PRICE 10c

## GridBits

By H.V.O.

**WASSAR** plant expansion is due completed March 1, and increase of employees is to begin at that building up to a total of 100 more workers, a total of some 300. Eastland Industrial Foundation will distribute U. S. Department of Commerce book which point out what 100 factory workers mean to a community. The figures were taken from a survey of 11 cities in the nation, one of which was Gray County, Texas, a town in which, according to the survey, developed in these 11 cities which added industry jobs, with similar county figures which did not.

Figures are eye-openers, reminders that Eastland area folks can thank their stars for such assets as a new factory workers

more people; 91 more children; \$710,000 more annual income per year; 3 retail establishments; 97 more households; 97 more cars registered; 100 more retail sales per year; \$29,000 more bank deposits; and 65 more employed in manufacturing.

**COURSE**, one can read that some of these will apply in Eastland which will not. However, employees at the wood plant come from about the county and the these figures should apply in this wider area.

Increases of 100 workers affects other employment according to the surmounting that gains will be as follows as a result of the new factory work-

retail and trade, professional and services, up 14; business personal services, up 14; construction, up 5; finance, insurance and real estate, up 14; transportation, communication and other public utility, up 2; agriculture, up 14; other industries, up 14; total of 65 other jobs.

**\$331,000 RETAIL** sales is broken down as a result of the new factory workers: grocery stores, \$71,000; auto dealers, \$47,000; and drinking places, \$24,000; Gasoline service stations, \$22,000; Department stores, \$22,000; Clothing and shoes, \$21,000; Lumber, building materials and hardware, \$18,000; Furniture furnishings and home appliances stores, \$18,000; and other stores, \$88,000.

**LOOKS** nice doesn't we need to remember industrialization has its. It's not all just to us on a silver platter. Our case, Munsingwe must believe in us a deal, and we in turn, we ready to prove our help to our community by investing the ingredients to achieve these goals. Capital expenditures are often to provide services new firms and their disposal systems may be expansion. New and highways may be and traffic control police and fire protection may be required. Not of these things have necessary with the continued on Page 7)

## Grand Jury Indicts 15

Fifteen indictments were handed down by a 91st District Court grand jury which recessed Monday evening. They included two for burglary, one robbery by assault, three DWIs, and nine thefts. Judge Floyd Jones, retired of Breckenridge, accepted the indictments, and 91st District Court Judge J. Frank Sparks said at mid-week that the cases would be set down on his docket as soon as possible to be disposed of. Judge Sparks declined to empanel the grand jury or accept the indictments himself because he, as an attorney before his gubernatorial appointment, had represented some of the grand jury members.

## Morris Keasler's Brother Buried at Hughes Springs

Funeral services for L. D. Keasler, 82, brother of Morris Keasler, were held at 2:30 p.m. Tuesday in the First Methodist Church of Hughes Springs. Burial was in Hughes Springs Cemetery. Keasler, who died at 6:30 a.m. Monday in a Lindon Texas hospital, was a member of a pioneer East Texas family and managed T. B. Keasler and Company General Merchandise from 1913-1959. The firm was established by his father in 1879. He was a director of the First National Bank in Hughes Springs and was currently serving as vice-president of the bank. He was also a member of the First Methodist Church and a member of its Board of Stewards.

Survivors include his wife; two grandsons, David Crouch of the United States Navy, stationed in Fort Worth, and Jeffrey Lynn Crouch of Hughes Springs; three brothers, Morris Keasler of Eastland, Frank Keasler of Jacksonville and E. F. Keasler of Hughes Springs; and three sisters, Mrs. W. A. Hooten of Dangerfield, Mrs. H. L. D. Jenkins and Mrs. Carrie V. Carter, both of Hughes Springs.

## Recovered Hub Caps At Police Department

The Eastland Police Department has recovered several hub-caps, which had been stolen and taken to another city, according to Policeman R. D. Arnold, who said that anyone who will stop by the Police Dept. and properly identify any of them, can claim them.

## Chicken Fight Hearing In Ranger JP Court Friday Morning At 10

Seven men from Young and Stephens Counties will go on trial in the court of Justice of Peace M. D. Underwood Friday morning at 10 a.m. on charges of "being concerned with a chicken fight." A six-member jury, Underwood said, will hear the cases. Defense attorney will be Payne Royce, Graham attorney-at-law, and County - District Attorney Perry T. Brown of Eastland will be the prosecutor.

The men, among 66 arrested Jan. 10, at a gathering on a place southeast of Ranger allegedly the site of a chicken fight, had originally been scheduled to be tried in the Ranger JP court Wednesday, Feb. 10. In two prior trials of the same nature, several Abilene men were convicted on a charge by a Ranger jury and

**OFFICERS AND GUNS** — Eastland County and Ranger law enforcement officials display part of the cache of guns recovered after a gun-theft ring was squashed. From left they are Sheriff L. E. Sublett, Ranger Justice of the Peace M. L. Underwood, Deputy Loy Williams, Constable Ralph Veal and Ranger Police Chief Bill Ogden.

## Gun-Theft Ring Broken -- 5 Students Charged

An arsenal of 17 weapons, including high-powered rifles and shotguns valued at some \$3,000, has been recovered by Ranger and Eastland County law enforcement officers, putting an end to a gun-stealing ring that was operating in at least four counties. Five former Ranger Junior College male students have been indicted by a 91st District Court grand jury and are free on \$1,000 bond each. And proving that there's no honor among thieves, the case was broken open, County Sheriff L. E. (Lefty) Sublett said, causing his and adjoining counties' sheriffs departments to launch an intensive search for clues, which were hard to turn up, because most had been taken from unlocked pickups. Of the 17 guns recovered,

one was taken in Young County, two in Stephens County, five in Jones County and the rest from Eastland County. It is believed that these represent all that were stolen by the quintet of students, although about that many more thefts of guns have been reported, indicating that there are still gun thieves at work in the area. Two of the college students are from Fort Worth, two from Jones County and the other from Young County, Sublett said. These weapons, stored in the sheriff's department safe, at the courthouse, may be claimed by their owners the sheriff said by persons giving a complete description or numbers. The students are charged with theft over \$50.

These weapons, stored in the sheriff's department safe, at the courthouse, may be claimed by their owners the sheriff said by persons giving a complete description or numbers. The students are charged with theft over \$50.

## Electric Rate Cut Approved By Council With 'Thanks'

A rate reduction resulting in a drop of more than five per cent annually in revenue from customers of Texas Electric Service Co. was approved by Eastland City Commissioners

at their regular monthly meeting Monday evening.

Mr. Frank Sayre, TESCO division manager, appeared before the commission and submitted a proposal which includes both a voluntary reduction in electric service rates in the city and an increase in street and alley rental payments by his company.

The principal changes being proposed in rates are a reduction in the rate applicable to residential customers, additional promotional features to encourage increased residential use in the winter months, and the addition of a new rate for all-electric homes. All residential customers using more than 65 kilowatt-hours in a month will be benefited most, he explained. These changes will result in a reduction in excess of five per cent annually. The rate adjustment made by the company in 1963 was proportionally larger for the

below average residential user. The benefits under the new rates are proportionally larger to the above average use residential customer, such as those with summer air conditioning in their homes, Sayre explained.

Other proposed changes in rates reduce the minimum bills under the large general service rate and bills for public schools, and the company proposed to update the adjustment clauses in all rates by changing the date in the tax clause from Jan. 1, 1963, to Jan. 1, 1965, and changing the 20 cents in the fuel clause to 21 cents.

No electric service bills will be increased by the revised schedule, Sayre told the commissioners.

"The proposed rate reduction is a continuation of the long-established policy of Texas Electric Service Co. to voluntarily reduce electric rates (Continued on page 2)

## Carl C. Cox, 50 Carbon Native, Buried Tuesday

Funeral services for Carl Chester Cox, 50, were held Tuesday at 2 p.m. in the Arrington Hamner Funeral Chapel with the Rev. Haston Brewer, pastor of the First Baptist Church, officiating. Burial was in Eastland Cemetery.

Mr. Cox died at 11:30 p.m. Sunday in the General Hospital at Andrews.

Born Nov. 13, 1914 in Carbon, he lived in Eastland County until enlisting in the Marines. He served in the South Pacific during World War II, was a truck driver for Wood Van Lines in San Angelo, and he moved from San Angelo back to Ranger last year.

Survivors include one son, Edward Carl Cox of San Angelo; his mother, Mrs. Sally Cox of Ranger; and five sisters, Mrs. W. E. Hallenback of Flagstaff, Ariz., Mrs. Howard Peevey of Eldorado, Ark., Mrs. O. L. Jumper of Ranger, Mrs. W. L. Lechabay of Monahans and Mrs. L. B. Lemmons of Cedar Hill.

Arrangements through Arrington Hamner Funeral Home.

### COMPARATIVE ELECTRIC RATES

Monthly Kwh use	Monthly Bill On Rate Prior to '63 Decrease	Monthly Bill On Present Rate	Monthly Bill On Proposed Rate
100	\$ 4.94	\$ 4.52	\$ 4.45
250	9.18	8.25	8.02
500	14.18	13.00	12.42
750	19.18	17.75	16.82
1000	24.18	22.50	21.22
1250	29.18	27.25	25.62
1500	34.18	32.00	29.70

This tabulation shows that the two reductions combined reduce rates by about the same proportion for both above and below average use residential customers. The 1963 adjustments was proportionally larger for the below average residential user. The benefits under the new rates are proportionally larger to the above average use residential customer such as those with summer air conditioning in their homes.

## \$100 In Scrip Given Saturday

The hopper which holds ticket stubs for the Old Rip Scrip Drawing is presently at The Men's Shop and will be there until the next drawing Feb. 27 on the south side of the square, it has been announced.

Winners at the last drawing were Mrs. J. B. O'Neil, \$50; Mrs. L. L. Vines, \$30; Mr. R. L. Long, \$10; and Vicki Trout, \$10.

## Mavericks' Bi-District Foe Undetermined Yet

The District Champion Eastland Maverick Cagers will take on the Carbon Wolverines Thursday night here in a practice session in preparation for their Bi-District tilt — opponent, time and the place to be announced.

The Mavericks played the Comanche Indians in a practice round Tuesday in Indian gym.

District 9-A leaders Early and Marble Falls each played Tuesday evening, with Early defeating Santa Anna and Marble Falls undoing Goldthwaite, resulting in a play-off situation, to be played Thursday night.

Coach Denson Moody's 10-A Champs swept into their championship with a 12-1 win-loss record last week, in defeating Cross Plains. A win by Clyde over Baird, who had been tied with Eastland, helped ease the victory, precluding a playoff.

Individually the Mavericks have been red-hot all season, with top performances being turned in by every member of the team.

Fast and furious, double-digit scoring has highlighted the Maverick games consistently, with the fire-ball shooting of Terry Treadwell and Mike Miller pacing the field, followed closely by Hayden Wilson, Larry Wilson and Jim Herring.

Treadwell, a senior, in 26 games, has tallied a grand total of 701 points for a per game average of 26.9.

Senior Miller has scorched the nets for 391 points in 24 games for an impressive 15.5 average.

Hayden Wilson, a junior, has mopped 184 points in 25 games for a 7.4 average.

Larry Wilson, another junior, sank 101 points during 24 regular season games for a 4.1 average per outing.

Jim Herring, a sophomore, finished out the regular season with a 7.2 average for 14 games.

Other varsity Mavericks are Norman Rhodes, senior; Gary Rollins, senior; Homer Terry, junior; Johnny Moylan, junior; Jim Pat Miller, junior; and James Whitehead, sophomore.

## Mavs Beaten By Comanche

The Eastland Mavericks were downed Tuesday night in a practice drill before Bi-District competition, by a hot-hitting, hardy-missing Comanche Indian team. The tribe, led by the crack shooting of Hugh Fletcher, defeated the Mavs, 72-47.

The Mavericks hit a cold streak to match the outside weather from the beginning, without scoring two points as four minutes passed.

Terry Treadwell led the Mavs, hitting 18, followed by teammates, Mike Miller, Hayden Wilson and Larry Wilson, scoring eight each. James Whitehead added three and Jim Herring sank 2.

The Indians are winners of their A district and the Mavs are 10-A champs. In earlier games this year, the Indians were victorious over Eastland, this being their fourth.

## Eastland Agrees To Sell Water To Olden-Cost+10%

Eastland City Commissioners agreed to sell water to the proposed Olden water system at a rate of cost, (to be calculated annually), plus ten per cent, during a harmonious huddle with Olden residents at the regular commission meeting Monday evening.

However, the city of Eastland cannot enter into a 40-year contract, the Olden people were told because Eastland is presently ten years gone on a 40-year contract it holds with the Eastland County Water Supply District.

The flexible rate would benefit both parties it was explained, in the event water consumption continues to increase as it has in the past. Based on last year's figures, the present rate, if Olden were to begin buying immediately, would be 33 cents a thousand gallons, City Manager Lewis Tiner explained.

This is based on the cost, which last year was 28.9 cents per 1,000, plus 10 per

cent. Cost has gone down in recent years, he explained, pointing out that cost in 1961 and 1962 was 36.2 cents; 31.4 in 1963; and 28.9 in 1964.

Asked what the "cost" included, Tiner explained that it includes the seven cents a thousand paid to the Water District for the treated water, plus a proportionate share of the fixed amount of \$3,750 the city pays the District monthly under contract for the retirement of bonds, and a proportionate share of the \$12,000 paid annually by Eastland residents to the District in taxes. It does not include normal billing expenses or maintenance expenses which affect the cost of delivered water in Eastland.

## Helicopters Set Down At El Morroco

The Olden residents agreed that they would have to meet with their engineers to see if a 30-year contract can be negotiated on the proposed FHA-financed system that is being considered.

"We recognize your problem in reckoning a rate for us," Olden School Supt. Travis Hilliard said, "but our problem is to be able to show an attractive monthly minimum water cost to our customers." (Continued from Page Two)

BRING YOUR dirty old radiator in for cleaning and winterizing. Also major and minor tune-ups. Otis Coleman's Humble Service, East Main St.

## Olden P-T A To Meet

Olden P-TA will meet Thursday (this afternoon.) at 7:30 p.m. at Olden Community Center.

All members are urged to attend.

## BREAD of Life

With good will doing service as to the Lord, and not to men.—Eph. 6:7.

Then murmur not, if toils obscure, And thorny paths be thine; To God be true — they shall secure, The joy of life divine.

**OLDEN WATER . . .**  
(Continued from Page One)

ers in order to induce them to go into our system."

Olden residents present were Gene and Danny Woods, Pat Mcseley, Bill Hunter, Hilliard and L. J. Williamson. Also in attendance were Eastland County Water Board members H. T. Wilson, Charles Freytschlag and M. H. Perry.

"The question was asked: 'Can Eastland enter into a 40-year agreement, with the last 10 years being a commitment between the city and the Olden water system, without regard to the present contract Eastland has with the Water District?'"

"Not without an election," Mayor Frank Deaton explained, stating that Eastland's attorney had advised that it cannot be done.

"Can Olden go into a 30-year contract with a 10-year option at the end" Olden residents were asked.

"Possibly. Of course our engineer will have to help us determine this, but it might mean a \$7.50 monthly minimum because of the increased payments."

A question as to whether Eastland might consider putting in a water system for Olden, including it in its present system, brought no comment.

Point was also brought up about the some 53 customers in Olden who presently are Eastland water users, as to whether they would be released to the Olden system, and whether Eastland would release Olden to buy raw water from the Water District in the event the Olden system elects to include a filtration plant in their system.

Director Wilson said that it might be possible if the cities release present agreements.

During the informal discussion the Olden residents agreed that the cost of a filter plant and added piping would probably be prohibitive.

A Commissioners comment that maybe it could be worked out if Eastland annexed Olden, brought only chuckles.

Tiner explained that it was his understanding that the engineers only wanted a resolution that the city would sell water to the system, with details to be worked out later.

**TO SWING IN EASTLAND** — Ronal McCown of Abilene, will be one of the features of the combined stage and screen musical entertainment offering at the Majestic Theater in Eastland Friday night. Backed by his Overall Good Band, McCown will share the jestic stage with Joe Terry of Abilene and Jim W. and "The Boys" of Cisco Junior College. On the show will be the first annual TAMI Show, featuring national musical stars. Showtime is 11:45 p. m.

**Shifting Insurance Burdens** — . . . has long been an American custom, and it's a good custom. Don't try to carry the load of financial risks yourself against the hazards of the modern times, but shift it to your local agent and let Insurance do it. Your losses may be hours years away but meanwhile Insurance will give you peace of mind and financial protection that's worth far more than it costs. Loss or no loss you win either way — with Insurance.

**State Mental Health Act  
Is Receiving Local Support**

A very worthy program which should be publicized throughout the county is the "Texas Mental Health Services Act," according to Dr. R. C. Ferguson, Eastland County Health Officer.

The act, designed to provide for conservation and restoration of mental health among the people of Texas, has been submitted to the present state legislature.

Introduced to the House of Representatives recently was House Bill No. 3, a bill which would pay the way for new dimensions in the present state system of treating mentally ill persons, in the form of community mental health centers located throughout the state.

It is expected to bring changes from custodial and institutional care of the mentally ill to early detection and prevention of mental illness; also establishing in or near a disabled person's home city, "community" facilities which to treat them.

Last year, sent to either veterans or the state hospital at Wichita Falls, from Eastland County were 37 mentally ill cases; 4 mentally retarded; 15 alcoholics and one person with TB, reports show, making the year's total 57.

Acceptance and support given to the new system by local taxpayers and governmental units will aid in a gradual change to more "community" services located nearer home, it is reported.

Mrs. Frank Hightower visited in Houston recently with her daughter and family, Mr. and Mrs. Sam Miller, Steven, Sammy and Mark.

Visiting recently in the home of Mr. and Mrs. W. E. Goode were Mrs. Willa Brock and son of Arlington.

LT. HOMER CARROLL  
... commissioned Monday

**Homer Carroll  
Commissioned  
2nd Lieutenant**

Homer Lee Carroll, Eastland native and son of the late Mrs. Fannie Belle Carroll of Eastland, graduated from the Officer Candidate School at Fort Benning, Ga., and was commissioned a second lieutenant Monday, according to an announcement received here.

Lt. Carroll enlisted in the Army in Eastland in August, 1962, after graduating from a Baton Rouge, La., high school. He had attended Eastland schools through his

junior year. He took basic training at Fort Polk, La., and went directly to Germany. He attended the Non-Commissioned Officers Academy in Badtolez, Germany, and was one of four honor graduates of a class of 133 men.

He was then assigned to the Adjutant General's Corps and worked in personnel section at Stuttgart, Germany. He applied for Officer Candidate School and returned to Fort Benning in August, 1964.

He is also the nephew of Mrs. Jewell Reaves, with whom he will visit this weekend during leave, before reporting to his next assignment at Fort Polk.

He has also been visiting his sisters, Mrs. Leroy Hoov-

er (the former Emma Lee Miller) and Mrs. Jerry Sims (the former Earline Miller) both of Baton Rouge.

# Cancer Is Major Child Killer, Reports Head of County ACS Unit

More school children will die of cancer this year than any other disease," said Kimmell of Cisco, chairman of the Eastland County branch of the American Cancer Society. "That's why so many mothers will be working for a Cancer Drive early in the year."

Children with acute leukemia die for many months and in some cases for as long as seven or eight years.

"Like adults, children should have regular physical examinations but there are some warning signs that should be called to the physician's attention if they persist longer than two weeks. We urge parents to watch for: swellings, lumps, or masses in any part of the body; pains, or the persistent crying of a baby or child, for which no reason can be found; any change in the size or appearance of outward growths, such as moles or birthmarks; nausea and vomiting for which there is no apparent cause; a marked change in bowel or bladder habits; bloody discharge of any sort; blood in the urine; heavy spontaneous nose bleeds or other type of hemorrhage; failure of bleeding to stop in the usual time after a cut or injury; unexplained stumbling in a child

about half of the cancer in children are from leukemia, which is a cancer of the blood-forming tissue. This type of cancer is primarily a disease of children. There is an increase among adults," Kimmell reported.

American Cancer Society is currently supporting research on leukemia and any other form of cancer and many scientists believe that cures will be found for leukemia sooner than for any other cancer. Seeing some progress because we have drugs that can extend the lives of

# 'Expense Item' Is Explained By County Official

"Every county official in Eastland County except one draws more salary than a county commissioner," Commissioner L. J. (Buck) Collins pointed out this week. "And yet the commissioners and the county judge have the primary responsibility for the conduct of a business with an annual budget in excess of \$400,000 of public money."

"The action of the commissioners court last week in approving a \$75 per month expense allowance for each commissioner was in line with the ruling of the attorney-general of the State of Texas which says that even though each of the commissioners precincts operates county pick-ups, expenses for travel on official business within the county can be allowed, providing the commissioners use their privately owned motor vehicles for traveling on official business within the county rather than the county vehicles."

Each of the commissioners, Commissioner Collins pointed out, uses his own car a great deal in the performance of his duties, and it is only fair that he be reimbursed for costs out of pocket. It is even more fair that he be paid a salary commensurate with his duties and responsibilities and with the salaries received by other officials of comparable responsibilities.

"The \$75 per month expense allowance made each commissioner will just about bring the commissioner's salary in line with that received by other county officials."

At the same session at which the expense account item was approved, Mr. Collins said, the court set the following salaries for county officials:

County Attorney	\$6,072
County Judge	5,520
Comm'r's	4,620
County Clerk	5,520
District Clerk	5,520
Tax Ass'r.-Col.	5,520
Co. Treas.	3,948
Sheriff	5,520
Constables	1,500

"These salaries are well in line with those paid by counties of comparable population," said Mr. Collins. "I don't think any of our county officials is over-paid, especially when you consider the costs of running for office and the hazardous nature of the job. Unless we pay our public officials salaries that are decent and attractive to men and women of ability we stand a poor chance of securing good officials. They can earn more and be more secure in private jobs."

"I believe that the county business, which is the business of all of us, should be given full publicity. It is the right of the people to know. But I do think they should be given the benefit of the whole story and not just a part of it."—Rising Star Record.

# Farm Bureau Member Drive Begins With Kick-Off Today

Millard Shivers, director of Rural Development of Blue Cross-Blue Shield of Texas, will be featured speaker for the Eastland County Farm Bureau Membership Drive to be launched today.

Shivers, who works exclusively with county Farm Bureau - Blue Cross groups in Texas, was previously organization director of Texas Farm Bureau in Waco for nine years, during which time the state Farm Bureau increased in membership each year for a total of 24,100.

Native of Gibson County, Tenn., he graduated from the University of Tennessee in 1941 with a B.S. degree in Agriculture. While in college, he was active in the Ag. Club, was a member of the University dairy judging team and of Phi Delta Kappa.

He and his wife, Marian, have two children and reside at Richardson.

The drive will be launched with a Kick-Off supper at 7 p.m. at the White Elephant in Eastland Thursday. Attending the rally will be community membership captains and workers from all over the county.

MILLARD SHIVERS To Speak Here

# Two Countians Earn Degrees At Howard Payne

Willard Ray Rodgers, son of Mr. and Mrs. W. R. Rodgers of Olden, and Jerry Lee Davis, son of Mr. and Mrs. Oral Davis of Rising Star, completed their work for de-

grees in January at Howard Payne College.

Rodgers majored in religious knowledge and took English as a minor subject; and Davis majored in chemistry and secondary education, studied mathematics as a minor subject.

# Lt. Bill Graham In Crete Landing

Navy Lieutenant (jg) Billy M. Graham, son of Mr. and Mrs. R. Q. Graham, Route One, Gorman, participated Feb. 2-9 in an amphibious training landing at Timbakion, Crete, while serving aboard

the attack transport USS Cambria. Following the completion of the training operation, U.S. ships and forces enjoyed a ten-day port visit to Athens, Greece.

# Fancy car: Buick Special V-6

Fancy. But not too fancy. Just enough to make your friends think you've found oil in the basement. You may think so, too, when you get acquainted with Buick's V-6—the best thing that ever happened to 6 cylinders. Its 225 cu. in. delivers 155 h.p., without delivering you to the gas station all the time. As to the plain, homely price: you'll find it looks restful in the family budget. We design the Buick Special so you can drive a Buick and still enjoy the other good things in life. See your Buick dealer. Remember: a Buick for only \$2343.00\*. That's the plain, honest (inspiring) truth.

**Plain price: \$2343.00**

\*Manufacturer's suggested retail price for Special V-6 2-dr. coupe. Price includes Federal Excise Tax and suggested dealer delivery and handling charge (transportation charges, accessories, other optional equipment, state and local taxes additional).

Wouldn't you really rather go first class?

See your local authorized Buick dealer

TUNE IN "LOWELL THOMAS AND THE NEWS"—CBS RADIO

# Follow that truck

(but if you do, plan to step lively)

You're looking at one of the busiest trucks in the world, especially this year. During 1965 Southwestern Bell's motor fleet will travel 88 million miles in the biggest construction program ever undertaken. A one-year \$350 million effort (this means up to 17,500 new jobs among the firms which sell supplies, services and materials to the telephone company) to make the world's

best telephone service even better. You will benefit directly. In cities, on farms, at home, at your office or in your car, you'll be able to call easier and faster in all kinds of weather. Next time you see a big telephone truck, take a second look. You'll be looking at rolling proof of a really massive effort to make your telephone serve you better, of more personal value to you.

# Scout Council Offices Moved

BROWNWOOD — The council service center (office) of the Comanche Trail Council Boy Scouts of America, moved to new quarters on Monday, February 15, Paul A. Cuyus, Council President, announced.

The new offices of the council are located at 409 East Lee Street, Brownwood. Mailing address and telephone number of the council remain the same.

Move of the service center to the new quarters was approved at the executive board meeting of the council held on February 4.

who has been walking well; a general "run-down" condition," Kimmell explained. "We know," concluded Kimmell "that the people of Eastland County will be generous when their neighbors call on them in this year's education and fund raising drive."

## Mrs. Horton's Book To Be Reviewed Friday

A Silver Tea honoring Mrs. Jim Horton, who recently wrote an autobiography entitled "Mama Was Pregnant," will be held Friday, Feb. 19, at 3 p.m. at the Woman's Club Building, sponsored by the Thursday Afternoon Club.

Mrs. Horton will review her book, the story of which began in Kansas where she was born, and ended here in Eastland. The eldest of 12 children, she can very well recall many fun-loving, heart-warming and, also, tragic moments during her days of growing up.

The public is cordially invited to attend the tea and hear Mrs. Horton's book review.

MRS. JIM HORTON  
... to review book

## 92-Year-Old Gives Rotary Program Here

Mr. W. C. Clements, 92-year-old active businessman of Cisco, was the guest speaker last Monday at the Eastland Rotary Club meeting. A blacksmith the past 68 years, Mr. Clements is still "going strong," he told the club. He has also been a resident of Eastland County for the past 68 years.

At the Rotary meeting, he recited, by memory, four poems, "I Ain't Dead Yet," "My Get Up and Go Has Got Up and Went," "I'm Awful Fine for the Shape I'm In," and "The Bridge Builder."

Members enjoyed the program thoroughly and Joe Culppepper, program chairman, said of Mr. Clements, "He has a wonderful voice and a wonderful memory."

Other guests at the meeting were Leland Huston of Loveland, Colo. and Eris Ritchie, band director at Cisco High School.

President Charles Freyschlag presided.

A guest of Mrs. Charles Black last week was her sister, Mrs. Juanita Yarbrough of Denver City.

### Letters TO THE EDITOR

Editor:  
Many years ago Eastland won first prize three different years for being the cleanest town in Texas of less than ten thousand population. Why can't we have a clean town again? And why should we wait until April first to start cleaning it up?

Can't you please stress making our town more attractive to tourists and also for home folks. Wouldn't a town without so many eye sores help attract new industry to our city?

When men come in, they bring their families with them. Many times it is the wife who makes the decision as to which town the family will settle in. North Seaman, North Lamar, North Connellee and West Commerce, between Connellee and Walnut are enough to discourage anyone.

Who is interested in a cleaner Eastland? (name withheld by request)

## Students Enjoy Musical Event On EHS Stage

Students of Eastland High and Junior High Schools were entertained by a group of singers and musicians Monday — compliments of the Chrysler Motors Corporation.

The "Spurrows," led by Thurlow Spurr, consisted of 25 talented musicians and singers, ranging in age from 17 to 24, from 11 states. Seven of the young entertainers held various degrees from colleges and universities, and four of the group are former high school music and voice instructors. All of them held individual music awards at state or national levels.

Miss Jane Ann Stephens, "Miss Ohio" in the 1963-64 Miss America Pageant, was a featured soloist with the group.

Music on the program ranged from old favorites such as "September Song," "Misty," and "Canadian Sunset," to popular favorites of today, such as "Hello, Dolly." A velvet-smooth brass ensemble consisting of two trombones, one bass trombone, one French horn, and three trumpets, provided the singers with accompanying music. A string bass and drums were also used.

Mr. Thurlow Spurr, of stage and T.V., serves as leader of the group. In a short interlude from the musical segment of the program, Mr. Spurr stressed the importance of highway safety, getting an education, and staying away from the wrong influences encountered in life.

The students and faculty of Eastland High School and Junior High enjoyed the hour-long program very much.

### VISITS COUSIN

Visiting recently with Mr. D. K. Williamson while in the hospital were his cousin and wife, Mr. and Mrs. O. L. Hissam of Akron, Ohio.

It was the first time the cousins had been together in 55 years.

### WEEKEND GUESTS

Visiting with Mrs. Harry Wood last weekend were Mr. and Mrs. Olen Parker of Glenwood Springs, Colo. The Parkers are spending their winter vacation with friends and relatives in Arizona, California, and Texas.

## Jack Arrington Attending Course Funeral Service

Jack Arrington of Arrington Hammer Funeral Home is one of a group of funeral directors from the four corners of the nation now attending a specialized course conducted by the School of Management, National Foundation of Funeral Service. The course began Feb. 7-12.

Located in Evanston, Ill., the School of Management is essentially a school of business administration, keyed to the specific needs of funeral service firms and based upon the principle that sound operating techniques will result in better public service.

In addition to the courses offered, the school maintains a library of funeral service literature, model mortuary rooms and public information service. It is open to all who may desire to visit or inspect.

## Art Club Meets In Home Of Mrs. W. Walters

The Eastland Art Club will have its next regular meeting March 11 in the home of Mrs. Homer White.

The club met last Thursday, Feb. 11, in the home of Mrs. W. W. Walters. President Mrs. Roy Lawson presided during the business session and members decided to meet at 1:30 p.m. on each meeting date, the second Thursday of each month, in order to give members more time to devote to their paintings.

Minutes and treasurers report were read by Secretary-Treasurer Mrs. Mary Hood and members who brought their work, spent the afternoon painting.

Refreshments of orange pie, hot spiced tea, coffee, salted nuts and sandwiches were served by Mrs. Walters to the following members present: Mmes. Joe Tow, Frank Sayre, Francis Urban, Ed Layton, Lawson, J. C. Poe and Hood; also two guests, Mrs. Mary Sluyter and Miss Melinda Urban.

## Leon Briefs

The recent siege of colds and influenza has not by-passed Lake Leon people. We have reports from people in most all general areas of Texas, from New Mexico and Arkansas. Hospitals everywhere have been full, not enough beds to take care of all the sick people. We hope the worst is over.

Among some of our recent visitors at Lake Leon were the Perry Nunnelys of Odessa, Naomi Heyser and Grace Ray of Baird, Mr. and Mrs. John Forbes of Anton, Mr. and Mrs. Norman Coffey of Cottonwood, Mr. and Mrs. Charles Farris of Sweetwater and Mr. and Mrs. Herman Pearce of Monahans.

Bass are being caught, most of them quite large. R. E. Henderson of Ranger took only about ten minutes to string two nice ones. He had two witnesses. Check with Stubby Warren or C. W. Collins for details on this fishing story.

Spring is just around the corner. Now is the time to get out that tackle box and get it in order. Look especially for a good supply of deep runners such as Hellbenders, Jigs and Spring Lizards.

Airman First Class Marvin England, who has been stationed with the USAF in Alaska, returned home over the weekend to visit with his parents and family, Mr. and Mrs. Bill England, Lissie, Audrey and Billie.

Also visiting in their home is Glenda Sue Mills, of Erowood. She and Marvin plan to be married this month.

Miss Jean Riddell spent part of last week in the Gorman hospital and returned home Friday.

# Keeton Of UT Law Will Address Exes' Meeting on Mar. 2

Dean Keeton, dean of the University of Texas Law School, will be the speaker during the quiet and business of the Oil Belt University Ex-Students Club Tuesday March 2, at 7:30 p.m. at the home of Ranger, Gorman, Rising Star, Breckenridge, Mineral Wells, Albany and Baird.

"We feel most fortunate for the privilege of having the University's highly distinguished Dean Keeton as our special guest and speaker," Warford said, "and we are looking forward to a big attendance of exes for this annual event."

Dean Keeton served on the University of Texas Law School faculty from 1932 to 1946 before leaving to become dean of the University of Texas Law School. Three years later he returned to UT to become Law School dean. During World War II he was on leave to serve as counsel for the Petroleum Administration for War and the Office of Price Administration.

Tickets are available from vice presidents of the organization:

Jack Gorman, Eastland; Leon Maner, Cisco; J. A. Bates, Ranger; John Kimble, Gorman; Bill Dennard, Rising Star; L. W. Brooks Jr., Breckenridge; Bob Upham, Mineral Wells; Fred Douglas, Albany, and James Paul Shanks, Baird.

W. PAGE KEETON  
Will Address University of Texas Exes

a patient in the De Leon Hospital.

Mr. and Mrs. Chubby Foreman and children of Irving visited last weekend with her parents, Mr. and Mrs. Roy Guthery.

### TIDBITS . . .

(Continued from Page One) lywood expansion, but what about other things to come. And that's why it's so important for us to take the bull by the horns and go to work with the Eastland Industrial Foundation by participating in their program so that more good things can come Eastland's way. When the Foundation asks our help, let's respond an enthusiastic "You bet."

**TODAY'S FLAG - BIT** from the VFW: "No other flag or pennant should be placed above, or, if on the same level, to the right of the U. S. Flag, except during church services conducted by Naval chaplains at sea, when the church pennant may be flown above the Flag during church services for Navy personnel."

### VISITORS HERE

Visiting in the home of Mrs. Curt Williams over the weekend were her son, A. C. Williams of Kermit, and her granddaughter, Gill Williams of Odessa.

Mr. Williams and Gill were on their way to Dallas to meet his son, Mike, who has been in the service in Germany.

### SISTERS VISIT

Guests last week in the home of Mr. and Mrs. O. M. White were her sister and husband, Mr. and Mrs. George Reick of Tyler.

### RECENT GUESTS

Visitors recently with Mr. and Mrs. James Ward were Mr. and Mrs. John Cheat and Mr. and Mrs. Earl Baines, all of Fort Worth.

### VISITS PARENTS

Visitors recently in the home of Mr. and Mrs. Wayne White were their daughter and family, Mr. and Mrs. Dwaine Dennis of Jefferson.

### SUNDAY GUESTS

Last Sunday afternoon, guests of Mr. and Mrs. J. H. Windland were Mr. and Mrs. Lonnie Mayhall and children of Abilene.

### RECENT VISITORS

Guests last Monday in the home of Mr. and Mrs. Jack Lusk were Mr. and Mrs. D. B. Cox of Breckenridge and Mrs. W. A. Teatsworth of Eastland.

Mrs. Florine Miller visited last week in Midland with her daughter and family, Mr. and Mrs. Lee Puckett, Carolyn and Colleen.

## Exciting New Hairdos for 1965

# Jury Called For Monday; \$67,000 Damage Suit Set

A petit jury has been called for Monday, Feb. 22, in 91st District Court to hear Ciseo tax suits and a damage suit involving Rising Star on Nov. 27, 1963, when she residents asking some \$67,000 in damages.

The damage suit is brought by Jimmie Johnson in behalf of his daughter, George Ann Johnson, who reportedly received injuries in an accident near the Rising Star Public School. Named defendant is Jerry

Winfrey, also of Rising Star. The Abilene law firm of Scarborough, Black, Tarpley and Scarborough represent the Johnsons.

Called for possible jury service are:

Eastland — Robert Fox, W.

F. Deaton, J. I. Brinkley, M. O. Erown, Wayne C. Durham, Mrs. Lois Mezell, A. D. Taylor, C. T. Lucas, H. H. Hardeman and Wayne Jackson, all of Eastland.

Danny Claborn, Earnest Reich, Joe Philpott, A. M.

Green, Roy Cozart, R. D. Kinzer, Sam B. King, A. C. Holder, Roy Maynard, Mrs. Lloyd London, W. B. Norton, E. H. Lawson, W. B. Eaves and Earl D. Gorr, all of Cisco.

H. G. Rippey, Melva Love, R. G. Stapleton, A. M. Ogle, W. E. Read, all of Ranger.

Mrs. Charles Duncan, Mrs. E. G. Henderson, Billy Earl Simpson, James W. Mears, Orval Treadway, J. V. Garrett and D. B. Warren, all of Gorman.

U. Z. Arron, C. C. Westerman, Cecil Carter, C. A. Clayborn, E. M. Crisp, Art Fisher,

Joe Criswell, and R. C. Long, all of Rising Star.

R. L. Sharp and R. O. Buckley, both of Desdemona.

It will be the first jury over which Judge J. Frank Sparks will preside as judge, 91st District Court.

Aluminum is the most abundant of metals.

Mrs. Curt Williams had a birthday party over weekend for six members of the Gleasons Sunday School Class, Bethel Baptist Church, who had birthdays during month of January.

There were 14 women present for the exchanging birthday gifts and refreshments of coffee, cake, punch were served.
