By BILL HERRIDGE

Well, here I am at the end another week and the beginning of another chronicle of happenings from the Hill.

The big news this week is the First Annual Eastland Basketball Tournament, the first such tourney held in Eastland since 1949. Eastand came out victorious in wo out of three tilts Thursday. Our A team gave Cooper Jun-ior Varsity of Abilene a taste of small city athletics as they tamed the Cougars 77 to 62. Our girl's A team defeated one of our rivals, Ranger, by score of 84 to 31. Our girl's B team lost, but played an extremely good game as they were beaten by the Gorman A team 46 to 17. Thursday's results show that Eastland is determined to take the top trophies in their own new

EHS is noted for its at tractive girls. This factor was very well demonstrated this week as two of our beauties competed in Sweetheart and Queen contests. Representing the Eastland chapter of FFA at the district ban quet at Stephenville was Miss Julie Elrod, the chapter's elected Sweetheart. Miss Judy Morehead, also a senior, re-presented the Eastland Chamber of Commerce in the Pecan Queen pageant in Ranger Thursday night.

We were entertained Friday by a group of Madrigal Singers from Hardin-Sim mons University in Abilene. The singers sang songs dateing back to the middle ages. We are always glad to have educational entertainment such

The dates of the Christmas Holidays became known to us this week. We are to get out December 23 and return on January 4. We are all looking forward to a short rest from the old grind, and I'm sure our wise and philosphical teachers.

Our teacher of the week could only be Coach Denson Moody, who is doing such a fine job with the highly successful Eastland Invitational Basketball Tournament. Mr. Moody is a 1961 graduate of Abilene Christian College His basketball teams have made a very good showing thus far in the season, and we are sure they will continue

As I bring this column to close, let me express my feelings of Christmas. Christmas, as you know, is a time of year when the people of the Free World act humane to their fellow man more than any other time of the year. Christmas also is celebrated in memory of the birth of Christ. Let's try to keep Christmas in this spirit, and not one of overcommercialization.
