District Judge Expected To Be Appointed This Week

Gov. John Connally is expected to appoint a judge soon to serve as magistrate of 91st District Court to serve until a special election can be held to fill the vacancy left by the recent death of Judge T. M. Collie.

The appointment is expected this week and veteran Eastland attorney Frank Sparks is considered most likely to receive the governor's appointment.

Judge Collie, who was re-elected to another four-year term this year, died Sunday morning and was buried in Eastland Monday afternoon. He was finishing his third term as presiding officer of the local court.

The County Bar Association met Monday morning, elected officers and a resolution committee was appointed to draft an official resolution from that body in honor of the late Judge

Collie. Virgil Scaberry, Eastland attorney, is chairman and reports that the resolution will probably be released this week.

Bill Hart was elected president and Jack Frost, secretary-treasurer. Both are of Eastland.

Texas election statutes provide that a special election should be called to fill the vacancy because Judge Collie, though duly elected, had not been formally qualified by swearing in, administered at the beginning of each term by a member of the Court of Civil Appeals. Had Judge Collie died after having been sworn in for the new term, it is assumed that the gubernatorial appointment would not have been until the next general election, which will be in 1966.

The consensus in the county appears to be that it would be well for the vacancy to be filled as soon as possible, because the state legislature will convene in January and state-wide redistricting is considered to be a prime subject. The location of the 91st District Court in Eastland County is important not only to the general public it serves, but also to members of the bar throughout the area.

Judge E. H. Griffen of Graham, administrative judge for this the Eighth Judicial District, was in Eastland this week on the 91st bench hearing several scheduled non-contested cases.

This district includes Cooke, Denton, Montague, Clary, Wichita, Archer, Jack, Wise, Young, Stephens, Eastland, Erath, Hood, Palo Pinto, Parker and Tarrant.

Four-Legged 'Policeman' Subdues Man in Eastland

An out-of-town "tough" tried to break into a Courthouse window early Monday evening but was felled by a 90-pound "weaking," before some 20 on-lookers.

It was all a demonstration for Eastland County Law Enforcement Officer Association members and the 90-pounder was a big, black German Shepherd police dog that answers to the name of Sabre, who is a bad omen for all violators.

The tough was no tough at all, nor was he a burglar. He's Mr. George Westfall of Abilene, owner and associate

James May, 71, County Native Buried Wed.

Funeral services for James (Abe) May, 71, were held Wednesday at 3 p.m. in the Bethel Baptist Church, with Rev. Lee Fields of Carbon and Rev. H. B. Terry, pastor at Bethel, officiating.

Mr. May, who passed away Monday evening after an illness of one month, was born July 23, 1893 in Eastland County, making his home in the Mangum community until eight years ago when he moved to Eastland.

He was a retired farmer, member of the Masonic Lodge number 467 of Eastland and a deacon of the Bethel Baptist Church.

Survivors include his wife, Susie; two sons, Richard May of Eastland and Ben May of Midland; one daughter, Mrs. J. T. Gregory of Eastland; two sisters, Mrs. E. D. Hair of Dallas and Mrs. Lunar Jackson of Eastland; four grandchildren; and several nieces and nephews.

Pallbearers were Luce Pittman, Marcus Dell, J. C. Allison, David Weems, Wade Coan and Tom Clark.

Burial was in the Eastland Cemetery. Arrangements through Arrington Hamner Funeral Home.

School Out For Holidays, Dec. 23

Eastland school students will begin their holidays Wednesday, Dec. 23, and will return to classrooms again Jan. 4, according to Principal Charles Marshall at high school.

The weather has been very cold and we have some children who are barefooted. Your contribution will buy shoes for these children and also warm clothing.

trainer of Sabre and other police dogs.

The Westfalls and their trainer, Jane Turner were guests of the association, and appeared in Eastland through arrangements made by Dan Nowlin, Highway Patrol Safety Officer of Abilene.

After the monthly meeting and dinner at the Village Hotel Coffee Shop, the some 20 members and guests went to the courthouse lawn for the demonstration. Miss Turner took Sabre in an auto and Mr. Westfall went to the courthouse lower window to "break in." On command from his trainer, the dog bounded from the auto and pinned the man.

Such a trained dog would cost some \$700, the officers were told, and although there doesn't appear to be any full-time need for such a police aid in Eastland County at this time, it was learned that the dogs can be rented for special needs such as man hunts, etc.

The association will meet next in Cisco.

C-C Directors Meet Thursday

Board of directors of Eastland Chamber of Commerce will meet Thursday at noon and budget for the coming year will be one of the top items on the agenda, President Don Vieregger has announced.

Other items to be discussed include Christmas plans, highway projects and a discussion of committee assignments for the coming year.

President Vieregger urged all directors to be present at the luncheon at the White Elephant for this, the last directors meet of 1964.

Visiting recently in the home of Mr. and Mrs. J. N. Poe were Major and Mrs. W. R. Bone of Sheppard Field in Wichita Falls, and Mr. and Mrs. Mark Hutsell and daughter Kaye of Fort Worth.

Santa And Scrip Here Saturday For Family Day

Saturday, Dec. 19, will be another big pre-holiday day for Eastlanders.

Santa Claus will visit once again and another Old Rip Scrip Drawing will be held and the First Baptist Church Negro choir will sing on the south side steps of the court house, accompanied by a steel guitar, it has been announced.

Winners in last Saturday's drawing were announced as follows: \$50 winner, Mrs. Ben Drake; \$30, Jeanie Kliner; \$10, Jean Smith; and the other \$10 winner, Mary Jo Slaughter.

The drawing Saturday will be held on the west side of the square.

A public appearance of the Negro choir in Eastland is always well received and citizens from throughout the area will want to come to enjoy the special Christmas music to be offered.

The group, usually accompanied by a piano, will sing with a steel guitar Saturday.

Of course the visit by that jolly, little round man, known and loved so well by the young will in itself be an occasion for much activity, as Santa Claus talks with the children and shares Christmas candy with all who come to whisper in his ears their secret hopes and wants for Christmas Eve. It will mark the second appearance of the Man in Red and the City is extremely fortunate to be visited twice during Santa's busiest season. Some say he comes again because the Eastland youngsters are so nice.

All in all, it will be a busy day in Eastland, with Old Rip himself coming in for his share of attention, in the form of Old Rip Scrip, which is so popular with Moms and Dads throughout the area. Another \$100 will be given away and what a present either of the Certificates will be — they're good for so many things from the stores and shops in Eastland.

And as visitors and home-folks know, the Eastland merchants have their counters and racks just bustin' with pretty holiday items — ideal for personal use, or to round off those shopping lists. Many stores are offering pre-Christmas sales now which will be appreciated by the thrifty.

Visitors will find too that parking is just never a problem in Eastland. It's all free.

And visitors will want to note too the beautifully decorated windows downtown, the street and overhead lighting and the homes in Eastland. Almost all have gone all out to make the city a delightful attraction at this holiday season. The beauty will help you enjoy the Christmas spirit.

Throughout this area, you'll find no greater nominee for the title "Christmas Center, U.S.A." than in Eastland.

See you Saturday!

City Commission To Meet Friday At 2

The City Commission will meet Friday, Dec. 18, at 2 p.m. for their regular monthly meeting, Mayor Frank Deaton has announced.

This meeting will take the place of the regularly scheduled meeting for Monday, Dec. 21, he said. Change was made because of the Christmas holiday week.

53 Share \$8,500 As Cornelius Holiday Bonus

Christmas bonuses totaling \$8,500 were distributed Thursday by Victor Cornelius to the 53 employees of his theatrical advertising and menu printing firm. This marked the 20th year for the bonus presentation.

Now in its 29th year, the Cornelius firm has, in the past year, rapidly expanded its menu department.

In his desire to please the variety of requirements of throughout the nation, Cornelius has designed and developed a unique heat-seal machine, has installed a gold-seal press for printing in gold on leather-like paper, and has purchased additional presses.

The business building itself is at present undergoing the addition of 2100 square feet. The additional space is required to house the expanded printing and art departments.

The heat-seal machine, for which Cornelius has made patent application, was created because of the large number of restaurant owners who desired colored foot pictures on the insides of their menus and who had definite ideas about how the pictures should be arranged. For most, the cost of custom-order, four-color process printing was prohibitive.

The new machine places die-cut pictures in any arrangement on the menu and heat-seals them in place. Later, a laminating process gives the menu page a finished, slightly-embossed appearance.

Some of the most attractive menus now being produced by the firm are those printed in gold on heavy, leather-like paper with parchment inserts, tied with tasseled cords.

Printing on these covers is accomplished with tons of pressure exerted upon tissue-thin gold-leaf coated paper through the newly-acquired machine.

Three new automatic presses have been installed during the past year and a fourth will be delivered within the month.

JUDGE T. M. COLLIE

Judge Collie had membership in the Texas Bar Association, the American Bar Association, Eastland Masonic Lodge, of which he served as master knights of Pythias and the State Judges Association.

Survivors are his wife; one son, the Rev. Robert Morris Collie of Kentwood, La.; one granddaughter; two brothers, W. M. and W. B. Collie, both of Dallas; and four sisters, Mrs. T. F. Morrow, Mrs. J. E. Walker, and Mrs. Don Rogers, all of Gorman, and Mrs. T. J. Haley of Eastland.

Members of the County Bar Association were honorary pallbearers.

Active pallbearers were

Henry Van Geem, Wendell Siebert, Frank Deaton, Frank Crowell, Cecil Collings, and Virgil Scaberry, all of Eastland, Bill Wright of Cisco, and Dewey Cox of Ranger.

The County Commissioners Court, meeting in regular session Monday morning, adopted a resolution and adjourned in honor of the late Judge T. M. Collie.

The resolution said in part: ". . . on Dec. 13, 1964, the State of Texas and the County of Eastland lost one of its most beloved and distinguished citizens in the passing of Judge Turner M. Collie . . . during his long and distinguished career of public service, he (Judge Collie) served as Eastland County Clerk, represented Eastland County as a member of the Texas House of Representatives for three terms and at the time of his passing was presiding judge of the 91st Judicial District of Texas . . ."

The tough was no tough at all, nor was he a burglar. He's Mr. George Westfall of Abilene, owner and associate

This Community's Voice of Christmas Speaks Through United Charities

The VFW has always been a very charitable organization and has contributed \$50.00 again this year as in the past. The Ladies Auxiliary of Post No. 3641 also contributed \$25.00 to this very worthy cause.

One of the nicest things a person can do at Christmas is to contribute to the United Christmas Charities as a memorial to a deceased friend or loved one.

Our needs this year are greater than in the past and your contributions will be most helpful.

Many civic organizations are selecting names from our list and are going to give baskets. This will be possible until the second screening meeting at which time all names that have not been allocated will be assigned to a religious group.

Mrs. Floyd Elkins is giving the United Christmas Charities several jars of home canned garden vegetables. Mrs. Marene Johnson several jars of jellies and jams. Dr. Ferguson is giving a rocking horse which has been in his office.

Sheriff-Elect Sublett Announces His Staff

County Sheriff Elect L. E. (Lefty) Sublett, who will take office Jan. 1, announced his departments staff this week as follows:

First Deputy — Loy Williams, a 51-year-old county native who presently lives in Cisco with his wife and one daughter. The Williams have another daughter who is married.

Jailer — John Shook, who was hired several months ago by the retiring sheriff, Lee Horn.

Office Deputy — Ott Ervin of Ranger, who has served as office deputy throughout Horn's administration.

Sublett said that he will appear before the county commissioners court at its first meeting after the first of the year to ask that an additional field deputy be hired. The work load of the county's sheriff department is such that another man is needed, he said.

Sublett was jailer for Horn and later was made first deputy. He had five opponents and beat a run-off opponent to be elected sheriff this year.

Horn, who has served for the past four years, plans to retire and perhaps return to his interest in cattle buying and selling.

Charlie Todd Dies Saturday; Rites Monday

Funeral services for Charlie H. Todd, 95, were held at 2 p. m. Monday in the Second Baptist Church with the Rev. Robbie L. Hobbs, pastor, officiating. Burial was in the Merriman Cemetery with Killingsworth Funeral Home in charge.

Mr. Todd, who had lived in the Merriman community and Ranger for 80 years, died at 9:25 p. m. Saturday in Western Manor Nursing and Convalescent Home.

Born Jan. 12, 1869, at the site of what is now Dublin, in Erath County, he married Mary Emma McCleskey, Dec. 26, 1894, in Ranger. Mrs. Todd died Oct. 7, 1954.

His years spanned a period in which he saw the buffaloes and Indians go and the railroads come. He had worked as a pumper for the Texas and Pacific Railroad, a job in which he was responsible for water towers, where trains loaded up with water during the time of steam locomotives.

Todd was a member of the Second Baptist Church in Ranger and belonged to the Phoenix Masonic Lodge 275 in Weatherford.

Survivors are two sons, Joe W. of Ranger and W. Wayne of Amarillo; two sisters, Mrs. Nancy Taylor of Phoenix, Ariz., and Mrs. B. W. Hunt of Odessa; and one granddaughter, Mrs. Troy Beville of Amarillo.

VOICE OF U.C.C.

(Continued from Page 1.)

Noble Squires is offering a good bicycle to the cause. Esma Noble has contributed a three-foot Teddy Bear.

This shows the great variety of items given to us for distribution. Mrs. Eldress Gattis has offered a practically new set of box springs and Doyl Squires has the bedsteads to make it a complete set.

We greatly need useable toys and please leave them at the Chamber of Commerce. We will pick them up and deliver them to the needy families. Please do not bring broken toys as we have no way of repairing them.

A few days ago a lady came to us and said she would like to contribute to our charity. It was a person whom we helped in a small way when her home burned and completely destroyed everything she had. It is incidents like this that makes us feel that our efforts are highly appreciated.

Mrs. Marene Johnson has been the leader in one of the two sororities for business and professional women of Eastland for many years. This year she is going to buy a big turkey, cook it with the dressing and place it in the basket for the family this sorority has chosen.

For many years the Walker Dressing Plant has given us fifteen to twenty-five fat hens for our Christmas basket. Mr. Walker passed away about three years ago and his son, Mr. D. J. Walker and Mrs. Walker own and operate the Walker Dressing Plant located at 208 Folts Street in Eastland.

Mr. Walker has carried on as his father did but this year he wants to place a dressed hen in every basket we deliver - which will make him the largest individual contributor in this community. He sells the highest quality products and people buying poultry should consider his charitable generosity before making their purchases.

Mr. and Mrs. M. H. Perry have called and stated they would like to purchase new toys for one family. They have been furnished the list of applicants, have chosen a family and purchased the new toys which will be delivered with the Christmas basket.

There are so many ways you can help us at this time. Have you contributed anything to charity?

We have received a donation from our youngest donor a few days ago. We called on Mrs. J. F. Collins in regard to the Civic League and Garden Club contribution and during our conversation regarding the many donations to our Charity her young grandson, John Joseph Collins, who is three and one half years old came in the room and said he would like to give to our charity. His contribution of one dime was gladly accepted.

John Joseph's father is Dr. J. F. Collins Jr., Neurologist of Dallas.

Mr. and Mrs. Don Doyle's daughter Donna gave a Christmas party Saturday night and asked each person to bring one or more cans of fruit or vegetables. We have received a bountiful supply of groceries from Donna which will be included in our baskets.

If you have not contributed to the United Christmas Charities, please do so now. We will spend your money wisely and make it go farther toward giving the under - privileged families a MERRY CHRISTMAS.

Rising Star News

A birthday dinner, honoring Mrs. Beatrice Hellums of Rising Star is a sister of Mr. Archer.

Mr. and Mrs. Norman Claborn of Meridian recently sold their dairy farm and have moved to Rising Star. They have purchased the Dewey Large place, west of town, and will erect a new home soon. They have been visiting a few days with her brother, Lee Hughes, and family.

The Claborns are members of the Church of Christ and are formerly of Rising Star.

Funeral services were held Friday in the Ackerly Baptist Church for Skipper Archer, 85, who died Thursday in a Big Spring Hospital.

Mr. Archer, a native of Lebanon, Tenn. was married in Waco Dec. 24, 1900 to Lula Brunson. They moved to Ackerly in 1924 from Anson. He had served as constable for more than 25 years.

Buck Collins of Rising Star, commissioner of Precinct 3, Eastland County, was elected president of the Eastland County Employees Benefits Association, which was organized recently.

Other officers elected at the meeting are Johnson N. Smith, County Clerk and vice-president; Earl O'Brien, county auditor and secretary; and Mrs. Ellen Justice, county treasurer, as treasurer.

Bruce Hubbard son of Mrs. Ruby Nell Hubbard underwent surgery recently at the Brownwood hospital. He is improving.

The Rising Star Wildcat Band will present its Christmas Concert Wednesday evening, Dec. 16, at the high school gymnasium beginning at 8 p.m.

The concert band, the stage band and the Third Grade Tonettes will be featured on Christmas numbers and the traditional Christmas carols, in special arrangements, will be played and the stirring, brilliant arrangement of "Battle Hymn of the Republic" will conclude the program.

There are children barefooted at this time. Your contribution will help buy shoes for them and also warm clothing.

Why not take care of OUR poor people first? The United Christmas Charities is controlled by 15 men and one woman who are leading citizens.

H-SU Madrigal Singers Appear In EHS Concert

By BILL HERRIDGE

Students of Eastland High School were held captivated by the beautiful harmony issued forth by 12 Madrigal Singers of Hardin - Simmons University of Abilene.

Numbers presented by the group were of the 13th and 14th century era of English Literature. They included "Tnus Saith My Cloris Bright," "The Little White Hen," "Hark the Madrigal," "Blessed son of God," "I cannot consent it" "Charm

meaneth not," and a modern folk song, "Come all Ye Fair and Tender Ladies."

The Madrigal, as defined by Miss Annette Brown, sponsor and leader of the group, is a form of group singing used in the 13th and 14th centuries. After dining, all the guests, including the host, would clear the table and sing in five or six part harmony just for the enjoyment of singing.

The HSU group was extended a cordial invitation by Mr. Charles Marshall, High School Principle, to return anytime.

Trio Arrested After Theft Of Clothing

Two men and a woman from California were apprehended soon after they stole a suit and other clothing from a car in Cisco last Saturday due to the work of Policeman Clyde Brymer.

The three people were released Monday after paying fines of \$29.50 each in Justice of the Peace W. L. Lewis' court in Cisco. Misdemeanor theft charges had been filed against them.

Police Chief S. E. Parkinson reported that Mr. Brymer noticed the California car and the three people at a local restaurant early Saturday. Their appearance caused him to write down the auto license number. Shortly after he returned to the police station Mr. Brymer received a call that clothing had been stolen from the car of Frank Walton, Cisco business man, while it was parked at the restaurant.

Policeman Brymer immediately radioed police in East-

land and Ranger. Soon, he received a call that the car had been stopped in Ranger and that the stolen clothes were in the car. The three people were brought back to Cisco and lodged in the city jail.

Judge Lewis complimented Policeman Brymer whose alertness brought about a speedy solution in the theft case. Mr. Walton's clothing was returned to him.

Ranger Bank Is Host For Pecan Show Luncheon

Approximately 30 persons attended the Eastland County Pecan Show Queen's Luncheon Saturday at noon at the Porky Pig in Ranger. Glynn Gilliam, president of Commercial State Bank, was host for the luncheon honoring the Pecan Queen and the two runner-ups.

Smith, Rising Star, president of the County Pecan Growers organization, presented plaques to Dr. Benton Storey of A&M University and B. G. Hancock of the Agricultural Extension Service of A&M for their work as judges in the county pecan show.

Mr. Smith introduced the Queen, Susan Griffin of Carbon, and the runner-ups, Judy Morehead of Eastland and Sharon Lawrence of Olden.

Those attending the luncheon included L. D. Romberg, and George Madden of Brownwood, B. G. Hancock and Dr. Benton Storey of A&M, C. E. Smith and Mrs. Smith of Rising Star, County Agent J. M. Cooper, Eastland; W. T. Eaton, Ranger; Mr. and Mrs. B.

Social Security Card Is Needed For 'Extra' Help

Students, housewives, and others who plan to make extra cash by working during the pre-Christmas rush may find delays in getting on the payroll if they're without a social security card.

R. R. Tuley, Jr., district manager urged students who have never had a social security number to get an Application For Social Security Number form and mail it to the nearest social security office, or Box 3258, Abilene, Texas 79604.

Housewives should check to see whether their social security card might still be in

their maiden name. If so, application should be made to change it to their married name, Tuley suggested.

The key to the benefits which are paid on the account of an insured person who retires, dies, or becomes disabled is the number on his social security card. Any person who cannot locate his or her card should take immediate steps to make application for a new one by obtaining a form for this purpose at the nearest social security or post office. The new social security card will have the same number originally assigned to the worker.

The competition for Christmas jobs is always hectic, Tuley said. Having your social security card available will make finding cash-producing Christmas employment easier.

Yellow Pages

Will they find you?

People use the Yellow Pages when they're ready to buy, rent, lease, or order services. Make sure they find your business easily with a display ad under each product, service, or brand-name item you sell. Featuring selective information about your business will help turn shoppers into buyers. The better your business is represented in the Yellow Pages, the better opportunity you have of reaching consumers when they're ready to buy or order services. So why take chances?
