By H.V.O.

THE ONE THING that takes incident over Old Rip Scrip a winning basketball team, which Eastland has. And you did tell it in town Saturday. About everybody that did made it down to Denton for the Regional tilt that you, and you couldn't ask for a finer team to back. A remark made by Coach Denson Moody before the Eastland Lions Club last week was repeating: "We're proud of these boys because they are such good ambassadors for Eastland." In the tense atmosphere of that playoff game you could see the same pride in the face of every Eastlander, making you proud to be a part of such a team. The Mavericks have moved to one and all during a long haul that hard work pays off — and for as long as these Mavericks live, you'll all remember '65, the basketball year. Theirs won't forget it, or them. The metropolitan newspapers are predicting that the Region's winner will win. So be it.

IT WAS INTERESTING to see the hurry-scurry of Eastlanders Friday as they made their way to Denton. (Many went down Friday.) One of the favorite square philosophers (the one who frequently gets his metaphors mixed) had this to say: "You bet going, if I can get all the coons in the same basket." (He did.)

THE EASTLAND Coin Club will meet Monday at 7:30 p.m. in the Texas Electric Service Reddy Room, when Paul Ashburn of Abilene, an internationally-known coin expert, will speak on foreign coins. President Earnest is expected to announce.

MRS. B. H. Clifton, who lives a mile and a half out on Breckenridge Highway, reports that she has four male puppies to give away. They're a small breed. Her telephone number is 9-1948.

Funerals Set For E. Fisher

Funeral services will be held at 3:30 p.m. Sunday (today) at the Elzo Fisher, 73, who died Friday in an Abilene hospital. The rites will be at the Hamner Funeral Chapel with burial in Eastland Cemetery. Fisher had been a patient in the Eastland Hospital for several days before being taken to the Abilene hospital shortly after his death. Fisher was born in Oklahoma Territory, Feb. 14, 1892, he was a farmer and lived in the Morton Valley community. He had been a resident of Eastland since 1955. Survivors include one daughter, Mrs. Harold Adams of Pecos; three sons, Bernard, Leonard and Midland; seven sisters, Mrs. Bobby of El Paso; eight children; two grandchildren; three brothers, of North Hollywood, Edgar of Phoenix, Ariz., Oscar of Riverside, Calif.; seven sisters, Mrs. McLesky of Abilene, Mamie Tankersley of Eastland, Mrs. Pearl McCullough of Odessa, Mrs. Ina Dabbs of Breckenridge, Mrs. Claude Dabbs of Andrews and Mrs. Edna Thompson of Eastland.

Public School Week March 1-5

Special observance will be made March 1 through March 5 of Public Schools Week in Texas, designated by Governor John Connally, during which time, parents are urged to visit public schools. Masonic Lodges instigated public schools week, according to Mr. Homer Smith, member of Eastland Masonic Lodge Number 467 and Chairman of Public Schools Week committee for Eastland. Thursday afternoon the elementary school will exhibit regular classroom work and will have various items on display concerning "American heritage," according to Principal Mrs. Bernice Durham. In some classrooms, there will be an emphasis on Texas, she said. Governor Connally has said, "Our goal is to make Texas public schools the finest in the Nation, and to achieve this our citizens are urged to take an active interest in the school systems and to cooperate with their school boards, superintendents, principals and teachers. It is important to remember that our public schools will furnish our tomorrow's leaders with the basic human, moral and spiritual foundations necessary for more advanced training and knowledge."

Rifle Club Meeting Is Tues. Night

Team captains will pick their assistants and name team members when the Eastland Rifle and Gun Club meets Tuesday evening, March 2, at 7:30 p.m. at the City Hall, President A. D. Taylor has announced. The club, now consisting of 87 members, will hear reports from a committee on trap shooting, and initiate discussion for an inter-club shoot, Taylor said. The club's pistol ramp at the new range at the airport is now in operation and being used, he said. The club has been instrumental in assisting the local police department in re-loading procedures. A temporary National Rifle Association charter has been granted the club and the permanent charter is expected immediately, Taylor said. A junior club will be begun immediately after receipt of the charter. All interested persons are invited to the Tuesday night meeting.

JEST FOR FUN
At a political convention, a sign had been erected near the speakers' platform for the benefit of press photographers. It read: "Do not photograph the speakers while they are addressing the audience. Shoot them as they approach the platform."

New Telephone Directory Due Here March 2

The new brown and white Eastland telephone directory for March, 1965, will be mailed to customers March 2, said Steve Simmons, manager for Southwestern Bell Telephone Company. The March directory will contain over 1,870 listings of residents and businesses in its 11 white or "alpha" pages. Classified pages will number 28. Simmons said that 3,250 books have been ordered. Extra copies will be used by new telephone customers and by telephone offices in other cities. Customers should begin use of the new directory as soon as it is received.

County Commissioners' Expense Allowance Is Still an Enigma

Whether members of the Eastland County Commissioners Court will ever receive their \$75 a month expense allowance checks, which they recently voted themselves, appears now to be a debatable question. There has been a multitude of opinions and interpretations of opinions on the question and, apparently as yet, no definite action taken. At last inquiry, no checks

HEART FUND MONDAY...

HEART DRIVE WORKERS — Volunteers who will be calling on Eastland residents Monday evening from 6 to 7 p.m. will be these club members and Fund officials. At top are County Chairman Mrs. Reita Bond Choates and Mrs. Kate Simpson, Eastland chairman. At bottom are Karen Bond, Sharon Chick and Cheryl Sosebee, Co-Ed Club workers; and Anna Huffman, Patty Johnson and Vickie Trout, of the Socialite Club. Other Socialite volunteers are: Doris Trout, Pam Keith, Patty Pryor, Sherry Butler, Carolyn Thomas, Lois Ann Sims, Sharon Spradling, Dana Edwards, Cathy Lowrance, Ernie Mae Lane, Tam Sosebee, Donna Viergever, Jennifer Pryor and Kathy Goodwin. Other Co-Ed volunteers are Mary Ann Manning, Jean Ann Eidson, Judy Morehead, Sharon Sayre, Jan Taylor, Jeanie Hann, Donna Ford, Carolyn Key, Julie Elrod, Judy Briney and Anna Smith. (Staff Photo)

Work On Interstate 20 Making Good Progress, Is THD Report

(SEE LATEST MAP ON PAGE FIVE)
The borders of Texas are shrinking. Not in a physical sense, of course, but in the time it takes a motorist to drive from border to border. This nowhere is more apparent than on the Interstate Highway 20 which extends from the New Mexico-Texas border to the Texas-Louisiana border some 816 miles eastward. At this time approximately 333 miles of the route is already complete and about 166 more miles are under construction. When the entire route is complete to full Interstate standards — not later than December 31, 1972 — Texas motorists may clip as much as a half day or more from their border-to-border travel time. Equally significant is the fact that the new route will be several times safer than comparable parallel thoroughfares. A motorist will be able to drive completely across state without encountering a single traffic light or intersection at the same level. The five-mile stretch from one mile east of Eastland to .8 mile southwest of Ranger is listed in the report as being

for commissioners' expenses have been made. Point in question appears to be whether the pickups provided by the county are, in fact, provided for the commissioners. The expense item was passed by the court in January, stating in the official minutes that expenses be paid "as provided" in Article 2350o. Question was raised then as to whether that article "pro-

vides" expenses in circumstances which exist in this county. An opinion of the state attorney general was asked, received and interpreted by the county-district attorney to the effect that the article does not provide expense allowances in Eastland's case. Indicating that they did not believe all the pertinent information was included in the original request for opinion, the court asked the county auditor to ask for another opinion, stating the information specifically. So this was done, and the results appear to be the same. The state office once again cited the Hunt County parallel (which was used as a reference point in the first opinion).

Ray Cameron, First Christian Minister, Moves

Mr. Ray Cameron, minister of the First Christian Church of Eastland, has moved to Danfield, Ill., where he is now minister at the Glenwood Christian Church. The vacancy left by Mr. Cameron will be filled March 7 by Mr. Clayton Jackson of Eugene, Oregon. He and his wife and two children will move to Eastland Friday, March 5. In September, Mr. Jackson will enter Bright Divinity College of Fort Worth. Filling the pulpit until the arrival of Mr. Jackson has been Mr. Ed Ramer of Fort Worth.

BE READY FOR HOT WEATHER. Have your auto air conditioner serviced and checked now. Otis Coleman's Humble Service Station, East Main St.

Mavericks Lose Regional Tilt to Millsap in Thriller

In 70 fleeting seconds before the final gun, the Eastland High Mavericks bi-district champion basketballers came to the end of their highly impressive 1965 cage campaign. On the hardwoods of the

North Texas State University field house at Denton Saturday morning, Coach Denson Moody's Red & Black crew was dropped by a potent Millsap quintet, 49-46, in a regional playoff duel. With the score knotted at 46-46 just 1:10 before the end of the tilt, Millsap's Ronnie Hearne hit the mesh with a

perfect shot and only a few seconds later Harvey Davis, his mate, scored another point on a free-throw to clinch the victory. The Mavericks, first basketball aggregation in the history of Eastland High School to reach a regional playoff, had been well-scouted by their foes. The Mavs' two top scorers — Terry Treadwell, an all-state nominee, and Mike Miller, prominently mentioned for top all-area honors — were kept bottled up by an alert Millsap defense. Miller was the Eastlanders' high scorer with 11 points, and Treadwell was a notch behind. (Continued on Page 8.)

'MAV FEVER'

By BILL HERRIDGE
Reports of a sweeping, new epidemic filtered down from Eastland High School Hill this past week. Symptoms included a light-headed feeling, resulting in a walking-on-air attitude. There was some thought to maybe dismissing classes because the students just didn't feel like studying with their new malady. But in view of the recent lost week because of another epidemic, it was decided to hold out for possible improvements after Saturday's Regional Basketball tournament in Denton. Strange utterances were (Continued on Page 8.)

COACH DENSON MOODY

Friday Deadline For City Filing

Deadline to file for City Commission is Friday, March 6, according to City Manager Lewis Tiner. To date, no candidates have filed, he said. Terms expiring this year are those of Mayor Frank Deaton, Dr. M. A. Treadwell, Jr. and Dale Trout.

Treadwell, Miller Keys To Success At Eastland

Coach Denson Moody was present with a new gymnasium at Eastland High School this year, and two of his Mavericks seem to have made the most of the new gift. At least the two are leading the Mavericks into a favorite's role at the Region II-A tournament in Denton this week after winning the 10-A championship and downing Marble Falls in bi-district action. The pair, who seem to support Coach Moody and his high dream, are guard Mike Miller and center Terry Treadwell. Quite A Record Treadwell, an all-state nominee, has compiled quite a record for himself during the past four years, both on and off the hardwood. As a sophomore two years ago he made the second team all-area selection, then last

year moved up to the first team. This year's selections haven't been made yet, but he is almost certain to be among the top candidates.

TERRY TREADWELL... all-state nominee

The 6-3, 190-pounder averaged 16.5 points as a freshman, upped it to 17.3 as a sophomore and hit 21.5 as a junior. This year he is still climbing, nearing the 27-point average. For the past two years he has been named to the all-district team, and is expected to receive the honor again this year. His list of all-tournament basketball selections reads more like a who's who among high school cagers, and his services as a rebounder from his beneath the basket position is unbelievable. But Coach Moody is just as quick to give praise to Miller for his performances out front. As a 6-0, 150-pound guard the shifty play-maker is averaging 16 points per game this year, and is described by his coach as the "key to the team's success." (Continued on Page 8.)

Olden Water Corporation To Begin at Thursday Meet

Initial steps for the formation of the Olden Water Supply Corporation will be taken Thursday night when residents gather to discuss preliminary arrangements of the incorporation. All residents of Olden are being urged to attend to hear details explained by experts and officials. Present will be Mr. Homer Cole and Darrell

Cooper, both of the Federal Housing Authority (FHA); Engineer Leon Decker; Attorney Dewey Cox; and water committee members, Travis Hilliard, Bill Hunter, Pat Moseley, Danny Woods, Gene Woods, L. J. Williamson and Gilbert Copeland. The incorporation is for a water system only and does not include the incorporation of the city. The meeting will begin at 7 p.m. at the Olden Gymnasium. Proposals by the engineer will include the fact that a 30-year loan from the FHA will trim loan, expense by some \$22,440, and that minimum water bills are expected to be about \$4.50 to \$6 per month, depending on the number of customers who sign up. Charter memberships will be signed Thursday night upon the payment of a \$50 fee. This money will immediately be placed in interest-bearing accounts, and returned to the individuals if it develops that it is impossible to finalize the Olden water system, it is reported. The seven-member committee will serve until the first

of the year, when new directors will be elected. President Moseley and Treasurer Hunter are both being bonded. Goal of the corporation, a non-profit organization, will be 120 water customers in Olden it is reported. Only cost to the customers Continued on page five

Wednesday Is Deadline For Trustee Filing

Wednesday, March 3, is deadline to file for School Trustee, according to Supt. Wendell Siebert. Those who have filed are Dr. B. B. Alexander, W. L. Griffin and Virgil Seaberry, Jr., all for re-election, Siebert stated. No others have filed. Visitors in the home of Mr. and Mrs. Hugh Abel Sunday evening were his sister and family, Mr. and Mrs. A. M. Haile of Alexander.

Service Above Self - Rotary

Rotarians in this city are celebrating the 60th anniversary of the founding of the first Rotary club. It was on February 23, 1905, that Rotary, the granddaddy of all modern service clubs, was started in Chicago by a group of four young men, each from a different business or profession.

"Service Above Self" and "He Profits Most Who Serves Best" are the twin mottos of Rotary expressing the organization's basic concept of service by every Rotarian in his personal, business, and community life. It is this dedication to serving others that is the common denominator for more than 560,000 Rotarians of 11,800 Rotary clubs in 127 countries.

Down through the decades, Rotary has stood for fellowship among business and professional men, for high ethical standards in vocations, for the improvement of communities, for aid to the crippled and the needy, and for the advancement of international understanding and friendship, a prerequisite to world peace.

As it enters its sixth decade, Rotary is growing as force in community, business and world affairs. Certain its world-wide scope increases the opportunities of business and professional members to become aware of the hopes and aspirations of one another.

Communities throughout the world are benefiting in many ways from the purposeful activities of their Rotary clubs though the work they do often the behind-the-scenes kind that is done without fare.

To Rotarians of this community, we extend congratulations on this 60th year of Rotary. May it continue to grow so that more men may be imbued with its spirit of service.

LEGAL NOTICE
THE STATE OF TEXAS
CITY OF EASTLAND

I, Frank Deaton, in my capacity as Mayor of the City of Eastland, Texas, do hereby order that an election be held in said City on the 6th day of April, 1965, for the purpose of electing the following officials for said City:

Three Commissioners.
That in accordance with an order adopted by the City Commission of said City, said election shall be held at the following places in said City, and the following named persons are hereby appointed officers for said election.

In Election Precinct No. 1 at City Hall Building, in said City, with Mr. Pat Crawford as Presiding Judge, and Mr. Hoover Pittman as Alternate Presiding Judge, and said Presiding Judge shall appoint the necessary clerks to assist him which shall not exceed 6 clerks.

Mr. Pat Crawford and Mr. Hoover Pittman are hereby appointed Deputy Clerks for absentee voting. The absentee voting for the above designated election shall be held at City Hall within said City and said place of absentee voting shall remain open for at least eight hours on each day for absentee voting which is not a Saturday, a Sunday, or an official State holiday, beginning on the 20th day and continuing through the 4th day preceding the date of said election. Said place of voting shall remain open between the hours of 8 a. m. and 5 p. m. on each for said absentee voting.

That said election shall be held in accordance with the Election Code of this State and only resident qualified voters of said city shall be eligible to vote at said election.

That the City Secretary shall give notice of said election by posting a copy of this order in each of the election precincts of said city, which posting shall be done not less than 30 days prior to date fixed for said election.

That immediately after said election is held, the officers holding the same shall make returns of the result thereof to the Mayor of this city as required by the Election Code of this State.

A copy of this order shall also serve as a writ of election which shall be delivered to the above appointed Presiding Judge, for said election.

W. F. DEATON
Mayor

That the City Secretary shall give notice of said election by posting a copy of this order in each of the election precincts of said city, which posting shall be done not less than 30 days prior to date fixed for said election.

That immediately after said election is held, the officers holding the same shall make returns of the result thereof to the Mayor of this city as required by the Election Code of this State.

A copy of this order shall also serve as a writ of election which shall be delivered to the above appointed Presiding Judge, for said election.

W. F. DEATON
Mayor

That the City Secretary shall give notice of said election by posting a copy of this order in each of the election precincts of said city, which posting shall be done not less than 30 days prior to date fixed for said election.

That immediately after said election is held, the officers holding the same shall make returns of the result thereof to the Mayor of this city as required by the Election Code of this State.

That the City Secretary shall give notice of said election by posting a copy of this order in each of the election precincts of said city, which posting shall be done not less than 30 days prior to date fixed for said election.

That immediately after said election is held, the officers holding the same shall make returns of the result thereof to the Mayor of this city as required by the Election Code of this State.

That the City Secretary shall give notice of said election by posting a copy of this order in each of the election precincts of said city, which posting shall be done not less than 30 days prior to date fixed for said election.

That immediately after said election is held, the officers holding the same shall make returns of the result thereof to the Mayor of this city as required by the Election Code of this State.

That the City Secretary shall give notice of said election by posting a copy of this order in each of the election precincts of said city, which posting shall be done not less than 30 days prior to date fixed for said election.

That immediately after said election is held, the officers holding the same shall make returns of the result thereof to the Mayor of this city as required by the Election Code of this State.

That the City Secretary shall give notice of said election by posting a copy of this order in each of the election precincts of said city, which posting shall be done not less than 30 days prior to date fixed for said election.

That immediately after said election is held, the officers holding the same shall make returns of the result thereof to the Mayor of this city as required by the Election Code of this State.

That the City Secretary shall give notice of said election by posting a copy of this order in each of the election precincts of said city, which posting shall be done not less than 30 days prior to date fixed for said election.

Comanche Electric Co-Op Announces Capital Contest

All expense paid trips to the national capital city will be awarded to winners of an oratorical contest was announced this week by Bill Parks, manager of Comanche County Electric Cooperative.

The contest is open to any boy or girl at least 10 years of age but not 16 years of age prior to September 1, 1965, Bill Parks said. Winners will join winners of similar contest sponsored by other electric cooperatives across Texas on the first annual Texas Electric Government in Action Youth Tour to Washington, D. C. All expenses of the 11 day trip beginning June 4, will be paid by Comanche County Electric Cooperative, Parks said.

Each entrant will be required to give a 3 to 5 minute talk on the subject "Rural Electrification — Good for all Americans" and answer one or more of the 50 questions asked by the judges. The oratorical contest will be judged on the basis of (1) knowledge of subject — 40%; (2) speaking ability — 30%; (3) poise — 10%; (4) personality — 10%; and (5) appearance — 10%.

Interested young people may obtain an official entry blank from their school or the Eastland office of Comanche County Electric Cooperative. The deadline for submitting entries will be March 5, 1965, Parks said.

As participants in the Texas Electric Cooperative Youth

tour, local contest winners will travel by chartered bus to Washington, D. C., where they will spend three days visiting places of historical interest and seeing the nation's government in action.

On Wednesday, June 9, the Texas group will meet more than 600 students from 10 states for a program sponsored by the National Rural Electric Cooperative Association and the Rural Electrification Administration. The program will feature presentations by officials of these organizations and other Washington personalities and possibly the Presidential staff.

The eventful day will end with a charter cruise down the Potomac which will include entertainment and refreshments.

Also included on the 11 day agenda will be visits to the following: George Washington's Mount Vernon home, Arlington National Cemetery, the U. S. House, the Department of Agriculture, the Smithsonian Institute, the U. S. Printing and Engraving Bureau, the Lincoln Memorial and other places of interest.

CANCER MEET SET

Officials of the Eastland County Cancer Society will meet at 7 p. m. Thursday at the White Elephant Restaurant in Eastland. Chairman Sam Kimmell of Cisco has announced.

Farm And Ranch Land Prices Up Again In Texas

COLLEGE STATION—Texas farm and ranch land prices reached a record high of \$94 an acre in 1963. This, said Boyd Andrews, Extension resource development specialist at Texas A&M University, was an increase of 10 percent over the average price in 1960.

He added that a recent study by the resource economics section of A&M's Department of Agricultural Economics and Sociology points out other interesting facts. Due to the vast differences in soil types and locations, sale prices ranged from \$20 to over \$1,000 per acre.

While land prices moved upward, the net farm income was declining. Thus requiring a larger investment for a smaller return. A popular view expressed to the study group was that the low net farm income does not justify the existing high land prices, Andrews said.

But a closer look at the dominant sources of demand for agricultural lands may help explain the situation, the specialist added. First, he said, the average net farm income can be misleading. Many farmers and ranchers receive a far greater return than the average indicates. This group is capable of adjusting rapidly to incorporate technological advances and financially able to bid up the price of land to gain a larger economic sized unit. The strong demand for strictly agricultural land comes almost entirely from this group, Andrews said.

Another important source of demand for agricultural land is from industry and urban developments. In many areas of Texas industry is expanding and using large acreages of agricultural land and pushing prices upward. Urban centers are spreading out and taking up more and more land and highways are also taking their share, the specialist said. These intensive uses of land exert great influence on land prices, the study noted.

A third important source of demand comes from urban dwellers. These buyers are interested in using land for agricultural purposes as well as for homes, week-end farms and for recreation.

These demand sources for land are the dominant forces in the Texas land market and are not expected to change in the near future, Andrews concluded.

'They Went Thataway' Is Olden Senior Play Friday

Mrs. Elizabeth Vaught, sponsor of the Olden senior play, and the seniors extend a cordial welcome to the public to attend the play which will be held on March 5 at 7:45 p. m. in the Olden gymnasium. Ticket prices are 50 cents for adults and 25 cents for children.

The approaching play is entitled "They Went Thataway" and has a simple, ranch setting with wonderful characterization, novel situations and crisp dialogue.

Charlotte Pelham, portrayed by Dianna Garner, is the wistful, appealing heroine. A city girl, Charlotte inherits a Rocky Mountain ranch from her late uncle. With her sidekick, Lil Bower, played by Glenda Fox, Charlotte decides to go into the dude ranch business; operating on a shoe-string, they find the sledding

very rough. Then, into Charlotte's life enters Freddy Buck, an impetuous master of ceremonies, who talks her into hiring him as a cowboy, a job for which he has no qualifications at all. Freddy is played by Eddie Thomas. Other characters in the play

are Elmira Spring, an heiress from the East, played by Sue Renfro; Waxy and Slug, a couple of "tired" business men, Waxy played by Jerry Hooper and Slug, David McGraw; Sue Castle adds a flair as a Hollywood glamour girl, portrayed by Vernice Baird; and the Indians, Joe Chuckwagon, played by John Hopper, and Princess One Blossom, played by Cheryl Yielding, who will keep the audience howling with laughter.

Be sure to come see, "They Went Thataway."

Career Day Set At Rising Star School March 2

The program for Career Day at Rising Star High School on Tuesday, March 2, features a number of prominent Eastland County residents. It will be an all-day affair at the high school.

County Supt. O. L. Stamey and R. B. Golemon of his office assisted with arranging the meeting. Charles B. Hamilton of the Texas Teachers Association, Austin, will be among the speakers.

The various fields for study and the speakers were listed as follows:

Medicine, Dr. Charles Ballew, Cisco; Law, W. B. Wright, Cisco; Veterinary Medicine, Dr. John W. Foster, Ranger; Secretarial Training, Jean W. Mason, Jr., Ranger; Civil Service, Mrs. Marene Johnson-Johnson, Eastland; Music, Kenneth Ailford, Ranger.

Law Enforcement, Sheriff L. E. Sublett and Patrolman Dan Nowlin, Eastland; Vocational Trades, L. E. Jenkins, Cisco; Pharmacy, Lloyd McGrew, Cisco; Home Economics, Mrs. Mary Moore, Stephenville; Science, A. D. Albert, Ranger; Psychology, Bob Whitaker, Abilene.

Texas Car Theft Problem Grows

DALLAS — The theft of 20,000 automobiles in Texas during 1965 coupled with widespread "stripping" of automobile parts and accessories will add up to a record \$10 million economic loss, according to C. C. Benson, manager, Texas Division, National Automobile Theft Bureau.

Mr. Benson forecast that the continued theft of late model cars, which would later be sold with false serial numbers and titles, would continue to be a major law enforcement problem. Of equal importance, he said, would be the theft of high performance motors, transmissions and other expensive parts from type automobiles.

"If some way could be devised to keep youngsters out of stolen vehicles, the car theft problem could be cut by two-thirds in Texas. Statistics show that 60 to 65 per cent of all persons arrested in stolen vehicles are under 18 years of age," Mr. Benson said.

Distribution Dates Announced

Dates for distribution of USDA Surplus Food in Eastland County for March have been announced by Representative J. W. Elder, Sr. as follows:

- Monday, March 8 — Eastland, Olden and Ranger.
 - Tuesday, March 9 — Pioneer, Rising Star, Okra, Carbon, Gorman and Desdemona.
 - Wednesday, March 10 — Cisco, Scranton and Nimrod.
- The food will be distributed at the Eastland Welfare Center, 301 South Mulberry Street, in Eastland.

United States swapped 630-acre El Chamizal in El Paso to Mexico for 193 acres of Cordova Island after the Rio Grande changed its course a century ago.

INTERSTATE 20

(Continued from Page 1.)

Federal Government 90 per cent of the interstate construction from the Highway Trust the state provides the remaining 10 per cent from Highway Department funds. Maintenance also is state revenue. The 41,000-mile Interstate links 90 per cent of the nation's cities having populations of 50,000 or more, and state capitals but one — Carolina.

It will comprise about two per cent of the nation's entire highway system. The Interstate is expected to carry 20 per cent of the nation's total traffic volume.

Most of the Interstate system already are being advanced for more than annual construction cost economic benefits derived from its use. Motorists are expected to "save" \$11 billion annually from use of the Interstate when it is completed.

The cost of the 41,000-mile Interstate was estimated at approximately \$40 billion in 1952, but "up-grading" standards to meet advanced traffic demands of the future now are expected to increase this figure to \$55 to \$60 billion. The portion will cost approximately \$2.5 billion.

When completed, motorists will be able to drive the Interstate from coast-to-coast without encountering a traffic light or intersection at grade level. It is estimated that 8,000 lives will be saved annually through the Interstate, and relief of congestion on the route.

The Texas Highway Department is right "on schedule" in construction of the Interstate. Approximately 1,400 miles of Interstate is presently "under wheels" in Texas.

Construction was primarily in the urban area to the most critical congestion and to limit the amount of right-of-way which is increasing in the metropolitan area.

By 1965 Texas will have completed more miles of Interstate highway than any other state will build altogether — including only California, which at least sev-

COMPLETION LEGEND

SOLID BLACK — Completed as multi-lane divided highway.

CROSS-HATCH — Under construction.

VERTICAL LINES — Programmed for construction.

HORIZONTAL LINES — Programmed for purchase of right of way.

Years before scheduled completion of the Interstate system, Texas will "cut the ribbon" to open to travel in excess of 1,623 miles, total Interstate mileage for Illinois. Only California will build more Interstate Highways — 2,173 miles. That goal is not too far away.

Ensign McKelvin In Flight Course

PENSACOLA, FLA. —Feb. 5 — Navy Ensign Burrell R. McKelvin, son of Mr. and Mrs. B. B. McKelvin of Route 1, Moran, Tex., graduated Jan. 29 from Pre-Flight School at the Naval Air Station, Pensacola, Fla.

During the four-week training, he studied aerodynamics, mathematics, physics, naval orientation, navigation, engineering, leadership and other subjects essential to becoming a naval officer.

He will now undergo further flight training at Pensacola.

OLDEN WATER

(Continued from page 1)

will be initial fee and monthly water bills. There will be no property mortgages under the FHA loan, and no tax of any kind is possible under this plan.

The city of Eastland recently agreed to sell the proposed system water from its 14-inch line which runs through Olden, from the Lake Leon filter plant.

An earlier idea to include a filter plant into the original water system was never considered because it would have required a monthly minimum of some \$7.50 per customer, which was known to be too high.

Other agreements will be made with those persons in Olden who already own their own water meter, it is reported.

COMMISSIONERS

(Continued from page 1)

District - County Attorney Perry T. Brown has stated in a review of the second opinions:

"It is my understanding that Eastland County furnishes such vehicles for the use of its county commissioners. If such be the case, Article 2350 does not authorize the payment of traveling expenses to its county commissioners."

Mr. Brown interpreted the first opinion similarly.

He further stated:

"I am not expressing an opinion as to the salaries which should be paid to the commissioners, but only to the Attorney General's opinion and what I consider a clear statement of the law as stated in Article 2350 with reference to traveling expenses of commissioners in counties where commissioners are furnished with pickups or automobiles."

Section 6 of the article in question reads as follows: "The provisions of this bill shall apply only to those automobile, truck, or by other means providing for the traveling expenses of its commissioners, while on official business within the county."

It is held conceivable that the court could mandamus check-making and check-signing county officials into district court and ask them to show cause why such expense checks should not be written. However, there has been no comment on this.

And it is possible that the court could, by resolution, decide to use their personal vehicles on county business, which would change the circumstances surrounding expenses considerably.

4th County EC-65 Seminar To Study 'Industrial Financing'

"Money" will be the topic of discussion for the fourth EC-65 seminar to be held in Gorman at the Brown Jug Cafe beginning at 9:00 a.m. on Thursday, March 4. EC-65 is the industrial development pilot project being sponsored by Eastland County civic leaders and the Texas Industrial Commission.

This fourth seminar will be in "Industrial Financing." Experts in the field of finance from around the state will be on the program in Gorman.

W. Randall White, loan specialist for the Small Business Administration, will discuss the programs of his federal agency. Mr. White is a retired Lt. Col., ESMC, a former industrial and management consultant, and a former marketing and financial specialist for the Small Business Administration.

James C. Hestand, manager of the Breckenridge Chamber of Commerce, will tell "How Breckenridge Used the New Industrial Development Internal Revenue Ruling." Mr. Hestand attended Yale University and has been the manager of the Chamber of Commerce in Anson, Dumas, Mineral Wells, and Pasadena. He was Director of Industrial Development for the Mason City, Iowa, Chamber of Commerce. He was Executive Vice President of the Home Builders Association of Abilene and West Texas.

The rest of us who are plagued by the day-to-day noises of a busy world and family can do something, too. If you plan to build or buy a home soon, check with the contractor; he'll be able to offer suggestions to cut down on noisiness in your home.

If you are already settled in your home, remember the noise problem if you make any additions or changes.

One simple step costs nothing and can be used in almost every home to combat the noise problem. Set aside a room or an area as a "quiet place." Study your house or apartment to see which part of it can most easily be cut off from the majority of noise. Put your TV, stereo and other noise-makers in the opposite end of the house.

Such a quiet place won't completely solve the ever-growing problem of noise, but it will go far toward cutting down on family tension and giving the ears in your family a rest.

LIONS CLUBS MAKING PLANS FOR DISTRICT MEET IN MAY

ABILENE — Lions District Governor James McCracken and representatives of the five Lions clubs in Abilene have completed preliminary plans for the May 1 District Convention to be based at the Starlite Motel in Abilene.

Deputy District Governor James Wheeler, president of the Elmwood West Lions Club, is serving as convention chairman, with Mrs. Wheeler heading up the activities planned for the ladies.

The five Abilene clubs have each accepted specific responsibilities for portions of the convention operations.

The Abilene Lions Club, under Fred Henry, will be in charge of properties, decorations, finance, and protocol. The Cactus Lions, headed by James F. Armstrong, will handle the Pre-Convention party on the evening of April 30, Tail-Twister shenanigans, and publicity. Westgate (Breakfast) Lions, under Clovis Griffing, have the food and housing arrangements. Elmwood West Lions will operate registration desks and supervise the Queen's contest. Evening Lions, under John Herod, will arrange for printing and the necrology service.

With the five Abilene clubs, hosting the gathering, a new attendance high is anticipated from the others of the some fifty clubs in District 2-E-1, according to Wheeler. In addition to those mentioned above, the planning session included Bob Procter, Willie Bane, Bob Tuley, Dr. Hubert Thomson, Ivo Woosley, Bob Stone, P. E. Shotwell, and Mrs. McCracken, Mrs. Stone, and Mrs. Shotwell.

A weekly public service feature from the Texas State Department of Health.

Accent on Health

J.E. PEAVY, M.D.
Commissioner of Health

Noise can rob us of sleep, make us tense and jumpy and decrease our general efficiency. A continued exposure to noise may make us more susceptible to accidents by cutting down our ability to discern sirens or shouted warnings.

What's to be done about our noisy society? Many industrialists have already taken steps to sound-proof work areas in noisy factories and issue ear plugs or earmuffs to workers.

The rest of us who are plagued by the day-to-day noises of a busy world and family can do something, too.

If you plan to build or buy a home soon, check with the contractor; he'll be able to offer suggestions to cut down on noisiness in your home.

If you are already settled in your home, remember the noise problem if you make any additions or changes.

One simple step costs nothing and can be used in almost every home to combat the noise problem. Set aside a room or an area as a "quiet place." Study your house or apartment to see which part of it can most easily be cut off from the majority of noise. Put your TV, stereo and other noise-makers in the opposite end of the house.

Such a quiet place won't completely solve the ever-growing problem of noise, but it will go far toward cutting down on family tension and giving the ears in your family a rest.

Who would ever think noise could be a health hazard? Health experts definitely think that excessive noise can be a detriment to health.

We can no longer confine this problem to industry, factories and airports; homes are noisier today.

Bigger and noisier appliances are being crammed into homes. We have more extensive heating and cooling systems, more TV and hi-fi sets, more of just about everything that adds to the general supply of everyday noise. And if these marvels aren't enough, our children fill in playing "shoot'em up" or the latest pop record.

Modern home design with its spaciousness and smooth, hard surfaces is no help. Popular decorating materials such as glass, stone, brick, paneling and vinyl floor covering reflect sound waves instead of absorbing them.

Browsing With Bev

However you serve it — with shortcake, on ice cream or all by itself in a sauce dish — frozen fruit tastes best if it's thawed in its sealed container. It also has better color. Texture is best if you leave a few ice crystals in the fruit.

You can thaw frozen fruit any of three ways — in the refrigerator, at room temperature, or in a pan of cool water. How long it takes depends on the method you choose.

A 1-pound package of fruit packed in syrup will take 6 to 8 hours to thaw in a refrigerator. You can shorten the time to 2 to 4 hours if you leave the package at room temperature on your counter top. And for hurry-up thawing — ½ to 1 hour — place the container in a pan of cool water. One thing to remember, though. Unsweetened fruit takes a little longer to thaw than sirup or sugar-sweetened fruit.

Don't leave pets' water or food dishes where they can catch a spray.

Do remove their water and food dishes — and them — before you spray a room. Remove birds, bird cages, aquariums and fish bowls, too.

Primroses can cause a rash on some people similar to that from poison ivy. Handle them with care.

If you have leftover thawed fruit, cook it. Cooking helps the fruit retain its color and prevents fermentation.

January average temperature in Eastland County is 44 degrees.

Set in a San Francisco houseboat community, the cast also includes Ed Wynn in a guest role.

Brush Control, Seeding Getting Underway Here

Farmers and ranchers within the Eastland County portion of the Upper Leon and Palo Pinto Soil Conservation Districts are starting brush control and range seeding operations this month, according to a report from U.S.D.A. Soil Conservation Service.

Following their conservation plans, these operators are providing disturbance on areas where low producing grasses are now growing and seeding native and introduced grasses to return pastures to more efficient production. Areas needing brush control by mechanical means are receiving partial seedings in the disturbed areas, according to the report.

The conservation plans are set up on schedules so the complete treatment is accomplished over a period of years. Some methods being used in range seeding are roller chopper, heavy duty rake or tandem disc for disturbance along with broadcast seeding. Some kinds of soil disturbance is a necessity in seeding grasses. Seeding grasses that are adapted to the soils and the time of seeding are other important factors.

Operators, in consultation with Soil Conservation Service personnel, take into consideration several factors in making plans for range improvement. In some cases management practices, deferral or proper use of the grass, will maintain and improve rangeland. In many pastures, however, brush is using available moisture, leaving little or none for grass production. Over-grazing and drought have influenced the conditions in other pastures to the extent that

management or brush control would not be the answer. Where range seeding or brush control is done, a growing season rest allows the seeded grasses to become established. Management following the conservation treatment will determine the success or failure of the operation. In future years, increased pressures will be placed on the rangelands for production. Investments in range improvement now will return dividends to future generations. Greater amounts of rainfall stored in the soil, more efficient beef production and less silt loads in the streams and rivers are some of the returns realized in the near and distant future.

Information is available at the local Soil Conservation Service Work Unit, second floor of the Eastland National Bank Building, pertaining to: kind of disturbance, adapted grasses and optimum time for range seeding; also, factors to be considered in developing conservation plans for range improvement.

Annual Reports Due From Many Claimants Of SS

Early each year, many people who get social security payments must file an annual report of their earnings for the prior year. This report in 1965 must be filed by every social security beneficiary who was under age 72 during any part of 1964 and had income of over \$1200 in wages or in profit from his own business. One of the questions on this report is: "Do you expect to earn over \$1200 in 1965?" If so, you show your expected total earnings for 1965.

Many times the estimate shown in January or February is not high enough when a second look is taken in mid-year. If you then think your actual earnings will be more than you at first anticipated, you should get in touch with your social security office. Someone there will be glad to help you revise your estimate.

You may find that you have already received more benefits than you will be entitled to get for the year and are overpaid. The adjustment of this overpayment need not be made until after the end of the year when you make your next annual report.

Small Fruits Suggested For Home Gardeners

COLLEGE STATION — "Texas homeowners can have a satisfactory and dependable source of home fruit by using the four small fruits," says Blueford Hancock, Extension horticulturist at Texas A&M University.

These small fruits include figs, grapes, strawberries and blackberries. "The small fruits have numerous advantages over the tree-type fruits, Hancock explains. They are quick to come into production, easy to propagate at home, extremely dependable in production, have fewer disease and insect problems, and require very little room for growth.

Small fruits will always produce the season following planting while tree-fruits often take much longer to produce, Hancock said.

Also, varieties of small fruit are adapted to a wide range of Texas soil and climatic conditions, while tree-fruits require different varieties for different areas, Hancock adds. Hancock recommends the following varieties of small fruits for Texas soils:

— FIGS, The Texas Ever-bearing variety which produces a large vigorous plant with large golden fruit, and the Celeste variety which is commonly known as the little blue sugar fig. Both varieties are excellent for preserves and fresh fruit.

Grapes, The Fredonia variety which produces an excellent dark colored juice and jelly and the Siebel 9110 variety which produces a white eating grape with practically no seed.

— BLACKBERRIES, The Brazos variety which produces extremely large fruit, ripening in May.

— STRAWBERRIES, For the southern and Gulf Coast region of Texas, Florida 90 and Missionary varieties are recommended. For the central, south central and east regions of the state, Pocahontas, Blakemore and Dixieland varieties and for the western region of the state, Gem and Superfection varieties are recommended.

County Exceeds Quota In Sale Of Savings Bonds

Series E and H Savings Bond Sales during 1964 totaled \$147,317,356, which represents 100.14 per cent of the 1964 sales goal, according to a report received from Ed Gossett, General Counsel for the Southwestern Bell Telephone Company and State Bond Chairman.

In making the announcement Gossett said, "I am pleased to announce that Texas has achieved its Savings Bond sales goal for 1964, a feat which has not been accomplished since the war years. Earlier we had announced a state goal of \$150 million, but the Treasury Department later adjusted this goal to \$147.1 million — a goal which we have surpassed. On behalf of the Texas Savings Bonds Committee I extend heartfelt congratulations to the many thousands of Texans who assisted us in making the program a success."

Bond sales in Eastland County during 1964 totaled \$282,180. This represents 64.1 per cent of the 1964 goal. Guv Parker serves as county chairman.

— VISITING WARENS Guests in the home of Mr. and Mrs. H. D. Warren this weekend have been Mr. and Mrs. R. H. Rainey of Dallas, Mr. and Mrs. Benny Warren of Abilene and Mr. and Mrs. Terry Warren of Wichita Falls.

Jaycee Project For Ringling Development Endorsed By Chamber

Development of Ringling Lake into a first-class camping facility to attract the increasing multitude of touring campers was overwhelmingly endorsed by the Eastland Chamber of Commerce board of directors at their regular monthly meeting this week.

The plan, cited recently to the chamber as an important project for luring tourists, is being studied by the Eastland Jaycee Club, and the senior chamber directors voted to support the club in every way possible at the noon luncheon Thursday.

Jaycee Bill Angus reported that the club is presently considering the project, surveying what exists at the lake and what will be needed to make it a first-class site for the campers. He said that there are 18 permanent picnic tables at the grounds now, but all grills and trash barrels are gone. Committees are being set up, he said, to review the needs, and a steering committee, to include representatives from all interested groups, will be named to help coordinate the efforts.

A clean-up of the Ringling Lake area is to begin immediately, he said, and a map will be made with an overlay to show proposed work. Such information will be placed in the hands of State Rep. Wayne

Gibbins and others, to seek their assistance for funds and help to make the site first-rate, possibly a state park, or at least listed in state bulletins.

Chamber President Don Viergever presided and reported on a recent workshop meeting of the West Texas Chamber of Commerce at Brownwood which he attended, and emphasized the need for a well-organized chamber, with functioning committees.

Marene Johnston reported that her special events committee is finalizing plans rapidly for the Monday, April 12th chamber banquet, which will be held at Lone Cedar Country Club. "The Regals," a professional musical group from Dyess AFB will provide musical entertainment she said, and word was expected immediately on the featured speaker. Members of the Beta Sigma Phi sorority will decorate, she said.

A report on delinquent membership dues was made by Viergever, and directors agreed to talk with the members personally to determine reasons for the lateness.

Bernard Hanna, chairman of the agricultural committee, was given approval to use his own discretion in buying animals for the chamber at the Eastland County Livestock Show in mid-March.

Eleven Foods On Plentiful List In Coming Month

The March outlook is for good eating. Eleven different foods will be unusually plentiful this month, according to the Texas Agricultural Extension Service.

Eggs, peanuts and peanut products top the plentiful list. March egg supplies are expected to be above those of a year ago, with attractive consumer prices in prospect. Peanut production is estimated at 7 percent above last year and the largest crop since 1948.

Other foods designated plentiful by the U. S. Department of Agriculture's Consumer and Marketing Service include rice, cabbage, celery, carrots, canned pink salmon, red tart cherries, canned pears, apples and winter pears.

Production of rough rice set a new record. The pack of canned pears was record large and, in spite of low carryover stocks, supplies are record large. Frozen red tart cherry holdings are twice last year's volume, and there's plenty of canned cherries for all.

Apples continue in abundance, in spite of excellent early-season movement. The pack of canned pink salmon was considerably greater than the previous year, so current stocks are large.

Mrs. Carl Elliott Hostess For Meet Of Darcus Circle

The Martha Darcus Circle of the First Methodist Church met Wednesday evening at 7 p. m. with Mrs. Carl Elliott. Her co-hostesses were Mmes. James Horton, Earl Bender, Roy Lawson and W. F. Davenport.

Mrs. Horton, president of the class, opened the meeting with prayer and conducted a short business meeting and Mrs. L. C. Brown gave the devotional.

After two very interesting contests, refreshments of cake, coffee and nuts were served. Those present were Mmes.: Lester Davenport, T. M. Collier, J. C. Whatley, W. B. Harris, Guy Quinn, J. U. Johnson, J. E. Loughry, Floyd Robertson, Charles Marshall, J. C. Stephen, J. M. Perkins, Ed Willman, R. A. Poole, Brown, Elliott, Horton, Bender, Lawson and Davenport.

Rising Star News

By MRS. LEE WHITE Members of the North Star Home Demonstration Club sponsored a family recreation party at the club house Tuesday night of last week. Husbands and guests were on hand for games of "42" and Dominoes, followed by refreshments of assorted cookies, cake, snacks and coffee.

Mr. and Mrs. D. E. Childers were pleasantly surprised when presented a gift, a lovely baking dish, flecked in gold with gold cover, complete with gold frame and warming candle, honoring the couple on their 50th wedding anniversary. The anniversary date was in January while Mr. and Mrs. Childers were making an extended visit on the Texas Coast and this was the way the club members could honor them.

"On Your Anniversary," one of Mrs. Lee White's original poems was read and then presented to the couple for framing. The group then sang "Happy Anniversary to You" before the group dispersed for the evening.

Gary W. Dewbree, son of Mr. and Mrs. Garland Dewbree of Route Two, May, was promoted to First Lieutenant on Jan. 23, while serving with the U.S. Army Air Defense School at Fort Bliss after his assignment to the school's Electronics Department.

The 25-year-old soldier is a graduate of May High School, a 1963 graduate of A&M College and entered the Army in July of 1963.

The annual banquet and awards program sponsored by the Rising Star Chamber of Commerce each year will be held Friday night, Feb. 19, at the high school gymnasium. The meal will be catered and tickets are now on sale at \$1.50 each, according to Ed Croan, chairman of the arrangements committee.

Lt. Governor Preston Smith will be the speaker for the affair. Awards to the outstanding farm family and the civic worker of the year will be made during the program.

The annual band banquet, sponsored by the Band Boosters Club of Rising Star, will also be catered, according to Alton Roan, band director. Tickets will be \$1.25 for the meal, which is scheduled to be held Saturday night, Feb. 20, at the Rising Star High School gym, and may be obtained from John Pruet or Director Roan.

Mr. and Mrs. E. B. McCollum visited their daughter and husband, Dr. and Mrs. D. C. Braungardt in Fort Worth last week.

Dinner guests of Miss Loretta Pearce on Feb. 8 were Mr. and Mrs. Walter Wideman of Dallas and Tucson, Ariz.

BURETTE CHANEYS HONORED ON GOLDEN ANNIVERSARY

Mr. and Mrs. Charles B. Chaney of Eastland honored their parents, Mr. and Mrs. Burette Chaney, at their farm home one mile east of Moran Sunday afternoon, Feb. 21, on their 50th wedding anniversary. Mr. and Mrs. Chaney and their son received guests.

Mrs. Charles B. Chaney registered the 115 guests, who called from Eastland, San Angelo, Albany, Ranger, Abilene, Howe, Commerce, Huntsville, Fort Worth, Weatherford, Comanche, Clyde, Ballinger and Moran. Mrs. L. C. Kays recorded the many beautiful gifts.

The buffet mirror reflected an arrangement of gold mums. Gold mums were also used on the registration table and as corsages for members of the house party. The tea table was laid with lace over gold satin and was appointed in silver and crystal. Mrs. Charles Douglas Chaney of Ballinger poured punch and Miss Judy McMullen and Miss Julie Elrod of Eastland poured coffee and served the three-tiered cake, which held a miniature bride and groom. Mmes. C. S. Barrow and Oscar Wise played piano selections reminiscent of yester-year during the afternoon.

Prebble Fincher and Bette Chaney were married Feb. 18th, 1915, at Moran the home of the bride's parents, the late Mr. and Mrs. W. L. Fincher. Rev. J. Bates, Baptist minister, formed the ceremony.

The Chaney's have six grandsons — Charles Douglas Chaney with the Lone Star Gas Ballinger; Jerry Chaney with Houston College, Humble and Gayle in Cisco College; and one grandson, Charles Howard, geologist.

Mr Chaney is engaged in farming and ranching and been in the wholesale and tail gasoline business since 1941.

Bill Hardeman of San Antonio was in Eastland weekend to visit with his parents, Mr. and Mrs. Hardeman.

55 Students Are Enrolled In CJC Work-Study Plan

A total of 55 students are currently enrolled in Cisco Junior College under the government's new work-study program, according to a report by President G. C. Hogue. The group includes 11 students working with the city and 15 with Eastland County.

The student work-study program is part of the Economic Opportunity Act. Students work 15 or more hours per week, earning an average of \$1.15 per hour, and attend classes and abide by regular rules and regulations of the college.

L. E. Jenkins, director of the program, said the students were able to make enough money to pay their tuition, fees, room and board, books and so forth.

The college now is accepting applications for students in the summer and fall semester programs, Mr. Jenkins added.

Under the program, high school drop-outs as well as graduates are eligible for participation. Students from throughout this region were invited to investigate the opportunities for education under the CJC program.

"We are gratified with the response that has come to us in the program," Mr. Hogue said. "Virtually every student enrolled could not otherwise have an opportunity for higher education. We are pleased to find them most appreciative of the program and to be working hard in it."

5 Local Teams To Bowl In Dallas Tourney

Five bowling teams from Eastland will attend the 30th Annual Bowling Tournament in Dallas on March 13-14. They are Koen Salvage, Altman's Scott's Bait House, Central Drug and Fiesta Bowl.

Bowling will be double and single Saturday, March 13, and in teams Sunday, the 14th.

Pvt. Lasater Is At Fort Sill

Pvt. E-2 Jerry Lasater, who was injured in a one car accident in Olden recently, was transferred Friday morning from Dyess Air Force Base Hospital in Abilene to an army hospital at Fort Sill, Okla.

He is the son of Mr. and Mrs. Tom Lasater of Eastland. Friends may send cards or letters to him care of Army Hospital, Fort Sill, Okla.

Mrs. A. W. Cogburn Wins \$650 Contest

Mrs. A. W. Cogburn of 215 South Madera was the winner of \$650 last week for correctly solving a cross-word puzzle appearing in the Sunday issue of the Fort Worth Press.

The "jackpot," containing \$1,100, was divided between a woman from Shamrock and Mrs. Cogburn, who received a bonus for being a subscriber of the Fort Worth Press.

SCHOOL MENU

Eastland High School menu for this week has been announced by Mrs. Laverne Wingate as follows:

Monday — baked ham, buttered rice, green beans, spinach or cabbage, corn bread and apple sauce cake.

Tuesday — steak and gravy, whipped potatoes, black-eyed peas, apple and celery salad, hot rolls and orange date cake.

Wednesday — weiners and saurkraut whipped potatoes, buttered carrots, tomato spoon relish, corn bread and cinnamon rolls.

Thursday — fried chicken, macaroni and cheese, English pea salad, hot rolls and fudge cake with fudge icing.

Students will not attend school Friday due to the teachers meeting at Wichita Falls.

Mr. and Mrs. L. P. Hammonds announce the arrival of their first grandbaby. It is a girl, born to Mr. and Mrs. Gerald Hammonds of Ranger. The baby was named Angelia Renea.

Mrs. Nora Walls visited a few days in Stephenville with her son, Mr. and Mrs. Elbert Walls and family and daughter-in-law, Mrs. Mary Walls and family.

Rising Star News

Cash and pledges received since the Jan. 15 Community Fund Drive Kick-off has reached the half-way mark, according to James Rutherford, president of the fund, who reported that \$1250 of the \$2500 has been received. He urged workers to complete their contacts for further contributions as soon as possible.

Ten agencies have been designated to share in the Community Fund thus, eliminating the several independent drives.

Some 20 farmers attended the meeting last week when representatives of a Fort Worth Foods Concern explained a plan whereby the farmers in the area could participate in a company contract for the growing of cucumbers on a commercial basis.

Some 300 acres have already been signed up at Cross Plains since a similar meeting there last week and promoters are confident that sufficient acreage will be signed up to make the project feasible. Deadline for signing was the weekend of Feb. 6.

Wayne Westerman of Pioneer and Ted Souder of Cross Plains are sponsoring the project and H. L. Geyer, vocational teacher at Rising Star High School, was responsible for the Rising Star meeting.

Mr. and Mrs. W. A. Pearce have moved to Fredericksburg to make their home after selling their home here on West Austin Street to Mr. and Mrs. E. O. Kizer.

John Nunnally of Rising Star has been appointed county veterans service officer along with A. H. Powell of Ranger, Les Wallace of Gorman and A. O. Nance of Cisco, assistants. They were appointed by Commissioner's Court.

County health officer appointed was Dr. R. C. Ferguson of Eastland, appointed during a previous meeting of the group.

Salaries and expense allowances were also approved.

A guest of Mr. and Mrs. Jack Jackson several days ago was Mrs. Ransom Knott of Lawton, Okla.

Miss Manon Cox is home for a few days from Scott and White Hospital at Temple, where she has undergone treatment. She will return to Temple in the near future.

Mrs. Ray Landreth of Van Horn and Mrs. Alice Thompson of El Paso visited recently with Mrs. W. A. Carter

DeLeon Woman Is State President

De Leon Young Homemakers met Tuesday, Feb. 9, in the High School Library and plans for money-making were discussed.

A very interesting program was presented by Andy Hudson on the different cuts of meat; he also revealed some secrets of buying and cooking various meats.

After the program Nancy Johnson presented Mrs. Doris Joiner with a charm on behalf of the club, in honor of Doris' being elected state president of the Young Homemakers.

Mrs. Geneva Wilson baked a beautiful "doll" cake to help celebrate the occasion.

These Young Homemakers, who assisted in the recent March of Dimes drive, were awarded the \$10 prize for collecting the most money for the drive.

ALLGOODS MOVE
 Mr. and Mrs. E. D. Allgood left last Sunday to make their home in Humble. They are presently in Pasadena.

Mr. and Mrs. Bobby Phillips are now residing at the Allgood place in Eastland.

Visiting this past week in the home of Mr. and Mrs. Paul McFarland was their son, Jone McFarland of Fort Worth.

Chevy II 100 Station Wagon

big tightwads

Chevy II 100 2-Door Sedan

Chevy II With aluminum exhausts that discourage corrosion... Delcolton generators that encourage longer battery life... brakes that adjust themselves... rocker panels that flush themselves free of dirt and salt. Tight? They're downright miserly!

You're looking at the lowest priced sedan and station wagon that Chevrolet makes. They're good looking. Clean. Functional. You can get an economical 4-cylinder engine in the sedan or in both cars, a 120-hp Hi-Thrift Six that's quick to do everything but cost you money. As we said earlier, these are our lowest priced cars. Try one out today.

They're roomy. The sedan seats six. The wagon has nine feet from the back of the front seat to the tip of the lowered tailgate.

Club Members Will Collect For Heart Fund Monday, 6 To 7 p.m.

Girls of the Co-ed Club and the Socialite Club of Eastland High School will be canvassing Eastland Monday, March 1, from 6 to 7 p.m., along with many other volunteers of the Heart Fund Drive, in recognition of Heart Day.

These girls, participating heartily in the drive, are teen-

BRIDGE CLUB TO FORM

A new bridge club for the purpose of learning to play duplicate bridge will be formed at a meeting Monday, March 1, at 7:30 p. m. in the Community Room of the First National Bank in Cisco.

All bridge players from Cisco and the surrounding area have been invited to attend. The cost will be 50 cents per person per session, and instructions will be given by Mr. and Mrs. Lloyd London, well-known Cisco bridge players.

age students of E.H.S.

Heart Fund gifts will be received by Heart Fund volunteers, according to Mrs. Reita Bond Choate, Eastland County Heart Fund Chairman, and those of you who are not home when a volunteer calls will probably discover an envelope, left behind for the purpose of mailing in your Heart Fund contributions, she said.

Keep in mind that the dollar or dime you give will reflect on saving a life and finding a cure for heart diseases.

Recent guests in the home of Mrs. Anna Bryan were Mrs. Betty Brock and sons, Kyle and David, of Abilene; Mr. Choice Brock and his mother, Mrs. Willa Brock of Arlington; Mrs. Walter Goode of Eastland; and Mr. and Mrs. Walter Peterson of N.D.

MRS. DON RUSSELL ELECTED PRESIDENT OF MUSIC CLUB

The Music Study Club of Eastland elected officers Wednesday, Feb. 17, for 1965-66 as follows:

Elected were Mrs. Don Russell, president; Floyd Robertson, first vice-president; E. G. Rice, second vice-president; recording secretary, Donald Kinnaird, Jr.; treasurer, Mar-

vin Hood; corresponding secretary, Clara Cockrill, re-elected; parliamentarian, A. L. Murrell, choral director, Kenneth Thompson, re-elected and Jack Frost; Donald Kinnaird, Sr., pianist; and Miss Marjorie van Hoose, reporter, re-elected.

Miss Allen Weds Mr. Mangum In Albany Rites

Miss Ginger Gail Allen of Albany and Robert Lee Mangum of Cisco were married in ceremonies performed Friday, Feb. 19, in the Albany Trinity Lutheran Church. Rev. Marion Von Rentzell officiated for the double ring rites.

The bride is the daughter of Mr. and Mrs. Wilmer W. Allen of Albany, and the bridegroom is the son of Mrs. Evelyn Mangum of Cisco and Maurice Mangum of Abilene.

Mrs. Bobby Parrott of Woodson was matron of honor for her sister, Miss Nell Coffman and Miss Myra Haggood lighted candles.

Stacey Parrott was ring bearer, and Miss Tamra Parrott was flower girl.

Bobby Maynard of Cisco was best man. Ushers were Leroy and Louis Mangum, brothers of the bridegroom, and Bobby and Johnny Isenhower, all of Cisco.

Music was presented by Mrs. Clayton Severson, organist, Miss Janet Dodgen and Miss Ginger Dennis, vocalists.

Given in marriage by her father, the bride wore a white satin gown fashioned with bell skirt and modified train. Sleeves and bodice overlay were of alencon lace. Narrow cummerbund and streamers were satin with reemboirered lace with seed pearl trim. A white satin cabbage rose held her butterfly veil of tulle.

Red carnations centered the bouquet of candytuft and white carnations she carried on a long-stem rose.

A reception honoring the couple was held in the Fellowship Hall.

Following a wedding trip to Fort Worth, the couple is at home at 203 N. Dixie, Eastland. Mrs. Mangum is a senior at Eastland High School, and Mr. Mangum, a graduate of Cisco High School, is employed as a mechanic by Fullen Motor Company, Eastland.

Mrs. Perkins To Host Club Wednesday

The Music Study Club of Eastland will meet Wednesday, March 3, at 3:30 p.m. in the home of Mrs. Joseph M. Perkins, 1021 South Seaman, who will be leader for the program.

"Music in the Home" will be the theme and Mrs. A. H. Johnson and Mrs. Grady Pipkin will serve as co-hostesses.

Mrs. Luker, 74, Dies Friday; Rites Sunday

Mrs. Cordia Augusta Luker, 74, died at 5 p. m. Friday in an Eastland nursing home.

She was born Feb. 19, 1891, in Erath County and married Luther V. Luker Sept. 14, 1910, in the Pioneer community. He died May 8, 1939.

Funeral will be held in the Second Baptist Church in Ranger at 2 p. m. Sunday, with burial in Pioneer Cemetery.

Officiating will be the Rev. C. O. (Dixie) Clement, pastor of the Long Branch Baptist Church, and Rev. Robbie L. Hobbs, pastor of Second Baptist Church, Ranger.

Killingsworth Funeral Home is handling arrangements.

Survivors are three sons, Homer A. of Ranger, L. V. of Eastland, and James Arvol of Ranger; one brother, Elmer McLearn of Ranger; three sisters, Mrs. J. L. (Etta) Stouard of Breckenridge, Mrs. Rose Goode of Ranger, and Mrs. Uiala Squyres of Ranger; two grandchildren, and one great-grandchild.

Texas Exes To Hold Reunion

Oil Belt area ex-students of the University of Texas will hold their annual Texas Independence Day reunion at 7:30 p. m. Tuesday at Lone Cedar Country Club. Ranger Exes will be hosts for the event.

Dean W. Page Keeton of the UofT Law School, a nationally known lawyer and teacher, will be the speaker. A. W. Warford, Ranger, is president of the association and will preside at the dinner.

The program will include a solo by Kenneth E. Alford of Ranger, who also will lead the singing of "The Eyes of Texas."

Introduction of guests will be by the vice presidents — J. A. Bates of Ranger, L. W. Brooks Jr. of Breckenridge, Leon Maner of Cisco, James Paul Shanks of Baird, Bob Upham of Mineral Wells, Fred Douglas of Albany, John Kimble of Gorman and Bill Denard of Rising Star.

Virgil Seaberry Jr. of Eastland will give the invocation preceding the dinner which will feature a menu of fruit medley salad, breast of chicken, buttered whole green beans, hot rolls, butter, coconut cream pie, coffee and tea.

Dewey Cox Jr. of Ranger will introduce the distinguished guest speaker of the evening.

New officers will be elected after Mr. Keeton's address. The evening's events will be concluded with a door prize drawing.

VISITS SONS
Mr. and Mrs. Joe Stephen spent last weekend in Longview and Tyler with their sons, Mr. and Mrs. Rod Stephen and Mr. and Mrs. Stan Stephen.

VISITING
Guests this weekend in the home of Mr. and Mrs. Ray Carey have been her brother and daughters, Ben Lindsey, Pam and Shelia of Maljamar, N. Mex.

VISIT HERE
Visiting with Mrs. Clyde McBee during the week were Mr. and Mrs. Sim Haught of Longview and Mrs. Pearl Trimmors of De Leon.

GUESTS FROM LA.
Visiting recently with Mr. and Mrs. Ray Harbin were her brother and family, Mr. and Mrs. William Howard of New Orleans, La.

FROM DALLAS
Mrs. Francis Burk, who recently moved to Eastland from Dallas, making her home with her mother, Mrs. Lee Campbell, had as her guests last weekend, Mr. Norman Burk of Dallas.

Final Rites For Mrs. Thompson Planned Sunday

Funeral services for Mrs. Virgil Thompson, 57, will be held at 2 p. m. Sunday (today) in Rust Funeral Home Chapel with Rev. Lee Fields of Carbon officiating. Burial will be in Mitchell Cemetery under the direction of Rust Funeral Home.

Mrs. Thompson died at 7:30 a. m. Thursday at the Eastland Memorial Hospital after an illness of several years. She returned to Cisco two weeks ago from Burbank, California, where she had lived since 1938.

The former Willie Mae Maxwell, she was born Jan. 8, 1908, at Carbon, and lived in this area until moving to California.

The family returned here a year ago and built the Fishorama at Lake Cisco. They went back to Burbank when the barge burned in early summer. When they decided to move back recently, Mrs. Thompson was flown to Abilene where she was in Hendrick Hospital for several days before being moved to the Eastland Hospital.

Survivors include her husband; three sons, Howard Hennington of Cisco, Harold Hennington of San Jose, Calif., and Virgil Thompson, Jr., of North Hollywood, Calif.; three daughters, Mrs. Betty Nixon of Semi, Calif., Mrs. Dorothy Veitch of Oxnard, Calif., and Mrs. Catherine Gibbs of Cisco; one stepdaughter, Mrs. Doris Henderson of Baton Rouge, La.; two brothers, Bart Maxwell of Cisco and Gene Maxwell of Denver City; one sister-in-law, Mrs. Lucy Maxwell of Cisco; 24 grandchildren, and two great grandchildren.

EHS BASKETBALL

(Continued from Page One)

with 10. Both are seniors in their last hardwoods action for EHS.

Hayden Wilson, a junior, meshed 8 points, and sophomores Jim Herridge and Larry Wilson scored 7 points each.

James Whitehead, another sophomore, performed stellarly during the Saturday morning contest which was tipped off at 10:15. Whitehead, small and agile, accounted for a number of important rebounds.

In earlier Saturday action, beginning at 8:45 a. m., Whitesboro defeated Midlothian, 46-44 in an overtime contest. Whitesboro and Millsap were to determine the regional title in a Saturday night championship scrap.

Starters for the Mavericks were Treadwell, Miller, Herridge, Hayden and Larry Wilson. James Whitehead, soph, played the last two quarters in Herridge's slot.

Eastland wound up its season with a record of 21 wins against six losses, and following their victory over the Mavericks Saturday morning, Coach Bob Derryberry's Millsap cagers had a record of 24 wins, seven losses.

Several hundred Eastland fans followed the Red & Black charges of Coach Moody to the Denton regional.

Scoring:				
Eastland	11	25	31	46
Millsap	8	26	38	49
EASTLAND	ft	fg	tp	
Treadwell	4	6	10	
Miller	5	6	11

Treadwell, Miller . . .
(Continued From Page 1)
cess, a real hustler and a boy with a real desire to play.

Eastland's other three starters include guard Hayden Wilson, who recently gained state fame for his "long" shooting, forward Larry Wilson and forward Jim Herridge.

In the bi-district game with Marble Falls Monday, Hayden cut loose with an outfield-to-home plate backcourt toss at the basket, and made a 75-foot, 2-inch basket.

"He's my way-out man now," Moody says. "We don't even bring him down court any more," he laughed, jokingly.

Herridge (6-0) is averaging seven points per game, Larry (6-0) four points and Hayden (5-10) about seven. The Mavericks like to move the ball and capitalize upon the fast break. For defense, Eastland can shift to meet the demand, using a full court

TIDBITS . . .

(Continued from Page One)
HERE'S A story we liked from Rotary Gusher Editor Jim Horton that we like: "There are hundreds of hair styles for women, but a man can wear his hair in just three ways: parted, unparted and departed."

THE TEXAS SOCIETY for the Prevention of Blindness has just answered a question in a recent release that many parents have wondered about: Does a camera's flash injure an infant's eyes? "No," says the TSPB, an affiliate of the National Society, "if the photographer follows routine precautions. The brilliant light from a camera flash lamp has no detrimental effect on the eye, however the possibility of a shattering flash bulb does provide a definite hazard." Shield the bulb with plastic, or a handkerchief, compensate for the reduced light in your calculations, and fire away.

SOMEBODY SENT us a clipping entitled: "A Wife Is Worth \$159.34 per week." And the clipping went on to quote at bank in New York on the economics of evaluating wives.

For example, the item says the average wife puts in a 99.6 hour a week at being everything from a nursemaid to cook to maintenance man to chauffeur. They value her services at from \$1.25 per hour as a nursemaid, \$2.50 as a cook, and so forth. The whole thing adds up to \$159.34. Using the above values and lessons in economics, a man who wanted to advertise for a wife might write an ad something like this: "Wanted — A woman with intelligence, energy and skill at 12 different occupations; hours, 99.6 per week; salary, none." You just couldn't afford a wife at \$159.34 per week.

TODAY'S FLAG-BIT from the VFW: "The U. S. Flag should not be dipped to any person or thing. Regimental colors, state, city, organizational or other flags are dipped as a mark of honor."

JACK ARRINGTON, the funeral home man, distributed an excellent combination map - calendar back just before Christmas, and discovered just this week how popular the item had been. Just about every office had welcomed the good Texas map and clearly printed calendar, and in fact, the demand was so great, that Jack's very own copy has been given. He's a generous man by nature, and so when he needs to look up the location of a Texas town, he goes a borrowing, to look at one of his maps.

SCOUTMASTER RAY Pryor of Troop 103 was presented a plaque this week for his troop's signing up six new Scouts in a recent Council project. Scout Ray and his boys had set a goal, and made it. . . Sgt. Roger Seobebe, who recently attended an in-service training session in Austin, reports that the Eastland office should be receiving an additional man about March 1. . . Notice that the Pierre Kendrick are building a new home, adjoining his dad, J. H. Kendrick, west of town. The family's poultry operation has expanded many fold (presently 30,000 birds) in the past few years, and it appears to us to be the type of home-grown industry that the specialists remind us we should be very proud of.

RECENT GUESTS
Guests recently in the home of Mr. and Mrs. Bill Jordan were Mr. and Mrs. Landon Jordan, Mrs. J. R. Powers and Annell, all of Monahans. They all visited last Saturday in Abilene with Mr. and Mrs. Ray Woodall.

Last Monday and Tuesday, Tom Jordan of Lubbock visited with the Bill Jordans, while going to and from Fort Worth.

press, man to man and zone.

22-7 Season Record
Eastland has a 22-7 season record, having lost four of its games to Comanche, 7-AA champion. The Mavericks also lost one to Dublin, another to Lake Worth and a lone 10-A defeat to Baird.

The first game for Eastland in regional will be against Millsap, and that winner is expected to make it on to the state meet.

Moody seems a little restless prior to his Saturday engagement, but the strength of Treadwell on the right and Miller on the left is doing a big job in carrying both Coach Moody and his Eastland Mavericks this year.

Neiman-Marcus Representative To Be Civic League Speaker

Ann Bennett of Neiman-Marcus, Dallas, will be guest speaker at the Civic League and Garden Club meeting March 10 at the Lone Cedar Country Club.

Her subject will be "Culinary Arts" and will be followed by a style show, presented by Altman's Style Shop and The Men's Shop.

The meeting will consist of a luncheon and program entitled, "I Dare You to Be Well-Groomed." Mrs. Marene Johnson will be co-ordinator

and commentator.

For reservations, contact Mrs. Patsy Maloney, 224 E. 2640, before 11 a.m. Monday. Serving as hostesses will be Mmes. Frank Sayre, Gene Rhodes, Virgil Seaberry, Clyde Grissom, E. G. Rice and W. E. Chaney.

The development of explosives for blasting and the use of steam to drive pumps mark the beginning of modern mining.

Miss Allen Weds Mr. Mangum In Albany Rites

Miss Ginger Gail Allen of Albany and Robert Lee Mangum of Cisco were married in ceremonies performed Friday, Feb. 19, in the Albany Trinity Lutheran Church. Rev. Marion Von Rentzell officiated for the double ring rites.

The bride is the daughter of Mr. and Mrs. Wilmer W. Allen of Albany, and the bridegroom is the son of Mrs. Evelyn Mangum of Cisco and Maurice Mangum of Abilene.

Mrs. Bobby Parrott of Woodson was matron of honor for her sister, Miss Nell Coffman and Miss Myra Haggood lighted candles.

Stacey Parrott was ring bearer, and Miss Tamra Parrott was flower girl.

Bobby Maynard of Cisco was best man. Ushers were Leroy and Louis Mangum, brothers of the bridegroom, and Bobby and Johnny Isenhower, all of Cisco.

Music was presented by Mrs. Clayton Severson, organist, Miss Janet Dodgen and Miss Ginger Dennis, vocalists.

Given in marriage by her father, the bride wore a white satin gown fashioned with bell skirt and modified train. Sleeves and bodice overlay were of alencon lace. Narrow cummerbund and streamers were satin with reemboirdered lace with seed pearl trim.

A white satin cabbage rose held her butterfly veil of tulle.

Red carnations centered the bouquet of candytuft and white carnations she carried on a long-stem rose.

A reception honoring the couple was held in the Fellowship Hall.

Following a wedding trip to Fort Worth, the couple is at home at 203 N. Dixie, Eastland. Mrs. Mangum is a senior at Eastland High School, and Mr. Mangum, a graduate of Cisco High School, is employed as a mechanic by Fullen Motor Company, Eastland.

The bridegroom hosted the rehearsal dinner at Carter's Restaurant, Albany.

MAV FEVER

(Continued from Page One) prevalent too as the students greeted each other in the usually quiet halls: "Oh, isn't it great!", "On to state," "I can't believe it," "Coach, you are the greatest," and "Oh, Mike!" were among some of the unusual cries heard.

Overheard too was the wail of a young lass, who said "But Hayden, this is the fourth time we've passed here today," as she and her good-looking companion strolled past a posted bulletin which said something about "Hayden Wilson holding the world's record for long shots."

Parents, too, were reporting strange symptoms as their offsprings went about the business of packing and making arrangements for the trip to Denton, in an unusual manner. Those who usually pack with care, were noticed Thursday night to be a little more careless than usual, and those who are ordinarily a little careless, were, well, just down right reckless as they literally tossed spare socks and clean hankies in the general direction of open cases.

The pep-rally Friday further spread the malady, what with those thusly infected doing everything in their power to share with those less fortunate, who hadn't got the fever by then. It became a wild melee as the band played the basketball team and its coach were honored, and the general erratic conditions spread.

Why before it was over, we even overheard an ordinarily very sedate faculty member comment, "You know, I feel kinda light-headed."

Another staid one replied, "Cool it, man, you've got the Mav Fever."

VISITS IN TEMPLE

Mr. and Mrs. Jack Lusk went to Temple last Saturday and visited there until Wednesday with their grandchildren, Mike, Loris and Kevin LeFan, while Mr. and Mrs. James LeFan attended the lectures at Abilene Christian College.

Sunday and Monday nights, Mr. LeFan was privileged to speak at the lectures.

RECENT GUESTS

Visiting in Eastland with Sharon Day recently were Lenore Ogelsby of Del Rio and Mrs. Barbara Standefer of Fresco. All three girls are students at Cisco Junior College.

Mrs. Perkins To Host Club Wednesday

The Music Study Club of Eastland will meet Wednesday, March 3, at 3:30 p.m. in the home of Mrs. Joseph M. Perkins, 1021 South Seaman, who will be leader for the program.

"Music in the Home" will be the theme and Mrs. A. H. Johnson and Mrs. Grady Pipkin will serve as co-hostesses.

Mrs. Luker, 74, Dies Friday; Rites Sunday

Mrs. Cordia Augusta Luker, 74, died at 5 p. m. Friday in an Eastland nursing home.

She was born Feb. 19, 1891, in Erath County and married Luther V. Luker Sept. 14, 1910, in the Pioneer community. He died May 8, 1939.

Funeral will be held in the Second Baptist Church in Ranger at 2 p. m. Sunday, with burial in Pioneer Cemetery.

Officiating will be the Rev. C. O. (Dixie) Clement, pastor of the Long Branch Baptist Church, and Rev. Robbie L. Hobbs, pastor of Second Baptist Church, Ranger.

Killingworth Funeral Home is handling arrangements.

Survivors are three sons, Homer A. of Ranger, L. V. of Eastland, and James Arvol of Ranger; one brother, Elmer McLearn of Ranger; three sisters, Mrs. J. L. (Etta) Stouard of Breckenridge, Mrs. Rose Goode of Ranger, and Mrs. Ulala Squyres of Ranger; two grandchildren, and one great-grandchild.

Texas Exes To Hold Reunion

Oil Belt area ex-students of the University of Texas will hold their annual Texas Independence Day reunion at 7:30 p. m. Tuesday at Lone Cedar Country Club. Ranger Exes will be hosts for the event.

Dean W. Page Keeton of the UofT Law School, a nationally known lawyer and teacher, will be the speaker. A. W. Warford, Ranger, is president of the association and will preside at the dinner.

The program will include a solo by Kenneth E. Alford of Ranger, who also will lead the singing of "The Eyes of Texas."

Introduction of guests will be by the vice presidents — J. A. Bates of Ranger, L. W. Brooks Jr. of Breckenridge, Leon Maner of Cisco, James Paul Shanks of Baird, Bob Upham of Mineral Wells, Fred Douglas of Albany, John Kimble of Gorman and Bill Denard of Rising Star.

Virgil Seaberry Jr. of Eastland will give the invocation preceding the dinner which will feature a menu of fruit medley salad, breast of chicken rosemary, buttered whole green beans, hot rolls, butter, coconut cream pie, coffee and tea.

Dewey Cox Jr. of Ranger will introduce the distinguished guest speaker of the evening.

New officers will be elected after Mr. Keeton's address. The evening's events will be concluded with a door prize drawing.

VISITS SONS

Mr. and Mrs. Joe Stephen spent last weekend in Longview and Tyler with their sons, Mr. and Mrs. Rod Stephen and Mr. and Mrs. Stan Stephen.

Guests this weekend in the home of Mr. and Mrs. Ray Carey have been her brother and daughters, Ben Lindsey, Pam and Shelia of Maljamar, N. Mex.

VISIT HERE

Visiting with Mrs. Clyde McEbee during the week were Mr. and Mrs. Sim Haught of Longview and Mrs. Pearl Tenmons of De Leon.

GUESTS FROM LA.

Visiting recently with Mr. and Mrs. Ray Harbin were her brother and family, Mr. and Mrs. William Howard of New Orleans, La.

FROM DALLAS

Mrs. Francis Burk, who recently moved to Eastland from Dallas, making her home with her mother, Mrs. Lee Campbell, had as her guests last weekend, Mr. Norman Burk of Dallas.

Final Rites For Mrs. Thompson Planned Sunday

Funeral services for Mrs. Virgil Thompson, 57, will be held at 2 p. m. Sunday (today) in Rust Funeral Home Chapel with Rev. Lee Fields of Carbon officiating. Burial will be in Mitchell Cemetery under the direction of Rust Funeral Home.

Mrs. Thompson died at 7:30 a. m. Thursday at the Eastland Memorial Hospital after an illness of several years. She returned to Cisco two weeks ago from Burbank, California, where she had lived since 1938.

The former Willie Mae Maxwell, she was born Jan. 8, 1908, at Carbon, and lived in this area until moving to California.

The family returned here a year ago and built the Fishorama at Lake Cisco. They went back to Burbank when the barge burned in early summer. When they decided to move back recently, Mrs. Thompson was flown to Abilene where she was in Hendrick Hospital for several days before being moved to the Eastland Hospital.

Survivors include her husband; three sons, Howard Hennington of Cisco, Harold Hennington of San Jose, Calif., and Virgil Thompson, Jr., of North Hollywood, Calif.; three daughters, Mrs. Betty Nixon of Semi, Calif., Mrs. Dorothy Veitch of Oxnard, Calif., and Mrs. Catherine Gibbs of Cisco; one stepdaughter, Mrs. Doris Henderson of Baton Rouge, La.; two brothers, Bart Maxwell of Cisco and Gene Maxwell of Denver City; one sister-in-law, Mrs. Lucy Maxwell of Cisco; 24 grandchildren, and two great grandchildren.

(Continued From Page 1) cess, a real hustler and a boy with a real desire to play."

Eastland's other three starters include guard Hayden Wilson, who recently gained state fame for his "long" shooting, forward Larry Wilson and forward Jim Herridge.

In the bi-district game with Marble Falls Monday, Hayden cut loose with an outfield-to-home plate backcourt toss at the basket, and made a 75-foot, 2-inch basket.

"He's my way-out man now," Moody says. "We don't even bring him down court any more," he laughed, jokingly.

Herridge (6-0) is averaging seven points per game, Larry (5-10) four points and Hayden (5-10) about seven.

TIDBITS . . .

(Continued from Page One)

HERE'S a story we liked from Rotary Gusher Editor Jim Horton that we like: "There are hundreds of hair styles for women, but a man can wear his hair in just three ways: parted, unparted and departed."

THE TEXAS SOCIETY for the Prevention of Blindness has just answered a question in a recent release that many parents have wondered about: Does a camera's flash injure an infant's eyes? "No," says the TSPB, an affiliate of the National Society, "if the photographer follows routine precautions. The brilliant light from a camera flash lamp has no detrimental effect on the eye, however the possibility of a shattering flash bulb does provide a definite hazard." Shield the bulb with plastic, or a handkerchief, compensate for the reduced light in your calculations, and fire away.

SOMEBODY SENT us a clipping entitled: "A Wife Is Worth \$159.34 per week." And the clipping went on to quote at bank in New York on the economics of evaluating wives.

For example, the item says the average wife puts in a 99.6 hour a week at being everything from a nursemaid to cook to maintenance man to chauffeur. They value her services at from \$1.25 per hour as a nursemaid, \$2.50 as a cook, and so forth. The whole thing adds up to \$159.34.

Using the above values and lessons in economics, a man who wanted to advertise for a wife might write an ad something like this: "Wanted — A woman with intelligence, energy and skill at 12 different occupations; hours, 99.6 per week; salary, none."

You just couldn't afford a wife at \$159.34 per week.

TODAY'S FLAG-BIT from the VFW: "The U. S. Flag should not be dipped to any person or thing. Regimental colors, state, city, organizational or other flags are dipped as a mark of honor."

JACK ARRINGTON, the funeral home man, distributed an excellent combination map - calendar back just before Christmas, and discovered just this week how popular the item had been. Just about every office had welcomed the good Texas map and clearly printed calendar, and in fact, the demand was so great, that Jack's very own copy has been given. He's a generous man by nature, and so when he needs to look up the location of a Texas town, he goes a borrowing, to look at one of his maps.

SCOUTMASTER RAY Pryor of Troop 103 was presented a plaque this week for his troop's signing up six new Scouts in a recent Counsel project. Scout Ray and his boys had set a goal, and made it . . . Sgt. Roger Sosebee, who recently attended an in-service training session in Austin, reports that the Eastland office should be receiving an additional man about March 1 . . . Notice that the Pierre Kendrick are building a new home, adjoining his dad, J. H. Kendrick, west of town. The family's poultry operation has expanded many fold (presently 30,000 birds) in the past few years, and it appears to us to be the type of home-grown industry that the specialists remind us we should be very proud of.

RECENT GUESTS
Guests recently in the home of Mr. and Mrs. Bill Jordan were Mr. and Mrs. Landon Jordan, Mrs. J. R. Powers and Annell, all of Monahans. They all visited last Saturday in Abilene with Mr. and Mrs. Ray Woodall.

Last Monday and Tuesday, Tom Jordan of Lubbock visited with the Bill Jordans, while going to and from Fort Worth.

press, man to man and zone.

22-7 Season Record
Eastland has a 22-7 season record, having lost four of its games to Comanche, 7-AA champion. The Mavericks also lost one to Dublin, another to Lake Worth and a lone 10-A defeat to Baird.

The first game for Eastland in regional will be against Millsap, and that winner is expected to make it on to the state meet.

Moody seems a little restless prior to his Saturday engagement, but the strength of Treadwell on the right and Miller on the left is doing a big job in carrying both Coach Moody and his Eastland Mavericks this year.

Neiman-Marcus Representative To Be Civic League Speaker

Ann Bennett of Neiman-Marcus, Dallas, will be guest speaker at the Civic League and Garden Club meeting March 10 at the Lone Cedar Country Club.

Her subject will be "Culinary Arts" and will be followed by a style show, presented by Altman's Style Shop and The Men's Shop.

The meeting will consist of a luncheon and program entitled, "I Dare You to Be Well-Groomed." Mrs. Marene Johnson will be co-ordinator

and commentator. For reservations, contact Mrs. Patsy Maloney, 224 E. 2640, before 11 a.m. Monday. Serving as hostesses will be Mmes. Frank Sayre, Gene Rhodes, Virgil Seaberry, Clyde Grissom, E. G. Rice and W. E. Chaney.

The development of explosives for blasting and the use of steam to drive pumps mark the beginning of modern mining.

AN INTERSTATE THEATRE

MAJESTIC
