

Britain Backs Red China In U. N. Seating

LONDON, May 24. (AP)—Foreign Secretary Ernest Bevin told parliament today Britain feels Communist China should be given a seat in the United Nations.

"We think it is better for the new China to be inside the U. N.," he said, "we do not want to ostracize anyone on political grounds."

Bevin accused of Russia being "on strike" against the United Nations.

"They are holding up the work of the U. N.," he said, "and that won't do."

Bevin made his statements during a debate on British policy on the Far East and Southeast Asia. Britain has already recognized the Red regime in China but thus far has been unable to establish diplomatic relations.

Regarding British recognition of Communist China, Bevin said:

"Although it may be an unpleasant decision to have recognized the Communists, I have searched my conscience as to the alternative and have come to the conclusion that the advice I gave to the cabinet was right and in a few years to come I think it will turn out to be right."

"I don't think we took the wrong step. I think it was right at that time not to leave the Russians to assume that they were the only people who wished to do anything at all for China."

Anthony Eden, deputy conservative party leader, had attacked the recognition step.

"The truth is that recognition has in fact brought us no advantage at all," he told the house.

He claimed that the recognition was "not fortunate either in its timing or its method."

Bond Issue Okayed

CORSICANA, May 24. (AP)—A \$300,000 bond issue for sewer extensions and improvements has been approved, 538 to 264.

IS FISH STORY PROPER IN COURT

AUSTIN, May 24. (AP)—The State Supreme Court will decide whether it's proper to tell a funny fish story in arguing a damage suit.

It's a point that will come up in the appeal of the Southwestern Greyhound Lines in a damage suit brought by Gladys L. Dickson in 33rd District Court here.

The district court awarded her \$28,246 damages for injuries when she fell over a horse at the bus station here.

Records showed an attorney for Miss Dickson told a fish story during arguments. This brought guffaws from a juror. Bus lawyers contended the lack of decorum was a factor in alleged misconduct that should be reviewed. The Supreme Court agreed, and will hear arguments June 21.

BISHOP WILLIAM MARTIN

Church Gains Are Substantial, Bishop Asserts

With membership and resources at a peak, delegates to the 41st annual session of the North West Texas Methodist conference were challenged today to new plans and new commitments.

Bishop William C. Martin, Dallas, convening the annual meeting in the First Methodist church, told approximately 1,500 attending the morning session that reports would reflect substantial gains in the work of the church.

Noting that this evening marks the 12th anniversary of John Wesley's heartwarming experience, Bishop Martin declared that what Methodism's great leader had discovered was "desperately needed in the world today." In material blessings, he saw a stirring challenge to church members.

So great was the number attending the opening meeting that the communion service was thrown an hour behind schedule.

Supporting the bishop's prediction, Dr. J. O. Haynes, Abilene, reported gains in membership, total contributions, and per capita giving.

Total membership of the conference, the composite report showed, stood at 94,262, a gain of 3,426 for the year. Total additions stood at 9,673, of which 3,291 came by profession of faith. This figure

MEDIATION GOES ON

Rail Strike Plans Off Until June 10

CLEVELAND, May 24. (AP)—Four railroad operating brotherhoods have postponed until June 10 a strike they had set for tomorrow against the New York Central Railroad lines east of Buffalo.

The date was changed at the request of the National Railway Mediation Board, said Carl J. Goff, assistant president of the Brotherhood of Locomotive Firemen and Enginemen.

Other unions involved are the Brotherhood of Locomotive Engineers, the Order of Railway Conductors and the Brotherhood of Railroad Trainmen. Goff said the unions had decided yesterday to strike at 5 o'clock Thursday morning, but a few hours later accepted a mediation board plan for further attempts at settlement.

"Some 290 miscellaneous grievances—many of them individual cases—are involved," Goff said.

RAIN

VISCOUNT WAVELL

Famed British Field Marshal Dies In London

LONDON, May 24. (AP)—Viscount Wavell, the one-eyed British field marshal who crushed Italian armies in Africa 10 years ago, died today.

The veteran soldier, who also served as viceroy of India in the turbulent period after the war, underwent an abdominal operation on May 5, his 67th birthday. He suffered a relapse Sunday.

A daring strategist who believed in calculated risks, Archibald Percival Wavell won the first substantial victories for Britain in the last war. He turned the tide temporarily in 1940 and 1941 and inspired the empire with hope in a time of deep depression.

Wavell drove Italian forces from Egypt, cleared much of Cirenacaia and smashed the strongest elements of Mussolini's African troops. Reverses followed for Britain in Africa, the German Africa Corps under Field Marshal Erwin Rommel striking back powerfully while the British were recuperated in Greece. Wavell was transferred to the British command in India where, in a period of great political turbulence, he became viceroy.

As a military commander and a political leader, he played a role in the war against the Japanese which was deeply appreciated in America.

BIG SPRING RECORD

Record Eighth Grade Will Move Up Today

Two hundred and fifteen students from the eighth grade—probably a record for the Big Spring Independent School district—will be promoted into high school today.

Exercises are set for 8:30 p. m. in the city auditorium.

Two class members won't be on hand to receive their certificates. Jim Farmer has the mumps and Donald Robertson is laid up with a broken leg.

Lee Milling, executive secretary of the YMCA, is to be the guest speaker for the ceremony, addressing the class on "Foundation plus Good Building Equals Contentment."

Student speakers will be Charles Boyd, "To Know, To Do, To Be"; Jimmy Porter, "Leadership plus Unity Equals Success." Richard Hughes accompanied by Mrs. Alice Willoughby, eighth grade music teacher, will sing "Without A Song."

W. L. Reed, high school principal, certifies the class promotion.

NATIONALISTS DEFEND, ATTACK

Wanshan Braces For Assault; Taipei Celebrates U. S. Aid

HONG KONG, May 24. (AP)—Embattled defenders of Nationalist China's Wanshan Islands, (Ladrones) near Portuguese Macao, braced tonight for their second Red assault this month.

The newspaper Wan Kiu Yat Po said Red Gen. Lin Fiao was assembling assault troops north of Macao. He was said to be commanding motorboats and junks to invade the blockade base for the South China coast.

Nationalist reinforcements were rushed to Wanshan, main island of that group. The first Red assault 10 days ago was repulsed.

Other newspaper reports from South China said Communist Russian military equipment, including Yak jet planes, was being taken into Canton.

Philadelphian Is Held On Atom Spying Charge

Received Documents From Klaus Fuchs

PHILADELPHIA, May 24. (AP)—A Philadelphia research chemist of Russian extraction charged with receiving atomic bomb secrets from Dr. Klaus Fuchs and turning the matter to Russia.

Dr. Fuchs is the former top British atomic scientist serving 14 years for passing atom secrets to Russia.

Arrest of Harry Gold, 39, senior bio-chemist in one of Philadelphia's largest hospitals for two years, was announced in Washington last night by Atty. Gen. McGrath and FBI Director J. Edgar Hoover.

A few minutes later, the short pudgy Gold was given a 15-minute hearing and hustled off to Philadelphia's Moyamensing Prison in lieu of bail.

Judge J. P. McGranery set June 12 for a further hearing.

The formal information, sworn to by an FBI agent before U. S. Commissioner Martin G. Epstein, charged Gold and another person, identified as "Gold and John Doe, the defendants herein, did in time of war... agree among themselves and with divers other persons to receive from one Emil Julius Klaus Fuchs documents, writings, sketches, notes and information relating to the national defense and with intent and reason to believe that it was to be used to the injury of the United States and to the advantage of a foreign nation, to wit the Union of Soviet Socialist Republics."

The information related that "John Doe" was at the time "a representative official, agent and employe of a foreign government, to wit the Union of Soviet Socialist Republics."

In pursuance of the agreement, made "on or about Jan. 1, 1944 and continuously thereafter up to and including the date hereof," the information said, "the defendants Harry Gold and John Doe during the month of September, 1945, did meet and confer together in the vicinity of Jackson Heights, Long Island N. Y."

At Lake Success, Soviet and Nationalist China delegations withheld comment on Bevin's statement. UN sources would not say whether it meant Britain was ready now to vote for the ousting of the Nationalist Chinese.

Informed diplomats in Paris said France would not stand in the way of Communist China's being seated in the UN in place of the Nationalists.

Bevin, who saw Lie yesterday, blamed Russia for the China deadlock and challenged her to retake her places on the UN bodies she has been boycotting.

Lie, leaving tonight for UN headquarters at Lake Success, promised to continue efforts for a renewed approach within the framework of the United Nations to end the cold war. A spokesman for the secretary general said Lie would meet President Truman and Secretary of State Acheson next week at their convenience. He saw President Truman before coming to Europe.

Lightning Kills One Man, Injures Three

BALTIMORE, May 24. (AP)—Lightning killed one man and injured three yesterday as a severe thunderstorm ripped through the city, blocking streets with gushing water and felled trees.

Leo Ours, 34, a construction worker, had just walked from a half-finished house when a bolt of lightning laced through the lot. Three working companions, later treated for electrical shock, found Ours thrown to the ground, his pants ripped and burning.

A & M Head Will Be Honored Saturday

COLLEGE STATION, May 24. (AP)—Dr. F. C. Bolton, president of Texas A&M College, will be honored Saturday at a banquet. Bolton with the college for 41 years, will become president emeritus June 3. Dr. M. T. Harrington, now dean, will become president.

Green Reports Stolen Car Is Recovered

A 1949 Ford, reported stolen here on Feb. 7, has been recovered in Franklin, La., Chief of Police Pete Green said this morning.

Louisiana state police notified that the car was found in Franklin, not in running condition. The car was reported stolen by Mrs. F. L. Sneed, Big Spring.

PARKING SPACE SLUGFEST—Two unidentified motorists engage in a barehanded battle for possession of a single parking space which both sought to occupy at the same time. A woman pedestrian walks past unconcerned by the roadside row in Cambridge, Mass. The winner, left, got his car (right) into the space first. The other car is in the roadway (background). The victor however had his windshield smashed by a crank handle in the melee, but was so elated at getting the parking space that he refused to press charges after police arrested his opponent. (AP Wirephoto).

STEADIES NATION'S ECONOMY

GM Five-Year Peace Pact Caps Growing Labor Contract Trend

WASHINGTON, May 24. (AP)—A growing trend toward longer-lasting labor contracts is capped by the new five-year agreement at General Motors.

That feature of the pact negotiated by GM and the CIO Auto Workers yesterday in Detroit inter-

ested government officials today in their study of its terms. They said there is bound to be a steady effect on the nation's economy from an agreement assuring continuing production without strikes for so long a period in such a major firm.

The GM agreement comes at a time when unions are showing more and more willingness to sign long-term contracts. Other auto industry contracts run two years.

Contracts in the steel industry also extend two years. They can be reopened for wage rates at the end of one year, but pension terms are fixed for five years. In coal, John L. Lewis agreed to a two-year pact, but has the privilege of ending it at the end of one year.

These longer contracts have some element of gamble both for management and labor. Both are looking into the future and fixing their terms on an appraisal somebody might guess wrong. But some of the bigger unions and firms now seem to figure that taking a chance is worth avoiding a knock-down wrangle once every year.

GM and the UAW have taken some of the guesswork out of the future. The company has pretty well fixed its labor costs and assured steady production of automobiles. The union has won an annual four-cent hourly wage boost for its members, plus a right to get more money if living costs go up.

TRUMAN REFUSES TO "SURRENDER" THE UNITED STATES TO RUSSIA

WASHINGTON, May 24. (AP)—President Truman has rejected publicly a suggestion that the United States surrender to Russia.

Aided by Atty. Gen. McGrath, he

FEPC Pickets At White House

WASHINGTON, May 24. (AP)—Members of Henry A. Wallace's Progressive Party gathered today for the announced purpose of picketing the White House for a Fair Employment Practices Commission (FEPC) bill. Meanwhile, the controversial measure was temporarily laid aside in the Senate.

Democratic Leader Lucas of Illinois, blocked by southern opposition in an attempt last Friday to bring the bill up for consideration, said he would try again in the next two or three weeks.

The Progressive Party announced it will conduct a "people's vigil" at the White House beginning today and continuing "until FEPC is voted upon."

Sen. Hill (D-Ala.), who helped block the move to end debate on the measure, predicted the bill will not pass at this session of Congress. It provides for a federal commission to enforce laws against job discrimination based on race, creed or color.

Progressive Party members said Paul Robeson, Negro singer; Elmer Benson, a former governor of Minnesota and C. B. Baldwin, national secretary of the party will take part in a marathon demonstration in support of the bill.

Shivers Is Host At Conservation Dinner Tonight

AUSTIN, May 24. (AP)—Gov. Allan Shivers will be host and keynote speaker at a conservation dinner here tonight.

The governor will start a ten-year program of pasture improvement at the dinner with 150 state farm leaders.

Robert J. Kieberg, manager of the vast King Ranch, will speak about pasture improvement and conservation.

The governor will tell his plan for the 10-year pasture program. He will ask those attending to serve on a statewide panel to organize county pasture improvement associations.

Pasture improvement, the governor says, brings into play such conservation practices as terracing, drainage, anti-erosion, fertilization, proper planting and water supply.

Poage Seeking Aid For Cotton Farmers

WASHINGTON, May 24. (AP)—The House has a bill by Rep. Poage (D-Tex.) to give 1950 emergency cotton acreage quotas to farmers whose crops have been destroyed by natural causes.

The bill was reported favorably yesterday by the House Agriculture Committee.

Wheat farmers of Texas and Oklahoma, hit by the green bug, and grain growers who lost planting in hail storms would get an acre of cotton for each two acres of destroyed crops.

Engineers Loan Fund Given Big Increase

HOUSTON, May 24. (AP)—The University of Texas engineers' loan fund will be increased by \$75,000 or so.

A. J. Helms, executor of the estate of Louis C. Wagner, said about 70 per cent of the \$150,000 estate will be allocated to the fund. Wagner died April 19.

GOP THREATENS DELAY IN FINAL ACTION ON FOREIGN AID VOTE

WASHINGTON, May 24. (AP)—Republican attack in the Senate threatened today to delay final action on the \$3,120,356,000 Foreign Aid bill.

The GOP fire centered chiefly on the administration's \$35,000,000 "point four" plan to aid backward areas. Republican Floor Leader Wherry of Nebraska called it a step to "open up worldwide aid after the Marshall Plan ends."

Wherry said an effort would be made to send the bill back to a Senate-House conference for revision of point four.

Senator Connally, chairman of the Foreign Relations Committee, predicted he could muster enough votes to block the GOP move.

The bill only authorizes the foreign aid. Actual cash to finance it must be provided later.

The House, which approved the aid measure yesterday, debated a two-year extension of the draft. Passage was expected by night-fall.

Actual inductions would be on a standby basis under the legislation, subject to a congressional call-to-arms.

Registrations of all men 18 to 26 would continue, but the House and Senate would have to declare they could be taken into the armed forces.

Congressional investigations pushed ahead. In the Communists-in-government probe, Senator Knowland (R-Calif.) demanded a thorough airing of the 1945 Amerasia magazine case involving secret government documents.

Senator Tydings, chairman of the foreign relations sub-committee looking into the newly-revised case, said yesterday that 99 per cent of the documents were of very little importance anyway.

One of the six persons arrested five years ago on charges of conspiring to get illegal possession of government documents was a State Department employe, John S. Service.

Service was exonerated, but recently was called pro-Communist by Senator McCarthy (R-Wis.) who made numerous charges that the State Department harbors Communists and their friends.

The local branch of the Labor Party said it would appeal to the queen to intercede for Cooper, 46-year-old father of eight who also was stripped of his pension rights after 17 years of service.

One Bebington housewife, Mrs. Mabel Edwards, said she already had 1,500 signatures on a petition asking the queen to say a good word for Cooper.

The council voted 28 to 10 in confirming Cooper's dismissal by its health committee. More than 300 persons packed a public hall for the hearing but Cooper was not present.

The council voted 28 to 10 in confirming Cooper's dismissal by its health committee. More than 300 persons packed a public hall for the hearing but Cooper was not present.

Two large unions of government employes, the National Union of Post Office Workers and the Civil Service Clerical Assn., announced yesterday they would no longer support the voluntary wage freeze designed to combat inflation.

Deputy Sheriff W. R. Miam identified them as Mrs. Walter Jones, 22, of Irving, and Sergeant J. D. Burleson, 29. He said Mrs. Jones' husband and Mrs. Burleson swam to safety when a boat capsized with the four.

The Burlesons were enroute to Kelly Air Force base in San Antonio. They stopped in Irving and went trout line fishing with Mr. and Mrs. Jones.

A rescue squad of the Dallas Fire Department was searching for bodies of the victims in the pit, which covers about five acres.

San Bernardino, Calif., May 24. (AP)—May 24. (AP)—A radio repairman and a railroad telegrapher are accused of tapping a wire of Continental Press Service, a firm which transmits horse racing information.

E. W. Craig, 31, and Joseph H. Merrow, 52, were arrested yesterday in a shack. A wire from a tapping device led to a nearby telegraph wire, said Police Chief W. D. Gilchrist.

U. S. Atty. Ernest Tolin, in Los Angeles, said that although Continental is barred from serving California clients, its wires cross the state en route to Mexico.

TEL AVIV, May 24.—An authoritative source said today Israel intends to pay an indemnity of \$54,000 to the family of Count Folke Bernadotte, U. N. mediator assassinated in Jerusalem in 1948.

Queen Elizabeth Is Garbage Man's Last Resort Court

BEBINGTON, Eng., May 24. (AP)—Queen Elizabeth today appeared to be the court of last appeal for the garbage collector who got fired because he shared royalty's applause.

The Bebington town council last night upheld the dismissal of garbage truck driver, Sidney Cooper, who bystanders said drove his bright orange truck behind the queen's car and took bows as a local crowd cheered. The queen had been en route to a ship launching.

The local branch of the Labor Party said it would appeal to the queen to intercede for Cooper, 46-year-old father of eight who also was stripped of his pension rights after 17 years of service.

One Bebington housewife, Mrs. Mabel Edwards, said she already had 1,500 signatures on a petition asking the queen to say a good word for Cooper.

The council voted 28 to 10 in confirming Cooper's dismissal by its health committee. More than 300 persons packed a public hall for the hearing but Cooper was not present.

Two Men Charged With Tapping Of Race News Wire

SAN BERNARDINO, Calif., May 24. (AP)—May 24. (AP)—A radio repairman and a railroad telegrapher are accused of tapping a wire of Continental Press Service, a firm which transmits horse racing information.

E. W. Craig, 31, and Joseph H. Merrow, 52, were arrested yesterday in a shack. A wire from a tapping device led to a nearby telegraph wire, said Police Chief W. D. Gilchrist.

U. S. Atty. Ernest Tolin, in Los Angeles, said that although Continental is barred from serving California clients, its wires cross the state en route to Mexico.

Bernadotte Indemnity

British Wage Freeze Faces Still Battle

LONDON, May 24. (AP)—The wage freeze policy of Britain's Labor Government faced mounting pressure today from unions wanting higher pay. The new demands aroused expectations that a new government statement on wages soon would be made.

Two large unions of government employes, the National Union of Post Office Workers and the Civil Service Clerical Assn., announced yesterday they would no longer support the voluntary wage freeze designed to combat inflation.

Two Persons Drown Near Grand Prairie

DALLAS, May 24. (AP)—Two persons drowned as they fished in a gravel pit near Grand Prairie early today.

Deputy Sheriff W. R. Miam identified them as Mrs. Walter Jones, 22, of Irving, and Sergeant J. D. Burleson, 29. He said Mrs. Jones' husband and Mrs. Burleson swam to safety when a boat capsized with the four.

The Burlesons were enroute to Kelly Air Force base in San Antonio. They stopped in Irving and went trout line fishing with Mr. and Mrs. Jones.

A rescue squad of the Dallas Fire Department was searching for bodies of the victims in the pit, which covers about five acres.

SOIL CONSERVATION

Knott Farmers Watch McGregor Plant Peas

J. D. McGregor, cooperator with the Martin-Howard Soil Conservation District, planted 49 acres to summer peas last week on his farm at Knott. McGregor planted to add nitrogen and organic matter to a soil improving crop. Those present were W. S. Shaw, Vest Shaw, J. C. Spalding, J. D. McGregor, and Harvey Spalding. W. H. Bethell with the Soil Conservation Service at Big Spring helped McGregor inoculate his peas.

R. A. Merrick, Bill Hamrick, Floyd Jones, George Palmer and Leonard Coleman met at Merrick's farm southeast of Ackerly last week to make a planting of summer peas. Merrick inoculated his peas with the proper culture of bacteria for nitrogen production. The farmers are planting peas as a part of their coordinated soil and water conservation program in cooperation with the district.

Willis Winters has 75 acres of Hubam clover up to a good stand on his farm at Vincent. Winters planted the clover for a soil building crop this spring. He will turn the clover back to his land to add nitrogen and organic matter to the soil. The clover will also bene-

PROGRESS IN A DREADED DISEASE

National Polio Foundation Reports Search For Cure Is On Solid Ground

NEW YORK, May 24 (U)—The National Foundation for Infantile Paralysis says that research for a polio cure is "on solid ground." The foundation emphasized that it still is impossible to promise a practical means of control within a given number of years. But it added: "The foundation's program of research has developed scientific reasons for the belief that such control is attainable, and it has promising leads that indicate that drugs, serums, and vaccines against polio are all within the realm of possibility."

"It appears likely that 1949 will prove to have been a turning point in the history of infantile paralysis," said the foundation's president, Basil O'Connor. "We may be able to halt the rising tide of polio in the not-too-distant future."

The predictions were contained in the foundation's 13th annual report—which also told the story of 1949, the country's worst polio epidemic year in history. Texas had more cases than any other state.

The report said the foundation aided 80 per cent of the 42,375 new patients last year, sent out a record number of respirators—803—to hospitals and spent more than \$27 million on patients.

The cash payments totaled \$11,326,387 from the national headquarters, and \$16 million from the foundation's 2,822 local chapters. The strain of the epidemic exhausted the funds of nearly half of the chapters, or 1,086, and forced the national organization to raise nearly \$4 million more in an emergency drive.

This was in addition to the regular March of Dimes fund, half of which goes to the local chapters. O'Connor said about 17,005 of last year's patients will need continuing care in 1950.

On the research front, the foundation reported these new advances: Growth for the first time of the polio virus in non-nervous tissue in test tubes. This would be important if a vaccine is ever developed, as it would aid in producing the great quantity of virus needed. Classification of three distinct types of polio virus. The search for all types is expected to be complete by the end of 1951.

Improved methods and devices to reduce to "an absolute minimum" the number of patients who suffer permanent disability.

Many Businesses Join Sales Parade

NEW YORK, May 24 (U)—Sales outside builders in 25 years has just been placed by the Pennsylvania Railroad. The Equitable Life Assurance Society will pay for the 10,000 cars and rent them to the railroad. The insurance company also is buying 1,300 cars to rent to the Atlantic Coast Line Railroad. Freight car orders hit a low point in 1949 (only 6,248 ordered in the entire year) but up till May 1 orders for 27,950 have been placed this year, and the new equitable deals will boost the year's figures still higher.

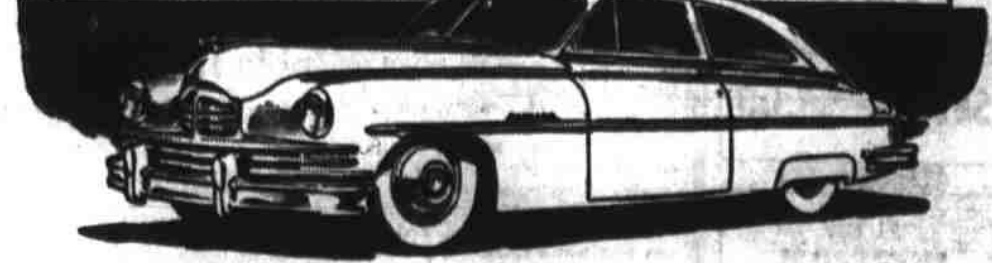

Lumber dealers around the country report their sales top last year by as much as 25 per cent. Little wonder with starts of new homes running 53 per cent ahead of last year.

Military Base Housing Fund Eliminated

WASHINGTON, May 24 (U)—Five Texas Army and Air Force bases failed to get House approval of military housing projects valued at millions.

The House sent to the Senate yesterday a \$300,000,000 military construction program which provided \$300,000,000 for public works construction at military and naval installations.

Before the bill was passed, Rep. Vinson (D-Ga.) proposed an amendment which eliminated \$108,000,000 in authorizations for military housing in the United States.

Armed Forces committee attaches said that the amendment eliminating family quarters and utilities would result in these reductions for individual authorizations in the House bill as proposed by the committee:

Army:
Fort Hood, Texas, from \$9,100,000 to \$718,000.
Special weapons project (sites unspecified) from \$12,128,300 to \$2,258,800.

Air Force:
Biggs Air Force Base, El Paso, \$4,787,000 to \$3,203,000;
Hood Air Force Base, Temple, from \$2,309,467 to \$1,915,467.

The amendment would eliminate these authorizations:
Fort Bliss, \$462,000.
Bergstrom Air Force Base, Austin, \$1,581,000.

Uranium Industry Goes Up In Africa

PRETORIA, Union of South Africa, May 24. (AP)—South Africa is building up to a highly secret uranium industry in her rich gold fields.

Eighth-Graders Get Diplomas Tuesday Night

Twenty eighth-grade students received diplomas at rural school graduation exercises held at the municipal auditorium here Tuesday night.

Ray Donlap, who had the experience of qualifying for high school at the same time in 1929 and now an employee of the Coleman Oil company of Ackerly, delivered the principal address.

A. M. Bryant, Midway, delivered the invocation and benediction. Music was supplied by Mrs. Ann Gibson Houser's Sextet.

Francis of Midway rendered a piano solo while County Supt. Walker Bailey handed out the certificates.

Geraldine Webb of Center Point won honors as scoring the highest grades among the girl graduates. Billy Wayne Perry of Cauble was similarly honored among the boys.

Graduates were Glands Nix and Laura LaFaye Stanley, both of Gay Hill; Geraldine Webb, Barbara Davidson, Elouise Carroll, Delbert Davidson, Mary Nell Glover and Ronald Fay Davidson, all of Center Point; Joyce Frances, Billy Dean Huston, Jackie Lepard, Donna Rae Jenkins, Richard Gilmore and Samuel Yarber, Midway.

Also Dorothy Speck, Elbow; and Billy Wayne Perry, Garland Henry Harrison, Darrell Royce Gaskins, D. R. Bates and Nina Lois Kelley, all of Cauble.

Jerry Green of Midway, another graduate, could not be present because of illness in his family.

Oregon Promoter May Stage World Golf Tourney

SAN FRANCISCO, May 24.—The first world championship in golf may take place near Portland, Ore.

Robert A. (Bob) Hudson Sr., Portland sportsman, has been toying with the idea several years. There is a reasonable chance it may be realized in 1951, he says.

Such a golfing extravaganza would be the logical goal of Hudson, a dynamic man who would try to rollerskate up a mountain if the fancy seized him. Once tied up in a golfing enterprise, he will see it through and with success.

The report that Hudson may stage a world championship will come as no surprise to leading pros.

He revived the Ryder cup series after a 10-year lapse. In 1947, he brought the Ryder cup teams from Britain and the U. S. to Portland at a cost of \$35,000. The English golfers had the time of their lives, thick steaks, eggs, butter, in abundance. Rationing over there was much tighter in 1947.

Graziano Faces New Tempest

NEW YORK, May 24.—Rocky Graziano, center of many boxing storms, stands in a new blow.

The former middleweight king signed yesterday to fight his old boy-hood pal—champion Jake La Motta—for the 160-pound title June 28 at the polo grounds. He signed for himself—without benefit of his manager, Irving Cohen.

As the New York boxing manager guild agreed to hold a solid line against the International Boxing club until a new radio-television contract is signed, this weakens their stand. No contracts were to be signed after May 31, when the current TV pact expires.

La Motta, who does his own business, also signed for himself. His manager of record, Joey La Motta, is under suspension.

Cut Death Penalty

VIENNA, May 24. (AP)—Parliament voted today to abolish the death penalty in Austria.

Top secret experiments are underway in a number of pilot plants along the rich Wit waters and gold reef, the vast deposit which extends south and west of Pretoria to Johannesburg.

Successful production, persons connected with the project said, could make South Africa the world's largest supplier of uranium, an essential atomic energy raw material of which the earth offers a limited known supply.

Already the union government has offered to sell her potential uranium output to the United States and Britain. The three countries still are negotiating over terms, with the United States reported as thinking South Africa's demands are too stiff.

The 40 to 50 mines along the Witwaters Rand last year produced some 57,005,000 tons of gold ore. The amount of uranium in each ton is not great but "in the total... it means a very big amount of uranium." Eric Louw, then mines minister, told the union parliament on June 16, 1949.

Tobin Termed "Hatchet Man" For Truman

LYNN, Mass., May 24. (AP)—Secretary of Labor Maurice J. Tobin was termed "a political hatchet man for President Truman" by a spokesman for the Independent United Electrical Workers union last night.

Albert E. Fitzgerald, national president of the union, made the statement at a union rally attended by 2,000 members.

The rally was called in advance of a National Labor Relations Board election tomorrow to select a bargaining agent for GE employees throughout the country.

Fitzgerald told Lynn and Everett "General Electric workers that 'hundreds of union members resented the fact that he (Tobin) injected himself and his official office into this union dispute.'"

Tobin and CIO President Philip Murray spoke at a GE workers rally Sunday sponsored by the rival International Union of Electrical Workers (IUE-CIO). Both said the independent union is "Communist dominated."

Bevin Facing Knife Again

LONDON, May 24. (AP)—Britain's Alling Foreign Secretary Ernest Bevin returns to a hospital next Tuesday for a second operation for hemorrhoids.

A foreign office announcement said Bevin, who left the hospital May 4 after the first operation, had interrupted his treatment to attend the meetings of the big three and Atlantic Pact foreign ministers.

The foreign secretary, however, is performing his nominal duties at the foreign office and will take part in today's house of commons debate, the announcement added.

Bevin has suffered from asthma and a heart ailment for some time.

Senator Taft's Wife Ill In Hospital

WASHINGTON, May 24. (AP)—The election campaign team of "Bob and Martha"—which has advanced the political fortunes of Sen. Robert A. Taft (R-Ohio) to high mention for the presidency—finally has broken down.

Sen. Taft told a gathering of Ohio Republican congressmen and congressional nominees last night that the illness of Mrs. Taft, the Martha in their team, probably will make it impossible for her to share the campaign platform with him this year.

Mrs. Taft is a patient in a Washington hospital for treatment of a high blood pressure condition.

HAROLD STASSEN

Stassen Backs Great Revival Of Christianity

BOSTON, May 24. (AP)—Harold Stassen favors a great revival of Christian stewardship to meet "the most tragic advance of dictatorial powers in the history of the world."

The president of the University of Pennsylvania told a northern Baptist convention assembly last night that "the ruthless obliteration of human freedom under Communism" underscores "the vital need of rekindling and revitalizing" religion in America.

Stassen, a candidate for the Republican presidential nomination two years ago, is a former vice president of the convention, which numbers some 2 million Baptist church members in 36 states and Puerto Rico.

He told 10,000 delegates and visitors in packaged mechanics hall that the past five years have witnessed two advances of world-wide significance:

1. The advance of science into the atomic mysteries, revealing powers of destruction of devastating force.

2. The advance of Communist dictators over one-third of the peoples of the world, with ruthless obliteration of human freedom and with denial of the dignity of man and the denial of fatherhood of God.

EDITOR SUGGESTS ATOMIC ENERGY USE FOR SOLVING WATER SHORTAGE

PHILADELPHIA, May 24. (AP)—The editor of a magazine prominent in the field of atomic affairs wants the atomic energy program of the United States revised to deal with the pressing problem of water shortages.

Norman R. Beers, editor of the Magazine Nucleonics suggests several low-temperature nuclear reactors to evaporate sea water in areas where shortages now are acute.

Texans To Taste Warmer Weather

By The Associated Press More warm weather was in store for Texas today.

Temperatures, mild as the day began, moved upward. A light ground fog was lifting along the upper Texas coast and at Bryan and Waco. The remainder of the state had high level cloudiness.

The U. S. Weather Bureau said a cool air mass moving southward from Kansas probably would bring scattered thundershowers to the Panhandle and North Texas late today, tonight and tomorrow morning.

Some thundershowers ranged over the South Plains late yesterday and last night. Lightning killed Winston Williams, 21, of Plainview, about 75 miles from Lockney. Rainfall, with some hail, fell in the South Plains south of Lubbock.

Temperatures were warm yesterday. Highest readings ranged from Presidio's 101 degrees to an 83 at Galveston.

Clarendon recorded 49 inch of rain in a 24-hour period ending at 6:30 a. m. today.

Seven Killed As Trolley Hits Bus

GLASGOW, Scotland, May 24. (AP)—A speeding trolley crashed into an overturned double-decker bus, killing seven persons and injuring 48 here today.

The bus, loaded with work-bound people, overturned in the path of the trolley at the height of the morning rush hour. The trolley, also crowded, crashed through the roof of the bus and imbedded itself in the ceiling of the lower deck.

A girl, about 17 years old, and six men were killed. Twelve of those injured were reported in a serious condition.

UN Group Approves Newspaper Ethics

MONTEVIDEO, Uruguay, May 24. (AP)—A United Nations sub-commission last night approved a code of ethics calling for journalists to be actually accurate and objective in their work.

The code, which if approved by the UN Economic and Social Council will depend for enforcement on the journalists themselves, condemns acceptance of bribes, calumny, libel or plagiarism.

"There do not seem to be any unsolved engineering problems in the proposal," Beers said in his paper. "One would expect to improve designs and to increase efficiencies with experience of the whole installation, but a good, workable plan could be constructed in relatively short order."

He said "the current water problem in the United States—that is, water shortages in certain regions, particularly the Pacific Coast—almost requires some such treatment."

Two Lebanon Men Get Death Sentence

BEIRUT, Lebanon, May 24. (AP)—Two members of the outlawed "Syrian Popular Party" were sentenced to death late yesterday. They were convicted of trying to assassinate Premier Solh last year.

Two others were convicted of complicity in the abortive plot on March 9, 1949, and sentenced to life at hard labor.

Allied Forces Open "Preliminary Alert"

BERLIN, May 24. (U) — A fleet of 26 American, British and French military police jeeps today began an intensified patrol of Berlin's main road link with the West, the 100-mile superhighway through the Russian zone.

The patrol was part of a "preliminary alert" to which 8,000 allied troops and 13,000 West Berlin police were ordered as more and more young Communists headed for East Berlin's rally of Red youth this week end.

Allied-controlled forces will go on a "full alert" Saturday when the final contingent of 500,000 young Communist demonstrators from the Soviet zone is expected in the eastern sector of the city.

The East German Communist Government has warned that regular traffic on the autobahn will be subject to a 38-mile detour from tomorrow on to allow unrestricted movement of Communist youth convoys.

Allied officials said they would not tolerate interference with vehicles of the Western Powers. Allied military police were under orders to ignore highway commands of the East German police but if Soviet troops enforced the detour, they were to follow it subject to protest.

Soviet-licensed newspapers bitterly complained at the arrest of 11 Leipzig delegates in a Communist-banned truck in the American sector of Berlin yesterday.

But the West city attorney-general announced that rigorous prosecution faced all who might violate allied sector laws against resistance to state authority, rioting or disturbing the peace.

Communist leaders appeared elated at the prospects of worldwide publicity for the Whitesun "March on Berlin," which they contended would prove Germany's younger generation is wholeheartedly behind their political program.

The rally is dedicated to "peace" with Western Powers accused of threatening war—and to "unity" of all Germany, as part of the Soviet bloc.

Communist spokesmen repeated that the entire demonstration would be confined to East Berlin and allied sectors would not be trespassed.

SHE TORE UP HIS LETTERS—Pepita Marco, newest entry in the Frank Sinatra-Ava Gardner-Mario Cabre merry-go-round, looks at one of Mario's letters in New York before announcing she was through with the amorous bullfighter. Pepita is annoyed at Mario's attentions to Ava. They have been engaged for 18 months, Pepita said. Meanwhile Sinatra has returned from a visit to Ava in Spain to his Los Angeles home bearing gifts for his estranged wife, Nancy, and their children. (AP Wirephoto).

COMMISSIONERS PLAN

Water, Sewer System Surveys Here Will Lead To Expansion

A survey of the city's water and sewer systems and preparation of a master plan for their revision and expansion is to be started as the result of a decision reached by city commissioners Tuesday.

The group agreed that Big Spring's continued growth necessitated the survey, and pointed out that demands for water and sewer service by residential developers cannot be intelligently answered until a master plan for expansion is completed.

City Manager H. W. Whitney was instructed to negotiate with engineering firms to make the survey. Commissioners will probably award contract for the survey and planning work at their next session.

The five-man board will probably be appointed at the next meeting of the commission.

Commissioners Tuesday okayed a request from W. E. Buckner for water outside the southeast city limits. Buckner is to provide line for piping the water from the city's boundary to his property.

They recommended that a tentative plat of the proposed Monticello addition be revised to permit Birdwell lane and Eleventh Place to continue past the area at their present width. The commission also advised that 10-foot easement be provided in the area.

Town & Country Builders, Dallas, had submitted the plat for tentative approval.

City Manager Whitney reported that a test water well, drilled on the Albert M. Fisher ranch south of Big Spring, produced only "12 to 15 gallons per minute", insufficient for city needs. He was instructed to continue the search for additional water sources that might

serve until a lasting supply is provided.

A petition, signed by some 45 residents on E. 15th street, was submitted requesting that truck traffic in that area be regulated. The ban or truck traffic on Eleventh Place has resulted in their increased use of 15th street, the petitioners charged. No action was taken.

The commission also approved the form of contract to be made with developers which are sharing in the cost of sewer line extensions in the eastern section of town.

It approved three of four traffic control recommendations submitted by Chief of Police Pete Green.

The police chief has recommended parallel parking on the west side of Runnels between 4th and 5th streets and no parking on the north side of 5th between Main and Runnels. He also urged installation of stop signs at 4th and Lancaster, 4th and Bell, and 15th and Nolan with 4th and Nolan to be "through" streets.

The commission instructed that all the proposals be put into effect immediately, but suggested that recommendation for traffic signals at 2nd and Seury and 5th and Main intersections be given further study.

NAVY DENIES RACE DISCRIMINATION ABOARD AIRCRAFT CARRIER, SAIPAN

NORFOLK, Va., May 24. (U)—The Navy has denied a charge of racial discrimination aboard the carrier Saipan while it was in Charleston, S. C., last week end.

The Rev. Emmett A. L. Lampkin, secretary of a Negro YMCA in Charleston, made the charge. He said white enlisted personnel of the ship ate turkey at a party aboard the vessel Friday while Negro personnel had only hot dogs at a separate function in town the next night.

The Rev. Mr. Lampkin said he understood the food and "lovely courages" for hostesses attending the shipboard event were paid for out of the ship's recreation fund. Money provided by the ship for entertaining the Negro sailors, he said, was limited to one dollar a man.

The Negro seamen was held Saturday night by the Negro YMCA. The ship had been asked, he said, to help defray costs of this party and had replied it would "gladly share expenses to the limit of one dollar per man attending."

A spokesman for Atlantic Fleet Cmdr. William M. Fechteiler said last night the shipboard party Friday night was open to all hands, regardless of color. Some 700 attended, he said, and the cost came to about 27 cents a man, including food from the general mess and flowers for the girls.

He said an "exclusive" dance for

Abilene Youths Held In Iowa

RED OAK, Iowa, May 24. (U)—Two Abilene, Texas, youths, are held under \$5,000 bond on charges of threatening a deputy sheriff with a knife.

Sheriff George Christian said charges of robbery with aggravation were filed against lads listed as Frank Hamilton Merrill, 16, and Charles William Baile, 18.

Deputy Bill Gibson said he was called when the youths tried to cash a check for \$7 at a cafe Saturday. Gibson said one of the youth stuck a knife in his ribs.

They drove Gibson's car to a railroad grade and fled. They were captured later in a culvert.

Why the lowest-built car is best for you

Through the development of the RECESSED FLOOR, Hudson engineers have brought to you the priceless advantages of lowness which the industry has been striving for since the beginning of the automobile!

IN HUDSON, the recessed floor ("step-down" design) brings space between front members, which is wasted in other cars, into the passenger compartment. This results in America's LOWEST center of gravity (and full road clearance), with providing more head room and seating room than any other car.

IN OTHER CARS, the floor is on top of the frame, so the vital space between frame members is not available for passenger use. The result is a HIGHER center of gravity and either a high roof line or insufficient head room. Seats are narrower, passenger space is reduced.

HUDSON
Most Room! Best Ride! Safest!

Hudson's new way to build automobiles results in America's lowest-built car. It means new beauty and true streamlining. It provides full road clearance and more room than in any other car at any price. It creates the lowest center of gravity in any American automobile and, therefore, the only real bug-the-road ride—safer, smoother than ever before!

Before choosing your next automobile, we cordially invite you to take "The New Step-Down Ride," and see for yourself how much you gain from Hudson's exclusive "step-down" design with its recessed floor.

ONLY CARS WITH "STEP-DOWN" DESIGN • NOW ... 3 GREAT SERIES • LOWER-PRICED PACKAGER • FAMOUS SUPER • CUSTOM COMMODORE

Mrs. Pat Amaon Is Honored At Gift Tea

Mrs. Pat Amaon was complimented with a gift tea in the home of Mrs. Carl Coleman, 1904 Ruthless, Tuesday evening. Cohortesses at the affair were Mrs. Travis Carlton, Mrs. J. C. McWhorter, Mrs. Carl Coleman and Mrs. Avery Falkner.

Those attending were Betty Collins, Mrs. J. B. Collins, Mrs. C. R. Nunley, Mrs. H. W. Berryman, Mrs. Joe Elrod, Mrs. S. E. Smith, Mrs. Levey Eason, Mrs. Vernon Baird, Mrs. Dan Conley, Mrs. Schley Riley, Mrs. James B. Frazier, Mrs. Derward Lewter, Mrs. Charles Wasson, Beth McRory, Mrs. Allen Bryan, Mrs. J. C. Rogers, Mrs. Gilbert Gibbs and Ann, Mrs. Louis Thompson, Mrs. Louis Gene Thompson, Mrs. Bert Brewer, Mrs. Jack Wallace, Mrs. Cecil Richardson, Mrs. Roy Brown and one guest Mrs. Beeman of Dallas, mother of the honoree.

Pink and blue colors were used in the decorations and refreshments. The tea table was laid with a lace cloth and centered with an arrangement of pink and blue flowers. Crystal and silver appointments completed the table setting. Gifts were presented and displayed.

Declamation Given At Beta Sigma Phi Meet

Jo Miller presented the program which was a declamation entitled, "Unaware," by Emma A. Lent at the meeting of the Omicron chapter of the Beta Sigma Phi at the Hotel Settles Tuesday evening. Delore Brooks presided during the business session in the absence of Adelyn Marek, president. Discussion was held concerning the 1950 convention to be held in Fort Worth, and the donation of \$200 toward a civic club house.

Announcement was made that meetings will be held in the homes of club members during the summer months. Alta Mae Bettie will entertain the group July 11, and

Dorothy Hall Is Sorority Hostess

Dorothy Hall was hostess to a meeting of the Exemplar Chapter of Beta Sigma Phi Tuesday night.

During the business session committee chairmen were appointed. Mattie Bell Tompkins will serve as program and membership chairman, Pat Dobbins will be social chairman, Marguerite Wooten, publicity, Clarinda Harris, ways and means, Edna Womack, service chairman.

The group adopted the project of furnishing clothes for an underprivileged child.

Clarinda Harris presented the program on "Interesting Facts About England."

Delores Heith will serve as sorority hostess, August 8. Each fourth Tuesday of the summer months will be reserved for a social night.

Betty Nabors will present the program at the next meeting in the home of Faye Morgan, June 13.

Those present were Alta Mae Bettie, Delore Brooks, Frances Cooper, Tressa Crabtree, Bobbie Green, Delores Heith, Lucille House, Patti McDonald, Jenny Miller, Faye Morgan, Pauline Morris, Margaret Murdoch, Betty Nabors, Frankie Nobles, Mary Reed, Billie Jean Rowe, Mary Alice Clusey, Melba Douglass and Wilda Watts.

Rev. Bowman Speaks To Garden City Class

GARDEN CITY, May 24 (Spl)—The Rev. R. L. Bowman delivered the sermon at the Baccalaureate service of the high school senior class. Special music was the singing of "Make Me A Channel of Blessing" by a trio consisting of Phil Smith of Big Spring, Mrs. A. C. Durrant and Mrs. Bill Currie.

The Rev. Anthem Wade gave the invocation and Mrs. Clyde Berry pronounced the benediction. H. L. Lovell gave the scripture reading and announcements were made by Supt. C. G. Parsons. Mrs. R. Ricker was at the piano.

Graduating seniors are Jack Berry, Johnny Cline, Charlie Cunningham, C. B. Fisher, Wilma Dean O'Bannon, Neal Hughes, Edward Weyman and Prince Ricker. Ushers were Barbara Currie, Alison Cunningham, Troy Cline and Mildred Hardy.

RIBBON RAMBLINGS

By Mildred Young

Those of you who saw the movie, "The Key To The City," Sunday or Monday, would have probably thought that the setting was Big Spring, if the San Francisco Golden Gate had not been so obvious.

The likeness we're talking about was the number of conventions which poured in and out of the city. Quicker than hotel managers could tear down one welcoming banner, another group arrived.

Now, Big Spring may not be rating as large conventions at San Francisco, but it has had its share in number since about April 1st, what with Chamber of Commerce managers, federated club women, the American Legion and some others.

As of last night, we have another—the Northwest Texas Methodist conference which officially opened at 10 o'clock this morning. However, this one will bring a number to town which should far surpass the others. By Sunday afternoon when the conference closes, some have estimated that there may be around 1500 people in attendance.

Incidentally, we have another pretty good sized gathering on the way in August—the Texas Home Demonstration Clubs.

Along with extending our welcome to the Methodist delegates, we would also like to send along our congratulations to local graduates who will be getting diplomas this week, both at home and away from home. Eighth grade graduation is scheduled for tonight in the municipal auditorium and high school graduation is set for Thursday night.

Talking about out-of-town people being in the city, one of the Fort Worth delegation, Boyce House, just walked into the office. Here we were thinking how early it was to be up, too. We're usually drinking coffee at the hour we're writing this today's column, but we haven't made it as yet, but we have a third on these ramblings. Incidentally, if you meet us on the street after this goes to press, we'll probably still be willing for you to buy us a cup.

Marriage Is Told

Announcement is made here of marriage of Ioma Tatum of Grapevine and Vernon F. Heard, Big Spring, in the chapel of the South Side Church of Christ in Fort Worth Monday evening.

The bride is the daughter of Mr. and Mrs. Tom Tatum of Grapevine. The bridegroom is the son of Mr. and Mrs. V. W. Heard of Big Spring.

Robert C. Jones, minister of the Church of Christ, read the informal nuptial rites as the couple pledged their vows before an altar banked with arrangements of white gladioli and lighted cathedral tapers in upstanding candelabra.

Jacky Halbrook, soloist, sang "I Love You Truly." For her wedding, the bride chose an ankle-length gown of white lace over satin. Her illusion veil cascaded from a tiara studded with seed pearls. She carried a cascade bouquet of white carnations and gardenias.

Peggy Hardy served as maid of honor. Paul Piffle was best man.

Following an informal reception, the couple left for a short wedding trip to Mexico. They will be at home in Odessa.

Ladies Elk Lodge Organizational Plans Scheduled

Organizational plans for a Ladies Elk lodge will be launched at the VFW hall Thursday evening at 8 o'clock, under the supervision of Mrs. Monty Watkins, supreme deputy of the grand lodge of BPOE.

Purpose of the organization is to promote social activities among Elk families, to further benevolent and civic work in the community, cooperate with the Elks in charity and social work and to cooperate in teaching patriotism in the community.

Membership is open to wives, mothers, daughters, sisters and widows of all Elks in good standing or who were in good standing at the time of their deaths.

Barbecue Is Held In Vineyard Home

Members of the Spoudario Feta entertained their husbands with a wieners barbecue in the home of Mr. and Mrs. George Vineyard, 1402 Main, Tuesday evening.

Announcement was made that a called meeting will be held in the home of Mrs. Vineyard Thursday afternoon at 3:30 o'clock.

Those attending were Mr. and Mrs. Wally Slat, Mr. and Mrs. J. F. Neal, Mr. and Mrs. Stanley Peurifoy, Mr. and Mrs. Bill Davis, Mr. and Mrs. M. J. Chisholm, Mr. and Mrs. Jimmy Johnson, Mr. and Mrs. Andy Arcand, Mr. and Mrs. Tommie Elliott, Mr. and Mrs. James Jones, Dr. and Mrs. Cullen Chapman, Mr. and Mrs. Joe Williamson, Mr. and Mrs. Ray Clark and one guest, Mrs. Horace Battefeld.

Lodge Accepts New Members Tuesday

Membership applications were accepted for Ray LaCourse, Elsie Hamby and Ira T. Cook and Daisy LaCourse at the meeting of the John A. Kee Rebekah lodge in the Carpenters hall Tuesday evening.

Announcement was made that the lodge will not meet next Tuesday evening, but will meet for a box supper with the Odd Fellows in the Carpenters hall Monday evening at 8 o'clock.

Those present were Mae Darrow, Jean Harris, Jo Baker, Hesse Lamar, Mr. and Mrs. W. C. Cote, Ben Miller, Ollie Anglin, Tula Reeves, Lucile Brown, Eula Lee, Leta Metcalf, Lil Stevenson, Beatrice Vierrage, Grace Martin, Emma George, Jones Lamar, Mr. and Mrs. Leon Cole, Pearl Mann, Viba Cormas, Delores Williams, Mr. and Mrs. Robert Winslow and Fern Polneck.

MENU FOR TOMORROW

WEEKDAY DINNER

Smothered Veal Chops
Mashed Potatoes
Succotash
Bread and Butter
Spiced Nuts
Beverage

Method: Sift together flour, sugar, salt, ginger and cinnamon. Cut in butter or margarine until mixture resembles cornmeal. Stir in molasses and nutmeats. Shape into balls of hickory nut size. Bake on ungreased cookie sheets in moderate (350 F.) oven for 15 minutes or until lightly browned. Remove from cookie sheets and while warm roll in sifted confectioners' sugar. Cool. Roll again on confectioners' sugar. Store in tightly closed tin box. Makes about 40 cookies.

Mrs. Herbert Love Leads Bible Class

Mrs. Herbert Love brought the lesson study, "Paul Among the Gentiles," from Acts 18 at the meeting of the Ladies Bible class at the Church of Christ, East Fourth and Benton.

Attending were Mrs. F. L. Elykins, Mrs. David Elrod, Mrs. W. D. Rowland, Mrs. C. L. Bruton, Mrs. Z. D. Tarver, Mrs. Dave Carter, Mrs. J. W. Elrod, Sr., Mrs. Grace Hughes, Mrs. Aaron Damron, Mrs. Harry Montgomery, Mrs. U. G. Powell, Mrs. Maurice Griffith, Mrs. Roy Carter, Mrs. R. H. Miller, Mrs. Joe Elrod, Mrs. Stanley Peurifoy, Mrs. Gladys Davis and Mrs. Bill Montgomery.

Approximately ten children were in the nursery class held simultaneously with the Bible class.

Mrs. Gibson To Present Recitals

Mrs. S. H. Gibson will present her pupils in a varied musical recital in the high school gymnasium Friday and Saturday evening at 8:15 o'clock.

The programs will consist of piano, voice, violin, accordion, guitar and expression numbers. The recital performances will be entirely separated and will not include the same selections.

The public may attend the recital.

Coahoma Seniors Leave On Vacation Trip; New Orleans Visit Highlight

COAHOMA, May 24 (Spl)—The Coahoma high school seniors left this morning on the traditional senior trip. Graduation exercises were held last night. The group is traveling by train to New Orleans, La., where they will spend most of their five day trip. Sight-seeing plans include a boat trip on the Mississippi River the second

day and a bus trip to Biloxi, Miss. the third day.

Coahoma seniors making the trip are Margaret Stamps, Jane Echols, Rosalie Appleton, Darrell Barbee, Norma Jean Barr, Richard Bartlett, Bill Bennett, Wade Chote, Ivan Conner, Edwin Dickson, Dena Hale, Millburn Hoover, Joyce Nixon, Alene Pierce, Paul Van Shedy, Wendel Shive, Max Thomas, Jo Nell Tindol, Wayne White, Lia Lee York, A. W. Wilson, class sponsor, Mrs. A. W. Wilson, class sponsor, Mrs. Leroy Echoja, Mrs. H. L. Stamps, Joyce Bell and Carlene Clary.

Highlight of the slumber party of the Coahoma Chapter of Future Homemakers was the business session at 3 a. m. The party was held Friday night in the gymnasium.

Rebekah Lodge Holds Initiatory Services

Candlelight initiatory services were held for five new members at the meeting of the Big Spring Rebekah lodge in the IOOF hall Tuesday evening.

Those initiated were Oia Jacobs, Robbie Jones, Louise Johnson, Cindy Brashers and Emmett Hull. Applications for membership were accepted for Nan Brownfield, and Beulah Vanauker.

Plans were completed to entertain with a tacky party in the IOOF hall Tuesday evening, May 30. There were 48 persons present.

Roger Brown Receives Current Event Award

Roger Brown was awarded the John Palmer Davis award for maintaining the highest grade in current events in his class during the eighth grade assembly program in the school auditorium Friday morning.

The award is sponsored by the American Education Press and is awarded to current event students each year. During the assembly hour, Walter Reed spoke on "The Value of Current Events," prior to the award presentation.

FULL WHITENING POWER! YET PUREX IS GENTLE TO COTTONS AND LINENS -DEFINITELY Milder!

Purex is safe—yet no other bleach does a better whitening job!

Purex whitens your wash with gentle Controlled Action. Scientists say it has "a lower oxidation potential." That simply means: Purex is milder—milder and safer for your cotton and linen fabrics.

Avoid the costly results of harsh bleaching!
Harsh bleaching weakens threads. Cloth grows weak, wears out too soon. Why throw away money, when you can use Purex? Its special safety factor makes it milder for all your white and color-fast wash.

GUARANTEE
We guarantee that Purex, used as directed, will let your cotton and linen fabrics last fully as long as if no bleach were used.

A "BEAUTY BATH" FOR YOUR KITCHEN!
Pour a little Purex full strength on drainboards. Spread with wet cloth. Wipe stain. Appliances enamel with some cloth. Rinse. Leaves kitchen sweet, bright, sanitary!

Big Ten Will Study Rose Bowl Pact

CHICAGO, May 24, (U. P.)—Renewal of the Rose Bowl football contract, which has been under fire from some quarters since it was signed in 1946, will be studied by Big Ten faculty men tomorrow.

Their first consideration will be whether or not to continue the series, which ends under the present pact with the playing of the 1951 game.

If the majority of Big Ten schools want a renewal, a committee will be appointed to confer with Pacific Coast Conference officials on revisions.

Perhaps the policymaking faculty fathers will not deem a bare majority sufficient agreement to go ahead. They may want a clear-cut majority. It may not be forthcoming.

A vigorous foe of the pact, which has made the Rose Bowl a family affair between the Pacific Coast and Western Conference, has been President J. L. Morrill of Minnesota. It is reliably reported he has picked up some new followers.

Morrill supported Michigan State's successful bid in becoming a conference member. The Spartans are eligible to vote in the matter, although they will not play as a conference football member until 1953. Whether Michigan State, under the circumstances, will back Morrill is conjectural.

The vote was 7 to 2 in favor of signing the contract in November 1946. Minnesota and Illinois cast negative ballots. Since 1946, there have been several changes in university presidents as well as faculty representatives in the Big 10. Their stand on renewal has not been defined.

Although Illinois, Michigan, Northwestern and Ohio State swept to victories over Pacific Coast opponents in the last four bowl engagements, the record is not incentive for unanimous Big Ten sentiment for renewal.

If the conference decides to continue, some sort of compromise will have to be worked out with the Pacific Coast. The three-year clause, which prohibits a Big Ten team from making the Pasadena trip more than once in this period, probably will be reduced to one Pasadena appearance every two years. The Pacific Coast sends its champion annually.

There are other details which are due for adjustment—such as ticket distribution. Big Ten Rose Bowl teams think they are entitled to more than the 10,005 or so ducaes they receive. They want at least 20,005.

Corpus Widens Valley Lead

By The Associated Press

Corpus Christi and Harlingen moved off by themselves in the Rio Grande Valley League last night. Corpus Christi broke a virtual tie for first place with Harlingen by winning both games of a doubleheader from Laredo. Harlingen topped a 16-hit Laredo attack. Petchow's circuiter came with the bases full.

Brownsville and McAllen split a doubleheader. The Charros won the first game 5-3 with McAllen taking the afterpiece 4-2.

Chapman Scores Easy British Golf Victory

ST. ANDREWS, Scotland, May 24, (U. P.)—Sharp-shooting Dick Chapman of Pinehurst, N. C., won his morning match easily today in the third round of the British Amateur Golf Tournament.

He bested Britain's W. E. Whitelaw 6 and 5, taking only 13 putts on the first nine holes. That was enough to ensure victory.

The American went 5 up on the 12th with a birdie 3 and won on the 13th green with a par 4.

An east wind blew strongly from the sunny North Sea.

James McHale Jr. of Philadelphia, a member of the last U. S. Walker Cup team, progressed through the third round with a 4 and 2 victory over F. H. Crisp of Scotland, despite two three-putt greens. He did not lose a hole.

Ed Gravelly of Rocky Mount, N. C., playing his first match after drawing a bye and a scratch in two earlier rounds, easily disposed of Earl Mulheed of Ireland, 6 and 5.

Ted Bassett of Rye, N. Y., became the day's first American casualty when he bowed to B. J. Armstrong of Britain, 7 and 5.

O'Daniel Reported Seeking Radio Time

PORT WORTH, May 24, (U. P.)—W. Lee O'Daniel is reported negotiating for a series of half-hour Sunday afternoon programs on Radio Station WBAP.

A salesman for the Star-Tel-gram radio station, A. G. McDaniell, said he was negotiating with O'Daniel, former governor and senator.

O'Daniel would not say if he wanted the time for political or commercial use.

Considerable speculation that O'Daniel plans to run for governor persists.

THE UMP GOES DOWN—Umpire Bill Stewart spraws head first after tripping over the outstretched foot of New York Giants third baseman Hank Thompson in New York. The spill came in fourth inning of first game of Giants-Cincinnati Reds doubleheader when Red Northay (right), Reds' right fielder pulled up at third base after a single to right. Thompson took the throw in. At left is Reds' coach Tony Cuccinello. Giants won 8-2. AP Wirephotos.

LOOKING 'EM OVER

With Tommy Hart

It's possible Francisco (Pancho) Perez, the handsome righthander who won 21 games for Big Spring two years ago, may again be hurling for the Steeds in the near future.

Perez has won three decisions, lost none in Big State (Class B) league play but he and Homer Peel, the Twins' boss, don't hit it off any too well off the field.

Pancho, who reportedly has approached his 1948 form this year, says he'd like to play with Pat Stasey and Company again.

Stasey is also angling with the Lufkin club of the Gulf Coast league to get Al Valdes back here. If Al comes, Manny Junco would have to go to Lufkin.

Pat isn't dissatisfied with Junco's backstopping. In fact, he thinks Manny has shown a world of improvement in the last couple of weeks and, over the long haul, will outpitch Valdes by quite a bit.

However, Valdes is peevish when it comes to working hurlers and such a man is needed desperately here. Pat feels that Al can straighten out the local mound corps, if anyone in baseball can.

Down at Lufkin, Valdes is playing rightfield, a position strange to him. Junco is much more at home in the garden than is Al.

ROOKIES FAIL CLUB AT CRUCIAL PERIOD

The Big Spring club ran into difficulties early this season because its rookies didn't come around, as they did in other years.

The stepper is disappointed in Bobby Gonzales, the left fielder who can't get his timing down. But, he asks, where are you going to find a rookie at this stage of the game who can fill the bill?

JORGE LOPEZ ALWAYS HAS TEAM AT HEART

Personable Jorge Lopez, the team's second sacker, gains more supporters as the season progresses.

Reliable in the field, Lopez is slowly regaining his batting eye, should be one of the toughest men in the league to get out in six weeks.

Stasey considers him one of the most valuable men ever to play here for a number of reasons.

He's the Cuban boys' diplomat, interprets for them at restaurants, even accompanies them to the barber shop to supervise their haircuts.

Pat also likes him for his spirit and will to win. He puts the team's interests ahead of his own, which is a rare thing in this day and age.

Following Monday night's game here, after Bert Garcia had missed his no-hitter by relaxing in the ninth frame, Lopez ran into this writer on his way from the park and said:

"How you like tonight's game, eh, Tommy?"

To which we replied, "That kind we like. It was tough Garcia had to lose his no-hitter, though."

"Yeah," said Jorge, "but we won," indicating that was what really mattered. How right he was.

Nelson Shoots 68 In Tune-Up

PORT WORTH, May 24, (U. P.)—The full field of 36 players is due to fire final tune-up rounds today for the \$15,000 Colonial National Invitation Golf Tournament.

The tournament opens tomorrow with the first 18-hole round. It will end Sunday.

Byron Nelson, former National Open champion and in virtual retirement for five years, shot a two-under-par 68 over the 7,985-yard Colonial Country Club course yesterday.

This is one of the three tournaments Nelson plays each year. He farms at Roscoe, Texas.

His score was matched by Jimmie Demaret of Ojai, Calif., Harry Todd of Dallas had a 69 and Skip Alexander shot par 70.

Tournament favorite Ben Hogan turned in a 71 as did National Open champion Cary Middlecott.

Sam Snead, the year's leading money-winner and one of the favorites did not arrive in time for a practice round.

Jesus Uley Blanks Angelo Colts With Five Safeties

Concepcion And Junco Shine

SAN ANGELO, May 24—For the first time since April 29, the Big Spring Broncs have been able to win two Loughorn baseball games in a row.

Such occurred when Jesus Uley, a little known rookie who has been used chiefly in relief roles to date, set the San Angelo Colts down with five hits and shut them out, 4-0, here Tuesday night.

In slowing the Colts, Uley out-pitched one indie Beltran, purchased recently from Robstown of the Rio Grande Valley league, referred to by some as one of the best mound prospects in Class D baseball.

Beltran was impressive, alright, but not nearly so outstanding as Uley, who gave up not a bit in the late five frames. Jesus was given grand assistance by his mates, who executed a pair of double plays and roamed far and wide to accept fielding chances.

In only one inning—the second—did the Colts solve Uley's offerings for more than one hit. Steve Follett and Chet Karger singled in that inning but an amazing double play started by Jorge Lopez on what appeared a certain blow chilled the rally.

Concepcion opened the game with a double and scored for the Broncs on a single by Felix Gomez.

The Hossees added tallies in the third when Elpidio Hernandez doubled, moved to third on Uley's single and scored on a wild pitch. Uley then went to third on a balk and was plated on a one-baser by Manny Junco.

Junco rubbed salt into Beltran's wounds when he tripled in the eighth to tally Gomez, who had reached first on a fielder's choice.

The contest was ripped off in one hour and 45 minutes. A crowd of 2,168 moaned through the proceedings.

The two clubs play here again tonight, after which the Broncs move on to Sweetwater for two contests.

Cats Open Up With Base Hits To Win, 7-4

By HAROLD V. RATLIFF
AP Sports Editor

The Fort Worth Cats, called "good run, no hit" by Texas League rivals who have forecast they won't stay on top with that unbalanced combination, showed last night they could clout the ball when necessary.

The Cats pounded 13 safeties, including some long-distance smacks, as they clubbed Oklahoma City 7-4 and increased their lead to five and one-half games. They threw in some pointed base running, too, with three stolen sacks.

Tulsa lost ground in second place by dropping won its sixth straight game by thumping Beaumont 6-3 while Houston sank deeper into the cellar by losing another one-run affair. San Angelo licked the Buffs 6-5 in 10 innings.

Ray Moore notched his fifth straight pitching victory for Fort Worth although he had to be relieved in the seventh. He pitched in with a homer before going out. Tulsa's runs came on circuit smashes by Bob Lemon and Fred Marsh.

Bob Buhl did a fine job of relief pitching in Dallas' triumph over Tulsa. He came in to put out a spirited Tulsa fire in the ninth. Dallas bunched two hits and two walks for all its runs in the third inning.

George Brown's homer with two on figured most prominently in Shreveport's victory over Beaumont as Howie Auman hung up his fifth pitching triumph although needing help in the ninth.

Houston outdid San Angelo 12-6 but couldn't get them at the right time. Procopio Herrera took over in the eighth and received credit for the victory.

Tonight Oklahoma City is at Dallas, Beaumont at Houston, Tulsa at Fort Worth and Shreveport at San Angelo.

Knapp Invades Welch Sunday

Only one Tri-County baseball league game is scheduled for next Sunday, Knapp invading Welch for an afternoon joust.

The other three teams agreed at the time the schedule was drawn up to take a holiday on that day because of interference with school activities.

On June 4, Welch will go to Ankerly while Howard County Junior college takes on Coshoma in Coshoma.

Knapp remains undefeated after three league starts. Indications are it is going to take a very solid club to beat the Lions.

Meet Starts June 13

EL PASO, May 24, (U. P.)—Golfers from 60 Texas towns are expected June 13-18 for the Women's West Texas Tournament. Mrs. Frank Goldthwaite of Fort Worth is champion.

LONGSHOT WITHDRAWN

LONDON, May 24 (U. P.)—The field for Saturday's derby at Epsom Downs was cut to 26 today when the Gaekwar of Baroda withdrew Princes Choice, a 100 to 1 shot. The Indian prince will be represented by Babu's Pet, another 100 to 1 longshot.

TIGERS WIN

Nako Fashions No-Hit Game

COAHOMA, May 24—Gus Nako pitched an impressive no-hit, no-run game as the Big Spring Tigers thumped the Coahoma Bulldogs, 10-0, in a seven inning baseball exhibition played here Tuesday afternoon.

Nako issued five bases on balls and two other Coahoma players reached first on misplays.

The Tigers gave Nako good support, ringing up four runs in the initial frame on as many hits at the expense of Jimmy Ward.

Wildlife Parley Set For June 1

The board of supervisors of the North Concho River Soil Conservation District has scheduled a meeting to discuss wildlife as related to conservation ranching at 8 p. m. June 1 at the Sterling County courthouse.

Phil Allan, regional biologist with the Soil Conservation Service, will lead the discussion.

Allan keeps well grounded on wildlife improvement by working with district cooperators in the four-state region of Arkansas, Louisiana, Oklahoma and Texas. He recently spent two days in the North Concho River Soil Conservation District making a study of food and cover and other conditions which affect wildlife.

The district supervisors recognize a need for wildlife improvement; however, they believe that ranchers and farmers need to determine first the capability of the land for wildlife production and record the relationship between range condition and increased wildlife numbers. All people interested in wildlife are invited to attend this meeting.

WADLEY TO ROBY

ABILENE, May 24, (U. P.)—Leroy (Ab) Wadley of Pecos has been named head coach and baseball coach and assistant football coach at Roby High School.

With initial business sessions behind, Methodist delegates this evening will pause to hear the first of a series of sermons by Dr. Robert E. Goodrich, Jr.

McGRATH CAN'T SCARE 'EM ALL

WASHINGTON, May 24. — Not all crooks are scared of Atty. Gen. J. Howard McGrath, who can whistle up droves of straight-shooting FBI agents whenever he wants.

Two Potentials Are Filed For Reinecke Area

Two official potentials have been filed for the Reinecke area of southeastern Borden county.

Livernore No. 2 Reinecke an east offset to the discovery rated 3,888.56 barrels of 46.2 gravity oil. This was less than the Livernore No. 1 Whitaker, a south offset.

Board and committee reports and addresses by connection men will be featured in the 2 p. m. business session.

From 2 to 5 p. m., a tea honoring Mrs. W. C. Martin and wives of the district superintendents will be held in the home of Mrs. Cecil McDonald, 608 Washington.

At 6 p. m., ex-students of McMurry will have a banquet in the Settles hotel.

Dr. Neal Cannon, pastor of Polk Street Methodist church, Amarillo, will preside during the 8:15 p. m. worship service.

CHURCH

was a remarkable parallel to the net membership gain.

During the year a total of 17 new churches were raised at a cost of \$1,011,000. Nine parsonages were added at an investment of \$130,000.

Total of all gifts during the year stood at \$4,129,823, a gain of \$750,000 over the preceding year.

Leaders were the Perryton district with \$715,100 per capita and the Sweetwater district with \$62,000.

Calling to the ministry is applicable today as in Christ's time.

Among those honored in the service were Alan Harvey-Brooks, Abilene; J. R. Williamson, Abilene; J. S. Johnson, Pueblo, Colo.; M. S. Leverage, Corpus Christi, Tex.; H. Trafford, Riverside, Calif.; A. Duncan, Brownfield, and Mrs. Crandall.

Two transfers into the conference were announced. S. M. Bean comes from Missouri conference and Charles Cook from the Central Texas conference.

Dr. Harold Cook announced attendance at the McMurry banquet, set for 6 p. m. Thursday at the Settles would be limited to 250.

At the opening session, the Rev. Alse Carleton, pastor of the First Methodist church, and Dr. P. D. O'Brien, First Baptist pastor, extended the welcome to delegates.

Immediately after opening the conference, Bishop Martin and his cabinet (of district superintendents) conducted communion services.

Adolph Swartz, president of the local chamber of commerce, presided at the informal gathering, while the visitors were welcomed to Big Spring by Major G. W. Dabney.

The Fort Worth delegation visited Big Spring as part of a two-day tour of West Texas cities along highway No. 80.

Wolf Returns With Stolen Automobile

While a west offset to the discovery well of the Wilson pool failed to show much response Wednesday, a north offset definitely looked up.

Tidewater No. 1 Morgan Coates, 600 feet out of the southeast corner of section 13-27, H&TC, topped the reef at 7,428 feet.

On a drillstem test from 7,416-40 feet, gas was to surface in five minutes, oil in 39 minutes.

Barnsdall No. 2 Wilson, one location west of the discovery and 4,800 feet from the east and 600 from the north lines of section 16-27, H&TC, deepened and swabbed perforations from 7,460-66 feet for 12 hours.

Ray Dabney, Doris Ann Daniel, James Day, Judith Douglas, Norman Dudley, Don Dunbar, Billy Earley, Beverly Edwards Jimmy Don Ellison, Wanda Marie Ely, Pat Everett, Jim Farmer, Kirk Faulkner, Jimmy Fierro, John Finley, Dick Fort, Angel Franco, Shirley Franks, Travis Fryar, Anita Owen Gafford, Daury Dea Garrison, Donald Dean Garrison, Billy Gilbert.

Three Local Students Among Graduates At McMurry College

ABILENE, May 24.—Three students from Big Spring were among seniors who participated in commencement exercises Monday at McMurry college.

R. B. Anderson, chairman of the state board of education, was the commencement speaker.

Diplomas or certificates were awarded to 135 seniors.

Both cars were badly damaged as was another auto which struck a high line pole at 2100 Gregg about 10 p. m. yesterday.

No Fire, It's Just A Test For Leaks

What some persons thought was a major fire at the Tucker & McKinley Grain elevator here yesterday turned out to be one of the "extra" services given by the local fire department.

Firesmen were spraying water from their 200-gallon pump truck on the new steel grain storage tanks as a test for leaks.

Herald Employees Honored At Picnic

Two employees of The Herald were named bone guests at a picnic held by the newspaper personnel on Bonita Mountain Tuesday evening.

Wolf Returns With Stolen Automobile

Shonit Bob Wolf returned last night from Harlingen, where he picked up a car stolen from the showroom of the Shroyer Motor company here about ten days ago.

North Offset Appears Good

While a west offset to the discovery well of the Wilson pool failed to show much response Wednesday, a north offset definitely looked up.

Tidewater No. 1 Morgan Coates, 600 feet out of the southeast corner of section 13-27, H&TC, topped the reef at 7,428 feet.

On a drillstem test from 7,416-40 feet, gas was to surface in five minutes, oil in 39 minutes.

Former Resident Dies In Baird

Local friends have learned of the death in Baird Tuesday of Charles J. Redwine, retired railroad engineer who lived here for a number of years.

Redwine, who ran a hotel in Baird until the time of his death, passed away at 3:10 p. m. yesterday after an illness of a year.

Funeral rites will be held at 2 p. m. Thursday at Wylie's Funeral Home chapel in Baird and burial will take place in the Ross cemetery with the Masonic Lodge in charge of graveside services.

He is survived by his wife, the former Irma Butts, of Big Spring. Active in union affairs here, Redwine retired from railroad service in 1943. He was an engineer on the "Sunshine Special" for about 26 years.

He later purchased the Rock Hotel in Baird, which he has operated since. He held membership with four lodges in Texas.

In addition to his wife, he is survived by three children by a former marriage; H. H. Redwine of Fort Worth; Mrs. Grace Mitchell of Fort Worth; and Mrs. Minnie Goff of Sweetwater; three grandchildren and six sisters.

While in Big Spring, he resided at 409 Ayford street. A number of local residents will go to Baird to attend last rites.

Ex-students of two Methodist colleges will hold reunion meetings here during the Northwest Texas Methodist conference, which opened today.

Former students of McMurry college, Abilene, have scheduled a dinner meeting at 6 p. m. Thursday in the Settles hotel, while ex-students of the Texas Wesleyan college, Fort Worth, will meet at a breakfast session at 7 a. m. Friday in the Crawford.

Sam M. Braswell, business manager, and Miss Ernal Smith, director of religious education, are representing Texas Wesleyan college at the conference and they will meet with that school's ex-students.

The Rev. Alse Carleton, First Methodist pastor here, will be in charge of the McMurry ex-students' gathering. Dr. Harold G. Cooke, president of McMurry, is scheduled to attend the reunion.

One Week Left To Make Payments On School Taxes

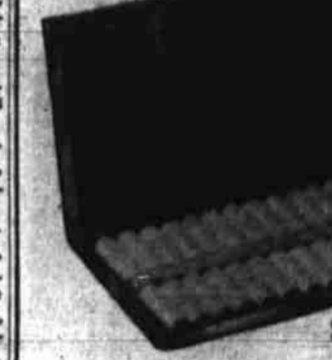

Taxpayers of the Big Spring Independent School district have only one week left today to make payments on last year's assessments before an additional penalty of one and a half percent becomes effective.

J. O. Haggood, school tax assessor-collector, said collections to date amount to 94.4 percent of the roll, but there still is approximately \$18,000 outstanding. The new penalty which goes into effect June 1 will make a total of seven and a half percent in penalties and interest.

Haggood suggested that persons who have not paid taxes telephone the office where they can learn the exact amount they owe, in some instances that procedure will save extra trips to the office if was explained.

Gambling Places In Texas Are Cleaned Up, Card Expert Says

By WILLIAM C. BARNARD
Associated Press Staff

"Texas gambling places have been cleaned up some of the last couple of years," said Michael MacDougall, a man nationally known as "the card detective."

"By this," he went on during a recent visit to Texas, "I mean that some of the gambling places in

this state are operating a little more honestly than they used to—relying more on the odds—which are always in their favor—and resorting less to loaded dice, marked cards, crooked dealing and controlled roulette wheels."

Mike MacDougall, a stocky, bright-eyed grey-haired and very energetic man, is one of the most expert card-manipulators living. He knows every trick. While looking you in the eye, he can "stack" a new deck of cards, shuffling so that he will get all the aces—or any other cards he wants. It won't do you any good to cut the cards when he is through, either.

He makes his living lecturing and by detecting card cheats. In many cases, swanky clubs have hired him to "sit in" on card games where one of the club members was suspected of cheating. For MacDougall such detective work is a cinch.

He stopped a \$3 million gin run-

my swindle in Hollywood and in Florida he exposed a man who had won \$73,000 by cheating. The losers got their money back.

Of gambling places, MacDougall said: "A gambling house may operate on the square for two or three months at a time and then it may start using crooked dice and cards and start controlling the roulette wheel. Most of the cheating is done when business is bad. When customers flock in, the house can get by just by taking advantage of the odds in its favor."

"But here's something to remember. When you go to a gambling house where you can buy 96 steaks for two bucks, you can figure that the place isn't on the square with its cards, dice and roulette. It's been making up the cost of those steaks in its gambling room."

MacDougall thinks relative few gambling places operate "on the square" at all times, except in Nevada.

Stock Auction Yards Due For Govt. Control

WASHINGTON, May 24 (AP)—Despite protests from the Texas Livestock Commission and Sales Association, the Agriculture Department plans to extend its control over livestock yards.

M. J. Cooke, head of the Production and Marketing Administration's livestock division, met yesterday with Max Lindeman, president of the commission and sales association; Givens Parr, banker, and Ed Lloyd, attorney, all of Alice, Texas.

Lindeman estimated two-thirds of the 194 independent livestock yards in Texas affiliated with his association would be affected. He said that the department wanted to put yards covering 20,000 square feet or more under regulations applying to larger yards which handle cattle for interstate shipment.

The Texans said Cooke told them regulations would provide more protection for both buyers and sellers.

Charred Body Found Near San Antonio

SAN ANTONIO, May 24 (AP)—A charred body, identified as that of Mrs. Mayme Moore, 51, was found last night in a burned house 12 miles south of here.

Sheriff's deputies said a .38 caliber revolver was found near the body.

Justice of the Peace Jerry Bacon said a coroner's verdict was being withheld.

Mrs. Moore was a nurses' instructor at Baptist Memorial Hospital for 12 years. She went on a year's leave of absence last September because of health.

Fire broke out shortly after a small explosion was heard by Mrs. L. G. Bennett, a neighbor.

"... And remember—if any customer pronounces them 'tomAhtoes', charge 'em 5c extra per pound ..."

BOARD PRESIDENT STATES

School Additions Are People's Will

New additions recently completed and other proposed expansions to school facilities here represent a will of the people to provide each child with an opportunity to attend school on full-day schedule, visitors at the College Heights school were told last night.

The speaker was Marvin M. Miller, president of the school board, who made the dedicatory address at the formal opening of eight new class rooms at College Heights.

Construction work and expansion to school facilities developed from planning by the school board and the administration, but most of all it stems from a desire on the part of citizens to give their children the best public school education possible, Miller declared.

The board president said the new High school building, gymnasium and vocational building now being planned represent "the will of the people" and he predicted that citizens of the school district would want additional elementary schools in the future.

Dewey Martin, board vice-president, presided at the dedication ceremony. Mrs. Clyde Thomas Jr., president of the College Heights P-TA, expressed appreciation for the new class rooms and pledged the cooperation of the P-TA organization in working for school improvements.

W. C. Blankenship, superintendent of schools, commended the teachers and parents of College Heights, and expressed appreciation for the attendance of visitors.

All members of the school board were introduced, and John B. Hardy, College Heights principal, introduced the teaching staff.

A mixed chorus of sixth and seventh grade pupils appeared on the program and the invocation was given by the Rev. R. Gage Lloyd.

Pupils led visitors on a tour of the new classrooms following the dedication program.
