A BIBLE THOUGHT FOR TODAY

THE SAINTS' ASSURANCE: O fear the Lord, ye
his saints: for there is no want to them that fear
him. The young lions do lack, and suffer hunger:
but they that seek the Lord shall not want any good
thing.—Psalm 24: 9, 10.

A DEAD LETTER—"THOU SHALT NOT KILL"

Is the commandment, "Thou shalt not kill," a dead
letter in Texas and many of the American common-
wealths? The coldblooded murder of a university student,
shot to death without warning or provocation, is a crime
as cold-blooded as has ever found its way into the columns
of the daily press. It happened in the capital city of this
empire state. It should not be permitted to go unavenged.
There are killers everywhere in the Southwest. There are
bank robbers and hi-jackers everywhere, but why or what
was the motive for the cowardly assassination of this uni-
versity boy and his companion wounded by a bullet from
the automatic of the slayer? Governor Sterling should offer
a reward, and rangers and peace officials should go
down the line and bring to justice the red-handed gunman
who sole away after he had perpetrated a foul crime.

"HOLY WILLIE UPSHAW" PREDICTS A
TREMENDOUS PRO VOTE

Former Congressman William D. Upshaw of Georgia
is the prohibition party candidate for president. He is
making speeches every day, and appealing to pro voters
of the nation to get in line. He invaded the enemies' coun-
try when he filled a speaking engagement in the city
of Chicago. He charged in that speech that the republican
platform proposes to put liquor in the constitution. After
a survey of Chicago and the Middle West, Standard Bearer
Upshaw departed for the Northeastern states, contending
that great blocks of dry voters will desert from both the
republican and the democratic ranks for the prohibition
party.

Away down here in Texas, Dr. J. B. Cranfill of Dallas
is championing the Upshaw candidacy. Dr. Cranfill is a
lifelong pro. He withdrew from the democratic party many
years ago. He was one of the national standard bearers of
the pro party that made a gallant fight for his cause. Then
it was that the democratic party of Texas became a pro
party and Dr. Cranfill returned to the reservation. Early
this year he decided that the major parties were going to
toss the prohibition amendment in the discard. He pub-
licly announced that he was going to vote a straight pro
ticket, that he would not enter the democratic nominating
primary, as he believed that a pledge was a pledge and
that he did not intend to tie himself to the democratic
ticket or its platform.

There may be many startling political surprises the
nation over as a result of the November election.

COLONEL McCORMICK CROONING THE BLUES

Col. Robert R. McCormick is the publisher of the Chi-
cago Tribune. The Tribune carries at its masthead the an-
nouncement that it is the "greatest daily newspaper on
earth." Colonel McCormick is a distinguished republican.
He always gives his loyal support and the support of "his
greatest paper on earth" to republican candidates and re-
publican presidents and their policies of government. His
latest official proclamation is "that the ownership of prop-
erty in the United States has become a liability and not an
asset." As a crooner of the blues and other songs of pes-
simism, the colonel notified the American world that the re-
turn to prosperity depends upon tax reduction. His con-
tention is that ever since the World war the government
has been living on and living off income taxes and taxes
that it called income taxes. Well, the republicans have
controlled the federal government with the exception of
eight years of Grover Cleveland and eight years of Wood-
row Wilson, since the close of the war between the states.
They have made the tax laws. They have made the
tariff laws. They have controlled the government since
1921. Incidentally, they have controlled the city of Chi-
cago most of the time an dthe State of Illinois as well since
the surrender at Appomatox courthouse. Illinois has had
two democratic governors in the last 50 or 60 years. Col-
onel McCormick and "the greatest newspaper on earth"
have been among the leaders of the republican parade.
What is he going to do about it?

SOFT DRINK COMPANIES MUST REGISTER

Secretary Ogden L. Mills of the treasury department
promulgated a resolution calling all manufacturers and
dealers in soft drinks to register at the office of internal
revenue collectors in their respective districts before Oct.
1 for payment of taxes under the new revenue act. Manu-
facturers and dealers going into business will be required
to make application for registry to the collector within 10
days after entering business. It never pays to monkey with
the buzzsaw operated by Uncle Sam. Billions must be
raised for taxation purposes in the coming year. Those who
did not do much of the dancing in the prosperous era of
the nation are expected to do a lot of the paying. "Saving
the world for democracy" placed a heavy load on the
shoulders of the American people. And did they save it?

GOV. MURRAY A BLUNT MAN OF THE PEOPLE

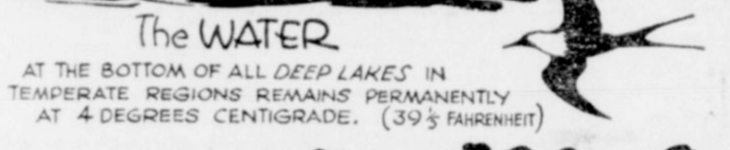

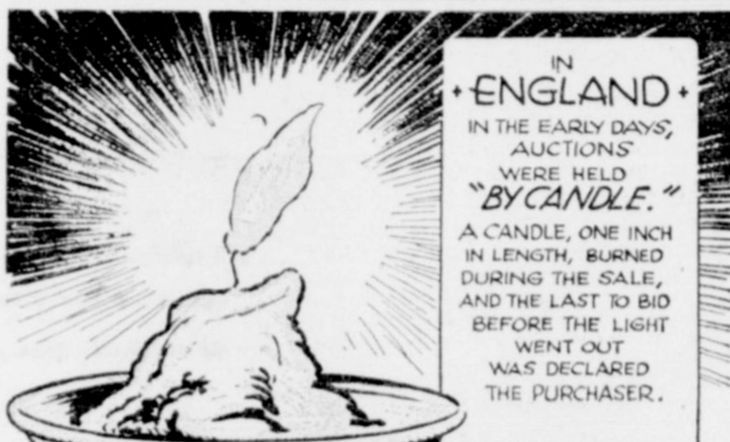

Pretty Boy Floyd is said to be the king of Oklahoma
bandits and hijackers. He offered to come in and surren-
der if he would be guaranteed life imprisonment instead of
the gallows. Gov. Murray, scorned the offer. This is what
he said to all agents of the law and all sheriffs: "Bring
him in dead or alive." Why not? Bank bandits and hijack-
ers who murder with impunity to fatten their pockets
should be brought in dead or alive. Preferably dead. This
would keep money in the pockets of the taxpayers.

Some genius on the federal farm board has discovered
that if every citizen would take an extra bite of meat at
every meal depression would be driven to the tall sticks.
But no suggestions are offered as to how to obtain the
meat.

THE elephant with the candy trunk all of a sudden dropped, kerplunk. "See Scouty said, "Oh, are you hurt? We've made you stand too long.
"You see, your candy was so good we tried to eat all that we could. We're sorry that we kept you here. You don't look very strong."
"Oh, don't mind him," the zoo man cried, as he ran to the small beast's side. "That fall down is a signal that his candy is all gone. The last piece always makes him drop. He wants his trunk filled to the top. Right now, though, I will let him snooze. He'll wake again at dawn."
AND then the zoo man added, "Say, 'tis almost at the end of day. Why don't you Tinies also sleep? I'll watch o'er all of you. I am not tired, so don't you fret. A good night's rest you all can get." The Tinymites agreed it was a real smart thing to do.
At dawn they woke up feeling great. The zoo man shouted, "It's time to get up, you Tinies!"
The whole bunch sat upon the ground and Mister Zoo Man came 'round and gave each one a little plate, with pancakes piled up high.
THEY ate until they'd had enough. The zoo man said, "My, how you stuff! Now, if you're through, lads, come with me. I own a big flatcar. If you all wish to ride on it, there's room enough for all to sit. I'll hitch some little wild beasts up and they will pull you far."
The flatcar was a sight to see. Said Copy, "This appeals to me!" "All right," replied the zoo man. "Hop aboard, you Tinymites." And then he hitched strange beasts up tight and everything seemed quite all right. The happy lads were shortly on their way to see new sights. (Copyright, 1932, NEA Service, Inc.)

EASTLAND AND POLYTECHNIC HIGH PLAY TO A 12 TO 12 TIE

AMARILLO SANDIES DEFEAT RANGER BULLDOGS BY SCORE OF 13-0

MAVS MAKE A GOOD SHOWING IN FIRST TILT

Poly Tier Score At 12 to 12 To Upset the Dope.

By JO CARROLL
The Eastland Mavericks playing a brand of football a little under their usual quality, held the Polytechnic Parrots of Fort Worth to a 12-all tie in the game played on the Louis J. Wortham Field Friday afternoon. It was a hard fought battle between two teams of about equal average weight and in other respects equally matched. A lot of hard tackling and some long runs featured the play, the most spectacular being the seventy-two yard run for a touchdown, made by Burgamy in the third quarter.

During the greater part of the first quarter the two teams battled in mid-field with no decided advantage to either team. Just before the gun Burgamy shot a long pass to D. Brown, who carried the ball to Poly's seven yard line before he was downed. On the next play Daniels fumbled a lateral pass which was short of its mark. The Parrots recovered and kicked out of danger. However, a fifteen yard penalty was drawn by the Parrots put the Mavericks back in scoring position. A lightning double reverse play executed by D. Brown carried the ball to the two yard line. On the next play big Ed Mackall ploughed through for the first touchdown. Burgamy missed his try for the extra point.

Poly came right back and tied it up. On the first play after receiving the kickoff, Poly shot a pass to the Eastland thirty yard line. Blanton, one of the speediest men on the Poly team, then circled right end, shook off a bunch of tacklers and raced across for the counter, Isbill failed to add the point with a drop kick.

Most of the third period was spent in Eastland territory with Poly pounding hard at the goal. Just before the period ended came the most thrilling play of the game when Burgamy took the ball on his own twenty-eight yard line and on a play off left tackle raced seventy-two yards for the Mavericks' second touchdown, but Eastland could not make the extra point. So ended the third quarter—Eastland 12, Poly 6.

The scoring should have ended here, but for a little bad judgment exercised by the Mavericks safety. The Mavericks held their opponents to midfield throughout most of the fourth period. Then the break which made it possible to tie the score came. One of the Parrots was racing down the field to run interference when Eastland's safety, Brown, kicked out at him. This occurred on the twenty-two yard line. As a result of this act Brown was put out of game and the Mavericks were penalized half the distance to the goal. This gave Poly the ball on Eastland's eleven yard line. A wide pass carried the ball to the four yard line where the Mavericks held for two downs. On the fourth down big Splawn, former guard, who has been shifted to the backfield this year, went over for the tying score. But the big back failed to make the extra point on a try at the line.

Eastland received the kick-off and came back strong in an effort to push over another touchdown. The Mavericks reeled off several first downs to place the ball on the Poly eleven yard line when the last gun fired. Another minute would have done the work.

Burgamy, Daniels, Delmar Brown and Allison were the stars for the Mavericks. Burgamy directed the team well, got rid of some good passes and did some good ball totting—his seventy-two yard run being the thriller of the game. Daniels was up to his usual record on punting and Brown was good on tackles and pass snatching. Allison was poison to the opposing team on tackling and smearing plays before they got under way.

MUDDY FIELD SLOWED GAME CONSIDERABLY

Enoch Returns Ranger Punt 62 Yards For First Touchdown.

Special Correspondent.
AMARILLO, Oct. 1.—Holding the Ranger Bulldogs in check, a makeshift Amarillo high school team won the opening high school game for both teams here today, 13 to 0.

The Sandies were without the services of a regular fullback and one tackle. The other regular tackle, Co-Captain Selmar Kirby, was hurt on the first play of the game and was replaced by Womble, who turned in a fine job.

"Chiggers" Enoch raced 62 yards after taking the first Ranger punt in his arms to score the first touchdown early in the first quarter. Dunaway, quarterback, scored in the third period with a one-yard plunge after a drive of 39 yards down the field.

Dunaway was Amarillo's big star, while Jones, 200-pound fullback; Lyons, half, and Standard, tackle, turned in bang-up jobs for Ranger.

The field was heavy with mud and neither team was able to consistently make headway.

The summary: Yards gained in scrimmage, Amarillo 166, Ranger 69; yards lost in scrimmage, Amarillo 11, Ranger 22; first downs, Amarillo 14, Ranger 7; passes, Amarillo 15, five completed for 50 yards, nine incomplete, and one intercepted; Ranger, 10, two complete for 30 yards, seven incomplete, and one intercepted; punts, Amarillo nine for average of 33 yards, Ranger 15 for average of 28 yards; enalties, Amarillo six 60 yards, Ranger two for 20 yards; fumbles, Amarillo three, two recovered, Ranger one, lost.

Substitutions—Amarillo: Womble, Cleghorn, Copeland, Gazzell, Herringer, Sanders, Thomas, Woods, Dumitvan, Simpson, Mann, Carter, Enoch, Talbot, Killian, Earhart, Melvey, and entire third team. Ranger: Bray, Hill, Standard, Warden, Mitchell, Jacoby, Cole, Williams, Briley.

Scoring—Touchdowns, Enoch, Dunaway.

Point After Touchdown—Mann.

* Scores by periods:
Amarillo 6 0 7 0—13
Ranger 0 0 0 0—0

100 Tons Bronze Will Be Added To American Cars

By United Press.

NEW YORK—American motorists soon will be transporting nearly 100 tons of bronze around with them, if democratic campaign plans materialize as indicated below.

The avalanche of metal, slated to join other automobile "accessories," is in the form of a million bronze medallions picturing Governor Franklin D. Roosevelt.

Democratic county chairmen are canvassing their territories to secure members of the Roosevelt Motor club, who, upon signing up, are awarded the medallion for their cars.

TROPHIES TO BE EXHIBITED.

By United Press.

STOCKHOLM, Sweden—An exhibition of sports trophies, including many gold and silver cups won in tennis by King Gustaf, has been held here. In all, some 5,000 medals and other awards won by Swedish athletes were shown. Mye. Sigrid Fick, Swedish woman tennis champion, displayed her 55 medals, and Ulrich Salchow, famous figure skater, showed 31 gold medals.

Troop Investure.

The newest troop in the council which is located at Parks, Texas, in the Breckenridge district, were presented their charter and the officers of the troop with their commissions Wednesday night, Sept. 28.

Ranger.

We note that the scouts are going to participate in the activities during the Ramey jubilee and merchants' carnival which starts Oct. 4.

for the entertainment of the visitors to the Eastland County Fair.

The Brownwood scouts will have an exhibit at the memorial building next Friday and Saturday during the community fair which is being directed by the county agents, Mr. Griffin and Miss Malone.

Brownwood Scouts to Aid in Fire Prevention Week.

The scouts of Brownwood have been called upon to participate in the fire prevention program. They will assist in the parade which is to be on Monday, Oct. 10 and will put on the Indian Dance of Death assist in an inspection on Thursday.

Six Eagles.

At a court of honor held in Stephenville last Friday night, Tommie Gordon, Tommie Blakeney, Wylie and Lynn Phillips, and George and Edward Bryant were presented their eagle badges. This meeting started with a barbecue supper at the city park which was given by the Chamber of Commerce. After the supper Mr. Reid Bassel, chairman of the Stephenville district court of honor led in a ceremony of the Golden Arch. He was assisted by Mr. Clements and Mr. Phillips. After the ceremony Mr. Bassel asked Mr. Johnson

son of John Tarleton college to present the Eagle awards. After Mr. Johnson made the presentation talk, he asked that the mothers come forward and have the honor of pinning the badges on their sons, while the scouts stood at attention and saluted. This makes a total of seven eagle scouts for Stephenville. Thomas Hooker, assistant scoutmaster, being the other.

Courts of Honor.

A court of honor will be held in Lampasas Thursday night at a week. Frank Dickason and Don Dunklin will receive their eagle badges at this court. The local

committee is making extensive plans for the court which is to be a public one.

The monthly court of honor for the Brownwood district will be held next Friday night at the First Baptist church at 7 p. m. at which time Joe Woodward, W. M. Brewer Jr., and John Wood will be presented with their eagle badges.

Executive Committee Meets.

The executive committee of the Comanche Trail council met in regular session last Wednesday evening in Breckenridge. Due to a downpour lasting most of the day, the attendance was light. However, an announcement of the

10-year program was presented by Scout Commissioner Russell B. Jones and Dr. Jewel Daugherty, president of the council. Those attending greeted the challenge of the 10-year program enthusiastically and pledged their full cooperation in going forward to reach the goal which is one out of every four boys of scout age in 1942.

Much intensive work will have to be done by each district. The aim of the 10-year program is not so much in gaining numbers and losing sight of quality, as the Boy Scout organization at the present time from a national average is reaching 22 out of 100 boys of

scout age in the United States, but the tenure of these boys is not over a period of four years which is the goal set for the 10-year program of having one out of every four boys of scout age receiving four years of scout training. This indeed looks like a big job but what a satisfaction if the goal is reached.

The next meeting of the executive committee will be held during the first part of December at Dublin.

A vote of thanks was extended to Mr. Hicks, manager of the Y. M. C. A. and the meeting adjourned.

Eastland Personal

Misses Ruth and Louise Weaver left for St. Louis Thursday for their second year at Principia college. They were accompanied by their father, Joseph M. Weaver, who is in Kilgore now for a few days.

Mrs. W. S. Poe, Mrs. Gayland Poe, and Mr. and Mrs. Joseph B. Leonard, formed a motor party, Thursday for the day in Fort Worth.

Mr. and Mrs. Berton Prince of Waxahachie were the week-end guests of Judge and Mrs. John D. McRae of whom are friends of many years standing.

Miss Ruby Jones of Weatherford, Miss Elizabeth Sowell of Corsicana, and Miss Theura Looney of Tyler are visiting Mrs. Hubert Jones.

Mr. and Mrs. William L. Gup-ton and son, Billie, arrived Friday evening for a week-end visit with the Walter I. Clark family.

Maurice Mullings of Eastland, son of Mr. and Mrs. W. H. Mullings has the honor of being one of five new pages, employed to work in the library of the University of Texas this year. A distinct tribute is paid to the scholastic standing of those selected as pages, in the library at the university, since an unusually high record of work is demanded as one of the first qualifications for applicants for these positions, according to the assistant librarian of the university.

If You Can Laugh At Yourself You Are Funny, Star Says

As a test to discover if you are funny or not, shut yourself in a room and try to be so comical you'll laugh at yourself.

"This being funny is no laughing matter," declares Minna Gombel, outstanding comedienne of the screen whose next success is "The First Year," the new Janet Gaynor-Charles Farrell comedy to be seen at the Arcadia theatre, Ranger, Sunday and Monday.

"I like to hear people laugh when they are not laughing just to be nice to me or to oblige me. In the presence of an audience, I can tell whether I'm funny or not, but in front of a microphone, how is one going to judge? It's like trying to make the kitchen-range laugh."

"Still, I prefer the screen to the stage, because it affords the actor more of a chance to give a finished performance. An actor or an actress plays a scene half a dozen times, perhaps more, on the set and the best performance is selected as the one for the screen. The
