an inch in the south part of town. The area two to four miles south of Cisco had up to two inches of rain. Lake Cisco reported about an inch. Eastland measured only .13 of an inch, and Ranger reported about a quarter of an inch. Putnam had .4 of an inch, Moran had .3 and most of the county got a small amount.

Smith also reported that the historical plaque will probably be presented to Everett (Continued on Page Two)

Former Residents Die In Lubbock

Word has been received of the recent death of Mr. and Mrs. George E. Knight of Lubbock, former residents of Eastland.

Mrs. Knight died Wednesday, July 1, when their home was damaged by an explosion and fire, and Mr. Knight died Thursday, July 2, in John Sealy Hospital, Galveston where he was taken following the explosion and fire. Hospital officials said Knight, 83, suffered a heart attack Thursday morning and apparently that was the cause of death.

The Knights moved to the South Plains from Eastland County in 1916 and lived at Red Springs near Idalou two years, returning to Eastland County where they resided until they moved to Tahoka in 1921.

Knight was retired. He had been in auto sales and real estate business. He was born July 31, 1881 at Frio, Texas, the son of the late Uncle Ed and Aunt Mary Knight. The Knights were married Nov. 26, 1899 in Eastland County.

Mrs. Knight was the former Corinna Ethelyn (Janie) Gray.

Mr. Knight was a cousin of Mrs. W. S. Poe, Frances Cooper, Mrs. Joe Bond, and Mrs. George Fox, all of Eastland.

Other survivors are two sons, Winter and Leroy of Tahoka; three grandsons, and four great-grandchildren.

First Baptist Church Revival Begins at Morning Service

Revival services begin today at the First Baptist Church in Eastland. Rev. Haston Brewer, pastor, is the Evangelist and William Chance is Music Director. Services will be held at 10 a. m. and 8 p. m. each day through August 9th. The auditorium is air conditioned and the nursery will be open during all services. The public is invited to attend all of the revival services.

Livestock Feed Request Denied By Disaster Group

Eastland County's request to be declared an emergency area and eligible for livestock feed benefits due to the prolonged drought has been "deferred for the time being," according to reports received here late this week.

"The application for livestock feed grain for Eastland County was considered at the last meeting of the U.S.D.A. State Disaster Committee on July 24 and it was agreed to defer action for the time being," a message to W. E. Tyler, president of the First State Bank in Rising Star, said. Other avenues of assistance may be available however, said Gilbert Meredith, Eastland County Agricultural Stabilization and Conservation Service office manager, who also received a copy of the message Friday afternoon.

The message, signed by W. Lewis David, state executive director of the ASCS office, also said: "Grain sorghum harvest is in process over much of the state and grain is plentiful in most areas, although we realize that there is a shortage in some counties. Since grain can be obtained through commercial channels from sources out of the county, the Committee does not feel that the Livestock Feed Program should be initiated at this time and it has not been approved in any county in the State. There is no program now available by which hay can be furnished to livestock owners, although permission may be obtained to cut hay from conservation reserve land and diverted acres under the Wheat and Feed Grain Program."

This last point, Mr. Meredith said, may, if approved, offer some relief for county ranchers and farmers. He emphasized however that approval has not been given yet, and that persons definitely should not begin grazing of designated diverted acres until permission is given in writing. To do so would violate conservation contracts and would result in the re-payment of funds received for diverting acreage, he pointed out. Meredith talked with the state office Friday by telephone and was informed, he said, that state office permission to graze diverted land might be forthcoming by about Tuesday.

"When we are given the official okay, our office will announce through the local newspapers, facts concerning the program and procedures for obtaining permission to graze such acres," Meredith said. He added that there will be a

charge involved, because land owners have been paid for diverting the land already.

He estimated that there are about 10,000 acres in the county presently diverted and that approximately 7,500 acres of this has good, acceptable cover which would be of immeasurable benefit for stock.

The letter from the state director concluded: "Eastland County's application for initiation of the Livestock Feed Program will be reviewed periodically and the County U.S.D.A. Disaster Committee will be notified immediately when and if the program is approved."

The recommendation that the county be so declared for livestock feed benefits was approved Wednesday, July 22, by the Eastland County Drought

Disaster Committee, made up of Elmer E. Blackwell, county ASCS board chairman; County Agent J. M. Cooper; and FHA administrator Homer Cole.

Approximately 3,250,000 pounds of livestock feed was delivered under the previous drought program, which ended last May 31.

The recommendation was forwarded to the state committee, in anticipation of benefits provided eligible areas under Section 407 of the Agricultural Adjustment Act, as was announced.

Impetus to the request was added by supplemental request made by County Judge Scott Bailey, county bankers and others to President Johnson, Gov. Connally and others.

Gilbert Meredith Assumes Duties as New ASC Manager

Gilbert Meredith, new office manager of the Agricultural Stabilization and Conservation office in Eastland, assumed his duties here Monday morning. He came to Eastland from Breckenridge to fill the vacancy created recently by the death of Emmett Powell. Meredith has been with Agricultural Stabilization and Conservation for 15 years. In 1949 he was Performance Supervisor in Lampasas County. He became office manager in Sanderson in 1953. In 1954 he served as office manager in Mertson. He served in that capacity for 8½ years. He went from Mertson to Breckenridge in 1961 to fill the vacancy created there by the death of A. C. Henderson. He is Charter Director for Texas Association of County Agricultural Stabilization Employees.

He is a member of the Cisco Commandery, a high priest of the Royal Arch Masons and Deputy Master of Council of the Masons. He served as first vice president of the Lions Club at Breckenridge. Meredith was raised on a farm in Lampasas County and attended Sam Houston State Teachers College. He is married and has one daughter, Alexa, who is 12 years of age and will be a student in the 7th grade this year. Mrs. Meredith is a teacher and taught third grade in North Ward School in Breckenridge since 1961. She had been rehired as teacher there this

year but has resigned that position. The Merediths are members of the Baptist Church.

Other employees of the Eastland Agricultural Stabilization office include Everett Morton, Mrs. Novella Bigby, Mrs. Myrtle Aaron, Mrs. Mae Edna Gattis, Mrs. Barbara Anderson and Mrs. Mildred Sherill, who are full time employees; and J. L. Hughes, Coda McDaniel, Miss Rebecca McAlister and Miss Mary Been who are part time employees.

Approximately 25 people attended a get-acquainted picnic held in honor of the Merediths (Continued on Page Two)

JUDGING SET FOR MONDAY IN CHAMBER'S IDEA CONTEST

Judging in the Eastland Chamber of Commerce's unique "idea contest" has been set for Monday, according to Committee Chairman Dick Dixon. Entries have been solicited from Eastland residents for the past month for ideas on how to develop and promote Eastland trade and tourist attraction in the forthcoming skirting of the city by the Interstate 20 highway.

Everything from bluebonnets to horned frogs have been suggested in the groups who have gotten their heads together in efforts to dream up a tourist promotion idea. And the Chamber of Commerce is paying \$15 for the first prize idea submitted. Second prize is \$10, and third is \$5.

Contest deadline was July 31, midnight, and judging will be held Monday. Winners will be announced with pictures in the Thursday Eastland Telegram. Probably the first "idea contest" in this area's history, the competition was arranged so that Eastland residents could have a hand and a say in what happens to the city in the future when the new highway leaves it on the sidetrack. Chamber secretary Emmalou Benton announced that some 19 entries had been made at press time Friday.

Some of the entries have more than one idea submitted to an envelope.

Did you submit an idea? Yours may be the lucky \$15 winner. And that's not a bad price for the thousands and thousands of dollars that are needed from tourist trade in Eastland.

Thursday Night Action

Prior to Friday night's district final play, the Eastlanders had topped Cisco's All-Stars, 4-3, in a six-inning contest at Coleman Thursday night.

At the same time the Ranger All-Stars topped Brownwood, 12-11 in a hair raiser. Coaches of the Eastland diamond aggregation were T. J. Berry of the Medics; Roy Harbin, mentor of the Lions during the regular season, and Walter Maynard, president of the Eastland Little League organization.

In the Cisco fracas Thursday night Daryl Thomas and Roger Berry accounted for two of Eastland's 4-run total with homers. Kenny Wilson worked on the mound for five innings and Danny Elrod went for two. Cisco's Keith Farrow was the losing chunker.

TOURIST

(Continued from Page One.) Plowman by Mike Collins, chairman of the county historical survey committee, for placement on the Corner Drug Store, oldest building in Eastland. The chamber received the plaque for presentation.

Tom Wilson asked permission, which was granted, to prepare pictures of Eastland landmarks, buildings, etc., for inclusion in a community development report prepared by Texas Electric Service Co. The reports are printed and distributed as a public service by TESCO, but they do not contain pictures, and many other towns are adding pictorial presentations to the reports to enhance their value and attractiveness, Wilson said. Don Viergever explained where aerial photographs of the city, the county and the area, could be obtained by the federal government. About \$200 will be spent to print the various pictures for inclusion in the report, Wilson said.

A. D. Taylor was appointed chairman of a committee to explore developing either Ringling or Eastland Lake into a public camping site to attract camping tourists.

Don Viergever, chairman of the chamber's special events committee, was asked to speculate with his committee members about a membership breakfast to be held soon, at which time members, new members and guests could hold a "public hink" session of projects for the coming fall season and year. A report is due soon.

Taylor suggested such meetings monthly and this will be studied, it was reported. Smith pointed out that new members and persons new to town can often suggest ideas new and useful in chamber and development procedures.

Mrs. Emma Lou Benton, chamber secretary, reported on the continued work of the office, in sending literature and other information in response to inquiries on Eastland matters — about the Lake Leon, Old Rip, etc.

Highway signs were cited by Smith as being the most frequently used answer to the chamber's recent inquiry of other chambers along Int. 20 as to what is the best means of attracting tourists off the highway. "Work needs to begin now," he pointed out, and the highway committee will begin work immediately, he said.

Smith, in giving the financial report, pointed out that

Young Ladies Of Girlstown Are Fed And Lauded In County Stops

By KAREN TAYLOR
Friday was a big day in Eastland County. Mayor John Webb presented a huge golden key to the city to a little girl with the "most freckles," 37 pint-sized young ladies ranging in ages from five to 17 visited Lake Cisco swimming pool to see if it really was the largest in the world and to check into those fishes and turtles in the 20 foot water, and the First Methodist Church ladies had more fun than they had had in a long time serving dinner to the visitors. Even the college got into the fun when the dormitory at CJC was filled with the youngest over-nighters it had ever seen.

The event? Well, it was sort of Mother Goose time in this little Texas town and, in actuality, a visit from the

youngsters at Girlstown — Whiteface, Tex. Thirty-seven of the pixie-faced charmers and seven adult supervisors on a two-week vacation spree throughout Central Texas made their first stop-over in Cisco. They had lunch at the Methodist Church at noon Friday, courtesy the Lions ladies and the First Methodist ladies.

Fried chicken and all the trimmings, including home made pie, were the order of the day for the bus load of visitors when they stopped in Cisco Friday. Mayor Webb was on hand to present a key to the city to the youngster with the most freckles and Rev. J. Morris Bailey and Eastland County School Superintendent O. L. Stamey were there to act as official greet-

Methodist ladies who served the dinner included the chairman, Mrs. R. W. Merket, and Mmes. C. B. Midkiff, Carrel Smith, O. L. Stamey, J. V. Heyser, Sr., Sam King, D. P. King, Ruby Carrington, Jack Anderson, Alice McCanlies, W. M. Joyner and Paulette Brown.

Accompanying the girls were Roy Carter, a member of the board of directors; Marshall Cooper, managing director of the home; Mrs. Sally Starr, Mrs. Doris Hill and Mrs. Jessie Bondurant, house-mothers; Mrs. Ettaween Harris, cook; and Otis Marshall, volunteer bus driver.

Itinerary for the group includes a visit to the University Park Methodist Church in Dallas Sunday (today); tour of Denton and Texas Woman's University and a visit to the Denton Lions' Club for luncheon on Monday; and tours of SMU, Kraft and Morton's factories Tuesday through Thursday; visit to the Oak Cliff Lions' Club Wednesday; trip to Six Flags in Arlington Friday.

Saturday the adults will attend the quarterly board of directors meet in Fort Worth and the board and the girls will get together that evening for a swim and picnic in Fort Worth.

Sunday the group goes to the First Methodist Church in Fort Worth as guests of Dr. Gaston Foote and to the Broadway Baptist Church that evening; a trip to Casa Manana Monday as guests of the manager; and Tuesday to the Fort Worth Lions' Club meet at Hotel Texas; Wednesday preparations for going home with a Lions hamburger and ice cream party that night. Thursday they leave for home.

Their stay in Eastland county includes tours of Cisco Junior College, where they were lodged; Ranger Junior College; the Lake Cisco area and swimming pool; visits to the Majestic Theater in Eastland, courtesy of Dick Dixon, manager; and meals at the Victor Hotel Coffee Shop, courtesy of Mr. Dixon. Jim Golden of Eastland picked up the tab for the Friday night supper.

Mayor Webb presented a key to the city to 12 year old Melinda Sue Weeks, Midland, granddaughter of Mr. and Mrs. J. C. Brashear of Cisco. And while the grownups got

together and talked over plans for the trip, and other grown-up talk, the youngsters' conversations went something like this: "Do you suppose it's really the biggest pool in the world?" "Someone said it had fish and snakes in the 20-foot water."

Judy Slaughter Feted At Shower

Miss Judy Kay Slaughter, bride-elect of Bob Thornton, and daughter of Mr. and Mrs. R. L. Slaughter of Cisco, was honored with a miscellaneous shower in the home of Mrs. Artie Liles, Thursday, July 16th.

In the receiving line were Mrs. Artie Liles, Judy Kay Slaughter, the honoree, her mother, Mrs. R. L. Slaughter, and Mrs. Merle Thornton, mother of the prospective bridegroom.

Kitty Thomas of Beaumont presided at the bride's book. Approximately twenty guests called or sent gifts.

Out of town guests included Mrs. Merle Thornton and Becky Thornton of Abilene; Mrs. C. E. Reynolds, Cisco; Kitty Thomas, Beaumont, and Mrs. Martin Smith of Olden, aunt of the bride-elect.

are you living on the edge alone?

Nobody could neglect feeding his stomach for very long. Yet there's another part of you that requires nourishing just as much, or even more . . . your soul. You can't see it, or touch it, and it can't be removed like tonsils, or a nagging tooth. It requires so little to keep it strong and healthy . . . and yet so much: your faith. FAITH, unlike bread, isn't something you can buy. It's a gift . . . and a gift that you must develop and nurture. Have you tried to find it lately? You'll find a warm welcome waiting at First Baptist Church. Worship this week . . . with your family . . . during revival time.
