FRANKFORT, Ky. (U)—Voters of this border state tomorrow will nominate 19 congressional candidates in a quiet prelude to a keen U.S. senatorial race expected to match names—Cooper and Barkley—regarded by some Kentuckians as having political magic.

Insect Infestation Adds Its Threat To County Cotton Crop

Insects have joined with weather to bring the 1954 cotton prospects to a critical point. After a survey of 83 farms in most of the communities, County Agent Durdaw Lewter said Thursday evening that the hatch of bollworms would reach serious proportions by Monday.

well in the sandy areas but in another week squares will be flaring in some quarters. Even late cotton in tight land sections is suffering. Lewter said that a rain within 10 days would be of tremendous help to the crop and would cure most, but not all, of the difficulties.

helpful insects such as lady bugs, lacewings and white spiders. Poisoning of bollworms would also get these good insects. Poisoning now should hold good until near Sept. 1, Lewter estimated. The current hatch will last from 7 to 14 days, followed by a similar period of pupation. Thus, the season's third generation hatch is not due in serious volume until the end of August.

Junior College Sets New Budget For \$234,812

Trustees Thursday approved a budget of \$234,812 for Howard County Junior College and awarded contract for air conditioning the college auditorium.

The board accepted the resignation of Mrs. L. A. Ewing, the former Charlotte Sullivan, business administration teacher, who since her marriage recently has moved to Lubbock.

A revised 1953-54 budget, showing receipts and expenditures totaling \$212,558 also was approved at the meeting. This is about \$30,000 higher than was anticipated when the budget was approved last year and is due principally to enrollment of more full-time students than was expected.

Also provided for in the schedule are capital expenditures and fixed costs of \$6,472; auxiliary services, including athletics, student activities, library books and supplies and concert programs, \$16,590; and other services, including bookstore, cafeteria and industrial education, \$10,850.

Both Factions Claim Victory After Debates

WASHINGTON (U)—Both sides claimed victory today in the hot Senate debate over high rigid vs. flexible farm price supports.

As the Senate launched its third day of debate on farm legislation, GOP Leader Knowland said he still hopes for a vote today on the key issue of price supports.

Sen. Young (R-ND), a leader of the forces seeking to continue rigid supports, said: "I think we are going to win now—there have been some switches."

Knowland, fighting for the Eisenhower administration's proposals for flexible and lower price supports, scoffed at Young's claim.

Payne said rigid supports for corn and other feed grains under past farm programs had injured poultry and other agricultural industries of Maine and other eastern states.

New Director Of Health Unit To Be Named

The appointment of Dr. Robert A. Hale as acting director of the Midland-Ector-Howard Health Unit is expected to be approved by Howard County commissioners Monday.

State approval of Dr. Hale for the position was given in a letter to Judge Weaver from Dr. L. P. Walter, director of local health services for the State Health Department. Dr. Hale is agreeable to accepting the appointment on an acting basis, a permanent appointment to depend on whether he secures certification in the public health field.

Dr. Hale is a graduate of Baylor University and received his medical degree from the University of Texas.

LOS ANGELES (U)—Police protection was ordered today for Korean President Syngman Rhee after officials heard rumors Communists might try to stage a demonstration.

Will Try To Cut Vaudeville From New M'Carthy Hearing

WASHINGTON (U)—Senators picked to handle a new investigation into the conduct of Sen. McCarthy (R-Wis.) indicated today a general belief their hearings should be open to the public, but with some reticence to avoid a "vaudeville show" atmosphere.

In advance of a planned second meeting to discuss plans, most of the six members of the special committee said for the record or in private talks they did not want a repetition of the televised McCarthy-Army hearings.

The subcommittee which conducted those 36 days of stormy sessions planned a meeting of its own today to seek agreement on machinery for writing a report.

McCarthy himself went ahead with his own investigation of what he terms widespread Communist infiltration of defense plants.

McCarthy reserved comment on the committee's membership, and on the turnout given his prompt request yesterday for a closed-door talk about the group's plans for investigating him.

French Premier Can't Get A Decision On European Army

PARIS (AP)—With a little less than two weeks to go before the French National Assembly is scheduled to start debate on the European Army, Pierre Mendes-France's Cabinet has made no progress toward finding the compromise solution the Premier promised.

Soon after he took office, Mendes-France appointed two of his ministers to work out a formula which might be acceptable to a large majority of the Assembly.

They were Pierre Koenig, defense minister, and Maurice Bourges-Maunoury, minister of industry and commerce. Koenig is against the European Army, Bourges-Maunoury favors it.

The two ministers quickly found there was no way of reconciling their views, and their meetings have been mostly a matter of form. This inability to reach a compromise is certain to be the basis for their report to the Premier.

Mendes-France is believed to be working on a timetable which calls for the scheduled Brussels meeting of the six foreign ministers of EDC nations the latter part of next week, and Assembly debate during the week of Aug. 22. That would permit Parliament to start its vacation by Sept. 1.

Other nations in EDC—led by West Germany, Belgium and The Netherlands—originally asked that the Brussels meeting be held in July. Mendes-France said he was too busy then with the Geneva talks on Indochina.

The other nations have impressed on the French Premier that they are not disposed to reopen negotiations on the EDC treaty, and that any changes in it will have to be made after ratification. The Premier is believed to be reconciled to this point of view.

New Santa Fe Line Routed Via Denton

WASHINGTON (AP)—The Interstate Commerce Commission today authorized the Santa Fe Railroad to build a new short-cut entry into Dallas from the north via Denton, Tex.

The construction will involve the laying of 55 miles of new track from a point just south of Sanger, Tex., on the Santa Fe main line,

and proceeding southeasterly through Denton into Dallas. The railroad originally proposed a 48.5-mile cutoff which would have bypassed Denton by seven miles. This plan was approved by an ICC hearing examiner, but was protested by the city and county of Denton, which contended its growing industry required additional rail service.

The Denton route will add seven miles to the new cutoff and involve an additional cost of about \$640,000. The ICC said Denton was entitled to the proposed new main line service, and that the additional costs and mileage were warranted.

Due To Hang For Murder Of Young Hunter

PERCE, Que. (AP)—Wilbert Coffin, 43-year-old Gaspé prospector, was sentenced last night to hang on Nov. 26 for the murder of Richard Lindsey, one of three Pennsylvania hunters slain last summer in the Gaspé Peninsula wilds.

Coffin's chief counsel, Raymond Maher, told reporters the decision whether to appeal the verdict would be made "in a few days."

The ICC's report stated: "The record shows that Denton is a part of an expanding industrial area moving northward from Dallas and Fort Worth in a triangular area toward Denton. The basic factors required for intensive industrial growth are available at Denton."

The city now is served by the Texas & Pacific and the Missouri-Kansas-Texas railroads. The ICC directed the Santa Fe to start construction on its cutoff before Nov. 1 of this year, with completion scheduled before the end of 1955.

Another Step Taken To Silence Firing In Indochina

SAIGON, Indochina (AP)—The French and Communist-led Vietminh ordered a cease-fire in Laos today, completing the third of five steps to muzzle guns throughout all Indochina.

The truce went into effect in the little kingdom at 8 a.m. (8 p.m. EST Thursday). The French high command in Saigon said four hours later it had received no word of any violations, but there have been no reports of fighting in Laos for some weeks.

Minutes after the verdict, Justice Gerard Lacroix donned the traditional black gloves and sentenced Coffin to the mandatory death penalty.

Richard Lindsey, his father, Eugene, 47, and Albert Claar, 20, were slain in the forest while on a hunting trip during June, 1953. All were from Hollidaysburg, Pa.

Their remains—bits of bodies and bones gnawed by bears—were found a month later, after the men's families became worried and contacted Quebec authorities. Because of the condition of the remains, police could determine only that the younger Lindsey had been shot.

Bank Robber Sought After \$5,700 Holdup

SACUL, Tex. (AP)—State and local police were searching today for a lone bandit who held up the Sacul State Bank yesterday and fled with \$5,700 in cash.

The robbery occurred in this Nacogdoches County town after the bank had closed at 3 p.m. The bandit forced cashier N. F. White into the vault at pistol-point, then took the money and left.

County Given Right To Condemn Land

EDINBURG, Tex. (AP)—Cameron County can condemn land in Hidalgo County, a judge ruled yesterday.

The decision by Hidalgo County Judge Tom Hartley gives Cameron County authority to go ahead and condemn land to turn over to the federal government for the Anzalduas Dam site.

Finds Ike Sympathetic Toward TVA Program

DALLAS (AP)—The man nominated to head the Tennessee Valley Authority says he found a "most sympathetic view" toward TVA in the Eisenhower administration.

Brig. Gen. Herbert Vogel, 54, arrived here yesterday from Washington, where his nomination by President Eisenhower was announced this week. Vogel has headed the Southwestern Division Army Engineers office here since June, 1952.

Asked whether public or private interests should produce the power, Vogel said: "It's nothing that simple." Asked whether that meant he might favor a middle-road combination of the two, Vogel said: "I have to preserve a completely open mind on that."

Vogel said he is "completely sympathetic to the needs of the people of the area."

The Senate Public Works Committee opens hearings Monday on Vogel's confirmation. Vogel will be present for the Washington hearings.

Vogel said in an interview: "Certainly, no thought was evidenced to me that there is anything in this administration of trying to strangle, in any sense, the idea of TVA. I am sure there will be no action along that line."

TVA, built by the federal government for water and soil conservation and power output, produces a large percentage of its power for the Atomic Energy Commission.

Kefauver Runs Up Smashing Victory

By PHILIP M. GARDEN
NASHVILLE, Tenn. (AP)—Sen. Estes Kefauver kept his position as a presidential possibility yesterday as he and Gov. Frank Clement won assured re-election by crushing majorities in Tennessee's Democratic primary.

The winner of the Republican senatorial primary was Ray H. Jenkins, the Army-McCarthy hearing special counsel who didn't seek the nomination and said he wouldn't run if he got it.

Distillery Fire Is Snuffed Out After Big Loss

PEKIN, Ill. (AP)—Bulldozers lunged at heaps of smoldering debris today in a rush job to get the fire-scarred American Distilling Co. plant cleaned up for near full-scale resumption of whisky making Monday.

A spectacular two-day fire that killed six persons, injured 33 and caused more than \$7,500,000 damage was brought under control last night.

The searing blue flame ate up from 80,000 to 110,000 barrels of aging whisky—enough liquor to fill more than 22 million ordinary fifth gallon whisky bottles or a half-billion standard one-ounce bar shot glasses.

This cost Uncle Sam at least \$47,250,000 in potential alcohol tax collections—whisky being taxed at the rate of \$10.50 a gallon as it is withdrawn from bonded warehouses.

However, Russell R. Brown of Greenwich, Conn., company president who hurried to the scene, said the fire loss to his firm was fully covered by insurance.

Sheridan Cowhand Wins In Colorado

COLORADO SPRINGS, Colo. (AP)—J. D. McKenna of Sheridan, Wyo., won the bulldogging with an 8.5-second performance at the Pike's Peak or Bust Rodeo last night.

In the Brahma bull riding, only three cowboys managed to stay atop their animals, one of which broke a leg in the ride and later was shot. The bull was ridden by Glen Fike of Yoakum, Tex.

The results included:
Bareback bronc riding: 1. Jim Shoulters, Henryetta, Okla. 2. Harry Tompkins, Dublin, Tex. 3. Guy Weeks, Abilene, Tex.
Call roping: 1. Jim Bob Altizer, Del Rio, Tex., 13 sec.; 2. Rex Beck, Valera, Tex., 13.9 sec.; 3. Jack Riggs, Del Rio, Tex., 14 sec.

state's 2,591 precincts tell the Democratic primary story:
Senate: Kefauver 328,424; Rep. Pat Sutton 137,396.
Governor: Clement 368,917; former Gov. Gordon Browning 151,824.

Kefauver, who won most of the Democratic primaries and lost in the convention in the 1952 presidential derby, said yesterday's victory over Sutton was a triumph over isolationism.

Sutton, who conducted a fast-paced helicopter campaign between marathon radio-television broadcasts, conceded shortly before midnight, saying he held "no ill will or malice."

Memphis political boss E. H. Crump, who sustained his first big political defeat in 1948 when Kefauver first was elected to the Senate, maintained a neutral stand in the Senate race this year, although Sutton said Crump had agreed to pass a quiet word in his behalf.

In the governor's race, however, Crump pulled out all the stops in Shelby County on Clement's behalf during the last few days of the campaign.

Nevertheless, it was a smashing personal success for Clement, who is the nation's youngest governor at the age of 34. His victory margin in the race for the state's first four-year term was impressive without the top-sided Shelby County count.

Eight Dead, 2 Hurt In Highway Crash

MEADE, Kan. (AP)—A passenger car and a pickup truck collided at a highway junction near here last night killing eight persons and injuring two.

The collision wiped out two families riding in the passenger car.

Killed were Mr. and Mrs. Gene Elliott and their two children and Mr. and Mrs. Boyd Boyer and their two children, all of Plains, Kan. Two men in the truck were injured seriously.

The accident occurred at the junction of U.S. Highway 54 and U.S. 160.

Contracts Let On Projects At State Hospital

Two contracts for electrical and air conditioning work at the Big Spring State Hospital have been let.

The F&F Electric Company was awarded the electrical distribution contract at the hospital on a bid of \$28,843. The bid was slightly under \$28,977 for Central Electric and \$29,000 for Basin Electric. The work stems from need of general revisions arising out of additions to the original system over the past decade.

Girdner Electric and Refrigerative Company of Big Spring submitted low bid of \$4,737.27 for the air conditioning of the main operating room of the Big Spring State Hospital. The proposal was a bit under the \$4,865 proposal of Western Insulating and \$5,590 for Batjer & Associates.

To Take Bids For WAFB Exchange

Bids will be asked starting Sept. 3 for construction of a base exchange building at Webb AFB.

The structure, according to the U. S. Engineers office at the base, will be wood frame construction with cement asbestos siding and concrete floor slab. It will have the normal outside utility connections.

Approximately 9,500 square feet of floor space will be included in the exchange.

Tentative date of bid opening on the building has been set for Sept. 24. Engineer estimates for the project are relatively elastic, ranging from \$100,000 to \$500,000.

Bells Toll Ninth Anniversary Of Hiroshima's Death From A-Bomb

By FRED SAITO
HIROSHIMA, Japan (AP)—The bells of Hiroshima tolled today for the awful hour of nine years ago.

It was 8:15 a.m. when the first atomic bomb ever loosed in warfare burst with frightful fury over Hiroshima.

It was 8:15 a.m. today when

massed sirens screamed their protest to the memory. Then the church bells of Hiroshima rang out, calling the Japanese of this city to prayer.

Mayor Shinzo Hamai, who lived through that day, presided as thousands of citizens gathered in the center of the city for a memorial service.

He prayed that "there will be no more war, and no more human beings atomized." He had been lucky on that day. He was three miles away from the center of the blast.

Now the scars of the bomb are gone, except for the gnarled skeleton of steel which was all that was left of Memorial Hall.

The rebuilt homes are flimsy and the streets are rutted. But the city seems to be on its feet again, mentally and materially.

Only 90,000 out of the population

of 350,000 were here on that day. The rest are newcomers to this commercial town. They don't know.

Kiyochi Tsuchoka, member of the city council, remembers. He was only 1,000 yards from the blast center and his body is scarred by burns.

"I saw the great flash," he recalled. "The next moment I was blown several yards. I staggered back and thought I saw a second wave—a heat wave—which set fire to my shirt. I ripped off the burning shirt and ran to my home."

"The house was flattened and my wife was crying 'help, help' from under the debris. I was injured and could not lift the heavy beams and pillars that pinned her down."

I looked around for help. "I saw only dead bodies strewn around. I had to leave my dying wife because fire was spreading. Her voice still rings in my ears."

Suit For Title, Rental Is Filed

Henry C. Moser has filed petition for title and possession of Lot 10, Block 1, Buckner Addition, in 118th District Court.

Defendant in the suit is Harold S. Parrott. Moser claims Parrott unlawfully took possession of the property on Aug. 1, 1952. He asks judgment for rental at the rate of \$100 per month, as well as for possession.

HERE'S WHAT TO DO
Baby-sitter Sharon Choate (right) gets a list from her client, Mrs. Carroll Choate. Dusty and Julie are the "sitters."

Here Is Baby-Sitter's Eye-View Of Her Job

By CAROL MITCHELL
Probably one of the best advocates of TV is the teen-age baby-sitter.
A TV set, a clean, well-kept home and children who obey and parents who don't stay out too late are what the average baby-sitter hopes for on her job, according to Sharon Choate, 15. She has been sitting for about five years and was interviewed to find out just what makes a baby-sitter tick.
It seems that there are general rules that the parents leave for the sitter before going out. For instance, the time the baby should be put to bed and how to fix and heat the formula if the child needs one.
Sometimes it falls the sitter's lot to bathe a child and "one time I nearly drowned doing it," recalled Sharon.
Parents always tell the sitter where the child's pajamas and diapers are. Yes, the sitter has to change diapers at times.
If the child is older the sitter may be warned about giving him candy or sweet drinks.
Of course the sitter's client always leaves the sitter instructions as to how they can be reached in case of emergency.
Sharon says her customers always come to pick her up and take her home after her job is over.

Five Hostesses Honor Jan Masters At Shower

The colors of shrimp and turquoise were highlighted in the decorations at a shower Thursday evening honoring Jan Masters in the home of Mrs. J. O. Hagood, 608 W. 17th. Miss Masters is the bride-elect of Robert Stanley Wheeler of Stanton.
Co-hostesses with Mrs. Hagood were Mrs. Ross Bartlett, Mrs. Olton Jamison, Mrs. Relece Jones and Mrs. Homer Ward.
Greeting the guests, Mrs. Hagood then introduced them to Mrs. Joe Masters, mother of the honoree; Miss Masters and Mrs. S. W. Wheeler, mother of the future bridegroom.
Miss Masters wore a blue-grey dress of imported antique silk tulle, made princess style and fashioned with a wide skirt. Her fuchsia earrings were matched by her pumps. Her corsage was white carnations.
Mrs. Masters was in tan linen and wore a white carnation corsage. Mrs. Wheeler chose beige crepe.
The serving table was covered with white organdy and centering with white carnations.

U. S. Stylists OK Dior's Flat Look

By PEGGY LAMSON
PARIS (AP)—American buyers indicated today that fashion's bad boy, Christian Dior, is winning his battle to erase the bosom with whalebone and wire.
Despite courageous stands by Marilyn Monroe and other outstanding wearers of girl types, it looks like women are going to be in for a flat time of it.
First reactions from American buyers and designers here for the fall fashion showings is one of enthusiastic—even gushing—approval.
"It had to happen," said Mrs. Bert de Winter, of Neiman Marcus in Dallas, Texas.
"Women were tired of having the bust come before they did. The propeller look has been on its way out for the past few seasons. But it took Dior to finally finish it off."
Miss Elizabeth Sairall, vice president of Julius Garfinkel in Washington, D. C., said the new Dior line is "just what we needed."
A calm voice among the shrill excited ones, Lawrence Aldrich, a leading American dress designer, said this look has been on the way for the last few years.
"It's slightly ugly at first sight," he said, "but certainly wearable. Even for the larger sizes."
"When it comes right down to it," says Walter Deiches, of Bonwit Teller of New York, "we'll make our look to suit the women. For shorter women, for instance, we'll have to modify. The important thing is that we all felt it was time for a change and we're happy to encourage this."
Leon B. Schmulen, president of Henri Bendel, Inc., New York, agreed.
"All this is very good for business," he said. "There's a new interest in fashion today. This must be stimulated. We can't let the trends get stagnant."

Credit Club Meets

Mrs. Jewel Kuykendall was the speaker for the Credit Club at the regular meeting at the Settles Hotel at noon Thursday. Her topic was "The Relation of Utilities Companies to Credit." A report was given on the picnic held recently in the home of Mrs. Lois Marchbanks. A special prize was brought by Mrs. Ray Clark and was won by Mrs. H. J. Morrison. Seventeen attended the luncheon.

THIS IS GOOD EATING

CALIFORNIA SKILLET CHICKEN
Ingredients: One 2 1/2-3-pound (ready-to-cook weight) frying chicken, salt and pepper, 1/4 cup olive oil, 1-3 cup chopped green onion, 1/2 teaspoon dried crushed marjoram, 1-3 cup fresh lemon juice.
Method: Have chicken cut into about 8 pieces—2 drumsticks, 2 second joints, 2 wings, 2 pieces of breast. (Reserve neck and giblets for stock for use another time.) Sprinkle chicken with salt and pepper. Heat oil in 12-inch skillet; add chicken and brown over moderate heat—about 10 minutes on each side. Sprinkle chicken with onion, parsley, marjoram and lemon juice. Cover skillet; simmer 20 to 30 minutes or until chicken is tender. Serve hot. Makes 4 servings.
Note: If desired, garlic (minced or the whole cloves) may be added to the chicken with the other seasonings. Serve with the following:
California Skillet Chicken
Steamed Rice
Sliced Tomatoes
Bread and Butter
Jam Pastries
Beverage

It's Time To Plan For Spring Gardens

By ANNE LEFEVER
During August, plans should be made for the winter garden. Take the lesson that Nature teaches, and sow the seeds of annuals at the time that they are forming seed. Larkspur, gallardia, annual phlox, poppies and California poppies will weather the winter and be ready for early spring blooming. Lupines (bluebonnets, to Texans), stock, pansies, violets and wall-flowers may all be planted at this time.
Many annuals and perennials will continue to bloom if given the proper encouragement. They should be cut back, cultivated, fed and watered. If permitted to start making seed, most plants will stop blooming.
Chrysanthemums should be examined at this time for trips. A good spray, especially on the tops of the plants about the time the buds are the size of peas, should be used. Continue the spraying once each week until color begins to show in the buds.
Roses should be watered and lightly fed now to urge them on for the autumn bloom before frost. If your wisteria vine has grown long and spindly, those growths should be cut back. This will result in side spurs or shoots, on which next season's flowers will appear. Summer pruning may at times induce blooms on a vine which has not been blooming before. Signs of rust and mildew should be watched on phlox, crape myrtle, hollyhocks and fig leaves. Roses may suffer from blackspot, and evergreens may be attacked by red spiders. Sulphur, dusted over all except the fig bushes would put an end to the infestation. Bordeaux mixture, four tablespoons to a gallon of water, may be used on fig leaves that show signs of curling and falling.
Washing off evergreens shrubs with a brisk stream from the hose will help prevent red spiders, besides making the bushes much more attractive and fresh.
Hyacinth and freesia bulbs should be reported now for winter blooms. Other potted bulbs should be watered lightly from now until September, when they may be watered freely.
If daylilies are to be divided, they should be watered first or the divisions made after a rain. Check to see that each new part has one new sprout at least.

MEMORY VERSE
"Thy word have I hid in mine heart, that I might not sin against Thee."—Psalm 119:11.

The word "noble" formerly denoted a man of high birth, but now is more commonly used to describe a person whose morals are of a high order. The "noble" minds in Berea, listened and then examined the Scriptures for themselves to determine its truth.

Paul loved Timothy as his own son, and speaks affectionately of him many times. Young and ardent preachers and teachers were sorely needed in those days to carry the gospel far and wide.

In his first letter to Timothy Paul mentions that Timothy is

THE REV. THOMAS C. BRYAN

Carolina, in Baltimore, Md., and has been in his present pastorate eight years. He has been active in civic life in the towns and cities where he has held pastorates.

Services at the other churches throughout the city will be as follows:

BAPTIST

At Baptist Temple, 400 11th Place, the Rev. A. R. Posey will take "What God Does for the Sinner" for his 11 a.m. sermon topic.

Dr. P. D. O'Brien, pastor of First Baptist Church, 511 Main, will discuss "The Changing and the Changes" (II Cor. 4:18) at 11 a.m. His evening topic at 8:00 will be "After Conversion—Then What?" (II Peter 3:18).

The Rev. W. A. James, who has recently taken over the pastorate of Airport Baptist Church, 108 Francis, will speak on "Prepare to Meet Thy God" at 11 a.m. Sunday. His 8 p.m. topic will be "Where Art Thou?" Sunday School is at 9:45 a.m.

CATHOLIC

At St. Thomas Catholic Church, 505 N. Main, the Rev. William J. Moore, OMI, will say Mass at 7 a.m. and 9:30 a.m. Benediction will be after the last Mass. Confessions will be heard from 4:30 p.m. to 6 p.m. and from 7 to 8 p.m. Saturday.

At Sacred Heart Church (Spanish-speaking) the Rev. Bernard A. Wagner, OMI, will say Mass at 8 a.m. and 10:30 a.m. Rosary and Benediction will be at 6 p.m. Confessions will be heard from 7 to 8:30 p.m.

CHRISTIAN

The Rev. Clyde Nichols, pastor of First Christian Church, 911 Gollad, will ask the question, "Conformed or Transformed?" in his 10:50 a.m. sermon. The text will be Romans 12:2. At 7:30 p.m. the pastor will discuss "Two Lamps of Life" (Psalms 119:105).

CHRISTIAN SCIENCE

"The fruit of the Spirit is love, joy, peace, longsuffering, gentleness, goodness, faith, meekness, temperance: against such there is no law" (Gal. 5:22,23). This is the Golden Text of the Christian Science Lesson-Sermon for this week at 1209 Gregg, entitled "Spirit." It will be brought out that spiritual understanding and daily living of the things of Spirit, God, along constitutes true worship.

CHURCH OF CHRIST

Marion Crump of Ellis Homes Church of Christ, Albarrado Rd., will deliver two sermons, one at 11 a.m. and one at 7:30 p.m. The first will be on the subject, "The True Source of Happiness," and the second will be on "Am I My Brother's Keeper?"

The open-air revival being sponsored by Benton St. Church of Christ will continue tonight, Saturday night and Sunday with Herbert L. Newman conducting services. Topics for tonight and Saturday at 8:15 will be respectively, "What Do To Be Saved" and "How Many Ways to Be Saved." The revival site is at 11th Place and Birdwell.

Sunday morning Mr. Newman will conduct a service at the church at 11 Benton with the topic, "The Danger of Loving the World." He will return to the revival site at 8:15 p.m. Sunday to discuss "Why I Am a Christian." T. H. Tarbet is regular minister of the church.

Durward Lewter will conduct services at the Main St. Church of Christ, 1401 Main, in the absence of Lyle Price, minister.

CHURCH OF JESUS CHRIST OF LATTER-DAY SAINTS

Services of the Church of Jesus Christ of Latter-Day Saints will include a priesthood meeting at 9 a.m. followed by Sunday School at 10 a.m. and a sacrament meeting at 7:30 p.m. Services will be held at the Girl Scout Little House, 146W Lancaster.

CHURCH OF GOD

The Rev. John E. Kolar, pastor of the First Church of God, 909 Main, will deliver sermons at 10:50 a.m. and 7:30 p.m.

At Galveston St. Church of God, 307 Galveston, the Rev. E. W. Mitchell will have "The Sevenfold Privilege of the Child of God"

THE PARABLE OF THE BIG TREES

Consider the giant redwoods and sequoias. How high they tower above the floor of the forest. And yet, beneath them ferns and shrubs and smaller trees grow and thrive in the sunlight that pours through the branches of the giants. So it is with you and me. We might think ourselves overshadowed by the giants in the earth—the people who are richer, or more powerful, or better educated than we. But the sunlight of God's love pours down upon the whole forest, and each of us knows its warmth and power. It doesn't really matter who we are, or where we live, or how much of this world's goods we possess. Each of us receives at the hands of God unmeasured blessings. And, every Sunday in Church, each of us has the opportunity to express his love for God in humble worship.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

News While It's News

People in the Big Spring area are receiving better news service than ever before—news on the day it's news—no "pre-date" editions—through the special motor routes maintained by The Herald. In the small communities, in the oil camps, on the farms, they're finding in The Herald a newspaper that publishes news of interest to them. West Texas oil, West Texas farming and ranching, West Texas sports, West Texas women's activities, West Texas happenings. That's the reason more and more people on these routes and in this area are saying "Leave us The Herald."

Where Advertising Pays

This daily delivery, right to area homes, is "money in the bank" for the merchant who uses Herald advertising. No other medium, of any kind, anywhere, can reach the same people who are looking for better values, who want a good place to shop, and who turn to The Herald for their shopping guide. This is real benefit to Big Spring merchants who have a sales story to tell to the people in this area. The rural daily delivery is, of course, in addition to the 49 city route carriers who put the Herald every day, right at the door of more than 5,500 Big Spring homes.

LUCKY OR NOT, SEVENS SHOW

Mrs. Joete Bohannon, 501 Young, may or may not think seven is her lucky number, but it has certainly turned up often in her life.

She will celebrate her 77th birthday Saturday. She was born on Aug. 7, 1877, at the seventh hour of the day on the seventh day of the week. She was married in 1897 — 57 years ago.

She has seven grandchildren and she has lived in Big Spring for 27 years. She hopes she will receive seven birthday cards come Saturday.

July Income Low So County Dips Into Cash Balances

With little revenue coming in, the county's balance (all funds) dropped to \$384,882.11 during July.

Expenditures during the month amounted to \$44,794.97, while receipts totaled but \$12,235.98.

Disbursements from the road and bridge and right-of-way funds accounted for more than half of the expenditures. From the regular road and bridge fund, \$15,279.40 was spent, including \$1,315.75 in administrative costs; \$8,785.19 for wages; and \$1,835.99 for parts and supplies. In addition, there was

capital outlay totaling \$847.

Revenues reaching this fund amounted to \$4,787.49, most of which was from auto registrations (\$3,286.51).

Disbursements from the right-of-way fund amounted to \$16,901.78. There were no receipts in July.

The expenditures included \$5,969.73 for road right-of-way, \$126.00 for materials, \$3,732.95 for contract work, and \$1,072.50 for bond costs. The fund had a balance of \$301,621.65 at the end of the month.

General fund expenditures in July totaled \$8,722.14, leaving a balance of \$36,038.80. Receipts for the month were \$311.57, principally from tax collections and beer and wine fees.

The disbursements included \$1,907.10 for charities (including the county's contribution to the City-County Health Unit), \$1,149.41 for the county agricultural program; and \$3,665.64 in other expenses.

By funds, here is the way other county revenues and expenses were listed for July.

Jury Fund — \$114.57 received, \$712 expended and a balance at the end of the month of \$11,135.36.

Officers Salary Fund — \$8,572.14 received, \$9,506.54 spent and a balance of \$35,123.57.

Library Fund — \$65.78 in receipts, \$607.69 in expenses, and \$9,750.67 left in the bank.

Law Library Fund — \$154 in revenue, \$181.80 disbursed, leaving a \$141.81 balance.

Permanent Improvement Fund — \$47.64 received, \$965.36 spent, and a month's end balance of \$8,262.65.

1945 Road Bond Series — \$38.78 in revenue, no expenditures, and a balance of \$4,044.14.

Courthouse and Jail Sinking Fund — \$149.01 in receipts, no disbursements, and a balance of \$49,807.30.

Courthouse and Jail Building Fund — no revenue, \$238.46 in expenses, and a balance of \$127,920.90.

Demos Need Money, Seek Truman's Help

KANSAS CITY 16—Democratic party leaders turned for advice today to their star give-em-hell campaigner — former President Harry S. Truman — on the eve of a big money drive aimed at capturing control of Congress in the November elections.

Adlai Stevenson, titular head of the party, and Democratic National Chairman Stephen Mitchell arranged to see Truman at his home in nearby Independence, Mo., in a meeting that could very well influence the course of the party's campaign.

Stevenson arrived here last night from Canada, a bit shaken from the experience of having his plane struck by lightning while flying at 14,000 feet over Lewiston, Mont. Neither he nor any of the other 15 persons aboard was injured.

Stevenson, the 1952 Democratic presidential nominee, admitted: "I was scared for the first time in more than 30 years of flying."

Tonight Truman will make a brief pep talk to about 70 party bigwigs who came here to plan ways and means of building up

quickly a not-so-hefty war chest. The former President is still weak from a recent gall bladder and appendix operation, and his old friends have been asked not to tire him out by shaking hands.

With the money talk, there was speculation over Mitchell's successor as national chairman. He has said he will step down after the November elections and return to his law practice in Chicago.

The name most prominently mentioned was that of James E. Finnegan, president of the Philadelphia City Council who has captained several successful campaigns in the Quaker City. Finnegan was an early pro-Stevenson man in the 1952 campaign.

But while personalities and politics were being talked, they were sidetracked to the main business of getting together enough money to make a fighting campaign for control of the Senate and House.

Mitchell said the Democratic Senate and House Campaign Committees had asked for a total of \$475,000 — \$300,000 for the House races and \$175,000 for the Senate contests.
