Sheriff Orders Marble Machines 'Out' By Tonight

Morgan Ends Testimony In Senate Quiz

Govt. Policy Responsible For Entry Into War, His Version

WASHINGTON, Feb. 6 (AP)—John Pierpont Morgan tucked a grey scarf under his chin and went home today, satisfied that he had demonstrated to the senate munitions investigation that puzzling events leading up to American entry in the World War resulted from shifting government policy rather than Morgan banking transactions.

Loans To Allies
Morgan and his partners have been witnesses in the latest phase of the committee inquiry into why the United States was drawn into the war, and especially into why loans were made to the allied nations by the United States government.

Repeal Completed
The senate today completed the repeal of three auxiliaries to the AAA—the compulsory cotton, tobacco and potato control acts—when the body concurred in a minor house amendment.

Bill Before 1
While the repeal move was being completed, the new substitute farm program was put before the senate, with immediate consideration in prospect.

Development
1. One Capitol Hill quarter reported word from Mr. Roosevelt that present plans do not contemplate a request for new taxes to pay the soldiers' bonus.

Recalls Statement
5. Senator Barbour (R-NJ) said the white house "inventory" move proved a claim he expressed a month ago that the bonus payment would "place the brakes" upon government spending.

Administrators Oppose Move For Diverting School Funds

AUSTIN, Feb. 6 (UP)—Five hundred public school administrators in conference here unanimously opposed any move to divert the school fund balance in the state treasury to pay the deficit in other funds.

Grand Jurors In Session, No Report Made

MARBLE MACHINES must be taken out of all places in the county not later than tonight, Deputy Sheriff Andrew Merrick, speaking for the sheriff's department, declared Thursday afternoon.

Disbursements Of District WPA Are Over \$62,000

AUSTIN, Feb. 6 (UP)—Five hundred public school administrators in conference here unanimously opposed any move to divert the school fund balance in the state treasury to pay the deficit in other funds.

Cold Wave Extends Into The Northeast

CHICAGO, Feb. 6 (AP)—While snow fell from Montana to Iowa and Illinois, sending temperatures up from 6 to 20 degrees, bitter weather took a firmer hold on the northeastern part of the nation, where the mercury dropped from 10 to 20 points today.

Rains Fall In South, Bringing New Flood Threat

DALLAS, Feb. 6 (AP)—A snowstorm slipped into Texas today to void weather predictions. The forecast said rain in the eastern part of the state with warmer weather, but the mercury went to 32 degrees at Longview last night.

San Angelo Man Seeking 91st District Post He Formerly Held

SAN ANGELO, Feb. 6.—Penrose B. Metcalfe, San Angelo ranchman-attorney, announced today he will be a candidate for election to the legislature from the 91st district including Tom Green, Irion, Howard, Sterling, Reagan and Glasscock counties.

Midland Pastors Drive To Defeat Sale Of Liquor

MIDLAND, Feb. 6.—Members of the Pastors' association of Midland definitely went on record Wednesday in a campaign to defeat sale of liquor, to be voted on Saturday in a county-wide and in a precinct No. 1 election.

To Practice On Life-Size Target

Members of the sheriff's department are going to have a more practical type of target practice henceforth.

State Wins Test On 'Lost Laws'

HUNTSVILLE, Feb. 6 (AP)—The state won the first round in the fight to save Texas "lost laws" today when District Judge W. S. Dean held the statute regarding incest valid in a test case.

Klan Club Hears Classification Talk

A classification talk on the printing and publishing industry was given at the local Kiwanis club's luncheon session at the Crawford hotel Thursday.

Grand Jurors In Session, No Report Made

Around And About

The Sports Circuit

By Tom Beasley

A DAY or so ago we had a jumble in the Steer basketball record. A correction line left in the standings showed the Steers had played Coach Brady Nix's Foran Buffaloes three times this season, losing two of the games. The teams have not played but twice, and the locals lost both games, once here and again at Foran. Apologies to Coach Nix and his boys.

FORAN, ALTHOUGH a Class B school, will receive a bye until the finals of the county basketball tournament. Officials in charge decided, by ballot, that Foran would be given a free ticket to the finals because of the superior strength of the Buff cagers. That seemed a useless thing to do. Of course there's very little chance of Foran being defeated, but just the same there is always the possibility of a slip up and some little team might have been able to turn the trick.

COACH NIX out at Foran will miss Liles next year. According to reports, the star forward of the Buffalo team will complete his eligibility this year. However, there are several other good players on the Foran squad who are due to return.

W. F. TALLEY at Coahoma should manage to at least hold his own in a basketball next season. Talley is somewhat disgruntled with his cage team this season, but ALL of the boys will be back for at least another year, and most of them two years. The Coahoma coach is due to have most of his football players back.

BOB QUINN has decided not to allow holdouts in the Boston Braves' camp at St. Petersburg, Fla., unless they pay their own hotel bills.

MUTUEL WAGERING at the Santa Anita race track in California for the first 22 days was \$7,936,056, twice the amount that was bet during the same period of 1935.

TWENTY-YEAR-old Fred Dell, British football player, turned down an offer of \$15,000 to play with a high-ranking professional team because he prefers to stay at home. He plays as a professional with the Dartford, England team for \$10,000, having just been raised from \$7,500.

GOLF ETIQUETTE: 1. No player should play until the party in front are out of range. 2. When the result of a hole has been determined players should immediately leave the putting green.

FLUSH OUT 15 MILES OF KIDNEY TUBES. Medical authorities agree that your kidneys contain 15 MILES of tiny tubes or filters which help to purify the blood and keep you healthy. If you have trouble with too frequent bladder passages with scanty amount causing burning and discomfort, the 15 MILES of kidney tubes may need flushing out. This danger signal may be the beginning of nagging backache, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes and dizziness. If kidneys don't empty 3 pints a day and so get rid of more than 3 pounds of waste, poisonous matter may develop, causing serious trouble. Don't wait. Ask your druggist for DOAN'S PILLS, which have been used successfully by millions of people for over 40 years. They give happy relief and will help to flush out the 15 MILES of kidney tubes. Get DOAN'S PILLS at your druggist.

COUNTY CAGE PAIRINGS ARE FIXED

GAMES IN HIS SCHOOL GYM HERE

County basketball tournament for senior boys and junior girls will get under way in the high school gym here Friday night with two games, Elbow and Hilway opening the meet at 7:30. Tournament for senior girls and junior boys will not be staged until Feb. 14 and 15, the executive committee decided. The committee also decided to allow Knott and Moore to enter the rural division. Foran, because of superior strength, was given a bye until the finals. The Buffs will meet the Class B winners in the high school gym here Monday night. Play in the junior girls Class B division was put off until Monday. Four teams are entered in that division. Woods of Lomax will referee all of the boys games with Phil Smith of Big Spring refereeing the girls' games.

Reds Leave For Training Site

By HENRY SUPER. United Press Staff Correspondent. NEW YORK, Feb. 6. (UP)—Diamond developments:

The Cincinnati Reds blaze the major league trail to spring training camps today, with a dozen members of the team sailing for Puerto Rico. The first contingent includes Manager Chuck Dressen and 11 pitchers, catchers and coaches. Another group sails Saturday.

Several trades are on tap. Casey Stengel, Brooklyn manager, conferred recently with Bill McKechnie of Boston about a deal which would send Sam Leslie, infielder, and an unnamed outfielder to Boston for right-handed pitcher Fred Frankhouse.

Horace Stoneham, Jr., Giant head, is willing to pay cash for Leslie. Brooklyn is willing to send Sam to the Giants if the St. Louis Cardinals will accept cash and two players for Johnny Mize, promising young first baseman, The Cards, it's understood, want to see Mize in spring training before deciding anything.

The Cincinnati Reds are willing to part with cash and four players for Van Mungo, Brooklyn pitcher. In recognition of the National League's 60th birthday this year, the club owners have decided that each team should hold a "birthday game" during the season and invite as guests all former major league players residing within a radius of 100 miles of the scene of the game.

The schedule, approved yesterday, calls for the season to open April 14, and end Sept. 27. For the first time since the league was organized, each team will make four swings of the circuit instead of the usual three.

County Cage Pairings

Table with columns for Senior Boys, Junior Girls, and various divisions. Includes dates and locations like Elbow vs. Hilway, Knott vs. Moore, etc.

Aggies Return To Cage Wars Friday Night

COLLEGE STATION, Feb. 6.—Through with their semester examinations, Coach "Hub" McQuillen's Texas Aggies will return to Southwest conference basketball here Friday night in a game here with the Baylor Bears. The tilt will mark the mid-point in conference competition for each team.

The Aggies hope not only to pull themselves out of the conference cellar but also to avenge the 13-27 spanking they took from the Bruins at Waco nearly two weeks ago. The Bears, in fifth place, have won two of five games, and the Aggies one of five, each team having a victory over the sixth place Texas Christian Horned Frogs.

Coahoma Trackmen Due To Report By Next Week

COAHOMA, Feb. 6. (Sp1)—Coach W. F. Talley of Coahoma high school will start track work here next week. Talley has received no indication as to how many boys will report for track or what his prospects will be.

Triangular Swim Meet Among College Teams

COLLEGE STATION, Feb. 6.—Opening their season Coach Arthur Adamson's Texas Aggies swimming team will enter a triangular meet here Saturday night with the Houston Y. M. C. A. and the Aggie's Freshman team. The Aggie varsity and Houston "Y" water polo teams will clash in a nightcap attraction.

Twin Injuries In Family

FREMONT, O. (UP)—Two weeks after her daughter fell on and injured her right leg, just below the hip, Mrs. Sarah Lindsay, 80, was injured in a similar fall. And her injuries were the same—her right leg, just below the hip.

Official American League Schedule, 1936

THIS GAME OF BASKETBALL

By LEWIS ANDREAS. Basketball Coach, Syracuse University. Syracuse uses both the fast and slow-breaking attack in basketball, depending upon the defense and situation presented. The fast-breaking type is employed whenever the opportunity is open. Usually, we favor the fast-milling, passing game against a man-to-man defense. Against a set defense we use a spot pass. Syracuse also stresses the out-of-bounds and center plays.

The Winning Golf

By Lawson Little. HAND EXERCISES AID GOLFER. Strengthening hands during winter will help golfer gain midseason form quickly when season opens.

With the winter season well on the way past us, I think it is time for those golfers who have been snowbound, to start thinking about the royal and ancient game again. There are a few things that they can do that will aid them in getting a head start on the Sunday morning foursome.

NYA Payroll For Month Is \$55,000

AUSTIN, Feb. 6. (UP)—National youth administration employees will be paid \$55,000 this month, State Director Lyndon B. Johnson said today. When NYA is at top capacity in Texas, the monthly payroll will be \$111,000. Johnson added, The youths represent family jobs for 34,122 will be available when the work reaches its maximum.

Glenn Cunningham Picked To Win Mile At Olympics

By ALBERT F. STEES. United Press Staff Correspondent. PHILADELPHIA, Feb. 6. (UP)—Glenn Cunningham will win the mile at the 1936 Olympics, predicts Lawson Robertson, veteran United States Olympic coach and University of Pennsylvania track team mentor.

Calves Mark Up Easy Win

ODESSA, Feb. 6. (Sp1)—The Big Spring Calves added another victory to their win list here last night, defeating the Odessa Colts, 23 to 17.

Michigan's Bietila Boys Are Aces At Ski Jumping

ISHPEMING, Mich., Feb. 6. (AP)—Up in this far north country of Michigan's upper peninsula the Bietila boys stand in a class by themselves when it comes to all-around expertness in the daring, breath-taking sport of ski jumping.

Robertson Rates Becali Second, Lovelock Third

This forecast is a bit unusual, especially in view of the winning performance of New Zealand's Jack Lovelock at the Princeton invitation last summer. But "Robbie," as he is better known on the track and field, feels the flying Kansan is entitled to be No. 1 ranking of the millers in the world. He said something was wrong with Cunningham during the Princeton meet.

Parker Not To Make Tourney

FORAN, Feb. 6. (Sp1)—The Foran Buffaloes will be handicapped when they enter the Reagan county basketball tournament at Big Lake this week-end because of the illness of Parker, forward. The eight players slated to make the trip are R. Liles, forward; Chambers, center; Adams, forward; Loper, guard; Scadday, guard; McKinney, guard; T. Liles, forward; Moore, forward.

Forsan Buffaloes Will Be Crippled For Reagan County Meet

time, and was fourth in the A. A. U. event," Robbie said. "He will enter college in February and come up to the Olympics just at the right time." The coach was not dismayed at the news that Percy Beard, one of America's outstanding hurdlers, had retired, and that Glenn Hardin, flashy Louisiana State hurdler, had suffered a leg injury. The slender Southern hurdler is America's best bet to cop the event at the Olympics. He holds the world record of 30.6 for the 400-meter hurdlers—a mark so foreign competitor has neared.

Lubbock Meat Show Set For Mar. 30-April 1

LUBBOCK, Feb. 6.—Dates for the sixth annual Quality Meat show at Lubbock have been set as March 30, 31 and April 1, Durwood H. Bradley, general chairman of the show executive committee, has announced.

The show includes a baby beef, fat pig, and fat lamb division for vocational students and 4-H club members, and a canned and cured meat division for adults.

The grand champion calf exhibitor will receive \$25 and a substantial sale price. Last year the Phillips Petroleum company bought the grand champion calf, paying 66 cents per pound, or a total of \$566.25. Twenty-five other premiums in the baby beef division range downward to \$4.00.

The grand champion pig exhibitor will receive \$12 with twenty other premiums ranging downward to \$1.00. Morton Salt company bought the champion pig last year for 29 cents per pound, or \$56.18.

First prize in the fat lamb division is \$5 for two divisions, and two groups, and \$6 for the best country group of 16 lambs. Thirty-one prizes in this division range from \$1 to \$6. The Waffle shop in Lubbock bought the grand champion lamb last year for 27c per pound or \$21.05.

Twenty-three cured meat division prizes range from \$1 to \$8, while 77 premiums will be awarded in the canned meats division, totaling \$73.90.

Col. Earl Gartin of Greenburg, Ind., has again been engaged to handle the livestock sale, which will be held April 1. Last year 73 calves, 34 pigs and 41 lambs were sold at this sale for a total of \$8,927.61, an average of \$107.11 per calf, \$23.45 per pig, and \$3.52 per lamb.

More Than Half Of Studes Help Pay Own Way

AUSTIN, Feb. 6.—More than half the 7,662 students who attended the University of Texas last year contributed toward their financial upkeep, it is shown by a report of the registrar for 1934-35. A total of 3,940 students earned all or part of their university expenses last year, or 51.42 per cent of the entire enrollment. This was a slight gain in self-supporting students over the preceding year, when 3,272 students, or 48.17 per cent of the total enrollment worked to aid in financing their education.

Men students work to pay their school expenses more often than do girls, the registrar's report indicated. Last year 611 women students earned all or part of their university expenses, either before entering or while in school, 24.45 per cent of the girls enrolled, while 64.47 per cent of the men students or 3,329, worked.

Classic Columns Saved NEW HAVEN, Conn. (UP) — Three of eight Corinthian columns used on the Mayor Sargent house, one of the first residences in the New Haven colony, have been salvaged by J. Frederick Kelly, collector. The New Haven Colony Historical Society, the Yale School of Fine Arts, and the New England Antiquarian Society in Boston each received one of the rare columns.

SALEM, Ore. (UP) — George Jones, of Independence, Ore., who with a family of 12 and unemployed, refuses to seek relief, walked 15 miles to a market in Salem carrying 100 pounds of carrots on his back.

Morgan

(CONTINUED FROM PAGE 1)
while U. S. government advances remained in default.
Meanwhile, the permanent neutrality legislation for which the committee has sought to lay a background may be reported to the senate next week, Chairman Key Pittman of the foreign relations committee said. He expressed doubt however that it could be enacted before the temporary neutrality act expires Feb. 29.

eager to wind up its inquiry within two weeks, the committee summoned interstate commerce commission officials to testify in a survey of the comparative costs of manufacturing munitions and the problems involved in a possible nationalization of the arms industry.

Business

(CONTINUED FROM PAGE 1)
constructed in Houston and many other industrial cities reported plant expansions as well as the construction of new enterprises. In Los Angeles, the Pacific Fruit Express authorized a \$10,000,000 freight car buying program to handle increasing volume of fruit shipments. The National Western Stock Show attracted 105,000 visitors to Denver and resulted in the sale of \$2,500,000 of livestock.

Uncertainty continued to hover over some wholesale markets as a repercussion from the AAA decision. Trade conventions brought many buyers to Chicago and one group sold \$1,000,000 of canning machinery. The spring market conducted by 865 Los Angeles manufacturers brought heavy attendance from many states and foreign countries. In Cincinnati, shoe sales were 80 per cent ahead of previous week and 120 per cent greater than last year. Notwithstanding a reserved buying tendency wholesalers visualize a large backlog of orders for early release.

Industrial employment slacked off slightly in Detroit. Pittsburgh continued to receive new orders for structural steel; most Philadelphia foundries were busier than since 1930; rail orders counteracted recession in automotive orders in Cleveland; St. Louis reported 11 new industries and four expansions; a million dollar real estate deal was negotiated in Atlanta for a bottling plant.

Reports of corporations reflected substantial earnings with General Motors' net profit reported at \$167,225,000, the largest since 1929 with the final quarter of 1935 the best in history. U. S. Steel reported the first full year profit since 1931, a net income of \$1,084,917 against a net loss of \$21,667,780 in 1934. Bethlehem Steel reported net income of \$4,291,253 against \$550,571 in the preceding year. Savings deposits continue to rise. Cash income from farm products and benefit payments for 1935 estimated at \$5,932,000,000 compared with \$4,328,000,000 in 1932. For the month of December total cash income was \$645,000,000 compared with \$525,000,000 in the previous December.

Metcalfe

(CONTINUED FROM PAGE 1)
the fight for five years to a successful conclusion whereby the farmers in the pink bollworm area were repaid their expenses incurred by reason of this quarantine; he was the author of the amendment to the constitution which the people adopted authorizing taxation of university lands for county purposes; he successfully led the long drawn-out legislative fight against heavy-odds to regain, for West Texas the water rights, in the Colorado river and its tributaries which had formerly been surrendered.

Metcalfe bases his claim for election to office on the record he has made of successful accomplishments, of opposition to additional taxes, of actual economy achievements, of support of schools, and of measures beneficial to the people rather than to the special interests. He promises a future course that will continue to be responsive to the will of the electorate, as shown by previous accomplishments. He said he had no elaborate platform nor any extravagant promises or radical changes to the government structure to propose, but that he did expect to render to the people that type of faithful conscientious and trained service to which they are entitled. He said his platform might be covered in three words, "honest, experienced service."

Metcalfe was admitted to the bar in June of 1914. He is a graduate of the San Angelo schools and holds a B.S. degree from A. & M. College.

Farm Bill

(CONTINUED FROM PAGE 1)
plan at any time before the two years are up (a provision not in the Bankhead bill) and once a state accepts, it shall have the right to name administrative agencies subject to the secretary's approval.

In approving state plans the secretary must first see that it provides a satisfactory administrative agency and that there is "reasonable prospect" its operation would result in substantially accomplishing one or more of the purposes of the act.

On or before Nov. 1 each year the secretary would apportion among the states funds for carrying out state plans during the next calendar year. In determining the amount to be apportioned he would be directed to consider "the acreage and value of the major soil-depleting and major export crops produced in the respective states during a representative period."

Final Tribute Is Paid Faust

Funeral Service Held For Trainman, Vet Leader Thursday Afternoon

Final tribute was paid Thursday afternoon to W. W. (Ike) Faust, a funeral service was held for the Big Spring trainman and veterans leader who died Tuesday, victim of injuries received in a train mishap two days before.

Services were conducted by Rev. G. C. Schurman, pastor at the First Christian church, and military burial rites were conducted at the

graveyard by members of the local post of Veterans of Foreign Wars, of which Faust was commander. He had seen active service in the Philippines during the Spanish-American war, and was decorated for bravery.

Faust, who had been a resident of Big Spring since 1927, was a brakeman with the Texas & Pacific railway.

Active pallbearers, all VFW members were W. G. Hayden, John P. Dodge, T. C. Thomas, George Mims, Bill Dugan and M. C. Stilling. Members of the Brotherhood of Railway Trainmen, of which Faust was a member, were honorary pallbearers: A. W. Page, W. B. McKee, Jim Allen, Andy Cain, Roy Miller, Tom Baker, Milt Knowles and N. R. Smith.

Grid Players Get Sweaters

Seventeen Lettermen On Year's Squad Are Honored

Seventeen football lettermen were complimented for their hard work and loyalty to the high school by Superintendent W. C. Blankenship when they were awarded their sweaters Thursday morning. Boys receiving awards were Paul Cobern, Clinton Jones, Woodrow Harris, Jimmie Ford, Louie Madison, Spike Henninger, Sam Flowers, Robert Hildreth, Ollie Cardill, Cecil

Whisenhunt, J. W. Coats, O. C. Gray, Jack Wilson, Woodrow Coats, James Ruff, Leonard Morgan, Steve Baker and manager, W. T. Bolt.

Of these 17 lettermen only six will return for another year. They are Harris, Madison, Henninger, Whisenhunt and Wilson.

"These sweaters do not signify the value of the boys to the school," Blankenship said, "but are merely a token of our appreciation to them for the hard work they did to represent us on the football field. When they wear their sweaters, they will remember that it paid to be loyal to the school they represented. We are just as proud of them as if they had won the state championship, because they 'did their best.'"

High school students saw the football boys together for the last time when they wore their black

Rowland Is Named As School Trustee

M. L. Rowland has been appointed by County Superintendent Anna Martin to fill the unexpired term of W. L. Harrell, Moore school trustee who resigned to move to the district. Rowland was chosen majority choice in an unofficial election held last week at Moore.

BERLIN (UP)—All plush sofas in Germany are under "sentence of death." Dr. Ley, leader of the German Labor Front, has sounded their death knell, and he has appointed an army of "trash dictators" to see that the sentence is carried out.

Mrs. Bruce Frazier To Present Junior Pupils In Recital Tonight

Five Prizes Awarded To Bluebonnets

Fridge Club Members Go To Mrs. Carpenter's For Games

Mrs. R. L. Carpenter was hostess Wednesday afternoon to a large group of friends and members of the Bluebonnet bridge club at her home on the lease south of town.

Two bingo and two high prizes were awarded. Mrs. Thomson made high for members, receiving a tray; Mrs. Hurley, high for guests, receiving a pitcher. Members' bingo prize, a jar of jelly, was presented to Mrs. Terry. Visitors' bingo was a guest towel and this went to Mrs. Dudley. Mrs. Bishop cut for high and was given a salt and pepper set.

Tea guests were Mrs. R. A. Edwards and Mrs. Read, who is visiting her niece, Mrs. Terry.

Playing guests were: Mmes. H. Williams, Joe Ernest, Earl Stanton, P. W. Malone, C. E. Shive, Harry Lester, Jack Bishop, J. D. Leonard, J. L. Le Bleu, H. B. Hurley, L. B. Dudley.

Members present were: Mmes. W. R. Ivey, Charles Koberg, E. D. Merrill, E. C. Boatler, Sam Baker, J. L. Terry, Bob Thomson, J. H. Kirkpatrick and J. B. Hodges, Sr.

Mrs. Boatler will entertain the club next.

Members of the Young People's council of the First Presbyterian church will meet at the home of Elizabeth Hanson Friday evening for a meeting. Next Friday evening there will be a heart party at the home of Mrs. T. S. Currie.

I Ate What I Liked... Fat Slipped Away

It was so easy—I did not go on a diet. I took no exercise. I did not weaken my body with drastic purgatives. Yet fat slipped away. Each day I felt myself growing lighter, more slender. Now my figure is lovely, graceful. And I never felt better in my life.

That, in brief, is what thousands who have reduced the Marmola way might well tell you. Four times a day they take a little tablet containing the right quantity of a world-famous corrective for abnormal obesity. A corrective prescribed by physicians everywhere and acknowledged to be the most effective known.

Since 1907, more than 20 million packages of Marmola have been purchased. Could any better recommendation be had?

Today—buy a package of Marmola and start at once. Soon you will experience Marmola's benefits. When you have gone far enough, stop taking Marmola. And you will bless the day you first discovered this marvelous reducing agent!

Marmola is on sale by dealers everywhere—from coast to coast.

Mrs. Bruce Frazier will present her junior piano students in a recital this evening at the First Baptist church at 7:45.

H. D. Agent Tells Club New To Serve Lettuce

"When your family gets tired of spring lettuce, serve it as cooked greens" suggested Miss Mayme Lou Parr, county home demonstration agent at the meeting of the Luther home demonstration club Tuesday. The members gathered at Mrs. Alton Smith's home for a demonstration on new ways of cooking leafy vegetables.

Miss Parr said: "Cook lettuce in a large amount of water in an uncovered vessel about 10 minutes, or until it is tender. Drain, chop, season with butter, salt, and pepper. Garnish with hard-cooked eggs."

At the business meeting, Mmes. Lawrence and Simpson were appointed to attend a hot bed demonstration at Miss Parr's home.

The following members and visitors were present: Mmes. A. B. Simpson, Alton McClinton, Lawrence Anderson, Charles Lawrence, Walter Spruill, Alton Smith, Marvin Sewell, Minnie Smith, Elsie Harris, and Miss Eva Barrier.

Mrs. Luther Blythe will be the next hostess.

Mrs. R. T. Piner Is Ideal Hostess

Mrs. R. T. Piner was hostess to the members of the Ideal bridge club Wednesday afternoon for a session of contract bridge.

Three guests played with the club: Mmes. Lilburn Coffee, Iro Thurman and R. V. Middleton. Mrs. Thurman was high scorer.

Mrs. J. D. Biles made high score for club members.

Others present were: Mmes. L. W. Croft, M. M. Edwards, R. Homer McNew, Buck Richardson, A. E. Service, Fred Stephens, G. H. Wood and Harvey Williamson.

Mrs. Service will entertain next.

Justamere Bridge Club Plays With Mrs. John Clarke

Members of the Justamere bridge club were entertained in the home of Mrs. John Clark Wednesday afternoon for an enjoyable session of contract.

Mrs. Albert M. Fisher scored high for guests. Mrs. Theo Andrews was the only other guest present.

Mrs. E. V. Spence was high scorer for members. Others playing were: Mmes. Wilbur Barcus, M. H. Bennett, C. S. Blomsheld, Lee Hanson, Tom Helton, H. W. Leeper, R. C. Strain, E. O. Ellington and Verd Van Gieson.

Mrs. Blomsheld will entertain next.

Firemen Ladies Invited To Assist In Tri-State Program

The regular meeting of the Prides of the West, lodge number 175, L.S. to B. of L.F. and E., was held Wednesday afternoon in the V.F.W. hall with Mrs. Wilson, president, in charge.

The charter of the lodge was draped in memory of a departed member, Mrs. Sarah Corcoran.

The lodge was invited to the tri-state meeting in Port Worth June 17-19 and asked to put on part of the program.

Members voted to ask the lodge from San Angelo to visit the local lodge in the near future.

The following were present: Mmes. Annie Wilson, Macie M. Tier, Doris Shelts, Ad. Arnold, Florence Rose, Minnie Skalsky, Birdie Adams, Martha Moody, Pattie Manion, Aza Smith, Annette Smith, Susie Wiersen, Minnie Barbee, Gladys Slusser, Alice Mimms, Iva Johnson.

Fairview News

A training school will be conducted at the church here for five nights, beginning Feb. 16, by a representative of Hardin-Simmons university, Abilene. All persons are invited to attend the meetings and to join in the study.

Sunday school will be held at 10 a. m. Sunday with Stewart Thomas as superintendent.

Several of the Fairview folk are still on the sick list. Mrs. Bailey is improving from an attack of neuralgia. Billie Hammock has been suffering from a severe cold. John Bailey has improved sufficiently to return to school.

Farm work was completely halted during the week by the severe cold.

Miss Zan Grant is home from Canyon where she has been in school.

Mr. and Mrs. Haskell Grant were visitors near Wichita Falls Sunday and Miss Newton of that place accompanied them home. She will return the last of this week.

Mr. and Mrs. Walker Reed are the parents of a girl, born last Saturday night. Both mother and child are doing nicely.

Mr. and Mrs. Curtis Gailor of Big Spring were recent visitors in the J. W. Wooten home.

Mrs. Lee Hanson returned Tuesday night from a trip to Lubbock and Lamesa.

Three Howard County Families Enter Centennial Beautification Contest

Three Howard county families have entered the Centennial farm improvement contest sponsored by the A. & M. service, cooperating with the Dallas News. The families are: W. A. Langley, Fairview; Reece Adams, Soash, and Walter Robinson, Midway. All three farms adjoin the state highway. The yards are being improved.

Mrs. Robinson of Midway has a well-sodded lawn and many trees and is adding other trees. She will use bridal wreath, hollyhock, lantana, santalina and other shrubs of medium and low growth for foundation plantings. She has planned an arbor as part of the improvement.

Mrs. Langley of Fairview is planting a vine-covered fence on three sides of the yard, also a vine-covered arbor and wash house. Her son is assisting her and will add a cactus bed and a rose garden.

Mrs. Reece Adams started her yard work in 1935 as yard demonstrator for the Soash H. D. club. She has a good lawn, many shade trees and shrubs started and has completed a rose garden in which there are 36 roses. She has planned her annuals so as to have a continuous display of blossoms.

Mrs. H. C. Heckler, second-year yard demonstrator for the R-Bar H. D. club, has completed a hedge and screen planting on the sides and back of her yard. Her foundation plants are growing and making a better showing already.

She has an old-fashioned shrub, "Washington bower" which grows into a vine and is also an attractive low growing shrub requiring very little irrigation.

Mrs. Rogers' Yard
Mrs. W. C. Rogers, first-year yard demonstrator for R-Bar club, has made plans to beautify a small area outside her yard and across the driveway in order to add attractiveness to the landscaped area. Vines will be the outstanding feature of her yard. She is using them at the front and side entrance of the house. Many trees are being added to the side and back of the yard for background and shade.

Fifteen-Cent Dress
Mrs. Charlie Lawrence of Luther H. D. club, wore a dress that the club members admired recently. This dress was made from four feed sacks; it was dyed a soft bottle green and decorated with

Kenneth W. Shultz and Geraldine Tynes Wed

Kenneth W. Shultz and Miss Geraldine Tynes were united in marriage Monday at the home of Dr. D. F. McConnell, pastor of the First Presbyterian church.

The groom is the son of Mr. and Mrs. C. J. Shultz. The bride is the daughter of Mr. and Mrs. Roy Eldine, and a former student of the local high school.

The couple are making their home at 204 N. W. 2nd street.

Petroleum Members Play At Mrs. Talley's

Mrs. Adams Talley was hostess Tuesday to members of the Petroleum bridge club, carrying out a Valentine motif in her appointments.

Mrs. Elmo Wasson was presented with perfume for making guest high Mrs. J. L. Le Bleu was the only other guest.

Mrs. Ernest made high score for the members and Mrs. Hubby second high.

Members playing were: Mmes. Calvin Boykin, Roy Combs, Joe

Ernest, Sam Goldman, Harry Lester, Noel Lawson, P. H. Liberty, Fred Read, Lee Hubby, Percy Bosworth.

Mrs. Boykin will be the next hostess.

A reptile 85.36 feet long and weighing 3,306 pounds was found dead in the upper waters of the Holliwood river, by the Columbia border.

PROBLEMS FOR MR. MORGENTHAU: No federal official has a tougher job than Secretary of the Treasury Morgenthau.

As a result, the deficit will be in the neighborhood of \$11,000,000,000—every cent of which must be raised in the next year and a half.

So far, the new deal has had things all its own way in financing. Issues have been oversubscribed within a few hours of their appearance.

Whether it will find conditions the same in the future is the question. There is no basis whatever for any intimation that the U. S. credit is in danger.

When Democrat Benson was appointed to fill the place of Republican Schall, he chose not to sit at the same desk, but to join his fellow democrats on the other side of the aisle.

The empty Louisiana seat made it possible to admit him. But it made the room more lop-sided than ever—70 democrats to 25 on the other side.

Man About Manhattan

NEW YORK—For fully two hours the other afternoon I talked with comely Arlette Stavisky, who used to model clothes for Chanel and Patou in Paris.

She has played many exciting roles in the last few years, but this was one that hadn't seemed in the cards until about a year ago.

Yes, this was the convent-bred Arlette whose marriage to Alexandre Stavisky was a storybook romance. In the gay days of that romance, she was mistress of one of the fabulous estates of Europe—yachts, villas, town cars, airplanes.

Her clothes always were exciting. "And where is that glamorous wardrobe, Mme. Stavisky?" She pointed to a brown ermine coat trimmed with blue fox.

"And your jewels?" She gave them all to her husband just before his vast hock empire collapsed. When it fell, he committed suicide, or was killed, and she went to prison.

At 32, Stavisky's widow is quite lovely. There is a graciousness that precludes any hint of bitterness. "I have my children to think of and I want to make my home in America."

Her eyes fairly dance when she tells you of Michelle, her little daughter who is just five, and Claude, her son, who is nine.

Mme. Stavisky has the regal stature that is always required by Parisian stylists. I imagine she is five feet six, with tithian hair.

Until she becomes acclimated to Broadway, Arlette is going to stay in the home of Clifford C. Fischer, producer of many Broadway shows, who was instrumental in bringing her to New York.

The DAILY WASHINGTON MERRY-GO-ROUND. A cartoon strip by Drew Pearson and Robert S. Allen.

WASHINGTON—A lurid story of how American army rifles and machine guns are used by munitions bootleggers to arm the gangsters of the United States and the revolutionaries of Latin America has been unearthed by the senate munitions committee.

Due to lack of funds, the committee must not get the entire story into the record. But here are its highlights:

U. S. army rifles and other weapons unaccounted for by the army must be broken up or sold in parts which cannot be used.

Brazilian Revolt: The munitions committee is rounding out earlier evidence showing how the Curtiss-Wright Airplane company diverted the Sao Paulo revolutionaries in 1932 ten planes it was building for the Chilean government.

Lee Wade, ex-lieutenant in the navy, has been subpoenaed by the committee to testify regarding another airplane deal which he arranged with Brazil at the same time and which promises startling angles.

The senate committee also has dug up documents showing how American bootleg arms purchased through an alleged coffee loan, were put on board a Canadian boat and shipped to Brazil.

Equally startling are the committee's discoveries about attempted revolutions in Cuba, all promoted through the bootleg munitions ring in the United States.

Possibility of early revolt in Venezuela is seen in the committee's tip that a deal for a large consignment of arms is being concluded here by Venezuelan revolutionaries.

The munitions committee's investigation may have been long-drawn out, but it will close with a wallop.

Mrs. Huey Long: There is no room for Mrs. Huey Long on the democratic side of the chamber.

Her late husband's desk is now occupied by Senator Gore of Oklahoma. And Senator Gore's place has been taken in the shuffle resulting from the death of Senator Schall.

When Democrat Benson was appointed to fill the place of Republican Schall, he chose not to sit at the same desk, but to join his fellow democrats on the other side of the aisle.

The empty Louisiana seat made it possible to admit him. But it made the room more lop-sided than ever—70 democrats to 25 on the other side.

When Mrs. Long comes, it will be to sit to the right of the Young Republicanism.

The republican national committee finally has awakened to the importance of giving a little attention to its youngsters.

For some time a Young Republican organization has existed in name, but in contrast to the Young Democrats it has been a pallid, milk-and-water outfit.

Now, however, GOP moguls have decided to give the Young Republicans a shot in the arm. The steering committee here this week was the result.

To administer further hypnos young J. Kenneth Bendley, state senator from Westport, Conn., will remain at GOP headquarters in Washington. Chairman Fletcher also has hired astute Royce Powell to handle publicity. Finally, the Young Reps will get financial assistance from headquarters when needed.

Daily List: Laid on the desk of the president each morning is a neatly typed memorandum with wide margins. Complied by the national emergency council, it is a list of legislative proposals favored by government agencies, and it is a rare day when the number is less than a score.

No matter how crowded his calendar, the president always takes time out for this chore. Pencil in hand, he carefully scrutinizes each project and, as he reads, jots down his comment.

In the margin opposite some proposals he notes, "Not now." Occasionally, he pencils "Ok." But in most cases there is a cryptic X and the notation, "Out."

For District Attorney: 70th Judicial District: CECIL C. COLLINGS.

Necessity Of Religion: Topic Of Rev. Taylor In Assembly Address.

Father Charles Taylor of the St. Thomas Catholic church spoke to the high school assembly on the "Necessity of Religion."

"The savage Indians that lived here years ago," Father Taylor said, "worshipped their gods. The Romans and Greeks of long ago worshipped their gods and goddesses, but always the heathen had one supreme being, one god who was more powerful than the rest. There is a bond that exists between man and his creator, and a series of laws by which he plans his life."

"Not only the uneducated worship God, but the wisest men of the centuries have done likewise. Men like Napoleon, Columbus, Homer, Virgil and Shakespeare, all turn to the supreme being. All the men living in the world today can't be great men, but they worship a greater power just as the men of old."

"So if all the leaders believe in God, it must be necessary to the average person. The supreme being is the foundation of all learning."

Since coming to Big Spring, this was Father Taylor's first appearance before the high school.

PENNEY'S J. C. PENNEY COMPANY, Inc.

and sleepless nights are manifold in expression. "Since becoming a Christian," wrote one man paying a debt to conscience and the past, "I am duty impressed to restore a postage stamp which I used once... May the Lord bless each one and save each one and save our souls."

and a girl of the mauve decade, once wrote to the president: "To his Majesty, President Cleveland: "I am in a dreadful state of mind. About two years ago I used two postage stamps that had been used before. I did not realize what I had done until lately. I think of it night and day. Now, dear President, will you please forgive me. I will never do it again. Inclosed please find cost of three stamps and please forgive me for I was 12 years old and I am sorry for what I have done. From one of your subjects."

\$80,000 From One Contributor—In 1915 one contributor sent \$80,000 in four installments and after the World War an Englishman sent a farthing as his pro rata share of the British debt.

Only recently have come contributions to "help balance the budget" or to "help in the deficit our country is facing."

Many requests have been forwarded to treasury officials asking for loans or gifts from the funds. They vary from charitable organizations to the man who wanted to get out of the poor house to write and illustrate a novel.

Once a letter in German came from the depths of the Brazilian forest, written by a Russian.

The treasury will not allow any part of the fund to be paid out. It belongs to the taxpayers. And the contributors don't care much. They figure on being angels.

Riding Pays Profit; Walking Shows Loss

CECILVILLE, Calif., Feb. 6 (UP)—Walking is less profitable than riding for Dye Farnsworth, pupil of the Salmon River school. The school trustees allow pupils 25 cents

receives his 25 cents. But when the roads are too muddy for his bicycle and there are no passing automobiles it is just too bad. He has to walk through the mud and gets nothing.

DEPORTATION BILL Gaining Support

WASHINGTON, Feb. 6 (UP)—A house drive to solve the unemployment problem by deporting millions of aliens, gained strength today as 30-hour work week advocates sought to sound-out the White House before launching their campaign. The deportation bill, sponsored by Rep. Martin Dies, D. Texas, was supported by a petition to force a house vote. The petition had 45 of the required 218 names. Dies said he was ready to launch a "decisive drive" to get the bill across. He predicted it would result in deportation of between 2,000,000 and 3,000,000 aliens and give their jobs to American citizens. The bill would force deportation of aliens not taking out citizenship papers within one year and reduce present quotas 40 per cent.

Ralph Bellamy Heads Cast Of Picture At Ritz

A Pennsylvania steel mill provides the locale for "Dangerous Intrigue," feature of the Ritz theater's program for Thursday. Ralph Bellamy has the top role and his leading ladies are Gloria Shea and Joan Perry.

The story concerns Anthony Halliday, a brilliant young surgeon, who is compelled, through no fault of his own, to resign his position as chief of staff of a prominent New York hospital. His fiancée grows cold to him, and the world suddenly in a dark and melancholy place to him. The succession of shocks causes him to lose his memory, and he wanders to the Pennsylvania mill town.

Here, though the amnesia leaves him after a time, he hides his identity and allows the anonymity of the huge mill to envelop him. By a strange twist of fate, he becomes involved in the solving of a mystery that is causing many deaths and accidents among the workers in the mill. Among other things, the chain of circumstances leads him back to a new life.

George Sheppard Asks Reelection

AUSTIN, Feb. 6. (UP)—George H. Sheppard, Sweetwater, state comptroller since April 1930, yesterday announced for re-election.

Sheppard's only announced opponent is Sam Houston Terrell, Austin, whose resignation from the job in 1930 was responsible for Sheppard's appointment by Gov. Dan Moody. Since then Sheppard has been elected to the post twice.

Sheppard pointed out the improved accounting and collecting systems set up during his term, with increased taxes from oil, gasoline, and cigarettes. The state ad valorem levy for school purposes was reduced 15 cents this year as a result of money accruing to that fund from other sources.

Industrialists Dispose Of Holdings Worth Fifteen Million

WASHINGTON, Feb. 6. (UP)—Gifts of securities valued at nearly \$15,000,000 were made by American industrialists during December, the last month they could dispose of without being subject to increased gift taxes.

Automobile manufacturers, industrialists and motion picture magnates were represented among the wealthy persons making gifts during December prior to the deadline for higher tax schedules. Recipients were not disclosed.

Securities and exchange commission reports showed Walter P. Chrysler disposed of 40,000 shares of Chrysler corporation capital stock worth \$3,760,000 at present market prices, reducing his interest in the company to 109,972 shares.

James A. Gray of the R. K. Reynolds Tobacco Co. gave away 30,000 shares of Reynolds class B stock worth \$1,740,000, reducing his holdings to 40,000 shares. Charles W. Nash of Nash Motors Co. gave away 90,000 shares of Nash stock worth \$900,000, reducing his holdings to 196,000 shares. Alvan Macaulay of Packard Motor Car Co. gave away 21,000 more shares of Packard stock, reducing his holdings to 218,245 shares.

Among the motion picture interests, Joseph M. Schenck gave away 46,000 shares of common and 15,000 shares of preferred stock of 20th Century Fox Film Co., together worth \$1,431,000. He also sold thousands of shares of these stocks. Harry M. Warner gave away \$300,000 par value of Warner Brothers Picture Co., convertible debentures and Jack L. Warner sold \$409,333 par value of the same security.

Library Will Be An Aid In U. S. Building

WASHINGTON, Feb. 6. (UP)—A unique "library" of building materials will be in the procurement division gallery of the Treasury Department now under construction. The "library books" will be samples of materials.

The primary purpose of the display, Rear Admiral C. J. Peoples, director of the division, said, is to facilitate work of division architects by making possible the selection of satisfactory materials indigenous to the localities in which federal buildings are being erected.

"The essential function of the exhibit," he said, "is similar to that of a reference library. A portfolio, for the use of architects and engineers, lists each sample, with notations as to classification, description, location, size limitations and recommendations as to use. The architect selected to design the building can study these samples."

Major Materials Included
Organizations representing producers in each of the 18 major classifications of building materials have been working in co-operation with the division in planning the display.

Marbles and other stones take up two rooms of the exhibition. These products are from each of the states producing them and from Alaska and Puerto Rico. One room is devoted to interior and the other to exterior use of this form of building material.

The interior room contains 192 polished or honed specimens of domestic marbles. The floor is divided into five panels displaying different marbles from various producing districts.

Lighting for daylight inspection is the feature of the exterior room. Samples of 191 pieces of marble, granite and other stones are divided by aluminum strips with floors of highly colored cast stone and slate.

Various Tiles Displayed
In the sample room of the floor and wall clay tile industry, two sections of post office wall screens have been installed to display the wainscoting, with sections of tile floors adjoining. Other sections of the room are devoted to displays of floor and wall tile, both in installed form and in cabinets containing more than 430 samples of paneling.

The aluminum industries exhibit combines aluminum, marble and phenol-formaldehyde in an artistic presentation. Walls are of marble, with aluminum plaques showing various finishes. Floors are of marble with aluminum strips and the ceiling is of phenol-formaldehyde. Aluminum Venetian blinds have been used in various window treatments. In the center of the room is a phenol-formaldehyde table, with a pedestal of black marble with inserted aluminum strips.

Similar general arrangements are followed in other spaces displaying exhibits of the Glazed Brick and Tile Institute, Metal Window Institute, The National Lumber Manufacturers Association, National Terrazzo and Mosaic Association, Structural Clay Products, Structural Glass Manufacturers Association, and the Stainless Steel Industry.

Garden Club Hears Lecture On Roses

Mrs. Charles Koberg gave the members of the Garden club Tuesday afternoon the lecture given by W. P. Maloney, Dallas, national rose culturist officer, on the plant and culture of roses. Included in the talk were names of many varieties suitable for planting in this locality.

Mrs. Eddy, president, appointed Mmes. Hart, Morgan and Edwards on a committee to see S. A. McCombs of the highway department concerning planting trees and shrubs along the east highway.

Three new members were presented: Mrs. Nell Hatch, Mrs. Theodora Andrews and Mrs. G. F. Williams.

Mrs. Griffin was instructed to make a scrap book of clippings and list of magazines and book concerning garden ideas and plans for the library in order that the list would be available to gardeners needing this information.

Mrs. L. S. McDowell told the history of the red yuccas in her yard.

Present were: Mmes. J. A. Boykin, R. V. Hart, W. R. Ivey, E. E. Bryant, J. M. Morgan, Charles Koberg, O. P. Griffin, W. P. Edwards, E. E. Eddy, E. D. Merrill, J. R. Manion, J. P. Dodge, R. A. Eubank.

The University of California plans to offer a course in television in its extension division.

VOCALIST

Wynelle Patterson, charming vocalist who will appear with Stan Stanley and his orchestra when that famed radio band plays for a dance at Hotel Sefton here Saturday night. From Birmingham, Miss. Patterson started her radio career in that city, went to New York, and later scored a success in an engagement in Buenos Aires.

U. S. Population Over 4 Million Above '30 Total

WASHINGTON, Feb. 6. (UP)—The bureau of census today estimated the population of the United States as of July 1, 1935, at 127,821,000, a gain of 4,746,000 or nearly 4 per cent, over that shown by the 1930 census.

The bureau reported a sharp slump in the growth of the population between April 1, 1930 and July 1, 1935, with the annual average increase falling to 904,000, or little more than half the 1,665,000 average annual gain in the 1920-30 decade.

The bureau estimated that if the same increase over the past 5 1/2 years were continued to 1940, the census at that time would show a population of 132,000,000.

The bureau estimated American births between 1930 and 1935 at 12,420,000 and the number of deaths at 7,423,000.

Part of the excess births over deaths was offset by a net exodus from the United States of 251,000 persons in the 5 1/2 year period.

Nations with larger populations than the United States are: China (without Manchuria) 370,691,000; India 351,399,000; Soviet Russia 163,700,000. The Japanese empire, gaining rapidly in recent years, is still well behind the United States with 91,793,000.

Whit Davidson Due To Assume Duties Feb. 15

DALLAS, Feb. 6. (UP)—Ceremonies for administering the oath of office to T. Whit Davidson, former Texas lieutenant governor, who has been named to a federal judgeship in the Northern Texas district, were set tentatively today for Feb. 15.

Federal Judge James C. Wilson of Fort Worth, senior federal judge in the district, will administer the oath in the courtroom in which Judge Edward R. Meek, resigned, formerly presided.

The date for the ceremony was made tentative because of its dependence on the arrival of Davidson's commission, signed by President Roosevelt.

Members of the bar at the same time will dedicate a portrait of Judge Meek, who served more than 37 years.

Davidson said he understood that arrangements were being discussed by Judge Wilson and Judge W. H. Atwell, the other federal jurist in the district, regarding the apportionment of his duties. It was regarded as probable that he would be assigned to hear cases on the criminal docket in Fort Worth, Amarillo and Lubbock.

Old Spanish Moss Put To Wide Domestic Use

ORLANDO, Fla. (UP)—The old Spanish moss that clings to the more than 15,000 live and water oak trees that add to the beauty of Orlando is not as useless as it appears to visitors.

Bunched, the grey moss has been put to many uses in domestic life. Architecture of small buildings has been given an odd touch with moss-covered roofs. Fences and walls have been draped with the moss.

Probably the most ridiculous use of the moss was ever put to was when a young Orlando miss tried it out as a bathing suit—but it did make an attractive sun-suit!

Students To Hear Radio Broadcast

In as many rural schools as can obtain radios for the occasion, students will listen Friday at 11 a. m. to a broadcast of Texas cowboy songs over the Texas Quality Network.

The program is to be under the

Pioneer Haskell Resident Dead

HASKELL, Feb. 6. (UP)—M. E. (Moss) Park, 80, ex-sheriff and pioneer rancher of Haskell county, died at his home near Haskell yesterday.

Park came to Haskell in the 20's and was known throughout West Texas and as a veteran peace officer.

He is survived by his widow; a son, J. Clay Park, Kansas City, Mo., and two daughters, Mrs. T. A. Pinkerton and Mrs. C. M. Kaigler of Haskell.

86 Per Cent Of Farm Payments Made When Due

WASHINGTON, Feb. 6.—Farmers' interest payments on land bank commissioner's loans registered another substantial gain during the last quarter of 1935 and at the end of the year total interest collections were more than 86 per cent of all maturities, a new high point, according to the report issued by the Farm Credit administration Feb. 1.

Total interest maturities to the end of 1935 amounted to \$42,500,000, of which \$36,500,000 or 86.3 per cent had been paid, compared with \$32,300,000 matured to Sept. 30, 1935 and \$26,700,000, or 82.9 per cent, paid at that time.

Maturities of interest at the end of 1934 amounted to \$8,000,000, of which \$6,600,000 had been paid on Dec. 31 of that year. The first of the commissioner's loans were made in May, 1933 and the total outstanding at the end of 1935 was \$795,000,000.

"Since interest installments on these loans made under the emergency refinancing program began to mature two years ago, the collection ratio has climbed upward steadily," Governor W. I. Myers of the FCA stated. "It is very gratifying to find that the overwhelming majority of farmers who obtained these loans—and over half of them were on second mortgage

Death Valley In California Has Become A Popular Goal of Tourists

with 42,081 visitors reported last year, an increase of more than 100 per cent over the 1933-34 total.

A Three Days' Cough Is Your Danger Signal

No matter how many medicines you have tried for your cough, chest cold or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with anything less than Creomulsion, which goes right to the seat of the trouble to aid nature to soothe and heal the inflamed membranes as the germ-laden phlegm is loosened and expelled.

Even if other remedies have failed, don't be discouraged, your druggist is authorized to guarantee Creomulsion and to refund your money if you are not satisfied with results from the very first bottle. Get Creomulsion right now. (Adv.)

Luckies are less acid

Recent chemical tests show that other popular brands have an excess of acidity over Lucky Strike of from 53% to 100%.

Excess of Acidity of Other Popular Brands Over Lucky Strike Cigarettes

BRAND A	53%
BRAND B	65%
BRAND C	75%
BRAND D	100%
LUCKY STRIKE	0%

LABORATORY OF INDEPENDENT CHEMICAL RESEARCHERS AND RESEARCH BUREAU

All kinds of people choose Luckies, each for reasons of his own. But everyone agrees that Luckies are A Light Smoke of rich, ripe-bodied tobacco. It is a rather surprising fact that the leaves of the same tobacco plant may vary far more than the leaves from plants of quite different types. Chemical analysis shows that the top leaves contain excess alkaline which tend to give a harsh, alkaline taste. The bottom leaves tend to acidity in the smoke. It is only the center leaves which approach in Nature the most palatable, acid-alkaline balance. In Lucky Strike Cigarettes, the center leaves are used.
